PLAN MUSIC WEEK OBSERVANCE HERE

MRS. M. S. BURCHARD IS GENERAL CHAIRMAN FOR THIS AREA

The twentieth annual observance of National Music Week this year, beginning the first Sunday in May, will have for its keynote "Foster American and World Unity through Music," according to a letter sent by the central committee to the local chairmen and workers now active in 3000 cities throughout the country. Under the General Chairmanship of Mrs. M. S. Burchard, plans are under way in Manassas for the observance, with participation by many civic fraternal, religious and educational groups.

Music week this year will be closely linked with the war effort and will be used as a setting for many patriotic program, group singing, and concerts. Announcement has been made by the National Committee that opportunity to purchase War Bonds and Stamps would be given the audiences at most of the large concerts to be held during the observance, while at some admission would be purchase of War Bonds and Stamps—which of course would be retained by the purchaser—in the place of the ordinary tickets.

The plan for special War Bonds sales to music lovers was initiated by David Sarnoff, Chairman of the Committee, in a letter to Henry Morgenthau, Jr., Secretary of the Treasury, and was warmly welcomed by the letter. In responding to Mr. Sarnoff, Mr. Morgenthau made several suggestions for those desirous of rallying the musical public to the aid of the war effort.

The National Committee announced that special emphasis is to be laid on the larger utilization of music in war plants, either during working hours or in rest periods. They have requested that reports on the use of music in this way as an aid to production, be sent to their headquarters, 315 Fourth Avenue, New York City. These reports may be made the basis of a further study of ways in which music may be used most effectively to relieve strain and promote good fellowship among the workers.

In addition to the special keynote for 1943, the permanent keystone of the observance is "Foster American Music." Wherever conditions are favorable the Committee has recommended the inclusion of one or more numbers by Americans—not to minimize the value of music by foreign composers, but rather to help our people to become better acquainted with good workers by native and naturalized citizens.

National Music Week is a cooperative movement of the musical forces of the nation. The National Committee is composed of presidents of thirty-four national organizations which include: Music Educators National Conference, National Federation of Music Clubs, Music Teachers National Association, Music War Council of America, General Federation of Women's Clubs, Daughters of the American Revolution, Federal Council of Churches, Kiwanis International, Lions International, National Recreation Association, and Y. M. and Y. W. C. A.'s. The Federated Music Clubs will conduct one of the leading over-the-country programs of the observance through their Festival of the Air on the four leading radio chains.

OFFICERS CHOSEN BY WOMAN'S CLUB

GARDEN SECTION HAS ENTERTAINING PROGRAM

The regular meeting of the Manassas Woman's Club was held in the Parish Hall last Monday with the President, Mrs. Lewis J. Carper, presiding.

The President read her report of the State Board Meeting in Richmond, and the reports of the work done during the past year by the various committees were read by the committee chairmen. All showed much thought and time given also full co-operation with the war effort.

The nominating committee submitted their report and the officers were each elected unanimously as follows: President—Mrs. Lewis J. Carper, First Vice-President—Mrs. R. Worth Peters, Second Vice-President—Mrs. John Barrett, Secretary—Mrs. R. Terrill Johnson, and Treasurer—Mrs. J. L. Wood. The outgoing treasurer, Mrs. C. Lacey Compton, was given a rising vote of thanks for her splendid work done during the two years that she has served.

The garden section had a little surprise for the Club in the form of a beautifully arranged tea. The floral decorations were very numerous and very lovely. Those serving as hostesses were: Mrs. R. Worth Peters, Mrs. P. L. Proffitt, Miss Eugenia H. Osborn, Mrs. Raymond Ratcliffe, Mrs. J. P. Royer and Mrs. E. D. Gonthwaite.

The regular meeting of the Fine Arts Section of the Woman's Club will be held Tuesday night, April 27, in the home of Mrs. Dennis Baker at 8:00 o'clock.

The Section Chairman, Mrs. T. J. Broadus, will preside over the business session, and then the evening will be given over to music, following the keynote of Music week, "American and World Unity through Music," this being one of the pre-Music Week activities.

