BYRD DEMANDS PERKINS RESIGN

Feels That Labor Secretary Has Lost Public Confidence.

On April 21, I sent the following telegram to Miss Perkins:

The Nation's reserve of bituminous coal is being rapidly depleted by the continuation of the coal strike. Many vital defense industries are on the verge of being compelled to close as well as public utilities and manufacturing plants generally. Without coal to operate the defense plants the entire defense program must stop. Your public statement clearly indicates that your own efforts to mediate have failed. Why do you delay in certifying this strike to the National Mediation Board for immediate action. The longer you delay the more critical will become the condition and more difficult the task to accomplish mediation to immediately reopen the mines. There should be no further delay to imperil our national security. May I ask your prompt response as to whether you will certify this strike for immediate action by the United States Mediation Board, and if not give your reasons for declining to do so.

H. F. Byrd.

Miss Perkins replied the coal strike to the National Mediation Board at midnight, Wednesday, April 23, twenty-three days after the strike began. During these twenty-three days the stock of bituminous coal has declined at the rate of 100,000 tons per week, until now many industries are on the verge of being compelled to close their plants and the stock of coal for future emergency is exhausted. Whether a general shut-down of industry can now be averted by the Mediation Board remains to be seen. Shut-downs are already reported in steel plants and other vital defense industries, and many others are imminent.

Certainly the bungling and lack of courage on the part of Miss Perkins has greatly aggravated the situation, and her failure to act with promptness and firmness at the beginning of the strike, handicaps greatly the efforts of the Mediation Board at this late hour, when only a few days stand between practically a complete stoppage of all industrial life in America by the inability to obtain coal supplies.

During the period of the attempted mediation by Miss Perkins bitterness and differences have developed between the conflicting interests which make the task of the Mediation Board doubly difficult.

DEFENSE COMMITTEE ESTABLISHES HEADQUARTERS

The Northern Virginia Regional Defense Council today opened its office in the McGuire Building, 201, South Washington street, Alexandria. The quarters for the regional council are donated, rent free, by Mr. Andrew Clark, of Belle Haven, owner of the building.

Gardner L. Boothe, chairman, announced that a budget had been worked out for the council on a quarterly basis and that the money for the council's operation would be appropriated by the thirteen counties and two cities of the defense area.

Mr. Boothe declared the Washington street headquarters of the council would operate on a full time basis with office hours from nine to five daily. Headquarters will be in charge of Mrs. Marion Ramsay, secretary and executive officer of the council.

A committee comprised of Armistead Boothe, James Simmonds and Charles Harrison Mann are drafting by-laws to govern operation of the council. Mr. C. C. Cloe of Triangle, chairman of the budget committee, declared he anticipated no trouble in raising the regional budget.

Francis Pickens Miller, chairman of the publicity committee, announced the first meeting of that committee would be held Friday at 8:15 at the Regional Headquarters.

DRAMATICS CLUB PLAY

The Dramatics Club of the Osbourne High School, Manassas, will present a play on Friday, May 9, at the high school auditorium. The program will be found on page 2 of this issue.

YOUNG DEMOCRATS TO NAME NEW PRESIDENT

The Young Democratic Club will hold its regular meeting Tuesday, May 6, at 8 o'clock, in the Court House at Manassas.

This will be mainly a business meeting. The primary purpose is to elect a vice president since Mrs. Elizabeth Brower, the president, has resigned from her office. Mrs. Brower will be greatly missed by the club since it was largely through her efforts that the Prince William County Club was the largest Young Democratic Club in the state last year.

Plans are also being made for the annual membership drive. Cash prizes will be awarded again this year. Any one interested may enter the contest; those desiring to enter please notify Jane Lynn, Manassas, before May 10.

Arrangements are being made for a speaker to address the club at its meeting next Tuesday.

COAL STRIKE IS FELT LOCALLY

Manassas-Harrisonburg Trains Taken Off Temporarily.

