## ASSEMBLY NEARS CLOSING PHASE

### Passage Of Retirement Bill By Senate Is Outstanding Act

Entering the last fortnight of the 1942 session of the General Assembly, legislators are now working night and day to clear the decks of some of the most important and controversial matters of the entire session. Penal Reforms, Redistricting, Strikes, Slot Machines, Finances, Liquor bills and many other problems are on this week's calendar.

The Senate Finance Committee has tackled the problem of balancing the State's biennial budget and undoubtedly will be forced to do some drastic "slashing" before it is pared down to the conservative estimate desired by Governor Darden in view of the present war emergency situation.

All five of the important penal reform measures are before the Senate this week—three having already passed the House and two measures have yet to be acted upon by either House. One of these is the all important sheriff salary question. This bill, introduced by Senators Page of Norfolk, Battle of Charlottesville, and Muse of Roanoke, abolishes the fee system for sheriffs and city sergeants and puts these officers on salaries on a scale of which will be paid by the localities and two thirds by the State.

The bill sets the minimum salary for sheriffs at \$1,200 a year rather than at \$1,000, as was in the original bill, but lowers the maximum they may receive from \$7,500 to \$6,000.00.

All salaries will be fixed by the State Compensation Board within certain prescribed brackets—each county and city being in a specified bracket. Among the counties which will be affected by the changes are the following: Caroline, moved temporarily from the \$1,200-\$2,500 group to the \$2,400-\$3,600 group because of the increased duties of the sheriffs due to Army camp area; Greensville and Sussex Counties were also advanced to the \$2,400-\$3,600 bracket; Frederick and Prince George advanced to the \$3,000-\$4,500 and Montgomery advanced to \$4,000-\$5,500.00; Williamsburg was added to the \$1,200-\$2,500 group and Clifton Forge and Charlottesville and Hopewell put in the \$2,000-\$3,000 group. Counties in the very top bracket whose maximum was cut from \$7,500 to \$6,000 are Augusta, Buchanan, Franklin, Lee, Nansemond, Norfolk, Pittsylvania, Rockingham, Russell, Tazewell and Wise. City sergeants affected similarly are those in Danville, Lynchburg, Newport News, Norfolk, Petersburg, Portsmouth, Richmond and Roanoke.

The three penal reform bills which have passed the House and now await Senate approval are: (1) creating the department of corrections (2) establishing a parole board which will divide the State into probation districts (3) abolish the office of constable and transfer his duties to the sheriff. The fifth bill, dealing with penal reforms transfers appropriations from the prison board to the department of corrections and appropriates \$25,000 a year for the parole board.

The Senatorial Redistricting Bill was approved and reported by the Senate Privileges and Elections Committee today and now goes to the floor for vote, while the House Redistricting Bill is also expected to reach the floor for vote before the week is over. Principal changes in the senatorial districts as outlined in the Fuller, Caudill, Vaden bill would give Arlington County and Roanoke City, each a senator of their own. In order to do this following changes are suggested: The present twenty-second senatorial district would be abolished and its counties, Bedford, Rockbridge and Buena Vista would be placed with Bedford in the Fourth District, Rockbridge and Buena Vista in the Twentieth with Boettourt, Craig, Alleghany and Clifton Forge. Bath County would be taken out of the Twentieth and placed with Augusta, Highland and the City of Staunton, in the Twenty-third District. Floyd would be taken from the Twenty-first and added to Carroll and Grayson in the Fourteenth. The Twenty-second District, which would be abolished, is now represented by Senator Holler of Bedford.

Liquor Bills continue to take up a lot of time and interest. Among the 41 bills passed by the House last Saturday were two bills, one of which would prohibit the sale of liquor by drug stores in areas which have voted dry and another bill requiring physicians prescribing liquor to use forms furnished by the ABC Board, and would have to give exact details as (continued on page 5)

### HAYMARKET GIRL TO WED.

Miss Marguerite Latham, daughter of Mr. and Mrs. T. Otis Latham.

Mr. and Mrs. T. Otis Latham of Haymarket, Virginia, announce the engagement of their daughter, Mary Marguerite, to Mr. George Lewis Clemmer, son of Mrs. Harry E. Clemmer of Staunton, Virginia, and the late Mr. Harry E. Clemmer of Swopes, Virginia.

Miss Latham graduated from Mary Baldwin College, Staunton, Virginia, in the class of 1939 and since then has been a member of the faculty of Robert E. Lee High School, Staunton, Virginia.

Mr. Clemmer graduated from the Petersburg High School, Petersburg, Virginia, and Hemphill Diesel School, Detroit, Michigan. He is now employed at the Shenandoah Valley Electric Cooperative, Dayton, Virginia.

No date has been set for the wedding.

## CIVIC CENTER GETS SUPPORT

### Recreational Project Endorsed By Sixteen County Organizations

Representatives of sixteen different organizations in Manassas met in the Town Hall on Tuesday night at the call of the Chamber of Commerce. Rev. R. M. Graham was chosen chairman, and Rev. John M. DeChant was chosen secretary.

The purpose was to consider the possibility of developing a civic recreation center for the community. Sentiment was unanimously in favor of such an undertaking. Those present indicated their willingness to secure financial backing for the project as soon as some feasible plan can be worked out. Several buildings and sites were under consideration as possible locations.

The following committee was appointed to secure estimates on the cost of reconditioning an old building, or erecting and equipping a new structure: O. O. Holler, Chairman, Rev. Stanley Knapp, E. G. Parrish, A. E. Jakeman, and Howard Luck.

Considerable enthusiasm was displayed for this project, and a number of pledges of financial support were given. A meeting was called to be held in the Town Hall on Saturday, March 14, at 8:00 P. M. when the above committee will make its report. All the organizations of the community will be requested to send representatives to this meeting.

### BIG SNOW HITS VIRGINIA

Although northern Virginia received a generous measure of precipitation in the form of rain, with only a little snow, other sections of the State experienced heavy winter this week, particularly in the southwest where 30 to 34 inches fell, blocking highways and disrupting bus and automobile communication. Old-timers over there are quoted as saying it was the worst storm in thirty years. Thus, since March may be considered as having come in like a lion, we may hope for kinder weather in the weeks to follow.

### HE CAN TAKE IT

Senator, Ed Connor is a recognized figure in the halls of the Assembly at Richmond. Likewise he has earned no mean reputation at repartee.

