## BLUE RIBBON TO MANASSAS U D C

Chapter also praised for sponsoring Maury broadcast.

Mrs. G. G. Allen assisted by Mrs. C. B. Compton and Mrs. B. F. Knox was hostess to the Daughters of Confederacy Wednesday afternoon at the Allen home on Prescott avenue.

The meeting was well attended and was called to order by the president, Mrs. R. A. Hutchison. The opening prayer by Mrs. M. M. Washington and flag salutes led by Mrs. L. J. Carper and Mrs. Hutchison was followed by assembly singing "Dixie."

Mrs. E. H. Hibbs announced Arkansas as the historical subject and the associated characters, Albert Pike and Augustus H. Garland. An interesting sketch of Pike's life was given by Mrs. Hutchison revealing the fact that though Pike was born 1809 in Boston, Mass., he espoused the Southern cause and became a forceful leader in the days of Reconstruction. He was a student of law, a poet of note, editor and publisher. He died in Washington, D. C., April 3, 1891. Mrs. McDuff Green read of Augustus Hill Garland, lawyer; born near Covington, Tenn., June 11, 1832. He was elected to the Confederate Senate, which office he held until the close of the war; in 1874 was elected Governor of Arkansas. He became attorney general in the cabinet of President Cleveland. He died in Washington, D. C., Jan. 26, 1899.

Mrs. Hutchison exhibited her membership certificate bearing date of Aug. 5, 1903 signed by chapter officers—President, Mrs. Lizzie J. Larkin; Recording Secretary, Miss Isabel Hutchison and Treasurer, Mrs. Ella A. Sinclair.

Mrs. Carper secretary pro tem. read minutes of October meeting. Mrs. J. G. Allen gave report on finance. Mrs. J. G. Kinchloe on hospitality named Mrs. E. G. Giddings and Mrs. Luther Alpaugh as hostesses for December. They will be assisted by Mrs. Hebe Jackson, Miss Caroline Jackson and Miss Florence Lion.

Ways and Means, Mrs. Green, chairman, announced a food sale for the 15th in Dowell's Drug store.

Mrs. E. H. Marsteller and Mrs. Hibbs extended an invitation to all to be present at the unveiling of the 3rd Court House Marker at Dumfries on Nov. 11th at 1 p. m. The program is sponsored by the School Leagues with contributions from many organizations throughout the County. Mr. James A. Bishop has liberally donated the plot and material including brick said to be of the original Court House built in 1706-62.

An announcement of the "Book Mart" at the High School on Nov. 18th at 7 p. m. was noted.

A years subscription to the Southern Literary Messenger, published in Richmond is being received by the chapter through Mrs. E. H. Marsteller and in turn the chapter will place the copies in the local library. This gift, a sequence to a broadcast, by Major James Maury, grand son of Commodore Maury, sponsored by the Manassas Chapter in February of this year and which was published or will be published in the Messenger in a special Maury edition. Very recently Major Maury was on the air from Richmond and gave the Manassas Chapter reception as sponsoring his first broadcast.

While in session a message was received announcing the serious illness of Mrs. T. J. Ashford, a loyal and faithful member of long standing. A resolution of sorrow and regret was immediately and unanimously recorded.

Mrs. McDuff Green, chapter delegate to the annual convention U. D. C. held in Bristol first week in October gave an interesting report. Mrs. Green told of the election of Mrs. J. L. Bugg of Farmville as Division President and Mrs. Jessie Ferguson Carey of Alexandria, Historian.

The historical evening at Bristol was dedicated to the memory of Col. John S. Mosby. Mrs. Green displayed the program for the evening and gave excerpts from talks, also several news clippings from Bristol papers were passed around. The place cards at the Presidents' dinner were most unique being a map of the Appalachian Region showing localities of historic interest, places of natural beauty and wonder and public high roads thereto. This work of art came from the hands of Mr. Clarence Kearsfott whose wife is prominent in U. D. C. circles of Bristol and the Division. The blue ribbon for outstanding historical work was brought to Manassas chapter by Mrs. Green and presented to Mrs. R. L. Bryd, significant of the work accomplished by Mrs.

