\$30,000 Made Available for Farm Loans

Will Benefit Low Income Farmers in Prince William and Fairfax

Mr. W. H. Goodall, jr., rural rehabilitation supervisor of the Farm Security Administration, announced today that an additional sum amounting to about \$30,000.00 had been made available for loans to low income farmers throughout Prince William and Fairfax Counties primarily for the purchase of livestock and farm equipment. Loans are made on a repayment basis of from three to five years bearing interest at the rate of 5 per cent.

These loans are not only helping the farmer of today, but through careful supervision and assistance the Farm Security Administration loans are providing ways and means whereby the farmer may educate his family and provide a healthful living for them that the future farmers of America, may have healthy bodies and minds in order to carry on the work on which the entire nation depends.

Mr. Goodall stated that he would like for those desiring loans for next year to apply for them as speedily as possible in order for them to find desirable farms and get located in time to prepare the soil for their spring crops.

It will soon be land leasing time again for tenant farm families in Prince William and Fairfax Counties, but that shouldn't always mean it's moving time.

Moving each year is such an expensive custom in the loss of human and natural resources that it has attracted the attention of agricultural leaders of the nation.

"Surveys have shown that it costs the farmer \$50 or more each time he moves and that the landowner's loss is even greater. The community also loses by so much moving, because the families do not stay in a community long enough to contribute to its well being.

"In attempting to help the farm families rehabilitate themselves, the Farm Security Administration, in cooperation with the Extension Service and other agricultural agencies, has worked out a flexible farm lease that provides a basis for longer term leases which benefit the tenant, owner, and community.

"Many of the troubles of farm families are due to shortsightedness. Too often farmers have planned on a (See FARM LOANS, Page 8)

Esteemed Resident of Dumfries Area Passes Away

Robert Alexander Waters, age 80 years died, Friday afternoon September 27th, at his home in Dumfries, Va. after an illness covering more than five years. He had been bedfast for seven weeks and the end was expected. Pneumonia caused his death.

He attended the Dumfries Methodist Church as long as it was possible to do so. He was kind generous and sympathetic, which made for him a large circle of friends.

He is survived by his wife, Ella C. Waters, a son, Leon Ratcliffe Waters of Culpeper, Va. and daughter, Constance Waters Tasdeff of New York. Also survived by three grandchildren, Ellen and Malcolm of N. Y., and Patricia of Culpeper.

He was a member of the Jouam and a charter member of R. E. Lee Lodge, which took an active part in the burial. The funeral services was conducted by Rev. A. H. Shumate Sunday afternoon at 3 p. m. from Dumfries Methodist Church.

The pallbearers were James Williams, Cecil Garrison, Elvan F. Keys, Chester Smith, Willis Sison, D. W. Crawford.

The interment was in Dumfries Cemetery.

There was a profusion of beautiful floral tribute and appropriate hymns by Mrs. Beulah Brawner and Mrs. Dorothy Ennis.

School for Draft Boards

Lt. Col. M. F. Neal, State Selective Service Director, has announced that schools of instruction will be held next Monday, October 14, at Richmond, Roanoke and Bristol for members of the Virginia Draft Boards, which will be appointed before that day.

Board members will be expected to attend at their own expense. It is stated that Col. Neal will instruct the Richmond class, Col. LeRoy Hodges at Roanoke and Capt. Asher Harmon at Bristol.

Selective Service Board Names Submitted by Price

770 Names for Local Boards Await President's O. K.

Selective Service headquarters for Virginia has forwarded to the President a list of the complete personnel for all local selective service boards in this State. Selection of the list, which includes 770 names, has required most of Governor James H. Price's time during the last three weeks. With very few exceptions, all those invited to serve on local boards by the Governor have accepted.

President Roosevelt is expected to make appointments from the list very shortly.

The Virginia Selective Service headquarters is operating one day ahead of the national plan, and has completed mailing of all essential forms to the secretaries of local boards. A booklet explaining selective service to those who register on October 16, the last of the forms to go out, will be mailed early this week.

Headquarters of the Selective Service plan in Virginia has called on all local patriotic civic and business organizations throughout the State to support the Selective Service program by furnishing volunteers to registration and other boards. Organization of volunteer motor corps is also needed, and local organizations desiring to aid in registration are requested to report the number of volunteers with autos available for this work, to their local registration officials.

Governor Price has proclaimed a part-holiday for the schools throughout Virginia, and has instructed teachers to volunteer for service on local registration boards. Patriotic exercises will be held in all schools on the morning of October 16, following which schools will be dismissed for the day.

Called Meeting

A special called meeting of the American Legion will be held in the Town Hall on Tuesday, October 15. This meeting has been called by Commander Parrish for the purpose of election of officers for the year, and to take care of any other business that may come before the Post.

The annual membership drive is on and will continue until November 11, Armistice Day. All veterans in the county are invited to become members of the local Post. Checks for annual dues may be sent to the treasurer, C. W. Fitzwater, Manassas, Va. Turn out for the October 15, the meeting. You will be heartily welcomed.

