Vermont Congressman Addresses Annual Gathering of Business Men.

One of the most notable and representative gatherings of business and professional men, and their ladies, which has occurred in recent years, enjoyed an evening of pleasant sociability, delightful entertainment, abundant refreshment and serious consideration of national affairs at the banquet of the Prince William Chamber of Commerce which was held in the high school gymnasium at Manassas on Tuesday evening.

After invocation by Rev. R. M. Graham, President C. C. Cloe introduced Mayor Harry Davis who presided throughout the evening with his accustomed skill and good humor.

Following the bounteous repast which was served most efficiently by the home economics class of the Osborn High School, the program was taken over by Professor Carl S. Berryman of the N. Y. A. Resident Center and State Vocational School, who with his charming and talented daughter, Miss Evelyn, with Mrs. Ernestine Royer as the pianist, led the audience with readings and music which brought forth the heartiest expressions of appreciation.

Toastmaster Davis then introduced the guest speaker, Hon. Chas. A. Plumley, congressman from Vermont, who spoke at length and in a most serious vein regarding the dangerous international situation and our own inadequate preparations to meet an on rushing emergency.

In his attitude toward the necessity of all-out aid for Britain, his denunciation of the enormous expansion of the public debt and extravagances of the national government, our distinguished Republican guest sounded to us just like a Jeffersonian Democrat and when he characterized strikes in defense industries as treason, he had the complete accord of his appreciative audience.

In closing Mr. Davis called attention to the fact that the Chamber of Commerce was operating on a basis requiring no payment of dues, but mere attendance at their weekly luncheon on Tuesdays, and he extended a most cordial invitation to all business and professional folks of the county to meet with them on these occasions.

The benediction was pronounced by Rev. W. O. Luttrell.

Those present were as follows:
Rev. and Mrs. R. M. Graham, Mr. and Mrs. Stanley Owens, Mr. and Mrs. Hutton Tiffany, Hon. Charles Plumley, C. C. Cloe, Mrs. Charles A. Plumley, Mayor and Mrs. Harry Davis, Mr. and Mrs. C. W. ANNUAL DRILL AT LINTON HALL

Headquarters Company Wins Coveted Prize.

The annual military review at Linton Hall held on Sunday last was certainly one of the best if not the very best in a series of successful annual events that have been held at this splendid school for years past.

The finish and natty trim of the uniforms, the degree of military precision and general perfection, all contributed to the enjoyment of the occasion by the large and happy throng of parents and friends in attendance. This conduct was not restrained to the older boys, as evidenced by the length of time that one of the very youngest cadets remained in the individual competition.

From the very moment that headquarters company marched on the field, its degree of proficiency was evident and the announcement of its winning was no surprise although the other companies put up very fine showings.

Mention should be made of the improvement in the band. It seemed to be larger in point of enlistment and its snappy drill was quite a feature of the day. Their rendition of the military flourishes and regular band music was very fine.

Following is a list of the winners: The winning company: Headquarters Company, commanded by Capt. W. Downing of Washington, D. C.

The Best Company Commander: Capt. C. Flaherty, of Richmond.

The Best Drilled Platoon: 2nd Platoon of Company commanded by W. Soleau of Washington, D. C.

The Best Drilled Cadet in the Battalion: T. Smith of Washington, D. C.

The second best drilled cadet in the battalion, Thomas Buckley of Washington, D. C.

The best drilled cadet in each platoon:

1st Platoon of Co. A. C. Crocker.
2nd Platoon of Co. A. J. Grissom.
1st Platoon of Co. B. R. Darcey.
2nd Platoon of Co. B. W. Mattingly.

1st Platoon Co. C. Martin Kite.
2nd Platoon of Co. C. T. Smith.
1st Platoon Headquarters M. DuCharme.

Color Guard O. D. Pittman.
Music Award Drum & Bugle Corps R. Barton.

Music Award Band R. Darcey.
Most Popular Boy Cadet Lt. Colonel C. Jenkins.

Most Helpful Cadet Lt. Adjutant J. Dayhoff.

LIST OF SELECTED MEN

The following named men have been selected for induction by the Prince William County Draft Board. They shall report to this local board at Manassas, at 8 a. m. on May 28, 1941; whereupon they shall be sent to an induction station of the United States at Richmond.

Mervin Lafayette Weatherholtz, Mike Slovensky, Paul Jones Beavers, Charles Elvin Noxon, Jr., Jasper Abram Miller, John Hooe Cannon, Cecil Ogden Barnard, and Samuel

COMPLIMENTING MR. SMITH
Mr. J. Smith deserves much praise for his recent improvements in the Prince William Bakery and Restaurant.

His many patrons are expressing appreciation.

MANASSAS FLOWER SHOW AWARDS FUTURE FARMERS ANNUAL BANQUET

Colorful Exhibit by Local Garden Clubs Viewed by Many.

The flower show sponsored by the Manassas Garden Club and the Garden Section of the Woman's Club, which was held in the Parish Hall on Tuesday of this week was surprisingly successful under the unfavorable dry weather conditions which have prevailed. If we are having a drought, there was no indication of it at this colorful and lovely exhibit.

Mrs. Gude Thomas of the Gude Florist Shop in Washington gave an interesting and instructive lecture and demonstration on flower arrangement.

The prize awards were as follows: Class I. Specimen Purple Iris: 1st Mrs. McBryde, 2nd Mrs. V. V. Gillum, 3rd Mrs. Robert Smith.

Class IV. Specimen Yellow Iris: 1st Mrs. Paul Cooksey, 2nd Mrs. Royer.

Class V. Specimen Blue Iris: 1st Mrs. Paul Nelson, 2nd Mrs. V. V. Gillum, 3rd Mrs. Royer.

Class VI. Bi-color Iris: 1st Mrs. Paul Nelson, 2nd Mrs. McBryde, 3rd Mrs. V. V. Gillum.

Class VII. Blended Iris: 1st Mrs. Cooksey, 2nd Mrs. McBryde, 3rd Mrs. Royer.

Class VIII. Collection Bearded Iris: 1st Mrs. McBryde, 2nd Mrs. Cooksey, 3rd Mrs. Royer.

Class IX. Collection Siberian Iris: 1st Mrs. P. Nelson, 2nd Mrs. Stickel, 3rd Mrs. Allen.

Class X. Dutch Iris: 1st Mrs. C. C. Lynn, 2nd Mrs. Lewis, 3rd Mrs. Cooksey.

