

SOFTBALL LEAGUE HOLDS INTEREST

Episcopal Team Strides In To Second Place

Methodist team still undefeated by defeating Baptist team, 5-3.

Episcopalists take over second place in crowning Presbyterian, 12-7.

The Baptist team came near springing the first upset of the church league in holding the Methodist to a score of 5-3, Monday evening.

With Worth Peters pitching a beautiful game and the other nine men presenting an air-tight defense, the Methodists were having a hard time ringing up their fifth straight victory.

Curtis doubled in the last inning, went to third on a passed ball and with the trying run at bat. H. Saunders sent a smashing drive into right center field that seemed to be a home run to tie the score, but J. Johnson, the fielding sensation of the Methodist team, came out of nowhere to make a sensational catch to end the game bringing victory to the Methodists, 5-3.

D. Vetter, J. Johnson, and S. Vetter led the hitting for the winners with hits apiece, while Larry Link connected for a tremendous triple for the losers.

In the other game, with Bobbie Adamson pitching his first game, the Episcopal team, took a close game from the Presbyterian by the score of 12-7.

The luckless Presbyterian team made the going tough for the victorious but the bats of W. Lynn, Bradford, Sinclair, and McBryde ringing out nine hits thus enabled the Episcopal to take over second place. Rev. DeChant homered for the losers, while R. Cross collected two singles.

CONTINUES DRIVE FOR SPECIAL AID

Treasurer Waters Announces Donations Since Last Week

The Prince William County Chapter of the American Red Cross, is continuing its drive for its quota of \$800, for the \$20,000,000 War Relief Fund being raised by the American Red Cross, for the relief of suffering among the wounded and refugees in war-torn Europe.

The American Red Cross intends to continue its efforts to extend all possible relief to the refugees and wounded soldiers in France after cessation of hostilities. This was made clear last week in a statement by Chairman Norman H. Davis, declaring that the relief activities would continue if the Red Cross is granted liberty of action in getting help to "those for whom it is intended".

Mr. Davis further said the campaign for \$20,000,000 is to go on with unabated vigor because, "there remains desperate need for hospital and medical supplies both for the wounded of the armed forces and civilians, clothing and other essential relief for refugees for which all and more than the \$20,000,000 sought by the Red Cross will be needed".

The funds received during the drive are to be used wholly and exclusively for war relief.

Your local chapter, appreciates the contributions sent to date, and hopes that those who have not made a contribution will do so at once. No amount is too small but give as generously as you and the members of your household can afford and do it now, that your county and local chapter, may be one to go, "over the top on June 30th". Send your contribution to Mr. O. D. Waters, treasurer, Manassas, Va., or to the Red Cross, Roll Call Worker in your county.

KIWANIS CLUB HEARS TALK ON AVIATION SCHOOLS

Sheriff John Kerlin made the important announcement at last Friday night's meeting of the Kiwanis Club that leases had been signed by the NYA to take over the old Swavelly School property for the coming year with privilege of remaining longer.

Mr. Samuel Hottle was present as the guest of Mr. Walter Sudd, and gave a very interesting discussion on government supervised aviation schools.

This subject being of great interest, Mr. Hottle was kept busy for quite a while answering questions as to the conduct and management of such set-ups.

Mr. Hottle explained in considerable detail how much stricter the rules were becoming in the matter of securing a pilot's license. He told of the methods of instruction and how it is subdivided.

Our regular publication date falling on a holiday next week we shall have to close copy twenty-four hours earlier.

"Destination Unknown"

"REFUGEES TO NOWHERE"

These are the "refugees to nowhere". This family happens to be Belgian, but there are hundreds of thousands of others like it in France, Holland, Norway and Finland.

No armored plate protects them. No supply trains bring them food. No commander finds them a place to stay when night falls. No expert strategist tells them where to continue their weary trek, or how. Father and grown son are not there to help them. All hope is behind them; in front lies nothing but horror and frightful uncertainty.

