THE HITCH-HIKERS

DUDLEY MARTIN HEADS YOUNG DEMOCRATIC CLUB

Mr. Dudley Martin was unanimously elected president of the Young Democratic Club of Prince William at the regular monthly meeting of the club on Tuesday, May 6, at the Court House. Mr. Martin fills the unexpired term of Mrs. Elizabeth Brower who resigned on account of ill health, and he had previously held the office of third vice president of the club.

Plans were discussed and tentatively formed to hold a Democratic rally in June, and Mrs. George R. Lee Turberville, jr., chairman of entertainment, was asked to write immediately to the three candidates for Governor of Virginia, seeking to obtain an outstanding, interesting speaker for the rally. The date will be arranged at the convenience of the speaker. County and town officials, and officials from neighboring counties will receive special invitations to the rally, which will be held on the Court House lawn. The lawn will be lighted for the occasion and refreshments will be sold by the club. Should the weather be threatening, the rally will be held at the high school auditorium. When a speaker has been obtained and a definite date set, The Manassas Journal will carry further details of the event.

HISTORIC MILL

Prince William County has many landmarks of interest. Since the construction of the John Marshall highway which passes by its door, considerable attention has been paid to the old Beverley Mills at Broad Run, immediately on the Fauquier County line.

The structure was erected in 1760 by slaves and has been in continuous operation since that time. The actual work began in 1752, the rock being quarried out of the mountain and laboriously hauled and worked into place. The old fashioned buhrs which are still in operation are no longer made these days.

John Marshall, from whose name the present highway derives its designation, passed this way when he journeyed to Alexandria and the National Capital. Among some of the mill's famous customers was General Robert E. Lee. More recently Hon. John Barton Payne came to the mill several times a year for his meal. Many celebrities come to the mill at the present time for their meal and flour.

"GRANDMA" APPERSON

Mrs. Mell Apperson, 82, one of the oldest residents of New Kent County, died at the home of her granddaughter, Mrs. Edward Hubbard, in Suffolk Saturday and was buried at Corinth Baptist Church at New Kent Courthouse at 4:30 p. m. Sunday. Mrs. Apperson was the widow of Norwood Apperson, who had made his home at Cedar Lane, New Kent County. Surviving her is Mrs. Elizabeth Apperson Hubbard of Suffolk, a granddaughter, and one son, Willie A. Apperson of New York. Mrs. Apperson was the oldest member of Corinth Church and was active in the church her entire life.

Grandma will long be remembered in Manassas where she had a large number of devoted friends.

ROSCOE LEWIS

Roscoe Conklin Lewis, age 62, colored, of Manassas, Va., died suddenly Tuesday, May 13, at 8 p. m. in the Garfield Hospital, Washington, D. C., of pneumonia.

He was the son of the late Landonia and William Lewis of Manassas, and a life-long resident of Prince William County. He would have been 63 years old this Friday.

Roscoe Lewis attended the Hamilton Institute; was one of the first pupils to attend the local Industrial School. He taught mechanics both in Dr. Cooke's School for Boys at Indian Head, Md., and the Manassas Industrial School.

He married Marie A. Brown of Manassas, Va., in 1907.

From this union there were six sons and three daughters:

Lutie Lewis Coates, Manassas; Alma Lewis, deceased; Roscoe, Jr., of Virginia State College; Landonia Lewis Marrow of Newark, N. J.; secretary to the Girl's Reserve of the Y. W. C. A.; Wilbur Lewis of Washington, D. C.; mechanic teacher at Blue Plains School for boys; Orville Lewis of Washington, D. C.; Ambrose Lewis, class of 1941 of the Virginia State College; Edward W. Lewis of Fort Dix, Md.; L. G. Lewis, freshman at Virginia State College, who has returned home to carry on his father's business here.

He is also survived by three grandsons, two sisters, Eva P. Lewis and Mrs. Pattie L. Howe; one brother, Dr. Stephen J. Lewis and many other relatives and friends.

Roscoe Lewis' Blacksmith Shop, as it was known, has served Prince William County and the neighboring counties for 38 years. The shop has been transformed over the years from a blacksmith shop to a mechanic shop.

Roscoe Lewis was prominently identified with the fraternal, educational, and religious life of the community.

