## PARENT TEACHERS WORK REVIEWED

### Mrs. J. F. McInteer named County Captain

Thursday evening's Parent-Teacher meeting, held in Osborn High School Auditorium, was opened by the singing of our national anthem, followed by the Lord's Prayer.

A postponed observance of Music Week included two delightful solos by Mrs. C. H. Stichel, accompanied at the piano by her mother, Mrs. Fuqua, they representing the parents of the organization. Later in the evening Miss Jessie Mae Conner, in her usual charming manner, sang "If Any Little Song of Mine," with Mrs. J. P. Royer as accompanist, representing the teachers.

Mrs. M. S. Burchard, secretary, reporting for the various committees, gave the following summary of the year's accomplishments:

"Contributions have been made to Red Cross, Tuberculosis fund, Religious Education in the school, and appropriations were made to the libraries of both schools and for miscellaneous supplies for the school. Lunches were prepared and served over a period of nine weeks, with an average of 117 per day, including 29 free lunches daily.

"The Milk committee from January 1 through May 14 had distributed a total of 30,360 bottles of penny milk, including 3,369 free."

Through the enlarged health program 33 children had eyes examined and 11 pairs of glasses were bought; immunization was given to 10 children of age and 77 in grades 1 and 2 in the crippled children's clinic, 6 children were treated; and 19 with defective speech have received corrective treatment. In the Chest Clinic 6 children were examined; and corrective dental work is now in progress. In the pre-school round-up 32 children received immunization, vaccination and medical examination, with reports to their parents if any defects were found.

All possible cooperation has been given in the defense program, and Americanism has been promoted through the County schools by urging the memorizing of our National Anthem and also the words of "America."

Through a most successful membership drive a total of 278 members were enrolled. Attendance at the monthly meeting has been encouraged by the giving of a banner and a prize to the school room having the largest number of patrons present.

Music has played a large part in the program throughout the year, and our guest speakers have been most interesting.

Mrs. R. C. Haydon outlined a proposed recreational project for the teen-age group of the community and the association enthusiastically voted to sponsor and support this movement.

Prof. R. Worth Peters told of the nutrition-workshop program to be conducted here during the summer and said that great interest has been manifested by both parents and students.

The newly elected officers installed in a brief ceremony, conducted by Supt. R. C. Haydon, are: Mrs. L. L. Lonas, president; Mrs. Earl Hurst, vice president; Mrs. Warren Coleman, secretary; Mrs. R. E. Daffan, treasurer.

Dr. Abner Robertson, Executive Director of Cooperative Education in this State, guest speaker, emphasized the importance of P-T. A. work, representing as it does the entire community. He said in part: "P-T. A. work is more important today than ever before. Child welfare must not be interrupted, regardless of war—indeed, often because of war."

He cited instances where delinquency was often traced to the child being left unsupervised in the home where both parents were away at work, and suggested ways in which the P-T. A. might be of assistance. He urged upon the organization the responsibility of helping unify the community, thus giving children a sense of confidence and security in the difficult, tension-filled days ahead.

### EXECUTIVE BOARD MEETING

A meeting of the Executive Board of the Womens Club will be held at the home of Mrs. Lewis Carper on Wednesday, June 9 at 10 A. M.

### ROGER DANIEL WHARTON

Roger Daniel Wharton, Editor of The Manassas Journal, died at his home in Centerville, Virginia, on Saturday, May 29, at 10 o'clock A. M. after an illness of seven days. He was a victim of pneumonia.

Mr. Wharton was born in the city of Washington, August 3, 1890, and was educated in that city, graduating from Western High School and from George Washington University, where he majored in Civil Engineering. In 1915 he moved to Virginia to engage in farming. In 1925, he entered the newspaper publishing business, becoming editor and publisher of papers in Arlington, Fairfax and Prince William Counties. In 1930 he became associated with the Manassas Journal.

