LEGION SPONSORS PATRIOTIC MEET

ARMISTICE DAY CHOSEN FOR THE OCCASION.

The American Legion is arranging a community meeting for Armistice Day that should be of vital interest to every person in Prince William County. Realizing that the ordinary plan of Armistice Day celebrations would not be appropriate under the conditions facing our country at this time, it was decided to sponsor a community patriotic rally. The committee from the Legion consists of M. S. Burchard, W. M. Johnson, H. P. Tillar, Major Hanson and John M. Dechant.

The keynote of the rally could well be called "Rededication to Victory," and the program will have three main divisions contributing to that theme, though on the program the parts will intermingle and intersperse with instrumental and vocal music. One part will consist of a very brief round-up covering the various defense activities being carried on in Manassas and the county. This part should be highly informative, as there has been no comprehensive report of these activities since the war effort started and many of us are not aware of what is going on in our midst. Another part of the program will be devoted to a group of appropriate prayers by the ministers of the community. These will ask for rededication of civilian effort, realization of the task ahead and remembrance of the men who have gone out to represent us on the fighting lines throughout the world. The third part of the program will be a patriotic address by an outstanding speaker who is developing the main theme, "rededication," will bring together and vivify the prayers, reports, music and songs from the rest of the program.

This program will be held in the Methodist Church on Armistice Day, November 11, at 8 o'clock. Because of the interest usually shown in such a program, a capacity attendance is to be expected and extra chairs will be provided to augment the regular to be expected, a capacity attendance seating capacity. Members of the Legion will act as ushers and take charge of the program.

FINAL SCRAP FIGURES

Chairman O. O. Holler of the County Salvage Committee has sent the following splendid figures in to headquarters at Richmond:

Tonnage actually weighed in and dispatched	310
Still on yards	225
Remaining in piles	85
Yet to be brought to piles	50

Grand totals ----- 670
This is a figure hard to beat. It actually runs ahead of such densely culled-over areas as Arlington, with a population four times as large and with a fleet of county trucks to do the work of assembly.

YOU CAN SAVE A LIFE

A pint of blood, easily and painlessly given, may save the life of an American soldier, sailor or marine!

You then have saved a life offered for the defense of liberty, not a gift of money, or clothing, or time, or service, but by giving ultimately of yourself—for national defense. You may have saved the life of a loved one or of some friend.

Volunteers are needed to give a pint of blood each when the Mobile Unit of the American Red Cross visits this county on Tuesday, November 10th.

Appointments may be made with Mrs. Mamie Lynch Delaney, chairman of the Blood Donor Service, or any representative in your vicinity.

CLEVELAND FISHER

On last Wednesday morning the community was greatly grieved and shocked to learn that Charles Cleveland Fisher suddenly died from a cerebral hemorrhage. "Cleve," as he was known to many friends, was apparently in the best of health, and it was hard to realize that one who was always so genial, so cheerful, had crossed that "wisp of fog betwixt us and the sun." Cleveland Fisher filled his niche as a business man, as a loyal citizen, and as a worthy member of his church. The poor appealed to him not in vain, and his heart was ever responsive to the story of the unfortunate. May his reward, when he meets the God of his fathers, be fulfilled in that place where "Homer received back his sight and David, his little lad."

He was born at Manassas, Va., on the 20th day of November, 1892, and was the son of Mary Brown and the late Charles Elmer Fisher. On August 1, 1917, he was married to Olive B. Lam, and to this union was born on Sept. 22, 1918, a son, Cleveland H. Fisher. He is also survived by a brother, Lt. Robt. Elmer Fisher, U. S. A. Ft. Belvoir, Va., and four sisters: Mrs. Collie Timmons, Mrs. Walter Wright, Mrs. Roy Bauserman, and Mrs. Jas. E. Bauserman.

When twenty-one years of age, Mr. Fisher went into the grocery business with his father. Later the business was sold to Bushong and Saunders, for whom he clerked until his father bought the old hardware firm of Nash & Cannon.

He was a member of Grace Methodist Church, where his funeral services were held on Friday, Oct. 23, 1942, and were conducted by the pastor, Rev. Mr. Luttrell. The active pall bearers were: Albert Rosey, Dr. Ferd bearers were: B. C. Cornwell, J. L. Bushong, Albert Roseberry, Dr. Fred Dowell, Eugene Davis and O. D. Waters. The honorary pall bearers were the prominent business men of the town. The many beautiful floral offerings and the great concourse of people bore mute testimony to his lovable character and his many friends. "After life's fitful fever, he sleepeth well."