## LUNCHEON MARKS LAST MEETING

8th Virginia Regiment U. D. C. holds final session for the year

The 8th Virginia Reg't Chapter U. D. C. met for their final meeting of the year on Saturday, November 8th at one P. M. The meeting took the form of a farewell luncheon and the long candle lit table was beautifully decorated with flags and flowers and loaded with all kinds of "goodies" to eat. Mrs. R. B. Gossom presided at the head of the table in the absence of the President Mrs. Alice Hutchison. Among our guests were Miss Isabel Hutchison, representing the Manassas Chapter U. D. C. and responded very graciously, when called on for a speech and Mrs. Susan Morton of Haymarket, who gave some delightful reminiscences of the days of the '60's as told by her great aunt who lived near Charleston, S. C. Our faithful treasurer, Mrs. Alice Hutchison held down the "foot of the table", with the assistance of her husband; and as the day was also his birthday, we stood and sang "Happy birthday to you" and presented him with a cake. A silver offering was taken for the custodian of the Robert E. Lee Chapel at Lexington, Va. After bountiful repast, we sang old songs with Miss Mildred Ewell at the piano and as a final and fitting close to a delightful meeting, we pledged our selves and our services anew to the Stars and Stripes and a united country; "One nation indivisible with liberty and Justice for all."

During the lunch hour, Mrs. Wilson read the original verses of "Maryland My Maryland," kindly contributed by Miss A. M. Ewell chapter historian which contained many verses not used in popular song books.

The happy afternoon passed all too soon. The Chapter adjourned to meet again the first Thursday in April. A Silver offering will be sent to the Lee Memorial at Lexington, Va.

## WILL ENTERTAIN CLUB

Mrs. C. B. Compton will entertain the Postal Wives Club on Thursday, November 20th at 7:30 p. m.

Byrd while serving as historian for the chapter. The first broadcast sponsored by Manassas Chapter was arranged by Mrs. Byrd when Rev. R. M. Graham spoke over W. J. S. V. in Jan. 1940 commemorating the birthday of Gen. "Stonewall" Jackson.

The Chapter decided to give to the library a book "History of the Daughters of Confederacy" including the U. D. C. bookplate.

The meeting closed with a delightful social period in which the hostesses, assisted by Mrs. L. L. Lomas and Mrs. Virginia Park served a salad course. The Confederate colors of red and white were arranged in mints and floral decorations of cut flowers. Mrs. J. P. Royer was a guest. Out of town members present were Mrs. C. W. Rector of Upperville and Mrs. R. L. Gulick of Aldie. (omitted last week.)

## MY TRIP TO KANSAS CITY

As a member of the Out-of-State Dairy judging team, I left Nokesville Wednesday, October 15, for Blacksburg to spend sometime practicing judging in preparation for the National contest. Our stay in Blacksburg was thoroughly enjoyed.

The Virginia delegation, composed of thirty-six members, under the supervision of Mr. T. V. Downing, District Supervisor of Eastern Virginia left Christiansburg, Va., Friday night and arrived in Cincinnati, Ohio Saturday morning in time for breakfast. After a visit through the vast Union terminal there, we boarded a special coach for Kansas City, arriving there about 1:30 Sunday morning. From Christiansburg to Kansas we touched on the following states; Virginia, West Virginia, Kentucky, Ohio, Indiana, Illinois, Kansas, and Missouri.

We spent Sunday getting ourselves oriented in Kansas City. We viewed the Municipal Auditorium, the Convention headquarters, and the place where all the meetings were to be held. The building covers one complete block and seats about 17,000 people.

Judging began Monday morning. We judged two classes of Holsteins, two classes of Guernseys, and two classes of Jerseys. The afternoon was spent preparing for the milk judging contest to be held the following morning.

On Tuesday we did not miss our opportunity to see some of the surrounding country. We went into City Hall in Kansas City, Missouri and looked out over Kansas City, Kansas. This building was thirty-one stories high. Tuesday night an amateur contest was conducted with F. F. A. boys performing.

Wednesday morning the National F. F. A. banquet was held in the Municipal Auditorium with 8,000 future farmers present. The food was furnished by certain state associa-

tions. On the menu, we had Texas grapefruit juice, Kansas City tenderloin, North Dakota potatoes, Minnesota butter, and Florida limes. Various achievement awards were presented at the banquet. Two boys from Virginia received the American Farmers Degree. The Virginia State Association received the gold emblem classification, which is the highest classification recognized. Lebanon chapter, representing Virginia in the chapter, achieved the gold emblem classification, won the \$150 award and was presented with a certificate of merit.