He was the son of the late Capt. John J. Wharton, C.S.A., of Culpeper, and Adella Moore Wharton of Alabama, and the nephew of General Gabriel C. Wharton, C.S.A., of Radford, Virginia. He was descended from distinguished colonial families dating from the earliest Virginia settlement back to the Norman conquest of England. He had at least nine ancestors who fought in the Revolution, and many who held Royal Commissions in the early Virginia settlements.

He was a charter member of the Order of the Stars and Bars and belonged to Alexandria Camp, Sons of Confederate Veterans. Other organizations in which he was especially active included the Manassas Kiwanis Club, where he had an unbroken record of thirteen years of attendance at its weekly meetings; The Prince William Chamber of Commerce, and the Order of Fraternal Americans.

In church work Mr. Wharton had been especially devoted, beginning constructive work at an early age. He was Secretary of the Sunday School of St. Margaret's Episcopal Church in Washington before coming to Virginia, where he became Superintendent of the Sunday School of the Church of the Good Shepherd, near Burke, where he also was Vestryman and Treasurer. On moving to Centerville he became Vestryman and Treasurer of St. John's Episcopal Church, positions which he had filled for more than twenty years.

Funeral services were held in Trinity Church, Manassas, on Monday afternoon, May 31, and interment was in the family lot in the Fairfax Cemetery. Both in Manassas and at the grave, the Rev. W. F. Carpenter, Rector of St. Paul's Church, Haymarket, officiated, assisted by the Rector of Trinity Church. The active pallbearers were selected from the Manassas Kiwanis Club, which also attended in a body as honorary pallbearers. The active bearers were Messrs. G. Raymond Ratcliffe, E. R. Conner, Hunton Tiffany, W. Hill Brown, Jr., R. Worth Peters, and Jack Royer.

Mr. Wharton was unmarried, and is survived by two sisters, Mrs. William Harrison Lamb and Miss Mary Wharton. The untimely death of such a kindly, lovable and helpful citizen in the prime of life was the occasion of widespread sorrow, and all business activity stood still in Manassas in silent tribute.

### REVIVAL AT TRIANGLE

Revival meetings will start Sunday night, June 6, at 8 o'clock at Triangle, Va., for two weeks or longer. We invite everyone in the Triangle section to come out.

Rev. Paul Ridings, evangelist of Martinsburg, W. Va., will be the nightly speaker. His messages are inspiring and are good for the old as well as the young. He has just closed a successful four weeks of meetings at the Manassas Full Gospel Church in which souls were saved and sick bodies healed by the power of God.

"It is time to seek the Lord."—Hosea 10:12.

### ANNOUNCE ENGAGEMENT

Mr. and Mrs. P. L. Proffitt, of Manassas, announce the engagement of their daughter, Miss Sallie Lois Proffitt, to Pvt. Howard E. Churchill, U. S. A., of New York City.

Pvt. Churchill is the son of Mrs. Blanche Churchill, of New York City.

The wedding will take place in the near future.

### PROMOTED TO CORPORAL

Edgar E. Rohr, who is stationed at Gore Field, Great Falls, Montana, with the Army Air Force, has recently been promoted to the rank of Corporal.

Colonel W. N. Best, of the Quantico Marine Base, who congratulated the local boys and girls.

G. Raymond Ratcliffe, Chairman, Prince William County War Savings Committee

Col. F. B. Ryons, who brought the message of a fighting man of the First World War

### LIEUT. COMMANDER CHARLES L. KESSLER TO ADDRESS KIWANIS CLUB

The Manassas Kiwanis Club, in co-operation with the American Legion Bond Sale Committee, is particularly pleased to have with them Friday, June 4th, Lieut. Commander Charles L. Kessler of the United States Naval Reserve. Commander Kessler's subject will be along defense lines.

The Kiwanis Club will adjourn at seven o'clock to meet in the Town Hall in order that as many as possible may be able to hear the Commander.

