ELECTRIC COOP ENDS FIRST YEAR

Eight Virginia Counties Served By One Power Plant

Today, July 16, 1942, the Prince William Electric Cooperative is celebrating its first anniversary. The Board of Directors consisting of James B. Cross, President; Francis S. Van Doren, Vice President; John M. Piercy, Jr., Secretary-Treasurer; Audrey Kerr and Charles F. Cornwell, together with the superintendent John Y. Roseberry, join in the pledge of bringing more and better service to the cooperative members.

The following is a reprint taken from the April issue of "Diesel Power and Diesel Transportation" which will give the members and the general public some idea of the modern plant located just east of the corporate limits of Manassas.

"When the Prince William Electric Cooperative put into service its new \$200,000 Diesel generating plant, one of the major Rural Electrification Projects of the East was brought a long step nearer completion. Not only does this central station serve the five Virginia counties of the Prince William District but it also supplies all power requirements of the Town of Manassas and the Tri-County Cooperative.

At present, the Prince William has 240 miles of energized line with 207 miles more under construction, while Tri-County has 200 miles energized with 100 miles more in construction.

Located near historic Bull Run, the hub of the system is the large brick and stone power house at Manassas where five diesel engines produce the electric power for the extensive rural areas of northern Virginia, now inhabited increasingly by workers in defense industries. The principal units are three identical Fairbanks-Morse, two-cycle Diesels rated at 360 hp. each at 257 r.p.m. These six-cylinder engines of 14-in. bore and 17-in. stroke could develop 450 hp. at 300 r.p.m. but engineers here prefer the slower speed. Originally, Manassas was served by the Bull Run Power Company but the company's lines and equipment were

PHONOGRAPH RECORDS FOR SERVICE MEN

While the campaign to collect old phonograph records has only just gotten started and many of the boxes have only been placed during the last few days, hundreds of records are already being offered and many are being brought in by people who want to help in this activity. Fifty cards and collection boxes have been placed in stores throughout Prince William County and these locations should be convenient to post everyone. If any person cannot conveniently get their old records to any one of these places they may phone or write Mr. Parrish, Staggs or Burdard at Manassas or any other member of the American Legion and the records will be picked up sometime this month when the collection is made from the collection boxes placed in the stores listed in last week's paper. The following places have also been designated as collection depots and will gladly assist in every way to promote the good work.

MR. CLOE ISSUES IMPORTANT RATIONING BULLETIN

PART OF THE 175,000 POUNDS OF RUBBER WHICH WENT OUT OF THIS MANASSAS STATION

Picture above are (left) Mr. John F. Young, Superintendent, Capitol Division, Cities Service Company, and Mr. E. G. Parrish, chairman of the Petroleum Industries in Prince William County.

Regardless of any information received from the rationing Board. Any one applying for gas for trucks will have to appear in person (or person entitled to use of same) at the Rationing Board Office with their registration card any day beginning, Monday, July 20 from 10 A. M. to 5 P. M. and 7 P. M. to 9:30 P. M. except Saturday evening.

Those applying for supplemental gas will have to appear in person after July 24 at the office from 10 A. M. to 5 P. M. and 7 P. M. to 9:30 P. M. except Saturday evening.

WAR RATIONING INFORMATION FOR PRINCE WILLIAM COUNTY

Make all applications and inquiries direct to the War Price and Rationing Board No. 76 — Phone 247 — Office in the Court House Building, Manassas, Virginia. Those who live at a distance from Manassas should transact their business by phone or mail whenever possible. Save rubber and gasoline. The office is open from 8:30 to 5:00 P. M. All rationed commodities come under this board.

Do not phone or approach Local Board Members on the street, at their place of business, or in their homes concerning Rationing Regulations. All applications or inquiries must be made direct to the Board Office and be acted upon by the full board in regular meeting. Individuals who are giving their time to this War Work cannot possibly be expected to keep all the complicated regulations and answers at their finger tips. Many of your questions require hours of study by the Board before an answer can be given. Please bear this in mind. Refer all questions to the Board Office — It is for your use.

WHEN IN DOUBT — ASK QUESTIONS
YOUR LOCAL BOARD IS ORGANIZED TO HELP YOU.

OBSERVE SECOND ANNIVERSARY

Director Jakeman And Staff Entertain Many Visitors At Manassas Vocational School

To those who recall the old days of Eastern College, or even the modern days of Swavely Prep, the scenes on Tuesday presented a vast change in many ways.

The original buildings, of course, were put into up to date condition two years ago when the first contingent of youngsters began to come into town. The dormitories now house from four to six a room where as only two, or possibly three, were housed there in the past.

The kitchens have been brought up to date and the mess hall is splendidly arranged to take care of the crowd of hungry youngsters.

In the early Spring, girls who volunteered for defense work began arriving in town. It was truly interesting to watch them operate a metal lathe really expertly, turn a piece of sheet metal to a desired angle, operate a rimmer, and best of all, to observe a whole crowd using hammers without a miss.

The welding shop presents an attraction to a few of the girls but mostly the begimed visages of the boys were all that were observed in this section and likewise in the radio shop. The electrical shop was more nearly balanced with several girls doing actual wiring work accurately by diagrams.

It was not possible to really get more than a fleeting grasp of the whole picture in the short time that a single tour and the Journal reporter has promised to come back again the near future for more pleasant impressions. Incidentally, Mr. Alfred Lee, of St. Charles, Lee County, made a most efficient and courteous guide, on whose kindness there may be more imposition by said reporter.

Last but not least, was the service of refreshments at the girls' dormitory reception hall. They were plentiful and very timely at the end of a hot walk.

An honor guest was our Congressman, Hon. Howard W. Smith, who spent most of the afternoon strolling through the shops and rooms, along with quite a section of the Chamber of Commerce. Judge never neglects anything of public interest in his District unless some unusual emergency arises.

One thing that has been omitted is the affection with which the instructors are regarded by their students. It is mutual and helps out a great deal in the successful operation of this wonderful project.

July 14th, representing the second date of the arrival of the first students, Director Jakemann evolved the plan of celebrating it in some fashion and deemed it a good opportunity for the public to come in and inspect. This they did in zest, a whole flock of guides being kept busy the entire afternoon.