War strikes the civilians first makes them suffer most. Battles are fought in the streets of their small towns and on the fields of their small farms. Invading battalions crush their homes, shops and schools. Foragers seize their crops to feed soldiers, and confiscate their livestock to haul supplies. Nothing remains for the "refugees to nowhere".

It is to help them that the Red Cross is asking for \$20,000,000. Your local Red Cross Chapter has a big part to play in raising that sum of money. It needs your help, because you and your neighbors are the American Red Cross. We know you will heed the cries from the "refugees to nowhere", and that the Red Cross flag of mercy will never come down. Give as much as you can to the Red War Relief Drive—today.

TWO MEN KILLED AT BRENTSVILLE

On Sun. evening, Mr. May, son-in-law, of Mr. Harry Breeden, is reported to have found the family home near Brentsville locked. Filing down a key which he had, entry was gained only to find that Mr. Breeden had died of gun shot wounds apparently about forty eight hours earlier. Some time Thursday was the last time he was seen.

Horrorified, Mr. May rushed to Manassas and returned with Deputy Sheriff Partlow and Dr. E. H. Marsteller, county coroner. Meanwhile, other neighbors advised of the tragedy are said to have gone to the home of Mr. O. D. Cornwell, a nephew of Mr. Breeden, only to find him dead, apparently in the same manner. The latter's home is not far distant from the former's.

Dr. Marsteller made the same report on each death, the stigma of reported murder and suicide thus being eliminated, although it was commonly reported that this was the case.

The two men were buried on Tuesday, Rev. Murray Taylor officiating at both funerals. Mr. Breeden was buried at Woodbine Church while Mr. Cornwell was laid to rest in the family burying ground at Brentsville.

Mr. Cornwell, who was 34 years old, was single and resided with his mother. Mr. Breeden, aged 48, was married and had several grown children.

KENSINGTON REUNION AN ENJOYABLE OCCASION

The Kensington Society held a reunion at the old court house at Brentsville last Sunday in honor of its 21st birthday. Miss Minnie Smith, of Bristow, president, was chairman, and a large crowd of members and friends were present.

For the morning session, the music was furnished by a girl's choir under the direction of Miss Virginia Bradshaw and Miss Smith. Rev. Henry Lawson spoke, after which a bountiful basket dinner was enjoyed by all present.

At the afternoon session music was rendered by the male chorus of the Nokesville Brethren Church and Elder Miller gave an excellent address on "Women". Mr. George Beahm gave some interesting reminiscences, and Mrs. J. D. Springer, a charter member, now of Reading, Pa., who was a guest, delighted all with her well chosen remarks on the value of old friendships and quoting Edgar A. Guest's poem on "Home Town".

Tribute was paid to the first President, Mrs. Homer Swank, who was ill and could not be present and to Miss Smith, who had worked very hard to make it such a happy occasion.

TELETYPEWRITER SYSTEM IN USE

Governor Price Flashes First Message Last Friday

Virginia's police teletypewriter system, which will make possible "typing by wire" between 15 municipalities and the offices of the state police, was officially placed in service June 21.

The inauguration ceremonies were attended by Governor Price, Colonel Marion S. Battle, director of the Division of Motor Vehicles, and a large number of state and municipal officials. The ceremonies were held at the new headquarters of the state police located on the Midlothian Pike, a few miles west of Richmond. As part of the inaugural ceremony, a message from Governor Price was flashed over the new system to all state and city police departments connected with the network.

The Governor extended his congratulations to the police, saying, "I extend my sincere personal greetings and congratulate you on becoming a part of this progressive movement, looking toward the protection of life and property of the citizens of our state. The present cooperation between state and municipal police is excellent, but the installation of this system of instant communication between all connected police departments will bring about an even closer and more effective partnership".

Congratulatory messages were also sent by Colonel Battle and by Major H. B. Nicholas, superintendent of State Police.

Nerve center of the new system will be the new and modern headquarters building of the state police near Richmond. From this point circuits will radiate to the north, east, south and west, connecting state and municipal police departments of Richmond, Fredericksburg, Alexandria, Charlottesville, Staunton, Harrisonburg, Winchester, Covington, Roanoke, Lynchburg, Suffolk, Portsmouth, Norfolk, Newport News, and Petersburg. State police offices at Appomattox and Culpeper will be included in the network shortly.

