## SALE OF BOOKS TO AID U.D.C. FUND

### Chapter Hears Report on State Convention

The Manassas Chapter, U.D.C., was delightfully entertained on Tuesday afternoon, October 11, at "Liberia", the home of Mrs. Albert Roseberry on the Portner Estate. Assistant hostesses were Mrs. W. E. Varner and Mrs. Mary Roseberry Muddiman. The meeting was presided over by the president, Mrs. R. L. Byrd.

The historical subject was salt, with special references to the war period of the sixties. Mrs. R. A. Hutchison read an interesting paper on the subject written by Mrs. R. L. Gulick, of Aldie. Mrs. T. J. Ashford read from Mrs. Sarah Summers Clarke's book which told of the difficulty in obtaining salt during the "War between the States." It is said that the need became so acute that North Carolina ran her own salt train; that at the close of the war a soldier paid \$5.00 in Richmond for a mere pinch and in Raleigh, N. C., it sold for \$8.00 a bushel.

The treasurer, Mrs. H. M. Jackson gave a report of her receipts and disbursements for the past year, showing a small balance in the active fund and \$366.82 for the building project. The building committee reported this fund recently augmented by \$27.68, proceeds from rummage sale. A gift from an unannounced donor of one hundred and twenty copies of "Rhythmic Ramblings in Battle Scarred Manassas" by Rev. T. D. D. Clark to aid in the building of the Memorial, was most gratefully received by the chapter and it will be the pleasure of the members to offer this publication for sale at 50 cents each copy. The books are in the hands of Miss Isabelle Hutchison who will gladly supply upon request. Miss Hutchison read from the book a short poem "Stonewall Jackson" by request of the author. Reverend Clark's contribution to the poetic world is widely recognized and we are happy to relate that many years ago he was chosen Poet Laureate of our Manassas Chapter and by his acceptance an honor was conferred upon us.

Miss Sallie Proffitt, president of the Juniors, was presented and gave an account of a meeting recently held in the home of Misses June and Fanelle Pickeral.

Following a suggestion by Mrs. Walter A. Newman, the body unanimously voted to honor Mrs. Chloe E. Lay Hodge by placing her name on the list of honorary members.

The president announced the following changes in standing committees: Mrs. Lewis J. Carper on credentials, filling vacancy caused by resignation of Mrs. M. M. Washington, Mrs. Dennis Baker, chairman of Ways and Means, Mrs. B. F. Knox, chairman of local relief and Mrs. C. B. Compton, chairman of membership.

Mrs. Byrd, who represented the Manassas Chapter at the forty-third convention of the Virginia Division, United Daughters of Confederacy convening in Alexandria, October 4-7, brought to the meeting a splendid report, replete with interest. The chapter is indebted to Mrs. Byrd for the able and accurate account of the convention and a rising vote of thanks was extended as an expression of appreciation.

Other delegates and members, who went to Alexandria, were: Mrs. T. J. Ashford, Mrs. E. H. Nash, Miss Noelle Nelson, Mrs. R. A. Hutchison, Mrs. E. H. Hibbs, Mrs. E. B. Giddings, Mrs. Maud Kincheloe, Mrs. G. G. Allen, Mrs. Robert Smith, Mrs. L. B. Kasehagan, Mrs. Jenkins Davies, Mrs. W. A. Newman and Mrs. H. M. Jackson. From nearby chapters were: Mrs. William H. Lamb, Centerville Ridge; Mrs. W. H. Dogan, Bull Run and Mrs. Alice Taylor Hutchison of the 8th Virginia Regiment.

Refreshments were served during the social hour. The hostesses were assisted by Mrs. John Roseberry and Misses Mildred Roseberry and Sallie Proffitt.

Mrs. John Broadus, Mrs. Dennis Baker and Mrs. R. L. Byrd will be hostesses for the November meeting.

