SUBSCRIPTION \$1.50 A YEAR

1941 ROLL CALL SETS 1200 GOAL

Chapter Urged To Prepare Promptly For Increased Needs.

Miss Wilder, field worker for this area, representing national Red Cross quarters, met the Executive Board members and committee chairmen of the local chapter on Friday, October 10th.

The purpose of the meeting was to consummate plans for the 1200 membership 1941 Roll Call for Prince William County.

Miss Wilder gave many helpful suggestions and urged that the Roll Call workers of the County contact every resident and solicit a generous subscription in order that the new demands for aid at home and abroad be met.

National Headquarters has asked that the Chapter have sweaters knit and comfort bags fitted for our American enlisted soldiers and sailors Christmas boxes.

The Chapter voted funds to be used for immediate purchase from headquarters of wool that fifty sweaters may be completed in time and that the bags may also be made and filled. When this is accomplished, the Chapter will knit and sew for the needy in Prince William County, and for our own soldiers, sailors and their families.

The U. S. Government has chosen the Red Cross as the only agency to "maintain" home service for the enlisted men, something for which the Red Cross may be justly proud.

Nutrition classes are to be conducted under the supervision of this Chapter in joint activity with the resettlement work under Miss Kline, who having been appropriated for this project at this meeting.

Throughout Prince William County classes are being taught so that in the event of disaster, the situation may be met intelligently and immediately.

Mrs. R. Worth Peters, chairman of production, announced that the quota of garments and sweaters to be used in War Relief will be shipped in ample time.

The Roll Call in Prince William County will be observed beginning on Armistice Day, November 11th, and continue through Thanksgiving Day, but in the lower end of the county, the Roll Call was begun early in order that all residents of Occoquan District employed in nearby cities and counties might be listed in Prince William County, and already the quota from Occoquan, Dumfries and Quantico has been doubled, which would, if such an increase be equalled in the other district, carry this county "over the top" with the new membership of 1200.

NAVY ENLISTMENTS CREDIT MRS. HIBBS HEADS COMMITTEE ON MARKER AGAINST LOCAL SELECTIVE SERVICE QUOTA

"Secretary Knox of the Navy Department has announced that local communities are given credit for each Naval recruit and that local Selective Service quotas are reduced accordingly," said C. C. Cloe, head of the local draft board, yesterday.

"Every young man who joins the Navy or Naval Reserve thus helps to fill our local Selective Service quota. Young men within Selective Service age limits who have not been deferred would do well to consider the opportunities the U. S. Navy offers for specialized training and advancement while serving their country in its emergency.

"The age limits for the regular Navy are 17 to 31, and for the Naval Reserve the limits are 17 to 50. All applicants under 21 must have the written consent of their parents or guardians."

In addition to explaining that Navy enlistments are credited against the local Selective Service quota, Mr. Cloe also stated that a high school education is not necessary for acceptance by the Navy. "Any ambitious and patriotic young man of average mentality and good character who meets physical and other requirements may be acceptable to help man Uncle Sam's new "Two Ocean Navy".

PRESENTED GAVEL TO QUANTICO P. T. A.

A delegation of members of the Dumfries P. T. A. under the leadership of their progressive president, Mr. J. W. Bishop, journeyed to gavel which recently came to Dumfries from Manassas. Quantico will shortly take the gavel to some other P. T. A. in the county.

The regular meeting of the Dumfries group was held on Monday evening, at which time a report was made on the recent membership drive.

A remarkable increase from 88 last year to 148 this year was noted. The prize for the room the highest number of members bringing in went to the 6th grade, (Miss Lucille Pulley, teacher)

The P. T. A. has a splendid program laid out for the current school year, and big things may be expected.

N. Y. A. COMMITTEE ORGANIZES Discloses Monopoly Agreement Made By Hillman

The N. Y. A. area committee for Fairfax, Prince William, Arlington and the city of Alexandria, met in Alexandria last Friday, with Millard F. Starnes, of Front Royal, 4th District chairman proceeding.

Mrs. C. C. Lynn, Mr. R. D. Wharton, and Prof. William Barnes, of the Regional High School, represented Prince William County.

Miss Martha Reely, an instructor in the Fairfax High School, was named chairman for the area described, with Miss Mae Wells, of Clifton, secretary.

The committee will meet on the call of the chairman, the time and place to be stated later.

CLUB DISCUSSES DEFENSE PROGRAM

Women's Group Presents Many Angles On Important Subject.

The regular meeting of the Woman's Club was held Monday night in the Parish Hall, with many visitors present for the program of the evening, arranged by the Civic Committee.

The Junior Club reported a splendid meeting, and also the Fine Arts Section, in which was included the election of new officers. Mrs. Lewis, per was made chairman.

The Civic committee announced the First-Aid course beginning tonight at 7:45 in the Town Hall. This committee also publicly commended the American Legion for their work to place flags throughout the town in a uniform display.

The announcement was made that the Christmas Ball will be given Dec. 26, in the gymnasium. There will be a card party at Stone House Inn for British relief soon after November 1st.

The meeting was turned over to Mrs. W. L. Lloyd, program chairman, who in turn presented Miss Alice Webb who explained her topic "Symposium on National Defense." There was a roundtable discussion during which Dr. Geo. B. Cooke introduced those for the Defense Committee: Mrs. John Barrett, speaking on the Aerial raid warning; Miss Sarah Vetter, representing the telephone company's part in warning; Mr. Jack Stauff, giving the Fire Department's work for defense; Dr. J. M. Jackson, speaking on the Defense Health work.

Miss Webb then presented Prof. R. C. Haydon who gave the defense standpoint for the school system. He was followed by Mrs. R. Worth Peters who urged all to help prepare the Christmas-kits and sleeveless sweaters for our soldiers and sailors. The Home Service division of the Red Cross was represented by Mrs. E. G. Parrish. Mr. P. A. Lewis talked of the work of the Agricultural Committee for Defense and stressed the need for citizens to produce more poultry, eggs, milk and pork. The Nutrition Committee, represented by Mrs. Harold MacCall, stressed the importance of keeping physically-fit. Everyone agreed with Miss Webb, that this is a vast job of Defense. The program was patriotically closed with the singing of "America," as it had begun with Mrs. Burchard leading in the National Anthem.

COLONIAL DOCUMENTS

The members of the Kiwanis Club were given a rare treat last Friday night by "Mon" Ledman, who read a prepared list of very interesting and highly entertaining legal documents found in Prince William Court House. Some of these documents dated back almost 200 years. A number of these documents gave evidence that tobacco was used as legal tender in those early days; others depicted the various forms of punishment meted out to offenders of the law. One particular document of 1776 spoke of the change of our government, stressing the acquisition of our Independence from King George III.

ATTEND STATE LEAGUE

Messrs. Hunton Tiffany, and the several members of the Town Council, Virginia, recently returned from San Gabriel, California, where he spent several weeks visiting his sisters, Mrs. A. A. Wilhelm and Mrs. Claude Cockerelle.

The trip evidently went well with Mr. Birkett who put on eight pounds and shows other evidence of having thoroughly enjoyed his vacation in the far west.

WOMAN'S CLUB SPONSORS DANCE AT HAYMARKET

Under auspices of the Haymarket Woman's Club a dance will be held in the School Auditorium on the evening of November 21st. The previously published date of November 28 being an error.

SALE OF FOOD AND HAND-MADE ARTICLES

The Women's Organization of the Cannon Branch Church, of the Brethren, will have a food and hand-made article sale on Saturday, November 29. Place to be announced later.