Dr. W. S. Newman Is Guest Speaker for the Ossasion.

Dr. W. S. Newman, state supervisor of Agriculture Education delivered a very inspiring and challenging address to the Prince William County Future Farmers of America at their annual Parent-Son banquet on the evening of May 15 in the Manassas High School gymnasium.

Frederick Harpine, senior Agriculture student of Nokesville, presided as master of ceremonies. Carl Ole- year of Manassas gave the address of welcome which was heartily responded to by Odie Breeden from Manassas.

After the invocation by Johnny Owens of Nokesville, a splendid meal which consisted of tomato juice cocktail, roast chicken, dressing, gravy, string beans, candied sweet potatoes, hot rolls, coffee, cake and peaches which was served by the Manassas Economics department, was followed by the introduction of the president of each chapter. They were Hampton Alvey, Haymarket; Gerald Herring, Nokesville; Robert Mauck, Manassas, who called the roll of members of their chapter, who in turn introduced their parents or guests.

Music was furnished by the Haymarket Sextet composed of Hampton Alvey, Macon Piercy, Breck Rust, Palmer Smith, Billy Rust, and Antemus Smith who sang "Anchors Aweigh", and "Aunt Jemima", and the Nokesville trio, composed of Freddie Harpine, Gerald and George Herring who sang "Oh! Mary Don't You Weep".

The summary of the Prince William County F. F. A. program of work was given by Palmer Smith of Haymarket. Gerald Herring of Nokesville gave a talk on the subject "Should I be a Farmer?" Harold Hersch gave a report on one phase of his supervised practice program as an example of what the agriculture students are doing.

Special guests present included Mr. R. C. Haydon, superintendent of public schools; Mr. D. J. Arrington, chairman of school board; Miss Sue Ayres, supervisor of graded schools; Miss Alice Webb, home demonstration agent; Mr. F. D. Cox, county agent; the faculty of Haymarket, Nokesville, and Manassas schools, and the Prince William County Junior Farmer's Club.

MACS PLAYS HUME SPRING HERE SUNDAY

After a very disappointed day last Sunday when the Gibson Grays of Falls Church failed to show up for their scheduled game the Macs took on the local N. Y. A. school nine and trimmed them by the score of 8-0. The N. Y. A. boys had a good team on the field but were no competition for the much larger and more experienced Macs. Gillum and Berryman were on the mound for the Macs and gave up a total of four hits.

This Sunday the Hume Springs A. C. will be here for a game scheduled at 3 p. m. Those who attended last Sunday's game may present their tickets at the gate which will be good for this game also.

FARMERS TO DISCUSS WHEAT REFERENDUM

Prince William County farmers will meet at the Manassas Post Office Assembly Room on Saturday afternoon, May 25, at 1:30 o'clock, to discuss proposed wheat marketing quotas on this year's crop to be balloted on in the National referendum on May 31. At a meeting of the County and Community AAA Committees held today, the Haymarket Masonic Hall and the County Agent's office in Manassas were chosen as the two polling places in the county. The following referendum committee-men were chosen for the Haymarket polling place: John Ellis, chairman; L. J. Pattie and J. M. Piercy. For Manassas the following committee was designated by the County Committee: J. J. Conner, chairman; C. F. M. Lewis, and F. M. Lewis. Other meetings for discussion of the referendum will be held at Nokesville and Haymarket next week.

MINSTREL SHOW TO BE REPEATED

Special Performance for Benefit of Playground fund.

The Minstrel show and Musical Revue which has been so successfully presented at Manassas, Nokesville, and Haymarket, during the past two weeks will be repeated on Friday, May 23, in the Manassas High School auditorium, for the benefit of the Manassas summer playground.

The American Legion Post Number 158, and the State Vocational School have offered their services and the proceeds from this show, in order that the playground which was inaugurated last summer may be continued this year. The Minstrel show, under the direction of Mr. Carl S. Berryman, stars a large number of the boys in the N. Y. A. Resident Center in Manassas, and the young ladies of the town. All who have seen the show have been high in their praise of the excellence of the production and none will want to miss the repeat performance.

Mr. A. E. Jakeman, director of the Vocational School and Mr. E. G. Parrish, Commander of the local American Legion Post, will make every effort to assist the school board and the high school in raising sufficient funds to carry on the playground this season. Since the aid received from the N. Y. A. last year, which enabled the assistants to be on the playground and work with the director, has been removed for the present summer, it will be necessary that all of the funds made for the operation of the playground be raised locally. Many thanks are due to Mr. Jakeman, Mr. Parrish, Mr. Berryman and the members of the entire cast for their generosity and efforts in behalf of this excellent community project.

Mr. Berryman announces that new jokes and new situations will be introduced into the show to replace some that have already been heard by previous audiences. All who have seen the show before will recognize the value seeing it again, while those who have not seen it cannot let this fall opportunity pass without taking advantage of it.

O. E. S. HEAR EXCELLENT IN GRAND CHAPTER MEETING

The Wimodausis Chapter of the Eastern Star held its regular monthly meeting, Tuesday evening, May 20. After the ritualistic work, and the business of the evening, the rest of the time was spent in listening to and enjoying the reports, of the work of the Grand Chapter which was held the 13, 14, and 15 of May in Richmond at the John Marshall Hotel.

The members from Manassas who attended were Mrs. Beulah Stauff, the worthy matron; Miss Bertha Luck, Mrs. Lillian Burke, Mrs. Ada Sigman, Mrs. Gladys Bushong, Mrs. Betty Hutchison, Mrs. Norma Cooksey, Mrs. Wetherall and Mr. Paul Cooksey.

The Worthy Matron and Mr. Paul Cooksey gave the fullest reports while the others gave supplementary accounts.

It was the thirty-seventh annual session of the Grand Chapter and it was truly a beautiful affair. Mrs. Nell Rainier was the worthy grand matron, she had as her motto, "Others".

The Governor of Virginia and the Mayor of Richmond made the address of welcome. The session for 1942 will be held in Richmond also.

KIWANIS OBSERVE LADIES NIGHT

Father Widmer Has Elaborate Program of Festivity.

With the clever wit of Father Jim Widmer plus the crafty generalship of Parson and Scribe Dick Graham prescribing the various stunts for those attending the ladies night observance of the Manassas Kiwanis Club on Friday evening last, the general reaction was one of complete satisfaction and happiness on the part of all present.

