## FIELD DAY AT DUMFRIES SCHOOL

### Students Christen Five Jeeps As Their War Contribution

Beginning March 1 and closing April 30, the Jeep Campaign at Dumfries School netted a total of \$4,530.20 purchase value of bonds and stamps.

That meant the school had bought five jeeps instead of two which had been the goal. The sixth grade, with an enrollment of 29, exceeded the school's goal by one! With Miss Lucille Pully, their teacher, as their enthusiastic leader, this class was responsible for the sale of \$2,841.40 in War Savings Stamps. This is an average of almost \$100 per pupil.

Two members of the six grade, James Balabous and Gus Stephanides, each bought a \$1,000 bond. In recognition of this, Gus and James were given the privilege of christening two of the five jeeps. The names they selected were **Berlin Bound** and **U. S. Tornado**.

Immediately after the naming of the jeeps, the sixth grade went for a ride in the amazing vehicles.

The christening took place on Wednesday afternoon, May 12, and was a big part of the Open House Celebration of Dumfries School. Major General Phillip Torrey, commanding general of the Marine post, sent the school five jeeps for the occasion. The arrangements were made through the courtesy of Colonel Best, Quartermaster.

The Marines who drove the jeeps, those who photographed the activities, and the officers in charge of the party were all most gracious and indulgent. Every guest and every child at Dumfries School had an opportunity to ride.

The first jeep to be christened was called **William Anderson** in memory of the first Prince William boy to lose his life in the present war; he was killed at Pearl Harbor. He was the oldest son of Mr. and Mrs. Herbert Anderson of Triangle, he attended Dumfries and Occoquan Schools before entering the U. S. Navy.

William was posthumously awarded the Purple Heart and the Distinguished Service Cross. His two sisters, Delores and Ruth, christened the jeep in memory of their brother.

Another jeep was named **Russell Brothers** in honor of the former custodian of the school, Eddie Russell, and his brother Johnnie, who was one of the school bus drivers. Both of these are in the army at present. Jean Cline, who suggested the name, christened the jeep.

Betty Lloyd christened the fifth jeep, **Hitler's Hearse**.

Dumfries School is proud of its part in the nation-wide jeep campaign in schools; it is proud of its sprightly sixth grade that did so much to make the campaign successful.

Prior to the christening, the Dumfries School Glee Club, with Miss Mary Dickinson directly and Mrs. Beulah Brawner accompanist, presented a pageant, "Thy Name I Love." Script for this was written by Mrs. Lois Hastings, fourth grade teacher. Anna Frazier portrayed the Spirit of Song; Robert Waters announced the program, and Lewis Heflin recited the Gettysburg address.

Later there was a short period of physical education stunts and games directed by Misses Black and Dektor.

Due to the heavy rains and the condition of the playground, the physical educational program was somewhat cramped.

Between events guests enjoyed looking over the school's art exhibit, which had been arranged in the auditorium under the supervision of Miss Ida Bell Foster.

But to most of the boys and girls the outstanding event of the day was their ride in a JEEP!

## Manassas Students Celebrate Success of War Stamp Drive

Fort Belvoir Photo.

**JEeps ARE CHRISTENED**—Celebrating the sale of \$18,962 in war bonds and stamps Manassas students conducted an open-house program Thursday at which eight jeeps from Fort Belvoir, Va., were christened. Enough money was raised in the drive to purchase 21 jeeps. Above—Richard C. Haydon (left), superintendent of schools, receives a Treasury citation from G. Raymond Ratcliff, chairman of the Prince William County War Savings Committee, as scores of students look on. The ceremonies were held at the Manassas High School, of which R. Worth Peters is principal.

## VICTORY PIG CLUB FORMING

### Unique Device Instituted in Rural Localities to Aid Bond Sales

Charles W. Bugg, assistant secretary-treasurer of the Warrenton Production Credit Association, and F. D. Cox, Prince William County Agent, announce the organization of a Victory Pig Club in Prince William County.