Things must be getting mighty rotten in Washington, when Hon. Howard W. Smith, Representative from Virginia, is willing to rise on the floor of Congress and disclose that the C. I. O. has been given a raw deal. But the people of the United States who are paying the bill, Mr. Smith further protested, are really being victimized.

From the Congressional Record of October 8 we note that Hon. Howard W. Smith disclosed the fact that Sidney Hillman's office (The O. P. M.) had given the American Federation of Labor exclusive monopoly of all the construction business of the United States government, regardless of who was low bidder, and he presented facts to show that a bid of \$3200 per house for 300 houses, was rejected in favor of \$4600 per house in favor of the A. F. and L.

"The American Federation of Labor," Judge Smith said, "held a gun to the head of your government and said, 'Now we have a monopoly of the building industry in the United States, and we propose to maintain that monopoly, and we hereby threaten you that if you give this contract to anybody not an A. F. of L. we are going to call a general strike in the building industry in the United States.'"

"That," continued Howard Smith in his forceful disclosure, "is just another step, gentlemen, in the situation that has been going on ever since this defense program started. At the very first jump this labor racket fastened its fangs into this defense program."

"Ever since then this thing has been going on from bad to worse, step by step, and American citizens denied the right to work unless they paid tribute to a labor union; and now you have, not the closed shop, which was the thing we were talking about 6 months ago, but you have the closed shop within the closed shop; that is to say, no C. I. O. man can drive a nail for the government of the United States, no C. I. O. man may say a word for the United States. If he does the American Federation of Labor, with all its powers and with all of its thousands of employees, proposes to call a general strike."

"What is the answer? I said it a moment ago and I repeat it now. We ought to know whether this country is going to be run, and whether this defense program is going to be run, by the American people and their representatives, or is going to be run by some organization, be it a labor organization or something else. That statement, as often as I have made it on the floor, has been applauded, but I have never been able to get the votes now, but I am laying this situation before you and I want you to know it."

After explaining how the Labor Department used its arbitrary wage fixing powers to raise the wage scale from 40 cents to 85 cents on a C. I. O. contractor to eliminate him, Judge Smith went on to say:

"I want to state that since July 22 when this conspiracy was entered into between the O. P. M. and the American Federation of Labor, no contract has been awarded to any firm employing C. I. O. labor or any other union labor, except A. F. of L."

Judge Smith then pointed out that the situation could be remedied by putting a clause in the present National Labor Relations Act providing that no money be paid to any person who violates the provisions of the Act which make it an unfair labor practice for an employer by discrimination in regard to hire or tenure of employment to encourage or discourage membership in any labor organization. He stated that the Vinson Bill, now on the calendar would stop this discrimination and that he was prepared to call it up.

"I reported the resolution," Judge Smith concluded, "and I have the privilege of calling up the bill, and I am prepared to call it up and fight this matter out when there is an inclination on the part of the House to pass the bill, but I cannot see any sense in calling up that bill unless the House is ready to give it serious consideration."

(And there was no indication that the Labor-dominated House was willing to end the outrageous situation-Ed.)

CHRISTIAN SCIENCE

"Doctrine of Atonement" will be
the subject of the Lesson-Sermon in
all churches and societies of Christ,
Scientist, on Sunday, October 19.

The Golden Text will be "There is
one God, and one mediator between
God and men, the man Christ Jesus;
who gave himself a ransom for all, to
be testified in due time" (I. Tim. 2:5,6)

Among the citations which comprise
the Lesson-Sermon is the following
from the Bible: "Who shall separate
us from the love of Christ? shall tri-
bulation, or distress, or persecution,
or famine, or nakedness, or peril, or
sword? Nay, in all these things we
are more than conquerors through
him that loved us. For I am persuaded,
that neither life, nor angels, nor prin-
cipalities, nor powers, nor things present
nor things to come. Nor height, nor
depth, nor any other creature, shall
be able to separate us from the love of
God, which is in Christ Jesus our
Lord" (Rom. 8:35, 37-39).

The Lesson-Sermon also includes
the following passage from the Chris-
tian Science Textbook, "Science and
Health with Key to the Scriptures"
by Mary Baker Eddy: "Atonement is
the exemplification of man's unity with
God, whereby man reflects divine
Truth, Life, and Love" (p.18).

REVIVAL MEETINGS AT FULL GOSPEL CHURCH CONTINUES

The pastor, Rev. Harry Bowen, re-
ports that Revival Services conducted
by Evangelist R. L. Bartlett of Ft.
Worth, Texas will continue another
week. Crowds are increasing each
night and many are going forward to
consecrate or reconsecrate their lives
to God.

The Evangelist said last night "If
the church is to again have its power
and Evangelistic fervor it must co-
operate with God in prayer and con-
secration; prayer being the thing and
only thing that will bring the people
and America back to God."

The pastor will bring the message
to the congregation on Sunday morn-
ing.

The Evening message will be by
the Evangelistic Subject-"Is there a
hell. If there is-who is going to be
there and will they ever get out?"

Services each night at 8 P. M. with
Evangelistic congregational singing.
The public is invited to attend.

WOMEN WANTED

Hundreds of Additional Housewives to Dis-
cover the Quality, Thrift and Convenience
of Southern Bread and Redi-Cut Cake

★ ★ ★ DESCRIPTION ★ ★ ★

SOUTHERN BREAD In Virginia this famous
loaf is known for the fine quality of its ingredients—
all of which must conform to rigid standards estab-
lished for all products bearing the "Southern" name.
It travels fast—from our ovens to your table in a few
short hours. *Extra healthful too, because it contains
important energy-giving Vitamin B-1.*

May generally be found surrounded by the praise
of thrifty Virginia housewives who admire quality,
thrift and freshness.

In addition to the Vitamin B-1 sliced white loaf,
Southern Bread is also available in All Wheat. They're
always fresh. Watch for them at your grocer.

REDI-CUT CAKE A clever new product.
Nothing else like it. 8 big even slices of fine 2-layer
gold cake on a tray, in separate compartments, ready
sliced, ready to serve.

Redi-Cut Cake permits you to serve 3 or 4 portions
at one meal and save the rest 'til later. Replaceable
cellophane wrapper protects freshness of unserved
portions, eliminates stale cake waste, saves money.

Four popular kinds: Chocolate, Caramel, Lady

KEEPING TRACK OF BILLIONS

Suppose you are a bookkeeper; one side of your ledger shows twenty odd billions, a few hundred millions, some more thousands, several hundred dollars and 32 cents. The other side shows the same number of dollars and 28 cents. You are just four cents off balance on an account of twenty odd billions. The easiest thing to do is dig down into your pockets for the four cents, call the books balanced and go home in a hurry. It is those little ones that are hard to track down. How the Government keeps its books and keeps track of the vast sums it

A FRIEND OF LABOR

Honorable Howard W. Smith, Chairman of the Committee Investigating the National Labor Relations Board, has always been a friend of Labor. He may have appeared otherwise to those who regard Labor as a distinct class which is above and beyond reach of the Constitutional laws of the land, but to the great masses of working men who believe in fair play and democratic government, he has made a world of friends.

There has been no greater demonstration of this fact than the stand which Judge Smith took in Congress a few days ago when he exposed and deplored the secret deal made by Sidney Hillman whereby the C. I. O. has been cut out of all participation in the Government building program.

No group has villified Judge Smith more vehemently than has John Lewis and his C. I. O. Loudly did they applaud the "purge" which was turned upon our esteemed Congressman as its first intended victim and they have heaped upon him every epithet that their ample vocabulary is capable. And yet, there stood Judge Smith, on the floor of Congress, disclosing that the C. I. O. had been given, as we would say in our own language, "a rotten deal".

