SUBSCRIPTION \$1.50 A YEAR

SOUTHERN POWER IS INCREASED

RESULT OF ELECTION PLACES VIRGINIA CONGRESSMEN IN KEY POSITIONS.

The Republican landslide in the North and West has resulted in giving the South, and particularly Virginia, increased power in the National Congress.

The loss of Democratic Congressmen is entirely outside of the South, and this means that our Congressmen will be advanced in their various committee assignments.

In the Senate both Carter Glass and Harry Byrd gain in influence and in the house several Virginia Congressmen move up. Judge Smith will retain his third place on the powerful Rules Committee. In due time, as he returns session after session, he will arrive at the chairmanship of this extremely influential committee. In fact, the reason so many Southern men occupy the ranking positions in Congress is because we send them back term after term, while other sections constantly change their representation, making it necessary for their Congressmen to be continually starting at the bottom.

Representative Robertson of Virginia moves up to sixth on the important Ways and Means Committee. He was placed there in 1937, and the only Virginian to be placed there since the late Claude Swanson was in the House, which was a long time ago.

Even Virginia's newest Congressman, Representative Harris, gets a good assignment.

Finally, with the balance of Democratic power hanging by a narrow margin, all Conservative Democrats have become most influential, because at any time their section of the country is faced with one of those old-time anti-Southern attacks, they can readily enlist enough Republican support to protect our economic security.

The State Bar War Service Committee, of which Mr. John C. Parker, Jr., of Franklin, is Chairman, was recently appointed by Charles E. Pollard, of Petersburg, president of the Virginia State Bar, pursuant to a resolution adopted by the Executive Committee of the Bar, declaring its War Service Program, and providing for the organization of the 2,800 lawyers in Virginia under the State Committee and with local committees in each county and city. The War Service Program of the Bar provides that its members will assist men in the armed services, and their dependants, and will aid in the work of Selective Service Boards, Civilian Defense Councils, Local Rationing Boards, War Bond and Stamp Committees, law officers of the military posts and other war service agencies.

MRS. JOHN BROADDUS HOSTESS TO U. D. C.

Mrs. John Broadbuss was hostess to the Manassas Chapter U. D. C. Thursday afternoon, November 5th, at her home on Portner Avenue. Mrs. Broadbuss received alone, as the assistant hostess, Mrs. Frank Peters, was detained at home because of illness. The president, Mrs. R. A. Hutchison, presided.

Opening prayer was followed by flag salutes and the singing of Dixie, with Mrs. Broadbuss at the piano.

The historical program consisted of a reading, "Early History of the University of Virginia," written by Mrs. B. F. Carey, division historian. Miss Eugenia H. Osbourn supplemented the reading by describing personal impressions of the University while studying there; also spoke of the intense desire of Thomas Jefferson to found this type of university, the plans being consummated in 1825, the year before Jefferson's death.

Mrs. Hutchison read from the "Bulletin" an account of the Richmond convention, written by the president general, Mrs. R. D. Wright.

A large framed portrait of Gen. Robert E. Lee, recently acquired by the chapter, was given to the Bennett School Library, and a portrait of Gen. Thomas J. Jackson was loaned to the library. Mrs. C. R. C. Johnson gratefully acknowledged the gift and predicted that the pictures would be an inspiration to the children at Bennett School.

A contribution toward the purchase of Dr. Douglas Freeman's new book, "Lee's Lieutenants," was subscribed to the High School Library. Also two dollars for Red Cross kits was subscribed. Mrs. W. A. Newman personally donated two decks of playing cards for the kits.

Mrs. W. F. Dowell was appointed to distribute Red Cross sewing to members who were willing to assist. Mrs. E. H. Marsteller told of receiving a complete Confederate uniform outfit for the Battlefield Park Museum, sent by Miss Arabella Pilcher of Richmond. The outfit was accepted by Maj. J. M. Hanson and is now numbered among the many interesting collections of the museum.

Immediately following the U. D. C. business session, Mrs. A. O. Weedon took the chair and called a meeting of the Manassas Memorial Association for the purpose of deciding about donating to the Government the iron fence enclosing the Confederate Monument in the Confederate Cemetery. A favorable resolution was adopted that if and when there is a need for additional scrap metal for war materials.