Mrs. M. S. Burchard will have charge of the program and will be assisted by Mrs. Baker and several members of the Fine Arts Section. As some of the numbers will not be of a very serious nature, it is expected the programs will prove most entertaining especially the deep drama! Now who said that?

All members of the Woman's Club are most cordially invited to attend this meeting of the Section. The Officers of the Section will be the hostesses for the evening.

DARDEN LENDS HIS MONEY

It's bond buying time for Virginians—and Governor Colgate W. Darden, Jr., has contracted the fever, too! On behalf of the Commonwealth, Virginia's chief executive purchased \$1,050,000. The State quota, exclusive of purchases by commercial banks, is \$75,000,000 in the Second War Loan Campaign. Above Harry H. Augustine, 7th district chairman in Virginia, is shown selling the governor his personal quota.

The hours are from 9 to 4, and there will be something doing all day long, according to Prof. R. Worth Peters, principal of Manassas schools.

EASTER PLAY AT GRACE CHURCH

Easter Sunday night, at 8:00 o'clock the Young People of Grace Methodist Church will give their Easter play.

The cast of characters follows: Joseph of Arimathea—Shreve Brent Nicodemus—John Wood, Jr. Rebecca—Nancy Parrish Esther—Colleen Harder Salome—Kitty Jean Blakemore

The Committees for the play are: Lighting—Chan Sawyer, Dick McGraw and Cleve Fisher. Make-up—Marguerite Wood and Betty Ann Blakemore

SPECIAL MUSIC TREAT FOR EASTER MONDAY

"An Evening of Song and Story," featuring Julia Alloway, mezzo-soprano, with John Elliott assisting, will be presented under the sponsorship of Group "C" of the Women's Auxiliary of Trinity Episcopal Church, at the Parish Hall, on Easter Monday, April 26th, at 8 P. M.

This program gives promise of being an outstanding pre-Music Week event. The "key note" of Music Week this year is international "Unity Through Music." Miss Alloway's selections will include folk-songs and ballads of English and European origins.

The sale of tickets by the members of Group "C" has met with enthusiastic response and an evening of excellent entertainment is being anticipated. These artists have been happily received in similar programs wherever they have been presented.

BOND SALES GRATIFYING

VIRGINIA QUOTA SET AT SEVENTY FIVE MILLION

Virginians Quota \$75,000,000 A statewide organization of approximately 10,000 volunteers this week launched a bond selling campaign that is part and parcel of the largest single financing effort in all history—the Second War Loan with a national goal of \$13,000,000,000. Virginia's quota in this gigantic drive is \$75,000,000, exclusive of purchases by commercial banks.

From every city, town and county in the Old Dominion reports are coming in indicating the opening day—last Monday—was a spirited kickoff, foretelling a story of success for Virginia's effort. For the Commonwealth, Governor Colgate W. Darden, Jr., purchased \$1,050,000.00 in bonds on Tuesday.

Richmond, the state's capital city, celebrated the kickoff Sunday afternoon with an all-afternoon show at the Mosque, featuring an array of stars of radio, stage, screen and the sports world. Some 5,000 persons filled this huge building and purchased bonds totalling hundreds of thousands of dollars.

"Early reports reaching my desk indicate that an effort, without precedent, is solidly behind this campaign," Hugh Leach, general chairman of the Fifth Federal Reserve War Finance Committee, declared. "I feel that the enthusiasm demonstrated by Virginia committees from Norfolk to Bristol; from Alexandria to Winchester; from Richmond to Roanoke, are guarantees that Virginians have taken to heart our slogan for this drive—'They give their lives—you lend your money.'"

"This bond selling campaign is unprecedented," Mr. Leach continued, "but we cannot fail to provide the necessary dollars to buy the tools of war for our fighting men. They wouldn't expect us to be more tender with our dollars than with their lives. We have taken the offensive and we know it costs twice as much to attack as to defend. We can lend our government that much without hardship on the home front—and we will, because we must."