Virginia, and the Nation owes an everlasting debt of gratitude to Howard W. Smith. But for his staunch Americanism, and the backing he has had from patriotic Republicans, there would be little left today of our Constitutional liberties. The "social democracy" of the early New Deal almost ruined us all, and its scars will never be eradicated, but we have survived, and will survive, so long as we have men like Howard Smith, who believe in fair play, to friend and foe, and who stand four-square upon the ideals of democracy established by our forefathers.

ADAMS—EVANS

Mr. and Mrs. Roderick C. Adams have returned from a motor trip through the New England States.

Their wedding took place at 2:30 on Sunday afternoon, September 28, at the Emmanuel Episcopal Church in Alexandria with the Reverend Edward E. Tate officiating. White gladioli and candles furnished the simple decoration and soft organ music was played by Mrs. Alma Morris.

The bride, formerly Miss Dorothy Virginia Evans of Manassas, was given in marriage by her uncle, Mr. Frank P. Browning. She wore a wine velvet suit and hat with white satin blouse and had a corsage of lavender orchids.

Mrs. Henry B. Adams was matron of honor, wearing a moss green crepe dress and having a corsage of yellow roses. Lt. Henry B. Adams served as best man for his brother, coming to Alexandria from Fort Monroe, Va., where he is stationed at present.

Following the ceremony a small reception was held at the home of the bride's aunt and uncle, Mr. and Mrs. Frank P. Browning, 227 Monroe Avenue, Alexandria.

HESSE—SCHAEFFER

A wedding of much interest to Journal readers was solemnized in Washington, D. C. October 4, 1941 when Miss Doris Schaeffer, daughter of Mrs. Nora Schaeffer of Sudley neighborhood, became the bride of Corporal William Hesser of the U. S. Cavalry, Fort Myer, Va.

The bride is a graduate of Manassas High School and her lovable disposition has won for her many friends who wish her and her young husband a long and happy life.

POHICK CHURCH TO PLACE FLAGS ON VETERAN'S GRAVES

At a recent meeting of the Vestry of Pohick Church, the Treasurer offered the following resolution which was unanimously adopted:

"That the Treasurer be authorized to purchase suitable flags to be placed on the graves of Veterans of all wars who are now or may hereafter be buried in Pohick Church Cemetery."

The necessity for this resolution was occasioned by the fact there are a number of Veterans; Federal and Confederates now buried in Pohick Church Cemetery who have left no relatives to care for their graves.

With more than 60 per cent of their efforts devoted to defense work, General Electric workmen, scientists, and engineers are in the front rank of America's defenders.

1. The U.S. Army carries pack howitzers wherever man and mule can go. General Electric is making them on machines that once made electric motors.

2. Big as a house is a battleship's transmission. General Electric made the gears, and the turbines that drive them, for four U.S. battleships launched recently.

3. Plane engines smothered for lack of air at high altitudes until the turbosupercharger, largely developed by G-E engineers, enabled them to fly seven miles up.

OUR SINS WILL BE REMEMBERED NO MORE.

There's a last day appointed:
We'll all be annointed.
With the oil of salvation,
By the Lord of Creation
And our sins will be remembered no more.

— CHORUS —

Oh, our sins will be remembered no more!
When we rise to Glory on the Golden Shore.
Oh, when we get to Heaven,
Our sins will be forgiven
Oh, our sins will be remembered no more!

There's a Light a shining,
And Angels reclining
On the bosom of Jesus,
Who'll kindly receive us.
And our sins will be remembered no more!

The pearly gates are swinging.
The Angels will be singing
And our friends will meet us;
With joy they'll greet us.
And our sins will be remembered no more.

MOVIE STAR JOINS U.S. NAVY

Ensign Wayne Morris Seeks Wings

Wayne Morris, recent star of "I Wanted Wings," became a member of Uncle Sam's Navy in May, 1941, when he was appointed to the rank of Ensign.

When asked what he thought of the United States Navy, Morris said, "I think every man who is considering joining a military service should look into the 'chance of a lifetime' which the Navy and Naval Reserve offer to get into the big-pay field of the future—aviation. In the Navy you can attend the finest flight training schools in the world, and receive in-

struction from Navy pilots who introduced dive bombing, aircraft carriers and catapult take-offs to the rest of the world. Also, there are opportunities in Naval Aviation for men who don't want to fly. They can be trained as aviation machinists, metal smiths, photographers, observers, or they can receive instruction in many other trades. It's a great life in the Navy." Ensign Wayne Morris is pictured here in his line of duty as a member of the Naval Aviation Cadet Selection Board at the Long Beach Naval Reserve Air Base.

Manager Bayliss Describes "Casual Labor"

Because many people do not understand the meaning of the words "casual labor" as used in the old-age and survivors insurance provisions of the Social Security Act, W. G. Bayliss, manager of the Social Security Board's field office at Alexandria, today issued the following statement: "The Social Security Act provides that 'casual labor' not in the course of the employer's trade or business shall not count toward old-age insurance benefits. However, any work which advances or promotes the business of the employer is not counted as 'casual labor,' no matter how small the job is or how little time it takes. For example, work performed by a carpenter who is employed by a storeowner to build an addition to the store, to put in shelves or to do some other job in connection with the store is not 'casual labor' because this work does advance or promote the storeowner's business. Work for a corporation is never 'casual labor' even though it is occasional, incidental, or irregular because a corporation has no authority to employ anybody for work which does not advance or promote its business. In other words no work for a corporation can be 'casual labor.'"

"Whenever the work performed does not advance or promote the employer's business, the Social Security Board takes into consideration the size of the job. For example, the Board assumes that work done for a private person in the building of a garage or an addition to his house is not 'casual labor,' if the person who did the work was employed for more than 10 days in any 1 month or during 2 consecutive months, or the job required more than 200 hours of work by all persons engaged."

"In short, whether a particular job or piece of work is 'casual labor' depends on the facts in each case. Therefore, whenever a worker or an employer is in doubt, the best thing to do is to ask the nearest Social Security Board office or the nearest office of the Bureau of Internal Revenue."

OLD SALE BILL

(Reprinted from the Wayne County Outlook, Monticello, Kentucky.)

S. Hutchison of Waterford handed us the enclosed clipping of an old sale bill, taken from the Cynthiana Argus.

Having sold my farm and am leaving for "Oregon Territory" by ox team, will offer on March 1, 1941, all of my personal property, to-wit:

All ox-teams, except two teams Buck and Ben and Tom and Jersey; 2 milk cows; 1 gray mare and colt; 1 pair oxen and yoke; 1 baby yoke; 2 ox carts; 1 iron plow with wood mole board; 800 feet of poplar weather boards; 1,000 three-foot clap-boards; 1,500 ten-foot fence rails; 1 60-gallon soap kettle; 85 sugar troughs, made of white ash timber; 10 gallons of maple syrup; 2 spinning wheels; 30 pounds of mutton tallow; 20 pounds of beef tallow; 1 large loom made by Jerry Wilson; 300 poles; 100 split hoops; 100 empty barrels; 1 32-gallon barrel of Johnson-Miller whiskey, 7 years old; 20 gallons of apple brandy; 1 40-gallon copper still; 4 sides of oak tanned leather; 1 dozen real hooks; 2 hand hooks; 3 scythes and cradles; 1 dozen wooden pitchforks; one-half interest in tanyard; 1 32 caliber rifle; bullet molds and powder horn, rifle made by Ben Miller; 50 gallons of soft soap; hams, bacon and lard; 40 gallons of sorghum molasses; six head of fox hounds, all soft-mouthed except one.

