

Esso Dealers' air gauges have been checked for accuracy

YOUR ESSO DEALER

can and will help you to make your tires last! He knows that tires 30% under-inflated rob you of one-quarter of your possible mileage. One mile in four! And a recent check showed that nine out of every ten air standards are inaccurate!

So your Esso Dealer has had his air gauge tested and, if necessary, adjusted to give the exact pressure needed. Further, he has a special chart showing the car-maker's tire pressure recommendations for your car. And he'll be glad to give you a ready reference memo card, which shows proper pressures for your tires, both front and back.

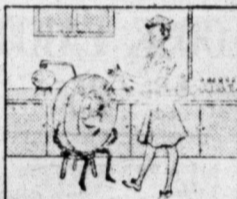

Here are other services that lengthen tire mileage:

SWITCH WHEELS EVERY 3,000-5,000 MILES. If you have no spare, move front tires straight back and shift rear tires to opposite side, in front.

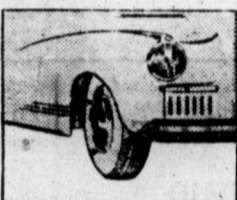

CHECK WHEEL ALIGNMENT PERIODICALLY. Watch for uneven or spotty wear. Tires out of line literally drag sideways at every revolution.

REPAIR SMALL CUTS. Even a tiny cut can work right through and ruin a tire. Have tires examined frequently and repaired.

KEEP WHEELS AND TIRES IN BALANCE. Whenever tire and tube are removed from rim, have wheel balanced again to avoid uneven wear.

BE SURE TIRES AND TUBES ARE PROPERLY MOUNTED. Use proper tools to prevent damaging tire bead or pinching the inner tube.

- HOW YOU CAN HELP:**
1. Refrain from high speed driving.
 2. Accelerate and brake slowly.
 3. Avoid scuffing against curbs.
 4. Never drive on a flat.
 5. Don't get oil or grease on tires.
 6. Let your Esso Dealer check tire pressures at least once a week.

THE EVERETTS LEAVE ST. ANDREWS

One cannot express adequately in a few lines of print what should be expressed when those who have given the best years of their lives to a work, lay down that work to retire. The Rev. William B. Everett, III, and his sisters, the Misses Lelia and Etta Everett, have been the mission at Ada! Mr. Everett, rector of the Parish Church at Marshall, started the work years ago, built the buildings, farmed the land, and with the help of his sisters, taught and trained the people.

There have been many discouragements have come, too, and the Everetts have gone on, always patient and persevering. Now both rector and the two ladies have reached the retiring time, and have torn up the deep roots of a long period of work to move away to a life of a bit more ease and grace. No doubt that uprooting has been hard. It always is. But Mr. Everett has the comfort of the companionship of his very attractive and devoted wife, and the consciousness of a work done well, and we know that wherever these two make their home they will be doing their part in the Church's life.

Miss Lelia is for the present in Marshall, and Miss Etta has gone to Florida to spend the winter with another brother. Here's good health and many blessings to all of the Everetts. The Archdeaconry has much to be thankful for in the lives and labors of these members of its fine staff of workers.

E. E. W., in "Our Mountain Work."

(Ed note—The above is reprinted from the "Virginia Churchman" for February 1942. Those who have been living in the county since before the middle Twenties will recall with pleasure the splendid work that Mr. Everett did in bringing St. George's from a little mission up to its status as one of the leading churches in the county.

From here he went to Marshall where his efforts in stabilizing the mission field at Ada! attracted statewide notice. The mission fair for the hill folk of the "Free State" has long been a recognized institution. No wonder they miss his tender and wise leadership).

CATHARPIN

Dr. A. P. Williams, District Sup't, delivered an excellent sermon at Sunday Church Sunday morning from the text: "I Believe in God." Immediately after the sermon, the session of the second Quarterly Conference was held. A most excellent report was given by the representatives of Gainesville church with all finances paid in full and a splendid program outlined for future work. Fairview church was not represented.

Mr. Charles F. Caton was elected Sup't of Church School at Sudley. Announcement was made of the District Conference to be held at Leesburg, April 21-22, and the following delegates and alternates were elected: Gainesville church, Mesdames C. F. Sinclair and V. M. Ellis; Fairview, Mr. D. S. Allison and Mrs. W. J. Matthews; Sudley, Mr. John S. Triple and Mrs. Charles F. Caton.

After services, a luncheon was served to the ministers and some of the visiting officials before they continued their journey to their afternoon appointments.

Mrs. Bertie Caton and Mr. Emmett Pattie went to University Hospital, Charlottesville, Va. last Thursday for treatment. Mrs. Caton expects to return to the home of her sister-in-law, Mrs. Sara Caton this week, while Mr. Pattie may remain for a longer period. Owing to ill health, Mr. Pattie has recently discontinued business at Catharpin, and has generously given us the use of one of the rooms of his store building to serve as Observation Post for the U. S. Signal Corps, and

also as a First Aid Station. At present, the Observation Post is being manned by the women of the surrounding neighborhood in the day, while the men are keeping the night watches. Every citizen is anxious to do his part.