The lead off was a one act farce comedy, totally unrehearsed and with a volunteer (?) ensemble. The title of the hit was a farce comedy entitled "Hogholow to Hollywood", with Mrs. Kitty Baker as the heroine. This faithful postman was Prof. Worth Peters, the "yes-man" was Mr. John Piercy, the physician, Mr. Dudley Martin, the movie producer, Mr. Stanley Owens and the successful actress, Mrs. Fred Hynson.

With a few defects of scenery, etc., the cast put on a flashing success and got several hands for the remarkable rendition.

In the "high stepping" contest or the "egg dodging" stunt, Mrs. Worth Peters came through with flying colors; only crushing the tip of one cracker. Her competitor, O. D. did well but not quite so good.

A big laugh came on the "wind-blown" contest, with Mrs. Helen Smith exploding her elongated sausage balloon first, with Mr. Percival Lewis a very close second. The ladies won the event, three out of five. The ladies also came through the "pin-threading" contest, Mrs. Percival Lewis breezing out a close winner. There was no decision on second place, as there was a dead heat on this apparently.

Last but not least, Father Jim Widmer gave two humorous monologues in colloquial German. Anyone who has ever heard Father Jim recite can realize how well he put them over.

The dinner was served by the Ladies Aid in the basement of Grace M. E. Church and was the usual success that these ladies know how to put over.

Following is a list of members and guests present:

Mr. and Mrs. Hutton Tiffany, Mr. D. J. Arrington, Miss Lucy C. Arrington, Mr. and Mrs. Frank G. Sigman, Rev. and Mrs. R. M. Graham, Mr. and Mrs. E. G. Parrish, Mr. and Mrs. J. P. Royer, Mr. and Mrs. M. S. Burchard, Mr. A. H. Roseberry, Mr. Kite Roseberry, Rev. James J. Widmer, Mr. O. D. Waters, Miss Elvira Conner, Mr. R. D. Wharton, Mr. and Mrs. Worth Peters, Mr. and Mrs. R. C. Haydon, Mr. and Mrs. J. Nelson Thomas, Mr. and Mrs. W. L. Lloyd, Mrs. M. B. Smith, Mr. and Mrs. Fred R. Hynson, Mrs. Aylene Guthrie, Hon. E. R. Conner, Mr. and Mrs. D. J. Martin, Mr. and Mrs. P. A. Lewis, Mr. and Mrs. Bradford, Mr. and Mrs. G. Raymond Ratcliffe, Mrs. Margaret Lewis, Mr. and Mrs. W. E. Trusler, Mr. and Mrs. Carl Kinchele, Mr. and Mrs. J. P. Kerlin, Mr. and Mrs. J. M. Piercy, Jr., Master W. Bill Brown, III, Mr. and Mrs. W. Hill Brown, Jr., Mr. and Mrs. A. A. Hooff, Master Bo Williams, Mrs. Ella Denton, Rev. and Mrs. A. Stuart Gibson, Mr. and Mrs. C. W. Alpaugh, Mrs. M. H. Kinchele, Mr. and Mrs. Stanley A. Owens, and Mrs. James Conner.

MODEL AIRPLANE ENTRIES CLOSE THIS WEEK

Attention is called again to the Model Airplane exhibition to be held in the Presbyterian Church on June 3.

All entries are to be in the hands of Sedrick Saunders no later than May 23. The contest is open to boys all over the County. Planes are to be brought to the church at any time on June 3, up to 7:30 p. m.

Entry blanks may be secured in the various schools or from Mr. Saunders. The exhibition is sponsored by the Press By Men's Club of the church. Prizes will be awarded in each class.

DID SPLENDID WORK

In the report on the Defense Classes that appeared in the Journal last week the name of Mr. Wilmer Merchant was omitted from the list of instructors. Mr. Merchant did a splendid job in instructing the Manassas boys in Auto Mechanics.

SERIOUS DROUTH

The rainfall in this area has been less than one inch since April first, a season usually given to many growing showers. To add the general discomfort of crops, the weather has alternately been very hot and then cold, the variation of temperature being this period of the year. The fruit seldom does a drouth occur covering this period the year. The fruit crop has not been hurt but some farmers are even moving their wheat in disgust.

CHRISTIAN SCIENCE

"Soul And Body" will be the subject of the Lesson-Sermon in all churches and societies of Christ, Scientist, on Sunday, May 25.

The Golden Text will be "I pray God your whole spirit and soul and body be preserved blameless unto the coming of our Lord Jesus Christ" (I Thes. 5:23.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Let not sin therefore reign in your mortal body, that ye should obey it in the lusts thereof. Neither yield ye your members as instruments of unrighteousness unto sin: but yield yourselves unto God, as those that are alive from the dead, and your members as instruments of righteousness unto God" (Rom. 6:12, 13).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health":

Health with Key to the Scriptures by Mary Baker Eddy: "Because Soul is immortal, it does not exist in Mortality. Soul must be incorporeal to be Spirit, for Spirit is not finite. Only by losing the false sense of Soul can we gain the eternal unfolding of Life as immortality brought to light" (p. 335).

GEMS OF THOUGHT SERVICE Benefaction

Let us not be weary in well doing: for in due season we shall reap, if we faint not.—New Testament: Galatians 6:9.

Doing good is the only certainly happy action of a man's life.—Sir Philip Sidney.

We should give as we would receive, cheerfully, quickly, and without hesitation; for there is no grace in a benefit that sticks to the fingers.—Seneca.

To disregard the welfare of others is contrary to the law of God; therefore it deteriorates one's ability to do good, to benefit himself and mankind.—Mary Baker Eddy.

If you confer a benefit, never remember it; if you receive one, never forget it.—Chilon.

Give if thou canst in alms; if not, afford Instead of that a sweet and gentle word.—Herrick

MRS. BAKER GIVES INTERESTING REVIEW

The Woman's Society of Christian Service met Thursday evening May 15 at the home of Mrs. Warren Coleman with Mrs. Maude Kinkeade and Mrs. Charles Lawson as co-hostesses.

There were thirty-seven members present. An inspirational devotional hour was led by Mrs. J. M. Bell after which Mrs. Dennis Baker gave an interesting review of "Investing our Heritage for Christian Education". Mrs. W. O. Luttrell gave a report on the district meeting of the Women's society of Christian Service which was held at Forestville, May 14.

