## LOCAL RATIONING BOARD ISSUES AN IMPORTANT STATEMENT

### Surprise Blackout between October 5 and 12

#### YELLOW FLASH FIRST WARNING

Mr. Wyse Gives Further Details Of Approaching Blackout.

Numerous requests have been received by the State Office of Civilian Defense as to the exact date and time of the State-wide total blackout to be held in Virginia between the 5th and 12th of October. Requests for such information have been denied in that they are "wholly impractical," says J. H. Wyse, State Co-ordinator.

"This office wishes to point out," Mr. Wyse said, "that to be prepared for any eventuality, it is necessary to have this test come as a complete surprise. Only in this way will we be able to ascertain whether the people of Virginia are prepared to blackout their lights, on an instant's notice, without having been previously warned."

"Certainly no warning will be given by the enemy if he intends to raid our State. He will strike swiftly and with deadly accuracy. We must, therefore, attempt to simulate an actual raid by surprising the people and having a complete blackout," the State Co-ordinator added.

"Arrangements," the statement continues, "have been made by the local co-ordinators to notify all important installations of the fact that a test is taking place by calling them on the 'Yellow' or 'Blue' and informing them of the fact. This will be all the warning given these installations. Certain plants and utilities are exempt from participating in this test, having convinced the authorities that they can blackout instantly in event of real danger."

The State Co-ordinator concludes his statement with an appeal for the complete cooperation of all citizens in these words:

"Let us enter into this test with a series intent to comply with requirements, and with the fixed idea of being on constant watch for such alarms, whether they be tests or actual raids. It is only thus that we can become prepared."

#### LEGION LOSES LOYAL LEADER

Special meeting of the American Legion Executive Board was held last Saturday night. This action was necessary in order to receive the resignation of Commander Staggs who is being transferred to Culpeper today and so cannot be present at the next regular meeting of the Legion. Under the circumstances, The executive board had no other choice but to accept Mr. Staggs' resignation though they refused to even consider his transfer as a member of the Legion.

Commander Staggs was just starting his second year as Commander of the Legion and during that time has led the organization to many new records. One of those records was established just a few weeks ago when he beat his own record of membership record of last year which then was an all time high record for the Post. Another record was set in the recent "scrap record" drive in which was collected and shipped over 4 1/2 times the quota set by the National headquarters. These are but two examples of outstanding achievement and many more could be recited to cover the time that Commander Staggs held office.

To fill the vacancy as Commander A. C. Bean was raised from 1st. Vice Commander, W. M. Johnson was made 1st. Vice Commander and John Eagle, 2nd. Vice Commander. These emergency appointments will be confirmed at the next regular meeting.

As his last act as Commander and with the concurrence of the Commander elect, Mr. Staggs announced the appointment of standing and special committees for the ensuing year. The memberships of these committees includes practically the entire membership of the Legion but only the names committee activity and name of chairman is given now.

#### FARM MACHINERY RATIONING BOARD NAMED

At a meeting of the U. S. D. A. War Board Saturday, the following men were appointed as members of the Prince William County Farm Machinery and Equipment Rationing Committee:

William H. Wheeler, Manassas, Chairman.  
M. Bruce Whitmore, Manassas.  
Lester W. Huff, Nokesville.  
L. J. Pattie, Catharpin, and A. H. Roseberry, Manassas, were named as alternate committeemen.

Equipment to be rationed includes disc harrows, feed grinders, combines, lime spreaders, grain drills, hay balers, milk coolers, milking machines, shredders and tractors.

Information concerning the rationing regulations may be obtained from the committeemen, farm equipment dealers or the county agents office.

#### STRIVING TO AID IN FARM CRISIS

Public School Children may Work On County Farms.

At a called meeting on Monday afternoon, a special advisory committee met with Professor R. C. Haydon to discuss some possible aid to the beleaguered farmers.

After two hours of earnest discussion, it was decided to put it up to joint action by a specially constructed committee in each area, with Frank Cox, county agent, as central control head.

Farmers who are willing to transport the children and to take every possible care of them while working for them and also in transit, may apply to Mr. Cox who will instantly contact his area committee, and also of the school principal from whom the pupils would most likely be drawn.

A basic wage scale has been developed and no children will be allowed to take out more than five days through October 15th. Any continuance of the plan for the time being is doubtful.

Great care is to be used to prevent unnecessary loss of time from school by those who can least afford to do so. Some of the farm boys have already been out of classes due to work on their own farms and can hardly be spared any further. This, of course, will be in the hands of the school authorities.

#### RED CROSS BOARD TO MEET

The Executive Board, Prince William County Chapter American Red Cross will hold all important meeting Friday, October 9, at 2 P. M. in the residence of Mrs. E. H. Marsteller, Manassas.

National Headquarters is sending Mrs. Reed to this meeting, that arrangements maybe completed regarding the days where persons giving blood plasma from this area will be asked to attend; the date, place, etc. for which will be later announced. Officers and chairmen as well as Red Cross workers who are interested in Chapter activity are urged to attend this meeting.

#### PROGRAM AT VOCATIONAL SCHOOL

Those who attended the wizardry of the electric show being put on by students at the NYA school some months back and who recall how difficulties caused a sudden failure to conclude, will be glad to know that the show will now be put on in the gymnasium of the school next Tuesday evening.