HOME NURSING CLASSES

There will be a home nursing course sponsored by the P. T. A. in cooperation with the Health Department beginning on Monday, Oct. 19 at 2:00 P. M. in the basement of Bennett school.

The first meeting will be for the purpose of organizing the class as well as a lesson.

With the serious shortage doctors and nurses, the Home Nurse may be of great help. It is desired that all who can, will take advantage of this opportunity to forward the health of their families and neighbors.

BATTLEFIELD SUPERINTENDENT ADDRESSES U. D. C.

The Manassas Chapter, United Daughters of the Confederacy held its regular monthly meeting on Wednesday, October 14 at the home of Mrs. Dennis Baker with Mrs. Marshall Douglas as assistant hostess. In spite of the inclement weather a goodly number of the faithful were present and were well repaid by the excellent program which had been arranged by the president, Mrs. R. A. Hutchison, and the historian, Mrs. E. H. Hibbs. The guest speaker was Maj. Joseph M. Hanson, Superintendent of the Manassas National Battlefield Park who gave a most interesting talk on the history of the development of the Battlefield area into a park and its present facilities. He urged the chapter members and all citizens of the community to visit the Park and to become better acquainted with its educational and recreational facilities. To have a National Park so near Manassas is indeed an asset and one in which we should feel great pride. Major Hanson stressed the fact that the Manassas Battlefield has been and is being used regularly as training for our Service men. Young officers from Ft. Belvoir and Quantico are always brought to the Park for a study of the two Battles of Manassas and the military strategy employed by the officers at that time. In closing, Maj. Hanson rendered his original poem "Flag on Ehrenbreitstein," which was well received and has proved to be a general favorite wherever it has been heard. As an encore he read another of his poems, "Ballad of Old Battlefields" which received hearty commendation from all present. Maj. Hanson was presented with several articles for the new museum, among them a coat belonging to the uniform of Dr. William E. Michie who served in both Manassas battles. The coat was obtained through the efforts of Mrs. E. H. Marsteller, from Miss Frances Y. Smith of Charlotte Court House, Va.

The business session of the meeting consisted of committee reports and other routine business. Statistics were gathered for a report to the U. D. C. War Service Committee on the work done by members of this Chapter in Red Cross, Civilian Defense and other activities on the home front.

Upon adjournment a pleasant social hour was enjoyed during which the hostess served delicious refreshments. Mrs. Hanson was welcomed as a guest. The place of the November meeting will be announced in the Journal.

TO PLAY MOUNT VERNON

The Yellow Jackets will play the strong Mount Vernon High tomorrow, Friday, on Swavely Field, at 3:30 p. m. Manassas High has lost but one game so far, Culpeper, who won by a single goal.

MANASSAS TO TEST NEW SIRENS

The Town of Manassas has installed four new sirens, which it is hoped will provide a satisfactory air raid alarm system.

On Tuesday, November 3, 1942, at 11:45 a. m., this new system will be tested. In making this test a series of five (5) blasts will be used and if the test proves satisfactory this signal will be used in the future for alarms, and one long blast, lasting for approximately two minutes will be used for all-clear signal.

This test on November 3 at 11:45 a. m. is only a test of sirens and it is asked that citizens report to the Mayor or Co-ordinator whether signals are clearly heard.

URGES V HOME PROMOTION HERE

Town Manager Tiffany Speaks At PTA Meeting

At the October meeting of the local Parent Teacher Association, held in Bennett School, October 15th, the following objectives were named for this year:

1. To cooperate with teachers in promoting the health of the children and the correction of defects.
2. To encourage and promote the V. Home campaign.
3. To assist the school in promoting patriotic attitudes among the children and in the community.
4. To promote library advancement, including the maintenance of the parent-teacher bookshelf.
5. To aid the school financially whenever possible.
6. To cooperate with the school in its safety program.

The chairman of the membership committee announced that the annual membership drive would be launched soon.

Plans for a rummage sale soon to be held were also discussed.