At the same time I will sell my six Negro slaves—2 men, 35 and 50 years old; 2 boys, 12 and 18 years old; 2 mulatto wenches, 40 and 30 years old. Will sell all together to same party, as will not separate them.

Terms of sale, cash in hand, or note to draw 4 per cent interest with Bob McConnell as security.

My home is 2 miles south of Versailles, Kentucky, on McConnell's Ferry pike. Sale will begin at 8 o'clock a.m. Plenty of drinks and eats.

Mr. and Mrs. R. S. Hall had as dinner guests on Sunday, Mr. and Mrs. R. Warthen Hall and daughter of Manassas, Mr. and Mrs. George Seelman and son of Hoadly, Mr. and Mrs. John R. Seelman, Miss Ida Allen and Mrs. Phenetta Davis of Occoquan and Mr. Lester Burton of Camp Lee, Virginia.

Mr. Billy Barnes of Occoquan and Washington has returned to his station Fort Bliss, Texas, after spending a couple of weeks vacation visiting his parents, Mr. and Mrs. Wilbur Barnes in Washington, D. C., and his grandmother, Mrs. Fred A. Barnes at Rock Ledge, Occoquan, Va. We were all glad to see Mr. Barnes again, and we wish him pleasant duties the rest of his time in the Army.

Mr. and Mrs. Samuel G. Leary of Lorton announce the arrival of a son in the family on Sunday, October 12th, to be named John Davis Leary. Congratulations.

Mrs. Dudley of Back Bay, Va., has returned home after visiting her daughter and son-in-law, Mr. and Mrs. Myron Lynn, in Occoquan.

Miss Mary L. Norman and Miss Wanda Griffin of the Occoquan School Faculty, spend the week-end at the home of Miss Norman in Haymarket, Va.

Mrs. Cornelia Philipps of Lorton, Va., spent the week-end visiting in Richmond, Va.

Mrs. Harry F. Slack, the Grand Lady of Occoquan celebrated her birthday last week, and we wish her many more happy birthdays. She was given a grand party by the members of the Occoquan Methodist Church, as well as many tokens of friendship and esteem by her many friends in Occoquan and vicinity. Flowers, cakes, candy and many other tokens of love and appreciation of her kindness and civic work in the community during her many years as a resident of this town.

The RECTORS AID of Pohick Church will serve a TURKEY and OYSTER SUPPER at Pohick Hall on Thursday evening, October 23rd commencing at 5:00 P. M. All members and friends of the Ladies of the Rectors Aid and of the Historic Old Church are invited to come and join with us. You will be sure to get as good a supper as you ever had, and at reasonable cost. Remember the DATE, October 23rd commencing at 5:00 P. M. and the place Pohick Church Hall. Thank you.

YOU TAX PAYERS OF PRINCE WILLIAM COUNTY: Do you know that your Board of Supervisors gave a donation of \$350.00 of your taxes to help build a Fire Tower in the Bull Run Mountains; and that a Committee of YOUR OWN FIRE COMPANY, The O-W-L-Fire Department went before the Board of Supervisors and asked for financial help for your own Fire Company, and they were flatly refused. \$350.00 would go a long way to help your own Fire Company; the Fire Company who goes out at all times and to any section of your county to fight your fires whenever called on. A lot of good a Fire Tower in the Bull Run Mountains is going to do to help fight fires in Occoquan, Coles or Dumfries Districts, but that money given to your own Fire Company would help purchase a Water Tank to be rushed to the scene of any fires in your communities and probably save your home or your neighbors homes. If a fire should start in Occoquan School or any other school in these communities; who would call on to fight that fire? YOU WOULD CALL ON YOUR OWN FIRE COMPANY, The O-W-L-FIRE DEPARTMENT, and they would get there in quick time; to save buildings you have erected by your TAXES and perhaps save the lives of your children. In like manner if there was a fire at your own home, you would call on your own fire company to fight it. WOULD IT NOT BE FAR BETTER TO SPEND SOME OF YOUR TAXES IN HELPING THIS FIRE COMPANY THAN PUTTING IT IN A FIRE TOWER IN THE BULL RUN MOUNTAINS?

Think this over you good citizens. This; your own Fire Company needs your financial assistance. Fairfax County realizes the value of Fire Companies; that county assists them

CATHARPIN

CLINIC ARRANGED FOR TB SUSPECTS

County Health Department Will Direct The Examinations.

During the week of November 3, 1941, in the Prince William County Health Department at Manassas, a clinic for the diagnosis of tuberculosis in children will be conducted by a specialist of the State Health Department. This activity will be directly under the auspices of the County Health Department and in cooperation with the medical profession of the county.

The examination and tuberculin testing is a free service, but there is a charge for the chest x-rays, the maximum cost being two dollars (\$2.00) per person.

On Monday, November 3, the children who have been in contact with active tuberculosis cases, as well as those referred by physicians, will be examined and given the tuberculin test.

On Tuesday, November 4, a second clinic will be conducted for suspicious contact cases among adults referred by the doctors or by the nurse with the family physician's approval. When necessary, adults will also be x-rayed.

On Wednesday, November 5, those children previously tested on Monday should return for a report on the test. Those having positive reports will then have x-rays of the chest made in order that the extent of the disease may be determined. A second test will be afforded those who are not positive on the first examination. Those will be read on Friday A. M. and chest x-rays made if required. Only a limited number of special appointments may be made for Friday morning as the clinic closes at noon and no further examinations can be made.

Thursday morning, November 6, those who will be examined (and x-rayed if necessary) by appointment and consultations in regard to their patients will be held with the local physicians. No patient will be admitted to the clinic on Thursday afternoon.

In view of the large area that must be served, this type of tuberculosis service can be made available to counties only at infrequent periods. It is emphasized, however, that this service is extremely valuable and that the opportunity through it to discover hitherto unsuspected infections among those who have been closely associated with active tuberculosis, should be appreciated.

In as much as cases are referred back to the family physician for treatment, all those desiring an examination be made. In lieu of a private physician, the arrangements should be made with the county nurse before the clinic day.

DANCE

The pre-Halloween dance to be held in the School Gymnasium on Friday evening, October 24, from 9:30 P. M. to 1:30 A. M. is expected to draw quite a crowd. The staff and student body are putting forth every effort to make this their most successful event of the season. A splendid orchestra has been secured and tickets are on sale at Cocks Pharmacy, Prince William Pharmacy, Gene's Theatre Grill, and Chapman's Barber Shop.

In preparation for this big occasion many of the boys have been having a fine time this week taking dancing (?) lessons from a group of young ladies in town, under the auspices of the J. R. Woman's Club.

Miss Webb Announces Number Of Interesting Feature For Farm Groups.

Miss Ella Gardner, Recreation Specialist and Social Economist of the United States Department of Agriculture, Washington, D. C. will speak on the "Whys and Hows of Family Fun" at the Prince William Day program Wednesday, October 29, in the Methodist Church Basement at Manassas.

Homemakers and their friends from the entire county representing Home Demonstration Clubs, Farm Security Groups and Vocational Home Economics groups will assemble in the Church Auditorium at 10:30 to hear the accomplishments of the year by each of the homemaking groups presented in a panel discussion conducted by Mrs. C. T. Marshall, Chairman of the County Homemaking Board, and participated in representatives of each of the Home Demonstration Clubs, Farm Security Groups, Vocational Home Economics groups the county Nutrition Committee and the A. A. A. In addition to accomplishments, plans for 1942's program will be announced also.