WOMAN'S CLUB MEETING

The regular monthly meeting of the Manassas Woman's Club will be held in the Parish Hall, Monday, October 14. Mr. Grant L. Clarke, representing Safety Driving Campaign, will be guest speaker.

AUTO INSPECTION

The semi-annual inspection of automobiles in Virginia extends from October 1 to 31, inclusive. The inspection is under supervision of the State Police and covers brakes, lights, horn and other safety equipment. Under the new law the inspection stations can charge a fee of twenty-five cents.

U. D. C.'s Had Interesting Meeting Wednesday

Miss E. H. Osbourn, Recent Member Principal Speaker

The Liberia farm was an appropriate setting for the U. D. C. meeting on Wednesday afternoon, October 9, when Mrs. Albert Roseberry, Mrs. W. E. Varner and Mrs. Arthur Mudiman were hostesses.

The President, Mrs. McDuff Green presided and gave a report of the recent State convention held in Norfolk in which Mrs. Green represented the Manassas Chapter. Mrs. Green has been appointed as chairman of the Fourth District and will preside at the spring meeting to be held in Leesburg in May, 1941.

The first number on the historical program was singing, "My Maryland, My Maryland" after which Mrs. R. L. Byrd introduced Miss Eugenia H. Osbourn, the principal speaker of the afternoon, who presented a colorful word picture of her native county, Prince Georges, Md. Miss Osbourn also told of a military unit organized and which drilled for the first time on February 22, 1861, the members resplendent in their chosen uniforms of scarlet pantaloons, blue coats, long wide red sash and hats of shiny leather and blue cloth with a long plume of horse hair. This company of cavalry was known as the "Planter's Guard" and it was said that every man was a fine horseman. Their banner bore this motto: "Dens et Patria; aut Victoria, aut Mors" interpreted "For God and Country, or Victory, or Death". There were six companies organized in the county, Miss Osbourn said in defense of the Confederate cause.

Miss Osbourn recently became a member of the Manassas Chapter, U. D. C. being eligible through the Macgruder and Hilleary families; her uncle George Hilleary was killed in battle while fighting around Richmond.

Mrs. R. A. Hutchison read an account of Fort McHenry near Baltimore describing the incident which inspired Key to write the famous ode "Star Spangled Banner". The group sang "Dixie" and the national anthem. Mrs. Lewis J. Carper was piano accompanist.

The building committee, Mrs. A. O. Weedon, chairman, reported the sum of \$33 realized from recent rummage sale.

The treasurer, Mrs. G. G. Allen, gave a financial report. The acceptance of Mrs. M. J. Sheppard as a member was included in the registrar's report. The social feature concluded a very pleasant meeting. The hostesses assisted by Miss Mildred Roseberry and Mrs. John Y. Roseberry served sandwiches and coffee.

Mrs. John Broadbent and Mrs. Frank Peters will be hostesses for November at the home of the former on Portner Avenue.

Young Democrats Dance, Friday Night

Don't forget the dance to be held at the Swanee Tavern, Friday night, October 11 from ten until two. The dance will be sponsored by the Young Democratic Clubs of the Eighth District.

Executive Board To Meet

The Executive Board of the Manassas P.-T. A. will be held in Mr. R. W. Peters' office on Tuesday, October 14, at 2:30 p. m. Please note change of hour.

The regular monthly meeting of the Manassas P.-T. A. will be held on Thursday, October 17, at 3 p. m. in the Bennett School. All patrons and friends are especially invited to attend this meeting.

Governor's Proclamation

WHEREAS, the President of the United States has designated Wednesday, October sixteenth, one thousand nine hundred and forty as Registration Day under the Selective Service and Training Act of 1940; and

WHEREAS, the President has, in his proclamation requested the Governors of the several States to assist and implement the orderly registration of those subject to the provisions of the said Act; and

WHEREAS, it appears that the registration of those subject to the provisions of the said Act would be materially assisted by making available to the local registration boards the facilities of our elementary and high schools throughout the Commonwealth;

NOW, THEREFORE, I, James H. Price, Governor of Virginia, do hereby declare October sixteenth, one thousand nine hundred and forty, a holiday for the pupils and faculties of the public elementary and high schools of Virginia, and I call upon the local school boards, principals and teachers of said schools to volunteer their services in any way in which they may assist in conducting such registration. And I do moreover urge that said local school boards, principals, teachers and pupils arrange for appropriate patriotic exercises, including the sal-

Schools to Celebrate Registration Day

The Prince William County Public Schools will celebrate Registration Day on Wednesday, October 16, with a patriotic program.

The schools will open at the usual time and after the programs the pupils will be dismissed for the day. The School Board has set the day as a regular school day and all pupils and teachers are expected to be present.

Program for Manassas schools follows:

Presentation of Flag, American Legion; Salute to the Flag, School; "America", School; Scripture Reading and Prayer, Rev. A. W. Ballentine; Solo "All Hail America", Miss Sara M. Senseney; Address, Rev. R. M. Graham; Octet (from Glee Club) "The Star Spangled Banner"; "God Bless America", School; Benediction, Rev. A. Stuart Gibson.

Similar programs will be arranged for the various other county schools.