Victory Pig Club have been organized in many counties in the past year, some of which have been exceptionally successful. In Orange, Spotsylvania, and Culpeper Counties near \$30,000 in War Bonds and \$3,000 in War Stamps were delivered to farmers who were members of Victory Pig Clubs.

The purpose of the club is to increase production of pork and sell more War Bonds to farmers. The club is sponsored by the Warrenton Production Credit Association in cooperation with the County Agent's office and Mr. Cox anticipates a large membership in Prince William County. The club is open to all farmers, 4-H Club members and members of F. F. A., who may wish to consign one or more pigs to be sold at a special Victory Pig Sale in the fall and accept War Bonds and Stamps in payment for the hog.

Mr. Bugg states that the Live-stock Market at Manassas is co-operating fully with this patriotic club and will offer one or more War Bonds as prizes to members of the Victory Pig Club having hogs selected by a judging committee.

Letters will be sent to farmers in Prince William County very shortly from the County Agent's office and from the Production Credit Association office in Leesburg. It is hoped that these letters will be read carefully and the enclosed membership card signed and forwarded back as soon as possible, or contact Mr. Cox or Mr. Bugg. They will be glad to explain the club to you and enter your name on the honor roll.

Clubs have also been organized in Fairfax, Loudoun and Fauquier Counties for sales at Manassas, Leesburg and Marshall. Dates for the respective sales will be announced at a later date, stated Mr. Bugg, and will probably be during the month of October.

Cpl. E. E. Rohr has returned to Gore Field, Grot Falls, Montana, after spending eleven days here with his parents, Mr. and Mrs. L. S. Rohr. Cpl. Rohr is in the Army Air Corps.

### WILL MEET WITH

**MRS. BRADFIELD**  
The W.C.T.U. will meet at the home of Mrs. B. J. Bradfield on Wednesday, May 26th at 2:30 P. M.

### MRS. FARRINGTON TO SPEAK TO MANASSAS GARDEN CLUB

Everyone who had the pleasure of hearing Mrs. F. J. Farrington speak here last fall will be glad to know she is to be on the program of the Manassas Garden Club next Tuesday, May 20, as our guest speaker. The meeting will be at the home of Mrs. T. E. Didiak at 2:30 in the afternoon.

Mrs. Farrington was evacuated from Sumatra just before the Japs came, and her talks are filled with interesting accounts of her experiences.

Since she and Mr. Farrington have been located in Washington, she has had a busy life in various phases of war work, particularly in the Red Cross.

She is very much in demand as a speaker. Members of the Garden Club need no urging to come out and bring your friends. Everyone is welcome.

There will be exhibits of May baskets by the members of the Garden Club.

### BANKER ADDRESSES KIWANIANS

Last Friday evening, Mr. Joseph Nichols, of the National Farm Loan group which headquarters in Manassas, was introduced to the club as guest speaker by Kiwanian J. C. Kincheloe.

His subject was along the lines of post war planning. He expressed a deep desire that everyone would take a hand in this when the time comes rather than leave it to a favored few.

In taking this stand he illustrated how sadly some things turned out after the last world conflict.

A lively round-table took place after the talk.

On Wednesday next, some of the Kiwanians under President Peters will journey to an interclub meeting in Baltimore.

### THE BUDDY POPPY

On Saturday, May 25th, the Buddy Poppies will be sold on the streets of Manassas, and it is hoped that every citizen will buy one or more.

The Buddy Poppy is made by soldiers of the First World War who were injured so badly as not to return to their homes, but have to stay in the Veterans' hospitals ever since. They are remembering their buddies who fell, during that first struggle, and all who buy the poppies will also remember "Flanders Field."

Not only does some of the money go back to these disabled veterans, but it is also used here in the county and in hospitals for the rehabilitation of the veterans and the welfare of their children.