Virginia is the first state in the south and the eighth state in the Union to adopt a state-wide police teletypewriter system, but partial systems in many states and full coverage in others have proven the value of the teletypewriter in police work and this system of communication has passed beyond the field of experimentation. The teletypewriter, with the state's new radio equipment, will give the Old Dominion a police communication system as modern and efficient as any in the United States. Planned cooperatively by municipal and state officials, the new system was authorized by the General Assembly and approved by Governor Price.

"This is the most far reaching and progressive step Virginia has taken for the protection of life and property", Colonel Marion S. Battle said in announcing completion of the network.

With the new system, written messages can be flashed with the speed of light to any or all connected points, thus making possible instantaneous cooperation between all police forces linked by the network.

Officials of the Chesapeake and Potomac Telephone Company of Virginia including Robert C. McCann, vice president and general manager, Arthur L. Lambdin, general commercial manager, and Victor B. Fitzpatrick, general plant manager, were present for the official inauguration of the new system.

Mr. and Mrs. H. Caldwell Slack entertained on Tuesday evening at the Boulevard apartments in Alexandria; their guests being: Dr. Elliott and Miss Marian Meade, of Washington, D. C.; Mr. and Mrs. C. O. Botkin, of Lorton and Mr. and Mrs. Harry Slack, of Occoquan, and Mrs. Lane, of Lorton. Motion pictures taken during the wedding ceremonies of Mr. and Mrs. Slack were shown in the evening, after which refreshments were served. All enjoyed a very pleasant evening.

Mrs. Keeney, of Alexandria, is visiting her daughter and son-in-law, Mr. and Mrs. Edson Lynn in Occoquan.

Mr. and Mrs. W. B. Richards, of Virginia Highlands, and Mr. Bruce Duncan, of Falls Church and Miss May Keyes, of Washington, D. C., spent several days visiting at the home of the Misses Helen and Mamie Davis in Occoquan.

Mrs. George E. McNeil, of Iris St., near 16th in Washington, D. C., entertained at her home for some of her lady friends. Out of town guests were Mrs. B. W. Brunt, Mrs. H. M. Janney, Mrs. Thomas F. J., and Mrs. F. W. Hornbaker and Mrs. Fred M. Barnes, of Occoquan, and Mrs. Joseph V. McClaskey, of New Alexandria.

Mrs. Harry Slack, of Occoquan, visited Mrs. Weedon in Quantico during the week. They were neighbors and great friends in Occoquan for a number of years.

The U. S. Army Engineer Corps of Ft. Belvoir held field exercises in Occoquan and vicinity on Monday and Tuesday of this week. Part of the exercises were to throw a foot bridge across Occoquan Creek and have the troops march across on it. This was done very expeditiously.

Your scribe recently visited Historic Belle Aire near Minnieville, and was very much surprised and disappointed at finding that the graves of Parson Mason Locke Weems, Colonel Jesse Ewell, Colonel Grayson and others who helped the building of our country in early Colonial times have no recognizable markers on them. This would be a worthy object to some of our PATRIOTIC societies to put suitable markers on the graves of those patriots. There is what appears to be an old cemetery near Belle Air Mansion, but the only markers are a few round or irregular boulders the same as those you would build a rough wall from. This should not be. RECRUITING STATION OPENED AT FREDERICKSBURG BY UNITED STATES ARMY

The U. S. Army opened a fulltime recruiting station in Fredericksburg this week in its campaign to enlist an "unlimited" number of young men in the various branches of the service.

Colonel K. T. Smith, Infantry, in charge of recruiting activities in Virginia, placed Sergeant Jackson L. Kaplan in charge of the recruiting station in the post office here. It will serve counties in a wide area surrounding Fredericksburg.

The recruiting detail pointed out that the army offers many opportunities for young men to learn trades which will be useful later in civilian life. Listed were such trades as typing, mechanics, radio operators, telephone linemen, mechanical and mining engineers, draftsmen, blueprinting and others.