Ratcliffe to Meet Assistant Registrars

Chief registrar of the Manassas Precinct, E. Jackson Ratcliffe, is calling a meeting of his assistants at the Town Hall at 7:30 o'clock Monday evening, October 14.

The purpose of the meeting is to give as much instruction as possible prior to the registration on October 16, under the Selective Service law.

For the convenience of other registrars around over the county, Mr. T. E. Didlake, secretary of the Electrical Board, has stated that he will attend this meeting to assist Mr. Ratcliffe in instructing the registrars as far as possible.

A LOVELY GARDEN

One of the most beautiful spots in Manassas is the garden of Judge Cobb. It presents a riot of bloom and color not often seen this far from the "deep South". Judge Cobb is a Georgian and down there flowers are part of the daily life of the people.

Section Will Inspect State Selective System

State Director for Selective Service this week announced the complete personnel for a Civilian Instruction and Inspection Section of State Headquarters for Selective Service. Co-chairmen of the section will be Judge John L. Ingram and R. Grayson Dashiell, both of Richmond. Both were connected in somewhat similar capacities with the Selective Service in the first World War.

"The Instruction and Inspection Section in charged with the inspection of activities of the State Selective Service System, and with the instruction in the field of the personnel of the System", Colonel Mills F. Neal, Director of Selective Service in Virginia, informed those named in a letter today.

"In this work, it will aid and cooperate with the State Inspector assigned to State Headquarters. During the interval before registration day, this personnel will attend a conference for instruction of Local Board in Classification. After the system has been established and is functioning, the inspectors will make periodical visits to the Local Boards to observe and report on the work of the Board and to advise and instruct them in their duties. The making of accurate records will be stressed. State inspectors will investigate complaints and failures arising out of the operation of the State Selective Service System, at the request of State Headquarters. Full instructions will be issued at the conference, to be called."

Colonel Neal stated that the date for a meeting of the personnel of the section has as yet not been determined.

Governor Price's appointments follow:

For First Congressional District, excepting Newport News and Elizabeth City County: William A. Wright, Tappanhanock. For the area excepted: Charles E. Ford of Newport News.

Second District, excepting Norfolk and Portsmouth and Norfolk and Princess Anne Counties: J. R. Saunders of Suffolk. For Norfolk and (INSPECTION SECTION Page 8)

C. E. Fisher, Local Merchant, Dies at Home

Mr. Charles Elmer Fisher passed away at his home on October 5, 1940 after an illness of three months. He was born in Alexandria, Va., on October 4, 1868, the son of the late William and Virginia Mills Fisher.

On June 29, 1890, he married Mary E. Brown of Madison Court House, Va., and their children are Charles Cleveland and Mrs. R. C. Bauserman of Manassas; Mrs. James E. Bauserman of Fairfax; Mrs. C. J. Timmons, Mrs. W. V. Wright and Robert Elmer Fisher of Washington, D. C. Into this union was also born a son, the late William Henry.

Mr. Fisher having moved here in 1891 has been actively engaged in the mercantile business for the past thirty-one years.

He was a member of the Methodist Church having served on the Board of Stewards and as treasurer of the church for a number of years.

Funeral services were conducted at the church by the Rev. W. O. Luttrell, pastor and interment followed in the Manassas cemetery.

He is survived by his widow, six children and eight grandchildren.

The active pallbearers were J. H. Steele, B. C. Cornwell, J. Carl Kinchloe, W. E. Coleman, R. C. Hayden and Dr. George B. Cocks.

The honorary pallbearers included a distinguished assembly of business, church and social friends of the deceased.

Volunteers Aid Young Victims Of Air Raids

36,000 Layettes Sent In Million Garments Shipped By Red Cross

More than 36,000 layettes for war-stricken English babies, most of whom have been born during the current bombing raids, have been shipped to Great Britain by the American Red Cross.

Touched by the plight of thousands of English children driven from their homes by invading bombers, Red Cross volunteers in this country have redoubled their efforts in sewing garments and knitting sweaters for young British evacuees. According to Mrs. Dwight F. Davis, national director of Volunteer Service, in excess of 1,000,000 articles of clothing have been shipped to England to meet an urgent need of winter clothing.

Children's clothing, she pointed out, has formed the major part of these shipments. Reports from David K. E. Bruce, chairman of the American Red Cross Committee in London, describes a pitiful need among British children who have fled to refugee centers in the English countryside.

Thousands of school-age youngsters, a cable stated, have been separated from their families for the duration of the siege or longer. Among them are needy children from low income families who left their homes with only the clothing on their backs. Those from families of greater means virtually are in equal need because of the general disorganization of normal life under siege conditions.

American Red Cross relief of Great Britain is reaching the five-million-dollar mark, officials stated. Relief supplies being rushed on every available vessel includes ambulances, medical supplies, surgical dressings, mobile canteens and clothing. In addition, cash allocations have been made available to the American Red Cross Committee in London for the purchase of emergency relief items needed too urgently to await shipment from this country.

Layettes which have been shipped from this country consist of 30 items each, comprising a fundamental wardrobe for homeless children. Dresses, sweaters and boys' shirts have been included in the shipments.