PLANS FISH BAKE

The Chamber of Commerce is arranging a "fish fry" to be held next Wednesday afternoon. The place is a point below Widewater, known as Brooks Beach.

The caravan will leave Manassas sometime shortly before 3 P. M. Those desiring to go should contact either Dr. George B. Cocke, chairman of the event, or Stanley Owens, secretary of the Chamber.

The cost of the dinner is extremely low. It is not necessary to be a member of the Chamber to attend.

OCOQUAN CLUB ELECTS

The girls of the Ocoquan Club of Occoquan, elected its officers Thursday, April 8, 1943. They are:

President—Ida Mae Payne, Vice-President—Dolores Hampton, Secretary—Shirley Bryant, Treasurer—Mildred McKinzie, Reporter—Joan Dalzell, Song Leader—Betty Bryant, and Recreation Leader—Barbara Eike.

CONGRESS FINDS FORMER CANDIDATE UNFIT FOR GOVERNMENT PAY ROLLS

OTHER GOVERNMENT OFFICIALS FACE SIMILAR ACTION

William E. Dodd, Jr., one-time candidate for Congress from this section of Virginia, has been denounced by the Kerr Committee of Congress as a "red" agitator. This Committee goes further than the Dies Committee and insists that he and other government officials engaged in subversive activity be dropped from the payroll by cutting off their salaries.

Some time ago Mr. Dies submitted a list of "red" government officials to the President, asking that they be dismissed. The President, however, not only turned a deaf ear to the demand, but characterized the Dies Report as a "sordid procedure."

Now comes the Kerr recommendation that the appropriations bill for the department where these fellows work be worded to specifically provide that none of the money shall be used to pay their salaries.

It is not news to the voters of the Eighth Congressional District that William E. Dodd, Jr. has Communist affiliations. This fact was well established during his unsuccessful campaign against Judge Smith, but it may be news to some that he was rewarded with a high salaried Government job almost immediately after being kicked across the Potomac. He is now said to be a \$3200.00-a-year assistant news editor of the FCC's foreign broadcast intelligence service—a fine place for a man to be who is charged with advocating the overthrow of our Government!

In the published report of the Kerr Committee we read the following concerning William E. Dodd, Jr.:

"DR. WILLIAM E. DODD, JR., Your committee finds that the evidence in the case of Dr. William E. Dodd, Jr., shows, by his own testimony, that he was a member of the American League for Peace and Democracy and that he resigned from that organization not because of its character but to 'return to Virginia, to my farm, and to run for Congress.' This organization was listed by the department of Justice as a 'front organization' and has been so found by the Committee on Un-American Activities and the Interdepartment Committee."

Further, Dr. Dodd openly, and in the opinion of the committee, definitely, admitted his long-standing and continued membership in the Washington Bookshop which he retains to this day. This organization has likewise been listed as a "front organization" by the Department of Justice. Dr. Dodd testified before the committee that he knew the organization had been found to be subversive, but that he did not feel any obligation to resign his membership in it.

As to his association with Communists, Dr. Dodd testified to the committee that he entertained Harry Bridges at a cocktail party in Dr. Dodd's apartment attended by 30 people. He stated to the committee that he knew deportation charges were then pending against Mr. Bridges based upon membership in the Communist Party, but claimed that he did not know who the people were who attended the party or finally paid the bills, but thought that a Miss Gardner, secretary of the Harry Bridges committee, did pay the bills.

The committee found a long list of organizations under whose auspices he had lectured or with whom he had been associated. However, his own direct testimony of belonging to "front organizations," together with other facts testified to by him, and particularly his admitted statement quoted in the World Hails The 20th Anniversary of The Soviet Union convinces the committee that his philosophy of government is directly opposed to our ideals and system of government.

Upon consideration of all the evidence your committee finds the membership and association of Dr. William E. Dodd, Jr., with the organizations and philosophies of government constitute subversive activity within the definition adopted by the committee, and that he is, therefore, unfit for the present to continue in Government employment.