The shops which were erected on the old athletic field are truly a beehive of industry, and that is the just word to apply to describe the situation. Not only is no play work but it was for defense use.

AIR RAID TESTS AND BLACKOUT NOTICES

From now on the Journal will notify the public, whenever the information becomes available in time to do so, by carrying notices of all blackout and daylight air-raid test alarms across the top of this page, as we are doing this week.

Always look at the top page one of the Manassas Journal and you will know whether any such test is scheduled for Prince William County before our next issue.

Actual raids, of course, would come without warning, and there may be State-wide tests or those involving the Third Area which cannot be signalled by a weekly newspaper, but we believe the dedication of the top margin of this newspaper exclusively to notices of blackouts and air-raid tests will be a definite aid in Civilian Defense.

COUNTY MAKES FINE RECORD

One Of The State Leaders In Rubber Salvage

Figures collected on Monday of this week showed that the county ran up a grand total of 235,000 pounds of salvage in the drive for old rubber which ended on Friday night.

U S O DRIVE IS ORGANIZED

Committees Announced For Fund Solicitation

On Wednesday afternoon a group of volunteers met in Supt. R. C. Haydon's office to discuss the drive for funds for the U. S. O.

The following organization was named:

County Chairman-Hon. E. R. Conner

Assistants-Supt. R. C. Haydon, Prof. R. Worth Peters.

Section Chiefs: Mrs. McCall, Mrs. Harry Dogan, Miss Betty Thomas, Miss Charlotte Wheeler, Rev. James J. Widmer, Miss Jessie Mae Conner, Mrs. Paul Cooksey, Miss Pauline Smith, Miss Fay Fletcher, Mr. Edgar Rohr, Mr. Herbert Saunders, Mrs. A. O. Beane, Miss Sally Proffitt, Miss Nan Lynn, Mr. J. H. Stauff, Mrs. Fred Doherty, Mr. and Mrs. Stanley Owens, Dr. John D. Williams, Dr. S. J. Lewis, Mr. Jack Royer and Mrs. William Hill Brown.

Publicity Committee: Rev. W. O. Luttrell, Rev. R. M. Graham.

County Treasurer: R. Jackson Ratcliffe.

Special Contact Committee: Dr. George B. Cooke, Carl Kincheloe, C. A. Sinclair and Miss Walser Conner.

The following District Quotas were set and the chairmen named for each district:

Manassas District, Hon. E. R. Conner,	\$550.00
Dumfries District, Edward Pattle	450.00
Brentsville District, C. O. Bittle	350.00
Occoquan District, Evelyn I. Lynn	300.00
Gainesville District, Audrey F. Kerr	250.00
Coles District, J. Murray Taylor	100.00

Total County Quota \$2,000.00

It is the hope of the workers in this drive that all public meetings will emphasize the work of the U. S. O. All business houses are asked to put out mite boxes where patrons can drop donations of spare change. The canvassers will begin their work on Monday, July 20th, and a Preliminary report meeting will be held in Supt. Haydon's office on Saturday, July 25. Let's all do our part to "take home to the boys."

WANTED A PIANO

Some months ago, Parson Graham, of the Manassas Baptist Church, opened an afternoon Sunday School at Bull Run, near the stock Market.

This school has grown to such proportions that it has been subdivided into departments and graded classes, officered and taught by a capable faculty.

However, no provision has been made for music, and Supt. J. L. Wood desires some good christian to come forward with a piano that can furnish the much needed complement.

Not so long ago, the community at Triangle saw a Baptist church spring into very quick growth and down there some good folks came through with a nice, NEW piano.

Surely, there is a piano in the vicinity that can be turned over to this very worthy project.

GASOLINE

It is my responsibility to make proper distribution of gasoline, so that the public will not be handicapped in getting to and from their work, and also that proper transportation of needed supplies are made. At the same time it is my duty to see that no unnecessary use of gas is made.

Be conservative in making out your application and do not exaggerate the mileage. We are going to be fair with you, and we only ask the same consideration. Save a trip to Manassas by using phone or mail whenever possible.

For your benefit we have arranged to have for distribution, a supply of all application blanks at the following locations:

Quantico	J. Hunt Moncure
Triangle	D. J. Martin
Woodbridge	Davis Garage
Independent Hill	E. L. Herring
Manassas	Hynson and Bradford
Nokesville	Spitler's Garage or P. L. Trenis

Haymarket	Roland's Garage
Catharpin	Alvey's Store
Gainesville	Wood's Store

All Gasoline dealers should take inventory of their gas on hand at close of business, July 21, and report same to the Board at once, together with the information of total storage tank capacity.

P. L. Trenis

TYPEWRITERS AND BICYCLES

It is my job to administer the rationing of typewriters and bicycles. There are very few individuals who are eligible to purchase typewriters. Most of them are for Government use. However, we will be glad to answer any inquiries.

Bicycles are available for use in necessary work, and not for pleasure. Children's bicycles are not frozen.

Please feel free to write us at any time that you wish information about typewriters or bicycles.

E. E. Rohr.

PRICE CONTROL

It is my job to administer Price Control. This applies to practically every merchant doing business in this county. If you have not already posted your maximum prices on the different commodities you sell, which has to do with cost of living, you should do so at once, and mail this Board a copy. This is a ruling that must be complied with at once. Please write the Board at once should you wish further information.—We do not wish to burden you with any more work than is necessary, and will be glad to assist you in any way we can.

Jas. E. Bradford

"According to a Washington report, over 600 en have lost their lives at sea—in an effort to deliver gasoline for pleasure driving in the Eastern States. This means that the gas shortage is no longer a question of burning gasoline. It is now a matter of burning conscience.

"Some people and certain newspapers continue to grumble about their loss of gas. But our armed forces have yet to protect their loss of blood. There are so-called Americans complaining today that they may have walk. There are other Americans, casualties in battle, praying that some day they may be able to walk again.