Little Patricia Ruth Eutsler and Mrs. W. R. Meyers were honored by being made life members of the Woman's Society of Christian Service.

After the business session delicious refreshments were served by the hostesses and an enjoyable social hour was had by all.

ARMY OFFICER DESCRIBES PARACHUTE PRACTICE

"Like popcorn spilling from a bag" was the way one Army officer recently described the sight of members of the 501st Parachute Battalion at Fort Benning, Ga., dropping one after another from a low-flying transport plane to carry out their missions on the ground.

His simile was apt enough, Leland W. Skaggs, Lt. Col. Inf., Recruiting Officer, U. S. Army Recruiting Station Parcel Post Building, Richmond, said this week in discussing the "daring young men" of the battalion. But behind the ease and expertness with which the young parachutists perform their thrilling duties, he added, are months of training, study and special preparation.

Leland W. Skaggs, Lt. Col. Inf., Recruiting Officer, pointed out that the 501st has been undergoing intensive training for many months, its 34 officers and 412 enlisted men working forty-four hours a week to develop their technique, for parachute jumping has been one of the world's least known arts.

Long hours were spent in learning the new and unfamiliar nomenclature of the parachute as the student jumpers assembled and disassembled their packs time and again until they were thoroughly familiar with them. Finally they were able to pack their "chutes" so they could trust their lives to them with confidence.

Meanwhile, more long hours were devoted to arduous physical exercises, designed to increase their agility, sharpen their reflexes and put them into excellent physical condition. They went through a seemingly endless course of scientific calisthenics,

tumbling, parachute packing, suspended-larves exercises and lectures that continued for many weeks before they were deemed ready for their first jump from an airplane in flight.

The never-to-be-forgotten first jump, made at a comparatively high altitude by the novices, showed that all this preparation was important. They quickly found that a parachute can be guided by an expert so that it is not easy prey to any idle breeze that seeks to take it off its course. They learned that it can be guided to the right and to the left, that it rate of fall can be quickened and lessened by an expert.

It was only then that the 501st was able to tumble out of planes "like popcorn spilling from a bag" at only 750 feet of altitude, landing on the ground swiftly but carefully and taking up their weapons in practice assaults from the air.

DOCTORS FOR BRITAIN

The British Red Cross has asked the American Red Cross for 1,000 young doctors. So pressing is Britain's need for more medical men, support of this undertaking has been freely given by President Roosevelt and Government officials directly connected with our own medical defense programs. From Washington has gone out the request for Selective Service Boards to give special consideration to volunteer doctors subject to military duty with our own troops.

Our doctors who are willing to serve Britain in this way, and who meet the rigorous requirements, will be eligible either for duty with the Royal units of the Emergency Medical Service. As officers of the RAMC,

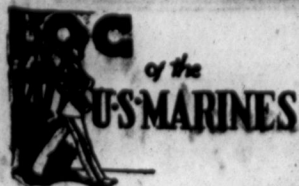

they may choose where they will serve, whether it be Gibraltar, Cairo or Burma. Their task will be to work side by side with British doctors in the treatment of military casualties. Those who elect to serve as civilians will be assigned duty with EMS in Hospitals and first aid stations in bomb-racked areas on the home front.

Great Britain's medical profession is fighting death and injury against insuperable odds. On the home front in England and Scotland doctors are working days without rest. Bombing of population centers has heightened their task, limiting the number free to serve at the front.

On the military front—from Gibraltar to the Middle East—the fast movement of troops has created acute

problems for Britain's Royal Army Medical Corps. In former wars medical officers attached to troops were able to handle large numbers of casualties in base hospitals. Today the British doctor at the front travels virtually on wheels, picking up his equipment in the dead of night and moving a hundred miles away to a new theater of war. With the limited facilities of mobile units, more wars.

Aside from the humane aspects of sending doctors to Britain, this contingent of American doctors will return to America with invaluable experience in the medical techniques of modern warfare. Their knowledge and skills may be needed some day in the defense of our own shores.

BASEBALL FOLLOWS FLAG

Baseball, long called our national game, is familiar to many nations beyond our borders. The fact that the game is popular in other countries is largely due to the travels of our soldiers, sailors and marines who have carried their baseball gloves and bats with them when they have gone abroad.

Wherever the Marines have landed and have established themselves, they have played baseball. In China, the Philippines, Guam, Cuba, or Nicaragua, baseball diamonds were laid out as soon as the immediate objectives of the various expeditions to those countries had been achieved.

Japanese teams have played the U. S. Marines in the United States, in Japan, and elsewhere in the Orient. When the sea soldiers introduced baseball to Nicaragua it caught on like wildfire, and soon native teams played baseball with the same enthusiasm and with almost as much skill as their American tutors.

Few races have taken to the pastime with more zest than the Filipinos, who promptly adopted the sport as their own after watching our doughboys or marines on the diamond. In less than ten years after the American occupation of the Philippines many native teams were expert players.

Cubans have long been proficient in our national game and some of them have won places with our big league teams. From time to time post-season games, played by American professionals have attracted fans in Europe or in countries as far distant as Ceylon and Egypt.

Baseball appears to interest spectators of all races, but it is generally in those countries where our Marines or doughboys have remained for long periods that the game has taken firm root and won new nationals to its ranks.

CATHARPIN

Reev. and Mrs. Clark Wood of Covington have been appointed to serve the people of Sudley Circuit for the remainder of this year.

They will arrive at the parsonage at Gainesville Thursday evening. The minister will deliver his first sermon at Sudley Church Sunday morning at 11 o'clock, and at Fairview Sunday afternoon. Be sure to give him the inspiration of your presence. Everyone is welcome at all services. Sunday School each Sunday morning at 10 o'clock.

The Woman's Society of Christian Service of both Gainesville and Sudley Churches have been busy giving the parsonage a complete renovation during the past week.

Mrs. Mary E. Smith, Mr. Palmer Smith, Mr. and Mrs. J. W. Alvey, Mr. Frank Lee Hoffman and Mrs. L. Jett Pattie were among those from this community who had the opportunity to be the guests of their respective sons at the F. F. A. banquet at Manassas last Thursday evening. The menu was delicious and the speeches were most inspiring.

Last Saturday afternoon Mrs. Will Brower and Mrs. L. Jett Pattie of this community attended the meeting of the county officials who will co-operate with the Virginia State Nutrition Committee for national defense.

