HUGE TRACT OF PRINCE WILLIAM AND STAFFORD TAKEN

JAIL SITUATION SCORED HEAVILY

Threatens Ouster Proceedings Unless Conditions Are Improved.

The Grand Jury of the October term of the Prince William County Circuit Court brought in a rather drastic report with respect to conditions existing in the Prince William Jail. The Grand Jury went even so far as to threaten ouster proceedings in case the necessary alterations were not immediately effected, although the report did not specify just who was being "spanked" in their report.

Members of the Grand Jury making the demand for immediate erection of a new jail or at least necessary repairs in case the materials to do more cannot be obtained are: McGruder L. Keys, Foreman; Hunter C. Allen, Alvin B. Compton, M. A. Ball, Malcolm Herndon, Fewell Melton and Orrin Rhine. The report reads as follows: "We the members of the Grand Jury for the October, 1942, Term of the Circuit Court of Prince William County, Virginia, upon investigation of the present County Jail do recommend that the Board of Supervisors do immediately proceed to erect a new County Jail if possible, or in the event that they are unable to obtain materials for the erection of a new County Jail at this time, then that they shall immediately repair the present County Jail in all necessary respects."

We make this recommendation after having examined the present County Jail hearing evidence as to the condition of the present County Jail and as to the escape of prisoners therefrom. We suggest that if the authorities charged with these duties fail to remedy the conditions immediately then the matter should be referred to the next Grand Jury for the Circuit Court of Prince William County to ascertain whether ouster proceedings should not be commenced."

SMITH HERD LEADS

The herd of Judge Howard W. Smith at Hickory Grove led the Prince William Dairy Herd Improvement Association in production during September, Elton Colonna Kellam, Association Tester, announced this week. The Smith herd produced an average of 813 pounds milk and 40.7 pounds butterfat per cow. Broadview Farm, Milford, was second with 762 pounds milk and 34 pounds butterfat per cow. The Clover Hill Farm herd at Manassas was third with 609 pounds milk and 32.3 pounds butterfat per cow. The Waterloo Farm herd at Hickory Grove was fourth with 759 pounds milk and 29.2 pounds butterfat per cow. Fifth was the herd of Wilmer M. Kline, Manassas, which produced 679 pounds milk and 28.8 pounds butterfat per cow. Sixth was Johnson and Wimsatt, Inc., Centerville, with an average production of 805 pounds milk and 27.9 pounds butterfat. The herd of Walter L. Coverston, Stone House, ranked seventh with 676 lbs. milk and 28.4 pounds butterfat. Birmingham Farm, Manassas, was eighth with a production of 744 pounds milk and 27.9 pounds butterfat. C. K. Wilkinson, Alexandria, R. 2, was ninth with 703 pounds milk and 26.1 pounds butterfat. The District of Columbia Work House herd at Occoquan was tenth with an average production of 719 pounds milk and 25.9 pounds butterfat per cow.

DECLINES IMPORTANT KIWANIS POST

The true meaning of community understanding and mutual growth by all parts of a neighborhood, were discussed at length in a very enlightening way at the last weekly meeting of the Manassas Kiwanis Club.

The Club was sorry to learn that R. C. Haydon had declined to stand for lieutenant governor of the Capitol District. Dick was sated to get it "hands-down" but felt that his official duties would make such a strenuous assignment a bit too much to assume.

The delegates are in session this week and when the Club meets tomorrow evening, announcements will be made as to the district leaders for 1943.

AIR CRAFT POST TO BE MOVED

Aircraft observation post No. 15-8-D is being moved from Hickory Grove into town of Haymarket effective Sunday, October 11th at 3 P. M. Mrs. Audrey Kerr will be the Chief Observer. This post will be dedicated at this time by Sidney Weil, District Director A. W. S., Alexandria, Va. There will be other speaker on the program for the occasion.

MEMORIAL DAY FOR SOLDIERS

All Day Observance At Nokesville Methodist Church

A military memorial service was observed at Nokesville Methodist Church on Sunday, the pastor, Rev. John Newman, officiating, assisted by Rev. C. W. Mark, for many, many years pastor of the same church, and also by Rev. W. O. Luttrell, pastor of Grace Methodist Church, Manassas.

A very pleasant feature of the day was the fact that the regular organist, Miss Mary Owens, one of the outstanding young players in the county, was home from college to render the music. She played several beautiful selections throughout the service as well as the stated hymns.

A tense moment arrived when Brother Mark gave a heartfelt prayer for the boys "in service." As one who has lived through other wars, he brought out the most devout thoughts and prayers by all those present for "their" boys. Only one boy was able to get home from camp and this was Lieut. "Billy" Hale, 2nd, who is located at Fort Eustis, Virginia.

The daily devotion books by Chaplain Nagaard will be sent to the following: Lieut. Genevieve Colvin, Rufus Beamer, Corporal Sidney Colvin, Woodrow Colvin, Sam Crummett (overseas), Captain Charles B. Martin, Robert Gray, Ernest Hale, Buddy Hedrick, Marion Miller, Lieut. Philip Reading (overseas), Sergeant Vance Somers, Gordon Walters, Marvin Wright, Lieut. John Hooker, Bernard Hoee, and Charles Herring.

The pastor's sermon in the forenoon was devoted to the thought that something is "too often left out," stressing the need of calling in the divine power on all occasions. In the afternoon, Rev. Luttrell gave a strengthening and a heart warming discourse.

A very pretty portion of the all day service was the baptizing of Miss Constance Lee Manuel, granddaughter of J. B. Manuel, one of the real pillars of the local church.

Incidentally, the collection taken on this occasion will be used for the benefit of service men.

Mention of the grand luncheon at 12:30 should not be omitted. It was true southern hospitality and much enjoyed.

ELECTRICAL SHOW AT DEFENSE SCHOOL

Professor Edmondston's electrical wizards put on the fireworks at the NYA gymnasium on Tuesday evening but omitted the frigid zone preparations which, Professor said, would arrive later.

High frequency alternating currents were beautifully demonstrated and repeatedly passed through the bodies of the youthful assistants, lightning single and twin light bulbs, creating glowing thimbles, swords, quasi spoons, rotating "lightning" and many others dazzling numbers.

Just to relieve the excitement, the glee club put on two sets of spirituals, a blackface skit and a comedy number rounded out things mightily nicely.

This is just another instance where these boys and girls have gone to a lot of trouble to let the folks know they are here to be neighborly and homelike among friends.

P. T. A. MEETING AT GREENWICH

The regular meeting of the Greenwich P. T. A. will be held Thursday, October 15. Mrs. Newman Hopkins is in charge of the program. All members and friends are urged to attend.