"The measure of their heroism is the measure of the gas slacker's cowardice. The gas slacker has his constitutional rights mixed up with his driver's license. He thinks that 10 million Americans are ready to stand behind a gun so that he can sit behind a wheel. It never occurs to him that cheating an ambulance out of its gasoline is as rotten as cheating the wounded out of their bandages.

"To the Gasolitionists, America is only a road map. But for a man who doesn't need it, a full gas tank means an empty heart."

Walter Winchell

TIRES

It is my job to make distribution of tires and tubes. Read carefully your application blanks and answer all questions. Applications are considered and passed upon one day each week.

Please bear in mind that, although your application may be approved at once, you cannot expect to get certificates for purchase of tires, tubes, or retreads promptly, because of the small percentage of allotments to the many applications. Nothing would give us more pleasure than to see every one get what they apply for. This cannot be done at present.

We will give you as prompt service as is possible under the circumstances.

C. E. Hixson

SUGAR

It is my job to see that you get the amount of sugar allotted to you by the Office of Price Administration. This may cause a hardship in some cases, but we are trying to make it as painless as possible. We have appointed the following persons to take care of your needs:

Mr. C. B. Roland	Haymarket, Va.
Mr. P. L. Trenis	Nokesville, Va.
Mrs. Edward Pattie	Triangle, Va.
Mrs. J. W. Alvey	Catharpin, Va.
Mrs. Thos. Young	Quantico, Va.
Mrs. Alice E. Wood	Woodbridge, Va.
Mrs. Janet R. Murphy	Woodbridge, Va.
Mrs. E. L. Herring	Independent Hill, Va.
Mrs. Mamie Keys	Brentsville, Va.
Miss Alice Webb	Manassas, Va.

When in need of sugar for canning it is not necessary to make application to the Board at Manassas in person. Take the sugar rationing books to the nearest representative of the War Price and Rationing Board listed above. If you had a surplus stock of sugar when you registered, when your stock is exhausted according to the rationing plan, apply to this Board in person, or through our nearest representative. No. 5 stamp is valid between June 28 and July 25 inclusive, for purchase of two pounds of sugar. No. 6 stamp is valid between July 26 and August 22 inclusive, for the purchase of two pounds of sugar. As a bonus, No. 7 stamp can be used from July 10 to Aug. 22 for the purchase of two pounds. Bear in mind that you can get another rationing of sugar for fall canning. Whenever you can, avoid making a special trip to Manassas for sugar rationing.

THREE GENERATIONS IN CONFIRMATION CLASS

In presenting his first class for confirmation, Rev. Thomas Faulkner, of Trinity Episcopal Church, Dettingen Parish, had the unique distinction of presenting for confirmation to Bishop William McClelland, of the Diocese of Eastern Maryland, three generations of a Manassas family.

There were Mrs. R. H. Davis, her son, Mayor Harry P. Davis, and her grandson, "Bobby" one of the rising young business men of the town. Previous to the ceremony, Mayor Davis was baptized.

Others in the class were Misses Nancy Leigh and Betty Gore Dilke and Harcourt and Esther Dickens.

CHRISTIAN SCIENCE

"Truth" will be the subject of the Lesson-Sermon in all churches and societies of Christ, Scientist, on Sunday, July 26.

The Golden Text will be "The word of God is quick, and powerful, and sharper than any two edged sword piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart" (Hebrews 4:12). Bible selections will include the following passage from Psalms 107:20: "He sent his word, and healed them, and delivered them from their destruction."

One of the passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, included in the Lesson-Sermon reads as follows: "Truth is God's remedy for error of every kind, and Truth destroys only what is untrue. Hence the fact that, today, as yesterday, Christ casts out evils and heals the sick" (p. 142).

IN MEMORIAM

In loving remembrance of my dear husband, Guilford Money, who passed away one year ago, July 16, 1941.

Today recalls the memories
Of a loved one laid to rest
And those who think of him today
Are the ones who loved him best.

You don't know the sorrow to be left alone
Till God sends a message to your home
Tis sad when he calls for one or the other

But the saddest of all was when
God called my husband.

Your love was always a guiding light.
A staff to learn upon
A path that leads where all is bright.
A cheering thought each dawn.

DUMFRIES

Rev. Hook and daughter, Beverly, were dinner guest at the home of Mr. and Mrs. George Waters Sunday.

Mrs. Harry Cline, of Arlington, spent a few days with her mother, Mrs. Ida Brawner, this week.

Mrs. Elsie Garrison and son, of Washington, spent the week-end with her aunt, Mrs. Annie Merchant.

Mr. and Mrs. Wilson Merchant, of Manassas spent Wednesday in town visiting relatives.

Sunday callers at the home of Mr. and Mrs. C. W. Garrison were Mr. and Mrs. Francis Morrison, Mr. Will Morrison, Mrs. George McCurdy, Mr. and Mrs. Chancellor Garrison and Mr. and Mrs. Crimmons, all of Washington.

Mrs. Annie Coffman, who has been visiting her daughter, Mrs. F. S. Brawner, has returned to her home in Washington.

Mrs. L. V. Brawner, who has been ill, is somewhat improved at this writing. Miss Elizabeth Brawner, Miss Doris Jean Cato, Miss Marjorie Bourne and Mrs. Harold Stephens spent Sunday in Washington.

Mrs. William Austin had as her week-end guest, her son and daughter-in-law, Mr. and Mrs. Alvin Austin of Washington.

Miss Doris Jean Cato and Mrs. Harold Stephens have visiting them, their cousin, Miss Gloria Keys, of Chicago. Mrs. Ida Brawner had as her week-end guest, Mr. Melvin Houghton, of Maryland.

Mr. Frank Lovell, of the Navy is spending sometime with his father. Mr. Albert Bishton, of Washington, was week-end guest at the home of Miss June Brawner.

Misses Gladys and Betty Brawner have returned home after a visit with their sister in Fredericksburg.

HOME AFTER PLEASANT TRIP

Miss Emma Bryant has returned to her home here after spending a month at the home of Reverend and Mrs. A. H. Salter in Richlands, Virginia. While there she attended the ministerial convention and dedicatory service of the new Pentecostal assembly at Raven, Virginia. She also spent ten days at Appalachian District camp meeting at Bristol, Virginia before returning home.