The members enthusiastically voted to sponsor a home nursing class to be taught by Miss Neal, of the local Health Department. This class will meet each Tuesday and Friday afternoon at two o'clock in Bennett School. (Two classes already held).

The Lunch Committee reported that additional cans of fruit had recently been canned at the school kitchen by a group of atrons.

Town Manager Tiffany recommended the promotion of the V. Home Campaign as a P. T. A. objective, emphasizing in his talk these five important points:

1. Physical fitness
2. Conservation
3. Salvage
4. Refusal to spread rumors
5. Regular investment in War Stamps and Bonds.

He invited those interested to attend the Civilian Defense course now being taught, and Mrs. Paul Cooksey added her recommendation of this highly important training.

Prof. R. Worth Peters outlined necessary changes and adjustments in the school work to stress those points vital to the school's war program, including:

1. Physical fitness
2. Production
3. Skills and Emphasis in Mathematics and Science
4. Inflation
5. Air conditioning
6. International Relations

WILL RUN FOR STATE SENATE

HERRING WILL GIVE OUT OFFICIAL STATEMENT LATER.

Earlier this week, Hon. George W. Herring, who served Prince William County for two terms in the General Assembly, said in response to a phone call from the Journal office that he has had under consideration for several weeks past the matter of announcing for the State Senate, subject to next summer's primary.

Mr. Herring stated that the matter had been brought about by approaches made by delegations from all three of the separate jurisdictions in this district. Flattering assurances of support have been represented to him.

It is noteworthy that Prince William, in which Mr. Herring resides, has had no representative in the State Senate chamber for almost fifty years. Mr. Herring is prominently connected in the business life of the metropolitan area of Alexandria and has many friends there.

CAN WE MAKE IT A VICTORY COUNTY?

Mr. C. C. Holler, Chairman, Prince William County Salvage Committee, Manassas, Virginia.

Dear Mr. Holler:
According to your letter of October 28, Prince William County has 1,346,000 pounds from September 1 to date.

In order to secure the Victory Pennant, it is necessary for each county to have at least a 100 pound per capita average. Your county has at present about 75 pounds and will need 427,800 pounds to reach this goal.

If by the first of the week you are able to send us a reasonably accurate estimate to cover the balance needed, we will be happy to see that your County is listed among those who have done an outstanding job in Virginia, and we will see that you receive the Victory Pennant to fly above your courthouse as soon as possible.

Sincerely yours,
C. H. Luebbert, Executive Secretary for Virginia.

KIWANIS WILL ELECT TOMORROW NIGHT

At the regular meeting of the Kiwanis club last week, officers and directors for the coming year were put in nomination and the election will be held tomorrow night.

President Trusler paid honors to Father Jim Widmer who is leaving this week for his new assignment in Fredericksburg. Father Jim has been a member for four years and has rendered valued service. His going is most keenly regretted by the Club.

Besides a "talkie" desert warfare in African) which was quite thrilling, Kiwanian Royer had a quartet of "mountain music" boys from the Defense School. They were Mr. William Foltz who not only sang some excellent solos but also did some cute tricks with a harmonica. Playing the guitar was Mr. Ralph Quinn and assisting in the vocals were Messrs. Jack Baker and Corbin Fox.

The boys really tried themselves to please the club and judging from the hearty applause they registered very well.

Secretary Boyer has mailed out cards reminding the club that meetings from now on will be at 6:30 p. m.

FRATERNAL BANQUET

On the occasion of the annual visitation of the State Councilor, Mrs. Lela Spelman, of Ballston Council, Bull Run Council No. 15, OFA, entertained for the local Daughters of America and for their guests. Following the banquet, the regular meeting was held at the Junior Hall Hall at which time other visitors from several councils were present.

Many compliments were paid by the guests for their splendid entertainment.

IN MEMORIAM.

Willie L. Russell.
Two years ago today (October 29, 1940)—the saddest month of the year—a month which we shall never forget. Our dear son and brother, Willie L. Russell, who so suddenly passed away.

We often sit and think of him
When we are all alone. For memory
Is the only friend that grief
Can call its own.
Though the flowers we place upon his
grave
May wither and decay
But our love for him will never fade
away.
It grieved us so much to have him
go,
And see his sweet smile fade away.
And now he rests in peace with Him,
Without a care, God bless him!
And we know he is not lost forever
from us.
In time we shall join him there.