The measles epidemic is still at large in this section. Many school children are among the sufferers.

Mrs. Jermie McIntosh, Mr. and Mrs. Luther McIntosh recently visited the family of Mr. J. L. Utterback in Loudoun. Mr. Utter-

back has been quite ill.

Mr. and Mrs. W. K. Caldwell recently entertained a number of their relatives from Tennessee.

A very real cyclone passed through this section late Friday afternoon. Many trees were uprooted and broken off; houses, churches and barns unroofed, and great damage done to the electric and telephone wires.

Invitations have been received to the wedding of Miss Virginia Forsyth to Mr. John Hopson Morgan, on June 3, Cairo, Ga. Miss Forsyth is the elder daughter of Mr. and Mrs. Jesse Ewell Forsyth who were former residents of Woolsey and Reliance, and who have many warm friends and relatives here.

The Hickory Grove Home Demonstration Club will hold the regular monthly meeting next Tuesday, May 27, at 1:30 p. m. We hope to have an interesting speaker who will give instruction on "Loopholes to be looked for in health and hospitalization insurance."

The meeting will be held at "The Shelter", the home of Mrs. Bailey Tyler, and Mr. and Mrs. Jack Tyler.

Mrs. James J. Riley arrived Thursday to spend a few days at the home of her sister-in-law, Mrs. Bertie Caton.

The Grange will have an open meeting May 29 at 8 p. m. at which time the Agrico Co. will show the picture "How does your garden grow?"

All farmers and their families are invited to attend, by those interested in flowers and vegetables.

The ladies of the auxiliary guild of St. Paul's Church, Haymarket will have a chicken salad supper at the parish man on June 20, beginning at five thirty.

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in their own lives.

OUR DISTINGUISHED GUEST

Those who were fortunate enough to hear the address of Hon. Charles A. Plumley, congressman from Vermont, at the Prince William County Chamber of Commerce Tuesday night found it difficult to distinguish between Vermont Republicanism and Virginia Democracy when it comes to international considerations. That New England and the South are standing shoulder to shoulder for all out aid to Britain was manifested quite plainly in the complete accord of his listeners to the views expressed, but possibly with this exception—we are not so fearful as our distinguished speaker, and we are apparently more willing to fight for the heritage left to us by Washington and Lee.

Like the speaker, we also are puzzled as to why the federal government continues to plunge deeper and deeper into debt on non-defense activities and why we should tolerate strikes in defense industries. But it was refreshing to have with us a Northern gentleman and statesman who, unlike the President and certain others in high places, did not insult the South which is loyally backing the defense program. We will not soon forget the continuous underhanded insinuation which come out of Washington likening present day fifth-columnists and traitors to "copper-heads" Northern friends of the Confederacy, but here, in happy contrast, we had with us a Northern statesman who obviously appreciates and respects the South and who voices our own determination to fight, if necessary, to preserve our way of life.

We wish to take this occasion to express appreciation of the fine patriotism and forthright

JUNIOR WOMAN'S CLUB WINS NATIONAL PRIZE

Yesterday morning, May 21 Miss Catherine Pattie, president of the Manassas Junior Woman's Club, appeared before the delegates of the forty-eight states assembled at the triennial convention of the general federation of Woman's Clubs at Atlantic City to accept an outstanding award won by the Manassas Junior Woman's Club.

This prize of \$25.00 was the award for second place in the National Public Safety campaign for 1941 sponsored by the general federation of Woman's Clubs. This contest which was open to all senior and junior Woman's Club throughout the United States, offered two prizes in each of two classes; namely, clubs with membership of 100 and over and clubs with membership under 100. The Manassas Junior Woman's Club competed in the class for clubs with membership under 100, after having been advised to enter their report by the State Safety Chairman.

The Junior Woman's Club was represented at the Atlantic City convention by Miss Catherine Pattie, president; Mrs. J. Carl Kincheloe as delegate and Miss Lucy Arrington.

THE SCHOOL PARTY ENTERTAINING FORTY FOUR

The increasing number of children attending the clinic for beginners each year is evidence of the growing interest of parents, in the physical fitness of their children. The increasing thoroughness with which these examinations are made is evidence of the interest and efficiency of those who make these clinics possible.

Forty-four children were examined at Bennett School on Tuesday, May 20. There were two doctors, a nurse, and several patrons present who aided in the examinations. Children were weighed and measured, vaccinated and immunized if such had not been done previously, and then the physician went over each child carefully. A slip was sent to each parent with a report of the findings. Any defect found in the child was checked and it is hoped that the parent will have this condition corrected during the summer.

The blank also carries a place for report from the dentist. The child's teeth should be looked over and corrections made in time for him to enter school in September as a 5-Pointer.

Beginners in public school necessarily have many adjustments to make. For many it means the first real separation from the mother. He may be the only small child in the family and when he finds himself one of thirty or forty in a group it requires definite changes in his habits and way of living. See that they enter school as fit for their job as the doctor and dentist can make him. Nothing does more to give him a good start. This gives the school an opportunity to develop his ability to the fullest.

FRATERNAL NEWS

Prince William Council was represented at the State Council at Alexandria this week by Mrs. Ruby McGowan, Mrs. Flora Coppage and Miss Minnie Smith. BETHLEHEM CLUB ENCOURAGED BY SALE OF BOOKS

The Bethlehem Good Housekeeping Club met for the regular monthly meeting in the lovely and spacious home of Mrs. R. B. Larkin on yesterday afternoon. Mrs. A. C. Hart was assistant hostess.

During the business session, Mrs. Byrd, chairman of the history committee, reported encouraging progress being made in the sale of the recently published history of Prince William.

The name of Mary Anderson, chief of the woman's division of the department of labor, was chosen for discussion at the June meeting.

Mrs. C. R. C. Johnson reported two recent additions to the library, "Story of the Partisan Ranger", a history of Col. Mosby, the gift of Mr. D. J. Arrington, and "Captain Paul", a story depicting the life of John Paul Jones.

Mrs. Robert M. Bailey of Kinsale, Westmoreland County, was guest speaker. Her several original poems and the most interesting story of life at historic "Great House", an estate dating back to the sixteenth century, were keenly enjoyed. The lovely old house is now being restored by the present owner, Mr. Robert Bailey, son of the speaker.

Mrs. George Dessler assisted the hostesses in serving delicious refreshments during the social hour.