### CHURCHMEN GET INTERESTING PICTURE OF CHINESE WAR

The fall meeting of the Piedmont Convocation of the Episcopal church was held at Pohick church on Tuesday. Services were in charge of Rev. Boyd Howarth and the dean, Dr. Ribble. Rev. W. F. Carpenter is the secretary of the group.

Hon. F. P. Miller, of Fairfax, who has spent much time in Europe, was the speaker in the morning. He gave a picture as to how Hitler is regarded by Christian Europe, being a sort of anti-Christ in general estimation. One remark most momentous in aspect was the speaker's declaration that Hitler won the World War last week.

Following a review of "What Has Christianity to Say" by Rev. E. A. de Bordenave, Rev. Kimber Den, of Nanking, China, held his audience really spellbound by a graphic description of war conditions, having just come from the Hungkwei-Hangchow area. He, too, paid his respects to Hitler.

The day closed with a short meditation period conducted by Rev. H. J. Miller of St. George's, Ballston.

### CONGRATULATIONS

Mr. and Mrs. Jack Hunt, of near Haymarket, are the proud parents of a baby son, William Thomas, born October 6th in Leesburg Hospital and weighing 8 lbs. 4 ozs.

### AN APPEAL WITHOUT APOLOGY

Next week many earnest believers in Chambers of Commerce in general and the Prince William County Chamber in particular will take the field to enlist new recruits in this organization which has, for its sole purpose, the promotion of the County's business and commercial welfare. They are not going out on a charitable campaign nor for the solicitation of funds for the promotion of the interest of any one group no matter how worthy; their purpose is one dedicated to the advancement of the County's prosperity—the prosperity of every man and woman earning his or her livelihood in this County.

They have no apologies to make, for their approach to the person who is not a member of the Chamber and should be, is in the nature of presenting an offer to assist in a worthy undertaking—an endeavor which yields a return to every individual earning his livelihood in Prince William County.

### COUNTY TEACHERS ATTEND PARTY AT NOKESVILLE

On October 6, the teachers of Prince William County attended a costume party in the auditorium of Nokesville High School. Each teacher was requested to appear in a costume to represent a character in a book. The response was almost 100 per cent, and the characterizations were quite real. A regular banquet dinner was served by the Nokesville Woman's Club to the teachers; this dinner consisting of good old Virginia ham and all the "fixins." Mr. Sigman acted as toastmaster and proved to be quite clever and humorous in this capacity. His theme, "Personages in our Teaching Force," was both toasted and roasted in the course of the evening. He introduced other teachers who gave toasts to the following:

To the Ladies by Supt. R. C. Haydon, Manassas, in absence of Mr. Wm. E. Moore, Haymarket.

To supervising Principal by Mr. Sigman, in absence of Miss Catherine Davis—Dumfries.

To the Principals by Mrs. M. H. Stotts, Manassas.

Ordinary Teachers, the riff-raff, Miss Margaret Powell, Occoquan.

The Men by Miss Emily Johnson, Manassas.

Other people, School Board, Janitor, and Bob Vetter—Miss Lois Sloop, Nokesville.

Another very delightful feature of the program was music by Mrs. Jo Lynn, violin, accompanied by Mrs. Kitty Baker at the piano.

Following the program a judging committee was appointed to decide which character was best represented. The decision was that the first prize be awarded to Misses Emily Johnson and Pauline Smith who represented "Mrs. Wiggs of the Cabbage Patch and daughter, Asia." The second prize was awarded to Miss Vaughan of Occoquan, who represented "Rip Van Winkle."

The "Last Leaf," read by Miss Irons of Occoquan, was pantomimed by Mr. Sigman in a manner so realistic that one wished the scene could last on and on.

The last feature of the evening was a grand parade of all who were in costume. The evening proved to be one of fun and was immensely enjoyed by every teacher present. It afforded a splendid opportunity for the teachers to get together for a jolly good time. After the party was over, many complimentary comments were heard to the effect that every minute of the meeting was most interesting and enjoyable, and the dinner delicious.