Though another war is now going on, and for the end of which we are all working, still we should not turn our backs on those veterans, some of whom are and have been going through a living-death, without glory. Surely all will help, and give generously, as this plea comes but once a year, on Memorial Day.

James Edward Brewer, Quantico, Va.

Albert James Harper, Jr., Woodbridge, Va.

Charles Henry Fisher, Woodbridge, Va.

Irvin Crawford Banks, Woodbridge, Va.

Jasper Junior Hogan, Gainesville, Va.

Joseph C. Calvert, 6801 8th St. N. W., Washington, has just been advanced to the rank of corporal, according to announcement made at Chatham Field Army Air Base, Savannah, Georgia.

His wife, Mrs. Geraldine Calvert, is residing at the home address. Corporal Calvert is well known in this county.

## Woman's Club Will Aid Bond Sale

### Program Calls For All-Out Assistance in War Effort

Mrs. A. W. Ballantyne, chaplain of the Manassas Woman's Club, opened the meeting on Tuesday afternoon by reading a selection from a recent article by Mme. Chiang Kai-Shek, apropos of Mother's Day.

Following group singing of our national anthem, and the flag salute, several harmonious selections were rendered by the glee club and quartet of Manassas Regional High School.

Committee reports disclosed that the April sale of war stamp corsages by the Garden Section of the club had amounted to the grand total of \$147.00.

Mrs. E. H. Marsteller, chairman of the Legislative Committee, urged that the club lend its support to passage of vital post-war planning legislation, and cooperate in every way possible in the rationing program, and with efforts to combat the danger of inflation.

Mrs. Vincent Davis, chairman of the May war bond drive, in which the women of this county are asked to sell a minimum of \$95,000 worth of stamps and bonds, urged that all club members work with her in making this drive a success.

Mrs. Davis also announced that plans for the opening of a local club for men in the armed service on June first were well under way, and solicited chairs and necessary furnishings for this purpose.

The Salvage Committee asked that anyone having old silk or nylon hose donate them for the making of powder bags.

Mrs. Marshall Douglas was chosen to succeed Mrs. G. R. Ratcliffe as corresponding secretary.

One new member, Mrs. Florence Gue, was welcomed into the club. At the request of the General Federation, it was decided that the usual summer vacation be foregone and meetings be held during July and August.

A substantial contribution was made to the district fund for scholarships for student nurses.

Miss Lucy Duer, of Warrenton, district chairman of the Women's Division of War Savings Stamps and Bonds, was guest speaker and gave several suggestions for increasing the sale during the present drive.

Hostesses for the afternoon were: Mrs. C. H. Stickle, Mrs. James R. Simpson, Mrs. W. D. Sharrett, Mrs. Harvey Steele.

The budget for the year 1943-44 was adopted and the following committees named:

## MILITARY DAY AT LINTON HALL

### Usual Keen Competition For Prize Awards

The twelfth annual Military Day was held at the Linton Hall Military School in Bristow, Sunday, May sixteenth. The cadets after long months of intensive training, fired by the presence of their relatives and friends, executed their commands with a precision and skill far exceeding their years.

The events of the day began with the Solemn High Military Mass on the campus at ten-thirty A. M. The Rev. Timothy O'Leary, deacon; Rev. Charles Tuckes, O. S. B., sub-deacon, and Rev. Fr. Paul, O. S. B., master of ceremonies. The cadet Officers' Corps formed a Guard of Honor at the foot of the altar, standing at attention with raised sabers at the principal parts of the Mass.

The Rev. Dr. O'Leary addressed the cadets, drawing their attention to the fact, that in order to be good citizens of earth, they must be trained along the lines of those who will one day be citizens of Heaven.