Last week, when arguing the co-op bill, Delegate Ed McCue took a "shot at him, referring to Ed as a "long distance farmer." When our Ed got through with him, McCue knew what the Battle of Bull Run was like.

### ENTERTAIN FOR DAUGHTER'S BIRTHDAY

Mr. and Mrs. Fred Whetzel entertained at dinner on Sunday, March 1st in honor of their wedding anniversary, also the birthday of their little daughter, Faye.

The guests were: Mr. and Mrs. Ollie Collins, Mr. and Mrs. Eugene Worley, Miss Ardis Collins, Mrs. Robert Ballinger and her son, Bobby, Miss Rachel Robinson and Miss Helen Landis.

### WASHINGTON BLACKOUTS

Tuesday evening, beginning at 8 P. M. and extending for 10 hours a blackout was imposed in Washington and adjacent areas, including Alexandria, Arlington and Fairfax Counties.

Government buildings failed to cooperate a circumstance difficult for the average citizen to understand because these premises are likely to be the first objectives of a bombing attempt.

Officials have expressed gratification over the fine cooperation of citizens in their homes, however. In Virginia, where penalties of law are not yet operating, observance of the blackout was especially good.

The idea of the long blackout was to educate folks to the necessity of providing home blackouts by proper screening of windows and doors, rather than by resorting to merely cutting off the electricity.

It is stated that within a couple of weeks another blackout will be imposed. This one, it is said, will be of short duration, with the exact time to be signalled by the new sound devices now installed. The adjacent Virginia area will again respond, although their facilities for adequately sounding the alarm are said to be quite insufficient.

Prince William County is not classified as in the metropolitan area of Washington, and will not, therefore, be likely to join these blackouts unless specifically requested. As a matter of fact, in case of a real air-raid, the War Department will specify the area to be blacked out and then all counties must be ready to respond instantly and effectively.

### WELFARE BOARD REFUSED TIRES

A Welfare Board in Richmond has been denied tires. In ruling on the matter Leon Henderson says, "At the present time we are unable to provide tires for such necessary functions as transportation of rural school superintendents and teachers, wild-life and game wardens, forest fire fighters, public health personnel, other than those engaged in law enforcement and many other State activities. No new tires are available for engineers and technicians directly engaged in war production, or for army and navy officers and inspectors."

### TO DISCUSS BOOKS ON WORLD AFFAIRS

The regular meeting of the Woman's Club of Manassas will be held Monday afternoon, March 9, at 2:30 p. m. in the Parish Hall. Mrs. C. C. Lynn, the president, will preside.

The speaker for the afternoon will be Mrs. C. R. C. Johnson who will talk on "Recent Books on World Affairs." The hostesses for the meeting's social hour will be Mrs. William L. Lloyd, Miss Margaret Lynch, Mrs. Charles C. Lynn, and Mrs. A. A. Maloney.

It is hoped that all members will make an effort to attend, as this will be the last regular meeting before the Fourth District Meeting which will be held in Manassas.

### MASTERS TECHNIQUE OF INSURANCE

Miss Sally Proffitt, who has been in Baltimore for some time attending the School of Insurance of the United States Fidelity and Guaranty, returned home last week. Miss Proffitt had attended a term of the insurance school in Washington at an earlier date.

During her stay in Baltimore she completed a study of the entire range of the insurance field; specializing in insurance and suretyship.

Miss Proffitt's diploma is a very attractive addition to the Proffitt Office, and another leaf in the laurel of achievements of Manassas young people.

### BASEBALL MEETING MARCH 18

The Manassas Macs Athletic Club requests the present of all old and new comers that are interested in supporting the local basketball team for the coming season.

The meeting will be held in the Manassas High School Gym. Wednesday, March 18th, 1942 at 8 o'clock.

### BINGO PARTY

The Bennett School will have a Bingo Party in the high school gym on March 13, at 7:30 P. M. Prizes will be awarded and there will be other amusements besides Bingo. There will be refreshments for sale.

### MONTHLY MEETING OF LEGION

Prince William No. 158 will hold its regular monthly meeting on Tuesday evening, at 8 P. M., at the Town Hall. Commander Claude Staggs will preside.

### TIRE THEFT NOW A FELONY

Governor Darden has signed the emergency bill making theft of an automobile tire a felony. Under the so called "Moss Bill" a person guilty of larceny of an automobile tire or tube shall be punished by confinement in the penitentiary for not less than one or more than 10 years, or in jail for not exceeding 12 months and a fine not exceeding \$500.

## DISTRICT U. D. C. MEETS MAY 9

### Twenty-five Chapter To Assemble Here

Mrs. W. A. Newman entertained the Daughters of the Confederacy, Wednesday afternoon at her home on Battle Street. Mrs. Robert A. Hutchison president, was in the chair.

This indeed a busy session. May 9th is the date set for the Fourth District Convention as was announced by the chairman, Mrs. McDuff Green. All

arrangements are expected to go forward under the leadership of Mrs. R. A. Hutchison, Mrs. E. H. Hibbs, Mrs. E. H. Marsteller, and Mrs. Green by virtue of her office as District chairman. Approximately one hundred fifty delegates and guests are expected to attend, as twenty-five chapters compose the District.

Interesting communications were read from Division Officers and standing committees. A letter from Mrs. Park Bolling of Richmond revealed an item of interest having to do with a fountain pen recently found in the Confederate Museum which was used by Governor Lee Trinkle in approving a bill for \$10,000 appropriation for the purchase of the Henry House Farm. Mrs. Bolling suggest, and correctly so, that the pen belongs now to the National Museum recently erected on the Henry Farm.

Miss Annie Mann of Petersburg, Va. sent an outline of her work as chairman of Patriotic Activities with the National Defense and asking that a local chairman be appointed. Mrs. Hibbs had previously been assigned to direct the local activities and made a brief report on tentative plans.

Mrs. Lewis Carper was appointed to represent the Chapter at meetings held for the purpose of formulating plans for a recreational center.

Mrs. Earnest Spittler, Mrs. McDuff Green and Mrs. E. H. Nash participated on the historical program.

Mrs. C. R. C. Johnson reported on U. D. C. book plates now being used as designating gift books to library from the Chapter.

The social hour was enjoyed while the hostess served refreshments.