Later reports from American Red Cross chapter engaged in war relief production, reveal that more than 500,000 volunteers are making garments and surgical dressings, Mrs. Davis said. She pointed out that since the outbreak of the European war 1,200,000 garments and 10,000,000 surgical dressings had been shipped to the Red Cross societies of belligerent countries.

CHRISTIAN SCIENCE

"Are Sin, Disease, and Death Real?" will be the subject of the Lesson-Sermon in all churches and societies of Christ, Scientist, on Sunday, October 13.

The Golden Text will be "He that is our God is the God of salvation; and unto God the Lord belong the issues from death" (Ps. 68:20).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Look upon Zion, the city of our solemnities: thine eyes shall see Jerusalem a quiet habitation, a tabernacle that shall not be taken down; not one of the stakes thereof shall ever be removed, neither shall any of the cords thereof be broken. And the inhabitant shall not say, I am sick: the people that dwell therein shall be forgiven their iniquity" (Isa. 33:20, 24).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures", by Mary Baker Eddy: "Sin, sickness, and death are comprised in human material belief, and belong not to the divine Mind. They are without a real origin or existence. They have neither Principle nor permanence, but belong, with all that is material and temporal, to the nothingness of error, which simulates the creations of Truth" (p. 286).

Friendship Class Meets

The Friendship Class of the Manassas Baptist Church met with Mrs. V. V. Gillum on Tuesday evening of this week. One of the largest groups in the history of the class was present. The annual election of officers resulted in the following being chosen. President, Prof. R. Worth Peters; Vice President, Mrs. E. B. Hughes; Sec'y-Treasurer, Harry Cobb; Assistant Sec'y-Treasurer, Norman Hughes; Custodian, Mrs. Lewis Carper.

The class decided on a new plan of teaching, electing a group of five for this week—Rev. R. M. Graham, chairman of the teaching committee; C. W. Staggs, Stanley Owens, Harry Cobb and Lyle Hedman, as members of the committee.

Delightful refreshments were served by the hostess, Mrs. Gillum, after which the meeting was adjourned to meet with Mr. and Mrs. Stanley Owens, next month.

A large group gathered in the Presbyterian Church last Sunday night for the Christian Endeavor meeting. Mr. Wood was in charge and the leader was Mrs. Sadrin Saunders. Bobby DeChant was chosen secretary and reported that about forty-five persons were in attendance. Mrs. Robert Saunders was appointed chairman of the Program Committee, and Lewis Carper and Ralph Burhans were appointed to assist her. Meetings are held each Sunday night at 6:30.

POTOMAC BAPTIST

MINISTERS MEET

The ministers of the Potomac Baptist Association met in Manassas Baptist Church, Tuesday morning. Officers of the conference were elected for the ensuing year. Mr. Anderson of Alexandria Church was elected President, Rev. R. M. Graham, Vice President, and Rev. E. H. L. Snellings, Sec'y.

Ferrington Elects

The Ferrington Union met at the Midland Methodist Church Thursday night, October 3. The young people of the host church gave an inspiring worship program. Homer George, the outgoing president, presided during the business session. The election of officers was the main issue. The new officers are:

Counselor, Rev. John Newman, Nokesville; President, William T. Hale, II, Nokesville; Vice President, Cleveland Fisher, Manassas; Secretary, Frances Owens, Nokesville; Treasurer, Peggy Tipton, Manassas; Publicity Sup'l., Rosalie Knight, Warrenton.

After a wiener roast the Ferrington Union adjourned with determination to make the coming year successful.

Openings in All Branches of Foreign Service, Says Recruiting Officer

Sergeant Jackson L. Kapham, in charge of the Army Recruiting Station, located in the post office building, Fredericksburg, Va., states that a new allotment for recruits has been assigned to his office. The quota is for assignments for duty in foreign Service, Panama and Hawaii for all branches of the Service. Also for Air Corps for the States for high school graduates and those of mechanical ability. Other branches are open in the States and applicants applying for enlistment have their own choice to the Station of branch of Service desired.

Colonel Leland W. Skaggs, Infantry, has assumed command of the Army Recruiting District, with Headquarters in Richmond. Colonel Skaggs is relieving Colonel K. C. Smith, who is on leave of absence before retiring from active Service. Colonel Skaggs was in command of the Richmond Recruiting District from 1923 to 1927 and has many friends throughout the State and will try to visit them when inspecting the substations.

Sergeant Nye, who is located in Warrenton as representative of the

Army Recruiting Service and has his office in the Post Office Building can be seen any day from 8 a. m. to 5 p. m. regarding the opportunities concerning the Army. He will be glad to talk over these matters with you so don't delay, enlist today. This is your opportunity.

Project Workers Must Accept Available Work

W. P. A. Employees Told They Must Take All Suitable Private Jobs

In recognition of the season of farm activities and the probable increase in private employment opportunities, you are reminded of the necessity for using every precaution to carry out the policies of this Administration regarding the accepting of private employment by project workers. W. P. A. Policies require that W. P. A. project employees accept private employment when available at the standard wage prevailing in the community and under normal working conditions, provided that the employee is capable of performing such work, whether of a permanent or temporary nature. This applies to any work that is available whether one or two days, or longer.