Although no visiting magician will be there, the boys and girls will give you all the thrills that super-voltage produces. You will see things so contrary to fact that you can not believe your own eyes.

The time; next Tuesday evening, 8 o'clock; the place, NYA school gymnasium; the public is cordially invited.

#### MOVIE BENEFIT AIDS DRIVE HERE

Hundreds Of Children Attend Free Movie As Reward For Assisting In Scrap Drive.

The Pied Piper and his gang (alias Ben Pitts, O. O. Holler and Company) arrived on schedule last Friday afternoon and evening, with an entourage of nearly one thousand of the school children from the northern end of the county.

It took three shows to handle the crowd, plus the regular attendance. District Manager T. I. Martin represented Mr. Pitts and expressed satisfaction at the result of the project.

Various sorts of junk and scrap is yet coming in which is being handled by volunteer trucks. The most useful of these has been the work done by Mr. C. B. Roland who has taken out time that he could ill afford to spare to haul a lot of tonnage from Haymarket.

Mr. Ellicott has been supervising the work at Woodbine, while Mr. Peters has had the assistance of Messrs. Rice and Fishpaw at Manassas. More exact figures will be announced by the committee which will include reports from other vicinities.

The most encouraging report yet has come from Mr. R. S. Hall who has put his cohorts to work and a veritable pyramid is rising to the sky at Occoquan.

The metal going out of Prince William should keep one mill going several days and that is surely something of which to be proud.

The Manassas-Haymarket committee is taking this opportunity to express to Mr. Pitts sincere thanks for helping in such a worthy project.

#### COUNTY DOUBLED ITS QUOTA FOR LEE BATTALION.

Mate J R Watkins, of the Navy Recruiting Service, was in the Journal Office today to emphatically deny any rumors that local recruiting work for the Navy had ceased.

Mr. Watkins states that there are more openings now than ever before and men are constantly needed to man the new ships.

The special drive for men to fill the complement on the Cruiser Richmond, which called for a definite quota from every Virginia county, was quite successful, this county doubling its quota.

Mr. Watkins states that the recruiting office at Manassas will be open every Thursday until further notice.

#### EXECUTIVE BOARD TO MEET WITH MRS. CARPER

The Executive Board of the Manassas Woman's Club will meet Wednesday morning, October 7, at 10:00 o'clock in the home of the President, Mrs. Lewis Carper.

#### YOUNG FLYER GETS HIS WINGS

Emlyn Marsteller, Jr.

Emlyn H. Marsteller, Jr., son of Dr. and Mrs. Emlyn H. Marsteller 339 Centre Street, Manassas, Virginia, received his wings and was commissioned an Ensign in the U. S. Naval Reserve at Corpus Christi, Texas last week.

The graduation ceremonies marked the completion of a long, strenuous training course designed to fit him for duty with the fleet.

Ensign Marsteller volunteered for flight training in January 1941. He received his preliminary instruction at the U. S. Naval Reserve Air Base, Anacostia, D. C., and was then transferred to the "University of the Air" at Corpus Christi.

Supplementing his actual flying hours here, he has gone through ground school courses and learned the theories behind modern aviation warfare. He learned to fly "blind" while still in a hangar; became familiar with radio code, receiving and sending; came to realize the necessity of navigation procedure.

Now, a finished specialist in flying the Navy's planes, he is ready to match his aerial prowess with the best that Hitler and Hirohito have to offer.

He attended Dartmouth, University, Hanover, N. H., also the Amos Tuck School of Business Adm. and Finance at Hanover N. H. He is a member of the Kappa Kappa fraternity.

#### GAINEVILLE P. T. A. MEETING

The Gainesville District P. T. A. is having a Talent Show Friday, October 9 at eight o'clock at the Gainesville District School.

There will be a Minstrel Show Readings and Singing. The public is cordially invited.

#### MANASSAS U.D.C. CHANGES MEETING DATE

The Manassas Chapter U. D. C. will meet the second Wednesday in October at 2:30 P. M., at the home of Mrs. Dennis Baker, with Mrs. Marshall Douglas, assistant hostess.

Please note the change in date, from the first Wednesday to the second, the change being made on account of the Virginia Division Convention in Richmond, October 6-8.

#### WAR RATIONING INFORMATION FOR PRINCE WILLIAM COUNTY

Make all applications and inquiries direct to the War Price and Rationing Board No. 76—Phone 247—Office in the Court House Building, Manassas, Virginia. Those who live at a distance from Manassas should transact their business by phone or mail whenever possible. Save rubber and gasoline. The office is open from 8:45 to 5:30 P. M. All rationed commodities come under this board.

Bear in mind—It is not necessary to prove the theft of ration books in order to take action against a person found to be holding stolen books or coupons. Be sure to turn in to the board your ration book when you sell, trade or otherwise dispose of your car. Books cannot be transferred.

Among the new items to be rationed in the near future is fuel oil, and certain of rubber boots and rubber work shoes.

We have recently added to our staff Mrs. Alice Webb Johnson, as Civilian Relationship Advisor. We feel proud of having Mrs. Johnson with us and hope she will be able to contribute something each week to the Journal reviewing some of the high points that this Board would like to get over to the public. We have also added to our staff Mr. O. O. Holler who will be in charge of one of the new commodities to be rationed.