FATHER WIDMER TRANSFERRED TO FREDERICKSBURG

It has pleased the Most Reverend Bishop, Peter L. Ireton, Bishop of the Catholic Diocese of Virginia, to take away from us Rev. J. J. Widmer, who has served All Saints Parish so faithfully for nearly five years. He will go to St. Mary's Fredericksburg on November 1st.

Coming here after Father Kociela went to St. Mary's, at Fairfax Station, Father Widmer has made many extensive repairs and beautification of both the local church and rectory. His charge included the mission churches at Minnieville, Bristow and Centerville.

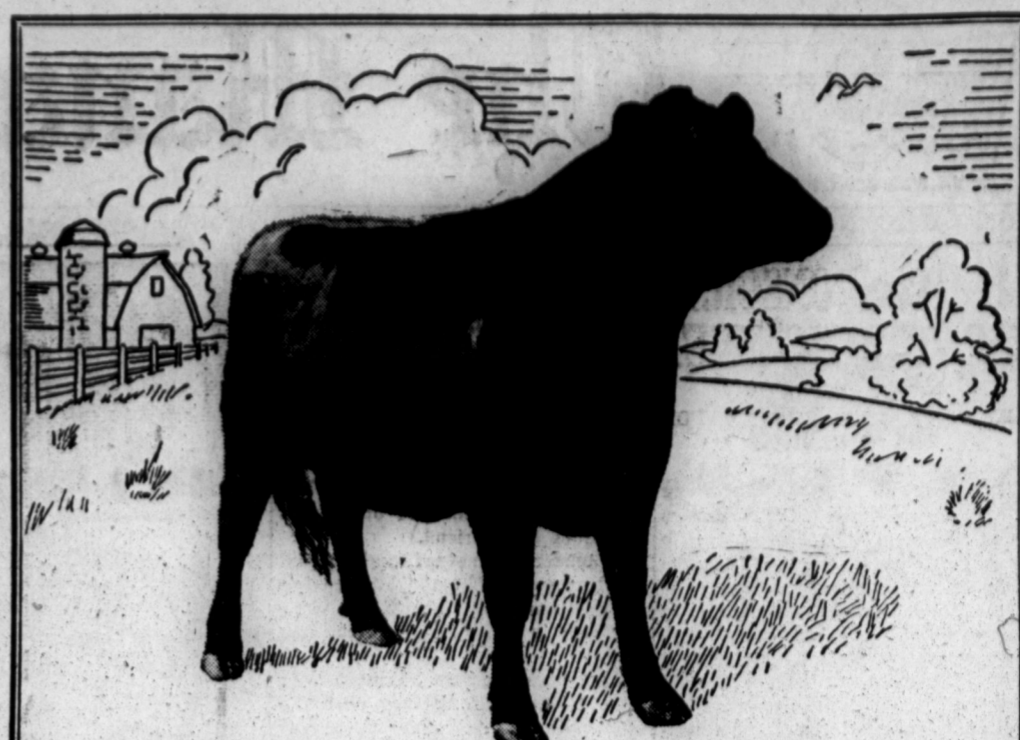

The congregations of these churches have all grown since he began his ministry, and his work has received very favorable recognition.

The new priest for All aints will be Rev. John Stanton, S. T. L., of Worcesterst, Mass. This priest belongs to the Stigmatine Order. He will be introduced to the several congregations on Novmber 1st by Father Widmer.

REV. NEWMAN LEAVES NOKESVILLE

Rev. and Mrs. John Newman left Nokesville yesterday for their new assignment, Benn's Church, near Smithfield, Va.

This young pastor has done a wonderful work, both at Nokesville and at Centerville. At the former place he acquired, by his own work, a gift of St. Anne's Episcopal Church from the Diocese of Virginia, while at both prove to be a very important part of churches he added materially to the congregations, particularly at Centerville.

NUMBER 67 * How to make Hallowe'en more fun * A long list of money-saving foods for Hallowe'en parties * Bad toll signals for mother

How to make Hallowe'en more fun

for youngsters and grown-ups, too

October 31, the eve of All Saints' Day reminds you of cider and doughnuts, witches, and Jack-o'-lanterns, and spells a Hallowe'en party to Americans of all ages. To fit into almost any Hallowe'en party scheme, Safeway's Homemakers' Bureau has planned a 1942-style buffet supper menu with table decorations and a recipe that should appeal to children and adults alike.