All project workers with farm experience are expected to accept employment on farms at standard prevailing wage, if it is available, even though the wage is below the W. P. A. security rate. The term "prevailing wage" does not refer to the W. P. A. wage rate or to monthly earnings paid to W. P. A. project employee, but means that usual or customary wage paid in the community for the employment offered.

This has always been W. P. A.'s policy, since it is our policy to give employment to needy persons only during times that private employment is not available in their own community. Any W. P. A. worker who refuses to accept private employment at wages prevailing in his community, and who is capable of performing the work offered him will be immediately released. W. P. A. will not re-employ such workers during the period that the private employment would have been available.

It is not only the responsibility of the Administrative Personnel of the Works Projects Administration to carry out these instructions, but it is also the responsibility of Project Supervisors and Project Foremen to encourage all project employees to avail themselves of private employment opportunities and report immediately to the District Office any instance of a project employee failing to accept private employment as outlined above.

Farmers who wish to employ any individual who is working on W. P. A. should notify the individual worker or the Project Superintendent. Workers who accept this private employment, at the termination of such employment, will be immediately re-assigned to W. P. A. following applications.

Nolting Deplores Increase In Hunting Accidents

Lists 10 Rules For Safe Conduct With Firearms

Several hunting accidents have already been reported to the Commission of Game and Inland Fisheries, most of them the result of hunters mistaking companions for squirrels. "It seems almost unbelievable that a man will pull the trigger of a gun until he is absolutely sure of the identity of his target", said Commission Chairman Carl H. Nolting, "yet every year men are shot for squirrels, or deer or turkeys. Virginia's hunting accident toll is low in comparison with many other states, but even one such accident is one too many. The Commission asks the co-operation of all sportsmen to eliminate hunting accidents entirely, not only by using the utmost care themselves but also by instructing others, particularly youngsters, in the safe handling of firearms."

"Take that boy out hunting", said Mr. Nolting, "but be sure that he learns to hunt properly. Safety in handling guns is the first rule of sportsmanship."

The following "Hunter's Decalogue" has been suggested by the Commission:

1. Treat every gun with the respect due a loaded gun. Too many tragic accidents have occurred because someone "did not know it was loaded".
2. Unless actually hunting, carry your gun with the action open. Carry only empty guns into your automobile, or into your camp or home. Better still, take them down.
3. Always make sure the barrel and action are clear of obstructions.
4. Always carry your gun so that you can control the direction of the muzzle, even if you stumble.
5. Be sure of your target before you pull the trigger.
6. Never point a gun at anything you do not want to shoot.
7. Never leave your gun unattended unless you unload it first.
8. Never shoot at a flat hard surface or the surface of water.
9. Never climb a tree or fence with a loaded gun.
10. Never mix gunpowder and alcohol.

Nokesville F. F. A. Chapter Elects Officers for Year

The Nokesville F. F. A. Chapter held its first meeting of the year on September 20 with 35 members on roll. This was a 52 per cent increase over the enrollment last year. The newly elected officers took charge of the meeting, and from the enthusiasm revealed, there seems to be effective leadership in the chapter. Gerald Herring an outstanding chapter member who has won State and National honors, is the newly elected president with Miller Whetzel as vice president. Edwin Nelson was elected to fill the office of secretary because of the resignation of Archie Conner. Harry Fitzwater as treasurer, is conducting the Thrift Bank. Frederick Harpine is reporter whose chief responsibility is good publicity.

The chapter, after giving the new members a hearty welcome, explained to them the many opportunities that they will have in the F. F. A. organization. All seemed to be impressed by this fact as well as the well as the way the meeting was conducted.

The objectives which includes a large program of work for the year was presented to the chapter by the chairman of the Program Committee, Albert Rollins, another outstanding chapter member. After carefully examining each objective, the chapter adopted them as a definite work program for the year.

Plans are under way for the chapter to attend the National Livestock show which will be held at Harrisburg, Pennsylvania some time in October.

At the Annual State F. F. A. Rally last year the Nokesville Chapter ranked 8th place in the State Chapter Contest. We are very proud of this achievement and hope to be nearer the top this year.

BIBLE THOUGHT AND PRAYER

THE FIFTH COLUMN LANDS IN VIRGINIA

Without any further doubt of the fact, we may state positively that the dreaded Fifth Column has definitely landed in Virginia.

We have felt for several weeks that Fairfax County and the area of the University of Virginia would be the logical bridge-heads for such an invasion.

Two at the Brenner Pass The Brenner Pass conference between Reichfuhrer Hitler and Premier Mussolini is hailed in the dictator-controlled press as opening a new phase of the war.

Yet all this preparation, and the conferences being held between the Axis leaders, underscore the failure of the Third Reich to live up to its Italian ally's expectations.

26 Years Ago . . .

The fire alarm of the town is sounded by a whistle at the power house. Not the "wild-cat whistle", which has been used for the blowing the curfew, but one of a deep, base tone.

The matter of opening a public park and swimming pool was proposed (municipal league meeting) and a committee was appointed to consider the possibility of securing the block between the railroad, South Main and Battle streets for a park.