PLAYING WITH FIRE

ORDERED TO REPORT FOR MILITARY SERVICE

The following men have been ordered to report for induction into the Armed Forces on October 14, 1942, at Charlottesville, Virginia:

Russell Conley, Woodbridge, Va.; Odie McCoy Carter, Manassas, Va.; Osie Douglas Robinson, Manassas, Va.; William E. Miller, Manassas, Va.; Edgar Erwin Rohr, Manassas, Va.; Levi Fair, Manassas, Va.; Eddie Russell, Woodbridge, Va.; John Elwood Davis, Nokesville, Va.; John Clagett Russell, Woodbridge, Va.; Walnut Fox, Manassas, Va.; Anderson Henry, Cherry Hill, Va.; Orville Randolph Gordon, Woodbridge, Va.; James Franklin Randall, Bristow, Va.; Edmund Barry Roland, Haymarket, Va.; Joseph Henry Anderson, Catlett, Va.

John Murray Blackwell, Woodbridge, Va.; Robert Wilson Smith, Occoquan, Va.; Edson Myron Lynn, Jr., Occoquan, Va.; Edgar Caton Jones, Dumfries, Va.; Charles Frederick Hale, Woodbridge, Va.; Willie Elvin Abel, Triangle, Va.; Norman Smith Ashby, Thoroughfare, Va.; John William Harpne, Jr., Nokesville, Va.; Wingfield Manuel Sullivan, Woodbridge, Va.; Andrew Roderick Stanley, Alexandria, Va.; William Francis Ruffner, Occoquan, Va.; John Thomas Kearnes, Waterfall, Va.; Clarence Everett Alderman, Woodbridge, Va.; William Ramsey Smith, Gainesville, Va.; Edward Dewey Ike, Quantico, Va.

PRINCE WILLIAM "OVER THE TOP" IN U. S. O. DRIVE

State Chairman John Stewart of the U. S. O. has issued a report as of August 7th, 1942. On that date four counties had not started or were incomplete. Fairfax tacked its U. S. O. fund to the annual community drive while Albemarle, Loudoun and Louisa were still receiving funds. County Chairman Conner states that enough money was turned in after this report went in to bring this County up to about 105% of its quota. The District average was less than 80%. The report follows:

CHAIRMAN	QUOTA RAISED
(ALBEMARLE) W. A. Rinehart	\$ 6,400.00 4,365.80 68.2%
CULPEPER P. Winfree Fore	1,500.00 2,473.22 162.4%
FAUQUIER Jane I. Haserick	5,000.00 2,352.70 47%
FLUVANNA Harold R. Stephenson	600.00 656.91 109.3%
GOOCHLAND Elie Weeks	525.00 578.24 110.1%
GREENE John Morris	500.00 50.00 10%
KING GEORGE Joseph A. Billingsley	600.00 25.00 4%
LOUDOUN Sterling B. Lacy	5,100.00 2,703.13 53%
LOUISA Emmett H. Poindexter	1,350.00 536.08 47.1%
MADISON John R. Brown	750.00 1,075.65 143.7%
ORANGE W. H. Kite	1,350.00 1,904.79 103%
PRINCE WILLIAM E. R. Conner	1,750.00 1,750.00 100%
STAFFORD Frank Moncure	1,000.00 811.42 81.1%

CIVILIAN DEFENSE TRAINING CLASS

The Civilian Defense Council is glad to announce a course of training for Civilian Defense workers, the first lecture to be held in the Town Hall, Manassas, Va., on October 16, 1942 at 7:30 P. M.

October 16th—Bombs—William F. Barbour, Alexandria, Va.

October 19th—General Course—William H. Lamb, Manassas, Va.

October 21st—Traffic—I. B. Lykes, Joplin, Va.

October 23rd—Gases—William F. Barbour, Alexandria, Va.

October 28th—Fire Defense—I. B. Lykes, Joplin, Va.

October 30th—General Course.

First Aid Course—November 2nd through 9th under Edwin Beachley.

This course is open to the public and it is hoped as many as possible will avail themselves of this opportunity to be prepared to assist in Civilian Defense and back up our boys who are at the front.

Huntton Tiffany, Coordinator.

SALVAGE GROUP MUCH ENCOURAGED

Chairman Holler Says That National Average Is Already In Sight.

Chairman O. O. Holler, of the county salvage committee, is quite enthusiastic over the results of the campaign to date. He estimates the amount already turned in at around 200 tons, with more coming in right along.

If the county could get up and past 300 tons it would certainly be a banner county. The per capita is not quite what the State of Virginia had set up but at 300 tons it would be "over the top." As it is, the national average will surely be reached before the end of the campaign.

One of the most patriotic campaigns was around Greenwich where a handful of students had a loan of horse and wagon, with gigantic returns for their efforts.

The campaign is really just getting a good head start around Dumfries where Mrs. Lynn, the school principal, is having fine returns. The school at Occoquan is cooperating with the local fire department, under R. S. Hall.

At Nokesville, things are beginning to pick up now that most of the corn is cut, and much planting out of the way. Messrs. McLearn and McMichael are doing things over in that very loyal community.

PRINCE WILLIAM EVACUATION PLANS

Plans for evacuating approximately 150 Prince William County rural families in the area affected by the expansion of the Quantico Marine Reservation were made Wednesday, October 7, at a meeting at the County Agents office at Manassas.

A local agricultural committee headed by William H. Wheeler, Chairman of the Prince William County USDA War Board, will assist affected farmers.

The area to be acquired in Prince William County consists of approximately 15,000 acres in Coles and Dumfries Districts.

While the exact boundaries of the tract cannot be determined until surveys now being made are completed, the Navy Department has announced that the Prince William area of the expanded reservation will be roughly bounded by a line beginning in Triangle at the corner of the U. S. Marine Reservation on State Route No. 626 and following along State Routes Numbers 626 and 619 to their intersection with Road No. 646 from Independent Hill to its crossing with Cedar Run, then southwesterly along Cedar Run to the Fauquier County line.

STOLEN AUTO QUICKLY RECOVERED

Last Monday Col. Robert H. Hutchison inadvertently left his key in his automobile as it stood in front of his office last Monday. When he came out a little later his car was missing. It had been stolen.

Hastening to the Sheriff's Office the Colonel turned the member of the license and description of the car to "the law," and before the afternoon was over the car had been recovered by Officers Partlow and Vetter and the culprit landed in jail.

Quick work on the part of Messrs. Partlow and Vetter.