Following the adjournment of the morning session, the group will assemble in the church basement to review exhibits, partake of lunch served by the county Home Demonstration Clubs and for the afternoon program which will include a special program of group singing and entertainment stated by Madam Jollyjoymaker and her assistants, a Dress Revue, special music and the principle address of the day by Miss Gardner.

Madam Jollyjoymaker and her assistants have a program planned which no one will want to miss.

In the Dress Revue approximately 50 members of the Home Demonstration Clubs will walk among the lunch tables displaying dresses, coats, suits and children's clothes made during the year in connection with the club programs.

Exhibits will be put on by the County Mattress Project, Farm Security Administration, County Nutrition Committee and Vocational Home Economics group.

The public is cordially invited to attend any part or all of the program and learn of the homemaking groups activities during the past year and plans for the future.

P. T. A. HOLDS PANEL DISCUSSION

There was a large attendance at the second monthly meeting of the Manassas Parent-Teacher Association, held Thursday afternoon in Bennett School.

Miss Sue Ayres conducted a most interesting panel discussion, dealing with problems arising in preparation of the child for early school years. Mrs. R. C. Haydon, Mrs. Royer, Mrs. Warren Coleman, Mrs. R. M. Graham and Mrs. Billings discussed various phases of these problems. This was followed by an open discussion which was entered into with enthusiasm by the patrons.

Delegates to the State Parent-Teacher Convention, recently held in Lynchburg, gave interesting accounts of this convention, and proudly displayed the silver cup awarded the Manassas unit at that time.

Mrs. Breedon's Fifth Grade room, with twelve patrons present, won the attendance banner for the month.

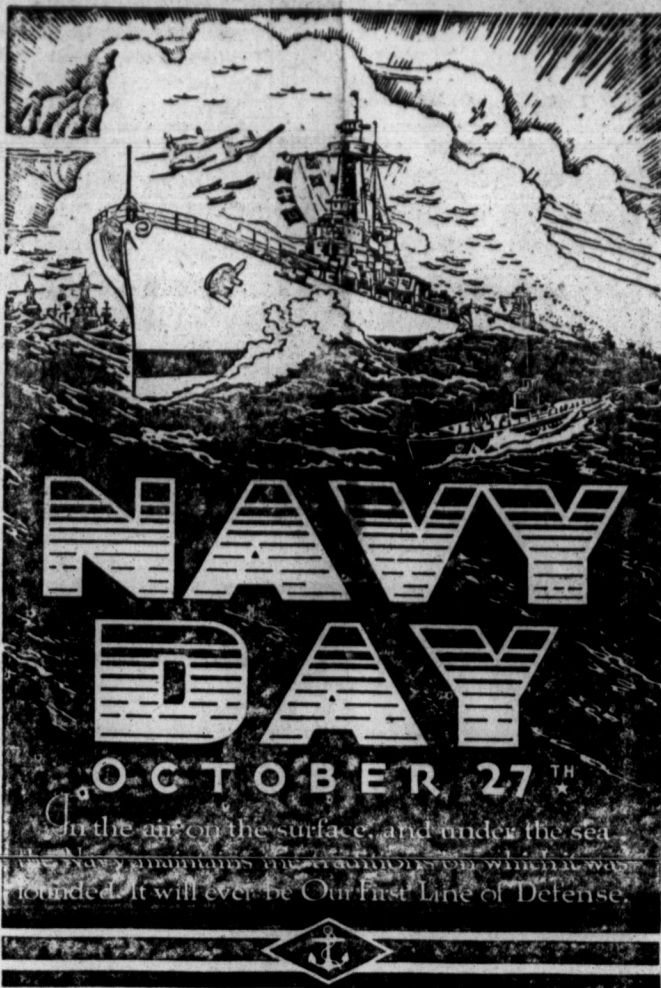

UNUSUAL EGG

One day last week, Mr. H. P. Swart, of Nokesville went out to gather his eggs as usual, only this time he found one weighing nearly five ounces.

ARMISTICE DAY TO BE DULY OBSERVED BY LOCAL POST

Plans are rapidly being developed by the American Legion for a big Armistice Day celebration to be held on the High School athletic field on the morning of November 11th. An out of town speaker will be selected this week and a special musical program is being arranged through the High School and Vocational School music departments. An important part of the ceremonies will be the formal dedication of about a hundred American flags which will be displayed along the business section of the town for the first time that day. It is planned to start the service at 10:30 in the morning and the program will be arranged so that exactly at 11 o'clock there will be a minute of silence and meditation in memory of the dead of the last war after which the main speaker will be introduced and the ceremony will close before 11:30. Next week it will be possible to announce the entire program with names of individuals and organizations that are cooperating.

GRACE M. E. CHURCH BAZAAR

Plans are going forward for the Bazaar to be held in Grace M. E. Church Thursday, November 13th. The committees are working and every thing points to a grand success.

With the fall season, many people look forward to the Bazaars for it is then that one can get wonderful dinners. Of course, the sale of fancy as well as useful articles, is not to be overlooked.

At Grace Church, the young people will have charge of the Grab-Bag, with which so much enjoyment is associated.

The dinners will be served from 12:00 P. M. and from 5:00 P. M. to 8:00 P. M.

ATTENTION, GIRLS

Each class will be in session two hours, consisting of 18 lectures and demonstrations to be given by Miss Maymie Stinnette, the new Prince William County Health Nurse. Any one who is interested please be present at the first session, as all lectures must be attended in order to receive a certificate.

STREET PARADE FOR FUN FROLIC

Town Organizations Sponsor Halloween Celebration

Plans are under way for a large scale Halloween celebration on Friday, October 31st. The Board of Directors of Kiwanis and the Kiwanis Club membership voted to sponsor and promote a town celebration on Halloween at the last meeting.

On Tuesday of this week the Chamber of Commerce voted unanimously to cooperate in every way with this project.

The tentative plan is to have a Mummer's Parade through the business section of town ending with a crowning of a King and Queen of Halloween. It is suggested that all who wish to march in the parade come in costume and compete for the costume prizes to be awarded. All business houses are asked to enter floats or decorated vehicles of some description since there will be a prize for vehicle participants also. Either a band or amplified music will be a feature of the evening also. The coronation ceremony will be followed by street dancing or a bonfire and weenie roast, or both.

The Bennett and Osbourne schools are voting to select the King, Queen and Court Attendants this week. The names of those chosen will not be revealed until the moment of the crowning ceremonies. The whole royal party will be in mask until that time.

It is hoped that the entire community will get back of this project and make it one of wholesome fun and entertainment.

KIWANIS CLUB HOLDS ANNUAL ELECTION

The Manassas Kiwanis club held its annual elections last Friday evening, with the following results:
President—W. E. Trusler.
Vice-President—R. Worth Peters.
Treasurer—L. Ledman.
Board of directors: A. A. Hooff, R. C. Haydon, J. Carl Kincheloe, G. Raymond Ratcliffe, J. P. Royer, A. H. Roseberry and Hunton Tiffany.

Entertainment was furnished by two students of the N. Y. A. School, who presented a moving picture on "Opportunities for Youth". This picture showed in detail the wonderful agricultural work done by 200 boys at Camp Legion and Camp Hollow, project sponsored by the auto magnate, Henry Ford. Besides learning how to run a farm, these youths have many other advantages at the camp. They are made physically and morally strong under the most careful supervision. These young men receive \$2.00 a day, plus a share in the profits realized from the sale of supplies, vegetables and produce. The picture is a good advertisement for the "Back-to-the-Soil" movement.

It was announced that 'Ladies Night' would be held on Thursday, November 6th.

