

HIGHWAYS ARE ON WAR TIME BASIS

GENERAL ANDERSON
OUTLINES GENERAL
OPERATING CONDITIONS

Highway revenues have fallen off \$30,000 per day, available manpower has been reduced fifty per cent during the past year, and the winter just past hit the highways of the State the hardest blow of any in seven years, State Highway Commissioner James A. Anderson announced this week upon his return from a survey of road conditions throughout the State.

General Anderson further announced that, beginning with this week, meetings will be held by District and Resident Engineers in each of the eight Construction Districts, to consider ways and means of meeting the highway emergency under existing conditions and with available labor and equipment.

He called attention to the fact that while in a normal year 25,000,000 (million) gallons of tar and asphalt are used in the spring for road maintenance, this year there is only about nine million gallons available for surface treating and patching while last year 15 million gallons could be obtained. Where 2,500 miles of road surface is usually treated and patched, this spring only approximately 900 miles can be worked on and this means that the worst spots will have to be attended to first and what material is left will be made to go as far as possible. As long as the government needs asphalt, tar and like bituminous materials for fuel, airport construction and transportation, roads must wait.

From the meetings of the District Engineers will come plans for making a depleted road force do the work of twice as many and of making available materials go twice as far. District Engineers are now making a study of the possibility of using convict labor for maintenance work in areas where labor is practically unavailable at the prevailing highway wage rates. The worst roads in each District will be given first attention but it is estimated that even at best it will be late in the season before some roads can be put back into normal condition.

General Anderson has suggested that any and all county residents who are having trouble with their roads to such an extent that they are in urgent need of help, get in touch with their resident engineer prior to the District meetings. This will be of great assistance to the engineer in presenting a true picture of conditions in his section.

General Anderson reported that heavy slides in the Southwest, as a result of freezing and thawing, have caused great damage. The Hampton Roads area, with its intensified war activities and lack of highway labor, is probably the hardest hit section of the State, he said, although no section is free from the need of much maintenance work.

The first District meeting will be held in Staunton on March 31st, with C. M. Moyer, District Engineer of the Staunton District, in charge. Beginning the same day the Salem District meeting will be held with F. A. Davis, District Engineer presiding. The Culpeper District, with R. I. Mount, District Engineer in charge held its meeting on April 1st; Bristol District, G. D. Felix, District Engineer, on April 6th; Fredericksburg District, J. H. Walker, District Engineer, on April 9th, and the Richmond District meeting will be held the same day at the District office near Petersburg. L. E. Akers is District Engineer of the Richmond District.

Members of the State Highway Commission, one from each Construction District, are as follows: J. B. Wampler, Big Stone Gap; E. H. Poindexter, Fredericksburg; J. F. Wysoh, Pulaski; A. D. Starling, Danville; Kenneth N. Gilpin, Boyce; E. P. Barrow, Boyce; S. W. Rawls, Franklin and George P. DeHardit of Gloucester.

SERVICE NEWS

Grover Leroy King was inducted in the Army January 26, 1943. He was sent from Camp Lee to Miami Beach, Fla., where he completed his basic training.

He is now in Amarillo T.S.S. Army Air Field, Texas, and has made P.F.C. at the completion of which he will be an aviation mechanic.

GIVES BOND TALK

Edmund Brill, of Richmond, member of the victory sales promotion staff for Virginia, was present at the regular meeting of the Kiwanis club last Friday.

He gave a remarkable talk on sales methods being used, especially by civic clubs. He cited the record of Prince William for some months past and paid a glowing tribute to the county chairman, Mr. Ratcliffe.

Announcement was again made of the approaching visit of the lieutenant governor next week.

BIRTHDAY PARTY FOR O. E. S. GROUP

INSTALLATION OF OFFICERS
OBSERVED ON SAME OCCASION

The annual installation of officers of Windausis Chapter O.E.S. was held in the Masonic Temple on Thursday night, March 25. The installing officers were Mrs. Harry Kennedy of Alexandria and Mrs. James Sellars of Arlington. These officers were ably assisted by Mrs. Lillian Burke, Mrs. Margaret Broadbudd and Mrs. Ada Sigman. This beautiful ceremony was carried out in a most impressive manner. The following officers were installed for the year:

Miss Bertha Luck, Worthy Matron; J. L. Bushong, Worthy Patron; Mrs. Irene Haydon, Assoc. Matron; Paul J. Cooksey, Assoc. Patron; Norma Y. Cooksey, Secretary; Loula Broadbudd, Treasurer; Mrs. Ruth Woodyard, Conductress; Mrs. Irene Harpin, Assoc. Conductress; Mrs. Margaret Broadbudd, Organist; Mrs. Margaret Lewis, Chaplain; Mrs. Eleanor Wetherall, Marshal; Marion Dickens, Ada; Miss Stella Bryant, Ruth; Mrs. Meaker Hurst, Esther; Mrs. Verda Parrish, Martha; Miss Sally Proffitt, Electa; Mrs. Lillian Reeves, Warden; J. H. Stauff, Sentinel.

Two of our members have been appointed by the Grand Matron of the Grand Chapter of Virginia to serve as page and usher when the Grand Chapter convenes in Hotel Roanoke the second Tuesday in May.

At the close of the installation ceremony the guests and chapter were invited to the Recreation Room. It was the occasion of the 16th birthday of the Chapter. A beautifully decorated cake with 16 candles arranged in shape and colors appropriate to the Eastern Star made a most attractive centerpiece. This cake had been decorated by one of our Chapter members and was artistically done as well as displaying rare talent. The retiring matron and partner, Mrs. Hurst and Mr. Stauff, and the newly elected matron and partner Miss Luck and Mr. Bushong, presided at the table and served cake and punch to the guests and members. Visitors from Waynesboro, Pa., Occoquan, Arlington, Alexandria, and other nearby places were present to enjoy this occasion.

FOUL SHOOTING CONTEST AND CLOSE OF BASKETBALL SEASON

Tuesday, March 23, was a gala night for the winners of the two basketball games held in the gymnasium. It was the close of the basketball season and the G. S. O. and the Chamber of Commerce were the proud champions of the league. The G. S. O. the winners of the second quarter defeated the Auxiliary American Legion. It was one of the most exciting games of the season and the American Legion gave the G. S. O. a run for their money. The boys' game was even more thrilling than the girls', because until the last minute the American Legion, the opposing team, was tied with the winners. The score was 33-35 when the final whistle which officially ended the season, was blown.