The meeting in March will be with Mrs. Alvin Compton and her sister, Mrs. Spittler will assist.

Mrs. Clyde W. Rector from Upperville was present.

### ENERGETIC CAMPAIGN AGAINST TUBERCULOSIS

Swinging over from a defense to an active war program, the State Department of Health and the Virginia Tuberculosis Association are collaborating in an energetic campaign to detect and cure tuberculosis among the Old Dominion's industrial workers in vital production areas.

Last year, before the Japanese attack on Pearl Harbor, more than 25,000 industrial workers in Virginia were examined by the health authorities in addition to the regular clinics, according to Dr. I. C. Riggins, examinations were made with X-Ray and when tuberculosis was found it was followed up with necessary treatment and protective measures.

### VICTORY GARDENS

Mr. Paul Cooksey has been appointed local chairman for the victory garden movement.

Mr. Cooksey states that if anyone desires to have a garden this Spring, and has no space for one, to please communicate with him anytime this month.

### MARCH MEETING OF RED CROSS

The regular meeting for March of the Prince William County Chapter, American Red Cross, will be held Friday, the 13th, at 2:30 P. M. in the residence of Mrs. E. H. Marsteller in Manassas.

### Dealers Must Get Certificates

At High Schools March 9 and 10 From 3:30 to 5:30

INDIVIDUALS MAY GET THEIR SUGAR CARDS AT ANY SCHOOL ON MARCH 17, 18, 19 and 20.

Sugar rationing begins in this County on Tuesday, March 17, when cards will be issued to individuals applying at any school, high or elementary, between the hours of 3:30 to 5:30 P. M. Issuance of sugar cards to individuals will continue through the 18th, 19th and 20th.

Dealers must apply for their certificates in advance of the above announced dates. They apply only at High Schools anywhere in the County, and the dates for issuance of dealer's certificates are March 9 and 10, from 3:30 to 5:30 P. M. Dealers only have two days to get their authorizations, while the general public is allowed four days. Just what arrangements have been made for later issuance of certificates to dealers and of cards to individuals is not known at present by this newspaper but will be announced.

As we go to press no information has officially become available as to the amount of sugar to be allowed each individual. One-half pound per week is a suggested possibility.

### OTHER WAR EMERGENCY BULLETINS

The Schools of Prince William will continue opening at 9:30 Eastern War Time to Friday, April 17. On April 20 the schools will resume opening at 9 A. M. Eastern War Time.

The County School Board also announces that it has authorized the placing of fire fighting and first aid equipment in all schools. This includes axes, shovels, picks, buckets of sand, fire extinguishers and first aid kits. Most of these items are now in place and the remainder, largely fire extinguishers will be added as quickly as the necessary purchases can be made.

The county School Board also announces that it will elect principals and teachers, now in service, at its meeting on April 1.

The School Board has purchased a supply of flags adequate to be sure that flags in good condition will fly every day at all schools.

The State Superintendent of Public Instruction has called a regional meeting of Division Superintendents to be held at Charlottesville next Thursday and Friday, March 12 and 13 to consider policies and plans to adapt the public school system to the war emergency.

### PASTOR ADDRESSES KIWANIS CLUB

Rev. John A. Newman, pastor of the Nokesville Methodist Church, was present as the guest of E. G. Parrish at the regular meeting of the Kiwanis Club last Friday evening.

His remarks were chiefly directed at the wonderful good accomplished by the Club in its underprivileged child work. His remarks were thoughtful and demonstrated the idea of giving to humanity instead of trying to take something away.

Robert (Bobby) Davis was initiated as a member of the Club, OD applying the instruments of torture, OD is one of the old relics on this job and usually lets his patients by rather easily and leaves a very good condition in their mental framework as to the aims and ideals of Kiwanis.

A sad note came in the resignation of "Bish" Gibson, a charter, who has ended his active work in Dettingen Parish, and is moving to Greenway Downs, near Falls Church.

On Thursday of last week, five Kiwanians journeyed to the Hotel Mayflower in Washington, headed by President Ernest and Chairman of the Interclub committee, Col. R. A. Hutchison. President "Marty" Wiegand, of the Washington Club, and his cohorts had some very fine entertainment on hand for their guests, not the least of which was an up-to-the-minute talk by resident of the Capitol District Zinn. As previously announced in the Journal, the International President was expected but failed to make his appearance, sending his regrets.

**POTOMAC PASTORS MEET**

The Pastor's Conference of the Potomac Baptist Association met in the Manassas Baptist Church on Monday of this week. The meeting was opened at 10:30 a. m., by the President Rev. E. H. Puryear of Arlington. Rev. W. W. Anderson, of First Church, Alexandria led the devotions. Rev. Chas. Caulkins, of the Leesburg Church delivered the address of the morning, using the topic, "Worship." After the very fine fellowship of this meeting the ministers adjourned for lunch.

At 1:30 p. m., the ministers and the members of the Acting Board of the Potomac Association assembled in the church again. Colonel Robert A. Hutchison, moderator, opened the meeting and Rev. Ryland T. Dodge, of Temple Church, Alexandria, led in prayer. Reports of applications from mission churches were read and discussed and the appointment of an Associational Superintendent of Sunday School work was made. Rev. Herbert Reamy, of Triangle Church was appointed.

It was announced at this meeting that Rev. R. M. Graham, of Manassas Baptist Church, had been appointed to represent the Association as a member of the Virginia Baptist Board of Missions and Education. Rev. J. P. Gully, of Del Ray Church, was announced as the member at large to serve on the Board.

The Acting Board adjourned at 5 p. m., to meet again on the first Monday in May, in the afternoon following the pastor's conference in the morning.

## IN MEMORIAM

In sad but loving remembrance of our devoted husband and father, Edgar M. Cornwell, who passed away one year ago, March 5, 1941; also our brother and son, Harry Cornwell, who passed away October 7, 1942.

Today recalls the memory  
Of our loved ones laid to rest  
And those who think of them today  
Are the ones who love them best.

Rest in peace your work is ended  
Sweetly sleep your race is run  
Both have gone where those who  
loved them.

Soon we're coming one by one.

## BRETHREN YOUTH CONFERENCE

The Brethren young people of the Eastern District of Virginia will meet in their quarterly Round Table Conference at the Nokesville Church of the Brethren on Sunday, March 8 from three until nine P. M.