To Taxicab owners—No one may have in operation a greater number of taxicabs than he had in operation on September 1, 1942. The use of taxicabs for personal purposes is prohibited.

C. C. Cloe, Chairman.

#### STATE ASSEMBLY IN EXTRA SESSION

State Will Benefit By Governor's Unique Proposal.

The oldest legislative body in the New World convened in special session on Tuesday to consider Governor Darden's unique proposal to apply existing idle state funds to retirement of the state debt.

Virginia now has an idle surplus approximately equal to the debt. The amount is about \$18,500,000.00 and is so invested that the bonds cannot be retired, but this idle money can be so invested that its interest can be used to offset the interest which must now be paid on the outstanding bonds.

Under existing law only a very small percentage of the surplus funds of Virginia can be used to produce revenue. Hence the Governor has called an extra session to last only a few days to authorize the investment of these funds so that the revenue can be applied to the existing debt.

It is stated that some of this investment is likely to be in U. S. War Bonds. The State Treasurer Tayloe Murphy is quoted as stating, "Not only will the State benefit to the extent of large savings in the operation of this program, but in turn will release funds now idle, to the Federal Government at a time when large sums are so urgently needed in the prosecution of the life and death struggle in which the nation is now engaged."

It is reported that a number of minor bills will also be considered, mostly in the interest of war efficiency, such as lowering the automobile speed limit to the national speed, to permit counties to follow the State lead in investing surplus funds, and probably a few will find their way to the Assembly which are of questionable advisability at this time.

Such a bill, this newspaper believes, would be any like the proposal to permit men in the armed forces to run for public office, and similar political projects which offer possibilities of difficulty in carrying out in time of war and which are said to be frowned upon by the military authorities who object to handling the flood of mail between military headquarters and the political "front" at home.

Senator Aubrey Weaver, of Front Royal, who is chairman of the Senate Finance Committee, is quoted as stating that this session will probably not go beyond the present week and will only cost the State something like \$20,000. The last special session in 1936 cost the Commonwealth over \$75,000.

#### LIBRARY NIGHT OPENING

The Ruffner-Carnegie Library beginning next Thursday, October 8th, will be open every Thursday night from 7:30 to 9:30 o'clock. An interesting program followed by a social hour will be presented next Thursday beginning at 8:00 P. M. Members of the Friends of the Library Club and all others interested are cordially invited to attend.

Traveling difficulties are making this a very good time for all of us to find our pleasures and interests at home, and the Library with its growing collection of up-to-date fiction and books of current as well as much standard material offers one of the best possible and most agreeable ways of spending our spare time.

#### MAXIMUM PRICE CONTROL

July 10, 1942, was final date for statements to be filed with Rationing Board statements of Cost-of-Living Commodities.

September 10, 1942, was date for filling with Rationing Board statement of Ceiling Prices for Service Charges. These are to be filed by Garages and Service Stations, Shoe Shops, Laundries, Electrical Repair Shops, Plumbing and other establishments rendering non-professional services to the public.

Some stores and shops have not filed these statements. The law requires that these statements be filed and that copies be kept in the owners place of business, and a penalty may be imposed on establishments that have not filed.

It is not the duty of the local War Price and Rationing Board to require the filing of these statements, but to explain and advise with reference to same.

Do not run the risk of incurring a penalty for failure to file your statement, or for failure to comply with the requirements of the Ceiling Price Laws.

If you do not know what is required of you ask the Board for information.

Jas. E. Bradford,  
Price Advisor.

#### CONSUMER RELATIONS

##### What is Rationing?

Rationing is a community plan for dividing fairly the limited materials we have among all who need them. It means to share alike, to sacrifice, if necessary, but sacrifice together when your country's welfare needs it. It prevents hoarding, starvation, long bread lines, shoddy goods and run away speculation. It is one assure the government can take to insure equal opportunities for all citizens without exceptions to obtain the necessities of life.

##### Why Rationing?

Rationing is necessary in the United States now because:

1. We no longer have an abundance of many articles which once produced in great quantities.
2. We no longer have plenty of raw materials from which many of our products were made.
3. Many of our products were imported from other countries; due to submarine warfare, we can no longer import these materials; due to war conditions in some countries, the sources of materials have been completely destroyed.

4. In wartime we must convert our resources from the normal requirements of the civilian population to produce guns, tanks, ships, planes, munitions, etc. essential to win the war.

5. Civilian transportation facilities must be used to haul essential materials to the armed forces. This is TOTAL WAR. For victory every resource must be used to help win the war. Civilian needs can and must be cut or postponed until victory is won.

Your County Rationing Board is doing its conscientious best to administer the rationing program in the county according to instructions received from State and National Rationing Headquarters. Give your local Board your best cooperation and support. Ask for the minimum amount of products needed instead of a liberal amount. This is one way you can help lick Hitler and the Japs at home. If your wants cannot be met by the Rationing Board blame Hitler and the Japs—not your local rationing Board. Know the facts before you criticize.

Alice Webb Johnson  
Civilian Relationship Advisor.

## THE TELEPHONE MAKES AN APPEAL

The congestion of Long distance lines is becoming so serious that the C. and P. Telephone Company of Virginia is seeking the telephone-using public to make only necessary calls, to be brief, and to avoid using long distance lines especially during hours when calling is heaviest.