HALLOWE'EN BUFFET

Piping-hot Spaghetti-Meat-Cheese Casserole

(Your favorite combination)

* Pumpkin Coach Salad Centerpiece

Buttered French Bread

and Rye Bread

Associated Recipes

Home-baked Pumpkin Pie

Coffee Apple Cider

PUMPKIN COACH SALAD CENTERPIECE: Combine equal parts diced unpeeled red cooking apples, shredded cabbage, and shredded carrots, with 2 medium-sized celery stalks, finely sliced, and 2 to 3 finely chopped sweet pickles. Mix with enough sour cream salad dressing to moisten. Toss lightly to mix. Serve in hollowed pumpkin shell lined with crisp lettuce leaves. Serves 6 to 8.

To Carry Out Coach Ideas: Attach black cardboard wheels to pumpkin coach; have it drawn by catnip mice guided by strips of crepe paper or ribbons for reins, and driven by a cardboard witch or black cat, along a black crepe paper road stretched across the tablecloth.

OCOQUAN

Mrs. Corbin Thompson of Woodbridge and Mrs. B. N. Brunt have returned from South Windborn, Vermont where Mrs. Thompson has her summer home. Mrs. Brunt enjoyed a two-week visit there before returning home with Mrs. Thompson.

Mr. and Mrs. R. J. Wayland and family spent Sunday at Waterfall, where they visited Mrs. Wayland's parents, Mr. and Mrs. R. B. Gossom. Mr. Gossom has been quite sick for the past three weeks, and is slowly improving.

During the recent hard rains a little town experienced the highest water we've known in many years. Waves rolled as high as twenty feet at Occoquan Bridge and were very rough on our own front. The hall whose property on this front experienced the worst; the water reached the first floor of all his buildings and flooded the basements completely.

We regret the passing on of our honest and humble colored citizen, William Henry Goode, 73 years of age. Although he had lost one of his limbs in early life, he was always trying to work and in so doing, he fell from a ladder fracturing his back, which completely paralyzed his body. He was rushed to Freedman's hospital where he died the next day. He is laid to rest on Sunday, October 31, in the family cemetery here. He will be greatly missed by his white friends

for whom he did so many chores. He is survived by his wife, Martha Goode, who has only kindness to remember as he was a true Christian in his humble way.

OCOQUAN

On Tuesday evening, October 20, members and friends of the Nokesville Methodist Church assembled in the Methodist Sunday School Building for a farewell buffet supper in honor of Reverend John W. Newman and Mrs. Newman.

The tables were bountifully spread with many varieties of delicious food. The feast and the social hour were enjoyed by everyone.

Reverend Newman has served this large cheerfully and efficiently for three years. During this time the members and neighbors have learned to love both Mr. and Mrs. Newman as church workers and as daily friends. So it is with regret that we see them leave us. Rev. Newman stated that his work here has been most enjoyable and while it is hard to leave his friends, it is gratifying to know that the people he is leaving are friends. Being zealous in the work of the church he is ready to take up his duties at the new church.

The people he has served as a minister and as a friend presented to him his wife and a double wreath. Rev. Newman's will serve the Benning near Smithfield, in Isle of Wight County. The Nokesville community wishes them continued success

in their Christian services. Reverend Newman will be succeeded at Nokesville by Dr. Shipley, who has served a number of years as missionary in China. Dr. Shipley comes here from Sterling, Va.

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in later years.

"Who is like unto the Lord our God, who dwelleth on high, Who humbleth himself to behold the things that are in heaven, and in the earth?" Ps. 113:5, 6.

GET OUT THE VOTE

Follow Democrats:

The foremost thing in the minds of us all at this time is the winning of the War! This is imperative if the form of government under which we live is to survive during these troublesome days, however, let us not forget that one of the priceless privileges we enjoy and one of the fundamentals for which we are fighting is the right TO VOTE. It is the very essence of our freedom and represents the highest responsibility to our government.

November 3rd again presents the opportunity of expressing ourselves at the polls for Carter Glass as United States Senator and Howard Smith for House of Representatives from your district. These men typify the traditional fineness of Virginians in public service down through the years and their records in the Congress have reflected glory upon our Commonwealth. We rejoice that they are both Democrats and it is up to us to express to them and demonstrate to our sister States our full and complete confidence in their services. This can best be done by exerting every effort to get out the vote on Election Day for them.