Southern Railway Trains 11 and 12, running between Manassas and Harrisonburg were suspended on Monday as a result of the Soft-Coal Strike. At the same time the Southern was obliged to suspend forty-two other local trains throughout their system.

Other Virginia trains taken off included No. 7 and No. 14 between Richmond and No. 3 and No. 4 between Norfolk and Danville.

The remaining suspensions affected passenger service as far as Ohio, Missouri, Georgia and Tennessee. Thus is brought home to us evidence of the power of a radical labor group, in selfish contravention, to paralyze the transportation system of the country.

In many instances these strikers are asking for increases over their present compensation which amounts to more than the total compensation received by the boys who are called to the colors, and press reports indicate that there is a rapidly rising tide of indignation sweeping the country which will soon be felt in the Congress and probably result in effectual curtailment of the power of labor to paralyze defense industries.

MACS WIN OPENING GAME

The Manassas Macs showed more strength, both in hitting power and fielding Sunday when they defeated the Triangle A. C. by the score of 16 to 3. "Shorty" Vetter was the hitting star of the day by driving in five runs with a double and two singles.

Bill Berryman, new Macs hurler, pitched excellent baseball, allowing but six hits and striking out five batters. Triangle was not allowed a hit until the fifth inning when Gull drove a single to left field and was driven home by G. Reynolds who hit sharply to deep centerfield.

D. Posey and C. Posey played bang-up ball in the field handling several hard chances perfectly.

This Sunday the Macs will be hosts to the strong Quantico Indians. Bourne will be on the mound for the Indians while Gillum, Berryman or Ward will pitch for the Macs. The game is scheduled for three o'clock so let's all be on hand and support the Macs not only by attending the games but by rooting for them.

GLEE CLUB SINGS SPIRITUALS

On Thursday, April 24, the Glee Club of the Manassas Industrial School entertained the S. C. A. of the Bennett School with several hymns and Negro spirituals.

At the close of their program the S. C. A. applauded greatly and requested the Glee Club to sing "Swing Low Sweet Chariot". They very graciously responded to this request and their song was thoroughly enjoyed.

HOW TO RISE IN THE WORLD

HALE-WOOD

The marriage of Miss Mildred Wood, daughter of Mr. and Mrs. Henry Clay Wood to Mr. William Franklin Hale, son of Mr. and Mrs. J. F. Hale, took place Saturday evening in the Methodist Episcopal Church at 7 o'clock. The Rev. John Newman officiated and Miss Edna Lee Armstrong played the wedding music.

Miss Mary Ellyson Owens sang "Oh Promise Me" and Mr. Gerald Herring "I Love You, Truly".

The church was beautifully decorated with ferns and white lilies.

The bride, who was given in marriage by her father, wore white lace over duchess satin made on princess lines with sweetheart neckline and wore a necklace which was an heirloom of the bridegroom's family, and she carried a bouquet of white roses and lilies of the valley.

Miss Eleanor Smith was maid of honor and her gown was of delicate yellow chiffon and she carried a bouquet of sweet peas and lilies of the valley.

The bridesmaids were Misses Janet Trenis, Frances Hale, wearing pink chiffon and Misses Naomi Smith, Wilma Lee Wood, wearing blue chiffon and all carrying old fashioned bouquets of spring flowers.

Mr. Stanley Harpine was best man, and the ushers were Mr. Rufus Beamer, Mr. Henry Clay Wood, Jr., brother of the bride, Mr. Ernest Wm. Hale, and Mr. Irving Hedrick of Washington, D. C.

A reception was held after the ceremony at the home of the bride's parents, which was decorated with bridal wreath and other spring flowers.

The bride attended Nokesville High and a business college in Washington and the groom is a graduate of Virginia Polytechnic Institute of Blacksburg.

For traveling the bride wore a navy blue cape suit with white and red accessories, and wore a white corsage. Mr. and Mrs. Hale will be at home after May 5, at Nokesville.

It was decided to hold the annual convention of the county council of religious education in Manassas on Sunday, June 29.