### MISS HERRING VISITS AT WOODBRIDGE

Miss Evelyn Herring of Mary Washington College spent the week-end at her home at Woodbridge, Virginia. She had as her guest, Miss Evelyn Wilkinson, of Hillsville, and Messrs. Norman Davis and Eddie Rose of Washington.

### RUMMAGE SALE

The Catholic Woman's Club will hold a Rummage Sale on Saturday, October 15, in the Telephone Building.

### PLEASANT CALLERS

Our pleasant callers last week included N. J. Miller, Mrs. Virginia Breeden, Mrs. J. J. Murphey, Mrs. R. S. Brawner and Raymond O. Curtis.

The Prince William County Chamber of Commerce has been an effective institution, an organization that has accomplished the tasks which came within its scope. Every added bit of man power, every additional dollar of support is converted into increased effectiveness.

Financial support of the Chamber is not a donation. It is an investment—a business insurance that pays dividends.

I only take this opportunity to thank those loyal workers for and believers in the Chamber who, next week, will give of their time to strengthen the organization, but urge that those who interest may have been passive, study the activities of the Chamber, acquaint themselves with its functions, learn of its accomplishments.

C. C. Cloe, President,  
Prince William County  
Chamber of Commerce.

The Prince William Young Democrats met at Nokesville on Wednesday night, October 5th, at the high school. The president, Mrs. Elizabeth Taylor read a letter from the new state chairman, Robert Lane Anderson, in which expressed a desire to organize a Speakers Bureau. Mrs. Taylor announced that three of the local young men have consented to have their names included in the list of speakers, namely, Mr. J. Jenkyn Davies, Mr. W. Hill Brown, Jr., and Mr. C. Lacey Compton.

Miss Nancy Lynn, the treasurer, reported a balance of about \$46.00 left from the amount allotted for the Barn Party and the club members voted to use that sum for another entertainment to be given during the Christmas holidays. The entertainment committee, Misses Irma Ball, Walser Conner, Nancy Lynn and Marion Lynn have already begun plans and state that the entertainment will be in the form of a dance which will take place about the last of December.

Many questions were asked after his talk, being mainly anent immunization against communicable diseases.

Walter Smith, a ten-year man, from Alexandria was present and enjoyed the evening.

## ASSISTANCE WORK NOW ORGANIZED

### State Board Reports Complete Coordination of Units

Prince William County is now in position "to go ahead with the first year's operation of the new public assistance program," Dr. William H. Stauffer, commissioner of public welfare, said today in a statement to Manassas Journal in which he reported that all of the counties and cities in the state, with two exceptions, have had the budgets approved and been given and the "go" signal.

This means that out of the 124 political sub-divisions of the state, 122 of these units had presented budgets for the year ending June 30, 1939, which budgets have been approved by the Commissioner of Public Welfare and have also been approved by the local governing bodies, namely, the boards of supervisors of the counties and the councils of the cities.

Dr. Stauffer has expressed his gratification in the fine spirit which has been displayed generally in the relations between the local boards of public welfare, the local governing bodies, and the state department.

On the basis of the approved budgets, this county will be benefitted by the amount of money which will be expended for aid to the aged, aid to dependent children and for general relief.

This amount for the period of September 1, 1938, through June 30, 1939, for the state of Virginia will exceed \$2,000,000. In addition to this amount there was spent during the period of July 1, 1938 through August 31, 1938, approximately \$300,000 for general relief.

The benefits which will go to the public assistance to the old aged are \$1,543,000; for aid to dependent children, \$229,000; and for general relief, \$850,000.

This assistance will cost the federal government, \$848,000, the Virginia state government, \$1,061,000 and the county and city governments, \$713,000.

Harry P. Davis, chairman of the board of public welfare for Prince William county, said today that the local board has made every effort to cooperate with the state department and is "delighted to know that Dr. Stauffer has stated they are ready for us to go ahead with our program."

"We shall continue to co-operate with the state in every way possible in putting across the public assistance program in this county in the most effective and efficient manner known. This is expected of us by our people and we shall consider our job a public trust and carry out this duty to the best of our ability," he concluded.