Mrs. Harry Dogan, president of the Bull Run Chapter, was a special guest. A large number were present and the social feature was most pleasant. Mrs. Margaret Lewis assisted Mrs. Broadbuss in serving tea and wafers.

COUNTY TREASURER KIWANIS SPEAKER

County Treasurer Sinclair was guest speaker at the weekly meeting of the Kiwanis Club last Friday evening. Mr. Sinclair spoke on several interesting financial problems now confronting the public, and also offered the club some very good advice as to how it might get some auxiliary aid in its underprivileged child work.

Mr. Sinclair was present as the guest of Kiwanian Conner.

Miss Elizabeth Lloyd was also present. She spoke in the interest of the War Community Fund.

Kiwanian Ledman put in a plea for daily prayer in the interest of peace.

A most interesting announcement was made by Rev. Lutterell, who was a guest of the evening. Commenting on his usually happy appearance, he announced that he had just become a "granddaddy."

OMEIO WELLS

Omeio Wells, age 67, passed away at his late residence on West Street, following a heart attack.

Mr. Wells was born in Fairfax County, Virginia, on January 28, 1875, the son of Annie Kincheole and John Thomas Wells. On June 11, 1907, he was married to Addie Wheeler, who preceded him in death several years ago.

For many years Mr. Wells was engaged in the merchandise business in Wellington, Virginia. He moved to Manassas in 1937, and since that time was employed at the Prince William County Court House.

He is survived by his daughter, Mrs. Harcourt Dickens, two sons, Marvin Keen and Private Maury Lewis Wells of Manassas, Virginia; one sister, Mrs. Eppa Kirby of Fairfax, Virginia, and one brother, Frank Wells, of Gainesville, Virginia.

Funeral services were held from Baker's Chapel, Sunday afternoon, November 7. Rev. W. O. Luttrell conducted the services. The pallbearers were Messrs. C. A. Sinclair, Hawes Davies, Kyle Lynn, W. Hill Brown, R. M. Weir and R. C. Haydon.

Mr. Wells was well liked in the community and will be greatly missed by his many friends.

TO RECEIVE VICTORY BANNER

Prince William is one of two counties in all Northern Virginia which will receive a "victory banner" for averaging one hundred pounds of scrap per person.

Congratulations to Chairman Holler. The announcement was made through the office of State Press Association over the week end.

The banner will be flown over the Court House as soon as received.

ANNUAL BOOK REVIEW CONTEST STARTS THIS WEEK

Elsewhere in this issue of The Journal appears the first of this season's series of book reviews by students of the third and fourth year classes of the Osbourn High School, Manassas. As heretofore, the reviews will appear under the general heading, "I Like This Book."

All books to be reviewed are for adult readers, and each review will be in the nature of an informative essay on a book which may be borrowed by adult citizens as well as students, from the Ruffner-Carnegie Library, Manassas.

To the writer of the best book review printed during the present school session in The Journal, Clarence Wagener will award the W. C. Wagener Memorial Prize, consisting of a Certificate of Achievement and an order on any Washington, D. C. book store for \$10.00 worth of books, selections to be of the winner's choosing.

A few of the reviews will be printed this month. During December and January, according to the present arrangement, no book reviews will appear in The Journal. The schedule will resume with the first issue in February.

The following students have entered the contest:

Everette Jones, Nancy Parrish, Elyst Rae Hill, J. Edith Sholtis, Mary Green, Betty Norman, Clara Beall Carter, Roberta Hooe, Dorothy Clore, Rita Robertson, Shreve Brent, Virginia Lee Runaldue, Ann Dulany, Jane Eastham, Jane Meade Browne, Betsy Hayford, William Corder and Betty Van Doren.

Judges for the contest, to be announced later, will be selected one each by Prof. Worth Peters, principal; Miss Lucille Hamilton, librarian, and Mrs. Keith Lyons, teacher of English, of the Osbourn High School.

ARMISTICE DAY EXERCISES.

Prince William Post, American Legion, did one its best jobs since its organization by staging a well-attended meeting at Grace Church last night. Time and space prevents a full account this week.

The high points were the presentation to Past Commander C. W. Staggs, now of Culpeper, of the past commander's pin. He was lauded for the unusual showing of the membership of the post for two consecutive years. Another item of great interest was the announcement by Bond Sales Chairman Raymond Ratcliffe that the county had gone way over-the-top in four of the last six months.