Mrs. Stuart Pickett and Miss Peggy Anne Pickett, who were guests of relatives in Arlington last week, returned home on Sunday.

The Misses Mildred and Mary Ewell Adeline Tyler and Margaret Shirley, attended the meeting of the Fourth District, U. D. C., which was held at Leesburg in the beautiful Episcopal Church there on May 10.

Mr. Wm. Hensley, who died very suddenly at his home here on Friday last, was buried on Sunday afternoon at a family burying ground at the home of Mrs. Walter Leonard. Services were conducted at the house and grave by Rev. Carpenter of St. Paul's Church, Haymarket. Mr. Hensley is survived by a large family of sons and daughters.

Mr. Louis Nails of Alexandria is visiting his daughter and son-in-law, Mr. and Mrs. J. Preston Smith.

Mr. and Mrs. Henry Thomas and family of Arlington, Mr. and Mrs. Harry Bowen and family, Mr. and Mrs. Preston Smith, Miss Bertha Foley, and Mr. Clint Foley were guests at "Oak Shade" on "Mother's Day" and enjoyed a picnic lunch served buffet style, around the fire place in the living room, as the "weinnie roast" planned for outdoors, had to be abandoned on account of high wind.

Mrs. George Dawson is critically ill in Alexandria Hospital. Her baby, which was born last week, is being cared for by her sister, Mrs. Walter Rowine.

Mr. and Mrs. A. J. Gay are spending this week with relatives in North Carolina.

The W. M. U. of Antioch met on Thursday afternoon at "Mt. Atlas" the hospitable home of Mr. and Mrs. R. B. Gosson. Mrs. Gosson's flowers are so beautiful and it is to be hoped she will bring home several "blues" from the Haymarket Flower Show on May 22.

Mrs. R. R. Smith and Mr. Herman Smith visited Marshall on Mother's Day and while there, called on Rev. C. Wirt Trainham, who is a beloved former pastor of Antioch Church, and has many friends here.

Mr. and Mrs. Harry Bowen and family of "Poplar Hill" spent the week end in New York.

HAYMARKET

Mrs. Jean C. Robertson is at the home of Mr. and Mrs. Wm. Garrett for the summer.

Mrs. Hamilton Latham is substituting in the fifth grade for Miss Norman Pamplin who is ill with measles.

The wind storm Friday afternoon, May, blew over several silos in the community. Many trees were damaged including the complete loss of one of the large twin trees in St. Paul's Church yard.

Mrs. Maude Jordan took her pupils on a delightful trip Monday, May 19. They visited Mt. Vernon and the zoo.

Auto Design Opens New Mural Mode

NEW possibilities in the field of mural painting, particularly for outdoor work, may have been advanced in creation of the above futuristic design. This entire scene was done in lacquer with an air-brush. Experts believe it is the largest such project ever successfully completed with a lacquer spray, and some had even felt that use of lacquer in an air-brush was impossible on such a large scale. The scene above forms the backdrop for the Fisher Body display in the General Motors Parade of Progress. The artist is applying a finishing touch to one of the super-aircraft he perceives for the World of Tomorrow. The painting, having been done with lacquer, has a degree of brilliance and blended effect which could not have been obtained by other means. It was completed more quickly than would have been possible with water color or oil. Furthermore its surface, being identical to the finish of an automobile, will resist rain or sun rays just as will automobile duco, and it also may be cleaned just like the body of a car. The entire scene is 14 feet long by 35 inches high.

ROOSEVELT AND HIS BOOKS

Franklin Delano Roosevelt was reared in a leisure, upper-class, cosmopolitan atmosphere, surrounded by books, magazines and newspapers. How the impress of this rich cultural experience has remained on his everyday activities through his public career and is plainly evident in these trying times when he is beset by problems beyond ordinary comprehension and endurance is revealed in an illustrated feature article appearing next Sunday in The Washington Sunday Star.

Mrs. Lottie Ritenour has been visiting her sister, Mrs. Elmer Ritenour. Miss Melba Landes spent Sunday with her parents, Mr. and Mrs. O. D. Landes.

Mr. Raymond Brown was a week-end guest at the Landes' home. Mr. Elmer Ritenour and Mr. Lloyd Crump were in Manassas on business Monday.

Mr. Odie Herndon and family spent Tuesday with Mr. and Mrs. Lynn Davis.

OCCOQUAN

AND VICINITY

Mr. and Mrs. Thomas Pierce of Occoquan announce the birth of a daughter on Friday of last week. Congratulations.

The Occoquan High School held its first home coming on Friday and Saturday of last week May 16-17. On Friday afternoon open house was held at the school; with tea being served at 2 p. m. Friday night a dance was held in the auditorium. Saturday, the program consisted of games, and at night a banquet and entertainment. Even though not as successful as hoped for, we hope it will be followed with a home coming.

ing each year, with a larger number of our alumni in attendance.

The Woman's Auxiliary of the O. W. L. Fire Department will hold its regular monthly meeting at the fire house in Occoquan on Tuesday, May 27. The newly elected officers for the coming year will be installed at this meeting. We will have as our guests for the evening the ladies of No. Auxiliary of Alexandria. It is our wish, and desire, that all our members make every effort to be present. Remember the date May 27.

The church fair and lawn party given for the benefit of Pohick Church on Saturday, May 17 was a huge success. Judge and Mrs. John W. Price and their son William M. Kabler on whose grounds the party was held are to be congratulated and commended for the success of this party. Also, all others who assisted in many ways did a grand job. Not only did the members of Pohick Church assist and help, but our many friends, members of various other denominations worked as hard as did the POHICKERS for the success of the party. Of course, it must be remembered, that Pohick Church belongs to all of us no matter what denomination we profess. It belongs to the entire nation. Members of all denominations are always welcomed to the Sunday services each Sunday at 11 a. m.

TO THE CITIZENS OF OCCOQUAN:—You voters of Occoquan will go to the Polls on Tuesday, June 10 next, to vote for those you desire to

serve you as Mayor and Councilmen for the next TWO YEARS; and in so doing do not let party lines sway your vote. VOTE FOR THOSE WHO YOU BELIEVE WILL SERVE YOUR TOWN BEST, AND WITHOUT FEAR OR FAVOUR. Your present Mayor and Council will not feel slighted if you replace them; they will gladly co-operate with those you elect, and will turn over complete and accurate records of transactions during the last FOUR YEARS. Records prior to that time have not been turned over to your present Council, so presumably have been lost. We trust you will vote for those you deem better qualified to serve the best interests of our Town, whether personal friends or not. In any case we hope a LARGE vote will be cast.