The treasurer of the Council reported that a total of \$58.00 has been contributed toward the budget of the council, and that about \$400.00 was needed in order to meet all expenses for the year and wipe out the deficit.

LEGION SHOW PLAYERS READY FOR FIRST PERFORMANCE

Weeks of busy rehearsals will come to a climax on Wednesday night, May 7. That is the night when hundreds of Prince William folks will be found in the local high school. What will they see and hear? The Melody and Mirth Minstrel and Musical Revue of 1941.

This is the American Legion Show you have been hearing so much about. As you know, the actors are students at Manassas State Vocational School, directed by Carl Berryman, and assisted by a bevy of local beauties. Not only will you be entertained.

You will receive a fine souvenir program made possible by the generous co-operation of business men of the County. And you will have that fine feeling that comes to us all when we are helping the other fellow; for the proceeds of the show will go to the charity program of the Legion, and also to purchase needed recreational equipment for M. S. V. S.

Support the Show. High School Auditorium, May 7, 1941. Will we see you there?

BENNETT SCHOOL PRESENTS OPERETTA MAY 2

The fairy story of Hans Christian Andersen furnishes the basis for the annual Bennett School operetta which will be presented at 8 o'clock, Friday night in the high school auditorium. "Kay and Gerda" is adapted from the story, "The Snow Queen".

John Champion will play the part of Kay, Laurie Hersch will be Gerda, and Bonnie Lynn reigns as the Snow Queen. The supporting cast includes about seventy boys and girls who will be snowflakes, urchins, ragman, flowers, angels, men, women a witch and robbers.

Kay is kidnapped and carried off by the Snow Queen and snowflakes. Gerda decides to go in search of him. On the way a witch, (who is our own Peggy DeChant), puts her under a magic spell which makes her forget her mission. The flowers restore her memory and sing to her the secret of where Kay may be found. Gerda is rescued from the witch by the Robber Girl, (Lila Marshall), and is carried by a reindeer to the Snow Queen's Palace.

Kay does not recognize Gerda when she appears but when she sings to him his heart is melted and he is again her dear old playmate. Make your plans to visit our fairyland performance on May 2, and see what talent your girls and boys display at an early age.

A DOG AND FISH STORY

Our well known and most truthful fellowtownsman, Mr. O. O. Holler, brings us the following dog-fish story. Mr. Holler has a very fine dog that really loves fishing and yesterday, realizing that Spring is here, went off and brought back a fish head which he tossed up several times before his master.

Mr. Holler is a prominent member of the Isaac Walton League and a devoted sportsman. We believe his dog-fish story.

FLAG RAISING

The flag raising ceremony at the Courthouse on Monday morning will be reported in the next issue of the Journal, along with photographs.

SPEAKER DISCUSSES VOCATIONAL GUIDANCE METHODS

A plan of vocational guidance was discussed in practical fashion at the Friday evening meeting of the Manassas Kiwanis Club by A. E. Jakeman, director of the Manassas Vocational School. The program was under the direction of Worth Peters.

Prof. Jakeman stated that despite the efforts to give employment to the youth in their late teens and early twenties, that some four million of them are yet idle in the United States.

The interest of the average youth and his directed tendencies are a problem ever present and always interesting. This is a job in which the speaker has put much valuable time, and his discourse was received with keen appreciation.

It was announced that ladies night would be observed on May 16. The lieutenant governor will be present on May 9.

DEFENSE BONDS NOW ON SALE

President Urges All To Invest In National Security.

The United States Defense Savings Bonds and Postal Savings Stamps were placed on sale in the Post Office at the opening of business on Thursday, (today,) as part of the national effort to make America impregnable.

Postmaster Mrs. Elizabeth S. Davies announced this week that plans are complete for the community, along with thousands of other from coast to coast, to do its full part at the opening of the savings program.

The new Defense Savings Bond is similar to the familiar "Baby Bond", of which more than five billion dollars worth have been bought by more than two and a half million Americans since 1935.