Mrs. Lloyd made the encouraging announcement that the blood donor clinic had made the grade, eighty-five citizens having given the eighty pints of blood called for.

Mr. Holler, County Salvage Chairman, announced the winning of the Victory Pennant, also announced in other columns of this issue.

The address by Rev. Harry Hemming was full of real patriotism and practical advice. The Journal hopes that it may be able to publish this in the next issue.

ARGENTINE VISITOR GIVES DELIGHTFUL TALK

Mrs. Meade L. Zimmer of Washington, D. C., was the speaker at the Woman's Club on November 9, which was held in the Parrish Hall.

She lived almost 30 years in Cordova, Argentine, and her talk was so lucid that it gave all a deep insight and understanding of our South American neighbor.

The club voted to contribute toward a year's subscription to the Atlantic Monthly to be given to the men in the service at the camp at Vint Hill.

It was decided not to have any refreshments for the duration and to assess each member 50 cents in order to contribute toward an ambulance to be presented to the National Red Cross from the Virginia Federation of Women's Clubs.

Greenwich School ranks number one in the entire State of Virginia in the number of pounds of scrap salvage recently collected, the grand total showing the same to be 1,266 per pupil.

Miss Frances Owens, instructor, has just been notified that the school may elect from its members who will be given the honor of christening one of the VICTORY SHIPS to be launched at an early date at Norfolk.

Greenwich School has bestowed quite an honor on the County of Prince William. More details next week.

PEARL HARBOR VOLUNTEERS

December 7 will be the first anniversary of the treacherous Jap bombing of Pearl Harbor and it is fitting that we pay tribute to those men who gave their lives in defense.

We think that no better way to commemorate this occasion than to encourage each red-blooded American in Virginia to get into the fight by joining the Navy.

The drive from November 1 to December 7 has, therefore, been designated as Pearl Harbor month, and the goal for Virginia is 2,200.

The goal for Manassas and Prince William County is 15 men for this period.

Chief Petty Officer Watkins will be at the Post Office in Manassas each Thursday. He says, at the present time, that all ratings are open for enlistment. Any man that has a trade may sign up in the Navy SeeBees at an advance rating with pay from \$50.00 to \$233.00 or month.

Any man that joins the Navy during this month will be given a certificate of membership in the Pearl Harbor Volunteers.

MAJOR HANSON TO BE SPEAKER

Major J. M. Hanson will be the speaker of the Manassas Parent-Teacher Association on Thursday evening, November 19th, at the Osbourn High School auditorium. The meeting, which promises to be a most interesting one, will begin at 7:45 p. m.

The drive for new members, which began on November 2nd, will close on that evening, and a prize of five dollars will be given to the room having secured the largest percentage of membership.

The public is cordially invited to attend this meeting.

Members of the Executive Board are requested to meet in the Bennett Building on Monday afternoon, Nov. 16th at 2:30 o'clock.

BACK AT THE POST OFFICE

Patrons at the local office are delighted to see Mr. Douglas Dodson back at his old post after a siege with appendicitis.

Doug is yet a trifle pale, but is rapidly regaining his full strength.

TRINITY EPISCOPAL CHURCH

Rev. Thomas G. Faulkner, Jr., Rector.
Holy Communion; 1st Sunday, 11 A. M.; 3rd Sunday, 8 A. M.
Morning prayer and sermon, 11 A. M.

The hour of the church school is 9:45 A. M.
7:15 P. M. Evening prayer and Bible class.

There will be no 11 o'clock service at Trinity Church Sunday morning, November 15. Instead, every Episcopalian in Dettingen Parish is requested by the rector to comply with the following:

1. Listen to the nation-wide address of the Presiding bishop, the Rt. Rev. H. St. George Tucker, to be broadcast over the Columbia Network at 10 a. m. (Station WWSV), "Victory Through Love" will be the subject of his address. This address will mark the beginning of the Every Member Canvass in the Episcopal Church for 1943.

2. Stay at home after this address until a vestryman calls upon you to collect your pledge card and your parish record card. These cards were mailed to you Wednesday, along with information concerning the work and needs of the church. Please read the material and fill out the cards completely before the vestryman arrives. If you have any questions, he'll be delighted to answer them. Since approximately one-fourth of our 1943 budget is for community service and diocesan and general church expenses, please bear this fact in mind when you fill out your pledge cards.