Delicious refreshments were served by the hostesses, Misses Lucy Arrington and Ann Bradford.

## HIGHWAY FUNDS ALLOTTED HERE

### Permanent Improvement Scheduled for Near Future

The Manassas Journal of October 6th carried a letter from Hon. Frank P. Moncreux addressed to Hon. Henry G. Shirley, Chairman of the State Highway Commission, relative to the delay in starting work on the convict labor project for Route 234, between Dumfries and Lake Jackson, for which an allocation of \$80,000.00 was provided in the Commission's budget for the current year.

Mr. Moncreux reports that he has received a reply to his letter, in which Mr. Shirley gives assurance that this work will be started about the first of the coming year. Following the receipt of this letter Mr. Moncreux has had a personal interview with Mr. Shirley, at which time Mr. Shirley stated that the forthcoming tentative budget of the Commission for the ensuing year would carry an additional allocation of \$160,000.00 for this project, making a total of \$240,000.00 which will be available.

This is the most heart cheering news which has reached Prince William County during the past decade. It will be particularly welcome to the Quantico and Dumfries communities which have been practically isolated from their county seat during the winter months.

The Prince William County Chamber of Commerce, which has made the improvement of Route 234 one of its major objectives, wishes to voice its deep appreciation of the action of the Commission.

### MANASSAS WOMAN'S CLUB MEETING

The Manassas Woman's Club at its meeting Wednesday afternoon had as guest speaker, Mrs. J. Parker Dashiell, author, artist and designer, of Richmond, whose subject was "Fashions as Social History." Mrs. Dashiell had with her a portion of her priceless collection of old fashion prints beginning with the first print ever made for women from which dresses were copied. This old print was in "The Pocket Magazine" sent out in 1770 by Joseph Robinson of London.

Mrs. Dashiell weaved a fascinating tale of fashions, full of rare charm and wit, around her prints. Her story of Madame Paradise, of Colonial Williamsburg, walking down the aisle of Old Bruton Parish Church, topped by a coiffeur too regal for a hat, but possessing a hat too fine to leave at home and so using a small colored boy to follow behind with the hat on a waiter, was particularly delightful.

Mrs. Dashiell ended with the thought that with the changing of Woman's fashions after the World War the poetry of life ended for her and the stern reality of life began.

Mrs. Nelson Lynn played two beautiful violin solos, "LeCygne" by Saint Saens and "From the Canebrake" by Samuel Gardner. She was accompanied by Mrs. Dennis Baker.

A very interesting report of the fourth District meeting, held at the Washington Golf and Country Club in Arlington on Tuesday was given by Mrs. W. L. Lloyd, delegate from the Manassas Club and Fourth District chairman of fine arts.

The hostesses were Miss Sue Ayres, Mrs. A. W. Ballentine, Mrs. R. C. Bowers, Mrs. R. M. Callis, Mrs. Lewis Carper and Mrs. Paul J. Cooksey.

### DR. PAYNE, NEW LOCAL LEGION COMMANDER

Payne, First Vice-Commander; Wheatley Johnson, Second Vice-Commander; Rev. John DeChant, Adjutant; Cleve Fitzwaters, Finance Officer; J. H. Eagle, Sgt. at Arms; Margaret Lynch, Service Officer and chairman of the membership committee.

Special objectives to devote attention, membership, child welfare, Rehabilitation, Americanism, and the Sons of the American Legion.

It was decided that installation of the new officers will take place at a special meeting in the Town Hall on Tuesday, October 25. The ceremony will be under the direction of Commande G. Raymond King, Commander of the 8th District and a member of the Alexandria Post. Former District (Continued on page 8.)

## MRS. DAISY MAY RUSSELL

Residents of the Canova vicinity were greatly saddened by the recent death of Mrs. Daisy May Russell, wife of James M. Russell, our county fire warden.

Mrs. Russell was quite a young woman, being only 51 at the time of her death. She was born in the vicinity on May 9, 1887, the daughter of Edward S. and Martha J. Cornwell.