While this will be Commander Kessler's first visit to our town, he is no stranger to Virginia as he has appeared before audiences throughout the State. His father was born in Richmond and his mother at Fairfax and while his parents now live in Washington, they spend several months each year in Virginia. Commander Kessler served six years in the Marines and two years on Asiatic Stations, and represented the Marine Corps with Admiral Byrd on his 1926 Arctic Expedition. He accompanied Admiral Byrd into the Antarctic when "Little America" was founded in 1928 and was awarded special Gold Congressional Medal of Honor for service on this expedition.

### POPPY DAY OBSERVED

On Saturday, Manassas observed Poppy Day, sponsored by the Prince William Post No. 158, American Legion and Auxiliary. All the poppies were sold and it was most gratifying to know that so many of our people wished to pay tribute to our honored dead by wearing the poppy.

The red Buddy Poppies were made by the disabled veterans who have never been able to leave the hospital since the first World War. Some of the funds collected will go to these veterans for their work, and the rest for other veterans rehabilitation and the welfare of their children.

It is expected that this load will soon be much heavier as we see our veterans returning from this present conflict.

The committee for the Poppy sale with Mrs. Edgar Parrish as chairman, were assisted by the children in the community. Those selling the most poppies and receiving the prizes for doing so were: Vera Rose Merchant and Chalice Haydon, tying for first prize, which was given each; Carolyn Cooksey, second prize; Gem Elizabeth Parlor, third; and Mary Blakemore, fourth. The prizes were War Stamps. Poppies were also sold in Nokesville by the Legionnaires living there.

### MANASSAS TOWN ELECTION

An election will be held in the Town Hall on Tuesday, June 8, 1943 for the purpose of electing a Mayor and two Councilmen. The polls will be open between the hours of sunrise and sunset.

### GALA BOND REVIEW

Monday night plans were completed for the sale of bonds this month which is sponsored by the American Legion Post No. 158 and Auxiliary. The meeting was held in the home of Dr. McBryde. The quota for the month of June is \$95,000 and the American Legion is calling on all citizens to try to reach the goal, for it will take all of us working together to accomplish this.

There will be an Auction Sale of Stock which is being arranged by Carl Kincheloe. The stamp booths in the stores and theatre are in charge of Mrs. A. O. Beane while Mrs. Stewart McBryde is chairman of the poster committee. The largest event will be the Gala Bond Review, featuring stars from the camps near and from Washington. It will be an evening's entertainment, tickets for which will be given with the purchase of the first bonds in the month, as only enough tickets will be printed to fill the local theater.

Mrs. Vincent Davis has been asked by Mr. M. S. Burchard, the general chairman of bonds for the month, to get in touch with the recreational bureaus to secure the guest artists. The transportation committee is in charge of Dr. V. V. Gillum, and Rev. John DeChant has the seat sale and ushers. The publicity chairman is Mrs. Burchard who will be assisted by Mrs. Edgar Parrish and Mrs. Ernest Spitzer in Nokesville. For the reception and entertainment of guests the general committee will be in charge consisting of: Mr. Burchard, chairman, Mrs. J. M. Hanson, Mrs. Edgar Parrish, Rev. DeChant, Mrs. A. O. Beane, Mr. Parrish, Mr. and Mrs. Ernest Spitzer, Mrs. McBryde, Dr. V. V. Gillum, Mr. Wheatley M. Johnson, Mr. Carl Kincheloe and Mrs. Burchard.

### PIANO RECITAL

Mrs. Dennis Baker will present her students in a piano recital on June 11 at 8 p. m. at the Osbourne High School. The following will perform:

Martha Ann Eagle, Mary Ann Sinclair, Charlotte Ball, Catherine Baker, Martha Jeen Saunders, Jeanette Hurst, Michael Mason, Mary Lou Trimmer, Vera Rose Merchant, Barbara Jones, Peggy Ann Rice, Janelle Plaster, Kitty Dogan, Armistead Sinclair, Bonnie Lynn, Iva Lee Fitzwater, Barbara Hendryx, Nancy and Bettie Parrish, Fanelle Pickeral, Jane DeChant and Joanne Johnson.