The water main near the tank burst Monday and a part of the eastern section of the town was notified by the siren whistle that no water could be had for several hours during the progress of repairs.

TWO AT THE BRENNER PASS

The Brenner Pass conference between Reichfuhrer Hitler and Premier Mussolini is hailed in the dictator-controlled press as opening a new phase of the war.

The next stroke by the dictators probably will be as desperate as the last has been. The British know this. Their enemies must now attempt to make the most of the relative weakness of outlying British positions.

Mr. and Mrs. Charles B. Linton and family attended a family reunion in Rock Creek Park Sunday.

Now Herr Hitler must help Il Duce in the Mediterranean struggle, and may be thankful that this is so since it offers a graceful alternative to winning the Battle of Britain.

Both Schools Lacking Grid Material
Manassas Enlists Aid of Haymarket

(From Manassas High School Yellow Jacket, October 9.)

It may be blue Monday somewhere, but you could not cut yourself a thin sliver of gloom anywhere around Manassas High School's Athletic quarters. In the immediate neighborhood are more smiles than you will find at a convention of toothpaste models.

Haymarket High has been the willing benefactor of eight husky men to be placed on the very needy Manassas Football Squad.

Because of the lack of material in the way of willing lads, the worried Athletic Association officials went into a huddle and decided to call a mass huddle of all the boys in the High School for the general purpose of finding the individual viewpoints on whether or not they were going to support a football team for the coming season.

The most honorable officials went into another huddle to decide what to do. The conception bill was vetoed as a starter and then a ray of hope pierced the cloud of misery in the guise of eight able bodied Haymarket gridmen twiddling their thumbs while waiting for a chance to do their stuff.

Out went an S. O. S. to Haymarket. Incidentally the "Haymarket Hornets" were trying to complete an end run all by themselves, but the play ended in a cross country race to M. H. S. and now the disintegrating Manassas Maulers are plus eight men.

Palmer Smith, Burgess Hoffman, Hampton Alvey, Elmer Smith, Macon Pierrey, Dick Hayford, and Robert Alvey are the new enrollees.

News straight from the oat bin says Manassas would have no boys athletics whatsoever and would remain a battered carcass with a broken morale if participation in football had not been brought up to par.

The formidable combination of the two squads into one unit will click like a well oiled machine with a little elbow grease, practice and co-operation. Now just give them a flash of the green light and ye husky opponets better look to their laurels.

Bennett Pupils Stage Successful Flower Show

THE WORLD AROUND US

By O. J. Schuster

THE BIBLE TELLS US that man is fearfully and wonderfully made. Little do we realize this great truth. Only the great scientists of the world have some conception of the amazing complexity and perfection of a well-developed human personality. The great mass of mankind are still in almost complete ignorance regarding their own bodies and minds.

IF THE CHURCH IS to regain its leadership it will be by less preaching and by more practice of the fundamental truths proclaimed in the Bible. It must put into concrete practice the injunction, "KNOW THYSELF". Our educators and our clergy have the high mission of making man acquainted with himself, an understanding of the operation of his own mind and body.

CHINESE CHRISTIANS a few years ago, laid down some fundamental rules of Christian living for themselves. They said: "We will live a simple, frugal life. We will discipline our bodies to secure strong health". They distinguished sharply between the church and Christianity, saying: "The church does not have a definite message, apart from obsolete theological pronouncements. The lacks a comprehensive and interesting program of religious education for fellowship. It does not keep pace with the progress of the times".

WE AMERICANS WORSHIP BIGNESS—Big Buildings, Big Fortunes, Big Guns, Big Everything. We take a childish delight in being among great crowds. We play ball by gathering in huge masses under covered sheds and yelling our heads off. We imagine ourselves as great pioneer explorers when, crouched over a wheel we climb a mountain sitting down, speeding over a well-paved and gently-graded highway. Our pioneer spirit goes to battle with the ice-box if the butter is not as hard as a rock. Our pioneer fighting spirit is aroused if the bread on our table is not as soft as eider down or if the coffee is not as hot as taste demands.

WE MEASURE BRAIN POWER by its weight, being unable to comprehend extensive and harmonious organization of brain tissue on which intellectual and moral worth depends. When Leon Trotsky was killed a few days ago his brain was removed and preserved. It weighed 3.4 lbs. Just a trifle above the average of all human brains—from clown to college professor. Some human brains have weighed a full pound more than did Trotsky's.