"War calls must come first," said Mr. H. S. Gay, manager, in explaining that the public can best help by making only necessary long distance calls; by making these calls before 9 A. M., between noon and 2 P. M., 5 and 7 P. M., and after 9 P. M., being as brief as possible (and being considerate in the use of the service if there are others on the line.)

"In normal times we would relieve this situation by building additional facilities, but in this emergency materials and supplies necessary for telephone construction are being used in the manufacture of war weapons. Our inability to obtain these essential materials makes it necessary to ask the public to cooperate in relieving the load on long distance."

"The object of this request," continued Mr. Gay, "is to save vital materials needed in the war effort and to avoid congestion which would interfere with the urgent calls in the Army, Navy, and other branches of military service."

Mr. Gay emphasized that from the

standpoint of telephone calls. Baltimore, Washington, Norfolk and Newport News are among the most congested areas in the country.

He said that the lines could be kept clear for vital war calls if long distance users make only necessary calls and use the service during less crowded hours.

## "THE SHANGHAI GESTURE" UNFOLDS STIRRING DRAMA

Reaching a goal coveted by Hollywood's leading production companies, Producer Arnold Pressburger and Director Josef von Sternberg recently completed the film version of John Colton's famous hit, "The Shanghai Gesture," and it is slated for its local premiere at the Pitts Theatre on Thursday and Friday, October 8-9 through United Artists release.

"The Shanghai Gesture" has a remarkable stellar cast headed by Gene Tierney, Walter Huston, Victor Mature, Ona Munson, Phyllis Brooks, Albert Basserman, Marie Ouspenskaya, Eric Blare, and a supporting cast of 60 others. There is little to differentiate the movie script from the original play, which at the time it was produced on Broadway by A. H. Woods, ran up a sensational record. The only radical digression from the play concerns a pivotal part written into the script for the super-hand-some Mature. In the film version he becomes a romantic Arab mystic.

As is to be expected from a von Sternberg-directed picture, lavish sets provide the background for "The Shanghai Gesture." One of the most spectacular is the casino operated by Mother Gin Sling. This casino is the ultra den of Shanghai, meeting place for devil and slum—just the sort of place that has made Shanghai

one of the most colorful spots on earth. The walls of Mother Gin Sling's dining room, where she gives an elaborate dinner during the Chinese New Year, are 3,000 square feet of mirror on which the noted Chinese artist, Keye Luke, painted over 750 Chinese figures.

Another colorful set consists of a street scene in Shanghai during the Chinese New Year—a set which is a maze of alleyways festooned with

bunting and alive with street parades, grotesque masks and firework displays.

Mother Gin Sling, a fascinating, glamorous woman bent on dire vengeance, is portrayed by Ona Munson; Gene Tierney plays Poppy, a girl who rushes headlong into disaster; Walter Huston is the smoothie, Sir Guy Charteris; and Phyllis Brooks appears as Dixie, a vivid blonde who doesn't know all the answers.

## WORLD COMMUNION

Next Sunday, October 4, has been designated as World Communion Sunday. This year the observance should meet with a more reverent response than ever before. All Christian denominations celebrate the institution established by the Master in some manner appropriate to their form of worship and all who believe in His teachings should go to their respective Churches and participate.

Dark days lie ahead for all of carnage that is taking place in other lands, scarcely realizing that all too soon our nation will likewise be drawn into the fiery furnace, and that our blood also will run in rivers.

For what lies ahead we need the spiritual guidance and comfort provided for us nearly two thousand years ago that blessed inspiration which has never failed the true Christian.

Last Sunday the inclement weather prevented a more general observance of the "go-to-church" movement. This Sunday may possibly be one of those glorious Fall days which are really so beautiful in Virginia, and we should utilize the sacred opportunity which will be afforded to renew our faith in the only power which can sustain us in the days to come.

## A LETTER OF THANKS

This is to personally thank our many friends and neighbors, forty-one to be exact, who so willingly came and cut our field of corn on Thursday night. They cut and shocked about seven acres in less than two hours to the surprise of the ladies who waited at the house to serve the men with plenty of sandwiches, coffee and doughnuts. Others have expressed their willingness to come had they known but it was all planned so quickly the word didn't get around to everyone.

To know that so many friends will "come through" in time of sickness helps to keep my spirit up.

Could you blame a soldier for asking that question when he learns that month after month the American people have fallen short of their national War Bond goals? What is wrong? We think one answer is that many people are not yet fully aware of the deadly nature of this war. Are you buying all the Bonds you can afford? Your country needs your help, urgently. Buy bonds here.

## CHURCH CLASS GOES ON PICNIC

On Thursday, September 24 the Phoebe Wood Sunday School Class of Grace Methodist Church journeyed to the hospitable home of Mrs. J. R. Eagle for their annual picnic. There were 18 members and two guests present.

Plenty of fried chicken, potato salad, deviled eggs, pickles and sandwiches decked the tables, with good old hot coffee to help ebb away the chilly breeze. When all those present thought they could never be hungry again, the hostess invited them to the dining room for home made cake and ice-cream. You can guess the rest.

During the late afternoon the President, Mrs. J. M. Allison presided over the business session and election of officers, a summary of the years work was read by the secretary with various other reports from officers and committees.