The afternoon held many surprises for the visitors. A Guard of Honor, commanded by Cadet Lieutenant Jack Fleming, accompanied by the school band, was mounted at one-fifteen P. M., to receive the Guests of Honor and Judges. The band then gave a delightful concert, entertaining all those present with the rendition of many fine numbers. Although these cadets are all under fourteen years of age, it was a delight to listen to the youthful musicians. The band is under the direction of the Rev. David O'Connor, O. P., of the Catholic University of America.

The band concert was followed by the Battalion Review, under the command of Cadet Major Gerald Farquhar. After the inspection and review of troops by the Army Officials, the Companies were called to the Field for Competitive drills. Those Companies competing were: Company Headquarters, commanded by Cadet Captain Charles Lucas; Company A, commanded by Cadet Captain Gabriel Porrata; Company C, commanded by Cadet Captain Dante Marinari; Company B, commanded by Cadet Richard Curtin, which comprises the small cadets of Linton Hall, was given a special competitive drill.

Those platoons competing for first place were: First Platoon of Company Headquarters, commanded by Lieut. James Mosebach; First Platoon of Company A, commanded by Cadet Lieut. Jack Fleming; First Platoon of Company C, commanded by Cadet Lieut. James Russell.

Following the platoon competition, the individual cadets, chosen by merit from each company, were called to the reviewing officers for individual competition in the Manual of Arms. Their proficiency astounded the officers and others spectators, for it was a task to find any of these wide-awake youngsters napping.

The competitive drills over, the Cadet Adjutant, Lieut. William Lewis, read the following list of awards:

Company C, commanded by Cadet Captain Marinari, of Washington, D. C., was awarded the gold trophy for the best drilled company.

Cadet Captain Gabriel Porrata, of Washington, D. C., received a bronze medal, having been chosen by the judges as the most proficient Company Commander, and Cadet Lieut. James Russell, also of Washington, was given the award for the best platoon commander. Lieut. James Russell was also awarded the colored service ribbon, having been chosen by vote of the battalion as the most popular boy among them.

Winners in the individual competition were as follows:

First place, Cadet Sgt. W. Cleary; second place, Cadet E. Rhoder; third place, Cadet D. McClearn.

The following cadets were awarded colored service ribbons for excellent work in their respective companies and platoons: Sgt. D. Hurley, Sgt. R. Darcey, Cadet V. McManus, Sgt. A. Rom, Cadet L. Nagle, Sgt. R. Drury, Sgt. K. Post, Sgt. J. Grisom, Cpl. C. Baecher, Cadet C. Dorr, Cadet C. Parker, Cadet R. Young, Cadet K. Marshall, Cadet R. Schutte.

Cadet Lt. G. Kraemer, commanding the First Platoon of Company B, was awarded a colored service ribbon for the special competition in

## THE FOOD CONFERENCE

A "United Nations Food Conference" is in session at Hot Springs, Virginia, where the Homestead Hotel has become a national reservation, and where, it is said, liquor has been imported in impressive quantities and the Press excluded by armed guards.

Apparently in an atmosphere of the utmost conviviality and possibly downright gluttony and even drunkenness, the food supply of the United Nations is to be allocated.

This is a very important task, but seemingly like every other great and vital job, has to be taken out of the hands of the legislative authority established under our Constitutional form of government and placed under some new agency. And in almost every instance the personnel selected to administer these vital matters is taken from that well-known, experienced group of Communists, crooks, technocrats, reds and pinks which now occupy most of the key positions in our federal government.

It is almost impossible to name any high official in our food control set-up who does not have the taint of affiliation with Communism or with organizations that have been denounced by legislative committees investigating subversive activities. We know in advance, therefore, that our representation at Hot Springs will be pretty much of the "Tugwell" and "Weimer" type, but we would like to have some kind of unbiased picture of the foreign delegates. That is one reason why we particularly deplore the exclusion of the Press from this Conference. For if the other delegates are like ours, one may as well regard the whole affair as an international Communist effort to seize control of the food supply of the United Nations.