Respectfully submitted,

CHRISTIAN SCIENCE

The subject of the Lesson-Sermon in churches and societies of Christ, Scientist, on Sunday, April 25, will be "Probation After Death."

The Golden Text will be from Psalms 49: 15: "God will redeem my soul from the power of the grave: for he shall receive me."

Selections from the Bible will include the following verse: "Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him." (James 1:12).

Also included will be the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "We can, and ultimately shall, so rise as to avail ourselves in every direction of the supremacy of Truth over error, Life over death, and good over evil, and this growth will go on until we arrive at the fullness of God's idea, and no more that we shall be sick and die." (p. 406).

"HI-YA, SOLDIER"

IT made Jim feel mighty proud when that youngster looked up at the cab window and called out, "Hi-Ya, Soldier!"

You see, Jim fought in France in the last war... before many of the boys who are fighting this war were born.

Today, Jim's a locomotive engineer... been with the Southern Railway System ever since he came back home in 1919.

Then Pearl Harbor... and Jim began to feel uneasy. Wondered if he shouldn't get back in uniform again.

But he doesn't feel that way now. That comradely "Hi-Ya, Soldier!" cleared up a lot of things that were troubling Jim. For it made him realize that he is a soldier! In this war, too!

He remembers that tanks and ships can't be built,

or guns and planes roll off the production line... without railroad transportation.

He knows that fighting men would be hungry and cold and helpless... without railroad transportation.

He knows that there would never be enough of anything, where it is wanted, when it is needed... without railroad transportation.

So Jim, and all the other men and women of the Southern Railway System, are "good soldiers"... doing their bit by keeping the wheels rolling under the heaviest transportation load in history.

Their fight is the vital Battle of Transportation... and they're keeping the tracks clear for Victory!

Candidates Cards

TO THE VOTERS OF PRINCE WILLIAM, FAIRFAX AND THE CITY OF ALEXANDRIA:

At the request of many of my friends in this Senatorial District, I have announced my candidacy for nomination to the office of State Senator, subject to the Democratic Primary, August 3, 1943.

The district, composed of Alexandria City, Fairfax and Prince William Counties has a complex situation that needs the services of the most experienced man whom the voters can secure. My service in the General Assembly which extends over three sessions has fitted me to represent the best interest of all the peoples in this District.

As a life long farmer, I am fully acquainted with many rural problems which face the farmers of this District. Having served as a member of the Board of Supervisors of Stafford county and as clerk of the court of that county, I am in a position to assist in problems of county government which may arise.

Owing to war restrictions it will not be possible for me to see many of the voters of the District. I am taking this means to solicit your support and consideration of my candidacy, with the pledge that if elected I shall certainly devote my whole hearted efforts in the interest of all of you.

GEORGE W. HERRING,
Woodbridge, Virginia

To the Voters of Prince William County

Subject to the Democratic Primary of August next, I respectfully announce my candidacy for the office of Clerk of the Circuit Court of Prince William County. Experience is the chief qualification, and having been in the said office since 1916—first as deputy clerk and then as clerk—I feel that I possess this. If elected, I will faithfully perform the duties of this office, as I have heretofore done in the past. The support and aid of every voter is respectfully solicited, and to the people of Prince William I now wish to express my appreciation and thanks for their past co-operation, as well as for any assistance rendered me in the coming election.

Respectfully,

LEAMON LEDMAN

TO THE VOTERS OF PRINCE WILLIAM AND STAFFORD COUNTIES:

I announce my candidacy for reelection to the House of Delegates of the General Assembly of Virginia for the Counties of Prince William and Stafford, subject to the Democratic Primary Election, August 3, 1943.

Having served the good people of these two counties for the past two terms, and having been placed on two major committees—Roads and Finance—I feel that I can be of even greater service in the future.

There is no knowledge of the agreement, referred to by my opponent, by which a representative from each county should serve only two terms. I feel certain that the gentleman from Stafford never stood aside for me when first I became a candidate, and I see no reason why I am not entitled to run again. I appreciate the support which I have had from the people of Stafford and Prince William Counties and if elected, I will endeavor to serve to the best interest of both counties.