I consider it a great privilege to be able to go on this trip. It was educational, entertaining, and packed full of fun and new experiences. To a farm boy it serves as an inspiration and challenge to do bigger and better things. It gives to you a picture of what farm boys can do and are doing.

Ivor, Va., Oct. 29, 1941  
Mr. & Mrs. John T. King  
Nokesville, Virginia  
Dear Mr. & Mrs. King:

It was my pleasure last week to take a group of 28 Future Farmers of Virginia to the National F. F. A. Convention in Kansas City. We had a very successful trip. All of the boys conducted themselves as gentlemen.

You, son, Richard, helped to make possible the above good report. His conduct was proper at all times. You should feel very proud of him. I hope that he arrived home safely, and that he benefitted by the trip.

Will you please urge Richard, to write Dr. Newman, Editor of Chapter Chats, giving an account of his trip. Also have him send a copy of this letter to the Editor of your local paper.

Sincerely,  
T. V. DOWING  
Dist. Supervisor Ag. Educ.

In addition to the above tonnage obtained without cost through the conservation program, a numbers of farmers obtained liming materials during the month from the State Grinding Plant and commercial sources.

## IMPORTANT NEWS OMITTED

We regret our mechanical inability this week to publish the interesting accounts of such important local happenings as the Dedication of the Old Courthouse site at Dumfries; and the Armistice Day Celebration.

These and a number of other items which we have not been able to include, will appear next week.

## THE OLD MASTERS DID THEIR WORK WELL

A few days ago, M. J. Hottle, the contractor who constructed the Dumfries courthouse memorial, came into the Journal Office with a unique piece of evidence as to the fine work done on the old building.

It was a piece of the masonry from the old foundation. In digging it out, the pick struck one of the brick, where the mark is left. In pulling it up, the natural cement and lime mortar was so strong that it pulled the brick underneath in half.

## LOCAL FILLING STATION OPERATOR AIDS IN CATCHING THIEVES.

F. R. Scheck, owner of the Sunshine Tavern, (near Woodbridge) is being given credit with running down two Baltimore boys wanted in King William County for stealing an auto, for a hit-and-run charge and other offenses.

They came up to Scheck's place and filled up with oil and gas. After the servicing was completed (this being on Monday evening), they put up a hoodlum fracas to frighten Mr. Scheck, but found him too much for them, and they fled.

Forrest Walker, of Lorton Reformatory, who was at the place at the time, jumped into a car with Mr. Scheck, and gave chase. When they got to Alexandria, they trapped the lads at the foot of Duke Street, where local police aided in the pursuit.

A charge of carrying concealed weapons is also being placed the boys who are evidently trying to emulate modern gangsters.

## GAMES FEATURED AT LADIES NIGHT

Musical offerings also prove quite delightful

The annual ladies' night of the Kiwanis Club of Manassas Virginia was directed this year by Father James Widmer, as chairman of the program committee. Father Jim arranged a rather elaborate set of features that caused much merriment and palpitation.

The initial activity was a south-paw signature stunt, motivated by hope of winning a prize, each lady pursuing the luckless Kiwanians until the signature fest was called to a close.

Music was an attractive portion of the evening's festivities. First, Miss Knight, of the local school faculty, gave a delightful trombone solo, with Mrs. J. P. Royer, accompanying.

Following that Mr. Carl Berryman and his attractive little daughter Evelyn, put on three song and dance numbers, adding much zest to the occasion.

Mr. Berryman did some free hand cartooning that was on a par with his thespian ability.

A quintet of young gentlemen from the Vocational School played three instrumental numbers which were loudly applauded.

All this time, a bottle of beans had been circulating. Easy to figure out for the lady putting down the correct number received a nice prize.

Then Father Jim lined up a squad of Volunteers from among the ladies. It was an "alphabetical" prize, each lady displaying a letter. For a few minutes it resembled a bargain counter rush, until "Mabel" came through with flying colors.