It will be necessary for you to write in the NAME of the PERSON you want serve you as MAYOR; and the names of five persons to serve as Councilmen. Our Good Women, GOD BLESS THEM are qualified to serve in those positions, so do not leave them out of the picture.

PERSONAL PROPERTY RETURNS SHOULD BE MADE AT ONCE

The commissioner of the revenue is issuing a warning to taxpayers to get their personal property returns in before June 1, after which a penalty may be applied.

AAA Boosts Wheat Income

The U. S. Department of Agriculture says that American farmers who cooperated in the 1940 AAA program received a net return of nearly 80 cents a bushel for their wheat. Compared with a probable return of 40 cents a bushel or less had they been dependent entirely upon the world market. The national farm program aids wheat growers with crop loans, parity and conservation payments, crop insurance, and an export program.

The wheat marketing quota, on which farmers will vote May 31, offers protection of supplies for the consumer, and protection of the market for wheat growers themselves.

The marketing quota insures plenty of wheat for every probable demand by consumers in this country or abroad, he said. A quota on wheat may be proclaimed only when the total supply exceeds a normal year's domestic consumption and exports by more than 35 per cent. With exports practically shut off by military blockade, there will be almost 2 bushels of wheat on hand for every 1 which is likely to be consumed this year in the United States.

In view of this supply, marketing quotas are necessary to protect the income of all wheat farmers. In the last 2 years, the wheat program, principally the loan, has held the United States wheat price 30 to 40 cents above the world price. However, on the face of the large supply in prospect for the coming year, the loan needs the added protection of the marketing quota. Because loans on an uncontrolled surplus would involve too much risk, they are prohibited by law when a wheat marketing quota is voted down. All wheat farmers have benefitted from the loan program because of its support to the market,

whether or not they obtained an individual loan.

If the quota is approved, farmers will be able to sell without penalty all wheat they raise on their acreage allotments. The farmer who has seeded within his acreage allotment can sell his wheat just as he always has. He is also eligible for a Government loan on all his wheat.

The farmer who overplants his al-

COVERSTON HERD LEADS

The herd of Walter Coverston, Stone House Road, led herds on test in the Prince William Dairy Herd Improvement Association during the month of April with an average production of 770 pounds milk and 32.9 pounds butterfat per cow.

The herd of Egbert W. Thompson and Sen. Woodbridge, was second for the month with 594 pounds milk and 31.9 pounds butterfat per cow.

Frank Lee Hoffman, Catharpin, and Wilmer Kline, Manassas, tied for third place with an average production on each farm of 31.6 pounds butterfat per cow. Milk production per cow for the Kline herd was 774 pounds and that of the Hoffman herd was 709 pounds. The Broadview Farm herd, owned by T. R. and Elmer P. Hurst, was fourth with 689 pounds milk and 31.4 pounds butterfat per cow.

Three Register of Merit Jersey cows have entered by Becker Farms, Gainesville, in the National Jersey Sale to be held at Far Hills, N. J. on June 6. A decided increase in milk and butterfat production is being observed in Prince William County so far during the Month of May because of herds being turned out on pastures.

lotment may store the wheat produced in excess of the allotment. If he sells or uses it a penalty will be collected. If he stores it, he can get a loan on the excess, but a lower rate than that available to the co-operator. If quotas are voted down, growers will not have the protection of the loan.

LAYMEN HEAR INSPIRING TALK

Hon. Coleman Jennings, rated as Washington's Number Citizen in 1940, was guest speaker at the semi-annual meeting of the Laymen's League of Northern Virginia held Tuesday evening at the Madison School in Falls Church.

The Falls Church was host to the group and supper was served by the Parent-Teacher Association of the school.

W. Frank Humme of Upper Truro Parish, president of the association for the past year, presided. After a brief address of appreciation, he introduced Bishop F. D. Goodwin who in turn introduced the speaker.

Mr. Jennings gave an excellent interpretation of the condition in international affairs today as having been brought about by fear, and showed how faith could clarify the situation. He drew on the rare sense of those who could exhibit this faith even in the face of the most intense suffering and extreme danger.

An invitation was extended to the assembly by Bishop Goodwin on behalf of the rector and vestry of Dettingen Parish to attend the consecration ceremonies to be held on Trinity Sunday (June 8) at 3:30 p. m. Trinity Church was dedicated on Trinity Sunday, 1922 by the late Bishop Brown.

Officers elected by the association for the coming year are: President R. H. Harrison of St. George's, vice president, George B. Robey, of Truro Parish and secretary-treasurer, R. C. Rollings, of Cherrydale. The association also accepted a suggestion by President-elect Harrison that the executive committee be authorized to find some more permanent central meeting for the association, subject to special invitation elsewhere by any church group possessing the facilities of handling the ever increasing membership of the association.

The meeting on Tuesday night was very well attended. Two churches had around fifty each, these being Falls Church and St. George's. Those attending from Haymarket were Rev. W. F. Carpenter and Messrs. Winston Carter and J. W. Garrett; from Manassas A. S. Gibson and Messrs. Paul Arrington, Arthur Sinclair and Ned Bradford.

LOCAL P. T. A. ELECTS OFFICERS FOR COMING YEAR

The final meeting of the Parent-Teacher Association of the Manassas Schools held in Bennett School on Thursday afternoon of last week, proved a most interesting session.

The annual reports of the various committees have evidence of an active and successful year.

The following slate of officers presented by the nominating committee, was unanimously approved for president, Mrs. A. O. Beane; vice president, Mrs. Warren Coleman; secretary, Mrs. M. F. Burchard; treasurer, Mrs. C. B. Linton.

The retiring president, Mrs. Harold MacCall, expressed her deep appreciation to the school faculties, committees, and to the organization as a whole for the splendid co-operation given her during her term of office. She, in turn, received a vote of thanks for her excellent leadership.

The program consisted of a musical selection by a number of the graded school boys, and the group singing of "God Bless America".

At the close of the meeting a tour of the school grounds was made, with Miss Eugenia Osbourn pointing out the new shrubs recently planted under supervision of the civic committee.