Pay for a three-year enlistment ranges from \$21 at the start to \$157.50 a month. There are vacancies in all branches of the army at home and abroad. Specialists receive additional qualification pay from \$3 to \$30 per month. The army furnishes clothing, board, lodging, medical and dental attention.

Young men between the ages of 18 and 21 must obtain their parents' consent before enlistment. They may get consent papers from the nearest post office, which must bear parents' names and the signature and seal of a notary public before accepted. The papers should then be presented to the nearest recruiting office which for counties in this area would be here.

No parental consent is needed for young men 21 to 35. They must be single, free of disease, able to read and write, and must be a citizen of the United States.

High School graduates are offered an opportunity to join the Air Corps, where they may learn airplane mechanics or may qualify to attend a cadet flying school.

Additional information may be secured from the Army Recruiting Office, Post Office Building, Fredericksburg, Virginia.

marker should be on those graves. The road to the mansion is in very poor condition, and appears in such a condition now as to be impassible in wet weather.

HATCHERY WORK IS COMPLETDD

The shad season is over, and four fish hatcheries of the Virginia Commission of Fisheries have turned loose over 4,000,000 young fish reared from eggs taken from the spawning fish.

The Chickahominy River Hatchery incubated 3,019,000 eggs; the Mataponi River Hatchery incubated 1,051,995 eggs; and the Pamunkey River Hatchery incubated 643,000 eggs. Of this total of 4,713,994 eggs, approximately 90 per cent produced young fish to be released in the waterways of Virginia.

The Harrison Lake, on the James River, the United States Bureau of Fisheries' atchery incubated 2,225,000 eggs. Over a half-million of these resultant fish are being reared in a nursery pond to fingerling size, and will be released in the fall. They consume five gallons of feed every day.

The hatchery work was handicapped this year by the late Spring and the cold weather, explains J. T. Meyer, superintendent of hatcheries for the commission. The stations were in operation only one month and during that time the run of shad was far below normal.

VIRGINIA STATE FAIR INCREASES 1940 BUDGET

At the recent annual meeting of officers and directors of the Virginia State Fair Association, held at Richmond, it was voted to increase the budget for the 1940 State Fair \$8,000.00 to amount to \$69,725.00. \$20,854.00 of this will be for premiums with large increases for dairy and beef cattle, hogs, and women's and children's departments.

Reservations and contracts already made with exhibitors and concessionaires show marked increase over 1939, which was the most successful of all Virginia State Fairs.

Last year there were exhibits from 96 of Virginia's 100 counties, and this year the management expects to make it an ever 100.

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in later years.
Why are ye so fearful? How is it that ye have no faith?—Mark 4.40.

TO COMBAT THE "FIFTH COLUMN"

All good citizens must commend the prompt and patriotic action of Loudoun Post No. 1177, Veterans of Foreign Wars of the United States, at their meeting on June 7th, in the adoption of the resolutions which the Loudoun Times-Mirror published last week and the appointment of a committee to co-operate with the proper authorities in combatting "the traitorous work of the so-called 'Fifth Column' now secretly but effectively active throughout the country."

Let nobody delude himself with the false notion that there is nothing to fear from the Fifth Column in the United States of America. Patently the Fifth Column does not advertise itself with a brass band and swastikas flying. If it did, it would not have accomplished the downfall of Denmark, Holland, Belgium—and France as well—so swiftly and effectively as it did. The Fifth Column is a snake in the grass, but unlike the rattlesnake it does not sound a warning before it strikes. The Fifth Column unquestionably is one of the most effective, as surely as it is the most despicable, of the war agencies of Hitlerdom.

It is well known in Washington that South America reels with Fifth Column activities. Just how far the agencies of treason are now operating in the United States may not be so clear, but enough is known to cause a great deal of uneasiness in official circles. The pledge of assistance in apprehending and stamping out this despicable form of espionage by such organizations as the Veterans of Foreign Wars must, therefore, be very welcome to those bearing the responsibility of government.