JUST A REMINDER

WAR FUND QUOTA NOT YET FILLED

Prince William County Chapter, American Red Cross, is actively engaged in raising the quota of \$3,500 asked by National Headquarters for this county's contribution to the War Fund.

At the meeting held last Friday workers reported to Mr. O. D. Waters, Jr., \$2,100 in hand, and the Chapter believes that the community will not fail in its privilege of giving its full quota to the only agency going with our fighting men throughout the world.

The Production Committee announced a recent shipment of 12 army sweaters, 12 navy sweaters, 8 scarfs, 7 pairs wristlets, 2 helmets.

March Blood Donor Clinic in spite of the weather, was successful, and on April 20, Tuesday, the next Blood Clinic will be held in the Parish Hall of Trinity Episcopal Church, Manassas.

Those who wish to contribute their blood at the time, are requested to notify Mrs. Lloyd, Mrs. Delaney or Mrs. Marsteller.

Residents of this county are urged to send their War Fund-subscription immediately to Mr. O. D. Waters.

STUDENTS ELECT S. C. A. PRESIDENT FOR 43-44

Osborn High is having an Open Campaign in order to select the forth coming president of their Student Cooperative Association.

The students who wanted to declare themselves as candidates for president had their names approved along with their campaign managers' and the president of the S. C. A. for names by the principal, Mr. Peters.

The campaigning will begin on Monday, March 29, 1943 with speeches by all candidates and their campaign managers. Posters and ribbons will be seen floating about the school during this memorable week.

But, all posters and such things must be taken down by the beginning of school on Friday, April 2, 1943. This is the day that the students go to the polls, and it would not be wise to have any posters guiding them who to vote for.

Friday night from 8:30 to 11:30 there will be a Radio Dance in the Manassas Gymnasium. The returns of the election will be announced sometime during the evening. Come out and hear who will run the S. C. A. for the coming year!

(Ed. Note—The elections resulted as follows: President, Junior Roseberry; vice president, Colleen Harder; secretary, Miriam Hersch; treasurer, Margaret Cannon; stenographer, Vivian Moulden; parliamentarian, Billy Johnson).

GRANT FOR TEACHERS NEAR

Only a ruling from Attorney General Staples now seems to stand in the way of authorization of \$750,000 additional funds for teachers' salary increases, and it is believed the ruling will be favorable. Governor Darnold has stated that his roll of sentiment among members of the General Assembly has yielded very favorable reaction.

WILL RUN FOR CLERK OF THE COURT

Another candidate appeared on the scenes this week in the person of O. D. Waters, Esq., who will oppose L. Ledman for the nomination of clerk of the court in August.

The announcement is not a surprise as rumors to this effect have been current for some time.

Mr. Waters is a bona fide native of Manassas, having been born here. His father founded the Journal, then known as the Manassas Gazette, in 1869. His mother was the late Anne Bladen Weir, who forebears were the proprietors of Liberia, now generally known as the Portner estate.

He received his education locally and has always lived here although he was for a quarter century associated with the wholesale hardware firm of Worth Huihsh Sons, Alexandria, as their vice president, in charge of sales.

He married a Miss Louise Longwell, also of this county. They have two children, Mrs. Nancy Lyons, a member of the local high school faculty, and Lieutenant Commander O. D. Waters, Jr., gunnery officer of the U. S. S. Memphis.

Mr. Waters has been active in club and fraternal circles, and is at present member of the town council and vice mayor. He is a past president of the local Kiwanis club where he bears the cognomen of the "silver-tongued orator."

He has been identified with Trinity Episcopal Church since early life. He has been a vestryman for years and was for some time superintendent of the Sunday School.

With a distinctly pleasing personality, he would make a distinctly vigorous opponent in any political race. After a lifetime residence here, he naturally has many friends who wish him well.

ARMY AND MARINE KIT BAGS

The Prince William County Chapter of the American Red Cross has filled and shipped 50 kit bags and has 50 more in the making material having been distributed in Occoquan, Nokesville, and Manassas.

The Chapter has been asked by headquarters to keep making and filling these kits for our men embarking for foreign service and it would be greatly appreciated if any organization or individual would donate supplies or money.

The supplies needed are; cigarettes, chewing gum or hard candies, playing cards, pocket-size books, sewing kits, facial soap, soap boxes, double-edge razor blades, 40" tan, shoe laces, shoe polishing cloths, pencils, tablets and envelopes.

If you would like to give any of these articles, please notify Mrs. John W. Beard, Vice Chairman of Production.

MRS. LEWIS WILL ENTERTAIN U. D. C.

The Manassas Chapter, U. D. C. will meet Wednesday, April 7, at 2:30 P. M. at the home of Mrs. Margaret Lewis.

UNITED STATES CHAMBER OFFICIAL TO BE GUEST

At the regular meeting of the local chamber of commerce on Tuesday, Emerson P. Schmidt, secretary of the United States Chamber of Commerce, will be the guest speaker.

The president would like each member of the chamber to bring a guest on this occasion.

VICTORY FARM PROJECT AWARDS

KIWANIS CLUB PLANS UNIQUE CONTRIBUTION TO WAR EFFORT

At a meeting of the Agricultural Committee of the Manassas Kiwanis Club, called by Chairman, Albert Roseberry last week, plans were made for carrying out a Victory Farm Award Program during the coming summer and early fall months.

At the close of the season, special recognition will be given and Victory Farm Award Plaques presented to Prince William farms making an exceptional record of production and otherwise participating in essential wartime activities. Judging, by a committee to be named by the Agricultural Committee of the Club, will be based on the following outline:

A. Production of the maximum of essential farm products, taking into consideration the land, manpower and equipment available on the individual farms.

B. Production of Victory Gardens and food for all farm family needs.

C. Participation in related War activities.

1. Buying War Bonds and Stamps.

2. Cooperating in Salvage Programs.

3. Contributing to the Red Cross, USO and other War Service Organizations.

4. Other local efforts essential to the home war effort.

The Victory Farm Awards will be presented at the semi-annual Farmers Night Program of the Club next fall. Special recognition will be given to the farm rather than to the farm owner, thus including all employees and family members in the production effort worthy of the citation.

CHEST X-RAY ESSENTIAL IN DIAGNOSING TUBERCULOSIS

Tuberculosis continues to be a major public health problem. The control of it depends basically upon early diagnosis of the positive case, thereby lessening the possibility of "open" cases who are responsible for the spread of the disease. The x-ray examination is an important diagnostic facility in the case-finding program. It, therefore, becomes evident that where tuberculosis is suspected or an "open" case is known in a family group, every member should be examined and x-rayed.