CHARITY HORSE SHOW

AT BRIDGEWATER

The second annual charity horse show will be sponsored by the Bridgewater Rotary Club on June 7. In case of rain the show will be held the following Saturday, June 14. The program, with an incomplete listing of prizes in the various classes, is as follows. The parade will begin at 2 p. m., the prizes being \$10, \$5, and \$2.50 for the best entries. In the tournament at 2:30 p. m. the first prize is \$10, followed by other prizes. At 5:30 p. m. the events in the draft class will begin, the prizes consisting of money, ribbons, and feed.

NOTICE TO THE PUBLIC

Notice is hereby given that Thelma Blevins, of Triangle, Virginia, trading as Jerry's Anchor Inn, intends to apply to the state Alcoholic Beverage Control Board at its offices in the Central National Bank Building, Richmond, Virginia, on the 31st day of May, 1941 for a retail license to sell beer and wine for consumption on and off the premises located on the east side of the Jefferson Davis Highway, (U. S. Highway No. 1) in the village of Triangle, Prince William County, Virginia, in the building owned by Mrs. Nora Tuell, of Cherry Hill, Virginia.

MISS MARY OWENS WINS W. C. T. U. ESSAY PRIZE

Mary Ellison Owens, Nokesville High School student, will be awarded the first prize of ten dollars by the Women's Christian Temperance Union of Manassas, for her splendidly composed, thoroughly comprehensive essay on the subject, "Alcohol—Habit Forming Drug".

Miss Owens' essay was adjudged the best of some three hundred submitted by high school students of Prince William County. Her work not only discloses an attractive and lucid literary style, which accurately portrays the thoughts of clean living, clear-thinking American Youth, but discloses that the young authoress made a broad re-search on the subject, even delving into the findings of science on the effects of alcohol on the human system, in gathering material for her prize winning manuscript.

All who submitted essays are to be commended for their fine efforts. The final judging was difficult and many others were in the running right up to the last.

This prize as also the other three prizes offered by the Manassas Union will be given the winning students at the commencement exercises at the different high schools in the county. Miss Owens' prize winning essay follows.

"ALCOHOL-A HABIT FORMING DRUG"

"What shall I say when I am offered my first drink?"

This question is being asked in the minds of more youth every day and every day more youth are being offered their first drink. Those who have not the backbone and courage to face those other boys and girls who might call them a "baby" surrender to the temptation and probably begin a drunken, miserable life. But if they stopped to think, wouldn't they find that they would be more of a man or woman if they passed up this temptation no matter what others may say? But they don't stop to think, and so many drunkards begin their careers because of fear of what others might say.

It is said that one drink leads to another and in most cases this is true. The first drink lowers the mental and physical resistance so that when the second is offered, conscience does not do its duty. It also has a dulling effect on both hearing and vision. This is why railroad and air-transport companies cannot and will not tolerate drinking on the part of those directing their equipment.

Alcohol has no real food value. It is composed of carbon, hydrogen, and oxygen, but since it contains no nitrogen, it has no value in the process of growth and repair; in other words it cannot be made into protoplasm. It may possibly replace fats and carbohydrates in the diet for a short while, but there are no experiments to prove that it can do so for a lengthened period. Where it does, it does so less efficiently than the things it has replaced.

When eleven students took part in an experiment, they drank about the same amount of alcohol that is in two bottles of beer. It was found that it required forty-five tenths of a second longer to run one hundred meters than it did on days when they did not drink alcohol. Because of its effects on the brain and nervous system, all athletes are forbidden the use of alcohol in any form.

In brief, alcohol has been found to decrease the natural activity, lessen the power of endurance and the ability to accomplish things, decrease resistance to disease and increase the per centage of deformity and of death among the offspring.

Many people say why not wipe alcohol entirely from the United States, but despite its many evil uses, alcohol can really do a lot of good in this world if it is used in the right way. For instance, it is used in large amount of heat and muscular power and possibly other forms of energy. Indeed in some cases of extreme weakness, especially in diseases, alcohol is regarded as necessary for saving life, though it is not used to a great extent for this purpose. It is one of the best antiseptics which we have. Some surgical instruments which can not be boiled are soaked in alcohol to kill the germs. No, alcohol cannot and completely out of America, but instead people have to learn to use it where it will do good instead of evil.

Toadstools contain about the same food properties as mushrooms, but to a great extent for the production of heat and power. Also if used in small amounts, it produces a certain addition, muscarine, a poison. If toadstools can be called a poisoned food, beer can be put in the same class; if the poison element in each case can be taken out, that which is left is harmless, but if the alcohol is taken from beer, no one wants it.

One reason why boys and girls need to be careful about giving in to temptations is because of the persons they might lead with them.

A young German boy proudly told his mother that he had been marching all morning with the German Youth's Military organizations and had never lost step. It is an excellent thing to keep in step provided the fellow in front has the right step and the leader is going in the right direction. Have those tempted boys and girls ever stopped to consider the person who might be trying to keep step with them? Very few ever have and therefore they are partly responsible for the other fellows surrender to temptations. In a democracy such as ours, these are added responsibilities. We have to study what will be best for our country and our fellow countrymen as well as ourselves.

Thomas Jefferson is said to have made the following statement: "The habit of using ardent spirits by men in public office has produced more injury to the public service, and more trouble to me, than any other circumstance that has occurred in the internal concerns of the country during my administration. And were I to commence my administration again, with the knowledge which from experience I have acquired, the first question that I would ask with regard to every candidate for public office would be, 'Is he addicted to the use of ardent spirit?'"

That today's generation has no respect for the law is a common comment of the times, but it is not the lack of respect for the law so much as the lack of respect for those who make and administer the laws. When young people see political leaders involved in vice and corruption, what attitude can be expected of them? If Jefferson saw the need of asking candidates if "they were addicted to ardent spirits" how much more necessary is it today to inquire of those of office, seeking men and women if they are beclouding their minds with intoxicating beverages, at this time in the world's history when clear thinking is so very essential?

Mexico recently observed its annual National Anti-Alcohol day, declared by the federal government. This is part of the work of the governments attempts to abolish the evil uses of alcohol from their country. This day is observed with educational speeches and ceremonies in the schools and in every city and town.

Throughout the United States, men and women are beginning to see the mistake they made in repealing the prohibition amendment to the constitution. Communities and counties are prohibiting liquor by local option elections. State elections may follow and before many years, we may have an opportunity to cast our votes as citizens. This is a sacred duty. We must do it honestly and courageously.