The duty of every good citizen in this community is clear. Report to any member of the committee named by Loudoun Post,

J. "THE STORY OF FORTY LITTLE MOTHERS" NEXT HIT AT PITTS

Eddie Cantor comes to town next on the Pitt's screen for the first time in two years. The picture is "The Story of 40 Little Mothers", which opens at the Pitt's Theatre, Thurs., & Friday, July 4 and 5. Cantor, who heretofore was identified with choruses, ensembles, gags, and rhythm, changes his technique in this picture and emerges as an actor. In fact, he sings only one song and that is a lullaby, "Little Curly Hair in a High Chair", which he sings to a baby.

"The Story of FORTY LITTLE MOTHERS" is based on the French comedy "Monsieur Petiot", and is the story of a timid professor who inherits a baby and a lot of problems. The story is one that blends pathos, comedy and even drama, which is far afield from the antics of Cantor as his thousands of fans have known him.

Also lending dignity to the production is the presence of Judith Anderson, Broadway stage star, in the cast. She plays the head of a girls' boarding school where most of Eddie's troubles transpire, and is in effect the heavy of the story.

Also featured in the cast are Ralph Morgan, Rita Johnson, Bonita Granville, Diana Lewis and Nydia Westman together with eight-months-old Baby Quintanilla, hailed as an acting "find" that will be the talk of movie audiences for months to come. The production was directed by Busby Berkeley.

POWER, LAMOUR ART CO. STARS OF 'JOHNNY APOLLO'

Not since "Jesse James" has Tyrone Power had a role like that of "Johnny Apollo" in the 20th Century-Fox drama of that title which co-stars him with Dorothy Lamour at the Pitt's Theatre on Monday and Tuesday, July 1 and 2.

"Johnny Apollo" is the alias of a young college man, a banker's son, who turns mobster when the father he idolized is sent to prison and his wealthy friends turn against him.

Dorothy Lamour is more alluring than ever as "Lucky" Dubarry, the hard-boiled night club entertainer who understands and loves the boy, no matter what he does.

Production Chief Darryl F. Zanuck carefully selected the imposing supporting cast. Edward Arnold is seen as the banker father; Lloyd Nolan plays Mickey Dwyer, the gangster whose mob Johnny Apollo joins. Charley Grapewin is cast as a tipping ex-judge turned underworld lawyer, and Lionel Atwill is seen as the banker's lawyer, to whom Johnny appeals in vain for aid from his father.

"Johnny Apollo" is climaxed by one of the most thrilling jailbreaks ever screened, featuring one of the most amazing hand-to-hand battles—between Tyrone Power and Lloyd Nolan—in film history.

Highlighting the story are two special new song hits, sung by Dorothy Lamour, "Dancing for Nickels and Dimes" by Lionel Newman and Frank Loesser and "This is the Beginning of the End" by Mack Gordon.

CHRISTIAN SCIENCE

"Christian Science" will be the subject of the Lesson-Sermon in all churches and societies of Christ, Scientist, on Sunday, June 30.

The Golden Text will be "The prophecy came not in old time by the will of man: but holy men of God spake as they were moved by the Holy Ghost" (II Peter 1:21).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The Lord God hath opened mine ear, and I was not rebellious, neither turned away back. For the Lord therefore have I set my face like a flint, and I know that I shall not be ashamed" (Isa. 50:5, 7).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures", by Mary Baker Eddy: "Christian

Science is dawning upon a material age. The great spiritual facts of being, like rays of light, shine in the darkness, though the darkness, comprehending them not, may deny their reality" (p. 546).

THE UNITED STATES

By William B. Wood

The United States, the world will rule

In peace, in righteousness, with the true.

Our harbors and lakes will calmly

plow, Like Angels in Heaven, not below

On hills of green, we'll reap our grain

To feed our youth, who'll work for God

And see the Grail, when the worlds on fire

Hail the U. S. A., we're all for God.

The United States, we'll all God serve

On earth, in Heaven, through good and bad.