U. D. C. MEETING AT WATERFALL, VA.

The July meeting of the Eight Virginia regiment chapter U. D. C. was held at Mt. Atlas, the attractive home of Mr. and Mrs. R. B. Gossom Saturday, July 4th at 3 P. M. The hostesses were Mrs. R. B. Gossom, Mrs. Randolph Smith and Miss Flora Smith, assisted by Mrs. Pauline Gossom Thornhill of Washington.

The meeting was called to order by our President, Mrs. Alice Hutchison. The program consisted of salutes to the United States flag and the Confederate flag, also readings, Patriotic music and songs.

The Waterfall people are noted for their hospitality and they certainly lived up to their reputation this time, as delicious ice-cream and cake were served and were much enjoyed by all.

Besides the members quite a number of guests were present. A silver offering was taken, and the amount added for our expenses this fall. At our May meeting we sold peanuts and were so successful we were able to send \$5.00 for the Red Cross in our community. After the meeting of July 4th, we adjourned to the lawn to admire Mrs. Gossom's beautiful flowers, the roses, butterfly bushes and bergamot, being the finest, I have seen this year. The view from every direction is very extensive and beautiful.

Having spent a delightful afternoon we bade goodbye to our hostesses and Mr. Gossom, who helped to make this a success, to meet again on the 1st Thursday in September, at our Memorial Hall at Hickory Grove.

CLEMMER — LATHAM

"Snowhill," home of Mr. and Mrs. T. Otis Latham at Haymarket, was the scene of a lovely wedding ceremony yesterday morning at eleven-thirty when their daughter, Miss Mary Marguerite Latham, became the bride of Mr. G. Lewis Clemmer of Staunton, son of Mrs. Harry E. Clemmer of this city and the late Mr. Clemmer of Swoope.

The bridal party entered the parlor from the long, wide stairway, the banisters of which were entwined with honeysuckle. Before the mantle, where the service was read by the Rev. W. F. Carpenter, rector of St. Paul's Episcopal church, Haymarket, an altar was placed against a background of ferns and decorated with white gladioli. On either side, where the bridal party stood, and converging in a point at the center of the mantle, was a row of lighted candles in holders, in front of which were placed large baskets of white gladioli.

As the guests assembled, Mrs. John Carter of Gainesville, former music teacher of the bride, played "O Promise Me," "Let Me Call You Sweetheart," and "Because." Miss Mary Hampton Bartenstein sang "Believe Me If All Those Endearing Young Charms" and "I Love You Truly."

The bride entered on the arm of her father, who gave her in marriage. Her wedding gown was of white satin made with fitted bodice and full skirt. Her finger tip veil of tulle fell from a tiny cap trimmed with orange blossoms and her only ornament was a cameo pin set with pearls which belonged to the bride's great-grandmother for whom she was named. She carried a bouquet of white roses.

Miss Margaret Wallace Shields of Harrisonburg, maid of honor, and Mrs. Hamilton Latham, sister-in-law of the bride, of Haymarket, matron of honor, wore identically made dresses of lace and marquisette with fitted bodices and full skirts. Miss Shields wore pale blue and Mrs. Latham pale pink, and both carried bouquets of snapdragons and roses.

Little Lynn Latham, niece of the bride, was flower girl, wearing a long frock of yellow dotted swiss and carrying a basket of mixed summer flowers.

Mr. Clemmer's best man was Mr. Oscar Clarke of Petersburg, and the bride's brothers, Mr. Hamilton Latham and Mr. Carroll Latham of Haymarket, served as groomsmen.

Immediately following the ceremony, Mr. and Mrs. Latham entertained at an informal wedding breakfast. Mrs. Latham was gowned in aqua chiffon, corsage of talisman while Mrs. Clemmer, the bridegroom's mother, wore a dusty pink dress of lace and chiffon, corsage of white roses.

In the dining room the bride's three-tiered cake topped with Cupids was in the center of the table, decorated with evergreens and four candles in holders.

Mrs. Clemmer wore a yellow and brown plaid suit with brown accessories and corsage of orchids for traveling. After their wedding trip the couple will be at home in Dayton. The bride is the granddaughter of Mrs. E. A. Hamilton of "Aspen Hill" and since her graduation from Mary Baldwin College three years ago has been on the faculty of Lee High School. She is a member of the Thomas Hughart Junior Chapter, D. A. R. Mr. Clemmer is a graduate of Petersburg High School and of Hemphill Diesel School in Detroit. He is employed at Shenandoah Valley Electric Cooperative in Dayton, Va.

Prior to leaving Staunton, Mrs. Clemmer was entertained at several parties, among them a dessert bridge given by Misses Dorothy and Frances Bear, a luncheon at which Mrs. Raymond L. Matthews of Waynesboro was hostess, and an informal dinner party given by Mrs. Robert Carl Swannstrom. The Housekeeper's club, of which the bride's mother is a member, entertained for her at a dinner party at the home of Mrs. Holmes Robertson in Gainesville.

Among those who attended the wedding were Mrs. Hamilton, the bride's grandmother, Mr. and Mrs. N. C. Waller, Mrs. W. S. Christian and Miss Eliza Christian, Miss Jane Parkins, and Miss Sarah Roler of Staunton; Mr. and Mrs. W. W. Trimble and Mr. William Trimble of Swoope; Mr. Tommy Hamilton, Birmingham, Ala., cousin of the bride; Mrs. C. R. MacDonald, Arlington; Mr. and Mrs. Moffett Huffer, Miss Mary Huffer, Mr. Julian Huffer and Mrs. Moffett Huffer, Jr., Upperville; Mr. and Mrs. John Piercy, Jr., Manassas, and Miss Ella Latham, Fayetteville, N. C.; Dr. and Mrs. Boyd H. Payne of Staunton.

GAINESVILLE

Miss Mildred Clark of Washington, D. C. spent the week-end with her parents, Mr. and Mrs. J. F. Clark.

Mrs. A. W. Smith, Mr. and Mrs. Edward Smith and daughter, Mr. and Mrs. Lawrence Hunsberger and daughters, Mr. Alton Whittet and Betty and Warren Harrover were Sunday dinner callers of Mr. and Mrs. A. M. Smith.