### GRADUATES AS NURSE

Mrs. E. R. Frederick and daughter Lois attended commencement exercises Thursday, May 27th, of University of Virginia Hospital School of Nursing as special guests of Miss Virginia Marjorie Estes, one of the graduates, and were entertained in the home of Mr. and Mrs. C. E. Dulaney.

Miss Estes is the daughter of Rev. and Mrs. W. O. Estes of Maryland, formerly of Bristow, Va.

## MEMORIAL DAY EXERCISES

### Summary of Year's Accomplishments Reviewed by Mrs. Burchard

"Love Maketh Memory Eternal" was the keynote on Sunday, May 30th, when Memorial Day was observed at the Confederate Cemetery.

The Daughters of the Confederacy and the Manassas Memorial Association were ably assisted by the Prince William Post, American Legion in bringing together more than a hundred people to honor the heroic Confederate dead.

The decorations of fluttering flags and lovely flowers of every hue with the colors massed to form a background presented a beautiful picture enhanced by nature's lovely setting of green.

Col. Fred B. Ryon of Occoquan acted as master of ceremonies and the exercises were formally opened by a group of children, directed by Mrs. Elizabeth Wine, marching around the monument strewn with flowers over the graves of Confederate dead while the audience sang "Onward, Christian Soldiers" led by Mrs. Lewis J. Carper, with Mr. Carper organ accompanist.

The pledge of allegiance to the flag was given by the Post Vice Commander, W. M. Johnson and the salute to the Confederate flag by Mrs. Carper.

Rev. Len Weston, of the Baptist Church read the U.D.C. Ritual and prayer and the accustomed singing of the hymn "How Firm a Foundation," followed.

Sgt. Edgar Goodloe Parrish was the proud recipient of the World War Cross of Military Service bestowed upon him by the Manassas Chapter, U.D.C., represented by Mrs. R. A. Hutchison, president, and Mrs. E. H. Nash, Cross Recorder. Sgt. Parrish is the grandson of William Henderson Nicols who gave honorable service in the Confederate Army.

An original poem "Ballade of Old Battlefields" was read by Major J. M. Hanson.

A male quartette composed of Messrs. Tiller, DeChant, Weston and Curtis rendered several numbers which were received with appreciation and applause.

Hon. C. A. Sinclair gave special memorials for Mrs. Lucy D. Washington, Mrs. Rose Latimer Rice and Miss Emma Shannon.

Col. Robert A. Hutchison was introduced, and in his usual pleasing oratory presented the speaker Zackariah Lamar Cobb, a native Georgian, but now an attorney of Los Angeles, California. Mr. Cobb's talk was brief but was filled with the deepest sentiment and historical truths of the Old South. He paid a glowing tribute to Virginia, the Mother State, to his Father who was with Jackson at Manassas, to his Mother, to the women of the South, to Lee, Jackson and Davis, and last but not least to the loyal and faithful slaves who remained true to their masters.

Mrs. Hutchison presented the memorial essay prizes—The Sinclair prize was won by Miss Edith Davis of the seventh grade; the Spelden prizes were awarded to, 1st, Miss Dorothy Clore, and 2nd to Miss Fannie May Turner, students of the American History Class.

The audience sang the National Anthem and Rev. John M. DeChant pronounced the benediction.

Roswell Round, Jr., sounded "Taps" which brought to a close another memorable Memorial Day Celebration.

The children taking part were: Ann Warren Coleman, Dolly Lonas, Gem Elizabeth Parlar, Kathrine Dennis Baker, Gene Chiles Wood, Charlotte May Herndon, Mary Louise Wine, Robert Wine, Jane DeChant, Ann Walsa Ratcliffe, Mary Letitia Kincheloe, Chalice Haydon, Carolyn Cooksey, Bennie Johnson, David Johnson, Georgia Lee Beale, Mary Ellen Beale, Jimmy Beale, Patricia Adams Roesch.