The feature of this week's meeting will be President Frank's report of the proceedings of the capitol District Convention held two weeks ago at the Mayflower Hotel, Washington, D. C. The Kiwanis Soft Ball Team, 1941 champs were guests at the dinner and meeting last Friday night. O. D. Waters thanked the players for keeping the Kiwanis on the top of the Soft Ball League.

HALLOWEEN PARTY AT BUCKHALL

The Witches and Goblins will be out to greet you on their night, Friday, October 31. Meet them at the Buckhall School for an evening of fun.
Come in costume.

DRY FORCES HAIL BAZILE RULING

Uses Old Sunday Ruling As Precedent For Decision

A decision of far-reaching importance to ABC licensees in Virginia was handed down by Judge Leon Bazile in the Hanover County Circuit Court October 17, when M. G. Francisco, a Hanover merchant, was found guilty of violating Section 4570 of the Virginia Code, by selling beer on Sunday. Under instructions from Judge Bazile, the jury was called upon only to decide a question of fact as to whether Mr. Francisco sold beer on a Sunday. In his instructions, the judge told the jury that selling of beer on Sunday constitutes a violation of the law.

Judge Bazile's decision, which has been hailed enthusiastically by dry forces throughout the State, was based on a ruling made some 24 years ago by the Virginia Supreme Court of Appeals in the case of Ellis vs. The Town of Covington. In the Ellis case, the Supreme Court ruled that the sale of a soft drink on Sunday was not a necessity and was thus a violation of Section 4570, which forbids unnecessary work on the Sabbath. The Ellis decision has never been reversed.

Observers have pointed out that the ruling, as it now stands, has almost unlimited application with reference to the hundreds of articles that are now sold throughout the State on Sunday, and that might be ruled not works of necessity, and thus in violation of the law.

It appears that the Francisco case will find its way to the Virginia Court of Appeals for a further trial, since Judge Bazile has taken under advisement a defense motion to set aside the verdict, and will hear arguments on November 17. Defense attorneys have indicated that if the motion to set aside is overruled, they will carry the case to the Supreme Court of Appeals.

Mr. Francisco was prosecuted on two counts, one charging the sale of beer on Sunday, and the other sale of soft drinks and cigarettes, but the latter count.

Mooting in Lynchburg, the Virginia Methodist Conference adopted a resolution on October 18 approving Judge Bazile's decision.

SPECIAL YOUTH PROGRAM

The regular monthly Youth Party was held October 17 at the Gainesville District School with the Chairman, Ned Beverly, presiding. There was around fifty present.

There were many games played and also much business was transacted. The new officers for the year were elected as follows: Chairman, Mary Norman, Vice-Chairman, Mrs. Nina Lightner Recreation, Mrs. Preston Smith, Mrs. Jack Hunt, and Ollie Smith, Invitation, William Piercy, Jane Meade Brown, and Kay Lightner Reporter, Virginia Smith.

Much luck was hoped for, the new officers that they shall make as prosperous an organization as our former officers.

Lovely refreshments were served that just suited the cool night.

The party of friends adjourned to meet at the school Monday, October 27th at 8 o'clock P. M. when Mr. Richard Chase of Glade Springs, Va., will be present.

Mr. Chase is well known among the people. He is specialized in folk dances and songs. He held classes at the University of Virginia this summer and is now teaching extension classes at Roanoke and Blacksburg.

Mr. Chase will be at the Gainesville District Monday October 27th and Friday, November 7th at 8 P. M. So all of you people come out and have some fun. Its a lovely opportunity to get together.

BICYCLE SAFETY

The Safety Committee of the Co. Federation P. T. A. at a recent meeting decided to head their objective for the year with Bicycle Safety.

According to Col. Battle, director of Motor Vehicle, a bicycle should proceed with traffic and with the same signals as other vehicles. This is in accord with Section 51 of the Motor Vehicle Code which needs as follows:
Every person riding a bicycle or an animal upon a roadway and every person driving an animal shall be subject to the provisions of this chapter applicable to the driver of a vehicle except those provisions which by their very nature can have no application.

LEMUEL A. WILLIAMS

Lemuel A. Williams, aged 67, life long resident of Prince William County, died suddenly at his late residence near Triangle last Friday. He had been a sufferer from heart ailment for several years, the trouble becoming more acute in recent weeks.

He was the son of Annis and Sarah Williams and was born August 8, 1874 near Neabsco. He had been a mechanic and carpenter and continued in active work until recent months.

He married Miss Elsie D. Crouch on February 17, 1916. By this union one daughter survives, Mrs. John B. Miller. His was a happy married life for he was a kind and loving husband and father. His place in the community showed him to be a conscientious worker, and a very loyal citizen of his native land. To charity, he was liberal and in his church work, he set a fine example of generous giving. His joining the church dated back to his early manhood. In fraternal life he was affiliated with the Junior Order and with the Odd fellows, many of whom attended the funeral.

Services were held from that church (Dumfries M. E.) on Sunday. Interment was at Minnieville.

Pall bearers were Messrs. Joseph Amidon, Jim Williams, M. J. Keys, Willis Sisson, Eastman Keys and Cecil Garrison, all old time friends and neighbors of the deceased.

Besides the widow and daughter, he left one brother, Frank G. Williams, of Indian Head, Charles County, Md.

CARDS OF THANKS

We desire to thank our many friends for their kindness and sympathy during the illness and death of our beloved husband and father.

The house of the wicked shall be overturned, but the tent of the upright shall flourish—Proverbs 14:11.

TO OUR PHARMACISTS

This is National Pharmacy Week and we take this occasion to express public appreciation of our pharmacists.

No matter how effectively the family doctor may prescribe, his treatment would amount to little, and might become more than negative, but for the established dependability of the pharmacist who compounds the medicine.

The druggist must know his business. He must not only know pharmacy, but be a practical business man, able to carry in stock the various and often expensive and rarer ingredients that are called for by the physician.

His training is severe and in almost every instance he is a leader in his community because only such type of personality could meet the exacting requirements of his profession.

So, we salute our local pharmacists this week and wish them continued prosperity and still greater public appreciation.

MRS. SAYLOR DIEHL

Mrs. Saylor Diehl died on Monday evening at 5 o'clock after a long illness. The funeral was held at the Valley View Church on Wednesday at 2 P. M.

jobs with all the defense work going on. They were urged to complete their education because it will be needed greatly when the war is over.

The boys and girls sports have been organized so that each pupil who is physically fit is playing some type of sports. Mr. Sierks, the coach, has organized as intra-mural schedule. While they are still in the experimental stage everyone is hoping the plans will soon materialize.

The different clubs have been organized by Miss Griffin, the dramatic teacher, and officers have been elected.

A new column has been added to the Hi-Di-Ho called "Your Fashions Observer." The students seemed to enjoy this new article very much.

There were several news articles concerning the S. C. A. Meeting, The Teachers Reception, and Chapel. The members of the staff are just becoming acquainted with their work and are enjoying it very much. They are looking forward to making this

the best year in the publication of the H-D-Ho.

Imagine having to bring your own candles for light aboard trains at night! Passengers had to do that when night travel first came into vogue but the railroad soon began to provide specially protected candles. In 1850 oil lamps were introduced and in 1887 passenger trains were first lighted by electricity.

The average mile of railroad in the United States, together with its proportion of extra tracks, yards, buildings, locomotives, cars, shops and other equipment, represents an investment of \$108,871.00!

Chessie's doing her bit to provide dependable transportation for the boys in khaki and the boys in blue! Twenty-two Military and Naval Posts are directly served by Chesapeake and Ohio!

Glad tidings await you at Chesapeake and Ohio ticket windows! It's only 2 cents a mile for one-way coach tickets and there are even further reductions in round-trip fares with 60 day return privileges. Travel by train for comfort... safety... economy!