He was a member of the Board of Trustees of Manassas Industrial School, Knights of Pythias, one of the founders of the Manassas Horse Show, chairman of the Board of Trustees of the First Baptist Church of Manassas, member of local Odd Fellows Lodge, was on the Agricultural Advisory Board of the Regional High School, and Business Manager and Treasurer of the Rose Hill Cemetery.

Funeral services were held today Thursday, May 15, 1:30 p. m. at the First Baptist Church of Manassas, and burial at the Rose Hill Cemetery.

(The Editors of the Journal desire to express their appreciation of years of friendship with Roscoe Lewis. In his dealing in his Church, his school activities, and his business, he achieved a success of which his community should be proud. His home and surroundings expressed culture. He reared his children to reflect credit on their native State wherever they go. To his widow and children we extend our sincere sympathy in their great loss.)

DR. RICHMOND IS GUEST SPEAKER

State Music Supervisor Addresses Woman's Club.

The Manassas Woman's Club had as guest speaker on Monday, Dr. Luther Richmond, supervisor of music, state department of education, who made a very interesting talk on "American Unity and the place that music might have in this Unity". Dr. Richmond impressed upon his audience the fact that music can be one of the nicest unifying agents in the home, church, school or any group at all.

At the conclusion of his talk Dr. Richmond charmed the club by singing several numbers: "Ave Maria".

"Mighty Like a Rosa", "Were You There When they crucified my Lord?", "The Rosary", "Three For Jack", and "The Rich Old Lady". This was a varied and very pleasing program. Mrs. Lewis Carper accompanied Dr. Richmond.

Mrs. C. C. Lynn, president of the club, appointed the following committees for the coming year. Program: Mrs. W. L. Lloyd, chairman; Mrs. Lewis Carper, Mrs. Vincent Davis; Membership: Mrs. C. Wade Dalton, chairman; Mrs. E. D. Wissler, Mrs. Harold MacCall; Public Welfare: Mrs. A. A. Maloney, chairman; Miss Sabina Nell, Mrs. R. S. GOVERNOR SMITH VISITS MANASSAS KIWANIS CLUB

The Manassas Kiwanis Club had the unique experience of entertaining two lieutenant governors at one time last Friday evening.

The regular visitor, Harold W. Smith, of Hagerstown, Md.; was on his official visitation, accompanied by Mrs. Smith. Lieutenant Governor L. E. Nelson, of Logan, Utah, of the Utah District, was making up his attendance while in the East.

Mr. Nelson spoke briefly on the state of affairs in his area, giving an interesting picture of Kiwanis work out there.

Governor Smith reviewed Kiwanis history from its beginning, showing how the work had broadened in its aspects since its first years. He used an interesting bit of Indian history as an analogy to make his point.

Reading the cardinal objectives of Kiwanis, the speaker emphasized the even greater need of the international aspect of Kiwanis today.

The speech was hailed as one of the best ever made by any visiting lieutenant governor.

Ladies night will be observed in the basement of the Methodist Church tomorrow evening. Father Jim is program chairman for the evening.

SPECIAL MUSIC PROGRAM AT CANNON BRANCH CHURCH

A music program of merit will be presented at the Cannon Branch Church of the Brethren Sunday (May 18) by a group of musicians from Washington, terming themselves the Vega Trio. They will give nine instrumental numbers, the instruments being the guitar and mandolin.

Sacred music will prevail being mostly old time Gospel hymns. Mr. Everett Kline will sing "Mother Macree", accompanied by Hawaiian guitar.

There will be a vocal solo by Mrs. C. D. Stewart and a vocal duet by Dr. McDougald and Mr. Lloyd Parks.

Dr. Chandler Stewart plays first mandolin and Dr. Haydon McDougald, the guitar.

FLAG PRESENTED AT HAYMARKET

Legion Post Closes Successful Series of Shows.

With the final showing at Haymarket last night, the Mirth and Melody Minstrels of 1941 closed an illustrious season. The audience showed its preference for old black-face comedy and mountain music in no uncertain measure.

Prior to the show, Commander Edgar G. Parrish, of American Legion Post No. 158, introduced Dr. Wayne Payne, who in behalf of the Prince William Post, presented a handsome American flag to the Haymarket school. Miss Pamplin, of the Haymarket faculty, received the gift with appropriate remarks of appreciation.