There are, no doubt, other

important reasons why the spotlight of publicity should be thrown upon the whole food situation. We have no less authority for this than a statement by a sub-committee of the United States Senate which warns that unless the truth is told there will be hardship and hunger. Perhaps the Senators no more dared to put in words just what they fear than are we fully able to express our thoughts, but even so, their report, from which we quote, certainly has a very direct bearing upon what is now taking place at Hot Springs:

"The situation in regard to the food supply has been further aggravated through the pronouncement by the executive department of policies which are directly contrary to the will of the people of the United States as expressed by their elected representatives in Congress.

"Unless certain conditions so produced and so aggravated are placed before the public in their true light and corrected by the formal public opinion, the people of our cities will certainly come to suffer from hunger, destitution and want, and the fundamental principles upon which our government is founded be ultimately destroyed."—(U. S. Senate Subcommittee Resolution, Feb. 12, 1943).

## HENRY R. STEELE

Henry Raymond Steele, aged 63 years, died at the home of his brother-in-law and sister, Mr. and Mrs. Thomas W. Howard, on Thursday afternoon, May 13th, after a lingering illness.

For the past fifteen years he has been tenderly cared for in his sister's home, having driven here from Texas when he became partially disabled and had to discontinue his work there as manager of a large ranch.

Despite his sufferings, which he bore so patiently, he was not content to be idle and had built up a thriving card and magazine agency, which he conducted from his wheel chair.

Mr. Steele, son of the late George H. and Ellen Finney Steele, was born in Swords Creek, Russell County, Virginia, later moving with his family to this section of the state. He was a member of the Herndon Baptist Church, and was engaged in the milling business there for a number of years.

Surviving are one son, Maj. Gilmer Steele, U. S. Army, now stationed in Seattle, Washington; one grand-daughter; two sisters, Mrs. Howard, of Manassas, and Mrs. C. H. Riley, of Shamrock, Texas; two brothers, Harvey, of Manassas, and Boston, of Sanford, Florida. A number of nieces and nephews also survive, several of whom came from a distance to attend the funeral.

Services were held in Grace Methodist Church in Manassas on Sunday afternoon, the pastor, Rev. W. O. Luttrell, being assisted by the Rev. Len Weston and the Rev. J. Murray Taylor. Interment was in the local cemetery beside the grave of his mother.

Those serving as pallbearers were Messrs. Herman Steele, a nephew of Washington, D. C., Henry Fletcher, Yost Meetze, John E. Barrett, Dudley Martin and Kyle Lynn.

LOCAL CHAIRMAN NAMES  
 CHIEF ASSISTANT

The local campaign to raise funds for the Children's Home Society of Virginia is now under way under the direction of Mrs. Robert A. Hutchison of Manassas, who is Chairman for Prince William County. Last year a total of \$280.16 was contributed to the Society by individuals and Sunday Schools in Prince William County and a special effort is being made this year to increase by approximately 20 per cent the total from the local campaign, in order that the Society may carry out a large program of rescuing and caring for homeless children during 1943.

It is expected that the Society will care for a total of approximately 600 children during the coming year. Almost all of these will be babies, most of them very young, who have been accepted by the Society for temporary care until adoptive homes can be found for them. These babies remain in boarding homes under the supervision of the Society from 6 months to as much as two years while awaiting the foster parents who will adopt them. After being placed in an adoptive home the child continues under the supervision of the staff of the Society.

society from one to two years when the adoptive process is completed. Funds for carrying on this work are provided almost entirely by contributions and the Society will require for its budget for 1943 a total of \$103,000.00. Campaigns similar to the local campaign are being held in practically every county and city in the state.

Workers who are assisting Mrs. Hutchison in the local campaign are as follows: Mrs. Frank D. Cox, Chairman of Manassas; Mrs. Stanley A. Owens, Co-Chairman. Other are Mrs. O. M. Dauglas, Thoroughfare; and Miss Inez Gum, Nokesville.