Leaders of the Conference are: President Paul H. Bowman of Bridgewater College; Rev. Stauffer Curry, Executive Secretary of the Southeastern Regional Council of Boards, of Bridgewater, Virginia; Rev. A. J. Caricofe, Pastor Church of the Brethren, of Vienna, Virginia, and District Director of Young People's work; Hiram Zigler, a high school teacher from Mineral, Virginia; and Rev. Olden D. Mitchell, Pastor of the Nokesville Church of the Brethren.

The afternoon session of the Conference will be devoted to registration, forum discussion groups, an address by Dr. Bowman, and recreation. Following the fellowship lunch period at six o'clock, there will be a business session, and "singspiration." The evening message will be given by President Bowman in the service beginning at eight o'clock.

In connection with the Youth Conference there will be a District Children's Workers Conference, meeting at the same time. Leaders for this Conference are: Mrs. Paul H. Bowman of Bridgewater, Va., Regional Director of Children's Work; Mrs. Manola Miller of Vienna, Virginia, District Director of Children's Work; Mrs. Newton Poling of Stanardsville, Virginia, Assistant District Director of Children's Work; and Mrs. E. S. Hooker and Mrs. Fred Shepherd of Nokesville.

The children's workers and teachers will meet with the young people for both the afternoon and evening messages by Dr. Bowman. Though both of these Conferences are planned especially for the Church of the Brethren, a cordial welcome is extended to all who care to attend.

## IN MEMORIAM

In loving memory of our Mother, Kate Waston, who departed this life five years ago today, February, twenty-third, nineteen hundred and thirty-seven.

February brings sad memories of our Loved one gone to rest.  
You will never be forgotten by the ones who loved you best.

Some where back of the sunset  
Where loveliness never dies  
She lives in a land of glory  
With the blue and the gold of the skies.

And we who have known and loved her,  
Whose passing has brought sad tears,  
Will cherish her memory always  
To brighten the drifting years.

Her children,  
Louise, Boyl Willard,  
Franklin and Gertrude.

## Edison's Ideas Go to War

American scientists and inventors, many of them working in the laboratories of America's industry, will play a big part in helping to win the war.

1. Thomas A. Edison, born 95 years ago on February 11, was one of America's greatest inventors. In addition to his famous lamp...

2. ... he built the first of America's electric power systems, and discovered some of the principles which other scientists used to give us the radio.

3. Today electric light, electric power, and radio—so much improved that Edison wouldn't know them—are performing many vital tasks in America's war effort.

4. And scientists throughout the nation in laboratories like the G.E. Research Laboratory, are working, as Edison once worked, to bring victory.

## CENTURY OLD COLORED WOMAN DIES AT ILDA

Mary Catherine Johnson, a former slave, died at the home of her son at Ilda on the Lee-Jackson Highway Monday last the 16th instant at the ripe old age of nearly 101 years. Her funeral took place Thursday the 19th from Mt. Pleasant Baptist Church near Annandale, the Rev. Milton Shepherd conducting the services. She was buried in the church yard.

She was born May 9, 1841 on the plantation of Peter Lacey, Esq. in Goochland County, Virginia and at the end of the war moved with her husband, Thomas Johnson, to the neighborhood of Ilda, where she has lived ever since. Since the death of her husband she has lived in the same house, built in colonial days, with her son, Walter Johnson, a highly respectable colored citizen of Fairfax.

Her father was said to be a full blooded Indian, probably of the Pamunkey tribe, and her mother was of negro blood. Besides her son with whom she lived, she leaves three daughters, 28 grandchildren and 21 great grandchildren.

Two of her youngest grand-children are attending Hampton Industrial School and one grand son, James, formerly chauffeur for Mr. Francis Pickens Miller, is now in the army. He is a member of the too-rated negro regiment on duty in New York City guarding the water front. About a month ago the newspaper P. M. in an illustrated article about this company printed half page full-length picture of James fully equipped, as a typical negro infantryman on duty guarding the waterfront.

C & P PHONE COMPANY TO INSTALL LARGEST P.B.X. SYSTEM

Lloyd B. Wilson was reelected president of the Chesapeake and Potomac Telephone Company of Virginia by the Board of Directors at the regular monthly meeting held in Richmond on February 27.

Other officers elected were John A. Remon and Lloyd M. Griffin, vice presidents; Philip O. Coffin, vice president, secretary and treasurer; Ralph A. Van Orsdel, vice president and general counsel; Franklin H. Kenworthy, general auditor; Robert C. McCann, vice president and general manager; A. P. Gompf, chief engineer; Arthur L. Lambdin, general commercial manager; V. B. Fitzpatrick, general plant manager; W. H. Trannell, general traffic manager; and R. W. Michie, auditor.

Expenditures amounting to \$1,000,000 were approved by the directors for the construction of telephone plant and installation of equipment in the state of Virginia.

Of the amount authorized, \$1,315,000 will be required to provide for a private branch exchange system to serve the new building now under construction for the War Department in Arlington County, Va. and for cable facilities to connect the system to the telephone company's plant. According to officials, this private branch exchange will be the largest ever installed.

About \$85,000 was appropriated for additions to central office equipment and more than \$426,500 will be spent for additional cable facilities needed to keep pace with the demand for telephone service in a number of locations.

## Learning To Fall Down

The ambition of the young men shown above is to learn to fall down properly. They are embryo parachutists in the U. S. Army and the tumbling they are doing here is part of the hardening and suppling process they undergo before they qualify as Expert Parachutists by making jumps from airplanes with their 'chutes. The Army is now enlisting men between 18 and 30 years of age directly for the parachute troops from civilian life. This is a great opportunity for adventurous young men.

## LAST CALL FOR FARM MACHINERY REPAIR JOBS

Delay in obtaining repair parts may result in broken down machinery remaining idle throughout the period when it is most needed. To get priorities on the metals, manufacturers must know how many repair parts will be needed, and this they cannot know unless orders from farmers are placed and placed now.

## HERE'S WHY UNCLE SAM NEEDS OUR SCRAP METAL NOW

1. A medium tank requires 18 tons of scrap metals.
2. A 35,000-ton battleship requires 9,000 tons of scrap metals.
3. A 3-inch aircraft gun requires 3 tons of scrap metals.
4. A 16-inch shell requires half a ton of scrap metals.
5. A 50-calibre machine gun requires 50 pounds of scrap metals.
6. A 2,000-pound aerial bomb requires 800 pounds of scrap metals.
7. A 75-mm Howitzer requires half a ton of scrap metals.