During the week of April 12-16 in Dr. Win. Health Dept., at Manassas, Va., a diagnostic x-ray clinic for tuberculosis will be conducted by a specialist of the State Department of Health. This activity is under the auspices of the County Health Department and in cooperation with the medical profession of the county. The examination and testing is a free service, but there is a charge for the chest x-rays, the maximum cost being two dollars (\$2.00) per person.

A written request for these examinations must be obtained from your doctor. Also, a written request is necessary from the parents for children whom they wish to be tuberculin tested.

Apply to your local county nurse for a clinic appointment well in advance of the clinic. Only a limited number of persons may be examined and x-rayed in these clinics, hence appointments made prior to the clinic date are imperative to obtain this service.

Patients will not be admitted to the clinic Thursday or Friday afternoons. The clinician conducting the clinic is always available, especially Thursday afternoon and by appointment for consultation with the local physicians regarding their patients.

MISS CONNER WILL SPEAK TO GARDEN CLUB ON CACTI

The Garden Section of the Woman's Club of Manassas will meet on Monday, April 5, at 2:30 at the home of Mrs. A. A. Hooff. It will be the annual election meeting when officers will be chosen for the coming year and a full attendance is requested.

Miss Walser Conner will talk on "Cacti."

FOREST BUREAU URGES CAUTION

PROMPT ACTION OFTEN SAVES MUCH DAMAGE

The dangerous fire season is here and the people of Prince William County are earnestly requested to cooperate with the Virginia Forest Service and various fire control agencies in the care of fire that they may have occasion to use in connection with brush burning operations, sawmill operations, gardening, etc. This year few persons are available for help in case of the escape of fire. Consequently, the cooperation of all persons is requested in the suppression of fires when they occur.

The following is a list of the suppression organization in Prince William County:

CHIEF: J. Preston Smith, Waterfall, Virginia.

LOOKOUT WATCHMAN: W. H. Ellicott, R. F. D., Nokesville.

LOCALS: Edwin E. Cornwell, R. 2, Manassas; Cornelius P. Ennis, Nokesville; George A. Hedges, Hoadly; Van R. Herndon, Nokesville; W. H. Herring, R. 1, Box 160, Nokesville; A. MacMillan, R. 1, Manassas; John A. Musselman, Occoquan; Elmer A. Payne, R. 1, Box 120, Manassas; D. W. Posey, Hoadly; J. T. L. Rollins, Wellington; Francis S. Van Doren, R. F. D. 2, Manassas; James C. Watson, Haymarket; Frank W. Wells, R. F. D., Gainesville.

In case a fire occurs in your community please notify either the chief forest warden of your county or the nearest local warden in order that they may take prompt action on the fire. In the meantime, and until the chief forest warden or local warden arrives, do everything you can to bring the fire under control. On particularly dangerous days the first five or ten minutes on a fire might mean the prevention of a large and devastating fire. Your cooperation in this respect will be greatly appreciated.

DEMOCRATIC COMMITTEE SETS FEES FOR CANDIDATES

Whereas the election for County and District officers will be held in November next and whereas it is the sense of this Committee that a primary should be held for the selection of the Democratic nominees for the said offices.

Therefore, Be it resolved, that a primary, in accordance with the State Primary laws, be held the first Tuesday in August next for the selection of the Democratic nominee for the said various county and district officers to be elected in the general election in November next, and that notice of this action be given, as provided by said primary laws, to the Secretary of the Commonwealth.

Be it further resolved that the candidates for the offices which are on a salary basis (namely Commissioner of Revenue, Treasurer, Attorney for the Commonwealth and Sheriff and members of the Board of Supervisors) do pay as provided by said primary laws two per cent of their annual salary, respectively, that candidates for the Clerk of the Circuit Court do pay the sum of \$100.00 each; and that the remaining candidates for the other offices—(being district offices) be relieved from the payment of any fee and that they likewise be relieved from filing, with their declaration of candidacy, any petition signed by voters.

The Payment of all fees to be made to the Treasurer of the County, and the declarations of candidacy for the various offices, petitions of voters when required, etc. be filed with the Chairman of this Committee, in the manner and time by the law prescribed.

MEETING OF EXECUTIVE BOARD

The regular meeting of the Executive Board of the Manassas Woman's Club will be held Tuesday morning, April 6, in the home of Mrs. Lewis J. Carper at 10:00 o'clock.

The members of the Board are urged to notice the change in the meeting time as the President will attend the State Board meeting in Richmond on April 7.

CHRISTIAN SCIENCE

"Unreality" is the subject of the Lesson-Sermon which will be read in churches and societies of Christ, Scientist, throughout the world, on Sunday, April 4.

The Golden Text is "What is the chaff to the wheat saith the Lord." (Jer. 23:28).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Ye are the light of the world. A city that is set on an hill cannot be hid. Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven." (Matt. 5:14, 16).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health With Key to the Scriptures" by Mary Baker Eddy: "Good demands of man every hour, in which to work out the problem of being. Consecration to good does not lessen man's dependence on God, but heightens it. Neither does consecration diminish man's obligations to God, but shows the paramount necessity of meeting them. Christian Science takes naught from the perfection of God, but it ascribes to Him the entire glory." (p. 261).

ARMY CHIEFS LAUD WORK OF RED CROSS

Gen. Dwight D. Eisenhower

Gen. George C. Marshall

Gen. Douglas MacArthur

By Gen. Eisenhower
The American Red Cross is the one agency of its kind to serve our Armed Forces overseas. The services rendered in the European Theater have been invaluable.

At the scores of American Red Cross Service Clubs established throughout Great Britain our Forces, while on leave, are able to obtain meals, lodgings, information and recreation; all with an American home atmosphere.

The Red Cross service our Forces while on duty, and is of even greater value when men are hospitalized.

I cannot speak too highly of the benefits which have resulted from the unselfish efforts of those engaged in the work here. On behalf of our Forces in the European Theater I desire to express appreciation to the American people for their generous support which has made possible the operations of this great organization.

By Gen. Marshall
The Army depends heavily on the Red Cross as a vital link between its individual soldiers and their families. As the only civilian organization

which operates on military reservations the contributions made by the Red Cross workers, and the highly organized assistance available to the Army through them, are of inestimable value to us in maintaining morale.