GOVERNMENT WILL EXPAND QUANTICO

Land In Prince William And Stafford To Be Purchased SOME RESIDENTS WILL BE MOVED FROM HOMES

A 50,000-acre expansion of the Marine Base at Quantico, Va., will provide permanent additional facilities for the training of officer personnel, Marine Corps headquarters announced yesterday.

The Navy Department is undertaking to purchase the properties making up the tract in Prince William, Fauquier and Stafford Counties, and the announcement disclosed that the move would require the evacuation of a "number of residents" from settlements in the area. The addition will increase the size of the present base many times.

The Eastern Virginia Federal District Court already has awarded legal possession of the lands to the government, but actual title will not be taken until surveys and appraisals shall have been made.

A navy office will be established in the area to keep residents advised of the progress of acquisition, with the Department of Interior handling land surveys. Title information will be obtained without expense to the property owners.

Residents will not have to move until notified to do so by representatives of the Navy, the announcement said.

"In the meantime," it said, "State and county war boards which have been established by the U. S. Department of Agriculture will cooperate with the Navy by assisting in the evacuation of residents who will be required to move to other locations."

"The war boards will be advised by the Navy Department as to just which properties will be taken and the dates on which they must be vacated and meetings under their direction will be held in the locality to discuss the various problems which arise."

"These war boards also will assist farmers in locating new farms, in caring for livestock and machinery and will aid in providing temporary employment where possible. Plans will be worked out by the navy and war boards for salvage of usable building material."

MUST MOVE BY OCTOBER 30

Twenty-five or 30 leading Stafford County citizens, under the direction of W. L. Browning, county agent and secretary of the Stafford Agricultural War Board, this week will make a hurried but complete survey of the people and homes in the 30,000 acres taken from the county by the navy for the enlargement of the Quantico Marine Base by 50,000 additional acres. The Navy has notified Stafford people to move out of their homes by October 26.

"Quick action is necessary," says Browning.

"To see all the people living in the area; find out what they are doing, what they can do; what they wish to do, every effort will be made to find permanent or temporary homes and work for them."

Browning estimates that 1,000 people are living in 250 homes in the 30,000 Stafford County acres, most of which is the northwestern portion of the county, north of Aquia Creek. The aim is to complete the survey by Friday.

Plans for the survey and other plans to help people in the quick removal from their homes were made Wednesday morning in Browning's office in Fredericksburg Postoffice Building, attended by 40 county leaders, including Aubrey N. Daffan, FSA supervisor; Levert P. Graves, chairman County Agricultural War Board, and Robert Estes, chairman of the county Board of Supervisors.

Browning appeals to all having farms for sale or rent, or who can furnish work or jobs for evacuees to get in touch with him in his Fredericksburg office.

SAFEGUARD GROCERY TO HANDLE FAT, SCRAP

Mr. O. O. Holler, chairman of the Salvage Drive announces the arrangements have been made with the Safeway Grocery at Manassas to handle fat scrap.

Come To Church

You are cordially invited to attend all of these services.

GREENWICH

The Greenwich School children, with the help of Mrs. Leach and her horses and wagon, are thoroughly combining the Greenwich neighborhood for scrap materials.

All of the children are helping locate and collect the materials. Robert Jackson, Joe Spittle, Herbert Wood and Billy Ross are attending to the moving of it.

The school wishes to thank all the people in the community for their splendid cooperation in this drive.

CHRISTIAN SCIENCE

"Are Sin, Disease, and Death Real?" will be the subject of the Lesson-Sermon in all churches and societies of Christ, Scientist, on Sunday, October 11.

The Golden Text will be "Salvation belongeth unto the Lord: thy blessing is upon thy people" (Ps. 3:8). Bible selections will include the following passage from Rev. 4:11: "Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created."

One of the passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, included in the Lesson-Sermon, reads as follows: "Sin, sickness, and death are comprised in human material belief, and belong not to the divine Mind. They are without a real origin or existence. They have neither Principle nor permanence, but belong, with all that is material and temporal, to the nothingness of error, which simulates the creations of Truth" (p. 286).

KING GEORGE-STAFFORD

SCHOOL BOARDS REFUSE TO RELEASE TEACHERS

Teachers in King George and Stafford Counties who have signed contracts, not to be released to accept more remunerative positions.

The School Boards of King George and Stafford Counties have passed resolutions against the acceptance of

resignations or the granting of leaves of absence to teachers who have contracted to teach in the schools of the division and the Stafford School Board has already taken action toward the revocation of the teaching certificate of one teacher who has violated her contract. Similar action is promised any teacher who, in the future, leaves her teaching position thereby breaking her contract during the school term.

The right to

SPEAK WITHOUT FEAR

FREEDOM OF SPEECH is a keystone in the American way of life. Take it away and the torch of liberty will surely flicker out.

The conquered people know—now—how precious this freedom is. Today, they can't speak freely without fear of the bite of a whip, the slow torture of a concentration camp, or death.

But freedom of speech will not be taken away from Americans! To preserve that liberty we're working and fighting and sacrificing as never before. What's more, we're going to win this war!

Our enemies can find smashing proof of that in the courage and the determination of American fighting men; in the overwhelming number of planes and tanks and guns that are rolling off American production lines; and in the huge volume of war materials and supplies and fighting men being transported smoothly and efficiently by the American railroads.

The Southern Railway System, like other American railroads, has pledged its all to the winning of this war. We're terribly in earnest about it, and therefore we are placing war transportation needs ahead of everything else.

Last year the Southern carried more freight than it has ever carried before in all its long history, 31 percent more than it carried in 1940;

and 46 per cent more than it carried during World War I; and more than twice as much as it carried in the depression years of 1932-33-34. Most of this increase has been due to war demands; raw materials for armament, tank and airplane factories; materials and supplies to equip, and food to maintain, our rapidly expanding land, air and naval forces.

In the first half of this year the volume of freight handled by the Southern again broke all records, exceeding the first half of 1941 by 37 percent and topping by far every previous mark of a half century of service.

We are proud of this achievement. Our pride is the kind that drives us on to even greater achievements. And in so serving the nation with our best in this great emergency, we are learning how better to "serve the South" when Victory has been won and the God-given right of free men to speak without fear has been guaranteed for the generations to come.

That is worth fighting for!

Ernest E. Davis

President,

SOUTHERN RAILWAY SYSTEM

THE SOUTHERN SERVES THE SOUTH

DUMFRIES

Mrs. R. J. Adamson spent a few days with Mr. and Mrs. Wilson Merchant in Manassas.