If your scrap pile could talk, it would ask for a ride to town so it could help win the war. The need is urgent! For Victory, we are asked to put scrap iron into channels where it can be used now!

## Cheap at Twice the Price

The lunch one of America's industrial soldiers is about to attack in this picture costs eight cents! You don't believe it? American Red Cross nutritionists proved it in a recent demonstration at Springfield, Mass. They fed workers the proper foods for increased efficiency. One menu—beef, steak, pickled beets, wholewheat bread, peaches, ginger cookies, milk and coffee—is the cause for the satisfied expression of Worker Vernon T. Fox.

## CATHARPIN

Much sympathy is felt for Mr. John S. Tribble of "Catharpin" who recently lost by death both his mother, and father. Mrs. Tribble died quite suddenly January 3, while Mr. Tribble passed away February 22, after an illness of some duration. They were residents of Essex County, Va.

Mrs. Jennie McIntosh, Mr. and Mrs. Luther J. McIntosh spent Sunday with the former's sister-in-law, Mrs. James Utterback, near Haymarket.

Mrs. Augusta Webb, who is now employed in Washington, spent the week-end with her mother, Mrs. Etta Lynn.

Rev. and Mrs. Clark H. Wood, Mrs. Sara Caton, Mrs. Edgar Connor, Miss Mary Currell Pattie and Mr. Lee Pattie are among those who went to Charlottesville during the past week to visit Mrs. Bertie Caton and Mr. Emmett Pattie both of whom are patients in the University Hospital. Both are receiving treatment and are quite comfortable and Mr. Pattie may undergo an operation where his general condition is improved.

We are happy to learn that Miss Mildred Ewell is improving rapidly and may soon be able to return to her home from Leesburg Hospital.

Mr. Walter Downs continues to be quite sick.

Almost the entire family at the home of Mrs. Jordan Hoffman have recently been ill with the flu.

Mrs. Artemus Smith, who recently underwent an operation at Doctor's Hospital, Washington, is now visiting her daughter and son-in-law, Mr. and Mrs. John Boone while convalescing in that city.

Miss Muriel Ellison of Washington recently visited her mother and father, Mr. and Mrs. Will Ellison.

Mr. and Mrs. J. E. Kidwell and daughters Miss Bessie Kidwell of Wellington and Mrs. H. A. Matthews and Mr. Matthews of Washington were callers at the home of Mrs. Jennie McIntosh Sunday evening.

Mr. and Mrs. Everett Boothby of Washington spent the week-end with Mr. and Mrs. J. M. Young at "Aakwood."

Mother: Hurry up with your primping, daughter. Supper's waiting.  
Daughter: I just can't help admiring myself since I've been eating Larro Dairy Feed. I know my looks have improved—and I've no digestive troubles now!

## BLACKOUT PREPARATIONS

It is becoming increasingly important for all citizens to make suitable preparations to "black-out" their homes and places of business at a moment's notice. It is not sufficient that they merely pull the switch. They should have a room or rooms in readiness where on the shortest notice the regular routine affairs of the household can proceed without letting any light be exposed to the outside.

Governor Darden has issued a Civilian Defense executive order directing that immediate steps be taken to black out all lighting which cannot be extinguished at a moment's notice. His order applies specifically to the metropolitan areas of twenty-seven Virginia cities specifically mentioning Alexandria, Arlington County and Fredericksburg in this section and no doubt the order will be enlarged as Civilian Defense proceeds under the new law.

This week Fairfax Arlington and Alexandria experienced a 10 hour blackout by virtue of their location in the metropolitan area of Washington. The results are said to have been highly gratifying but it is stated that too many citizens complied by merely cutting off their electricity.

There is a growing belief that this area is definitely in a danger zone. It will probably become necessary in the months to come to "blackout" our homes quite often and for lengthy periods. The sooner therefore that we all fix up at least one room in the home where family life may go on uninterrupted by the necessary blackout periods the more quickly we will be doing our part as non-combatants in this war.

## Two reasons why a Checking Account is

## MORE IMPORTANT

## THAN EVER BEFORE

War has added two new reasons to the already lengthy list of arguments in favor of Checking Accounts:

1. **SAVE TIME.** The war program calls for all the time we all can spare. Checks eliminate waste motion, make for efficiency.

2. **KEEP RECORDS.** New, high taxes require accurate records so that you can compute your correct tax payment. Checks provide a permanent, accurate record.

ships. To a land-lubber this looks like inviting trouble, as many labor unions are known to be badly infested with Fifth Columnists and Reds, who could easily place time bombs where at the proper moment they could sink the ship.

A country newspaper is densely ignorant of ships and bombs and other salt-water mysteries but we can't help wondering what kind of Union rules governed the inspection of what was taken off and on the Normandie.

## "OUR RUSSIAN FRONT"

For its value as an object lesson no less than for its interest as a war report, "Our Russian Front" is a film that merits attention from Americans. Foremost among the purposes of this compilation from Russian newsreels edited in the United States and sponsored by Russian War Relief, Inc., is the stimulation of American generosity to help alleviate Russian needs. In addition, the pictorial review of Russia's military and industrial mobilization is expected to strengthen the argument for increased exports of war materials to Russian ports.

But the film can be of another immense value if it shows Americans by example what national alertness and a nationally mobilized war effort mean. Grandmothers and grandfathers, tiny grandchildren, women and girls are fighting the war in Russia. The grandfathers and the children guard the fields at harvest time. The women operate not only tractors but heavy industrial machinery, something American women are beginning to learn to do. The grandmothers knit. In Russia, there appears to be no second line and no behind-the-lines. The front line is a series of ever widening spheres which reach from the heart of the country to the Soviet Army's farthestmost advancing soldiers.

That is what an all-out war has meant for Russia, the only country which has stung the German high command with a major defeat. That is what all-out war must mean to the United States—and to all peoples of the United Nations.

## —CHRISTIAN SCIENCE

"Man" will be the subject of the Lesson-Sermon in all churches and societies of Christ, Scientist, on Sunday, March 8.