The American Legion, whose work in the county is aided by this series of performances, expressed its thanks to the business men for their generous support of the program, to the agile young gentlemen of the Manassas Vocational School and those lovely young ladies of the community, all of whom co-operated in the success of Professor Berryman's ideas.

None but Virginia boys could have put on the skits in the way that they went over. "Skinny" Hughes and his tambourine had some new movements that brought even more applause than at other places and "Sugar Foot" Deahn got a hatful of encores for his rendition of "Mona". The sentimental numbers also received special attention such as Miss Evelyn Berryman's "Kind-a-Lonesome" and "Faithful Forever" by Bob Morris. Every number put on by the Melody Minstrels received at least one encore.

The Ennis Brothers with their string and vocal duets received a heavy round of applause. The Show Boat with Mose (Carroll Maness) put through its quota of musical hits in good style, while Ten Nights in a Bar Room and an Army Kit received good attention.

The colorful Easter Parade was only too short, and the Twigg family were again very much in evidence.

The orchestra and accompanist deserve their share of praise for the general success of the whole affair. And last but certainly not least, come the property men, scenic artists, electricians and the whole "army" of helpers all of whom did their respective parts.

It was a clean, enjoyable show. Certainly it reflects great credit on Professor Jakeman, his faculty and the youth under their charge. It was a handsome gesture toward community affiliation which will reflect itself on the history of the school.

LAWN PARTY AT PRICE ESTATE

The beautiful old Potomac River home and grounds of Judge and Mrs. John W. Price on the Mount Vernon boulevard just north of Mount Vernon will be open to the public for a lawn party and Bazaar to be given by Pohick Church on Saturday afternoon.

The hosts will be the Members of the Executive Committee in charge of the party for George Washington's Home Church—Judge and Mrs. Price, Mrs. M. M. Barnard, Miss Mary Nevitt, Mrs. E. Russell White, Mrs. John Curtin Runkle, wife of the Rector of Pohick Church, and Mrs. Kenneth Dove.

Gaily decorated booths and tables of novelties will be arranged on the lawn which slopes down to the Mount Vernon boulevard. Fried chicken and Virginia ham will be among the delicacies served at the garden supper.

The festivities, with an entertainment program directed by Mr. Wm. M. Kabler, will be held from 2 o'clock Saturday afternoon to 8 o'clock that evening. Adequate parking space will be provided and a gay banner across the Mount Vernon boulevard will mark the entrance to the Price Estate.

The entertainment as announced by Mr. Kabler includes a tap dance by Miss Marjorie Clapp; solo selections by Mrs. E. Russell White, accompanied by Mrs. Lewis Carper; piano recitals, choral selections by the music section of the Alexandria Woman's Club, and an auction. Mr. Milton K. Lockwood will be the auctioneer. Three gypsies will be on the lawn for fortune telling.

CHRISTIAN SCIENCE

"Mortals And Immortals" will be the subject of the Lesson-Sermon in all churches and societies of Christ, Scientist, on Sunday, May 18.

The Golden Text will be "Forsake the foolish and live; and go in the way of understanding" (Prov. 9:6).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Knowest thou not this of old, since man was placed upon earth, That the triumphing of the wicked is short, and the joy of the hypocrite but for a moment? He shall fly away as a dream, and shall not be found: yea, he shall be chased away as a vision of the night" (Job 20:4, 5, 8).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "In the illusion of life that is here to-day and gone to-morrow, man would be wholly mortal, were it not that Love, the divine Principle that obtains in divine Science, destroys all error and brings immortality to light" (p. 305).

"BEYOND SING THE WOODS"
By Frygje Gulbransen

On the high, wooded hill in Norway, in the foreground of the Great Mountains and overlooking the Broad Leas stood Bjorndal. Here the old Master Bjorndal had lived and ruled with a supreme power throughout all the great northern manor. The people outside the manor were fully aware of the power of one of the greatest names in Norway, but they were yet to experience it.

Ever since Master Bjorndal had come to Broad Leas to kill single-handed the great bear which had so terrorized the superstitious people of the low-land, they had resented him and all the mystical northern people. The Bear, though, had killed him, and his two sons, Tore and Dag, had been the only ones to carry his body away.