Mr. John Mercer is spending this week with relatives in Southwest, Virginia.

Miss June Brawner spent this week-end with friends in Baltimore.

Mr. and Mrs. William Killian spent Sunday with her parents, Mr. and Mrs. C. H. Brawner.

Mrs. J. B. Freeheart, of Chesterfield, Va., spent this week-end with Mrs. D. J. Davis.

The Young People's Church Group met at the home of Mickey Winfree, Thursday night.

Mr. and Mrs. Alvin Austin spent Sunday with his mother, Mrs. William Austin.

Misses Elizabeth and June Brawner spent Wednesday at Richmond and attended the wedding of Miss Mary Ann Musick and Mr. Patrick H. Taylor.

ACT BEFORE IT IS TOO LATE!

The notion that the United States is a land of plenty dies hard. But we are told by authorities who should know that the steel mills are faced with a serious shortage of steel scrap and other vital materials and that unless relieved this condition will become desperate.

Today, as it has never been before, the United States is fighting for its very life.

This is a war of metals. Our mills and factories are working around the clock, 168 hours a week, to speed production of the ships, planes, bombs, tanks, guns, and shells that we must have to win this war.

Steel is normally made by melting together pig iron and steel scrap. However, the highest quality steel can be made entirely from either pig iron or steel scrap. But the important thing to remember is that every ton of steel scrap takes the place of one of pig iron, and to make one ton of pig iron takes two tons of iron ore, one and two-tenths tons of coal, and one half ton of limestone.

There simply are not enough mining, transportation, and plant facilities to supply and handle the iron ore, coal, and limestone necessary to make enough pig iron to make anywhere near the amount of steel that MUST be had to win the victory. This deficiency will have to be overcome with steel scrap.

Steel for vital civilian needs will come AFTER military needs are met. The amount of scrap collected and made available will have a direct bearing upon allocation of materials for civilian uses during and immediately after the war.

Each and every one of us has an obligation to our country. It calls, NOW, for help to provide the material to build the war machine.

Many of us have loved ones in the Armed Forces. Many more will have. On the Seven Seas and on Foreign Lands and in the Air, they are fighting and dying in a supreme sacrifice that the Nation may live. If and when some of us have to receive that awful phrase, "Lost in Action," we certainly and surely will not want our conscience to tell us that might not have happened if they had been supplied with guns and shells and had a fighting chance.

I appeal to you as a Patriotic American to collect every available pound of scrap, such as iron and steel, lead, zinc, aluminum, copper and brass, electric cords and wiring, and to get it on the way to the steel mill NOW, before it is covered with snow and next year is too late.

If we fail, there will be plenty of scrap. The Axis Powers will provide it, with bombings, and we will be picking pieces of scrap off the streets and out of the bodies of our fellow countrymen. We MUST not fail.

Scrap will be accepted at Nokesville Supply Co. at the prevailing local prices and weighed free of charge. Or you can sell it to any junk dealer. But PLEASE start it on the way to the mills NOW.

Thanking you, we are,
Very truly yours,

Nokesville Supply Company, Inc.
Nokesville, Virginia.

SAFEWAY Homemakers' Guide

NUMBER 64 ★ How to get a course in nutrition by mail ★ List of nutritional foods
★ How Kay helped defense at home

Are you sure
your family's
fed right?

To help in the Government's program to make this Nation the first national family of buoyantly healthy people the world has ever known, Safeway Homemakers' Bureau is offering a correspondence course in nutrition and menu planning.

This new "Kitchen Course in Nutrition" is just off the press, to meet war-time demands and includes the newest nutritional standards recommended by our Government.

It's a personalized course, so flexible it will enable you to work out your family food problems regardless of size or ages. It's a course that you can and should use every day.

This material, gathered from Government and Homemakers' Bureau sources costs thousands of dollars. Yet this practical and understandable course, condensed and organized by our own Graduate Nutritionists, is available to you by mail for only 25c.

MAIL THIS COUPON TODAY

Julia Lee Wright,
P. O. Box 660-CC,
Oakland, California

Please enroll me in "Kitchen Course in Nutrition," a correspondence course of 10 easy lessons. Enclosed is 25c in coin, covering the cost of the entire course.

"HER CARDBOARD LOVER" RE-UNITES SHEARER & TAYLOR
IN GAY NEW HIT

Combining their talent for the first time since their remarkable triumph in "Escape," Norma Shearer and Robert Taylor again co-star in "Her Cardboard Lover," which begins a two day showing at the Pitts Theatre on Monday and Tuesday, October 12-13. Their reunion is a worthwhile screen event. As a demonstration of their versatility, this comedy from the play by Jacques Deval is an ideal vehicle. The story has been lavishly mounted, with spectacular backgrounds placed in a smart Florida winter resort. The Merto-Goldwyn-Mayer art department went the limit, as did the costume designers and photographers. The direction by George Cukor is further evidence of his suave ability in sophisticated material.

"Her Cardboard Lover" is the story of a delightful girl in a fashionable resort who fears to marry the man she loves because of his instability. In order to elude him she employs another youth who is madly in love with her to act as a sort of bodyguard. Robert Taylor impersonates the latter with George Sanders as the playboy. From the mirthful complications that develop under this arrangement, an amusing and unusual story blooms in clever dialogue and colorful action. It is obvious, in an account of the story, but not always on the screen,

that Taylor is blessed with luck and wins the girl.

Frank McHugh and Elizabeth Patterson have rich comedy roles in support. McHugh and Taylor form a song writing team which composes a number called "I Dare You," that becomes a hit. Actually it was written by Burton Lane and Ralph Freed, and is charming melody.

"Her Cardboard Lover" is sheer entertainment all the way through—or, to coin a phrase, "Shearer comedy Tailored to perfection."

GAINESVILLE

Mr. Macon Cave Piercy, second son of Mr. and Mrs. Thomas Piercy, who has volunteered for services at this writing at Camp Lee, Virginia. "Buddy" as he is known to most of us has been on the diary farm with his parents since his graduation at Haymarket High School.

Pvt. Piercy spent Sunday with his parents.

Mrs. Jack Hunt and son of Haymarket High School.

Mrs. Jack Hunt and son of Haymarket spent Friday with her sister, Mrs. S. Nim Lightner.

Miss Evelyn Smith spent several days last week with her sister, Mrs. Lawrence Hunsberger at Clifton.

Mrs. Vernon Wood and little son, Robbie were Monday evening callers of Mr. and Mrs. William Corder.