The Golden Text will be "Have we not all one father? hath not one God created us?" (Mal. 2:10).

Among the citations which comprise the lesson-Sermon is the following from the Bible: "Know ye that the Lord he is God: it is he that hath made us, and not we ourselves; we are his people, and the sheep of his pasture" (Ps. 100:3).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The Scriptures inform us that man is made in the image and likeness of God. . . . Man is spiritual and perfect; and because he is spiritual and perfect, he must be so understood in Christian Science" (p. 475).

Jenkyn Davies, Mrs. Arthur Sinclair and Mrs. William Taylor.

A large group of young ladies from Manassas, Fairfax, Herndon, Haymarket and Nokesville attended the dance given in honor of the visiting sailors at the gymnasium of the Manassas State Vocational School Saturday night. The dance was sponsored by the Junior Woman's Club and was conducted and chaperoned by members of the Senior Woman's Club, members of the faculty of the school and their wives, and commanding officers.

Members of the Trinity Church choir gave a supper in honor of Mrs. A. Stuart Gibson at the residence of Mrs. Paul J. Arrington on Saturday night. Mrs. Gibson was presented with a lovely silver pitcher as a farewell present.

Mr. and Mrs. Holmes H. Smith and children, Holmes Steele and Patricia Marshall of Richmond were guests at the home of Mr. and Mrs. J. H. Steele for the week-end.

Mr. and Mrs. W. H. Dawson, of Herndon, were Saturday evening guests of Mrs. Kizzie Kite.

Word has been received from Lieut. E. R. Nelson just a very few days ago that he is in good health and safe with the Asiatic fleet. This is good news for all of his friends here and in West Virginia.

Mr. A. A. Hooff is back on the job this week. He has been missed greatly not only at his place of business but at the church and the Kiwanis Club.

Lieut. and Mrs. Raleigh Taylor are leaving next week for Petersburg, Mrs. Taylor's old home prior to his reporting for duty with the U. S. Army of which he is a reserve officer. In peace time, Mr. Taylor is the popular superintendent of Manassas Battlefield Park.

Miss Stella Bryan is at home quite ill.

Dr. and Mrs. Frank Lanahan have returned from a vacation of several weeks in Florida.

Miss Janet Newman and Miss Hilda Moser of Alexandria, Va., spent the week-end here at the home of their respective parents.

Miss Mary Currell Pattie and Mrs. E. R. Conner, Jr., visited their father at the Charlottesville Hospital Sunday.

Mrs. E. K. Evans and Mrs. Rembert Smith entertained the Knit-Wit Club at lunch Thursday afternoon.

Mr. George Dessler spent the past week-end at his home on South Main Street.

Mrs. John Beard is making an indefinite stay with her parents, Mr. and Mrs. G. Raymond Ratcliffe, while Lieut. Beard is stationed at Fort Belvoir.

Mrs. J. Carl Kincheloe and Mary Letitia Kincheloe visited Mr. and Mrs. J. C. Clore at Madison last week-end.

Mrs. Jerome Frampton Jr. of Fredericksburg, Maryland is visiting her parents, Mr. and Mrs. M. J. Hottle and Mr. Frampton will join her over the week-end.

Mrs. V. V. Gillum has returned from a visit to Florida and North Carolina. Mr. and Mrs. J. J. Conner and son, Jesse, Jr. attended the Operetta, The Mikado, given by the Glee Club of Bridgewater College.

## Jap U-Boat Challenge Met by Canadian Navy

WITH the grim war brought to Canada's Atlantic doorway by the operation of enemy U-boats, the staunch men of her Navy have to shoulder a new burden. Looking for trouble, a speedy little corvette (5) races seaward. These waspy ships are doing a superb job in clearing Jap U-boats from coastal waters. Despite the bitterness of cold the officers and men manning these small boats are meeting the test of endurance. An officer (1), speckled with frozen spray, is shown as he shouts above the gale through his megaphone. Below deck are keen men (3) stationed at delicate hearing devices which spot enemy prowlers. A welcome break from the cold vigil on wind-swept decks of the patrol vessels comes when the cook (4) dishes up steaming bowls of hot soup. Back from the dangers of the sea (2), one of the fighting little corvettes lies moored at port, its deck and superstructure heavily laden with ice from the wind-lashed spray which freezes where it lands. Navy officials are frankly puzzled as to how subs are able to operate in northern latitudes at this season. They suspect development of a new "de-icing" apparatus to clear their periscopes and hatches.

## MAMA'S BOY

You say he can't stand the army  
The life is too rough for him,  
Do you think he is any better  
Than some other Mothers boy, Jim?

You brought him up like a baby  
He wont smoke or drink, Is your  
brag,  
If all the others were like him,  
Well, what would become of our  
flag?

You say let the roughnecks do the  
fighting  
They are used to beans and stew,  
I am glad I'm classed with the rough-  
necks,  
Who fought for the Red, White and  
Blue.

You say his girl couldn't stand it,  
To send him with the rest,  
Don't you think she would have been  
glad if he had enlisted,  
When she feels the Huns breathe  
on her breast.

You can thank God the stars in OLD  
Glory,  
Are not blurred with any such  
stains,  
Because there are ten million rough-  
necks  
That carry red blood in their veins.

They go to drills in bad weather,  
Come in with a grin on their face,  
While your darling sits down in the  
Parlor,  
And lets a man fight in his place.

You are right we do smoke and gamble  
But we fight as our forefathers did,  
So go warm the milk for his bottle,  
Thank God, We don't need your  
"Kid."

## ATLANTIC AIR PATROL

Off the Atlantic shores of America, one of the most dramatic battles of the entire war is being fought. It is our campaign to check Germany's submarine attack on allied shipping. In a thrilling story, written and illustrated by a bomber co-pilot, an account is given of how the United States Army Air Patrol operates. Ending with an actual attack on a German submarine, this story appears next Sunday in the Washington Sunday Star.

## "OF CABBAGE AND KINGS"

(By Ruby Lynn Hornsby)

Our vegetable gardens are more important than ever this year. We just arranged to have our little space plowed. Besides furnishing us vitamins they give us a feeling of accomplishing something. I understand our Uncle Sam doesn't want any beginners along this line as they might possibly waste valuable seeds and tools. I doubt if this would apply to any permanent Prince Williamers, tho.