EVANGELIST

Rev. Milton Richards of Wilmington, Del., an outstanding evangelist and Bible teacher, whom Manassas will be privileged to hear for about three weeks, starting Wednesday, November 18, 1942, at 8 p. m., will give some outstanding talks on the open Bible and help you see your great need for the open Bible in your home.

Rev. Richards has had a wide and extensive ministry among all classes of people. His former position as a lawyer has qualified him to understand the need of the open Bible in the home and church. The experiences common to one who has been probate judge are also valuable to the present ministry of Evangelist Richards. He allows the open Bible to speak for itself and thus witness against any who hear. After leaving his legal profession, Rev. Richards has traveled throughout the States from coast to coast, speaking and teaching the Full Gospel for all. He has ministered as Bible teacher and camp meeting speaker in any sections.

BIBLE THOUGHT AND PRAYER

It is said that a young man once said, "I don't know what I believe in, but I know I believe in the Lord." O that men would praise the Lord for His goodness, and for His wonderful works unto the children of men.—Psalm 107:11.

ELECTION RESULTS.

Almost all observers predicted Republican gains in this election, but few expected such a sweeping rebuke to the Washington Administration. Outside of the ranks of the New Dealers, however, few tears will be shed over the prospect that Mr. Roosevelt may lose control of Congress.

Certainly Southern Democracy loses nothing by this Republican victory. The New Deal has been consistently anti-Southern. It has sought assiduously to undermine our social and economic security and has made a constant and consistent effort to engender racial and factional hatreds. Northern Democrats, it seems, have been determined to "rebuken" the South; and, of course, this reconstruction has always been directed toward financial and economic advantage over us.

Only very recently we have witnessed a most dastardly blow against the South in the proposal to develop a rayon industry at expense of the taxpayers to replace the cotton fabric already available for tire manufacture. This is only one of many assaults that are being constantly made upon us.

There is no question that this political turn-over is directed against the socialistic program in Washington. Even fathers and mothers of the North are becoming increasingly indignant that strikes and labor racketeering shall withhold necessary supplies from their boys at the fighting fronts. Apparently they are not satisfied with the Commander-in-Chief.

Outstanding Southern Democrats, like Judge Smith, have repeatedly warned the Administration that the people will not continue to tolerate the reckless and extravagant socialistic program which is being coupled with the war effort. Washington would not listen, and is now beginning to reap the whirlwind. And unless they do a lot of listening, and act accordingly, something very deplorable to the aspirations of the New Deal could happen in 1944.

BENNETT SCHOOL NEWS.

Miss Nelson's first grade is doing all it can to help the war effort. The boys and girls worked hard to bring in scrap when the scrap drive was on. The children are trying to buy as many war bonds and stamps as possible. They are trying not to waste things, because they know that they can not get the things they once could get, yet some grown-ups cannot learn that. The children are trying to have all five pointers, and are working on health.

Mrs. Carter's second grade have been reading stories about how animals get ready for winter. They have painted pictures of Autumn.

Miss Hartwell's third have been working hard on Vitamins for Victory. Now, more than ever, we need to keep our bodies in good condition, so we can work for the good of our country.

Miss Gregory's room is studying about pioneers. They are mostly interested in the foods they ate, and how they kept so healthy. The children are doing their part in buying war bonds and stamps.

Mrs. Moore's fifth grade has been working very hard to get their S. C. A. dues in. They all have paid except seven. They hope to be 100%.

Miss Myer's sixth grade pupils have been studying Central America and South America. There is a splendid exhibit in the room of maps, books, flags and other interesting things from Latin America. This exhibit was sent to Miss Ayres from the U. S. Office in Washington, Mr. and Mrs. Richmond visited Bennett School last week. Mr. Richmond is State Supervisor of Music. Mr. and Mrs. Richmond are from Richmond, Virginia.

Bennett School had a Halloween party on Friday, October 23, in the gymnasium. There were over 800 boys and girls there.

I Like This Book

One of a series of book reviews by students of Osborn High School Manassas—Session 1942-43—in competition for the W. C. Wagener Memorial Prize.