## To Hasten Victory

No American wants this war to go one minute beyond the time we can bring it to a victorious end. To hasten that victory—to save possibly the lives of millions of our boys on our far flung fronts—it is imperative that every American do his part in the Second War Loan. There is an investment to fit every purse. The most you can do is little enough compared with the sacrifice offered by our boys in service. They give their lives—you lend your money.

## Second Move To Join Colleges

### Governor Darden Advocates Interlocking Faculties

Governor Darden has announced the second recommendation which he will make to the General Assembly relating to the reorganization of higher education in Virginia will be that Mary Washington College in Fredericksburg be made a liberal arts college for women, co-ordinate with the University of Virginia, having one over-all Board of Visitors and interchangeable faculties.

In making the announcement Governor Darden said he was asking both Dr. John Lloyd Newcomb, president of the University and Dr. Morgan L. Combs, president of Mary Washington College, with whom he has been discussing the proposed plan for several weeks, to make a thorough study of the best means of perfecting the details of the proposed merger.

Last week Governor Darden announced that he planned to recommend to the next General Assembly the merger of Radford State Teachers College with Virginia Polytechnic Institute with the resultant sharing of both facilities and faculty. This second move, the Governor believes, will complete a well-rounded program of education for women in Virginia—the Radford-VPI combination caring for the technical training and the University-Mary Washington College combination furnishing the liberal arts courses.

The colleges would function under separate presidents but would have

a single over-all board—the present Board of Visitors of the University of Virginia substantially enlarged with both men and women serving upon it.

Mary Washington College in Fredericksburg was founded as a State Teachers College in 1908. It was strictly a normal school but in 1924 was allowed to award the B. C. degree to its graduates. In 1935 it was granted the privilege of awarding the liberal arts degree and in 1938 its name was changed to Mary Washington College. It has an enrollment of approximately 1400 students. Its faculty is composed of approximately 90 teachers, and, in addition to its normal and liberal arts courses it has a large commercial training department. The chief benefit of the combination of institutions will come from the central supervision and the exchange of faculty members.

When the recommendation is presented to the General Assembly next winter it will be the second time a General Assembly has been asked to act on the "conversion" of the State Teachers College at Fredericksburg into a liberal arts college.

The first was introduced in 1932 while Governor Darden was a member of the House of Delegates. The bill calling for "the conversion" passed both houses of the Assembly but was vetoed by Governor Pollard on the grounds that the State Teachers College could not be converted into a liberal arts college without added expense and that the State was not then able to make the necessary appropriation and the bill, though carrying no appropriation, would have the effect of morally

binding future General Assemblies. Governor Pollard offered an amendment to the bill but that was defeated.

The State already has an act on its books passed in 1930 calling for the establishment of a liberal arts college for women. It has never been established as no appropriation was allotted for it.

### Candidates Cards

To the Voters of Prince William County:

Feeling that my experience as Sheriff or Deputy for about twenty-eight years, justifies my being a candidate again, when experience is now needed under our present condition, I hereby announce my candidacy for the office of Sheriff of Prince William County, subject to the Democratic Primary to be held on the 3rd of August.

I also take this opportunity to thank the people of said County for their kindness and consideration heretofore shown me, and hope my record will meet their approval and cause them to support me again in this election.

J. P. KERLIN

TO THE VOTERS OF PRINCE WILLIAM COUNTY

I hereby announce my candidacy for the office of Attorney for the Commonwealth, Prince William County, Virginia, subject to the Democratic Primary to be held on August 3, 1943.

You know my record, and I feel, that with my past experience, I can successfully render a service to the people of my county. Due to the gasoline shortage it will be impossible for me to see each and every person in the county and so I take this opportunity of soliciting your continued support. You know what I have done in the past, both in private life (as I was born in your midst), and in public life.

If my efforts have met with your approval, I will greatly appreciate your help in the coming election.

Sincerely,  
W. Hill Brown, Jr.