Although Mrs. Russell had been in ill health for several years, she did not become worse off until in recent months. Her fortitude in this long illness was very praiseworthy. One event which greatly saddened her life was the death a few years ago of her son, Marye, a most promising young man. Other children, who survive, are Doris Virginia and James Russell, Jr. She also left a sister, Mrs. Lola J. Smith, and a brother, Mr. Paul B. Cornwell, both of Washington, D. C.; also a half sister, Mrs. Harriet Blakney, of Baltimore, and three half brothers, Isiah, of Baltimore, Md., and Messrs. Ben and E. E. Cornwell, of Manassas.

The funeral took place on the afternoon of October 1, from the Woodbine Church, which had been her church since she was a very little girl, with interment in the family lot there. The Rev. J. Murray Taylor officiated, and the pallbearers were Edward Adams, Edward Owens, Sandy Dunjan, Presley Lavendar, Clyde Miller and Hugh Incoe.

A very lovely feature of the ceremony was contributed by the flower girls, Lena Mae Maddux, Catherine Mae Rexrode, Madge Wheaton, Thelma Moore, Nelda Coverston, Mildred Oleyar, Lucille Herndon and Helen Gaba.

## JOPLIN

Mr. and Mrs. Harold Liming called on Mr. and Mrs. Preston Anderson on Saturday.

Mr. Frank Williams called on friends in Joplin and Fredericksburg on Sunday. Mr. Williams had been ill for quite a while but is improving.

Mr. and Mrs. George Whetzel and son, Chester, called on Mrs. Bertie Abel on Sunday.

Mr. and Mrs. James Dunn also Mrs. Elizabeth Burton attended the funeral of Mrs. Mitchell Bettis on Sunday.

We were glad to see Mrs. George Carter out again after being on the sick list for several days.

We are sorry to know that Mrs. Jane Bettis is leaving for Indiana. Mrs. Bettis has been visiting at the home of Mr. and Mrs. Mitchell Bettis for the past two months and has made many friends which will miss her very much. We hope she will return to Virginia again in the near future.

## CATHARPIN

Well, here's one for you. We have heard much talk recently about "Liberals" and "Conservatives" in politics. Naturally, people are anxious to know just what each is in order that they may the better assess their own "stance" in the front line trenches along the political Battle Front. This matter is no longer an enigma since it is now settled for all time. Senator Glass, upon being asked for a definition for these terms replied: "A Liberal is a man willing to spend other people's money; A Conservative is a man of sense." It's hard to beat Carter.

Rally Day at Sudley last Sunday was an inspiration to all. The attendance almost filled the auditorium and a fine spirit and much interest shown in the church school work. Each day from now on is to be regarded as a "Rally Day" for both children and adults. Both the Women's and Men's bible classes were

largely attended and the new Conference Year has great promise for good work. The watchword: "Make each Sunday better than the last one."

Mr. J. D. Wheeler, of Wellington, Va., is suffering an attack of appendicitis and is being carefully guarded by his physician as we write this morning. It is hoped the trouble may not prove serious.

Mr. and Mrs. W. K. Caldwell, who have been visiting friends in Roan Mountain, Tennessee, during the past four weeks have returned home to Six Acres after a period of feasting from which both return with more pounds of avoirdupoise than when they left the Old Dominion. Nothing like good, mountain air and corn bread to increase one's stature.

Mr. and Mrs. Walter Lynn, of Massachusetts, are visiting friends and relatives in the community at this writing.

Robert, young son of Mr. and Mrs. J. W. Alvey, has been out of school for several days due to illness.

Mr. and Mrs. E. S. Clary, of Lawrenceville, Va., were week-end guests

of Mr. and Mrs. J. W. Alvey of this city.

The Missionary ladies are hustling and bustling all along the line getting things in ship-shape for the bazaar and dinner-supper to be held in the church on Friday, the 28th. Turkeys are "ripening" nicely, and the frosty pumpkins and folder shocks are gentle reminders that this is the time of year when appetites are keenest for such things as turkey, chicken and oysters. You will find them all at Sudley.