Yours truly just finished that popular novel "Kings Row" by Henry Bellaman. It is really realistic but can't see how they can put it in a movie as written. It would never pass the censors.

I've been told that Uncle Sam is going to register women. Do you reckon they will draft us too for various duties? Makes us feel important.

A labor foreman was hurrying a negro laborer. "Hurry up there boy. Don't you know this job is for National Defense?" Negro laborer, "No, sah! Boss, I done thought dey had dat fence built long ago."

This columnist (If I may be so bold) has one thing in common with her favorite columnist. It is Elsa Maxwell and the thing in common is their figure. Or rather their excess of them.

Here's a tip from one woman to another. It appeared in the Times-Herald but it's so good I'm afraid some of you missed it. There is a new way to save our silk hose. All of us have odd socks tossed around due to the fact their matchmate developed a run. Well hunt them up. There's a little pocket of dye on the market costing very little that you just rinse them in. Presto, two odd socks are now a pair in a lovely new shade.

Remember this is the thirteenth week-end since Pearl Harbor. Hope it means luck.

All romance isn't in books. A friend of mine was relating a true episode to me that struck this romantic gal as being worth telling you. One of the residents of nearby Manassas met his present wife while he was a soldier in France. She was a pretty little French girl, visiting her uncle's restaurant. She couldn't speak English and he couldn't speak French. It took them several months to arrange a marriage, but where there's a will there's a way, so they managed and after the war he brought her home. She kept in constant touch with her people until this war and is heartsick with anxiety; not knowing what has happened to them. They have several handsome grown children, one of which was married in a pretty ceremony in a Manassas church recently.

to the patient's ailment, amount of doses, etc. The druggist could fill the prescription only within five days after it was issued and sell only sealed packages.

The latest liquor bill is one just introduced by Delegate Robert Whitehead of Nelson and sixteen other delegates. This would put a five percent tax on whiskeys and wines. Patrons of the bill say it was introduced to avoid any possibility of eliminating from the State budget the proposed aid to localities for the operation of school buses.

Governor Darden has signed the bill repealing the 10 percent tax on liquor and patrons of the new bill say this will take away from the State revenue for the biennium \$4,200,000. They calculate that a five percent tax should yield \$2,100,000 and would thus balance the budget and take care of the bus subsidy for which a petition is being circulated in the General Assembly.

The Moore House bill restricting the sale of fortified wines to State liquor stores except when served with full meals is still before the Senate Finance Committee, which last Friday approved and sent to the Senate floor for vote a bill which would place a tax of one and one-half cents a bottle on beer selling for more than thirteen cents.

Of interest to motorists are a group of bills which have just passed the House and are headed for Senate approval, including the Goodwin Bill which would refund tax license money to auto owners when their tires can no longer be used; the McCue bill which raises from 14 to 15 the age when a minor may obtain a driver's permit, not to become effective until January 1943; the Humphries-Cchoon-Garrett bill requiring motorists to come to a full stop for school buses loading or unloading passengers and the bill abolishing the State Division of Motor Vehicles and dividing its functions into two divisions, one to be known as the Department of Police and the other as the Division of Motor Vehicles, handling all tax collections.

The House is also considering the possibility of allowing motorists to use permanent license plates for the duration of the emergency in order to conserve steel.

Delegate Whitehead has introduced a bill in the House which would allow trucks containing machinery for spraying purposes only, not to have to purchase license plates if used solely for transporting spraying equipment.

On Tuesday, the Senate passed the Spiers-Louderback-Scott measures allowing pensions to both teachers and State employees. There were no dissenting votes.

On Wednesday, the House passed the Garnishee bill (moss being the

"KEEP 'EM FLYING" HAS  
AUTHENTIC BACKGROUNDS

Heralded as one of the biggest comedy offerings in years, Universal's "Keep 'Em Flying," starring Abbott and Costello, with Martha Raye, Carol Bruce, William Gargan and Dick Foran, in featured support, opens Thursday and Friday, March 12-13 at the Pitts Theatre. The vehicle, produced on a lavish scale, is backgrounded against Uncle Sam's efforts to annually train an additional 50,000 officers for the Army Air Corps.

Merging riotous hilarity with romance, songs and aviation thrills, the offering boasts of a big and brilliant supporting cast headed by Charles Lang and the Six Hits. Made with the full cooperation of the War Department, most of the scenes were photographed at Cal-Aero Academy, Ontario, Calif., one of thirty privately-operated flying schools now under contract to the government.

Abbott and Costello portray air school "grease monkeys," while Misses Bruce and Raye are seen as singing hostesses in a USO clubhouse. Gargan characterizes a civilian flying instructor, while Foran appears as a circus stunt flyer who enrolls in the school in order to be near Miss Bruce. Charles Lang portrays Miss Bruce's brother, a flying cadet. William Davidson is operator of the amusement park that figures in the opening scenes.

patron), which allows a total exemption of \$85 monthly.

The Rosenberg Milk Bill to increase the Milk Board to five members is now before the House.

The small loan bill has been advanced to its last reading before the House.

The House has also passed the bill allowing Boards of Supervisors to apply a tax at trailer camps.

The Fenwick boundary bill has also been reported the House.

TRACY AND HEPBURN

IN "WOMAN OF THE YEAR"

It was inevitable that Spencer Tracy and Katherine Hepburn should some day appear on the screen together, and the union of these two Academy Award winners in "Woman of the Year," which opens next week on Monday and Tuesday, March 9-10 at the Pitts Theatre, provides the screen with a completely refreshing and engrossing photoplay.

With Tracy in a made-to-order role as a newspaper sports writer and the sparkling Miss Hepburn as a sleek and sophisticated columnist on international affairs, the story unfolds the meet-

## Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, cold or acute bronchitis is not treated and you cannot afford to take medicine with any medicine less potent than Creomulsion which goes right to the seat of the trouble and helps loosen and expel your lungs phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends borage seed oil by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you may lose your money back. (Adv.)

## I Like This Book

One of a series of book reviews by students of Osbourne High School, Manassas—Session 1941-42 in competition for the W. C. Wagner Memorial Prize.

**WUTHERING HEIGHTS**  
Emily Bronte

"Wuthering Heights" was written by Emily Bronte and published by Grosset and Dunlap.

This story of the wild moors of England is a very dramatic and appealing narrative. Into it is brought all the fire and emotions of life. There is love, pictured with all its beauty and its ugliness; hate with its terrible cruelty and bitter pathos.