The fighting efficiency of a soldier is greatly enhanced when he knows that during his absence the welfare of his loved ones is the subject of interested concern other than his own, and the service of the Red Cross is available to every man in the Army. Its representatives are scattered throughout the world wherever American soldiers are stationed, contributing to the comfort and care of convalescent soldiers in hospitals, maintaining clubs where wholesome entertainment and recreation are available to men off duty, and—probably most important of all—caring for their families at home when they are in need of assistance.

Thousands of Red Cross workers lend a helping hand to the members of the armed forces with their individual problems and the opportunity to share in this

contribution to the well-being of our soldiers is offered to every man, woman, and child in the country. Gratitude and appreciation cannot be adequately measured in dollars and cents, but dollars and cents are certainly necessary for the continuance of these services which are so vital a part of the war effort, and I strongly urge every citizen to assume a part in the responsibilities of this great organization by contributing to the Red Cross War Fund.

By Gen. MacArthur
The American Red Cross is an expression of humanitarianism. When tragedy interrupts, as sooner or later it must, succor for the injured, the helpless, the destitute, speeds by land, sea and air. No call however great or small passes unheeded. The Red Cross never fails the soldier. It brings to him a hint of home, a touch of cheer, whether he be in teeming jungle or arctic waste. It bears a gift to him from no one and yet from all. It warms him with the comfort that someone thinks of him and someone prays for him. It truly follows in the train of the "Prince of Peace."

A notable event took place at old St. John's on Sunday afternoon when Rev. Arthur Lyon-Vaiden, rector of Truro Parish, christened Stuart Turberville DeBell, Jr., the fourth generation removed from George Richard Lee Turberville, 1st, of Leeton, who was the first of his line to worship in this edifice and who was married there.

The sponsors were Mrs. Martha Keller Welch and Messrs. Stuart DeBell and John DeBell. (Mr. Samuel McWhorter acting as proxy for his cousin who is away with the armed forces of the United States).

A sad death occurred near Neverlet when Mr. Ambrose Tugman, of near Ivakota, was dragged under his wagon. He had just bought some furniture at the stock sale, and was turning off the main road onto the downhill side when the furniture fell over causing the wagon to upset. His team dragged him at least a hundred yards down the road. He managed to toss his little child to safety, giving his own life in preference.

Bishop Mason has called a special meeting of the congregation of St. John's on Sunday afternoon at 3:30 P. M. There will be communion at 9:30 on the same day. Rev. W. F. Carpenter, of Haymarket, officiating.

THE EARLY BIRD GETS A GOOD DEAL!

OCCOQUAN

A very popular young man of Occoquan, Mr. Frank W. Hornbaker, left for Parris Island this past week for training in the U. S. Marine Corps. Frank volunteered for the Marine Corps rather than wait to be inducted in the Army. We all wish him good luck. We are sure he will make a good Marine.

The Board of Supervisors of Fairfax County presented the O-W-L Volunteer Fire Department a check for \$500.00 last week in appreciation for their fighting fires in Fairfax County during the year. Fairfax helps the Fire Department every year, and we sincerely thank them for their thoughtfulness. It shows that the Fairfax County Supervisors appreciate the value of Fire Fighting in the county. The Prince William Board of Supervisors never gave the Company a RED penny, although they allot money for fire fighting in the county every year. We all wonder what becomes of this allotment? Delegations from the Fire Department have appeared before the Prince William Board of Supervisors several times in an effort to get some financial assistance, but never have received a cent.

To you taxpayers of Occoquan: This is to inform you that your Town Council has purchased \$300.00 worth of Government Bonds from tax money in the name of the Town. Those Bonds may be redeemed any time the money may be needed for use in the Town. Until such time arrives, we believe no better place could be found to place your money than in Government Bonds. We

trust all taxpayers in the Town approved of this purchase.

You are also informed that the Treasurer of the Firemen's Social Funds has purchased \$100.00 worth of Government Bonds from their funds. These Bonds may also be redeemed any time the firemen desire to use the money for social purposes. That will not happen until after our comrades in the armed forces return home after the peace is declared, when we all hope to have one grand party.

All you good housewives of Occoquan, save your empty tin cans. The government needs them to throw at the Axis. When you empty your tin can, wash it, cut both ends out, put the ends inside the can, lay the can on the floor and step on it to flatten it. Then put it in some kind of a box, and when you have several such cans taken them to Mr. R. S. Hall who has a place to keep them until a truck load has accumulated when they will be sent to some government place to be processed. You should also take the paper off the outside of the can. A can with the paper so stuck that it cannot be taken off is not desired for processing. Only cans that the paper on the outside can be taken off are to be saved. Now this is a simple matter to attend to, and it is very essential to the prosecution of the war. It will also prevent the litter of tin cans on the scenery.

Now that spring is here, we trust all residents will clean up their yards, etc., and make our town the beautiful little town it always has been in summer. Your Town Council has made every effort to hire someone to carry away the rubbish occasionally, but it seems no one wants the job.

TO THE VOTERS OF THE TOWN OF OCCOQUAN

This is to let you good folks know that I will not be a candidate for any office at your election next June. You have lots of good men, yes; and women in our Town who could efficiently perform the position of Mayor of our Town. You have until June to select one you desire to elect. This will be my SIXTH year as Mayor, and I feel that it is as long as I care to hold the position.

I thank all our good citizens for their cooperation during my time in office, and I know you will support my successor as you did me.

THOS. F. JOYCE, Mayor, Occoquan, Va.

IS IT NOT PRINCE WILLIAM'S TURN?

Under our plan of legislative representation in the General Assembly of Virginia it is necessary to group the various Counties into Districts in order that the size of our law-making body may be kept to reasonable limits. Thus we find that until the present time Arlington, Fairfax, Prince William and Alexandria City have comprised a Senatorial District.

Under the new arrangement Arlington, with its huge metropolitan population, has become a separate Senatorial area, leaving Prince William, Fairfax and Alexandria to have a Senator. Since our able Senator Medley is a resident of Arlington County, we lose him by law and must now elect a new Senator.

It is also an unwritten law, established by long and accepted procedure that there shall be some kind of rotation of representation among the counties comprising a Senatorial District. There is no established precedent as to how long one county may monopolize the senatorial office, but it is certainly a definitely established custom that it shall not be eternal. In fact it is just because the overwhelming population of one County in this District made rotation no more possible, that redistricting was required.