A Defense Bond may be purchased today or hereafter, for \$18.75. In ten years, this bond will be worth \$25.00. This is an increase of 33-1/3 per cent, equal to an annual interest return of 2.9 per cent, compounded semi-annually. Any time after sixty days from the date of purchase, the bond may be redeemed for cash, in accordance with a table of redemption values printed on the face of the bond.

Mr. G. H. Gunther of near Centerville was purchaser of the first National Defense Stamp at the Manassas Post Office.

MANASSAS AND QUANTICO TO ELECT COUNCILMEN

Five Manassas men have qualified as candidates for two seats on the Town Council, according to County Clerk L. Ledman.

Those who have filed are Fred R. Hynson, W. E. Trusler, John H. Burke, J. A. Vetter and Eugene L. Mooney. The election will be held in June. Mr. Trusler is the only incumbent seeking re-election.

The names of five candidates for the Quantico Council also have been filed in the clerk's office. They are J. Hunt Moncure, L. L. Stevens, J. F. McInteer, B. E. Sisson and A. T. Kelley. A. E. McInteer is the unopposed candidate for Mayor.

MODEL AIRPLANE EXHIBITION

At a meeting of the Press By Club held this week, plans were perfected for the Model Airplane Exhibition. The exhibit will be held in the Manassas Presbyterian Church June 3 to 5. The contest is open to all boys in the County 8 to 14 years of age and the cost of planes is limited to \$1.00 or less. In the unlimited class, boys of any age may enter and there is no price limit on the planes they exhibit. Prizes will be awarded in all classes.

Entry blanks may be secured in the schools and all entries must be in the hands of Sedrick Saunders no later than May 23. Planes must be brought to the church no later than 7:30 p. m. June 3. After the judging, the exhibition will be open to the public June 4 and 5.

MAIL BOX IMPROVEMENT WEEK

Attention of all rural route boxholders is directed to the designation by the Post Office Department of the week of May 5th as "Rural Mail Box Improvement Week".

The postmaster will appreciate replacement of boxes not in good condition, or generally unsuitable as mail receptacles; painting or any other timely attention.

SAFETY PROBLEMS TO BE DISCUSSED

State Wide Conference to Be Held In Norfolk on May 22nd.

Safety problems pertaining to bus and truck operation on Virginia highways will bring together for discussion at Norfolk on May 22 through 24, representatives of an industry today employing 60,000 men in Virginia, Colonel Marion S. Battle, executive chairman of the Virginia State-Wide Safety Conference, announced today. The bus and truck section is one of seven that will be held at Norfolk simultaneously, while general sessions will intersperse the meeting and new safety standards for the state will be determined and fixed. Governor James H. Price is general chairman of the Conference.

Charles Ray of Richmond is chairman of the bus and truck section. He stated today that commercial fleets in Virginia now employ 18,000 drivers and 4,000 mechanics, while private fleets of commercial trucks and buses are employing approximately 40,000 men, while thousands more are engaged in the maintenance and upkeep of the equipment. "Mr. Ray stated that many new problems have come before the bus and truck operator due to the national defense—problems of greater use of the highways, of replacement of equipment, and others. He stated that virtually every fleet operator in Virginia today has either a trained safety engineer in charge of safety factors in the operation of his vehicles or some official whose primary concern is the safe operation of motor transport. These men and the operators of motor fleets will make up the balance of the group to attend the truck and bus section. The importance of truck and bus operation to Virginia is best illustrated, he said, by the fact that 2,365 Virginia communities have as their only means of public transportation bus or truck operations, out of 4,553 communities in the state.

Harry Pontious, director of the safety department of the Ohio Farm Bureau Federation, Columbus, will be the first speaker of the Conference, talking May 22, at 2 p. m., following the close of the first general session. William F. Geoghan, of Roanoke, vice chairman, of the Conference, will be the presiding officer. Harry Holmes, superintendent of maintenance of Akers Motor Lines, Inc., of Gastonia, N. C., will follow with an address on vehicular maintenance. A third address on efficient braking will also feature this session.