Sincerely,

E. R. CONNER,
Manassas, Virginia

TO THE VOTERS OF PRINCE WILLIAM COUNTY

I hereby announce my candidacy for the office of Attorney for the Commonwealth, Prince William County, Virginia, subject to the Democratic Primary to be held on August 3, 1943.

I wish to express my thanks to the people of Prince William County for their support and cooperation during my present term of office. You know my record, and I feel, that with my past experience, I can successfully render a service to the people of my county. Due to the gasoline shortage it will be impossible for me to see each and every person in the county and so I take this opportunity of soliciting your continued support. You know what I have done in the past, both in private life (as I was born in your midst), and in public life.

If my efforts have met with your approval, I will greatly appreciate your help in the coming election.

W. Hill Brown, Jr.

FOR CLERK OF THE COURT

I herewith wish to announce to the voters of Prince William County that I shall be a candidate for the office of Clerk of the Circuit Court, subject to the Democratic Primary August 3, 1943.

If I should be fortunate enough to be honored with this office I pledge to receive it as a sacred trust and will accord the patrons thereof every kindness, courtesy and consideration in the transaction of their business.

Very respectfully,

O. D. WATERS

Easter Food Guide

Bright beginnings for Easter Morn

Why not serve a hearty, yet delightfully festive breakfast with all of the accompanying specialties that make Easter a warm welcome to spring. Food and decorations seem to just naturally lend themselves to such an occasion, and even with rationings and restrictions, it's possible to plan a simple family or party brunch such as we have given below.

FOR AN EASTER BRUNCH

*Easter Sunshine Egg Nests with Bacon, Sausage or Ham (if available)
Hot Cross Buns Jelly or Jam
Festive Compote (Mixed canned or fresh fruits served in sherbet glasses dessert fashion.)
Milk Tea Coffee
To Make Easter Sunshine Egg Nests

Trim crusts off a day-old 1½-pound pullman or large loaf of enriched white or wheat bread. Cut into 6 slices about 2 inches thick. With a sharp knife, hollow out the center of each block of bread, leaving a ½-inch wall on the sides and bottom. Dot inside of the cases with softened butter. Drop 1 or 2 eggs into each case. Season with salt and pepper and dot top with butter. Bake immediately on a cookie sheet or drip pan in a moderate oven (350° F.) 25 minutes or until eggs are set and cases browned. Serve hot on heated dishes. Serves 6.

For Table Decorations

Made-to-order decorations for Easter morning may be real blossoms if you are fortunate enough to have them, or a transplanted bare twig decorated with pastel crepe paper blossoms. Use a small twig with a blossom attached on white cards for place markers.

THE GOOD EARTH

The "Good Earth" was published by the John Day Company. The author of this great novel is one of the most outstanding women writers of the day, Pearl Buck.

In the vast country of China, the story is laid. The characters are the members of an average family. We need not name them for they constitute just a few of the fear-driven and blundering peasants of China.

The Chinese peasants in our story represent what these pious people are, and what they face today. These people must slave for what they face today. These people must slave, for what they receive which is generally a small bowl of rice a day. From day to day they must frudge wearily to their fields or shall we say "Good Earth." For upon the peasant fathers' shoulder is the crushing burden of providing for their love ones. He must raise food for the mouths of his starving little ones.

The problem of food is not all that faces these people. Who of us, looking into the pinched, emaciated faces of our children could still laugh and love as freely, as we wanted?

These people are driven from their homes by winter blizzards. They stagger toward cities which they believe to be havens of rest. Upon arriving in these cities they perform crushing burdens and receive as compensation one meager bowl of rice a day. The toll upon the little ones is too great and they die from exhaustion and starvation.