Mr. and Mrs. Luther McIntosh, Mrs. Jennie McIntosh all of Catharph,

Miss Madge Smith, of Alexandria, Mr. Palmer Smith, Jr., of Arlington, Mrs. Wilson Russell of Washington were at Sunday callers at Mountain View Farm.

Mr. William Piercy, who is a patient of the Doctors Hospital is reported doing very nicely. "Billy" has had an appendicitis operation. His many friends wish him a speedy recovery.

THE NEW DEFENSE CLASS

As announced by Mr. Tiffany on page 1 of this issue of The Journal a new Defense Class is being organized.

We urge all that can do so to avail themselves of this opportunity to qualify in Defense work.

Under Virginia law no one can wear the official insignia and perform the official duties of air warden, auxiliary police and other important Civilian Defense assignments unless the required training has been completed.

It does require considerable devotion to the cause of home protection to qualify in this work but the safety of the home surely deserves the effort.

There are many communities in Prince William now dependent upon outside assistance in blackouts and air-raid tests when they can, and should, defend themselves.

The trouble is that too many good folks do not appreciate the seriousness of the situation and still think the war is to be fought far away.

It will surely come to us and we should be ready.

What are you doing toward the necessary defense of your own home and community?

THE BEER CURFEW

Retail sale of beer will end in Virginia at 11 P. M. every night instead of midnight when the new regulation goes into effect on October 15.

In putting an 11 o'clock curfew on the sale of beer the Virginia Alcoholic Beverage Control Board gives an important reason for the new restriction, but there are also other considerations which make the new regulation most advisable.

The A. B. C. Board says that the purpose of the earlier closing hour is "primarily to discourage the congregation of persons late at night in establishments located in areas whose populations have become greatly increased as

a result of war activities."

We believe that the regulation will also meet with hearty approval of Civilian Defense authorities. Prolonged blackout periods are thought to be just around the corner and it is certain that the congregation of beer and wine patrons in establishments holding A. B. C. licenses creates a definite safety hazard—particularly if the air-raid warden on duty in a certain area has a direct or even indirect interest in how many prospective patrons find shelter in a "booze emporium."

It is stated that the "on premises consumption of wine and beer" is also included in the regulation so that it will not be permissible to buy up a supply and consume it on the premises after the 11 o'clock curfew has arrived.

While on this subject, however, we just cannot help wondering why there should not be some rationing of beer and wine. We need alcohol for all kinds of war purposes including the manufacture of synthetic rubber, yet the beer wagons continue to rumble past our doors loaded with undiminished quantities of booze.

THE OBSERVER SAYS

If you have scrap metal to contribute to the salvage drive now in progress, get it together promptly to meet the schedule of collections in your neighborhood.

Scrap metal is heavy and in small quantities the cost of collection runs very high—exceeding in many cases the value of the material.

So, if you really have any scrap metal, even in small amounts, get it ready at once and notify your local committee.

Let it not be found that the Japs did a better job collecting our scrap iron than we can do ourselves. There is no doubt that they did put one over on us in this matter and that they will be shooting our scrap-iron back at us for a long time to come.

However, the Japs are definitely known to be constructing their munitions with inferior metal. Probably they have to use their scrap-iron straight. Our scrap, on the other hand, is mixed with new ore at the smelters to produce the finest steel. So remember that a pound of your scrap iron will make two pounds of steel. It should also be borne in mind that this scrap metal is absolutely necessary in the construction of steel, which cannot be made economically from the pure product from the mines.

When you fail, therefore, to turn in a pound of old iron, you are cutting off two pounds of steel which otherwise might be hurled at the filthy Japs.

—News Observer

BIG PUMPKIN

Mr. J. W. Smith has on exhibit at the Prince William Restaurant a pumpkin which is four feet, two and one half inches in circumference in its longest girth. It was grown by M. S. White, father of Sgt. Ashby White, U. S. A.

Mr. Smith estimates that it will make at least 30 pies.

BRIEF LOCAL NEWS

Mrs. J. P. Royer will entertain the Wednesday bridge club next week. Mr. and Mrs. Rembert Smith have gone south for a month.

Miss Alice Nelson will spend the week-end in Orange, Va. Miss Josephine Morris has accepted a position in Warrenton.

Mrs. Vincent Davis is attending the V. P. I. home coming.

Mr. and Mrs. Luther Pearson and son, Richard of Pittsburgh, Pa. were the week-end guests of Pearson's parents, Mr. and Mrs. F. M. Pearson, of Woodbridge. They also visited Mrs. Pearson's parents, Mr. and Mrs. Walter Allison of near Catharpin.

Mrs. Anne Adamson has been visiting friends and relatives in Manassas. Mr. and Mrs. Maurice Smith and Mary Elizabeth are spending a few days in Manassas this week.

Captain and Mrs. Claude Smith and their three children, Elaine, Claude, Jr., and Jack spend Sunday with Mr. and Mrs. J. W. Smith.

Elizabeth Miller who has been in the sick list we are glad to say is able to return to her work in Washington, D. C.

GOLDEN ANNIVERSARY CELEBRATED

Mr. and Mrs. George R. Smith of 121 South Henry Street, Alexandria, Virginia were married 50 years ago today. They were honored at the home of their son and daughter-in-law, Mr. and Mrs. R. Clyde Smith, at 113 West Braddock Road.

Relatives and friends of the couple were invited and an invitation to members of their church, The Washington Street Methodist Church, was issued from the pulpit by their pastor, The Rev. Dr. Cecil Cooper Bell.

Joining them at the R. Clyde Smith's residence were relatives and friends and all of the couples sons, and their only daughter, also joining them were their loving grandchildren.

The couple's children are Mrs. E. H. Shreve, of Rosemond, Messers. Elmer, Clyde and George Smith of Virginia Highlands, Dr. Kermit Smith of Silver Spring, and Mr. Marshall Smith, of Lynchburg.

The couple received many beautiful and useful gifts.

This couple were both formerly of Prince William County. Mr. Smith coming from Gainesville, Virginia and as a youth was a member of the Sudley Church at Catharpin.

Mrs. Smith formerly of Thoroughfare, Virginia, will be remembered as Miss Rosa Fletcher.

Many good wishes remained with the couple.

EDUCATION PROGRAM FOR WOMAN'S CLUB

The October meeting of the Manassas Woman's Club will be held Monday night, at 8:00 o'clock in the Parish Hall.

The program will be a forum on "American Citizenship" as arranged by Mrs. Marshall Douglas, chairman of the Education Committee and several ladies will take part.

The music committee has arranged special musical numbers by some of Manassas' younger singers.