Robert Carter, of Richmond, will preside at Friday's sessions, when speakers to be heard will include Randolph Saunders, secretary of the Virginia Highway Users Association. He will discuss public relations.

Responsibility of Management for a Safety Program will be the topic of Herbert Hoover, engineer of the Maryland Casualty Company, who will also lead a discussion on this subject. A panel discussion also is planned. The remainder of the conference periods will be taken up by attendance at general sessions and participating in the Law Enforcement and Streets and Highways section program.

Serving on the committee with Mr. Roy are Joe Arnold, of Arlington; D. M. Baldwin, of Richmond; E. G. Blake, of Richmond; E. C. Bookman, of Richmond; Ray Coffee, of Bristol; R. I. West, of Richmond; C. H. Gould, of Norfolk; Ward King, of Kingsport, Tenn.; William Newton, of Norfolk; and the Messrs. L. C. Markel, W. C. Miller, Gardner Mundy, William B. Rawling, Giles Robertson and James T. Watkins, all of Richmond; and Jack Stanley, of Galax.

FATAL AUTOMOBILE ACCIDENT

Lewis Martin, 55, of Legato, Fairfax County, was struck and killed while walking along the Lee highway near his home. The car was driven by Irving J. Breeden, who was unable to see the pedestrian in the glare of approaching headlights until too late. He managed however to swerve his car enough to avoid a direct hit.

Fairfax County police stated that the accident was unavoidable so far as the driver of the car was concerned and that Mr. Breeden did everything possible to avoid the collision and to aid the injured man after the accident.

CATHARPIN

Rev. John S. Schwartz will preach his last sermon at Sudley next Sunday morning, May 4, having been called to the service as an Army Chaplain. Rev. Schwartz served as a Chaplain in California during the World War and has since been a member of the U. S. Army Reserves, Third Corps Area. He will leave Monday, May 5, for Fort George G. Meade, Md., where he will serve as chaplain in the Twenty-Ninth Division. It is with much regret that we give up our pastor and his family as they have endeared themselves to all of us during the three years that they have served us.

Please be at Sudley next Sunday morning, and please give your full attention to your financial obligations so that he may be paid in full to date before leaving us.

The Young People's chorus from the Methodist Orphanage at Richmond will present a musical program at Sudley on Mothers' Day, May 11, after services, they will be served a luncheon in the dining hall at Sudley, before going to Fairview Church for the afternoon service.

The people of the community are invited to bring their lunch to church and share it with these young visitors in a happy social hour.

They will present a program at Gainesville at the evening service, before which the members of Gainesville Church will entertain them at supper. Be sure to come out and hear these young people.

A meeting of the community is sweeping through this community and has been the cause of much loss of attendance among our pupils in the schools. Those having severe cases at present are Mr. Adrian Allison, Master Bobby Caton and little Misses Elizabeth Lynn and Cynthia Pattie.

Mrs. Sue C. Swart has come from Washington, to be with her sister Mrs. J. D. Wheeler, who is very much indisposed at this writing. We hope she may soon be much improved.

Private Charles J. Sterner, jr., U. S. M. C. R., who recently returned from winter maneuvers at Guantanamo Bay, Cuba, visited his friends, the L. J. Pattie family last Monday. He was accompanied by his friend, Pvt. Thomas Joselyn, also of Arlington.

Mr. and Mrs. James J. Riley motored from Washington Sunday and spent the day with Mrs. Bertie Caton and Mr. Ernest Riley. Messrs. Arthur and Edward Collins and Gordon Pattie motored from Triangle and spent the week end with the latter's parents, Mr. and Mrs. L. J. Pattie.

Dr. Charles F. Brower has returned to his home here after spending several months visiting his son and daughter, Mr. Charles F. Brower, jr., of Purcellville, and Mrs. Edward A. Willis of Beverley Hills, Alexandria.

Mr. and Mrs. Everett J. Boothley and Mr. and Mrs. James Young of "Oakwood" had several callers from Washington during the week end.