Then the educational test awed the stoutest female hearts. Radio slogan, popular phrases, etc all took the ladies "to town" but they came through nicely and all won prizes.

The athletic and sure fingered came next, with a "bean running" contest, very much like the old potato races still popular among the youngsters. Armed with a spoon, they hid themselves back and forth, narrowing down to a thrilling finish.

Singing of Auld Lang Syne brought the curtain down on a very enjoyable ladies night.

Prize winners among the different features were Mrs. Slaybaugh, Miss Berryman, Mrs. Gillan, Mrs. Wine, Mrs. Royer, Mrs. Lloyd & Mrs. Trusler.

President Frank had earlier in the evening given the address of welcome to the following members and guests: Col. Robert A. Hutchison; Mrs. M. Elizabeth Wine; Mr. and Mrs. O. D. Waters; Mrs. John Slaybaugh; Mr. and Mrs. G. Raymond Ratcliffe; Mr. and Mr. R. Jackson Ratcliffe; Mr. and Mrs. J. P. Royer; S. H. Duncan; Nancy Parrish; E. G. Parrish; Ellen A. ## CATHARPIN

Mr. Robert Lee Anderson passed away, Nov. 1, 1941, at his home near Catharpin, on the farm of Miss Ora Halslip whose farm he had managed for several years.

Although he had been in failing health for a few years, he had remained as active as his condition allowed, and his death came as a great shock to his family and friends.

Mr. Anderson was born August 16, 1876 near Gainesville, Va., and was the son of the late Serra and Chloe Ann Anderson.

He was married Sept. 3, 1903 to Miss Palma Lynn Mayhugh. Besides his wife, he is survived by four daughters and one son: Mesdames Claude Ellicott and W. C. White and Mr. Macon Anderson of Washington, D. C., and Misses Dora and Mary Anderson at home; six grandchildren; one brother Mr. Archie Anderson of Somerville, Va.; two sisters: Mrs. Mary Davis of Stone House community, and

Mrs. Lillie Beach of Haymarket, and a number of nieces and nephews among whom is Mr. Selma Mayhugh who has made his home with Mr. Anderson for several years.

The casket was borne by his friends and neighbors Messrs Charles Akers, Luther McIntosh, William S. Brower, J. Worthington Alvey, Luther L. Lynn and L. Jett Pattie. The beautiful flowers bore the messages of love and sympathy for the bereaved family.

Rev. Clark H. Wood delivered an excellent sermon at Sudley Sunday morning, for the text Psalm 1:3 "And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season."

Mr. Peter B. Beach, who was re-

cently elected Charge Lay Leader, was present and made an excellent address. He also accompanied Rev. and Mrs. Wood to Fairview where they were guests of Mrs. Ora O'meara and Mr. and Mrs. Stonewall O'meara at dinner before conducting services in the afternoon.

Mrs. Robert Anderson and her daughters, Mrs. Claude Ellicott and Miss Mary Anderson, have been under the doctor's care during the past week. Many others throughout the neighborhood are suffering with severe colds.

**THE GRASSHOPPER SQUADRON**  
Between the Army's "Grasshopper Squadrons" and the plan of the office of Civilian Defense soon to be announced for tapping the nation's reservoir of private plane pilots, the light "cub" type plane appears destined for a major role in national defense.

Of these "putt putts" most of the nation's 90,000 pilots with private licenses learned to fly an equal number, it has been estimated, will qualify by next spring. The part these aerial flivvers are expected to play in the Army setup is outlined in an illustrated feature article appearing next Sunday in the Washington Sunday Star.

Don't cuss out that furnace, Mister. Maybe it hasn't been fed right—maybe it's unhappy! Next time you order coal ask your dealer about coals mined in the rich fields along Chesapeake and Ohio, for this area produces as nearly perfect a fuel as can be found. Your dealer will tell you which of these All-Purpose coals will solve your particular heating problem best!

Since 1932 the railroads and the Pullman Company have spent more than \$78,000,000 for the air-conditioning of passenger equipment.

If all the boiler tubes and other obstructions were removed from one of the largest locomotives in operation in this country an automobile could be driven through with room to spare! Fireboxes in these huge engines are 9 feet wide and 22 feet long—almost as big as your living room!