Many cases of colds, grip, flu, etc. are reported throughout the neighborhood. Mrs. Robert Anderson, Mrs. Edmonia Davis, Mr. Walter Downs, Mrs. Jennie McIntosh and little Walter Hoffman are among those on the sick list.

Mrs. Lelia Akers had as her guests during the week-end Mr. Ray Akers, of Washington, Mr. and Mrs. Wade Akers and children of Arlington, Va.

Mrs. Sara Caton, Mr. and Mrs. Charles F. Caton had as their guests for Sunday dinner Mrs. R. A. Collins and Mrs. Fred Collins of Annandale, Mr. and Mrs. Peake and daughter, Corinne of Haymarket.

Master Billy Brower, young son of Mr. and Mrs. William S. Brower, has recently been quite ill as the result of a prolonged nasal hemorrhage.

Mr. R. A. Collins has gone to Chicago to visit his brother, who is quite ill. His grandson, Edward K. Collins is now in training at the U. S. Naval Station, Chicago; while Arthur (better known as "Tippy" to his former school mates) Collins is now a cadet in the Air Corps at Davis.

Monahan Field, Tucson, Arizona. Both of the young men are sons of Mr. and Mrs. Max Collins, of Triangle, Va.

Miss Bertha Pattie is spending this week in Washington visiting friends and relatives.

Mr. D. Hunter Smiley and his bride of Washington visited his farm here Sunday.

Citizens of Gainesville District are distressed to hear of the illness of Miss Mildred Ewell at Leesburg Hospital. Miss Ewell has always been so active in every good cause for the benefit of church, home and community, and her wide and varied intelligence citizen.

An effort is being made to establish Home Nursing Courses in Gainesville District. Every one is most cordially invited to join these classes.

Mrs. Sue Swart is spending sometime with her grandson, Mr. Max Collins, Jr., and his wife, who have recently rented a home on Manassas-Centerville Road while Mr. Collins is employed in the Navy Yard in Washington, D. C.

Friends of Rev. and Mrs. John S. Schwartz will be interested to know that Mrs. Schwartz is a patient in Frederick County Hospital, Frederick, Md. We are hoping for her complete and rapid recovery.

STAR IN FILM ABOUT WAR'S GREATEST STORY

Played against a background of bomb-wracked London in September, 1940, "Confirm or Deny" is the thrilling story of a newspaperman who gives up the scoop of a lifetime for love of a girl.

Don Ameche is starred as the Yankee news scribe, representing a large American syndicate in London. Playing opposite him is Joan Bennett in the role of a courageous and lovely English girl whose loyalty to her country surpasses her love for the Yank.

A top notch supporting cast includes Roddy McDowall, as the plucky English lad who scoops the world; John Loder as the British censor fighting the war's strangest battle 300 feet underground, and a host of others including Eric Blore, Raymond Walburn and Arthur Shields contribute an exciting performance.

"Confirm or Deny" was directed by Archie Mayo and produced by Len Hammond. The story was written by Henry Wales, internationally noted foreign correspondent, and Samuel Fuller. It is 20th Century-Fox's salute to America's heroes of "front line" news!

MR. ROOSEVELT'S ADDRESS

An anxious world awaited the President's radio address last Monday evening. Uneasiness prevails throughout the country. We fear worse things to come and hoped for assurances from our Commander-in-Chief that the most powerful nation in the world is not really to be mauled around by a much smaller oriental empire. But those assurances did not come and the prevailing uneasiness has not been materially assuaged.

And somehow as we listened to that address the picture arose in our mind of another patriotic and eloquent leader of a mighty nation—a figure now quite pathetic, but then heroic, who made a truly great, but futile effort to further fantastic "social gains," while at the same time maintaining the military might of his country. He believed, undoubtedly with sincerity, that only social evolution could prevent political revolution.

The student of the first world war will recognize the picture as that of Alexander Kerensky, of Russia, who made an almost super-human effort to keep his country in the war, while at the same time advancing the "social gains" demanded by the working men's committees, which, after taking over the management of production in the factories, at last overthrew Kerensky, extended their soviet system of control to the army, reducing all officers to the ranks and electing their leaders from the untrained and inexperienced proletariat.

Military collapse was then followed by bloody revolution, wholesale executions and all of the fearful aftermath from which emerged the present Soviet Republic.

There is a shocking parallel between the political and military events in Russia a generation ago and what seems to be happening in the United States today, where we are witnessing a grim and determined effort to attach all sorts of socialistic

Two reasons why a Checking Account is

MORE IMPORTANT

THAN EVER BEFORE

War has added two new reasons to the already lengthy list of arguments in favor of Checking Accounts:

1. **SAVE TIME.** The war program calls for all the time we all can spare. Checks eliminate waste motion, make for efficiency.
2. **KEEP RECORDS.** New, high taxes require accurate records so that you can compute your correct tax payment. Checks provide a permanent, accurate record.