The years pass; Tore and Dag were now the sole rulers of Bjorndal. Shortly after their father died, Dag had gone to the city beyond Broad Leas and had obtained an education. There, too, he had met one Therese Holder, who had not interested him at first because he was too busy, but now

Tore now had a wife and family; Bjorndal's power and wealth increased; everyone was happy and contented. Then one day in the later winter, Tore and his family visited his wife's home. On the way home, while crossing the river, the ice broke, and all sank to the bottom of the great river. Tore and Dag had known a love that rarely exists between men. This catastrophe nearly drove Dag mad. Then it was that the sweet recollections of Therese Holder returned to him, and before many months passed, she became his wife and helped him, in time, to forget his heavy loss.

Years pass, and during this time Dag and Therese were blessed with two sons whom they named Tore and (Young) Dag.

Old Dag now held the mortgages on almost one-half of the Broad Leas, besides owning all to the north of this valley. Everyone was happy. Then one day Fate again visited and willed that Tore be murdered on his way home from a party.

The next year Adelaide Barre and her father were guests at Bjorndal for Christmas. Miss Adelaide was the most beautiful and most charming young woman that either Old or Young Dag had ever seen. How does the book finish? To read it is worth anyone's time. You may borrow it from our Ruffner-Carnegie Library.

29 MILLION!

A record never before approached!

★When the 29,000,000th Ford rolled recently from the assembly line, an all-time record for the industry was set. 29,000,000 units built by the same management and all bearing one name—a name that has become one of the best-known trade-marks in the world!

It is significant that this achievement comes at a time when our country is making a mighty effort to re-arm swiftly. For to further that effort, to help speed it along in any possible way, we have offered the vast facilities of the Rouge Plant and every ounce of our experience.

As you read this, a new \$21,000,000 Ford airplane engine plant, started only last fall, is nearly completed. A new magnesium alloy plant, one of the few in the

country, is already in production on light-weight airplane engine castings. Work is right now under way on a new \$18,000,000 plant for mass production of big bomber assemblies. Orders have been filled for military vehicles of several types, including army reconnaissance cars, staff cars and bomb service trucks.

In the midst of this activity for National Defense, building the 29 millionth Ford car is simply one part of the day's work.

The public has acclaimed the 1941 Ford car as the finest in Ford history. Ford Dealers are enjoying their greatest sales and expecting their best year since 1937.

It is good to be producing the things America needs, and to be setting records on the way!

THE SURRENDER OF HESS

This week the world is wondering at the fantastic flight of Rudolph Hess, Third Man of Germany, to Scotland. The answer may not immediately be revealed, but the occurrence may mark a turning point in tangled world affairs.

Is it a trick? Certainly the ruthless record of Rudolph Hess does not preclude this possibility. In courage, cunning and originality, his characteristics fit such a picture.

Has he broken with Hitler and fled to save his life? No one should know better than Hess what his fate would be if he failed to follow implicitly in the footsteps of his mad master. Is the Third Reich breaking up? Certainly there are evidences of trends in Hitler's international policies, particularly regarding Russia which are viewed by many influential Germans with alarm.

In any event the dramatic escape, desertion, or whatever be the true nature of the circumstance, its occurrence is bound to have a profound effect upon the morale of the two gigantic forces in conflict, demoralizing to Germany and giving encouragement to Great Britain to press forward with renewed determination.

FAST NEW POWER FOR AMERICAN AIRPLANES

With the knowledge that in a mechanized world conflict concentrated horsepower may prove the key to victory, the Army Air Corps, in co-operation with the National Advisory Committee for Aeronautics and the American aviation industry, is pressing the development of bigger aircraft engines than the world has ever seen. The story of these amazing new airplane power units is told in an illustrated feature article appearing next Sunday in The Washington Sunday Star.

Resolutions Demand Resignation of Secretary Perkins.

Remarks by Senator Harry F. Byrd (D-Va.) in the United States Senate, Thursday, May 8, 1941, in reading into the Congressional Record resolutions adopted by the National Executive Committee of the American Legion.