The class joined in singing, "Blest Be the Tie That Binds," after which the pastor, Rev. W. O. Luttrell dismissed them with prayer.

## BIRTHDAY SURPRISE

Sunday afternoon, September 27 a number of friends gathered at the home of Mr. and Mrs. Charles Akers to celebrate their son, Raymond's twenty-first birthday. Raymond was very greatly surprised that he had claimed no surprise could be pulled on him.

Those who enjoyed the party were Rev. and Mrs. E. E. Blough, Rev. and Mrs. Paul Sevigat and daughter, Roinel, Mr. and Mrs. Orin Kline and sons, Orin Jr., and Donnie, Mr. and Mrs. King and son of Washington, D. C. Harold and Miriam Hersch, Misses Roberta Sadd and Wilma Kline, Harly and Leon Kline.

Raymond received many lovely gifts, his sisters, Helen and Emma Jane gave him a leather bill fold containing \$5.00.

Some mirth provoking games were played after which delicious refreshments were served. The birthday cake was lovely and food fit for the "Gods."

The heavy down pour rain did not dampen the fun and hilarity.

The guests happily departed wishing Raymond many more birthday surprises.

## EDITOR SPEAKS

Ocoquan High School is again publishing the Hi-Di-Ho, the school paper, in Ocoquan, Virginia. The two assistant editors are Jean Sanford and Dorothy Corder, with Mr. Frank Sigman and Mrs. Sanford as faculty advisor and commercial advisor respectively.

The first issue included many changes. "Proud To Claim" related the news concerning our alumni in the armed forces and those employed in war work. "If I Could Speak" conveyed the duties of every student and teacher, the realization of working willingly in order to attain success. Many new columns were added. Some are "Classroom Diary," "Miss Hi-Di-Ho Says," "Teachers Own," "Along the Corridor," and "Heart Throbs."

"Our School" was the first editorial of this session written by Dorothy Corder.

Even though our beloved land is facing the grimmest war ever, thus making materials less available including paper, the Hi-Di-Ho Staff believes it is necessary to continue the paper for the best interest of the school and its students. The staff is eager to aid and improve the school, prove that democracy still survives on its pages, to recall its alumni, teachers long gone and activities of the school. These enumerations are considered potential by the present staff of "42" and "43."

Together, this school and others can bring about a better tomorrow for others to dwell in and for future classes, above mould us into better individuals. Let's aim for that goal and share in bringing victory to a land that has been so good to us, and remember if we have faith, nothing is impossible.

## PROUD PARENTS

Mother and son are getting along nicely.

## N. Y. A. SCHOOL DIRECTOR GUEST SPEAKER AT KIWANIS

E. W. Christopher director at the Manassas State vocational school since the beginning of August, was the guest speaker at the regular meeting of the Kiwanis club last week. He was present as the guest of Kiwanian Haydon.

Mr. Christopher gave some interesting data as to ready placement of all boys and girls leaving the institution. Two things of interest were mentioned. One the trend toward greater demand for girl defense workers, and the other the decreased time element in the training, most of the students going out in three months or even less whereas two years ago they were allowed as high as six and eight months. This he stated was due to the reduced budget under which the entire N. Y. A. program is advancing.

The speaker also gave some side lights on the everyday operating problems and bespoke the aid of the community in assisting him along these lines.

Harrie Byrd Conlin, of Arlington, a candidate for Congress in the November election, made an impromptu address of a few moments, largely dealing in generalities as to the necessity of biparty control in any true democracy.

Mr. Conlin comes of old Virginia people and his genial countenance and hearty handshake will win him many friends.

Mr. Haydon also called attention to the Go-to-Church movement which the Club sponsored and urged everyone to attend the following Sunday.

## KOONTZ-DEXTER

A wedding of much interest took place 4:00 P. M. Sunday, September 28th in Key West, Florida, when Miss Margaret Louise Dexter, daughter of Mrs. Sybil C. Dexter and the late William H. Dexter, because the bride of Lieutenant, (J. G.) Carroll Everett Koontz of Fairfax County, Virginia. The ring ceremony was performed by Dr. Ted Jones, pastor of the First Baptist Church. The bride was given in marriage by her cousin, Raymond Albury. She was gowned in a street length dress of aqua blue crepe with white accessories and an orchid corsage.

The bride's only attendant, Miss Dorothy Mae Dungan of Key West wore a street length dress of yellow crepe with white accessories and a corsage of yellow roses.

For best man Mr. Koontz chose Lieutenant (J. G.) Ralph Daniel Ettlinger.

A reception followed the ceremony at the home of the bride's mother, where their many friends and relatives called to wish them well.

Assisting in receiving the guests were Mrs. Miriam Albury, sister of Mrs. Dexter, Mrs. Harold Gibson, Mrs. John Fleming and Mrs. Leonard Sawyer, while Miss Jessie Gibson and Miss Dorothy Mae Dungan presided at the punch bowl.

Mrs. Koontz is a native of Key West, originating from one of the pioneer families, is a graduate of Monroe County, High School, and Florida State College at Tallahassee, Florida. She is also a member of the Junior Women's Club and very popular in social circles. Lieutenant Koontz attended Fairfax High School, Virginia Polytechnic Institute and is a member of American Society of Engineers. He completed his flight training at Pensacola, Florida and is now stationed at Key West.