"The Keys of the Kingdom," written by Dr. A. J. Cronin, was published in 1941 by Little, Brown and Company.

Dr. Cronin, who was born and educated in Scotland, is successful both as a doctor and as an author. His contributions include "Hatter's Castle," "The Citadel," and "The Keys of the Kingdom," all of which have been enthusiastically received by millions.

"The Keys of the Kingdom" portrays the life of Father Francis Chisholm, a Catholic priest.

Francis Chisholm was born in Scotland, the son of a fisherman, and, while still a young boy, was forced, through the death of his parents, to make his home with relatives.

Being unkindly received in his new home, he went to live with an aunt, who, wishing to prepare him for a vocation, sent him to a seminary in San Morales, Spain, to study for the priesthood.

There Francis proved himself a worthy candidate for the priesthood and won the respect and admiration of his colleagues and teachers.

At completion of his study at the seminary he was ordained and sent by the bishop to Pai-tan, a small village in China, where he was to carry on the work in a Catholic Mission.

When the young priest arrived in Pai-tan, he found the mission had been destroyed, but his determination to carry out his bishop's assignment and bring religion to the Chinese people enabled him to begin the task of rebuilding it.

By saving the life of a wealthy Chinaman's son, Father Chisholm was given the land on which to build a new mission. When the mission was completed, Father Chisholm, with the aid of three Catholic Sisters, opened it for Chinese children.

In his struggle with the mission Father Chisholm met with many difficulties: the church of the mission was destroyed by a flood, a plague swept the Chinese village, and he and the sisters had misunderstandings, and a bandits' war occurred in which the mission served as a place of refuge for the Chinese.

"The Keys of the Kingdom" is a fitting tribute to missionaries everywhere, whose courage, and unflinching love for God and their fellow man have inspired them to carry religion to peoples in all parts of the world. If you have not read "The Keys of the Kingdom," join the millions who have found it an inspiring measure of courage for personal problems in these troubled times.

LOCAL BOY MAKES FINE RECORD IN TRAINING CLASS

Nov. 8, 1942.

Mr. R. D. Wharton, The Manassas Journal, Manassas, Virginia:

Dear Mr. Wharton: Thank you so much for writing me in regard to Ambrose Buchanan Lewis, who has completed his recruit training and is now awaiting transfer to Service School.

Lewis is scheduled to start his course in the aviation metalsmith school this coming Monday. In tests given all recruits at Camp Robert Smalls, Lewis showed a high mechanical aptitude.

He made an enviable record during his recruit training and I have no doubt that he will continue to distinguish himself in Service School.

Very sincerely,
D. W. ARMSTRONG,
Lieut.-Comdr., U. S. N. R.
Commander, 18th Regiment,
Great Lakes Naval Station, Illinois.

CARD OF THANKS.

We wish to express our sincere appreciation to neighbors and friends for their kindness during the death of our father, Joseph Stefo.

TROOP MOVEMENTS ARE SECRET. BUT THIS WE CAN TELL YOU—TROOPS FOR EMBARKATION MAY ARRIVE IN DOZENS OF TRAINS, FROM DIFFERENT PARTS OF THE COUNTRY. YET THESE TRAINS PULL INTO PORTS IN A PRECISELY-TIMED STREAM, NO CONFUSION, NO DELAY. JUST MILITARY EFFICIENCY IN TERMS OF RAILROADING.

The Truth About Coffee

AN OPEN LETTER TO THE COFFEE CONSUMERS OF AMERICA

Dear Friends:

It is possible that you have suffered some inconvenience, because of the temporary shortage of coffee.

The NATIONAL COFFEE DEPARTMENT OF BRAZIL, representing the coffee planters of Brazil, who grow most of the finer coffees imported into the United States, greatly sympathize, as good neighbors, with you in the situation which has made it temporarily necessary to reduce the quantity normally used in your household.

There is no shortage of coffee in Brazil. However, a temporary shortage of ships prevents regular delivery to American roasters.

Under the circumstances, patience will become a virtue while the shortage exists, for as shipping improves there will be plenty of real, rich, full-flavored Brazilian coffee for everyone.

In publishing this open letter, we believe it our duty to sound a warning to safeguard, if possible, American coffee consumers against those seeking to take an unfair advantage of the emergency by dumping on the market adulterated coffees as substitutes for the rich, delicious beverage you have been accustomed to buy.