We do not here refer to the little deals or so called "gentlemen's agreements" which are sometimes, and more frequently dishonestly than otherwise, claimed whereby a candidate seeks to turn a Delegate out and put himself in. We are referring to a broad consideration in Senatorial representation which should operate to prevent a County, decade after decade, from having no Senator for a quarter or half a century.

As nearly as we can determine it has been more than HALF A CENTURY since

Prince William County had a State Senator!

If it is true that Hon. E. E. Meredith, who served in the State Senate from 1883 to 1887, was the last Senator from this county, we believe that it is only fair, now that a special opportunity has been offered by the redistricting authorized by the General Assembly, that Prince William County, one of the finest in the State, be given a Senator. If not—why not?

WHY NOT BYRD?

More than four score years ago, our fathers here in the Southland, after complete loss of confidence in the political activities of their Party in the North and West, took the first steps towards a far more violent division between the States that occurred a year later.

Disgusted with chicanery, deceit and venomous jealousy, they went into session as Southerners and nominated a gentleman to take their lead.

While defeat might have easily been recognized in advance and the way paved for the unfortunate election of a man who meant far greater danger for the South, the move was made as a protest.

Today we are in a war and one which binds all elements of Anglo-Saxondom. This purpose can not be turned aside from. We must win a decisive victory.

On the other hand we still have our local matters to keep an eye on.

Confusion is rife about many things. Even our churches are being used as innocent propagandists of skillful rascals. Calm is needed and every effort exerted to avert any national catastrophe.

We are approaching another national election. We have continued our ordinary course in political matters and shall do so throughout the course of this war. We should not be idle and allow a continuance of many of those things which have already been put into motion which have been very much against the interests of the farming sections, particularly in the South.

If the excited "new dealers" use the war effort as an argument that Roosevelt be continued in office, there is not a line along which this nation could not proceed without even greater efficiency if some solid-thinking man from the South be awarded the Democratic nomination for President of the United States in 1944.

The outstanding figure in the Senate today is Harry Byrd. The Old Dominion offered him as a "favorite son" ten years ago. It is the sense of this paper that the need for clear, business-like thinking such as Harry Byrd possesses is even greater today.

We propose that farmers of this country get behind him, even if it be necessary to call a separate convention and give him an independent nomination if "hysteria" attempts to give us another four year dose of the Roosevelt principles.

STATE INTERVENTION IN DRAFT DEFERMENTS

Acting upon authority which he interprets the Selective Service Law to have conferred upon Governors of States, the Governor of Colorado has ordered the drafting of farm labor stopped within his State.

In the matter of interpreting laws passed by Congress without regard for the intent of the legislation, we think that since we have had so much seizure of unintended authority by the Executive branch of our Government, that turn about is rather refreshing, but at the same time even if a Governor does have this power, we doubt the wisdom of a man exercising his greatest emergency powers in every circumstance, and we think that this is an instance where the Governor of Colorado has been too impulsive.

The attitude of our own Governor Darden on this subject is more commendable. Governor Darden says, "It would be a disastrous blow to the Selective System if Governors should undertake to interfere with the induction of men into the armed forces through the draft."

The Governor added that he favored Congressional action on the deferment of farm labor, but that the administration of the Selective Service Act was certainly the responsibility of the Federal Government and that if States were to follow the action of Governor Vivian, of Colorado, the result would be chaotic.

IS THE GOVERNMENT AT WAR?

There is no question about the people of the United States being at war with the Axis. But sometimes we cannot help wondering if the "Government of the United States" has yet recognized the fact.

There is no question about the fact that Virginia is at war. We see concrete evidence of this fact all around us. From this rural County of Prince William, up to March 15 there have gone into the armed services 744 men, which is a tremendous drain upon our local man power, and we have every reason to believe that this is only the beginning. We note further that Governor Darden has called upon all State agencies to release every possible man as called by the Draft, and so far as possible not to fill their places.

Yet in Washington the Government seems utterly opposed to making any measure of the sacrifice it calls upon the rest of the country to perform. According to the Costello Committee of Congress, investigating draft deferments, there are approximately 479,000 men of draft age deferred for civilian government working nearly half a million fighting men! And we see all kinds of waste and extravagance going on in official circles within the very same fields of effort in which we are all asked to save and save until it hurts.

We see the Government exercising all kinds of solicitude for certain classes of citizens, highly paid under the program of

"social gains," while poor folks right in this County, dispossessed of their homes by seizure of their lands for military purposes are not being paid for the land, months and months after being ejected.

It is high time, we think, that the "Government of the United States" joins our whole people in all-out war, making the same degree of sacrifice that it calls upon the people to endure.

BRIEF LOCAL NEWS

Mr. and Mrs. Joseph P. Lyon, of Arlington, were week end guests at the home of Mr. and Mrs. G. Ratcliffe.

Manassas Chapter, UDC, will meet with Miss Margaret Lewis next Wednesday afternoon, at 2:30 o'clock. The many friends of Lt. Robert E. Fisherm of Westover Field, Mass., will be glad to know that he has received his captaincy. Elmer is recuperating in the station hospital where he underwent an operation about three weeks ago.

Miss Marie Bauserman, of Madison College, spent the past week end at her home here.

Mr. J. H. Steele has returned a brief trip to Richmond.

Mr. R. B. Adams, who has been visiting his brother, Mr. C. H. Adams, has returned to his home in Alexandria.

Mrs. C. E. Hixson, who is now in Asheville, N. C., expects to visit her home here in a few weeks.

Miss Hamilton, Librarian at the High School, has returned from a visit to her home on the Eastern shore.

Miss Janie Mauck had as a Sunday visitor Mr. Paul Madill, of the U. S. Coast and Geodetic Survey. Mr. Madill, who is a member of the unit which recently surveyed the Manassas area, was en route to Alaska.

Miss Betty Daugherty was the guest of Mr. Leslie Bourne and Mrs. Bourne on Thursday evening. Miss Daugherty is the daughter of Lt. Col. Simpson B. Daugherty and Mrs. Daugherty of Washington.

Mrs. Robert G. Van Meter of Middleton, Va., is the guest of her sister, Mrs. J. L. Bushong on North Main St.

Mr. J. Vincent Davis and family have returned from Norfolk where they attended the funeral of Mr. Davis' father, Mr. J. E. Davis, who died last Sunday.