SAFeway Homemakers' Guide

NUMBER 52 ★ How to save time and trouble in shopping ★ A list of money-saving foods to check ★ A timely story with a moral

This is a lesson in shopping that's worth reading

Because the war has made "time" more precious than ever before, it has become practically a patriotic duty to streamline our daily schedules as much as possible. This means our food buying habits must change. For one of the best ways to save time is to cut shopping trips down by planning menus and market lists a week in advance. These suggestions from the Safeway Homemakers' Bureau should help you in your planning.

Perishability is the best guide for dividing off your purchases. Staples like flour, salt, potatoes, canned and packaged goods can be bought weeks in advance. It's wise to replace them as soon as they're used, so you won't be caught short and, too, so you won't have to carry huge armloads at the end of the week.

Extra-heavy purchases can be saved for times when you'll have your car or can share a neighbor's, lightening your bundles on other days. And another thing, enough citrus fruits, bacon, coffee, butter, and eggs can be bought all in one trip to last a week or more. With these out of the way early in the week, you'll need to think only about buying perishable foods.

Foods that will keep 3 to 4 days without spoiling include most meats; vegetables like carrots, turnips, beets, parsnips, squash, egg plant, corn, tomatoes; most under-ripe fruits and the like. Buying these foods in advance saves extra shopping trips.

The most perishable foods, those which will keep only a day or two, are fresh green and leafy vegetables; ripe fresh fruits; fresh fish, chicken, and ground meats; fresh dairy products; bread, cake, pastry.

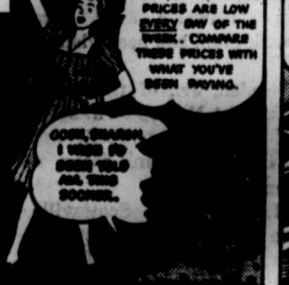

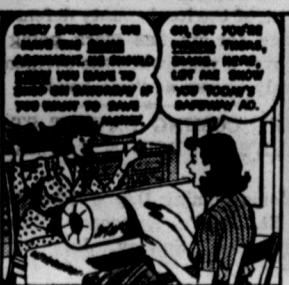

To get your money's worth in vitamins and minerals, use fresh leafy and green vegetables the same day you buy them. As soon as you get them home, wash them quickly in a small amount of water, drain, and keep them in a covered container in the refrigerator until just ready to use. Don't pare or cut the vegetables until just time to cook or serve. Exposure to warm air, soaking in water, and cutting vegetables all tend to cause loss of vitamins and minerals.

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in after years.

But when thou doest alms let not thy left hand know what thy right hand doeth.—Matt. 6:3.

A DISHONEST SLOGAN

Some months ago the House of Representatives of the United States passed anti-strike legislation which administered a stinging blow to labor racketeers. Unfortunately the bill could not get Senate approval, but it lies there, ready to spring into life any time that radical labor again outrages public opinion as it had done, and because of this fact, the labor racketeers have been forced to support the war effort.

In retaliation, all Congressmen who voted for this excellent legislation have been marked for a "purge" by the "closed-shop" group which would deny free men the right of working in the defense industries of the nation without paying tribute to them.

Obviously, since the general public is only interested in one project—winning the war, any campaign calculated to discredit these patriotic Representatives must be tied up with the war effort, and it seems that this is being done in the various campaigns by asking the electorate to "Vote for the Labor Candidate and Promote the War Effort," or "Help Win the War by Voting for the Labor Candidate."

We may, therefore expect to see such tactics employed here before long, but we would think there would have to be some local departure from the nationwide plan, because, unfortunately for the success of the scheme, Judge Smith happens to have an outstanding record in Congress in the matter of supporting the President's War Program.

As a matter of fact there has been no material war measure of the President's which has not been received the affirmative vote of Howard Smith. It makes no difference which bill is investigated, whether it be the Selective Service, the Lend-lease Bill or anything else vital, it had Judge Smith's sincere support. And that is a lot more than we can say for many New Dealers in various sections of the country who have wobbled all around the war effort.

We should think, therefore, that any such appeal to the

Correct change... automatic receipt... when you pay by check

With taxes tacked onto the price of so many things today, almost every bill you pay is an odd amount. It's often a nuisance to find the right change—unless you pay by check. With a checking account, if you're operating on a budget, you don't have to trust to your memory to know what you've spent—just refer to your check stubs. BRIDE ELECT IS HONORED

One of the most delightful and enjoyable social events of the neighborhood was held under the auspices of the "Catharpin Good Housekeeping Club" at the home of Mrs. W. Holmes Robertson, Thursday evening, July 9.

The occasion was a luncheon and hower in honor of Miss Marguerite Atham, daughter of Mr. and Mrs. T. O. Latham, a bride-elect.

The house was tastefully decorated with flowers of the season, and the bride-elect was the recipient of numerous useful gifts.

Those attending from a distance were Mrs. Willa Huffer, Upperville, Va., Miss Margaret Wallace Shields, Harrisonburg, Va., Mrs. Charles R. McDonald, Arlington, Va., and Miss Doris Norman de Lozier and Mrs. N. Elma Latham, Fayetteville, North Carolina.

voters of the Eighth District of Virginia would fall pretty flat because no one can find a single instance where our Representative has failed to uphold the President's hand in defending the security of this nation and in promoting its vast war program.

Howard Smith is not only deeply appreciated and valued in his own Congressional District, but he is an outstanding national figure and there is no labor organization powerful enough, rich, or clever enough to convince his friends and neighbors that they can promote the war effort by sending a new Representative to Congress. We have just what we want and we are fully satisfied that the nation's war effort has been sustained in every respect. Certainly no such dishonest slogan will befuddle us into voting on August 3 for any other candidate than Hon. Howard W. Smith.

The Manassas Journal.

Dear Sirs:-

Now that the gasoline rationing is finished in Ocoquan and vicinity, we wish to state that it was a very pleasant ordeal. There were so many volunteers to assist in the work that all of them were not called on; an excellent reputation for our community.