### RECITAL BY PUPILS OF VIRGINIA SPEIDEN CARPER

The annual Piano Recital by the pupils of Virginia Speiden Carper will take place in the Osborn High School Auditorium, Manassas, on Tuesday evening, June 8, at 8 p. m. The public is cordially invited to attend.

Pvt. Allen H. Barbee is still in North Africa and is enjoying army life. Hopes to help finish the job and get back to the States at some future date, and writes that our boys are being treated fine by the natives.

## Plan 16,000 Acres In Rope Plants

### Use Vast Areas to Overcome Shortage of Fiber.

WASHINGTON.—In order to relieve a threatened war shortage of manila and other fibers used in rope and twine, caused by Japanese seizure of the normal supply sources, probably 16,000 acres will be planted to the manila fiber plant in Panama and Costa Rica, by the end of this year, the Office of War Information said.

The importance of the fibers to the war effort was described by the OWI announcement.

"Without them," it said, "we could neither fight nor eat. Without rope no warship could race to battle against the Nazis and Japs; no cargo ship cross the seas with tanks and guns for the armies fighting Hitler. They must have hundreds of millions of feet of rope.

"Without binder twine there would be famine in the midst of bumper crops, because the crops could not be harvested. The farmers who grow the food we eat must have hundreds of millions of feet of binder twine for their harvesting machines."

Manila fiber can be obtained from the abaca plants 18 months after they are planted and they reproduce themselves annually, the report said. Another and slightly inferior form of rope and twine fiber is sisal, which normally came from the East Indies, and the Combined Raw Material board reported a doubling of the sisal plant acreage in Haiti.

## Youth 'Likes Funerals'

So Shoots His Sister  
MILLERSBURG, OHIO.—Holmes county juvenile authorities said that Manuel Maft, 17, an Amish, had admitted shooting his sister and trying to poison a brother because he "likes funerals" and "just wanted to shoot somebody."

The sister, Sarah, told officers that she had antagonized her brother by trying to persuade him to join the Amish church. She was recovering from her wound.  
Manuel will be committed to the state bureau of juvenile research at Columbus for 30 days' observation.

## Ancient Dwellings Are Unearthed in England

LONDON.—Ancient pit dwellings of a type never before unearthed in England came to light recently as a result of war activities.  
Mrs. Stuart Piggott, who described the find to the Royal Archeological society, had with her an amber necklace which she said was probably made about 1500 B. C.

A pit dwelling was a miniature house in which a corpse was encased. None had been discovered in Britain before though it was known this burial custom existed in Northern Europe in prehistoric times.

## Old Silk Stockings Are Now Used for Bandages

PORTLAND, ORE.—An ingenious means of sending bandages to China is being conducted by the American Bureau for Medical Aid to China.  
Women are asked to contribute old silk stockings. These are fumigated, then used as padding in shipments of other goods—thus saving cargo space.

With each 25 stockings which are unpacked at various Chinese points is found an illustrated folder, printed in English and Chinese, showing how the stockings may be used in bandaging various wounds.

## 'Ghost Ship' Has Prow Painted Like a Whale

CLEVELAND.—The coast guard station at Cleveland received a hurry-up call from a group of ore boats in Lake Erie about 18 miles off shore. The lookout on one of the freighters said he sighted a whale with a "harpoon sticking in it." Other freighters heard the call, moved closer and deck-hands exclaimed that a "ghost ship" was roaming the lakes. Coast guardsmen closed in. They found a sailboat, with its prow painted to resemble the gaping jaws of a monster whale, which had broken loose from its mooring.

She Filled Job Too Well  
TOPEKA, KAN.—A girl-service station attendant, hired to replace a man called to war, was fired. The manager said her language was too tough.