Mr. and Mrs. Will Brower had as their guests Sunday, Mrs. Brower's

mother, Mrs. Larkin, and several other members of her family.

HAYMARKET

Misses Davis and Truheart spent the week end with Miss Remsburg at her home in Berryville.

The Haymarket Women's Club will hold its regular meeting Monday, May 5, at 2:30 p. m. The topic will be "proper arrangements of flowers for the flower show". Plans are to be made for the annual flower show.

The Junior-Senior banquet held April 25, was a very happy social event. Covers were laid for sixty. The faculty and friends of the seniors were guests. John Carter, jr., was the toastmaster. Among the speakers were Mr. Eustler, Anne Tyler, Billy Rust and Hampton Alvey.

The Episcopalians of Haymarket Parish are preparing for the "Roll Call" which begins on Sunday, May 4. This is something like a census. The final meeting to prepare the messengers will be held on Friday, May 2, at 8 p. m. at the home of Miss Katie and Miss Janet Low.

CHRISTIAN SCIENCE

"Everlasting Punishment" will be the subject of the Lesson-Sermon in all churches and societies of Christ, Scientist, on Sunday, May 4.

The Golden Text will be "He that covereth his sins shall not prosper; but whose confesseth and forsaketh them shall have mercy" (Prov. 28:13). Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Good understanding giveth favour: both the way of the transgressors is hard" (Prov. 13:15).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Divine Love, corrects and governs man. Men may pardon, but this divine Principle alone reforms the sinner" (p. 6).

GEMS OF THOUGHT SERVICE
Little Things

The power of little things to give instruction and happiness should be the first lesson in life, and it should be inculcated deeply.—Russell H. Conwell.

Most of the critical things in life, which become the starting points of human destiny, are little things.—Robert P. Smith.

Seeing that we have to attain to the ministry of righteousness in all things, we must not overlook small things in goodness or in badness, for "trifles make perfection," and "the little foxes . . . spoil the vines."—Mary Baker Eddy.

Trifles discover character more than actions of seeming importance; what one is in little things he is also in great.—Swift.

In great matters men show themselves as they wish to be seen; in small matters, as they are.—Gamaliel Bradford.

It's just the little homely things, the unobtrusive friendly things.

YOURSELF AND YOUR BODY.
BY SIR WILFRED T. GRENFELL

Sir Wilfred T. Grenfell, author of "Yourself and Your Body", was born in England where he obtained most of his education. He lived a great part of his life in Labrador, a country which he was very fond of and which forms the setting of most of his writings. During his life he accomplished a great deal for the people of Labrador; he built homes, mills, schools, an orphanage, and a hospital. His book, "Yourself and Your Body", was first published in New York, 1938, by Charles Scribner's Sons.

"Yourself and Your Body", based on short talks that Grenfell made to his two sons, is about how the parts of our bodies are put together, what they are made of, and how they work. One chapter which I thought most interesting was a debate between Grenfell and his two sons on why people go to sleep in church. Many interesting points were brought out in this discussion, but the final decision was that the people in church give off carbon dioxide, which will put anyone to sleep; also there aren't enough plants in church to use up the carbon dioxide and give off the needed amount of oxygen.

From this debate we should learn that there should always be windows open in churches to let in the needed amount of oxygen. He gives a thorough explanation of the heart, lungs, and the nervous system. The explanation that he gives on the digestive system is most complete. He goes into great detail and gives a very lucid explanation of this complicated system. Grenfell also gives a clear explanation on the uses of the white and red corpuscles and an excellent description of the framework of the body and the muscles.

I will recommend this book for anyone to read. I found it very interesting and very educational.

This book may be borrowed from the Ruffner Carnegie Library.

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in their youth.

He that dwelleth in the secret space of the most High shall abide under the shadow of the Almighty. I will say of the Lord, He is my refuge and my fortress; my God; in Him will I trust.—Psalm 141:2.