Mrs. Katrine Powell who had charge of the rationing desires to express through the Journal her sincere appreciation to all who assisted in the rationing; and to those who volunteered to assist. The list of those good folks would be too long to name them all at this time. You all did an excellent job and we are proud of you.

Mrs. Will R. Wood of Woodbridge, Va., has kindly accepted the duties of assisting folks who desire to make requests for sugar for canning. She has the necessary application forms for you to fill in and mail to the Board. Mrs. Wood has consented to do this work at great sacrifice to her own leisure time. We trust you will not impose on her good offices.

FREDERICKSBURG MAN GUEST SPEAKER AT KIWANIS CLUB

Roger Clarke, Fredericksburg business man and former banker of that city, was guest speaker at the Kiwanis Club last Friday evening, being introduced by Kiwanian Ray Ratcliffe. Incidentally, Mr. Clarke, himself, is a pillar of the Fredericksburg Club.

Giving many interesting figures, and adding a dramatic personal appeal for adherence to the 10% plan in "Victory Bond" buying, Mr. Clarke showered praise of the local county defense committee for its fine work going back for over a year, when the movement was merely known as "war bonds."

MRS. DAVIS TO ENTERTAIN BOOK CLUB

The Book Club will meet at the home of Mrs. Vincent Davis on Thursday, July 23, at 2:30. Miss Eugenia Osborn will speak on her travels in England.

The members feel that this is an unusual privilege and hope that all who can will avail themselves of the opportunity to hear Miss Osborn.

STATE FAIR CALLED OFF

It has been announced this week that no State Fair will be held this year on account of the war. This will be the first time in 37 years that the Fair has not been held.

Mr. and Mrs. Herbert Michael are the proud parents of a 6 lb. daughter born July 10. Betty Ann.

MR. AND MRS. JOHN HARPINE ENTERTAIN

On Monday, June 13, at 6:30 P. M., the Wimodausis Chapter Order of the Eastern Star, held its annual picnic at the home of Mr. and Mrs. John Harpine, who were hosts for the evening.

The guests enjoyed visiting Mr. and Mrs. Harpine's lovely home. Their spacious lawn furnished an ideal place for the picnic outing. Chapter members, their families and friends were invited.

A variety of activities was offered so that each guest had the opportunity to enjoy his favorite game. Some of the games included badminton, horseshoes and croquet.

After the group had worked up an appetite, they had the pleasure of listening Mr. and Mrs. Harpine's new fireplace, by roasting hot dogs and marshmallows. The group upon questioning Mr. Harpine about his new fireplace, discovered that he had constructed it himself. Mr. Harpine was congratulated upon such a fine piece of work.

In addition to the hot dogs and marshmallows, the hungry persons had their disposal salads, sandwiches,

rink and home-made ice-cream. Those who did not want to stand up while they ate, found rustic chairs scattered around under the trees for their convenience.

About sixty persons were present and without a doubt a good time was had by all. The chapter was indeed quite grateful to Mr. and Mrs. Harpine for a very pleasant and enjoyable evening.

NOKESVILLE RURITANS

The regular July meeting of the local Ruritan Club was held Tuesday night at the Seminary building. This being Ladies Night every man brought his wife or lady friend. The President, Mr. R. C. W. Beamer, brought his recent bride with him to whom the Club presented a gift. The Club also made a contribution to the U.S.O. Fund. The entertainment consisted of several selections most excellently rendered by Mrs. Davis of Manassas, group singing from the new Ruritan song book.

Mr. and Mrs. B. L. Smelker of Nokesville and Mrs. Quinter Miller of Connecticut were other guests.

ONE DIESEL POWER PLANT
SERVES 8 VIRGINIA COUNTIES

taken over by the Cooperative in July, 1941. A 240-hp. Fairbanks-Morse engine and a 300-hp. Busch-Sulzer engine, which had been in use by the Bull Run Company, were installed in the new plant, bringing the number of Diesels to five and the installed horsepower to 1,620. Each of the engines drives directly a 2400-volt, 3-phase, 60-cycle generator.

Although September, 1941, when the plant began to shoulder its major load, was an important date in the Cooperative's history, it is but one step in the development of the system. Plans for transmission-line construction already have been mentioned and these will be matched by a suitable expansion in generating capacity. The power house is 148 ft. long and 61 ft. 4 in. wide, with an 81 ft. 4 in. ell-shaped section. In designing the plant, Welles Engineering Co., consulting engineers, provided adequate room for additional power units. Fuel, lubricating oil and cooling water are handled in such a manner that new engines can be tied into the existing systems without difficulty.

In selecting and arranging equipment, nothing was spared to make this plant a model of efficiency and ease of operation. All the engines are protected by a closed cooling water system, with nothing but soft water supplied to the Diesels from a header running the length of the plant in a trench under the floor. New units will be served from the same header. Jacket water is circulated through this system and a pair of shell-and-tube heat exchangers by two motor-driven centrifugal pumps. Two more pumps of the same type circulate raw water through the heat exchangers and over an atmospheric-type cooling tower. Rain water, is caught and stored in a 12,000-gal. tank and is used for jacket makeup when needed. Water can also be supplied from a well on the plant's property and, in emergency, city water can be used. All water added to the jacket supply is treated to insure softness. A fifth motor-driven centrifugal pump has been provided as a standby, and can be used on either the soft-water or raw-water circuits.

The lubricating system, too, is tied together and arranged so that new units can be added without difficulty. Each of the F-M. engines is equipped with a lubricating oil supply tank set on the floor near the governor end, and from this source a built-in, engine-driven pump draws oil and supplies it to the bearings. The return line from each engine goes to a common gathering tank which feeds an activated-clay oil reclaiming in continuous operation. Air pressure in the reclaiming sends purified oil through a header to the individual engine-supply tanks. In addition to this purification, the oil passes through a filter at each supply tank. Cylinder lubrication is accomplished by mechanical lubricators.