Death and defeat is not all these people face though. They too have their dark clouds coated with silver linings. They toil, sweat and suffer, but in the end they gain their just reward. In many cases they even become rich as did our characters in the "Good Earth." The old folks go on to eternal rest while the young either sell the land or stand as their fathers did and look out upon the "Good Earth" as the sun of lives fades in the west. These people go down to their graves with the words "Good Earth" on their feeble lips. This humanly emotional novel is well worth the time to read it and it may be borrowed from the Ruffner-Carnegie library. William Corder.

ATTENTION: PREPARE NOW!

Is your home insulated? If not, you will want to avoid a repetition of the discomforts suffered under fuel oil rationing this winter. In discussing the heating season of 1943-44, Harold L. Ickes stated: "The fuel outlook for next winter is even darker because of an impending coal shortage."

ROCK WOOL INSULATION properly applied is the answer. By insulating now you will gain the added advantage of summer comfort and have the satisfaction of knowing your home is fortified against another inevitable winter of rationing. Rock wool is still available and hope it may continue to be throughout the Spring and Summer.

Investigate now, estimates given without obligating you. Reference: Any of the number of homes we have insulated in your vicinity.

UNITED FRONT

PROPAGANDA

(Third of a series of editorials on Un-American activities)

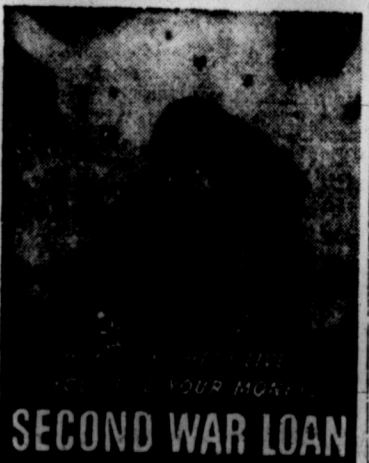

Those who have studied the various reports of the Dies Committee of Congress are quite familiar with that particularly dangerous form of subversive propaganda which employs "united front" tactics and uses "transmission belt" organizations. The importance of this procedure is recognized in the official working plan of the Communist International, as adopted at its Sixth World Congress where we read these words:

"A basic part of the tactics of the Communist Parties is the Tactics of the United Front."

In view of the exposures that have been made of these subversive activities it would seem that the American people would be on guard by this time, but apparently this is not the case and it seems that during the present period of collaboration with Russia, Communist propaganda is running unrestrained throughout the country, and that many organizations, which heretofore have kept underground, have now come right up into the daylight and are apparently working openly to overthrow our present democratic way of life and to replace it with Communism.

It is time that more of us recognized "united front" movements. Newspaper editors know them pretty well and rather generally have a place for their propaganda in their commodious wastebaskets. In fact most conservative newspapers have either a mental or written blacklist and do not bother even to examine the nature of publicity received from anyone in this unenviable group. We just consider the source and dump it.

We have such a mental list. Possibly some of the outfits included do not deserve such lack of consideration, but mere-

ly suffer from the company they seem to keep. Certainly some of them are definitely subversive and have been denounced by legislative committees investigating Un-American activities. Here are some of them:

- American Civil Liberties Union.
- American Federation of Teachers.
- Amalgamated Clothing Workers of America.
- Congregational Churches of America.
- Congress of Industrial Organizations.
- Friends of Democracy.
- Federal Council of Churches of Christ in America.
- Home Missions Council of North America.
- International Missionary Council.
- International Ladies Garment Workers Union.
- League for Industrial Democracy.
- Milwaukee Council of Churches.
- Maryland and Delaware Council of Churches.
- National Urban League.
- Southern Tenant Farmers Union.
- Union for Democratic Action.
- Young Mens Christian Association.
- Workman's Circle.
- Workers Defense League.

While the above list could be considerably extended, we believe that the propaganda of these organizations, as circulated in Virginia, definitely exhibits the pattern described by the Dies Committee as characteristic of "united front" effort; and we find them all "united" in one way or another in propaganda aimed particularly at old-time Southern ideals and traditions and by that we mean agitation of the "Pearl Buck type," directed against the good-will and friendliness existing between the races which now dwell together so harmoniously from the Potomac to the Gulf.