The new office building recently projected for the county seat is now under construction and promises to be a model in the architectural field. Its need has long been advocated and its accomplishment is now but a matter of weeks. The plan looks excellent and the sketch beautiful to look upon, and ere long, will become the pride of Prince William county.

You know it is very natural for people to take great pride in erecting their public buildings. Millions of dollars are spent just for beauty. While a solid concrete wall would protect the inside space against the weather, perhaps for ages, yet who would be satisfied to gaze upon the dark, forbidding appearance of just an ordinary barn-like structure even though it did house its interior adequately for business purposes. Thus civic pride is ever the patron of architectural art and beauty and has been in vogue ever since mankind reached the stage of civilization. Not much wonder, then, that Prince William should emulate the great Solomon of Biblical Lore and build a "temple." There is one great difference, however, between the two structures. Solomon built his out in the great, wide open spaces where all the people could see and enjoy its beauty. He did not "hide it under a bushel."

Conference is again over and as usual much interest centers around the new Ministerial Line-up for the new year. This interest, of course, is mostly the concern of "people called Methodists." Changing pastors is always an ordeal. New habits and customs, ways and means, and a thousand and one other things for both major and minor import have to be reconciled and dovetailed together before either pastor or people can get off to their proper stride. Our retiring pastor, the Rev. A. B. Sapp, leaves us after a period of five-years' service on the Sudley charge bearing with him the respect and best wishes of his former parishioners for a successful pastorate in his new

The Word of God

The word is a lamp unto my feet, and a light unto my path.—Psalm 119:105

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in after years.

For he that will love life, and see good days, let him refrain his tongue from evil, and his lips that they speak no guile—1 Peter 3:10.

## BATTILING FOR SAFETY

One of the interesting things about the program for safety in Virginia under the direction of Col. Marion S. Battle, commissioner of the Division of Motor Vehicles, is that the program seems to be designed to lessen accidents by pointing out necessary precautions. So often the attention of the public is focused on needed safety measures discovered because of accidents.

Last week Colonel Battle censured the licensing of 16-year-old boys as bus drivers. He also pointed out that adequate protection should be placed on all school busses to prevent children from leaning out of the windows while the bus is in motion.

We do not feel that the first problem is important to this section. We are very happy to know that the second problem is receiving much attention.

We agree with Colonel Battle that these children should not be in a bus which is entirely surrounded by permanent wire or slats to prevent them from sticking their heads, arms and bodies out of the bus. However we do see the need for attention to this problem. The presence of some easily removable protection will meet this problem. We do not recall any accident on our school busses which has resulted from children sticking their arms out of the bus windows on balmy fall or spring afternoons.

But we do join with the policy of the Division of Motor Vehicles that the time to lessen accidents is to take precautions to prevent them from occurring when a danger is recognized. We should not be guilty of correcting such situations after we have tombstones as monuments to our neglect. This is one thing that should be done to protect our children. And it should be done now.

## OCCOQUAN HIGH SCHOOL NEWS

What proves to be an unusually progressive year for Occoquan High is getting off to a "flying start."

A new Student Government body, the House of Representatives, elected as its first officers on September 30: President, Ellen Thompson; Vice-president, Claggett Hawkins; Secretary, Kathleen Cato and Sergeant-at-Arms, John Slovenski.

Under the able guidance of Mr. John Van Devanter of Fredericksburg, the plans for a school band are progressing rapidly.

A pleasantly noticeable change has been made in Chapel Programs this term by a committee under Natalie Luberman, featured principally by the refreshingly different sermon of Rev. DeChant of Manassas.

The graduating class is desirous of publishing a Year Book and a committee has been assigned the task of (investigating the matter more deeply).

Milk is now being paid for a week in advance and delivered direct to classrooms each day, contrary to the old system of "marketing" at the freezer.