The F-M. Diesels are of the crankcase-scavenging type, and air is drawn in through a pair of impingement-type filters mounted on each engine frame. The Busch-Sulzer also is equipped with an air filter. Exhaust gases from each unit pass from the exhaust header through a horizontal pipe to vertical silencers outside the plant. Each of the silencers is enclosed in a brick housing with openings for air circulation. A suction fan draws heated air from each of the brick inclosures and sends it into the building. This arrangement provides all the heat required in the large building even during the severe winter months.

The major insurance that a Diesel plant will be trouble free in intelligent and watchful supervision and operation. This is provided at the Prince William plant by John Y. Roseberry, superintendent of the Cooperative, James D. Barron, chief engineer, and a staff of four operators. Care was taken, however, to assist them with modern protective devices. Each engine is provided with a multi-point exhaust pyrometer. An alarm panel holds the four pyrometers for the F-M. units, an alarm that warns of a drop in soft-water, raw-water or lubricating oil pressure, and an annunciator to identify the trouble. There is also an alarm on the cooling water temperature. Intelligent operation is assisted further by a complete set of instruments on the 12-panel switchboard. On the board are five voltage regulators, a synchroscope, nine totalizing kilowatt-hour meters, a recording kilowatt meter, a recording verdict meter and a recording demand meter.

It will be some time before line construction brings the plant its full anticipated load with the attendant economies of mass production, but even during the initial period, the record of production efficiency is highly satisfactory. For the month of September, 1941, the plant generated 233,296 kw. hr., with a consumption of 18,215 gal. of fuel. This means an economy of 12.8 kw. hr. per gal. of fuel. Here is the full list of expenditures for that month:

LEGION AND FIREMEN
TIE FOR LEAGUE LEAD

The American Legion and Firemen are in a deadlock for first place in the Softball League by virtue of victories over the Kiwanis and Chamber of Commerce Teams.

The American Legion got off to a fast start against the Commerce by scoring 12 runs in the first inning and held a lead throughout the contest. Kline, Haydon, and Wine did the slugging for the victors while Rohr, Beeton, Hersch and Bourne tried to stem the tide for the losers.

In one of the best games played to date, the Firemen defeated the Kiwanis 5-3 in a nick and tuck ball game. The affair was a pitching duel between Lynn and R. Robinson with each pitcher allowing 6 hits.

The champion of the first half will be decided on Tuesday when the half ends.

This represents a total operating cost of 7.56 mills per kw. hr. It is obvious that the higher production of future months and years will reduce the weight of fixed charges and make possible further operating economies with the result that unit costs will be slashed. The rapid growth of load is evidenced by the fact that peak load in September was 560 kw. and in October 640 kw. Preparations are underway to handle 790 kw. in the immediate future.

There is evidence in the entire project of long term planning by Frank P. Wood, head of the Generation and Transmission Section of the REA, and the management of this Cooperative. A vast rural area is being opened to the service of electricity. Power equipment has been chosen and arranged for long years of efficient production. A plant has been built that will use more generating units to supply the increasing demands. The Prince William Cooperative has laid a sound cornerstone for an important rural electrification system.

STAFFORD TROUNCES
MACS 8 TO 3

Poor base running and untimely errors, lost for the Macs 8 to 3 on Sunday.

Henry Breen opposed a rookie for Stafford by the name of Dent and as the box score shows "Gobbler" out pitched the rookie by a mile. But Manassas big chance came in the sixth and they blew it. Buddy Merchant beat out a hit to short and Roseberry followed with a single to center. Then Carleton Posey lined a single to left center and Merchant scored to make the score 4 to 3, Stafford. Caton Merchant then lined a single to left and Roseberry was out trying to score. In the seventh inning Breen was hit by a pitched ball then Wilt lined a single to center and Manager Maurice Smith singled to left but Wilt was out trying to score. Smith then took second on a wild pitch but he was also thrown out at the plate as Maurie Wells singled to left. D. Knoxville and F. Knoxville lead the attack for the winners.

Although in defeat the Macs have begun to improve and a victory is looked for next Sunday.

CATHARPIN

Mr. and Mrs. Douglas Hoffman of "Deserette Far" are receiving congratulations upon the birth of a little daughter at Warrenton Hospital, July 9, 1942.

Our community was grieved over the death of Mrs. Howard Haislip which came as a shock to her relatives and friends early Thursday morning, July 9. Very few had realized that she was seriously ill. A more detailed obituary will be no doubt be given.

Miss Harriett Pattie now employed by the War Department was home last week, suffering with a very severe cold. A large number in this community have been ill with summer flu, hay fever, etc.

Mrs. L. J. Pattie is suffering with allergy which always occurs at this season.

Friends of Mrs. Carl Munday will be glad to know that she is recovering from the inconvenience of a fractured ankle.

Mr. Burgess Hoffman recently suffered a very painful accident when he slipped on a fence and tore a flesh wound in his thigh.

Mr. Robert Billington left July 7 to report for duty with the U. S. Air Corps in Florida.

Mrs. Holmes Robertson recently had as her guests for the week-end, Mrs. Charles R. McDonald of Arlington, and Mrs. Billington of New Jersey, the latter to visit her son before his leaving for the service.

The 4-H Club Girls of Haymarket enjoyed a very delightful camping trip at Ellis' Ford on Broad Run last week.

The Catharpin Good Housekeepers Club entertained at a shower and buffet supper at the home of Mrs. Holmes Robertson, July 9, in honor of Miss Margaret Latham whose wedding to Mr. Clemmer of Staunton was solemnized on Saturday at the home of her parents, Mr. and Mrs. Otis Latham of "Snow Hill."

Mr. Hampton Alvey of V. P. I. spent the week-end with his parents, Mr. and Mrs. J. W. Alvey.

P. F. C. Alfred N. Stamm spent a three day furlough last week visiting his wife at the home of her parents, Mr. and Mrs. L. J. Pattie.

The excessive rain fall of the past weeks has done much to defer the work of the threshing machines. Corn crops, in some sections, were laid flat by what appeared to be a cyclone which passed with the severe rain storm Friday night. Creeks were very high, with roads flooded and bridges submerged.

GIVE YOUR OLD SHEET MUSIC TO SOLDIER BOYS

Have you "music for the services?" This is the important question asked right now.