## 24TH DOG MART

## AT FREDERICKSBURG

The annual Fredericksburg Dog Mart which started 244 years ago in 1698 when the white settlers and the Indians first met here and traded dogs, will be held this year October 23 to sell War Savings Bonds.

The event is expected to be the means of heavy sales of War Bonds by competitive bidding in Bonds when the dogs are auctioned. All dogs entered in the auction will be donated by patriotic people to assist the War Bond sales. Bidders for the dogs will bid in War Bonds. A man or woman who offers to buy the greatest amount of War Bonds will receive the dog they are bidding for. The Bonds will be purchased at the auction by the

successful bidder.

Registrations for the Mart are being made, and indications are that both entrants and spectators will be on hand in greater numbers than ever before. Roger Clarke, Chairman of the Fredericksburg War Savings Staff, is general chairman, and is being assisted by several committees.

The auction will be held on the James Monroe High School campus and will be in the morning with a bench show for all classes until noon. Following the show there will be a parade in which the Boy and Girl Scout Organizations, the dogs and their owners and military units from Fredericksburg and the Military Reservations will take part. In the afternoon the

## CHARMS REACH AFAR

Carmel Fitzgerald's face didn't launch a thousand ships, as did Helen's of Troy, but her photo in a recent Bell System advertisement did cause some international correspondence. When three RAF men in England happened to see it in an American magazine, they decided to find out just who this "Venus of the Switchboard" was, so one of them wrote from Liverpool to telephone headquarters in New York City. An official supplied the vital information. He informed them that theirs was only one of a number of inquiries about this 21-year-old lass with light brown hair. She came to New York City only a year ago from her home in Louisville, Ky.

auction will begin with the sounding of the auctioneer's ancient bell used in pre-Revolutionary days to summon slaves on the nearby farm of Mrs. Mary Washington, George Washington's mother.

The Virginia War Savings Staff of which Robert F. Nelson is Administrator is assisting Fredericksburg in making this War Bond Dog Mart a success. They have requested prominent people all over America to donate dogs for this cause and are also planning to have a famous person in Fredericksburg on October 22 to act as auctioneer.

Anyone desiring to give a dog to the Fredericksburg Dog Mart should contact: Roger Clarke, Dog Mart should contact Roger Clarke, Dog Mart Chairman, Fredericksburg, Va.

## OCCOQUAN

Fishing is getting to be pretty good  
now in Occoquan Creek. Get your  
fishing licenses and come spend a  
few days in our Historic City.The Fighting Engineers from Ft.  
Belvoir are constant visitors to our  
Town. The officer Candidate classes  
come here to map the town and vicini-  
ty. They also build pontoon bridges  
across the river for practice. A better  
place could not be found for either of  
those exercises. A moving picture of  
the engineers in action has also been  
taken in Occoquan. When you see  
this picture on the screen, if you do,  
remember the Historic grounds on  
which it was taken.THE FOLLOWING ARTICLE:  
taken from the Washington Post of  
September 29, 1942, is considered very  
appropriate for all young MEN and  
Women, "married," to read, so here  
it goes QUOTE: (Is there any valid  
reason for not drafting married men?  
This is supposed to be an "all out"  
war. Does that mean "all out except  
the married men"? Why arbitrarily  
exempt that group from the exigen-  
cies of war? If some one group must  
be spared from the war effort, should  
it not reasonably be specially gifted  
people who have the most to offer a  
post war world?I notice now that married men are  
perfectly willing to let mere chil-  
dren — 18 and 19 — year — olds —  
take their places in the serious busi-  
ness of war. Clever these married men  
at evading their responsibilities.  
Having hidden behind their wives,  
they now propose to build themselves  
a double barricade by shoving the  
youngsters out in front:While on war duty myself, I have  
observed first hand what the boys in  
uniform are doing for their country,  
(your country, too, married men).  
They are doing a real job, believe me.  
And so, when I see perfectly healthy  
married men of military age not in  
uniform — it makes my blood boil. Para-  
sitic wives, too, are deserving of con-  
tempt. Why should they be above and  
beyond in the disruptions of the war?Signed Sylvia Rowe,  
Minneapolis, Minn.,  
September 24, 1942.We believe this is a very appropri-  
ate article at this time when there is  
so much discussions about who should  
be required to fight for the defense  
and perpetuation of our Democratic  
System of Government. No able bod-  
ied man, single or married should be  
deferred, except he be in employment  
where he is producing indispensable  
war materials.We hope everybody will read the  
above article, and with very serious  
thoughts as to its application.The scrap collection is coming along  
grand in Occoquan. It is nearly as  
high as the Pyramids now.