The earliest railroads in this country were built of wooden rails capped with thin "straps" of iron to provide a smooth running surface. These were called "strap-rails." Solid iron rails were imported from England as early as 1831 but it was not until 1865 that steel rails were manufactured in the United States.

It's a treat to eat in the Tavern Cars aboard Chesapeake and Ohio's through trains. Delicious meats, fish and fowl... tasty fresh vegetables... assorted breads and tempting desserts... all cooked and served in Southern Style—at friendly prices!

The railroads own and maintain some 370,000 buildings, from watchmen's shanties to huge modern terminals!

You can always count on the Chesapeake and Ohio Lines for careful, efficient, on-time freight service—no matter what you ship!

## I Like This Book

One of a series of book reviews by students of Osbourn High School, Manassas—Session 1941-42 in competition for the W. C. Wagener Memorial Prize.

### "IN HIS STEPS"

"In His Steps" by Charles M. Sheldon was published by the John C. Winston Company in 1937. It is a widely read book and is written in several different languages.

Mr. Harry Maxwell, pastor of the First Church of Raymond, was an excellent preacher. One Sunday, just at the close of the sermon, when the congregation had finished singing "Where He Leads me I Will Follow," a strange man came from the back of the church. He was a very poor man who had had many troubles. He said, "What do you Christians mean by following in his steps?" Then he fainted.

Mr. Maxwell took him to his home where, a week later, he died. However, his words remained as a problem in the mind of the pastor.

The next Sunday the sermon was very different from any other sermon that the Rev. Henry Maxwell had ever preached. He closed his service with "I want volunteers from the First Church who will pledge themselves earnestly and honestly for an entire year not to do anything without first asking the question, 'What would Jesus do?'" After asking that question, each one will follow Jesus as exactly as he knows how, no matter what the results may be." Among the fifty who volunteered were Rachel Winslow, who had a beautiful voice, Virginia Page, who had thousands of dollars, Edward Norman, editor of the "Daily News" and several others who were prominent business men.

It is interesting to see how all of the characters change plans. Edward Norman decides that Jesus would not print a newspaper on Sunday, Virginia Pages uses her money to help fix up the slums. The people of Raymond were influenced by this question and more and more people signed up to keep the pledge. Soon the word spread throughout the country.

One Sunday Dr. Bruce, Bishop of Nazareth Avenue Church of Chicago, went to Raymond and there he decided to put the question of "What would Jesus do?" to his church members. To his joy a large group signed the pledge. They helped to fix up a center to teach the people about Christ. The study of this great question changed not only the preacher's life but those about him.

This book is very interesting. It may be borrowed from the Ruffner-Carnegie Library.

### THOMAS S. GULICK

Thomas Sanford Gulick, aged 54, a resident of Washington, D. C., was buried in Arlington Cemetery on September 29th, following a heart attack.

Born in Manassas, he left here when still a boy in his teens and located Washington. During the World War he served overseas with Company K, 82nd Division. After the War he married a Miss Gladys

Pidgeon, of Pennsylvania, who survives him. Also surviving him are a sister, Miss Effie Gulick, of Washington, Gulick, of Savannah, Ga., and Joseph Gulick, of Chevy Chase, Md.

Fraternally, he was affiliated with the Bethesda Post, American Legion, Knights Templar, Almas Temple, Order of the Mystic Shrine.

Although he had been away for years, Mr. Gulick never lost his affection for his native heather. Being the War he married a Miss Gladys prominently connected with families

of Northern Prince William and Loudoun County, there were many distant kin to mourn his loss, besides the many who knew him and admired him personally.

During the many years he resided in Washington, he built himself up in the lumber business and was widely known in the Capitol City.

## Bombers Must Breathe

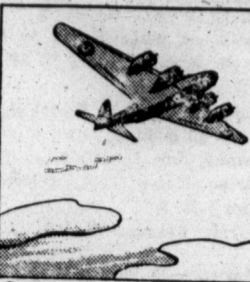

Today American-made bombers can fly at the unbelievable height of six miles. Here is the story of the small but all-important device that helps make stratosphere flying possible.

1. It started on Pike's Peak in 1918, where Army Air Corps engineers showed that an airplane engine could be made to run efficiently 2 1/4 miles above sea level.