Mrs. M. S. Burchard, Music Chairman of the Woman's Club, has announced that the Fine Arts Section of the Club are sponsoring "music for the services."

What is it? A group was started in Washington three months ago at the suggestion of Mrs. Stuart Godfrey, wife of Brig. Gen. Godfrey, Air Corps, U. S. A. Now it is being organized in the smaller towns.

Any old sheet music you have, and are not using, or any old musical instruments not in use, please take them to the Library at the High School in Manassas. This will constitute Prince William County's "music for the services." This will be taken to headquarters and distributed to the several camps over the country. Already string quartets are being organized with instruments donated.

Many people who are not musicians have a few pieces of sheet music put away, and this is certainly a good cause where it can now be used.

Remember sheet music or musical instruments—to the Library in Manassas High School. In this way many will be doing their part to help entertain the soldiers, while remaining at home. It is hoped that there will be a large collection from Prince William County.

'ALL THAT MONEY CAN BUY' GRAND FILM ENTERTAINMENT

Based on Stephen Vincent Benet's 'The Devil and Daniel Webster,' RKO Radio's 'All That Money Can Buy' combines an absorbing folktale with a heart-warming appeal to the American spirit in a fashion that makes it one of the truly great films of the past few years.

The legendary story of how the eloquence of Daniel Webster vanquished the devil himself and saved a man's soul for him, makes this a powerful out-of-the-ordinary piece of film fare, featuring Edward Arnold as the famous statesman and Walter Huston as his infernal opponent, along with a notable supporting cast.

New Hampshire in the 1840's is the setting for the story. A young farmer, Jabez Stone, finding himself increasingly in debt, sells his soul to the Devil who appears in the suave guise of Mr. Scratch, for seven years of prosperity. The prosperity comes as promised but Jabez loses the love of his wife and his mother and the respect of his fellows.

The respective roles of Webster and Mr. Scratch afford Arnold and Huston their most striking portrayals to date, while James Craig as Jabez and Anne Shirley as his wife have the leading romantic roles. Jane Darwell as Jabez's mother, Simone Simon as a temptress who breaks up Jabez's home, Gene Lockhart as the village squire and John Qualen as a money-lender have the other featured roles in the picture.

William Dieterle produced and directed the screen version of Benet's 'Saturday Evening Post' story, with Van Toffel writing the screen play.

'KID GLOVE KILLER' DRAMATIC STORY OF SCIENCE VS. CRIME

The ablest of fiction's superdetectives could have profited by a visit to the Pitts Theatre next week on Wednesday, July 22. In 'Kid Glove Killer' the super-sleuth would have picked up some examples of scientific crime detection that would put his vaunted observation and deduction powers to shame.

Featuring Van Heflin, Marsha Hunt and Lee Bowman, the picture traces the slayers of two men, both newly-elected officials on a reform ticket, through the means of the modern police crime laboratories, and pins their crimes upon them.

Fast-paced, the picture swings into action immediately with the discovery of the district attorney's body in a lake. The only clues are square knots tied on the ropes binding the body and traces of an unusual ointment.

In the laboratory, with Heflin as the chemist and Miss Hunt as his assistant, these clues are segregated and finally pinned on the slayer who is killed resisting arrest. Meantime, Bowman and Miss Hunt discover one another. Then the mayor discovers Bowman is linked with the underworld. Bowman plants a bomb in the mayor's car, killing him.

Again Heflin and Miss Hunt swing into action, tracing the few clues left at the scene of the bombing. They narrow the suspects down to Bowman, who, tipped off unwittingly by Miss Hunt attempts to kill Heflin.

We wish to call the attention of the public to the fact that any dealer engaged in the business of handling motor vehicle tires, or any individual, firm, corporation or association, residing in Prince William County, Virginia, who acquires any new or used motor vehicle tire, except upon a certificate from any State or Federal Rationing Board or Agency, is required to file with J. P. Kerlin, Sheriff, Prince William County, Virginia, a written report setting forth the make, size, identifying number, price paid for such tire, and the name, age, race and address of the person from whom such tire was acquired.

J. P. Kerlin, Sheriff,
Prince William County,
Virginia.

W. Hill Brown, Jr.,
torney, Prince William
County, Virginia.

Mr. Claggett Hawkins spent the 4th with his parents, Mr. and Mrs. Ed. Hawkins. He had a friend with him from Norfolk, Nebraska where he has been spending his vacation. He reported the ranch country as fine country. He gave a talk on Virginia while he was there and got his picture in the papers out there.
Mr. Clinton Brammell, of Indian Head, Md., visited his family.
Mr. Clarence Davis and Miss Hazel Patterson were married at Dumfries by the Rev. Shumate.
Mr. Winfield Sullivan and Mrs. Brown, of Cherry Hill, were married.
Mr. William H. Carrick, of Seat Pleasant, Md., was a recent caller on Mr. L. E. Strither.
Mr. Winston Ewell is spending a few days with his sister, Mrs. Pete Smith.
Mr. Milton Sullivan has been quite sick.
Mr. A. B. Shipley is not well.
Mr. Eugene Arrington, of Camp Meade, is visiting friends and relatives.

RECOVERING FROM OPERATION

Jasper, one of the twin sons of Mr. and Mrs. Wallace Monroe, of Burke, formerly of this county, was rushed to the Alexandria Hospital on Wednesday of last week for an appendectomy. Despite his rather serious condition, Jasper is recovering rapidly and will be home again in a short time.

ANNOUNCING OUR ANNIVERSARY JULY 16, 1942

One year ago today, July 16, 1941 The Prince William Electric Cooperative assumed the responsibility of furnishing Electrical Energy to the Rural Sections of Northern Virginia. We have done our utmost to serve our consumers in the manner to which they are entitled.

We feel we have made a good start and pledge ourselves to greater effort in the future. Our one regret is our inability to serve hundreds of families and farms who signed as members. The materials earmarked to serve these people is now being served to the Japs and Nazi thru the medium of hot lead.

When the victory is Uncle Sam's, every effort will be made to serve you who sacrificed the convenience of electricity to inconvenience the Axis with the wrath of a free people, who must, and will, Remain Free Americans.