RESIGNATION OF COLONEL LINDBERG

We note the resignation this week of Charles A. Lindberg as a Reserve Officer of the United States Army. He has done nothing to aid military aviation since the safety of our government was openly challenged by Adolph Hitler, and he served the Nazi Government faithfully and well in urging appeasement at the Munich Conference.

Lindberg has earned deserved recognition as the titular head of the Fifth Column in America. He has stabbed his country in the back on every occasion that Hitler needed his distinguished services.

We regret that he was allowed to resign. He should have long ago been kicked out. We were among the very first newspapers in the United States to characterize the former aviation idol as a traitor and it is extremely gratifying to us to see the Chief Executive of the United States finally refer to him in such stinging fashion that he has relieved himself of an honorable military rank to which he was never entitled by training or ability.

We will never again knowingly refer to this traitorous creature as a Colonel. That is an honorable designation reserved for men—real men who love their country and would die in its defense, not betray us to our avowed enemies.

DEWEY'S VICTORY

A FADING MEMORY

Startling events which are happening daily in a rapidly changing world, tend to dull the memory of historic episodes once vitally important to our country. Such was the battle of Manila Bay.

Forgotten is that May Day in 1898, when an American squadron, commanded by Commodore George Dewey, dared the mined channels leading into the bay to engage the Spanish fleet.

A few hours after the little armada of nine vessels had steamed past the threatening guns of Corregidor and entered the bay, the Spanish fleet of twelve or more vessels had been sunk or were afire.

U. S. Marines were landed at Cavite almost as soon as the smoke of battle had cleared away and, except for a brief interval, detachments of sea soldiers have been stationed there ever since.

In addition to those on duty at the naval station at Cavite, some U. S. Marines are stationed at Olongapo, about fifty miles to the northwest, while a few others are on duty at Manila or at radio and smaller stations nearby.

Meanwhile, life has moved along tranquilly in the little town. Some citizens of Cavite are employed in the navy yard there. Less active Filipinos enjoy their afternoon siestas and spend their evenings at the movies. They are a sober, sensitive, patriotic people with a passion for dancing and music and devout in their religious worship.

Although the heroic Dewey died in 1917, some of the veterans of the battle of Manila Bay still survive. Dewey's flagship, Olympia, still a rather trim-looking craft, rides peacefully at her dock in the Philadelphia Navy Yard, reminiscent of the morning when Dewey gave his famous battle order: "You may fire when you are ready, Gridley".

OCCOQUAN AND VICINITY

Mrs. Bernice Insko of Washington, D. C. spent the week end at the home of her mother, Mrs. Betty Carter, in Occoquan.

Mrs. Harold Wilcher of Occoquan was hostess on Tuesday at bridge for a number of the younger women of Occoquan and vicinity.

Mrs. B. W. Brunt of Occoquan entertained several ladies at lunch on Thursday. There were a number of Occoquan ladies, and some from Alexandria, Falls Church and Washington, D. C., and some from Ohio. It was a very elaborate party.

Mr. and Mrs. Ambrose J. Petellat of Occoquan celebrated their 35th wedding anniversary on Saturday evening, April 26, at their home in Occoquan. There were guests present from Washington, D. C., Baltimore, Md., Manassas, Occoquan, Woodbridge and Lorton. There were about 100 guests in all. Refreshments were served, and there was music and singing. All had a grand time. We all wish Mr. and Mrs. Petellat many more happy birthdays.

There will be a lawn party and church fair on Saturday, May 17, from 2 p. m. to 8 p. m., at the home and grounds of Judge John W. Price on the Mount Vernon Memorial highway about TWO MILES from Mt. Vernon, FOR THE BENEFIT OF POH-ICK CHURCH. All are cordially invited to attend this party. There will be plenty of entertainment, various articles will be on sale, so be prepared to take something home with you as a remembrance of this occasion. Refreshments will be on sale, including all kinds of GOOD EATS, so come hungry and get anything you desire to eat, REASONABLE. Remember the date MAY 17 from TWO to EIGHT p. m. The place TWO MILES North of Mt. Vernon at the home of Judge Price on the Mt. Vernon boulevard.