The hostesses for the meeting will be Mrs. M. S. Burchard, Mrs. Paul Cooksey, Mrs. Lewis Carper, Mrs. R. W. Champion, Mrs. William F. Cocke and Mrs. C. Lacey Compton.

Members of the Club are asked to note that this is one of the regular night meetings.

CULPEPER WINS HARD EARNED VICTORY OVER Y. J. 13-7

The football curtain was raised last Friday as the Yellow Jackets of Osbourne High bowed to the Culpeper High Teac 13-7.

The Yellow Jackets elected to receive the kick-off as Captain Calmer Bolding won the toss of the coin. Buddy Merchant, Edward Jasper, and Junior Roseberry alternated in running the ends to carry the ball to the 20 yard line before losing the ball on downs.

After exchanging kicks the victors took the ball for a touchdown on reverses and spinners to lead 7-0.

Manassas took the kick-off and marched to the 40 yard line on end runs and on a reverse from Jasper, Merchant took the ball and raced 60 yards to a touchdown. Harold Hersch tied the score by catching a pass from Junior Roseberry.

Culpeper scored another touchdown in the third quarter to win the game 13-7.

The offensive playing of Merchant and the defensive play of Conner, Jasper, and Captain Bolding was the highlight of the game.

The Yellow Jackets play Marshall High School in Marshall on Friday, October 9. The Jackets hope to hit the win column in this game.

LINE-UP:—

SEPTEMBER ACTIVITIES OF EMPLOYMENT AGENCY

During September 972 persons were placed in employment by the Alexandria office of the United States Employment Service, according to the report submitted today by Manager Carter W. Friend. This office serves Arlington, Fairfax, and Prince William Counties, and the City of Alexandria.

Of the 972 placements, 401 were on construction projects, 110 in manufacturing industries, 348 with regular government, 23 in agriculture and 90 with other types of employers. Also 47 persons were placed with employers outside of the local operating area.

Also during the month 501 persons filed applications for first time and 580 renewed their applications.

A full-time representative of the U. S. Employment Service is stationed at the Manassas War Production Training Project in Manassas, Virginia. Over 75 youths were placed in essential war production in Virginia and surrounding states during September.

There are many employment opportunities for women in war industries after they have been trained at Manassas, Friend stated. This training can be obtained without cost and there are vacancies at the present time. Women, 18 to 24 years of age and men, 17 to 24, who desire training in Electricity, Machine Shop, Radio, Sheet Metal, Welding, and Woodworking are urged to apply immediately at the U. S. Employment Service.

THE STATE DEBT

From the Governor's recent message to the General Assembly we note the following interesting summary of the outstanding obligations of the Commonwealth. Much interesting history surrounds some of these items, particularly the Riddleberger Bonds. The items, as listed by Governor Darden are as follows:

School and College Refunding Bonds.....\$2,391,000.00

Riddleberger Refunding Bonds. Both of these issues bear interest at 4% and mature July 1, 1962. — \$2,440,000.00

Refunding Bonds - Series 1936, (maturing in fixed amounts annually through July 1, 1966, and bearing interest from 1-3/4 to 2 1/4% depending upon maturity). — \$9,900,000.00

Highway Bonds (maturing in fixed amounts each year from July 1, 1944, to July 1, 1947, inclusive, and bearing interest from 1-3/4 to 2 1/4% depending upon maturity). These constitute a charge against high way funds.

.....\$3,428,000.00

Old and Unfunded Debt. The evidences of this debt have never been presented for conversion under any of the funding acts - the last of which was passed\$18,550,673.38

U. D. C. WILL MEET WITH MRS. DENNIS BAKER

The Manassas Chapter United Daughters of the Confederacy will meet on Wednesday, October 14, at 2:30 P. M. at the home of Mrs. Dennis Baker, Mrs. Marshall Douglas assistant hostess. Major Joseph Miller Hanson has accepted an invitation to be present and speak about the Manassas Battlefield Park, and its significance today, and read an original poem.

FRATERNAL BANQUET

Bull Run Council, O. F. A., is entertaining on Monday evening at the Manassas Grille in honor of Prince William Council, Daughters of Aerica, and the visiting state officers who will be on hand when the State President make her annual visitation, Deputy O. B. Hopkins will also be on hand. Any members of the two Councils who have not contacted the respective secretaries of their intention to attend must do so at once as last minute acceptances will be hard to receive.

What You Buy With WAR BONDS

It is imperative that the ship lanes be kept free of ice. With American troops occupying Iceland and the Navy using the northern route for transportation of supplies to Russia, ice breakers are essential to Naval operations. The ice breaker is a specially constructed ship with heavily armored bows and powerful engines that crush the ice floes rather than ram through them.

Ice breakers of the Kickapoo class operating in the North Atlantic cost approximately \$10,000,000. You can help our Navy build these ships by investing at least ten percent of your income in War Bonds every pay day. Enroll in the payroll savings plan or apply at the nearest bank or postoffice. J. MORALE

The Secret Weapon That Will Win The War

Congress Can't Vote It

Dollars Won't Buy It

It's Your Job To Build It

PUT UNITY INTO YOUR COMMUNITY

Unity starts with U. To win the war, stop private wars at home on the job, with neighbors.

Honest apology ends friction—starts teamwork.

If we pull together, we'll all pull through.

BE A RUMOR-STOPPER

Rumors help the enemy. Trace the facts. Face the facts. Don't exaggerate.

Make your community gossip-proof, smear-proof, panic-proof, fear-proof. Every patriot shoots a rumor dead on sight!

MEET SHORTAGE BY SHARING

Use all of everything. Don't hoard. If everybody cares enough, and everybody shares enough, everybody will have enough. No waste in your ice-box, brain-box!

KEEP THE MORAL STANDARDS OF THE NATION HIGH

Don't weaken the home-front by wangling something for yourself on the side.

Dishonesty and indulgence in you saps the nation's fighting strength. A decent world tomorrow depends on how you live today!

THE SECRET OF STEADINESS AND INNER STRENGTH IS ON EVERY PENNY: "IN GOD WE TRUST"

A general who has fought through two wars said: "Telephone wires may be cut, radio stations be destroyed, but no bombardment can stop messages from God coming through if we are willing to receive them. To listen to God and obey Him is the highest form of national service for everybody everywhere."

OFFICE OF CIVILIAN DEFENSE
COMMONWEALTH OF VIRGINIA
RICHMOND

VIRGINIA: IN THE CLERK'S
OFFICE OF THE CIRCUIT COURT
OF PRINCE WILLIAM COUNTY,
VIRGINIA, SEPTEMBER 23, 1942.