Mr. President: I have been requested by the American Legion, in a letter which I will read, to insert in the Congressional Record the resolutions adopted by the National Executive Committee of the American Legion in Indianapolis on May 2. The letter and the resolutions are as follows:

"My dear Senator Byrd:

"Enclosed please find two resolutions adopted by the National Executive Committee Meeting of The American Legion, on May 2, at Indianapolis, Indiana; One calling for the resignation of the Secretary of Labor and the other forbidding strikes and lockouts in industries.

"I shall appreciate very much if you will have these two read into the Congressional Record for the information of the Members of Congress."

(Signed)

John Thomas Taylor, Director, National Legislative Committee, The American Legion, Washington, D. C.

"SUBJECT: Resignation of Secretary of Labor

"WHEREAS, it is essential at this time of grave emergency that there should be no lack of complete confidence in any officer of the Government if we are to attain full unity of purpose in this Nation; and

"WHEREAS, it is becoming increasingly obvious that there is a growing lack of confidence on the part of the American people in the abilities of the present Secretary of Labor to fully exercise the high responsibilities of that office; and

"WHEREAS it appears that as long as the present Secretary of Labor is in office there will continue to be trouble in defense industries, now therefore,

"BE IT RESOLVED by the National Executive Committee of The American Legion that it is the opinion of this organization that the cause of national unity in national defense will be best served by the tender and acceptance of the resignation of the present Secretary of Labor."

"SUBJECT: Forbidding strikes and lockouts in defense industries.

"WHEREAS, for 19 The American Legion, representative of the veterans of the war of 1917-18 have advocated Universal Service, if war should ever again be our Nation's lot, and

"WHEREAS, if this Nation is to be spared and our way of life is to continue our sacrifices must be universal. There are no private rights which transcend public safety. There are no material profits which cannot be recaptured and there is no wage situation incapable of adjustment after the work is done; now, therefore

We wish to extend our deepest sympathy to the Crump family. Truly, it was a terrible shock to our community to learn that Mr. Jim Crump had been killed.

Mr. Clinton Landes and Mrs. Mary S. Early spent Sunday with Mr. and Mrs. O. D. Landes.

Mr. George Baker and Mr. J. Dennis Baker called on Mrs. O. D. Landes Sunday.

Mr. Odie Herndon, Mr. Clarence Herndon, Mr. Lloyd Crump and Mr. George Crump were in Manassas on business Monday.

Mr. Van Herndon's are making a wonderful improvement at their new home. One would never know it was even the old Week's home place, now, yet.

strikes and lockouts in National Defense industry during the period of this national emergency."

Since I urged on the floor of the Senate on April 25 the resignation of Miss Perkins as Secretary of Labor, I have received a large number of communications from every State in the union, likewise resolutions adopted by local posts of the American Legion, Veterans of Foreign Wars, and numerous other organizations, as well as many editorials. These indicate to me an overwhelming sentiment on the part of the American people that Miss Perkins should be replaced as Secretary of Labor by one who has the courage, the inclination, and the capacity to meet the vital responsibilities that are placed upon the Secretary of Labor in the successful accomplishment of national preparedness.

I hope that what appears to be an overwhelming public sentiment will induce the President of the United States to request the resignation of Miss Perkins so that the Labor Department can be immediately reorganized to serve as an asset and helpful influence in our defense program.

Strikes today have closed more than 20 plants throughout the country engaged in important defense production, and other strikes are imminent. In the past three months, strikes in defense industries alone have lost 1,577,816 man days of production. In this time lost 1,402,480 latest Garand rifles could have been manufactured or more than 5 billion rounds of ammunition.

Music
 Although the spirit be not master of that which it creates through music, yet it is blessed in this creation, which, like every creation of art, is mightier than the artist.—Beethoven.

Music is the harmonious voice of creation; an echo of the invisible world; one note of the divine concord which the entire universe is destined one day to sound.—Mazzini.

Human hope and faith should join in nature's grand harmony, and, if on minor key, make music in the heart.—Mary Baker Eddy.

The highest graces of music flow from the feelings of the heart.—Nathaniel Emmons.

Music, in the best sense, does not require novelty; nay, the older it is, and the more we are accustomed to it, the greater its effect.—Goethe.

Among the instrumentalities of love and peace, surely there can be no sweeter, softer, more effective voice than that of gentle peace-breathing music.—Elihu Burritt.

MASCOTS OF MARINES

Mules and goats are the traditional mascots of the Army and Navy, but bulldogs are the choice of the U. S. Marines.