WINS PRIZE FOR WRITING LETTER

Pvt. P. Whetzel, of the U.S. Army already happily married, knows exactly and without a shadow of a doubt the one quality that makes a perfect wife. You've guessed it—it's the capacity to love.

"I've been married six months to the most wonderful woman in the whole world. Although we've been separated for two months, I feel that she is always as close to me as love and faith can combine two people. I do not claim to be an authority on the virtues of the ideal wife, but I do say that experience is a good teacher. Here I merely wish to express the great love that my wife and I have for each other.

"I believe that love is the basic foundation in all things beautiful. With true and honest love will come all the other virtues of a happy marriage. When love is present, truth, honor, faith, trust, courage, and understanding also are present.

"My wife and I are as much in love as any two people could ever hope to be—we always have been and always will be. Result—we believe we have as successful and happy a marriage as any couple in the whole world!"

SOLDIER BOOSTS WORK OF RED CROSS

(A letter from Sgt. E. E. Lunsford to his mother, Mrs. J. S. Lunsford).
29th March, 1943
England

Dear Mom,
I got a letter from you yesterday and was very glad to hear from you. I am very glad everything is alright over there. I had a letter from Floyd and wrote to him. He said that he was getting along fine and liked the army. It has been nine months since I have been home and it seems nine years.

I am glad you belong to the Red Cross. We wouldn't know what to do without the Red Cross over here. They provide us with a place to stay and give us good meals when we are on pass. About the only recreation we get is provided by the Red Cross. A night's lodging and one meal at the Red Cross cost us about fifty cents, and the same thing in the hotels and restaurants over here would cost us about eight dollars. You can easily see the amount of money they save us.

They give us free shows, and dances and parties. It would cost us about thirty dollars to take a two day pass in London without eating and sleeping at the Red Cross and we would feel lucky to get off that cheap. You sure won't be wasting your time when you help the Red Cross.

Love to all,
Early.

FARMERS ARE ASKING, "HOW WILL BE MAKE IT WITHOUT FSA ASSISTANCE?"

(Contributed)

Two hundred and eighteen farm families in Prince William and Fairfax counties have been helped with Farm Security Administration loans. Of this number fifty-five families have paid their loans in full, and many others are on the road to a future security they probably would never have known this financial help and guidance.

Statistics show that Farm Security Administration families have made steady progress in the production of food, and the 7.6 of the farmers' of the Nation have received assistance from the Farm Security Administration, and that one-third of the Nation's increase in milk production in 1942 came from Farm Security Administration borrowers. Increases in foods ranged from 20 to 106 per cent. They also contributed 27 per cent of the Nation's increase in dry beans and 10 percent of the total increase in eggs and chickens.

The type of loan made by the Farm Security Administration has been a life saver to the small farmer who was unable to get adequate credit from any other source.

The importance of the little farmer in the War Food Production Program cannot be overestimated. It is among the Little farmers that our greatest production increases can be made. The Farm Security Administration has shown what can be done by a little needed help at the right time.

In general the work of the Farm Security in counterpart with that of the Nation, in trying to enable the small farmer to get in and do for the war effort what he is capable of doing if he has the right help and guidance.

"GROW A GARDEN AND CAN IT IF YOU WANT TO EAT IN 1943"

If we have never before realized that the planting of a 1943 Victory Garden is a "Must," we know it now. Ration book number 2 did more than anything else to bring the repercussions of war right down to our pantry door. There are not enough points in it to feed us three days per month.

For us in the country, towns and smaller cities it looks like a choice between growing food or going hungry. It is still not too late to plow up the garden and begin preparations but the dead line for this is growing near. Then, we will realize but can only regret.

The great potential source of food to stave off hunger and malnutrition in our villages and towns is the back lot, the flower bed and perhaps the tennis court. It is to be expected that the needs of the military service, and of the civilian populations of the larger cities who did not have vacant lots on every hand, will be first to be taken care of from the commercial food supply. Already many foods have been rationed and more will be added to the list each month. It is our patriotic duty to grow good home gardens this year. It is even more than patriotism. It is necessary to grow the vegetables we need to feed our families because sufficient quantities of commercially grown foods will not remain after war needs are supplied to care for all civilians requirements. Failure in home Victory Garden production as well as failure in commercial food production by truck gardeners and farmers could very easily jeopardize our war progress and postpone our ultimate victory on the war front.