Fern M. Garber,
Complainant,

VS.

Paul H. Garber,
Defendant.

The general object of this suit is to obtain for the complainant from the defendant a divorce a vinculo matrimonii on the grounds of wilful desertion and abandonment, and general relief.

And an application and affidavit having been duly made and filed as provided by law that the defendant is not a resident of the State of Virginia, it is therefore ordered that the said defendant do appear within ten days after due publication of this order and do what is necessary to protect his interests, and that a copy of this order be published for four successive weeks in the Manassas Journal, a newspaper published and circulating in said county, that a like copy hereof be sent, by registered mail, to the defendant at his last known address as shown by said application, and that a like copy hereof be posted at the front door of the Court House of said County on or before the next succeeding rule day.

(Continued on page 7.)

... but his ticket reads, "U. S. A. TO BERLIN"

Today, the railroads form a steel highway to that Freedom for which most of the world is waiting. Today, more and more travelers are in uniform . . . going to keep a date that will decide the destiny of all of us and of our children's children. You, that fellow in khaki or blue has the right of way on American railroads.

Today, the railroads—handling huge military travel, increased civilian travel and vastly greater freight traffic—have a nation-size job on their hands. Today, we too are at war! As you are. You fight, perhaps, by buying War Bonds, salvaging vital war materials, working harder. If you have to travel, you can make still another patriotic contribution to victory . . . by patiently putting up with any inconvenience caused by our giving first call to Uncle Sam.

YOU CAN HELP YOUR COUNTRY —AND YOURSELF

Chesapeake and Ohio, like other railroads, wants to give civilian travelers the best possible service, too. You'll help us serve you—and America—if you'll do these simple things: Plan mid-week rather than week-end trips. Make your plans and reservations well in advance. Accept available accommodations, even if they're not what you want. Cancel reservations promptly if you can't use them. Buy round-trip tickets. Travel with little baggage. Arrive at stations before train time. In this way you'll get better service and help your country win the war.

CHESAPEAKE AND OHIO LINES

Geared to the ^{war}GO of America!

SCHOOLS ADOPT PAYROLL PLAN

Board Also Inaugurates Monthly Bus Inspection.

The county school board met yesterday, with all members present.

The emergency farm aid plan was explained by the Division Superintendent and promptly endorsed by the Board.

A committee (Prof. R. C. Haydon and Chairman D. J. Arrington) was appointed to consider improvements to Brown School.

Libraries were authorized for Nokesville and Manassas.

Hereafter all school busses will be inspected monthly, under supervision of R. L. Vetter, superintendent of transportation.

It was announced that a large majority of the personnel are now on the payroll allotment plan to purchase war bonds. Some of the teachers are considerably over the 10 per cent while a few are below.

The amount of money actually laid aside for bond purchases under the plan totals \$848.07 and at least 25 bonds will be purchased during the school term.

NEW SOCIAL SECURITY MANAGER AT ALEXANDRIA

G. R. Parker, Regional Director of the Social Security Board, has announced the appointment of Benjamin Miller as manager of the Social Security Board office at Alexandria, Virginia. Mr. Miller succeeds Gilbert Baylis, who resigned several months ago to become an Ensign in the Navy. Mrs. Mildred Brightenbury, who has served as acting manager of the Alexandria office for several months, will resume her former position of field assistant.

Mr. Miller transferred from the Norfolk office where he occupied the position of assistant manager for the past four years. Before entering Government service in 1938, he was engaged in legal and accounting work for various business concerns in Virginia. He is a graduate of Washington and Lee University where he completed his course in law.

As manager of the Social Security Board field office at Alexandria, Mr. Miller will be responsible for the administration of Old-Age and Survivors Insurance provisions in the counties of Arlington, Culpeper, Fairfax, Fauquier, Loudoun, Prince William, and Rappahannock. Residents of these counties who wish to file a claim for Old-Age and Survivors Insurance benefits; to apply for an account number; or to secure information about provisions of the Social Security Act should write or call the Social Security Board office in Alexandria which is located in the Post Office Building.

HONORED AT DARTMOUTH

Stephen Johnson Lewis, son of Dr. Stephen J. Lewis, of Manassas, has been elected Editor-in-chief of the Dartmouth College undergraduate magazine, Jack-O-Lantern. A junior at Dartmouth, Lewis has been active on the editorial board of the Jacko for sometime. He graduated from Dunbar High School, Washington, D. C.

Under the college accelerated scholastic program, he is scheduled to graduate next August 26th.

WORLD TELEPHONE

NEWS EXCHANGES

Chunking... Despite literally hundreds of bombings, Chunking's telephone system is still intact. All vital equipment has been installed in caves drilled deep into the city's solid rock cliffs. Telephone wires are 93 per cent underground. As a result losses and damage from bombings to telephone equipment amounted to less than 0.9 per cent this past year. The cavern is connected directly with Moscow, Shanghai and Rangoon, and via Chengtu's powerful radio station, with the capitals of the world, including San Francisco and New York.

Kearney... Twenty-two billion feet of telephone wire in cable was approximately the output last year of the Kearney, N. J., plant of the Western Electric Company, supply organization of the Bell System.

London... Deep under a London street in a bomb-proof room is the nerve center of perhaps the most vital service of the English capital. It is the control center of the London fire brigade. Huge maps cover the walls, pin-pointed to locate fire-fighting apparatus available at any given moment. Along one side is a large telephone switchboard through which contact is maintained with hundreds of fire stations and substations throughout the London area. Officials are helped by young women adept in handling the thousands of telephone messages which flow in and out every 24 hours.

Ottawa... At Government House, Ottawa, with the Canadian governor-general, the Earl of Athlone, officiating with Princess Alice, J. H. Brace, vice-president of the Bell Telephone Company of Canada, was created an officer of the venerable order of the Hospital of St. John of Jerusalem. Mr. Brace has been active in furthering first aid work among Bell telephone men and women since 1925 and is president of the Bell Telephone Centre of the St. John Ambulance Association.

Carole Lombard, Jack Benny Teamed In Story About Polish "Ham" Actors

Melodrama and comedy are skillfully blended in Ernst Lubitsch's newest film production, "To Be Or Not To Be," which will have its local premiere at the Pitts Theatre on Monday and Tuesday, September 21-22 through United Artists release. Presented by Alexander Korda, "To Be Or Not To Be" has Jack Benny and the late Carole Lombard in the top stellar roles. This Lubitsch picture was Miss Lombard's last Hollywood-made film before her untimely death.