Horace H. Edwards, Chairman Democratic State Central Committee.

SELFISHNESS DOES NOT PAY

In time of war there are always opportunities for a man to temporarily increase his remuneration, particularly if he is not restrained by the common sense of honor and decency that most folks possess. However, there is such a thing as retributive justice. A man who exhibits no sense of responsibility to his community, or to his employer and does not feel that he owes anybody anything but insists on

getting for himself all that he can while the war is going on is retributive justice.

Sons leave the businesses of their fathers; trusted employees walk out without notice from establishments that have provided them and their families with substance for years; and men strike in vital industries upon which the fighting men at the front are staking their lives. But retributive justice in the long run will overtake them in likely sooner or later to feel that will find out that something perfectly awful is going on in the world—so fearful as to dwarf into nothing the insignificant affairs of the individual, and they will realize, possibly too late, that it would have been better to have bravely stood to their assigned station while this Armageddon is being fought out between good and evil.

OCCOQUAN'S HI-DI-HO

Occoquan High School has published the second issue of its semi-monthly paper, the Hi-Di-Ho.

On the first page of the paper was an open letter from Miss Sue Ayres to Virginia Katsarelis, the Editor-in-Chief of the Hi-Di-Ho, congratulating Virginia and her staff on the fine work that had been accomplished. An interesting account of our first Student Cooperative Association meeting completed the first page.

The editorial page contained an article on Physical Education, telling of the new recreational system recently adopted in Occoquan High School.

An excellent column written by the editor was "Miss Hi-Di-Ho says." This column contains rules of Etiquette for school students.

Each issue carries in its lines from time to time, the idea to get all students awake to the fine points of school life.

The Senior Class composed individual poems and some of the best ones were included in this issue.

HOME DEMONSTRATION CLUB TO MEET

The Manassas Home Demonstration Club will meet at the home of Mrs. Robert Weir, on Thursday, November 5th, at 2 P. M. The demonstration will be on Bread Making, and home baking. A full attendance is requested. Election of officers will take place at this time.

"Proud to Claim" and "Classroom Diary" were included in the second issue. The students hope to keep these columns open during the entire school period.

The last highlight of the Hi-Di-Ho was an article condensed from the Readers Digest "Sensational Advances in the War Against Infantile Paralysis"—"New Light on how Polio Spreads." It pointed out the need of screening the school because flies spread infantile paralysis.

The staff wants again to give special thanks to Mrs. Sanford, commercial advisor, for her splendid cooperation in making a good format for the Hi-Di-Ho.

M., in order to allow Mr. Faulkner sufficient time to return to Manassas for his service there.

TO FIND IMPORTANT WORK FOR DEFECTIVE MEN

State Selective Service Headquarters moved this week toward bringing permanently disabled registrants and others in Class IV-F who are able war production or essential activities wherever possible. Colonel Mills F. Neal, State Director, instructed Reemployment Committeemen of each local board to report as promptly as possible all permanently disabled men now in IV-F, whose cases "may permit of rehabilitation or vocational training to qualify them to perform useful tasks," to R. N. Anderson, Director of the Rehabilitation and Vocational Training Division of the State Department of Education.

"Mr. Anderson's division," Colonel Neal said, "is now prepared to process these cases for all disabled registrants or veterans, including the blind. It is also most important in the utilization of manpower of the Country that these men now classified in Class IV-F—as not eligible for induction into the armed forces, and who are able to work—should be placed in useful occupations in the production or essential activities. Lists of such men who are employed should be furnished to the local office of the U. S. Employment Service located nearest to your local board, and made available to industry and agriculture in your locality."

Colonel Neal said that the voluntary movement of many men from non-essential to essential employment would, in a large measure, accomplish the direction of manpower into activities where it is needed, because as non-essential activities are further curtailed many men deferred by reason of dependency would seek training and work in the essential fields.

"The Federal Government," he added, "will make known the opportunities for training and employment of these disabled persons in a way that this

shift of employment may be made with the minimum disruption to the individual, his family, and his locality."

YELLOW JACKETS OPENS HOME GAME WITH MARSHALL HIGH FRIDAY

(Omitted last week) On Friday, Oct. 23, the yellow Jackets of Asbourn High School will open their home schedule on Swanley Field at 3:30 P. M. by playing the gridders of Marshall High School.