## CATHARPIN

Our community has been deeply  
shocked by the sudden death of our  
beloved friend and neighbor, Mr.  
Charles Burgee Yeatman, age 55  
years, who passed away about 7:30  
Monday after only a heart attack. Mr.  
and Mrs. Yeatman spent Sunday  
evening in Fredericksburg with relatives.Mr. Yeatman was a man of noble  
character and will be greatly missed  
here in this community, by the school  
and other organizations where he  
always gave a helping hand. He was  
a kind friend and neighbor and a de-  
voted husband.Mr. Yeatman was a member of a  
Methodist Church in Washington, D.  
C. He leaves to mourn his loss, his  
wife, Henrietta White Yeatman and  
one brother.Funeral services were held Septem-  
ber 30th at 1:00 P. M. at his home.  
Interment was in Glenwood cemetery,  
Washington, D. C. at 3:30 P. M. The  
many beautiful flowers spoke of the  
high esteem in which he was held  
among his friends. To know him was  
to love him.Our deepest sympathy goes out to  
the widow, who was his childhood  
sweetheart. They had been married  
36 years and Thursday was their  
wedding anniversary.Mr. Yeatman was a government  
worker for years, but retired several  
years ago.His sweet to think we will meet  
again,

# Rationing Information for Prince William

(Continued from page 1)  
SUGAR SHORTAGE present supply is exhausted."

There is quite a shortage of sugar, due largely to lack of shipping facilities from the sources of our sugar supply.

Your whole-hearted cooperation is asked in using this much needed commodity. By doing this there will be sufficient sugar for every one. Let us act patriotically and fairly in our sugar demands, so that our boys may not be hampered in any way.

September 30 is the last day when certificates for canning sugar will be issued.

Mrs. Pattie H. Saunders will be at Quantico on October 29 at Masonic Temple to receive applications for the Industrial and Institutional users of sugar for the months of November and December.

Mrs. Thomas Young will represent the War Rationing Board and will register new applicants for sugar books at Quantico, Va.

## TIPS ON TIRES

The tire situation is becoming more critical every day, therefore, it is imperative that every automobile, truck, and tractor owner do everything he possibly can to conserve and make his tires last as long as possible. Anyone eligible for recapping or retreading services should apply early and not wait until his tires are almost to the point where they cannot be recapped. In this connection we quote Mr. Ernest Leach who has had 25 years in the tire business and is now consultant for the O. P. A. in Washington:

"In the opinion of Washington, if essential vehicles (particularly trucks) are to be kept in operation, recapping must and will become our most important method of rubber conservation. Any new tires that have given service for any purpose can be recapped if care is taken to preserve the carcass. Don't let anyone tell you that recapping cannot be used in their type of operations, it can and is being done all over the country, with excellent results. Of course, an operator who deliberately abuses his tires by excessive speeds (in excess of forty miles per hour), overloading, improper inflation, etc., will not be able to use recapped tires satisfactorily. The reason here is that his tire carcasses will be weakened or fatigued beyond repair and will soon blow out. His abuse or neglect will cause the blow-out, not the recapping."

The rubber supply in this country has become alarming depleted within the past few months. It is your job and our job to see that all operators within our jurisdiction preserve their tire carcasses. Tell them now that if they continue to drive at excessive speeds, overload their vehicles, fail to inflate their tires properly, they will not be eligible for tires when their

## A LETTER FOR AMERICANS

From New York Sun

Until this past May, the proprietor of a trim and inviting motor court in the South had to turn away tourists almost every night. Then, with the rationing of gasoline, he saw his business drop to a car or two a week.

He received a letter from an association proposing that motor-court owners unite to seek Congressional relief, including the taking over of mortgages by the RFC. It urged all motor-court owners to write or wire their Congressmen.

In reply, this man with a ruined business sent the following letter, which all Americans might well read:

Dear Sirs:

It seems to me that the proper person to call on for help is Adolph or Tojo. They started this mess and are responsible for its effects on every business in this country.

What about the automobile dealers is the government subsidizing them? What about the young doctors just starting to build up a practice who have been called away? What would happen if the government tried to relieve everyone whose business is hurt by war?

I can't see any basis for asking relief from my Congressman. It's an individual problem. Asking for help because of the war represents a failure to face the facts. We keep thinking and hoping that there can be at least some part of "business as usual."

The sooner we stop compromising, playing politics and giving in to this self-seeking pressure group and that — the sooner we settle down to an all-out effort — the sooner we can

The United States Army is recapping all tires an average of twice on their non-combat vehicles. If the Army can do it, all other operators can follow their good example.

If you are employed by a construction company, military establishment, or a member of the armed forces, it is necessary that you have a letter of certification from the Organized Transportation Committee, superintendent of construction work or your senior commanding officer.

Application will not be accepted unless it shows complete inspection with serial numbers of all tires inspected, so be sure this information is on your application before turning it into your local Rationing Board.

We urgently request the cooperation of all the vehicle owners and operators in Prince William County and please remember that "WE MUST RECAP TO WIN THIS WAR."

C. E. Hixson.

## GASOLINE

Prior to the emergencies 22 million gallons of gasoline was consumed daily in the Ration Area of which 95 per cent was moved by tankers and since that time the tankers that were not sunk have been diverted to other routes in order to furnish our armed forces in various parts of the world making it necessary to transport all of the gasoline over land, even though 80 per cent of the tank cars of the United States have been diverted to this purpose. It has been found that it is possible to bring in only 11 million gallons per day and, too, every tank of gasoline that moves into this section takes the place of a tank car of fuel oil for heating purposes.

When applying for your supplemental renewal please bring a list of your share-riding arrangement with the signature of each rider.

This office is open daily from 9:00 A. M. to 5:30 P. M. except Saturday which is from 9:00 A. M. to 12:45 P. M.

Application for Supplemental gasoline are acted on Tuesdays, Thursdays, and Saturdays—be sure to bring your registration cards.