Can you identify different types of locomotives? All you have to do is count the wheels! For instance a 4-6-2 or Pacific type, has 2 pairs (4) small front wheels, 3 pairs (6) drive wheels, followed by a single pair (2) small wheels. The huge Mallet articulated locomotive is a 2-10-10-2 and the 4 wheel switcher is a 0-4-0! Other famous types are: Mikado (2-8-2), Hudson (4-6-4), Mountain (4-8-2), Greenbrier (4-8-4) and Chesapeake and Ohio's new Allegheny (2-6-6-6).

Regardless of what you ship, dependable cooperative transportation service—designed to meet your individual needs—is as near as your telephone. Just call your nearest Chesapeake and Ohio traffic representative!

AGRICULTURAL COMMITTEE—MEN TO AID NEW AD.

JUSTMENT PLAN

In order to bring about the adjustments, which the United States Department of Agriculture has worked out for state and county goals for each of the commodities needed, Virginia farmers have been asked to increase milk production 3 percent, egg production 7 percent, and pig production 15 percent in 1942 above 1941. In order to prevent farmers from production, the Secretary has given sustaining losses from such increased public notices that until December 1, 1942 the Department of Agriculture will through loans, purchases or other operations support a price for hogs, eggs, evaporated milk, dry skim milk, cheese and chickens of not less than 85 percent of the parity price of these commodities.

Farmers committeemen throughout the country will make a farm to farm canvass to bring to the attention of individual farmers the need for increased production of the above commodities. It is anticipated that the production goals will be reached. The farmers of the United States, and particularly the farmers of Virginia, have never failed to respond to a patriotic appeal.

A TRIBUTE OF LOVE

A tribute of Love to the Memory of Rosie Belle McCuen, who Departed this Life Twenty-Three years ago today, October 22, 1918.

Every day brings back memories. Every memory brings a tear. Deep within our hearts we cherish Thoughts of one we loved so dear. She had a smile for every one. A heart as pure as gold.

To those who knew and loved her best

Her memory never will grow old. Loving and kind in all her ways Upright and just to the end of her days.

Sincere and kind in heart and mind. What a beautiful memory she left behind.

Where the evening shadows are falling And I am sitting all alone.

In my heart comes a longing If my daughter could only come home To the graveyard we go and place fresh flowers there.

And we are thankful to know She is free from all care.

My Darling Rosie Belle is not dead But sleepeth. So let her pillow be of roses to blossom with the moon.

By her mother, Mrs. Lacy McCuen

CONSTIPATED?

PRUNOL (Prune Juice Mineral Oil)
PROVIDES More Natural RELIEF

Prunol is a more natural aid for constipation than ordinary harsh laxatives. Prunol contains a tasty prune juice emulsified with tasteless mineral oil—two of nature's own helps for clogged up intestines. They lubricate passages and soften waste matter. An extra ingredient stimulates lagging intestinal muscles into the action so necessary for effective elimination—comfortable action—no irritation—no griping. Prunol's complete process tends to restore more natural strength to intestines so that nature may carry on. Children, and adults of all ages like Prunol. If you're suffering from constipation get a bottle of Prunol in either of two generous sizes—50c and \$1.00. Sold and guaranteed by—

The largest fleet of ambulances in Northern Virginia

Many of our friends of Prince William and Fairfax Counties are not aware of the high type of efficiency with which we operate with regard to the comfort and safety in the handling of the sick or injured.

Our equipment is entirely new and possesses the latest features recommended by surgeons and health specialists. The ambulances are all produced by the Cadillac Motor Car Co. which means the latest word in safe as well as rapid transportation.

Practically everything invented by medical science for the saving of life is included in the equipment carried by our ambulances.

Our ambulances are all driven and manned by registered First Aid Men, who are capable of handling any emergency which may arise.

We respectfully solicit your consideration and the promptest attention will be given any call or message received at our office.

WOMEN WANTED

Hundreds of Additional Housewives to Discover the Quality, Thrift and Convenience of Southern Bread and Redi-Cut Cake

★ ★ ★ DESCRIPTION ★ ★ ★

SOUTHERN BREAD In Virginia this famous loaf is known for the fine quality of its ingredients—all of which must conform to rigid standards established for all products bearing the "Southern" name. It travels fast—from our ovens to your table in a few short hours. *Extra healthful too, because it contains important energy-giving Vitamin B-1.*

May generally be found surrounded by the praise of thrifty Virginia housewives who admire quality, thrift and freshness.

In addition to the Vitamin B-1 sliced white loaf, Southern Bread is also available in All Wheat. They're always fresh. Watch for them at your grocer.

REDI-CUT CAKE A clever new product. Nothing else like it. 8 big even slices of fine 2-layer gold cake on a tray, in separate compartments, ready sliced, ready to serve.

Redi-Cut Cake permits you to serve 3 or 4 portions at one meal and save the rest 'til later. Replaceable cellophane wrapper protects freshness of unserved portions, eliminates stale cake waste, saves money.

Four popular kinds: Chocolate, Caramel, Lady Baltimore and Variety 2-in-1 (4 slices Chocolate, 4 slices Lady Baltimore)—all generously filled and iced—only 29¢ each. A real taste treat for less than you could bake at home. Found at good grocers.

★ ★ ★ REWARD ★ ★ ★

Generous rewards are offered all thrifty Virginia housewives who purchase these products. Southern Bread will please the family palate and preserve the family purse. Southern products never vary from the same high quality that has made them popular favorites in thousands upon thousands of Virginia homes.

FOR FURTHER INFORMATION

Visit your favorite food store. Ask for and insist on Southern Bread and Redi-Cut Cake by name. Like "Sterling" on silver, the name "Southern" on bread and cake is your guide to quality.

*You Serve
When You Save!*

These are times when every penny counts. It's patriotic to be thrifty and buy Defense Stamps with your savings. You save when you serve Southern Bread and Redi-Cut Cake.

TODAY, as always, the American Red Cross is on the front lines of the Nation's defense. Its biggest job for the emergency is linking Uncle Sam's soldiers and sailors to the home front. Red Cross workers travel with America's far-flung forces, untangling the problems of the able-bodied, bringing comfort and cheer to the disabled.

RED CROSS SERVICES TO ARMED FORCES GREATEST SINCE '18

As the only outside agency authorized to conduct day-to-day services within the confines of Army and Navy training stations, the American Red Cross is in the midst of its busiest year since the first World War.

In military and naval stations, the Red Cross is concerning itself with the personal problems of the service man, helping him adjust himself to military life. For the disabled, the Red Cross is on the job in service hospitals, helping to speed recovery of the sick through a morale-building program.

In mobilizing a 2,000,000-man fighting force, the personal problems of the able-bodied man in uniform have in turn become problems of the morale divisions. Red Cross field directors stationed in all camps and reservations have been entrusted with the task of helping to solve these problems.

The disabled man in a service hospital also can look to the Red Cross for help in speeding recovery. Medical-social workers, trained for their specialized assignment, are on duty at Army and Navy general hospitals to aid service physicians, to act as a medium of communication with the families of hospitalized men and to conduct recreational programs for convalescents.

Volunteers, familiarly known as "Gray Ladies," come from nearby chapters to write letters and perform

scores of "little things" which smooth the way toward recovery.

The Red Cross provides recreational service for patients in all Army and Navy hospitals. Sixty-five new hospitals are under construction by the Army, and their recreation buildings are being equipped and staffed by the Red Cross as each one opens.

As part of the Army and Navy safety programs, members of the national Red Cross staff are qualifying service personnel as instructors in First Aid and Water Safety. Instructors taught by the Red Cross in turn conduct classes on the reservations.