The characters are painted very strongly and vividly. Heathcliff, with his strange vengefulness and passionate spirit, is the main character. Catherine, beautiful, wild, and unstable, captivated and dominated him as no other could.

Heathcliff was brought to Wuthering Heights when he was a small boy. Here he lived his strange, wild life, first as a son, then as a servant, and later as an indomitable master.

The atmosphere and the setting lend to the story of a feeling of eerie truth. The old house, with its weird shadows, is a spectator of all the passions that rage within its walls.

After reading this book one is left feeling strangely shaken and bewildered. It can truly be called the best book Emily Bronte wrote.

"Wuthering Heights may be borrowed from the Ruffner-Carnegie Library.

### A WAR MESSAGE FROM THE TREASURY DEPARTMENT

# IT'S YOUR MOVE NOW

## THE MORE BONDS YOU BUY ... THE MORE PLANES WILL FLY

This Axis War upon us is a matter of life or death for America, your free America! Now, as never before in all our glorious history, our Army, Navy and Marine Corps urgently need planes, tanks, ships and guns!

Literally billions of dollars are needed immediately to produce these and other weapons of defense ... of offense ... and of Victory! They must be produced now! The money must be secured now! Let's do it the voluntary way, the American way, the Defense Bond way!

If we are to smash the enemy out of our seas and blast him from the air over our heads, every dollar you can spare, every dime that is not absolutely required for the necessities of food, clothing, and shelter should be, yes, must be, loaned to your Government!

We must act fast. Start getting your share of United States Defense Bonds and Stamps today. Get them

regularly, day after day, week after week. If you have already bought a Bond, now is the time to get more!

**YOU GET A \$25 BOND FOR ONLY \$18.75**

FACTS ABOUT DEFENSE BONDS—SERIES E	
How Much Do They Cost? You Lend Uncle Sam	Upon Maturity You Get Back
\$18.75	\$25.00
\$37.50	\$50.00
\$75.00	\$100.00
\$375.00	\$500.00
\$750.00	\$1,000.00

When is maturity? Ten years, but you can cash the Bonds at any time after 60 days from their issue date. Naturally, the longer you hold the Bond, up to 10 years, the more money you'll get back. But you'll never get less than you put in.

What's the interest rate? When held to maturity, the Bonds yield 2.9% per year on your investment, compounded semi-annually—you get back \$4 for every \$3.

When should I buy a Bond? Start now; buy regularly. If your company has a Payroll Savings Plan, take advantage of it NOW. INVEST IN SAFETY—WITH PERFECT SAFETY!

Remember—You can start buying Defense Bonds by buying Defense Stamps for as little as 10¢

"More home accidents occur in the low rental groups than in others. This suggests that disrepair of the house and overcrowding are contributory factors. However, in the better type homes, including the thousands of owner-occupied ones, the fatal, near-fatal, and lesser casualties still convict a tremendous number of an avoidable disregard for life and limb.

"Slippery floor surfaces, lack of handrails on cellar steps, absence of protective gates at top of stairs in homes where there are young children, toys left on stair treads, unanchored small rugs on polished floors, poisons in medicine cabinets accessible to children, and the negligent storage of sharp tools and firearms are some of the prominent hazards resulting in home accidents.

"However, in the last analysis the problem boils down to one of reasonable individual care and caution. Falls are the greatest single accident-producer, and carelessness usually is the prime reason for them. Burns also are high on the list, again, usually a question of personal negligence.

"More than 30,000 deaths annually due to home accidents, as well as hundreds of thousands of serious and lesser injuries, cannot be viewed complacently. These penalties chargeable to remediable carelessness can and should be reduced. However, this situation will not be changed materially until the public realizes that home hazards exist and then, through the application of care and caution, attempts to do something about it.

"Such a needless loss of life is to be deplored at any time. ut to permit such a condition to persist in 1942 in view of the national crisis, cannot be condoned. Individual care and personal responsibility must be relied upon to diminish this tragic record."

GEMS OF THOUGHT SERVICE  
UNITY

Men's hearts ought not to be set against one another, but set with one another, and all against evil only.

—Carlyle.

The multitude which does not reduce itself to unity is confusion; the unity which does not depend upon the multitude, is tyranny.—Pascal.

Individuals, as nations, unite harmoniously on the basis of justice, and this is accomplished when self is lost in Love—or God's own plan of salvation.—Mary Baker.

Our doctrine of equality and liberty and humanity comes from our belief in the brotherhood of man, through the fatherhood of God.—Calvin Coolidge.

Whoever, in prayer can say, "Our Father, acknowledge us and should feel the brotherhood of the whole race of mankind.—Tryon Edwards.

Jesus throws down the dividing prejudices of nationality, and teaches universal love, without distinction of race, merit, or rank.—Cecilie.

MARtha SCOTT HAS STARRING  
ROLE IN NEW FILM

Martha Scott and William Gargan play the top stellar roles in the large and impressive cast appearing in Richard A. Rowland's new United Artists release, "Cheers For Miss Bishop," which is slated for its gala premiere at the Pitts Theatre on Wednesday, March 11. This new production, which presents the story of a woman who was sought and loved by three men, was transferred to the screen from the widely read novel by Bess Streeter Aldrich.

The story of "Cheers For Miss Bishop" is set in a midwestern university which opened its doors of learning before the turn of the century. Against this background, the lives and loves, the dramas and romances, the highlights and humors of the chief characters are vividly drawn and interrelated. The heroine of the story, played by Martha Scott, is Ella Bishop and it is through her many dramatic and romantic experiences that the story unfolds with mounting excitement and suspense.

Rowland allotted a lavish budget for the production of "Cheers For Miss Bishop," since the picture required many elaborate sets, very beautiful and expensive costumes and thousands of special properties. Research men worked for weeks in advance of the actual camera work on the picture, and the large property crew who were engaged by Rowland used 7,000 different items (not including things of the wardrobe) to furnish two complete homes, a general store, a university, a hotel lobby, a railroad depot and many other impressive buildings. Each set had to be changed to fit each time period indicated by the script, which meant that each set had to be kept up-to-date in furnishings as the picture progressed.

God reigns, and will "turn and overturn" until right is found supreme.

—Mary Baker Eddy.