Those whom we have asked to come to this board and bring their "C" book, should do this at once.

It is now in order to apply to the board for the second edition of ration books. They will be issued at once, but effective October 22, 1942. We especially request those having books expiring October 22 to come in as soon as possible. This office will be open for issuance of gas rationing 7 'til 10 o'clock P. M. October 3rd, 5th, 7th, 12th, 14th, and 19th, in addition to the regular hours mentioned above.

See Mr. W. N. Curtis, Manassas, Virginia for ride sharing plan.

P. L. Trénis.

## WAGENER PRIZE AGAIN OFFERED

Twenty-Eight Juniors And Seniors May Compete

Third and fourth year students of the Osbourn High School, Manassas, are invited to enroll as contestants for the W. C. Wagener Memorial Prize—offered now for the fourth consecutive year by Clarence Wagener—for the best book review written by junior or senior of the local high school and printed in The Journal between October 29, 1942, and May 20, 1943.

Not more than twenty-eight students may compete, because of the limited number of publication dates. It's a case of first served. But not less than eighteen students must sign up, else the prize offer will be null and void. Friday, October 16, 1942, is the last day on which entries can be received.

All books reviewed must be obtainable on loan from the Ruffner-Carnegie Library, Manassas. No book review is to exceed 400 words. No book reviewed by Clarence Wagener in 1938-39 or by a student competing for the W. C. Wagener Memorial Prize or the Supplementary Prize during the

the sessions, 1939-40, 1940-41 and 1941-42 can be reviewed again.

Three judges are to be selected—one judge each by Prof. Worth Peters, Principal; Miss Lucille Hamilton, Librarian, and Mrs. Keith Lyons, Teacher of English, of the Osbourn High School.

The winner, to be announced at the 1943 banquet of the Manassas High School Alumni Association, will receive the W. C. Wagener Memorial Prize, consisting of a Certificate of Achievement and an order on a Washington, D. C. bookstore for \$10.00 worth of books, of the winner's choosing.

During past sessions, Mr. Wagener has also offered a supplementary prize to students in the first and second year classes of the Osbourn High School. No supplementary prize is offered for the present session, due to the failure of most of last session's entrants to submit their reviews.

## HONORED AT DARTMOUTH

Stephen L. Johnson, son of Dr. Stephen L. Johnson, of Manassas, has been elected Editor-in-chief of the Dartmouth College undergraduate magazine, Jack-O-Lantern. A junior at Dartmouth, Johnson has been active on the editorial board of the Jacko for sometime. He graduated from Dunbar High School, Washington, D. C.

## HARRY SELEGMAN

The Journal is grieved to chronicle the passing on Tuesday of this week, of Harry T. Selegman, an honored citizen of Lorton who had spent an entire lifetime in that old neighborhood.

The funeral is being held tomorrow morning at the Methodist Church, Rev. D. N. Calvert, officiating.

Mrs. Leamon Ledman, of Manassas, is a sister. Also surviving the deceased are his widow, Effie, two brothers, Silas and John R. also of Occoquan, and two other sisters, Mrs. Daisy Hammill, of Washington and Mrs. Lucy Pierce, of Arlington County.

## HIGHWAY OFFICE CLOSING

General conditions have forced the State Highway Department to close its Prince William County office, the resident engineer, Claude W. Staggs going to Culpeper to take over the place of a Navy enlistment. He will have Culpeper and Rappahannock Counties.

Mr. A. T. Arnold, of Warrenton, will have Prince William affixed to his bailiwick.

By his genial personality and pride in local affairs, Mr. Staggs has greatly endeared himself to his many friends as well as to the general public.

His new residence will be 218 Piedmont Street, Culpeper.

## GREAT FALLS

Miss Dorothy Weatherholtz of Great Falls, Virginia, who is in training at Gallinger Municipal Hospital was home Sunday to celebrate her twentieth birthday. Along with her many presents she received a beautiful bracelet and perfume from her three room mates, Miss Pauline Duncan, Miss Stephen Zarnick, Miss Phillis Nieholine, who have become great friends since they entered training. is improving, nicely.

Mr. and Mrs. Kenneth Gardner, expect to move into their new home in a few days.

Mrs. Edith O'Rourke and husband, Sergeant O'Rourke, of Fort Belvoir, Virginia, spent the week-end with Mrs. O'Rourke's sister, Mrs. H. P. Weatherholtz of Great Falls, Virginia.

Mrs. D. F. Kinchloe and brother, Walter, spent the day with their sister, Mrs. Wells one day last week.

The awards may be allotted to two or more such purposes.)

### ELIGIBILITY

Every citizen, organization and business firm in Virginia, except those engaged in scrap collection as a means of livelihood, is eligible to participate in this contest.

Collections of individuals, firms and organizations will be credited to the city or county in which the individuals, firms or organizations are located.

### PROCEDURE

Local salvage committees will be in charge of the program in their respective communities.

Only scrap metal receipted in pounds on an official contest blank will be counted in the contest.

Community scrap inventories which have not already been sold to dealers or reported to the WRP at the beginning of the contest will count.

### JUDGES

Judges for the contest will be named by Martin H. Williams, chairman of the Virginia State Salvage Committee. The decision of the judges in all matters pertaining to the contest will be final.