May the world unite, in national love

That will keep us with God and from the bad

May we all God praise in the glowing gleam

Of the Heavenly stars and the stripes at the clean

May God in Heaven keep a watching eye

O'er the land of the free, and the home of the brave.

WILLIAMS—BLOUGH

A very beautiful marriage was solemnized at the Manassas Church of the Brethren on June 20, at six o'clock, when Miss Anna Elizabeth Blough, daughter of Rev. and Mrs. E. E. Blough, became the bride of Mr. Marshall Lowell Williams, of San Antonio, Texas.

The church was tastefully decorated with wood ferns, roses, and candles. Miss Jessie Mae Conner played the wedding march and preceding the ceremony Mr. Loren Simpson, of Altoona, Pennsylvania, sang "Because" and "At Dawning".

The bride's father, Rev. E. E. Blough, performed the ceremony assisted by Rev. S. S. Blough, of York, Pennsylvania, uncle of the bride. The double ring ceremony was used.

The bride wore a gown of mousseline de soie over satin with lace bolero with long tight sleeves. She carried a bouquet of white gladiolus, baby's breath, and stocks. She wore a gold brooch, a family heirloom which was a gift from the groom's mother. Her veil of illusion was caught from a coronet of lace.

The maid of honor, Miss Miriam Blough, sister of the bride, wore a gown of peach silk marquisette over satin and carried a bouquet of blue delphinium.

The groom had as his best man, Mr. Leslie Blough, brother of the bride. The ushers were C. Lacey Compton and Wilson Harley. Little Eugene Blough, nephew of the bride, was ring bearer.

Mrs. Blough, mother of the bride, was dressed in blue and white silk with white accessories and wore a corsage of gardenias. Mrs. Leslie Blough, sister-in-law of the bride, wore a gown of blue chiffon.

Following the ceremony a reception was held at the home of the bride where about seventy-five guests were entertained. The bridal party was seated around the long dining table which was decorated with a large three-tier cake, candles, and flowers. As the bride put the knife in the cake a flashlight picture was taken.

Mr. and Mrs. Williams left for a southern trip after which they will be at home in San Antonio, Texas, where the groom is employed in library work. Mr. Williams is a graduate of Commerce college in Texas, also of Peabody in Nashville where he graduated in Library Science.

The out of town guests at the wedding were Rev. and Mrs. S. S. Blough, of York, Pennsylvania; Mrs. S. S. Conner and two sons, Richard and Stanley, of Waynesboro, Pennsylvania; Dr. and Mrs. George Row, of Richmond, Virginia; Mr. and Mrs. Bernard Aray and daughter of Harrisonburg, Virginia; Mr. and Mrs. Roy Keyser, of Washington, D. C.; Mr. and Mrs. Pitts and daughter, of Arlington; Mrs. Fannie Libeau, of Arlington; Dr. and Mrs. Roy Blough and sons, of Falls Church; Miss Alice Conner, of Washington, D. C.; Mr.

and Mrs. Jerome Frampton and Mrs. G. A. McDaniel, of Federalburg, Maryland; Mr. and Mrs. L. E. Blough and son, of Belpre, Ohio; Mr. and Mrs. J. W. Garrett, of Haymarket; Mr. Loren Simpson, of Altoona, Pennsylvania.

Many beautiful and valuable gifts were received by the happy couple.

HAPPY FAMILY REUNION

The "Rexmont", home of Mr. and Mrs. James H. Rexrode, of Manassas, Va., was the scene of a happy gathering, when the entire family met for a reunion on Sunday, June 23, 1940. Each son and daughter, their respective wives and husbands, and all of the grandchildren were present making a total of thirty-five persons namely: Mr. Paul Rexrode and family from Louisville, Ky; Mr. Roy Rexrode and family, Mr. Walter Rexrode and family, Mrs. Leo DeGraw and family from Detroit, Mich.; Mr. Harry Rexrode and family from West Point, N. Y.; Mrs. Leonard Weeks and family from Greenwich, Va.; Mrs. Warren Summers and family and Misses Mary and Clara Rexrode from Wash-

ington, D. C.