WHITE-MORRIS

The Manassas Presbyterian Church was the scene of the wedding last Saturday evening of Miss Lucy Carnegie Morris, daughter of Mrs. Mary Morris and the late Edward Dickson Morris of Manassas, and Mr. Ashby Henry White, son of Mr. and Mrs. Henry S. White of Fairfax, Va.

The ceremony was performed by the Rev. John M. DeChant at 8:30 P. M. The church was decorated very simply with large bouquets of flowers and the soft glow of candlelight. Mrs. John M. DeChant officiated at the organ. The bride was charmingly dressed in a shell pink sheer wool suit with accessories to match. A corsage of orchids completed her costume.

The maid of honor was Miss Mary Jane Morris, sister of the bride. She wore a dusty-rose suit with accessories to match. Her bouquet was of pink beauties and frezia.

Mr. Worth H. Storke served as best man for Mr. White. Mrs. Morris, mother-of-the-bride, wore black. Her flowers were pink roses and frezia. Mrs. White, mother of the groom, also wore black with pink roses and frezia.

Following the ceremony an informal reception for the wedding party was given at the home of the bride's mother. The young couple left immediately for a brief wedding trip.

SPRING DRIVE AGAINST SPEED

GOVERNOR DARDEN WILL ENFORCE 35 MILE LIMIT

Governor Darden has announced there would be a Spring campaign against violation of the 35-mile-an-hour speed limit, and that he was seeking an explanation of a conflict in requests for speed enforcement received from Federal authorities.

The Governor said he planned to ask the State police to "crack down" again on speeding and that he expected a "big Spring haul."

In a letter to Rubber Czar Jeffers, the Governor asked if a request by the Office of Defense Transportation to allow a higher speed for vehicles carrying war materials was in line with the program of strict enforcement of the 35-mile limit requested by the War Production Board.

"Sometime ago," Governor Darden wrote, "I was requested by Mr. Eastman (ODT director), to make a number of exceptions in the administration of the act because of the necessity of expediting the movement of war materials."

"I assumed, the request coming from a Federal agency, that it was more important that the vehicles move rapidly than that gas and rubber be saved. Acting on this assumption, I permitted the speed limit to be exceeded by a great many vehicles in the State."

"Will you be good enough to advise me as to whether this is in line with the program of the War Production Board? I am anxious, in so far as possible, to conform, but it is rather difficult to do so."

Jeffers requested the Governor's support in seeing that the 35-mile-an-hour speed law is enforced in Virginia.

"It has come to my attention," Jeffers stated, "that recent developments in the rubber program have resulted in unwarranted optimism on the part of some of the motoring public. Possibly the approach of Spring may also have a bearing on this."

"This has been reflected in several ways, particularly, however, in a public tendency to disregard the national speed limitation of 35 miles per hour, and such a situation holds serious implications."

"Primarily, speed limitation is necessary to conserve rubber. Additionally, the reclaimed rubber recaps now available for general civilian passenger car use are much more apt to fail if they are subjected to speed in excess of 35 miles per hour, and therefore increase the possibilities of accidents..."

Candidates Cards

TO THE VOTERS OF PRINCE WILLIAM, FAIRFAX AND THE CITY OF ALEXANDRIA:

At the request of many of my friends in this Senatorial District, I have announced my candidacy for nomination to the office of State Senator, subject to the Democratic Primary, August 3, 1943.

The district, composed of Alexandria City, Fairfax and Prince William Counties has a complex situation that needs the services of the most experienced man whom the voters can secure. My service in the General Assembly which extends over three sessions has fitted me to represent the best interest of all the peoples in this District.

As a life long farmer, I am fully acquainted with many rural problems which face the farmers of this District. Having served as a member of the Board of Supervisors of Stafford county and as clerk of the court of that county, I am in a position to assist in problems of county government which may arise.

Owing to war restrictions it will not be possible for me to see many of the voters of the District. I am taking this means to solicit your support and consideration of my candidacy, with the pledge that if elected I shall certainly devote my whole hearted efforts in the interest of all of you.

GEORGE W. HERRING,
Woodbridge, Virginia

FOR CLERK OF THE COURT

I herewith wish to announce to the voters of Prince William County that I shall be a candidate for the office of Clerk of the Circuit Court, subject to the Democratic Primary August 3, 1943.

If I should be fortunate enough to be honored with this office I pledge to receive it as a sacred trust and will accord the patrons thereof every kindness, courtesy and consideration in the transaction of their business.

Very respectfully,

O. D. WATERS

TO THE VOTERS OF PRINCE WILLIAM AND STAFFORD COUNTIES:

I announce my candidacy for election to the House of Delegates of the General Assembly of Virginia for the Counties of Prince William and Stafford, subject to the Democratic Primary Election, August 3, 1943.

Having served the good people of these two counties for the past two terms, and having been placed on two major committees—Roads and Finance—I feel that I can be of even greater service in the future.

There is no knowledge of the agreement, referred to by my opponent, by which a representative from each county should serve only two terms. I feel certain that the gentleman from Stafford never stood aside for me when first I became a candidate, and I see no reason why I am not entitled to run again.

I appreciate the support which I have had from the people of Stafford and Prince William Counties and if elected, I will endeavor to serve to the best interest of both counties.

Sincerely,

E. R. CONNER,
Manassas, Virginia

To the Voters of Prince William County

Subject to the Democratic Primary of August next, I respectfully announce my candidacy for the office of Clerk of the Circuit Court of Prince William County. Experience is the chief qualification, and having been in the said office since 1916—first as deputy clerk and then as clerk—I feel that I possess this. If elected, I will faithfully perform the duties of this office, as I have heretofore done in the past. The support and aid of every voter is respectfully solicited, and to the people of Prince William I now wish to express my appreciation and thanks for their past co-operation, as well as for any assistance rendered me in the coming election.

Respectfully,

LEAMON LEDMAN

TO THE PEOPLE OF PRINCE WILLIAM COUNTY:

I am a candidate for the House of Delegates of the General Assembly of Virginia, for the Prince William-Stafford District, subject to the Democratic primary election to be held on August 3rd, 1943.

After serving as your representative for two terms, 1935 to 1938 inclusive, it was my pleasure to stand aside in order that a candidate from Prince William County might have the opportunity to serve you in this capacity. This action of mine was in accord with the gentlemen's agreement entered into many years ago when the two counties were joined in one legislative district, and which agreement was that the Counties would alternate, two consecutive terms each. So far this agreement has been adhered to, and I submit in all fairness and equity our next Delegate should be from Stafford County.