The setting of "To Be Or Not To Be" is Warsaw at the time of the German invasion, and the chief characters are a bunch of "ham" actors of the Theatre Polski, who are forced to give up their theatrical roles for real life ones that are far more exciting than any they have ever played in the theatre.

One of the principal public squares in Warsaw was erected on a huge

stage and more than three hundred extras were hired to appear as Polish citizens. In the most prominent spot and jutting out into the square is seen the big Teatr Polski in which the city's favorite stock company held forth. Lining the streets are beauty salons, haberdashery shops, millinery and office buildings. Dashing down the street are horse-drawn cabs, automobiles and bread peddlers on three-wheeled cycles.

Months of research preceded the designing of the sets. Thousands of photographs, magazines and books were carefully studied, and preliminary drawings and sketches were prepared. These were followed by models built to scale. Then came to actual construction work.

The story of "To Be Or Not To Be" reaches a high point of dramatic action when the "ham" actors—Jack Benny, Carole Lombard, Lionel Atwill, Felix Bressart, Tom Duban, Charles Halton and George Lynn—become involved with the invaders and find themselves impersonating every im-

portant Nazi figure from Hitler on down. After a series of startling complications, the members of the troupe are delivered out of Poland into England, snatched from the very jaws of the Gestapo.

WADIE VIRGINIA GRIGSBY

Mrs. Wade Virginia Grigsby, 82, died at her home near Brooke, Stafford County, at 7:30 p. M. Friday.

Surviving is a daughter, Miss Mamie Grigsby, of Brooke.

Funeral services were at 4:30 p. m. Sunday at Old Andrew Chapel near Brooke in the church cemetery.

For VICTORY

CAN ALL YOU CAN CAN DO NOT PRESERVE SAVE FRUIT

COME ON VIRGINIA!

Give Us the SCRAP!

America vitally needs that old scrap of yours to produce the steel with which to fight this war. Virginia Newspapers are therefore offering to the individuals, organizations, cities and counties doing the best job of collecting scrap between September 21 and October 10, \$4,000 in War Bonds and Stamps (matured value, same as cash).

\$4,000 IN PRIZES

FOR THE BEST JOB OF COLLECTING SCRAP

Counties (per capita poundage based on 1940 census)—First, \$1,000 War Bond; second, \$500 War Bond.

Independent cities (per capita poundage based on 1940 census)—First, \$750 in War Bonds; second, \$250 in War Bonds.

Adult agricultural organizations (per member poundage)—First, \$100 War Bond; second, \$50 War Bond.

Youth agricultural organizations (per member poundage)—First, \$100 War Bond; second, \$50 War Bond.

Business firms (per employee poundage)—First, \$100 War Bond; second, \$50 War Bond.

Individuals—First, \$100 War Bond; second, \$50 War Bond.

Individuals giving information leading to the recovery of the greatest hidden poundage—First, \$100 War Bond; second, \$50 War Bond.

CONTEST RULES

PURPOSE

To encourage the collection of every available pound of scrap metal in Virginia; to answer the nation's call for salvage, that the men of our armed forces may not die for lack of weapons; to prevent the wholesale closing down of steel mills all over the country because of a metal shortage; and to give every Virginian his chance to help solve personally one of the major crises of the war.

PLAN

Prizes will be given by the newspapers of Virginia to the Virginia county, independent city, business establishment, individuals and units of adult and youth organizations turning in free or selling to dealers the most scrap metal in three weeks from Sept. 21 to Oct. 10 inclusive, according to the prize rules.

PRIZES

A total of \$4,000 in War Bonds will be given by Virginia newspapers for the greatest poundage turned in by entries in the following classes:

Counties (per capita poundage based on 1940 census)—First, \$1,000 War Bond; second, \$500 War Bond.
Independent Cities (per capita poundage based on 1940 census)—First, \$750 in War Bonds; second, \$250 in War Bonds.
Adult Agricultural Organizations (per member poundage)—First, \$100 War Bond; second, \$50 War Bond.
Youth Agricultural Organizations (per member poundage)—First, \$100 War Bond; second, \$50 War Bond.
Women's Organizations (per member poundage)—First, \$100 War Bond; second, \$50 War Bond.
Men's Organizations (per member poundage)—First, \$100 War Bond; second, \$50 War Bond.
Church Groups (per member poundage)—First, \$100 War Bond; second, \$50 War Bond.
Boys' and Girls' Organizations (per member poundage)—First, \$100 War Bond; second, \$50 War Bond.
School Organizations (per member poundage)—First, \$100 War Bond; second, \$50 War Bond.
Business Firms (per employee poundage)—First, \$100 War Bond; second, \$50 War Bond.
Individuals—First, \$100 War Bond; second, \$50 War Bond.
Individuals giving information leading to the recovery of the greatest hidden poundage—First, \$100 War Bond; second, \$50 War Bond.

(Prizes going to the counties and cities are to be used for some charity, war work organizations or public purpose of general benefit to the cities and counties to be designated by the local salvage committee chairman before the contest begins. The awards may be allotted to two or more such purposes.)

ELIGIBILITY

Every citizen, organization and business firm in Virginia, except those engaged in scrap collection as a means of livelihood, is eligible to participate in this contest.

Collection of individuals, firms and organizations will be credited to the city or county in which the individuals, firms or organizations are located.

PROCEDURE

Local salvage committees will be in charge of the program in their respective communities.

Only scrap metal receipted in pounds on an official contest blank will be counted in the contest.

Community scrap inventories which have not already been sold to dealers or reported to the VTB at the beginning of the contest will count.

JUDGES

Judges for the contest will be named by Martin B. Williams, chairman of the Virginia State Salvage Committee. The decision of the judges in all matters pertaining to the contest will be final.

A 3-POINT PROGRAM FOR GETTING More Eggs

1. Cull non-producers—they take up valuable space and consume needed feed.
2. Give high producers plenty of room, a clean, well-ventilated house and lots of fresh, clean water.
3. Feed more feed and better feed.

SOUTHERN STATES Laying Mashes are built to bring out all the egg production your birds have bred into them. The open formulas are based on the recommendations of specialists at state colleges and agricultural experiment stations and on the experience of thousands of practical poultrymen.

There are four fresh, palatable, economical Southern States Laying Mash. Select the one that will do the best job for you—then stick to it throughout the laying season.

SOUTHERN STATES LAYING MASHES ARE BUILT TO MAKE EGGS

Super Breeding Mash.....for hatching eggs
Super Laying Mash with Alfalfa.....for commercial producers
Market Laying Mash.....for farm flocks
Poultry Supplement.....for mixing with home-grown grain