This will be the third game for the local school as they have tied Marshall 13-13 and lost to Culpeper 13-7 in away from home games. The yellow Jackets hope to hit the win column in this game as Robert Robinson is added to the team. Robinson has been out due to ineligibility and with his 204 pounds in the backfield is expected to be a power of offensive strength.

Manassas will be at full strength in this game as Hersch, Wine and Jackets by scoring all the touchdowns to juries.

Buddy Merchant has been the main offensive threat for the Yellow Jackets by scoring all the touchdowns to date. Merchant's fine playing has been possible through team play by his team mates.

The lineup expected to start the game for the Yellow Jackets is as follows:

- L. E. Hersch
- L. T. Dowell
- L. G. Gregory
- C. Broadus
- R. G. Conner
- R. T. Robinson
- R. E. Bolding
- R. H. Merchant

THIS IS WORTH FIGHTING FOR

The right to govern ourselves

BRAVE AND DETERMINED Americans left bloody footprints in the snow at Valley Forge, to give us the priceless right to run our country as the majority of us think it should be run.

Today, equally resolute and courageous Americans are fighting to preserve that hard-won heritage—for themselves and for their children. They know that in the Axis nations people are mere puppets bowing to the brutal whims of fanatical dictators.

That's why Americans are fighting. And, as they fight on to certain Victory, they are inspired by an unshakable determination that this government shall continue to be "of the people, by the people, and for the people."

The Southern Railway System, because of its strategic location, is playing a tremendously vital role in the transportation of war materials and fighting men. But it is doing more than that. It is also helping to keep the wheels of our national life rolling in defense of the home front. It is grimly but willingly taking on burden after burden—because it's a rich privilege to serve the nation in times like these.

When private automobile travel began to be curtailed by tire and gasoline rationing—the kind of travel that normally accounts for more than four-fifths of all inter-city travel—the railroads took on the thankless job of providing substitute transportation. That meant more trains, more cars per train, more locomotives, crowded stations, and a thousand headaches!

But the job is being done—on top of the major task of handling hundreds of thousands of Uncle Sam's soldiers, sailors and marines.

When the oil shortage developed in the eastern states, the railroads said that they could move 200,000 barrels a day to meet the emergency. They are now moving more than 800,000 barrels a day. In the first eight months of this year, the Southern Railway System alone handled more than 19,000,000 barrels of oil to the North and East.

These are simply examples of how one railroad is doing its bit to protect our way of life; our heritage of freedom; our right to govern ourselves.

From this experience, a better Southern Railway System will emerge—more efficient and more useful to the people it serves than ever before—because, even during these trying times, we are taking advantage of every opportunity to improve our services, facilities and methods; every opportunity to plan for a better tomorrow when Americans will continue to hold their heads high as free men, proud in the knowledge that their children, too, will enjoy the blessings inherent in a nation of self-governing people.

That is worth fighting for!

President.

VOLUNTEER SHOW FOR WAR FUND

The most intensive drive for funds that the Greater Washington area has ever known is being launched by the Community War Fund. The "War Fund" joins together for 1942, many of the causes to which individuals have previously devoted much attention. This single appeal enables people to concentrate their entire efforts now on one drive with the assurance that many welfare needs will be answered through the War Fund for the entire year ahead.

The Community War Fund will represent the appeals of 120 separate agencies, including both local and national United Service Organizations, British War Relief Society, Greek War Relief Association, Polish War Relief, Queen Wilhelmina Fund, Russian War Relief, United China Relief, U. S. Committee for the Care of European Children, War Prisoners Aid Committee, Community Chest of Washington, D. C., which for years has covered the welfare agencies of Prince Georges and Montgomery Counties, and the separate Community Chests of Arlington and Fairfax Counties. Also included are various

other local welfare organizations as well as the Home Front War Services. The goal set for the drive is \$4,141,000 and will be raised by the four main divisions of the United Front campaign—advance Gifts Unit, which started on October 5th; Government Unit; Group Solicitation Unit; and the Metropolitan Unit which included the Suburban Division. The campaign will run through November 12. A great welfare exhibit called the "War Fair," will dramatically depict the services of all the participating Community War Fund organizations.