2. This amazing feat was possible because a "turbocharger" developed by the Army Air Corps and G-E engineers—pumps extra oxygen into the carburetors.

3. For 22 years these engineers have worked constantly to improve this vital device. As a result, U.S. bombers can fly above the reach of anti-aircraft fire.

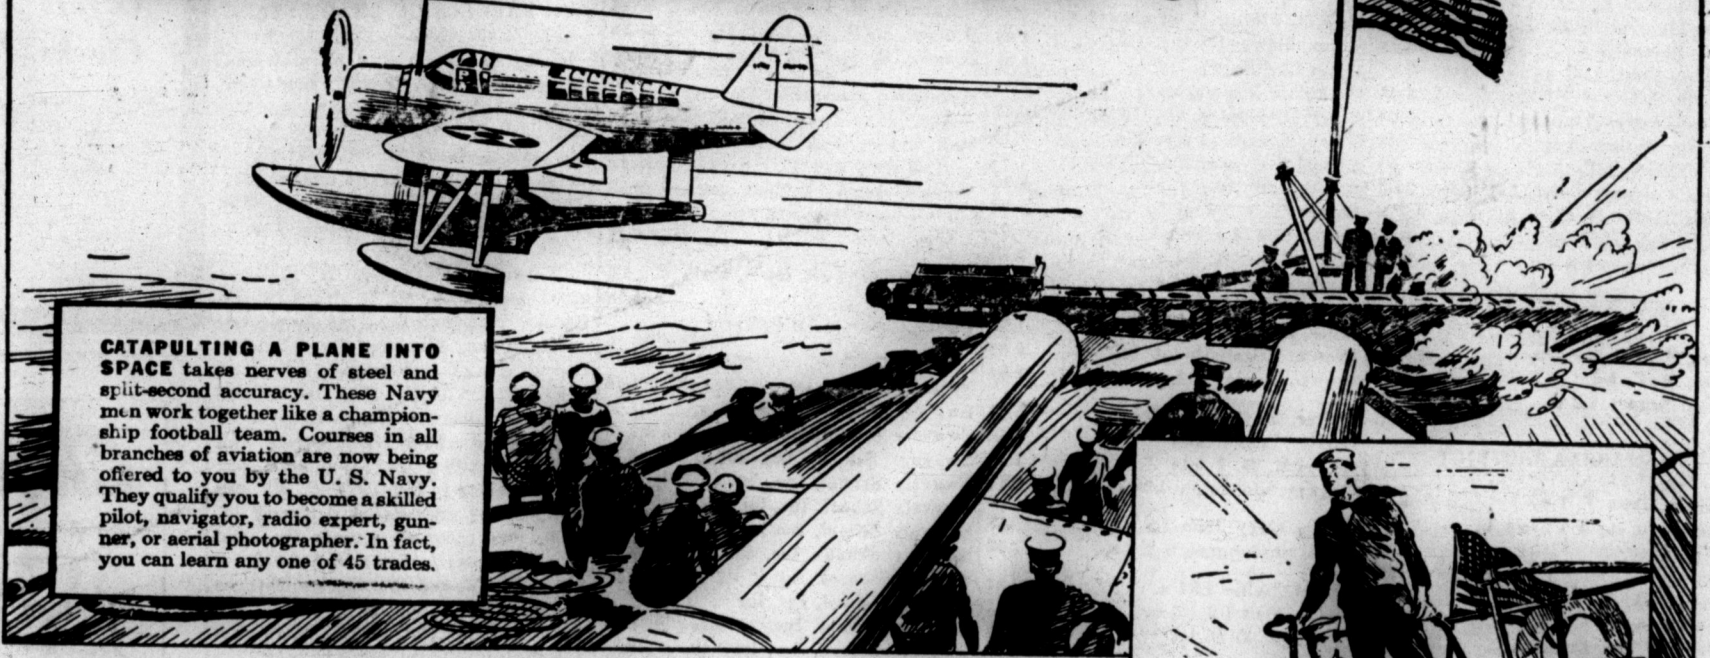

4. Dr. S. A. Moss, G-E engineer who pioneered in this work, now at 69 has the thrill of watching the supercharger help carry our fliers higher than any others!