It is my desire to again serve our district in the legislature. My deep interest in the people, problems and enterprises of my district, and my official record during my two terms in office, are well known to most of our people. It is available to all.

I respectfully ask your support and continued confidence, and I assure you of my best efforts in the interests of our district and of our State.

Sincerely,

FRANK P. MONCURE

TRUSTEE'S SALE
of
VALUABLE FARM NEAR
GREENWICH, VIRGINIA

By virtue of a certain deed of trust dated November 20, 1935, and of record among the land records of Prince William County, Virginia, in Deed Book 97, page 298, from J. T. Sullivan and Aimee E. Sullivan, his wife, to the undersigned trustee, to secure the payment of their certain promissory note in the sum of \$1687.64, default having been made in the payment of the said note, the undersigned trustee, at the request of the holder of the said note, will offer for sale at public auction, on

SATURDAY, APRIL 10, 1943

at 11 A. M. of that day, in front of the Peoples National Bank of Manassas, in the town of Manassas, Virginia, all that certain tract or parcel of land situate near the village of Greenwich, in said county and state, containing 73 acres, more or less, according to a plat and survey made February 14, 1924, by C. Fitzwater, Surveyor, reference being made to said deed of trust for a more particular description of the said land. The said tract of land is well located and has on it a comfortable dwelling house and all necessary out-buildings, and is an exceedingly desirable piece of property.

TERMS OF SALE: The said land will be sold for cash, but subject to the balance due the Federal Land Bank of Baltimore, under and by virtue of a certain mortgage against the same originally in the sum of \$1500.00, and also subject to the taxes assessed for the year 1943. The balance now due on said mortgage will be announced on the date of sale.

NOTICE OF ADOPTION OF AN
ORDINANCE BY THE BOARD OF
SUPERVISORS OF PRINCE
WILLIAM COUNTY, VIRGINIA,
TO PREVENT THE SPREAD OF
RABIES

NOTICE is hereby gives that at a Special Meeting of the Board of Supervisors of Prince William County, Virginia, held on Thursday, March 18, 1943, at the hour of 3 o'clock P. M., proof was submitted to the Board that a rabid or mad dog had been at large and had bitten other dogs, and it being the opinion of said Board that an emergency existed, the ordinance hereinafter set forth was proposed for adoption and adopted, and the Clerk of said Board was directed to advertise the same in two consecutive weekly issues of the Manassas Journal, together with notice that said ordinance, being an emergency ordinance, is effective as of the date of its passage, the ordinance being in the words and figures following, to-wit:

"BE IT RESOLVED that the Clerk of the Board of Supervisors of Prince William County, Virginia, be, and he is hereby directed to publish once a week for two consecutive weeks in the Manassas Journal, a newspaper published in this County, that said Board did at a Special Meeting held on Thursday, March 18, 1943, at the hour of 3 o'clock P. M., at the Circuit Court Room, Court House Building, Manassas, Prince William County, Virginia, adopt an ordinance in the words and figures following, to-wit:

"BE IT ORDAINED by the Board of Supervisors of Prince William County, Virginia, as follows, to-wit: "It shall be unlawful to permit the running at large within the boundaries of Prince William County, Virginia, of any dog, and all persons owning, having control of or harboring any dog or dogs within the County of Prince William, Virginia, shall be, and are hereby required to keep the same confined to their premises, so as not to come in contact with any person or animal, unless said dog or dogs be in the custody of the owner or his agent and fastened to a leash. "It shall be unlawful and constitute a misdemeanor for any person to violate or to permit the violation of the provisions of this ordinance, and every person convicted of a violation of any of the provisions of this ordinance shall be punished by a fine of not less than \$10.00 nor more than \$300.00, or by imprisonment in jail for not less than one or more than thirty days, or by both such fine and imprisonment.

BE IT FURTHER ORDAINED that this ordinance be, and the same is made effective immediately, to-wit: On March 18, 1943, and shall remain in effect for a period of forty-five days from said date, unless sooner repealed by the Board.

"BE IT FURTHER ORDAINED that the Trial Justice be furnished with a certified copy of this ordinance, and that complaints for the offenses hereinabove set forth shall be prosecuted under the terms of this ordinance, and that all fines imposed under this ordinance shall be collected and paid to the credit of the General County Fund of this County.

"This ordinance is enacted and adopted under the provisions of Section 3305 (70) and 3305 (70a) of the Code of Virginia.

WATERFALL

We did not intend to go on a strike, as our long silence would indicate, and news is not as scarce as people. Households that were once in the nature of a bee-hive now remind us more of a lonely trappers cabin.

The Army, Navy and war work have taken their toll. The one highlight in our lonely existence are the week ends when those who can return to the old roof trees to bring us a ray of sunshine and keep alive the spark of hope that some day things will revert to normalcy.

Mrs. Mary Pickett, one of our last recruits to the army of war workers, is staying with her sister, Mrs. Charles D. Sinclair in Arlington.

The many friends of Mr. Clarence Yeatman of Clarendon, Fairfax County, were grieved to learn of his sudden death on Saturday, March 20th.

Recent letters from our boys in the service report so far all is well with them, excepting Wade Smith, son of Mr. R. R. Smith, who has been training at an air field in Texas but has been in a hospital in California for several weeks. The nature of his ailment is not quite clear to us. But surmise, its from over exertion, too strenuous for one of a cloistered, quiet life. He is expecting to be discharged and home again in the near future. Barton Padgett, who is in New Caledonia, reports all he has had to fight so far is mosquitoes.

The case of our Robert L. Smith seems to us that army doctors are not infallible. In the autumn of 1940 he went to the Arizona desert for his health, owing to an allergic condition. In the first draft he was turned down. Feeling confident of having to remain in that country, he bought a home, marrying and adapting his life to desert ways. No sooner than he had felt resigned to the new life he was reclassified and as A-1 and drafted. No plea that he could only live in the desert air had any effect on his case. At a great sacrifice and expense he sold his home, bringing his wife and son to his home here in January. Reporting to camp for induction he was sent home the next day. Robert secured a job at once with his former employers, the Arnold Bus Co. We only hope he can hold out and live in his native state. His wife who is a Montana girl says she likes Virginia very much. She has returned from a visit to her sister in Nashville, Tenn. and is now with her husband in Arlington County where he is considering buying another home.

Philip Thornhill, who has been attending Manassas High School, has been compelled to discontinue school owing to a sinus infection which necessitates a minor operation. For the past month he has been under the care of a Washington specialist. Philip, a frail youth, a good student, regrets this very much and is hoping to be able to catch up later with his studies.