The student body is genuinely pleased with its aggregation of new teachers: Misses Cadmus, Keller, Powell, Neale and Laudermilk.

To-date, the soccer team revels in diversity of results, having won one, tied one and lost one.

To the regret of the student body, the Senior class has announced that it will not present the customary play this year.

The Student Council officers for this year are: President, Charlotte Howlett; Vice-president, Ellen Thompson; Secretary, Hazel Wolfgang and Treasurer, Lucy Stefk.

A much needed and appreciated driveway will soon be constructed around the school. Since the busses will then load from the back doors, the new system will eliminate the present confusion, resulting from lack of space.

—Robert Smith.

BARBARA STANWYCK SEEN  
WITH HERBERT MARSHALL,  
IAN HUNTER IN SHOW

"Always Goodbye" says "hello" to motion picture audience of Manassas when it starts its run next Monday and Tuesday, October 17-18, at the Pitts' Theatre.

In the arrival of this 20th Century-Fox dramatic production the fans are promised some surprising features. First, the picture co-stars those ever-and-increasingly popular experts of the deeper tones of screen dramas—Barbara Stanwyck and Herbert Marshall.

Then, Ian Hunter heads the featured cast. Long a film favorite, the actor's last 20th Century-Fox film was the memorable "To Mary—With Love."

Next, it offers the debut of little Johnnie Russell, the five-year-old Brooklyn tot who, reports have it, plays the focal role of the story around which all the grown-up lives weave their destinies.

Following this, the motion picture audience will meet again the newest of the "exponents of the lighter vein," Cesar Romero, who in one amazing role with Sonja Henie several months ago, took the cinema addicts by storm with his humor-technique.

And what is claimed to be a record event is the introduction into the dramatic story of Hollywood's most pretentious fashion show.

## COOPERATION FOR CIVIC PROGRESS

### Chamber of Commerce Works for the Good of All

Hundreds of bees to each comb of honey make a comparatively quick and easy operation of what would be an impossible task for a lone bee, however industrious.

On every side Nature flaunts this lesson in man's face. The seed itself is nothing. Sun, soil and moisture must co-operate with the latent germs in order to produce plant life. The solidest rock is only co-operating atoms. The strongest man is weak alone. Only by working with others or winning others to work him can he achieve worthwhile results.

To co-operate is to join forces and something more. It is to join hearts as well as hands—and to slip a little soul into the bargain.

The Prince William County Chamber of Commerce is an organization working for the good of all. Every community has its Civic Slackers—men who turn an indifferent eye to the live projects of the County. Perhaps it's because they do not know what it all means.

You have no more right to be indifferent to your County's efforts, hopes and ambitions than you have to neglect your family. For every citizen is in reality a sort of "Relative." You, as a unit, are morally responsible for what is done or left undone.

Come now—break through the ice. A crowd of mighty good fellows, fired by an ambition to put the good old county over in big shape, are giving extra time unselfishly to this effort. And best of all, once they get in it, they enjoy it. They feel that they are accomplishing momentous projects for themselves, their children and their children's children.

### CHRISTIAN SCIENCE

"Doctrine of Atonement" will be the subject of the Lesson-Sermon in all churches and societies of Christ, Scientist, on Sunday, October 16.

The Golden Text will be "God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ, who died for us, that, whether we wake or sleep, we should live together with him" (I Thess. 5:9,10).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Beloved, think it not strange concerning the fiery trial which is to try you, as though some strange thing happened unto you: But rejoice, inasmuch as ye are partakers of Christ's sufferings; that, when his glory shall be revealed, ye may be glad also with exceeding joy" (I Pet. 4:12,13).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The nature of Christianity is peaceful and blessed, but in order to enter into the kingdom, the anchor of hope must be cast beyond the veil of matter into the Shekinah into which Jesus has passed before us; and this advance beyond matter must come through the joys and triumphs of the righteous as well as through their sorrows and afflictions. Like our Master, we must depart from material sense into the spiritual sense into the spiritual sense of being" (p. 40).