Dogs of various breeds have often visited Marine Corps posts as uninvited guests, only to remain as favorites for the rest of their lives.

Official mascots have been either presented as gifts to the sea soldiers, or have been purchased. Such mascots have "record books" in which entries are made of promotions, punishments, travels and similar incidents. Thus far no desertions have been recorded.

In recent years one of several mascots, named Jiggs, has been the ranking mascot of the Corps. The first Jiggs was purchased by the Marines in 1922 and died five later. Two other bull-dogs mascots of that name have since died and the present holder of the title, Jiggs IV, is stationed at Quantico.

His brother, named James Jolly Plum Duff and abbreviated by the Marines to Duffy, is the reigning mascot of the Marines' west coast base at San Diego, Calif.

Several years ago the Royal Marines of Great Britain presented the U. S. Marines with Private Pagett, one of the best bull-dogs bred in England.

In appreciation of this gift the U. S. Marines donated a football trophy to the British sea soldiers and the winning of this cup is now looked upon as a principal sporting event of the Royal Marines.

GREENWICH

Our community is very glad that Mr. John House has returned home, we wish him a very speedy and successful recovery.

Also we are glad to welcome home Gordon Mayhugh, who also has been in the hospital with back injuries. We hope none of these prove very serious.

The Greenwich P.-T. A. will have another call meeting this Thursday afternoon at the O. F. A. Hall in connection with the "Flower Exhibit".

NUTRITION COMMITTEE APPOINTED FOR PRINCE WILLIAM

The State Nutrition Committee, organized to promote good nutrition for national defense, has recently appointed Miss Leona Kline, H. M. S. of F. S. A., of Manassas; and Mr. R. R. Fishpaw, agricultural teacher, of Manassas, to promote or sponsor the nutrition work in Prince William County.

Miss Kline and Mr. Fishpaw will select a committee of two from outstanding leaders in the county to be chairmen of this committee. These two chairmen and the two sponsors will select a committee for each community. The organization is part of a nation-wide set-up for home defense. Miss Harriett Elliott, of the National Defense Advisory Commission, recently said that although defense means planes and guns, behind the machines we must have strong men with good nerves, good eyes and sound bodies.

It is the duty of the nutrition committee in this community to work toward improving the diets in the community. It is planned that this committee will sponsor talks in P. T. A.'s, Woman's Clubs, lodges, etc. on adequate diets. The expansion of school lunches and their improvement will be studied. Farm families who do not have a vegetable garden, chicken, pigs and a cow will be helped individually. All members of this community will be asked to give their services and whatever goods they might have to the committee. Small contributions of garden seeds, loans of plows, pressure cookers and jars should be made to this committee.

In a short time the committee will have some books and pamphlets telling how everyone can get an adequate diet. These will be placed in libraries or reading rooms in this community and will be available to everyone. Posters will be placed in local stores, banks, and post office.

WILD FLOWER SHOW AT MONTEREY

A flower show unique in Virginia, in which no flowers may be exhibited that have been subject to cultivation, has been scheduled for May 30 and 31 at Monterey, Va., in Highland County, according to the Virginia State Chamber of Commerce. Designated at the All-Wild Flower Show and sponsored by the Monterey Garden Club, blossoms from the wilds of the Appalachian mountain vastnesses for a hundred miles and around will be on exhibit.

The show, which has been held annually for the last thirteen years, attracts hundreds of visitors from all sections of the country. Held in what is locally termed as "the Switzerland of America", the event is a homecoming for Highland County former residents and their friends, who return during this, the most beautiful season of the year amid the mountain tops.

Surrounding Monterey are thousands of acres of the George Washington National Forest and many privately owned forest preserves. More than a hundred varieties of wild profusion until July 4 and thereafter. The finest blossoms of these varieties are collected for exhibit, while tours through the many miles of splendid highways built by the State and by the National Forest Service are popular with visitors.

MACS TANGLE WITH GREYS

Sunday, May 18, the Manassas Macs will play the strong and undefeated Gibson Greys from Falls Church.

Herbert Saunders, assistance high school coach, is now taking over the coaching job for the Macs. Either Gillum, Berryman or Ward will do the hurling for the Macs.

Come on out and root for the home team.

Game time is 3 p. m.