Sunday School which was discontinued at Antioch during the winter months is expected to open again on the first Sunday in April. This was an unusual procedure in our generation, Antioch having for years boasted of her Evergreen Sunday School.

We are not discouraged as folks everywhere are being compelled to do many things which were thought "couldn't happen here."

Virginia: In the Clerk's Office of the Circuit Court of Prince William County, Virginia, March 30, 1943. Harriet I. Woltz, Complainant.

Henry A. Woltz, Defendant.

In Chancery
The general object of this suit is to obtain for the complainant, on the grounds of wilful desertion and abandonment for two years and more, a divorce a vinculo matrimonii; the custody of their infant daughter; and general relief.

And an affidavit and application having been duly filed as provided by statute that the defendant is not a resident of the State of Virginia, it is therefore ordered that the said defendant, Henry A. Woltz, do appear within ten days after due publication of this order and do what is necessary to protect his interests; and it is further ordered that a copy be published for four successive weeks in the Manassas Journal, a newspaper published and circulating in said County, that a like copy hereof be mailed to the said defendant at his last known address as set out in said application, and a like copy be posted at the front door of the Court House of said County on or before the next succeeding rule day.

THE SONG OF BERNADETTE
By Franz Werfel

In the small village of Lourdes, France, a simple peasant girl saw a wonderful vision which was the beginning of a startling chain of events destined to affect the lives of all people. A small girl's ardent faith in her "beautiful lady," a bubbling spring, and a nation's belief in the good and simple are brought together against lawlessness and evil.

When Bernadette first saw the vision, no one believed that she was anything but a dreaming idiot, until those few who did believe witnessed wonderful miracles which took place in "The Grotto," the town dump, famous for its evil reputation. The village officials were the loudest scoffers of all; the church condemned it, and it took many, many years to get even a few followers. Bernadette keeps her marvelous faith in the "beautiful lady," however, and as each new tryst with the vision is held, her followers increase by the thousand, drawing even the King and the Queen of France to her shrine. "The Grotto" is no longer a filthy dump but a marvelous, miracle spring.

The fight is not won, however, and there are many tense moments in the story. Although the story drags a bit in parts, the beauty and simplicity

of the maid, Bernadette, makes this book one of the classics of all times. This book was published by the Viking Publishing Co. New York, in 1942. It may be borrowed from the Ruffner-Carnegie Library.

NEW AIR RAID SIGNALS AT A GLANCE

Effective 12:01 a.m., Feb. 17, 1943, in the Eastern military Area.

WHEN YOU HEAR: A long steady blast on an air raid siren, horn, or whistle—This is the BLUE signal—This means enemy planes probably coming your way.

Black out the lights in your home and business house. Either draw your blackout curtains or turn the lights off.

If you are in your automobile on the street or road: Switch your lights to the low beam—proceed wherever you are going—proceed with caution—start thinking about getting to a safe place.

If you are walking: continue to walk—Start thinking about where you will go if a raid signal follows.

does not mean "All Clear." This means enemy plane no longer overhead. Keep on alert. Enemy planes may return.

YOU MUST:

keep your lights blacked out. If you were in your automobile prior to the "Red" signal, you may get back into it, turn the lights on the low beam, and proceed wherever you are going. Proceed with caution.

If you were walking prior to the "Red" signal, you may resume walking.

If you were on a street car or bus, you may get back onto it and proceed.

REMEMBER:

A BLUE signal may not always precede a RED signal. There may not be time enough. But a BLUE signal always follows a RED signal.

REMEMBER:

Whenever you leave your home or business house, the light must be blacked out or attended.

REMEMBER:

Unless your community has prescribed a signal for "All Clear" that is different from either the BLUE or the RED signal, the only thing that means "All Clear" is the switching on of the street lights that were out during the BLUE (blackout), or an announcement transmitted by radio, telephone, or police, or other means.

WHEN YOU HEAR:

A series of short blasts on the air raid horn or whistle or a rising and falling sound on the air raid siren—This is the RED signal—This means enemy planes overhead.

Keep your lights blacked out.

If you are riding in your automobile: Pull over to the side—stop—go to the nearest air raid shelter.

If you are walking: go to the nearest air raid shelter—get off the street.

If you are on a street car or bus: Get out—go to the nearest air raid shelter.

REMEMBER:

After the RED signal there will be a BLUE signal. This

FAN MAIL

This is a new kind of fan mail. It's addressed to America's Man of the Hour... to the man in uniform.

Brave letters from Mom and Dad... scrawled notes from Sis... envious banter from the kid brother... soft, sweet whispers from the girl who waits.

Fan mail... weighted with inspiration and encouragement and love... sealed with silent, fervent prayers... voicing sturdy confidence in Victory and echoing a nation's swelling hymn of hope for a happier world.

The men and women of the Southern Railway System know what this mail from home means to a fighting man. That's why we are so proud to handle it. That's why we keep it moving, day

and night... regardless of its ever-increasing volume... regardless of the thousand and one difficulties a railroad faces in time of war.

We know, too, that the same faith and hope and courage which today enrich the fan mail of America's fighting men, will tomorrow inspire a new and a greater Southland.

That's why we're preparing today for the job we'll have to do when Victory has been won; the job of handling the travel and the commerce of the New South with the same impressive efficiency that is today speeding troops and war freight—and the fan mail of the nation's fighting forces.

THIS IS PART OF YOUR PAY CHECK

SEE THAT GUN?

It's making things plenty hot for the Axis.

Know where that gun came from?

From the pay checks and pay envelopes of people like you.

It was bought with the money you lent your Government in regular installments from your pay.

But hold on now—

Maybe this isn't your gun at all. Maybe you haven't been lending the

Government a regular amount from your pay.

Maybe you haven't been setting aside at least 10 percent of your salary and more if you can for War Bonds!

There are still some people around who aren't . . . not many—but it's just possible that you're one of them.

If you are, we're sure it's not for want of patriotism, but because you just haven't quite got around to it.

Tell your boss or shop representa-

tive today that you want to help win the war by joining the Pay-roll Saving Plan. Tell him you want to save at least 10 percent of every pay check by putting it into War Bonds.

You can't make a better investment—

You'll be buying the weapons that insure a future of freedom, peace and plenty.

You'll be getting back \$4 for every \$3 you save when the bonds mature.

Makes sense, doesn't it?

THEN—START TODAY!