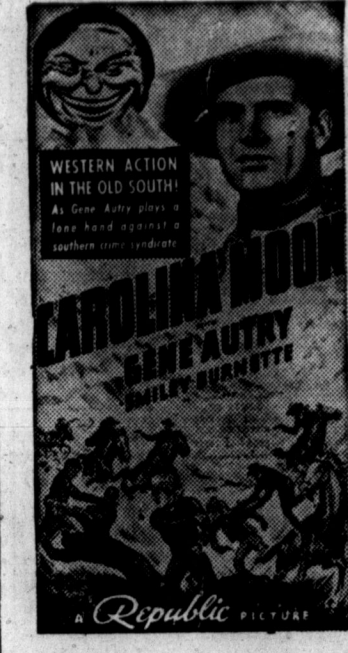

AN ELEPHANT'S BRAIN may weigh as much as ten pounds. So if weight were the main thing the elephant would be the world's conquering intellectual giant, for no human brain has ever weighed half as much as that of an elephant. Even a whale's brain weighs more than any human brain; but a whale's weighs only 1/500 as much as its body, while man's brain weighs about 1/36 of his body. If this greater proportional weight puffs up our egotism, perhaps we will become a little more humble when we learn that the brain of a canary weighs as much as 1/20 of its body and that the brain of the blue-headed tit runs still higher, weighing as much as 1/12 of the little songster's body. Is song perhaps the highest expression of brain power, of spirituality?

Children 7 or Older Must Attend School

RICHMOND—Under the terms of a ruling adopted by the State Board of Education on September 27, children must have reached six years of age before September 1 to come under the permissive attendance clause in the State law governing classroom eligibility.

By law, children 7 years of age or older must go to school. The new regulation fixes the age of children who may attend school, with the approval of their respective school boards. Such children must have had their sixth birthday before the September 1 deadline.

12,813 Visit Skyline During Week

FRONT ROYAL—Visitors to the Skiline Drive entering by the Front Royal gateway for the week ending Sunday, October 6, totaled 3,842 cars in which were riding 12,813 passengers, according to the weekly report of the Park Rangers.

This is almost 2,600 more people than visited the drive for the corresponding week of 1939 when there were 3,139 cars and 10,225 visitors.

Third Term No Worry to Price

RICHMOND—Governor Price is losing no sleep over the third-term issue in the presidential campaign, he asserted an audience in Highland Park last night.

"It is apparent now", he said, "that the people of this country are more afraid of one term for Willkie than a third term for President Roosevelt".

Madison Freshmen Make High Score

HARRISONBURG — The median score made by 391 freshmen who recently took the English placement test at Madison College surpassed the national norm for the test by 15 points, and exceeds the above-average median score achieved by last year's freshmen by 11 points.

EDITING NOT EASY

If we print jokes, people say we are silly.

If we don't, they say we are too serious.

If we clip things from other papers, we are too lazy to write them ourselves.

If we don't we are stuck on our own stuff.

If we stick close to the job, we ought to be on the job in the office.

If we don't print contributions, we don't recognize true genius, and if we print them, the paper is full of junk.

If we make a change in the other fellow's copy, we are too critical.

If we don't, we are asleep.

Now, like as not, some will say we clipped this from some other paper. We did.

September Work Is Behind August

RICHMOND—Using occupational accidents as an index of employment in Virginia, W. B. Davis, director of statistics for the State Industrial Commission, estimated that the total hours of work for September was 5.4 per cent greater than for the same month a year ago but 0.4 per cent than for August, 1940.

Compared with September, 1938, last month's employment was estimated to be 15.2 per cent better in respect to hours of work.

Machine-Gun Found in Car

CLIFTON FORGE — A German Luger machine gun and a .25 calibre pistol were found in the possession of a man arrested here Sunday. The man, who gave his name as Ray-

mond Myers, said he was from Hot Springs. He was taken to police headquarters on a charge of operating an automobile while under the influence of alcohol.

Myers entered a plea of not guilty to the machine gun possession charge, but admitted he had the gun in his automobile claiming he did not know it was unlawful to possess one. He said he used the gun to shoot snakes.

New Hospital

Ready December 5

RICHMOND—The Medical College of Virginia's new 20-story hospital will be dedicated with appropriate ceremonies on December 5, founder's day of the institution.

Following dedication exercises, to be held at Monumental Church at noon, the new building will be thrown open from 2 to 10 p. m. for public inspection.

Harrisburg Show Should Attract County Dairymen

National Dairy Show
Within Easy Driving
Distance From Here

In coming to Harrisburg, Pa., next week, the National Dairy Show makes one of its rare appearances in the northeastern part of the country. With its elaborate State Farm Show buildings, Pennsylvania has ideal facilities for accommodating the dairy industry's blue ribbon event and the showing of the "National's" thousand or more prize cattle.

There will be 32 classes for each of the five breeds, Holsteins, Jerseys, Guernseys, Ayrshires and Brown Swisses. On Monday and Tuesday, October 14 and 15, Holsteins and Ayrshires will be judged. Jersey and Brown Swiss awards will be made on Wednesday and Thursday, October 16 and 17. Guernseys will be placed on Thursday and Friday, October 17 and 18.

An added feature of the show will be the National Horse Pulling Contest. Commercial exhibits will include the newest development in dairy equipment.

It may be several years before the National Dairy Show is held again this near to Prince William County and it is anticipated that a number of local dairymen will make the trip to Harrisburg next week. Although a longer stay could be profitably and pleasantly made, the cattle and exhibits may be seen in one day by starting early and returning late in the afternoon.

Grand Champions at State Fair

At left is Oakwood Estelle 12th, grand champion Shorthorn female, and at right, Oakwood Commander, grand champion bull, at the recent Virginia State Fair. They were bred and exhibited by C. B. Teedgardin & Sons, Ashville, Ohio.