SILVER WEDDING

ANNIVERSARY

Mr. and Mrs. Francis Montgomery Lewis entertained over two hundred guests last Saturday evening at "The Retreat" their home on the Wellington Road in celebration of their twenty-fifth wedding anniversary.

Many local residents and out of town friends enjoyed the hospitality of the Lewises who received from 5 until 9 p. m. Assisting the host and hostess were their daughters, Miss Cornelia Lewis and Miss Harriet Lewis, Mrs. Lewis' sisters, Mrs. Noel Lynn of Manassas and Mrs. I. L. Shacklett of Washington, Mr. Lewis' sister, Mrs. C. K. Moffett of The Plains, Mrs. J. F. Lewis of Covington, Mrs. Florence Gue and Mrs. James Hugh Payne of Manassas.

projects upon Civilian Defense; where we see the right to strike in defense factories sustained by the government which is engaged in a life and death struggle for existence; where we see the man in the trenches paid a dollar a day, while the man in the shop gets a dollar an hour; where fan-dancers are offered defense jobs at salaries commensurate with that of an army general fighting for his life on foreign soil; and where we see the same kind of "working-men's committees" which Russia had, but which we call trade unions, exacting from workers a greater assessment of wages than the government takes as income tax and making no accounting to the government.

THE GLASS-WRIGHT-PARKS BILL

We congratulate the authors of a bill just introduced in the State Senate which require every candidate for Federal, State or local office to sign an affidavit that he or she belongs to no subversive organization.

This is a very important proposal. It is not illegal to be a Communist. It is a very nasty thing to be, but the Communist Party is a reorganized political group, and until it is finally outlawed, it has a place upon our national, state and local ballots. However, it is a definite offense, punishable by law, to commit perjury. Thus the Glass-Wright-Parks proposal puts the Reds right on the spot. If they admit membership in subversive organizations they cannot possibly be elected anywhere in Virginia, and if they lie they can be put in the calaboose, where they belong anyway.

It would hardly seem possible that any substantial opposition should develop against this patriotic measure, but Communism has spread its poison deeply in Virginia. Indeed so much opposition is arising that there is even some possibility that the Reds will win out-as they did when they secured Governor Price's veto of the American Legion bill forbidding the use of public buildings by those who advocate overthrow of our government.

WE STILL HAVE LAW IN VIRGINIA

All patriotic Virginians rise to congratulate Judge J. L. Almond, of Roanoke who last week, in no uncertain terms, told a labor union in that city where to get off.

Speaking directly to a representative of a teamster's union which was interfering with shipments of defense materials, Judge Almond said:

"There is evidence from credible sources that you have been interfering with the operations of the truck depot under the decedral protection of this court, and as a result of this violation interests to the national defense of this country have been interfered with. Insofar as this Court has power it will not tolerate from you, your union or any other union violation of its decrees."

EDITORIAL

(Continued from page 1)

Judge Almond emphatically added that any violation will be dealt with severely.

This incident explains why Labor has set up all kinds of mediation boards to handle their nefarious activities. When they land in Court they are required to respect the constitutional law of the land and they do not like any such restrictions.

BRASS-HAT INSOLENCE

Commenting on the State Senate's adoption of the Brock resolution condemning the racketeering practices of a labor union at the new Army camp that is being constructed at Blackstone, Lieut. M. C. Fox, Army area engineer in charge of construction, said yesterday: "We're trying to get this job done the quickest way we can, and we'll continue to do it the best way we know how." The union has been charging workers seeking employment a fee of \$42 for a chance at a job under a preferential agreement with the contractor.

Lieut. Fox's remark can best be described as an example of brass-hat insolence that reflects no credit upon the Army. For a Federal official, engaged in an operation in Virginia, to flout his disrespect in the face of the State Senate is not likely to raise him or his kind in the esteem of the people of Virginia or to render the inquiry of this union hold-up any more tolerable to them. But responsibility for this situation does not rest primarily with this Army engineer. It rests with the Petersburg union and with the contractor, who, we assume, operates under a State license.

ROUT OCCOQUAN 26-3
(Seventh Wins Against Two Defeats)

The Yellow Jackets of Osborn High added another victim to its win column in drubbing Occoquan High 26-3 on the Haymarket Court Tuesday evening.

The Junior Varsity started the game scoring 4 points while holding their opponents scoreless the first quarter. The first team took over in the second quarter and ran the score to 11-1 at the half.

The Junior Yellow Jackets continued their hard playing during the third quarter and at the time of their replacement by the regulars the score was 16-8 in favor of the Yellow Jackets. During the final stanza the regulars ran the score to 26-9 in winning their seventh game of the season.

There were no individual stars of the game as each player gave a good performance during his stay in the game.

The Yellow Jackets have a chance to win the division championship and go to Charlottesville to play for the State title during the next week when they meet Warrenton and Washington High Schools.

If the Yellow Jackets win these two games they will be declared the Champions.

The girls team won easily in downing the Occoquan lassies 26-10 with Clark playing her usual stellar game defensively and Ellis and B. Parrish giving the offensive punch.