Victory gardens are necessary for success in this war for freedom because increasing amounts of commercially canned foods will have to be sent to the fighting fronts to our allies, because meat rationing will require the use of more vegetables for an adequate diet; and for the very practical reason that unless we produce our own food at home we may not have enough to eat.

Everyone enjoyed the social hour, of games, music and refreshments.

COMMERCIAL FOOD SHORTAGE OFFERS CHALLENGE TO VICTORY FOOD SUPPLY TO DEPEND ON USE MADE OF VICTORY GARDEN SPACE

The hard and unyielding facts concerning the prospects for food to come are apparent to all who have given the matter a thought.

The nation's total food production in 1942 when crop yields broke all records was estimated to be enough to feed 145 million people—our own population and some 15 million others. This year, the United States will be called on to feed 220 million people—Americans, Allies and starving populations of lands rescued from the Axis. This increase in numbers must be fed by us with no assurance of another year of record-breaking crops. Fighting men that we must feed eat about twice what they would in peace-time occupations. Metal normally used for tin cans is needed for other purposes. Railway and truck equipment is needed for more urgent purposes than carrying perishable foods from distant States. Fields and farms that used to grow things that we like but are not fully dependent are being planted to more essential crops. The food stocks in neighborhood stores and markets are thinning out.

What we do with our Victory Garden space this year will largely determine how well family will be fed during the coming year. The time to begin our own home food production is now. If space for a family garden can not be found on the home lot, may be located nearby. Many problems arise in getting a home garden under way for the first time but all can and are being solved. Thought, determination, preparation and perspiration will be needed but the people of Prince William towns, villages and neighborhoods will meet the challenge.

GREENWICH

The home of Mr. and Mrs. J. W. Kidwell was burned last Monday afternoon. Both the Manassas and Warrenton fire departments were summoned, but only a few articles were saved.

The Kidwells will make their home in "The Manse" which they are given the use of by the Presbyterian church until their new home can be built.

Mr. Goodon Mayhugh spent the week-end with his wife and son. He is now stationed at Camp Belvoir. June Mayhugh was able to return to school Monday after two weeks illness.

Mr. Charles Mackall of Washington spent the week-end in his home, The

Lawn.
Mrs. M. B. Leach wishes to thank those in the community who contributed so generously to the Red Cross fund. She collected a total of 124.75 which she turned over to Mr. J. W. Ellis, chairman of her district.

Mrs. S. W. Ross has been in a hospital in Washington having her tonsils removed.

Mrs. W. A. Owen of Yale, Virginia, spent the week-end in the home of Mrs. M. B. Leach.

Members of the Presbyterian church met Monday for a "clean up day" on the grounds and building.

"We must return to the religious conviction in which our freedom was born"

IN FAITH LIKE THEIRS

America needs us strong today

Too often, perhaps, we have let ourselves forget . . . this is a nation founded under God . . . in deep religious faith.

There were many differences among the Founding Fathers—but one great thing in common; *faith in God* and human freedom under Him.

And now—in a time of trial and crisis—America needs us strong once more in faith like theirs.

We must return, each in his own way, to the religious conviction in which our freedom was born.

We must strengthen our faith—the faith

in which our institutions are rooted, our liberties secured.

For only then can we live victoriously in this war-torn world—and win victory in the peace beyond the war.

* * *

This Sabbath—why not attend a local church. And there, with your fellow Americans, seek the strength and confidence that only faith in the eternal truths can give us.

America needs such faith today—in you—in all of us. It alone can bring us a true victory . . . it alone can give a meaning to our future.

Make Your Faith

an active, daily part of your personal life. Go to church regularly. Support your local church—find a way to give it more of your time, your strength.