Oakwood Estelle 12th has been defeated for grand championship only once during the 1940 season, while Oakwood Commander has been grand champion bull wherever shown this year. According to the records of the American Shorthorn Breeders' Association, Chicago, Ill., this pair, both of the Polled type, are the highest winners of 1940 among Polled Shorthorns.

Negro Group Will Meet At Manassas

With the slogan, "Pulling Together for Defense and Progress", the Negro Organization Society of Virginia, Inc., will hold its twenty-eighth annual meeting at the First Baptist Church, Manassas, November 6-8, 1940.

Much interest is already manifested in the opening day program. The three-day meeting will get under way at 11:30 a. m. Wednesday with a luncheon meeting of the executive committee of the Virginia Trade Association, an outgrowth of

the Better Business Division. The first open session will be held on this date at 2 p. m. presenting the annual better business program. Principal speakers will be Richard Jackson, president of the Culpeper County Farmers' Association; John Murray, manager of the Dunbat Theatre, Washington, and James A. Jackson, special representative of the Esso Marketers.

At the general evening session, greetings will be extended officially to the group by Mayor Harry P. Davis of Manassas and Dr. J. B. Williams. The principal speaker at this session will be Willard Allen, president of the Southern Life Insurance Company of Baltimore and of the Maryland Association for the promotion of Negro business.

"Milestone Car" Presented to Contest Winners

Presentation of Chevrolet's "Milestone Car"—the 1,000,000th 1940 model produced by the industry's leader—was made at the New York World's Fair last week to Mr. and Mrs. Ernest Weibert (shown here), of Iron Mountain, Mich., owners of the millstone Chevrolet six-cylinder model, built in 1929. The Weiberts were winners of a nation-wide contest conducted by Chevrolet to locate No. 1,000,000. As guests of Chevrolet, the Michigan couple drove to New York, arriving at the Fair with more than 110,000 miles on their '29 car, which Weibert had purchased as a used car, at a price of \$25. M. E. Coyle (left), general manager of Chevrolet, presented the new 1940 Special De Luxe model to the Weiberts. Chevrolet's production of a million units this year maintains a seven-year record of a million a year average, with the 1,000,000th 1940 car following No. 900,000 by exactly one month. The well-traveled 1929 model has been returned to Detroit, where it will be placed on display.

Sudley Church

Has Successful Year

The congregational meeting at Sudley, October 27, closed one of the most successful years of our church, with finances paid in full and all branches of the work showing an increasing interest.

Our pastor, Rev. John S. Schwartz and Mr. Henry K. Maddox, our lay leader, deserved much credit for their untiring efforts to promote the work of the entire charge.

Many from Sudley congregation attended the services at Gainesville, Sunday afternoon, when our District Sup't. Dr. A. P. Williams delivered an excellent sermon. The sacrament of the Lord's Supper was also observed.

Prior to the services, Dr. and Mrs. A. P. Williams were dinner guests of Mr. and Mrs. Frank Eastham at their home in Haymarket.

'Man I Married' At Pitts' Theatre Next Thursday

Hailed as a drama of unmatched appeal, the new 20th Century-Fox film, "The Man I Married" comes to the Pitts' Theatre on Thursday and Friday, October 17 and 18. Preview audiences were stirred by its dramatic revelation of a beautiful girl's experiences with the husband she thought she knew.

Based on Oscar Schisgall's powerful story in Liberty Magazine, "The Man I Married" is rich in possibilities for dramatic entertainment. The film's unique and unforgettable characters are played by some of the top names on Hollywood's horizon, including Joan Bennett, Francis Lederer, Lloyd Nolan and Anna Sten—all of whom are starred.

Joan's performance as the young and beautiful wife who suddenly finds her husband a stranger has received much favorable advance comment,

while Francis Lederer, in his portrayal of the husband, is said to provide one of the film's outstanding highlights.

Lloyd Nolan as the American foreign correspondent and Anna Sten as the "other" woman are said to give sterling performances in exacting roles.

Gems of Thought
Circumstances

Whatever happens in the world, let us sing and say, We will wait with God the Lord will do.—Martin Luther.

I endeavor to subdue circumstances to myself, and not myself to circumstances.—Horace.

At all times and under all circumstances, overcome evil with good. Know thyself, and God will supply the wisdom and the occasion for a victory over evil.—Mary Baker Eddy.

He is happy whose circumstances suit his temper; but he is more excellent who can suit his temper to any circumstances.—Hume.

The height of human wisdom is to

bring our tempers down to our circumstances and to make a calm within, under the weight of the greatest storm without.—Defoe.

Calm Soul of all things, make it mine

To feel, amid the city's jar,
That there abides a peace of thine
Man did not make and cannot mar.

WASHINGTON BOOMS
UNDER DEFENSE ACTIVITY

Work and speed are the watchwords of the new defense program that is giving the Nation's Capital its second great preparadness boom of the present generation. National defense has supercharged the Capital with an atmosphere of boundless energy, of big things being done and still bigger things to come. The many evidences of this rapid development and high-speed activity are outlined in an illustrated feature article appearing next Sunday in The Washington Evening Star.