The number of Army and Navy personnel and their families assisted by Red Cross field directors has increased in volume 140 per cent since Selective Service has been in operation. During the past year 126,515 active service men have been aided in the camps.

The Red Cross recently made available \$1,000,000 to meet an emergency need for athletic equipment for the Army and Navy. This need arose when Government appropriations for the purpose were exhausted.

The Prince William County Chapter of the American Red Cross Association is carrying on a very active program of Home Service work and is daily acting on cases, involving family problems for the men in service and their families. Mr. J. Edgar Parrish is local chairman of this committee.

Virginia Public Service Places Howard Crumley In Charge Of Operation.

Howard L. Crumley was appointed Operating Vice-President of the Virginia Public Service Company, it was announced today by W. E. Wood, President of the Company's Superintendent of Operations.

Simultaneously Mr. Wood announced the appointment of Ivan Buys to Mr. Crumley's former position as Superintendent of Operations.

Mr. Crumley will have direct supervision over the Company's operations, Mr. Buys over the Company's generating, transmission and distribution facilities. Mr. Crumley's headquarters will be at Alexandria, Mr. Buys' at Charlottesville.

Like his senior officer, Mr. Wood, Mr. Crumley is a graduate of Georgia Tech, class of 1920. He is a Registered Professional Engineer in the states of Virginia, West Virginia, New York and Pennsylvania. He is a member of the American Institute of Electrical Engineers and served as Manager of that organization at Reading, Pa. With his appointment as Vice-President at 41, he becomes one of the youngest utility executives in the South.

"We have selected Mr. Crumley as Operating Vice-President, because of his excellent record since he became connected with the Virginia Public Service Company, and because he is eminently qualified by his experience and ability for the very important task of supervising the operations of the business which are expanding rapidly because of National Defense activities. The Company has faced and is facing many perplexing problems of finance and contribution. These must be and will be solved. In the meantime, we must operate the system efficiently under difficult conditions.

"By virtue of his intimate acquaintance with the physical equipment and the personnel gained through his service as General Superintendent, we believe that Mr. Crumley is well qualified to gear our available facilities and our manpower to maximum efforts in rendering service to more than 100,000 Virginians and West Virginians who are our customers. He will be ably assisted by Mr. Buys who has an excellent engineering background."

Prior to joining the staff of the Virginia Company, Mr. Crumley was Consulting Engineer of the E. M. Gilbert Engineering Corporation, Reading, Pa. He is a native of Georgia where he received his primary and college education, having finished with a degree in Electrical Engineering from Georgia Tech in 1920.

After graduation, he spent one year with the Georgia Power Company, Atlanta, Georgia. Four years later, he became associated with the Metropolitan Edison Company, a large utility operating in Eastern Pennsylvania, with headquarters at Reading. After serving as a Relay Engineer, he was appointed Assistant Superintendent of Operations and later Chief System Operator. In 1927, he was made Assistant Superintendent of Operations. In 1937, he became Consulting Engineer to the E. M. Gilbert Engineering Corporation of Reading, Pa., specializing in construction, maintenance and operation. He joined the Virginia Company as Superintendent of Operations in 1938.

Mr. Buys is a graduate of Cornell University in Mechanical and Electrical Engineering, Class of 1917. He served in the U. S. Army from 1917 to 1919. After World War I, he joined the Duquesne Light Company as Chief of Operations. In 1923 he was made Superintendent of Transmission of the Kansas Gas and Electric Company, and in 1930 Chief Engineer of the United Power and Light Corp., of Kansas, and later Division Manager. In 1936 he was engaged by the Illinois-Iowa Power Company, Decatur, Illinois, as Chief Engineer to reorganize the Engineering Department. It was from this company that he came to Virginia.

THEY HAVE THEIR CAKE AND EAT IT

In the case of some profitable farm practices it is actually possible to reverse the old adage and make it read "You can have your cake and eat it, too." This is particularly true in the case of farmers who are following recommendations of their county agents and apply fertilizer to their fall wheat crop. By doing so they not only will get increased yields of wheat but also add fertility for the following year's hay crop.

"It is not infrequent for the increased yield of clover and other hay crops which follow fertilized wheat to be sufficient to pay for the whole fertilizing operation," according to H. R. Smalley, Director of Soil Improvement Work, The National Fertilizer Association.

On a demonstration farm in Michigan, the increased yield of alfalfa hay during a two-year period following wheat which was fertilized with complete fertilizer, amounted to 3,771 pounds of hay. At the average price of alfalfa hay, the increase is worth \$19.00 an acre for the two years.

One of the best ways to start a high-producing pasture is to fertilize the wheat crop heavily this fall and seed the pasture next spring. In an experiment at Wooster, Ohio, an application of 450 pounds of fertilizer gave an increase of 18 bushels of wheat and more than doubled the pasture yield for several years following.

MOVIE STAR JOINS U.S. NAVY

Ensign Wayne Morris Seeks Wings

Wayne Morris, recent star of "I Wanted Wings," became a member of Uncle Sam's Navy in May, 1941, when he was appointed to the rank of Ensign.

When asked what he thought of his United States Navy, Morris said, "I think every man who is considering joining a military service should look into the 'chance of a lifetime' which the Navy and Naval Reserve offer to get into the big-pay field of the future—aviation. In the Navy you can attend the finest flight training schools in the world, and receive in-

struction from Navy pilots who introduced dive bombing, aircraft carriers and catapult take-offs to the rest of the world. Also, there are opportunities in Naval Aviation for men who don't want to fly. They can be trained as aviation machinists, metalsmiths, photographers, observers, or they can receive instruction in many other trades. It's a great life in the Navy."

Ensign Wayne Morris is pictured here in his line of duty as a member of the Naval Aviation Cadet-Selection Board at the Long Beach Naval Reserve Air Base.

GET IN THE NAVY NOW!

America needs volunteers to keep the light of liberty burning...to safeguard our American shores...to man our new two-ocean Navy.

THE United States is now building the most powerful Navy the world has ever seen. But it takes more than ships and planes to patrol our shores, safeguard our liberty, protect millions of American homes and families. It takes men! Volunteers!

Every new battleship, new cruiser, new destroyer is just so much steel and iron until a crew of trained men—mechanics, electricians, radiomen, signalmen, carpenters and other specialists—goes aboard.

That is why the U. S. Navy may train you to be an expert in any one of forty-five modern trades and professions. You will get regular Navy pay while you are learning. And it is possible for you to be earning as much as \$126.00 a month before your first enlistment is completed.

Right now in the Navy young Americans have a double opportunity to serve their country while building their own security and independence at the same time.

Grow with the new, greater Navy

The Navy wants men to learn, to advance, to get bigger pay, to qualify for the positions of responsibility which must be filled as our naval forces are expanded. It is a real opportunity for every young man—one well worth thinking about. There is a place for you in America's new Navy.

If you have a trade now or would like to learn one, why not get the full facts about Navy opportunities and training today!

Are you considering joining a military service? WHY NOT CHOOSE THE NAVAL RESERVE!

Don't wait. Choose the Naval Reserve now. The Secretary of the Navy has announced: "All men now enlisting in the Naval Reserve will be retained on active Navy duty throughout the period of the national emergency, but they will be released to inactive duty as soon after the emergency as their services can be spared,

regardless of the length of time remaining in their enlistment.

Remember—the regular Navy and Naval Reserve offer you the same travel, training, promotions, pay increases. Physical requirements in the Naval Reserve are more liberal. Find out all about the Naval Reserve. Send in the coupon now!