Purchases of these coffees will unwittingly align the purchaser with unjustifiable, ruthless competition for highly reputable American coffee roasters, who are willing to continue to serve the American public with genuine products. They should not be expected to compete with producers of adulterated coffees. May we repeat, your purchases of adulterated coffees will drive reputable and responsible American coffee roasters out of business, or compel them to change their existing high quality standards.

As a constant user of good coffee, you are entitled to know these facts, to exercise caution when buying coffee. If your dealer cannot supply your favorite brand and offers you a new one in its place—make sure you are getting pure coffee and see that it is labeled accordingly. That is your government's guarantee of complete protection against adulterated, or "doctored" coffee. Don't waste your ration coupon by giving it in for one pound of a mixture that is only 50% coffee. No one should be unduly alarmed over the present situation, but above all don't board coffee and don't waste it. It is unfair to your neighbor to board, and coffee is TOO GOOD TO WASTE!

Sincerely,
BURICO PENTEADO
General Representative to the United States
for the
NATIONAL COFFEE DEPARTMENT OF BRAZIL

On the Seven Seas

For 45 years General Electric has developed and built electric equipment for the Navy. Here are a few of the ways in which electricity serves the Navy.

1. Just one battleship may have electric generators to produce as much as 10,000 kilowatts. This would supply the needs of a city of 175,000.

2. Searchlights produce millions of candlepower of light to aid in detecting enemy ships and planes, and to guide Navy gunners to their targets.

3. More than 20 different operations are performed in bringing a naval gun to bear on its target. Electricity helps to co-ordinate these operations.

4. When a battleship goes into action, electricity helps direct the ship, operate the guns, and give the orders. G.E. is building equipment to do these jobs.

General Electric believes that its first duty as a good citizen is to be a good soldier.

General Electric Company, Schenectady, N. Y.

OCCOQUAN

The last surprise blackout in Occoquan and vicinity was carried out in an excellent manner, except for a couple of houses where the occupants had gone out and left a light burning in the empty house. All blackouts from now on will be by surprise, so when the entire family goes out, please leave no lights burning.

A new Boy Scout Troop, No. 158, has received its charter at Lorton, Va., and we trust the entire community will give their entire support to the troop. The troop at the time of getting the charter was composed of the following: Scoutmaster, Millard E. Huffman, Lorton, Va.; assistant masters, Claude Duell and Guy Shepherd of Lorton, Va., and the following scouts: Marion Beach, Joseph Collins, James Harris, Warren Kisen-doffer, Carroll Mahan, Richard Murphy, Edward Murphy, Jeter Rose, Herbey Rice, Wallace Reader, Richard Smith, Franklin Beahm, William Carroll, Jordan Harding, Duncan Simons, Henry Dwyer, James Donovan and Charles Collins.

This organization started from scratch, and, like any new organization, they need the full support of the community. They have no way to get ahead financially, and there are a lot of necessary articles they have to have. If any individuals or organizations would care to help them financially, please send your contributions to the scout master, Mr. Millard E. Huffman, Lorton, Va. He will see that it is put to the proper use.

The Troop Committee consists of: Rev. John C. Runkle, rector of Pohick Church, T. T. Grimsley, Lorton, Va., who lives near Pohick Church, and Capt. Thomas F. Joyce, Occoquan, Va. The Troop committee appeals to all good citizens in Lorton and community to help this troop function as atrop we will all be proud of. We further appeal to the parents of Scouts to assist their boys in every way possible in attending all Scout meetings and in carrying out their Scout duties.

JOSEPH STEFKO.

Joseph Stefko, 71, passed away quietly on October 30 at his home in Cleveland, Ohio, following a long illness.

Michael Cannon of Richmond, Va., and Rev. John Stanton, pastor of the church. Father O'Connell of St. Paul's Church in Richmond, Va., rendered the music.

Seven children and four grandchildren survive: John, Ann, Mrs. Antonette Kasan, and Lucy, all of Cleveland, Ohio; Sister M. Loretta O. S. B., of Richmond, Va.; Joseph, at Minnieville, and Technical Sergeant George Stefko, stationed at the Sedalia Army Air Base at Knobnoster, Missouri.