## 28 Guns Are Seized From Oklahoma Man

OKLAHOMA CITY.—Seizure of 28 guns and 138,089 rounds of ammunition from a German alien was reported by W. G. Banister, special agent in charge of the FBI here.  
Whether the alien was arrested was not disclosed. Banister said the booty included 15 shotguns, 10 rifles and three revolvers.

### To Hasten Victory

No American wants this war to go one minute beyond the time we can bring it to a victorious end. To hasten that victory—to save possibly the lives of millions of our boys on our far flung fronts—it is imperative that every American do his part in the Second War Loan. There is an investment to fit every purse. The most you can do is little enough compared with the sacrifice offered by our boys in service. They give their lives—you lend your money.

CHRISTIAN SCIENCE  
"God the Only Cause and Creator" is the subject of the Lesson-Sermon which will be read in all Churches and Societies of Christ, Scientist, on Sunday, June 6.

The Golden Text is "Whosoever God doeth, it shall be for ever: nothing can be put to it, nor any thing taken from it." (Ecc. 3:14).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Look unto me, and be ye saved, all the ends of the earth: for I am God, and there is none else." (Isa. 45:22).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Spiritual causation is the one question to be considered, for more than all others spiritual causation relates to human progress. The age seems ready to approach this subject, to ponder somewhat the supremacy of Spirit, and at least to touch the hem of Truth's garment." (p. 170).

**URGES ORGANIZATION OF "JUNIOR COMMANDOS"**

J. H. Wyse, State Coordinator of Civilian Defense said today that Local Defense Councils throughout Virginia have been urged to organize units of the U. S. Junior Citizens Service Corps in recognition of the volunteer work in civilian defense done by boys and girls and to organize youth under the age of 16 for further service in the war program.

Many Virginia Defense Councils have already organized "Junior Commandos," "Youth Auxiliaries," and other units of young volunteers. Most of these probably will be incorporated in the Junior Citizens Service Corps.

Boys and girls under 16 have given valuable service to the Civilian Defense organization in practically all of its programs. Their work has been outstanding in salvage, sales of war bonds and stamps, collecting and processing of tin cans, collecting books for soldiers' libraries, Victory gardens, and as Civilian Defense messengers. Organization as the Junior Citizens Service Corps will provide stimulus to their patriotic energies and open up new avenues of service, it was said at the State Office of Civilian Defense.

The insignia of the U. S. Junior Citizens Service Corps will be "Junior Service" printed in white border encircling blue field on USCS insignia. A tan or blue overseas cap will be optional.

**HEADQUARTERS  
ARMY AIR FORCES GULF COAST  
TRAINING CENTER**  
Office of the Commanding General  
Randolph Field, Texas

April 27, 1943

Mrs. J. B. Cooke,  
Nokesville, Va.  
Dear Mrs. Cooke:

In a memorandum which has come to my desk this morning, I note that your boy, now an Aviation Cadet, has been specially selected for training as a Pilot in the Army Air Forces.

In order to win this war, it is vital to have the best qualified young men at the controls of our military aircraft. Upon their precision, daring and coolness will depend in large measure the success of our entire war effort.

The duties of an Army Pilot call for a high degree of mental and physical alertness, sound judgment, and an inherent aptitude for flying. Men who will make good material for training as Pilots are rare. The Classification Board believes your boy is one of them and that he will in all probability win his wings as a military pilot.

You must realize, however, that all of our study of the problem has produced no infallible method of determining in advance whether a young man has that inherent something which will make him a natural and safe pilot. As a result, some pilot candidates are later transferred to other types of military training.

Comprehensive tests indicate that your son stands a very good chance of successfully completing the rigid training for an army pilot and you have every reason to be proud of him. I congratulate you and him.

Sincerely yours,  
G. C. BRANT, Major General,  
U. S. Army Commanding

**Lights of New York**

by L. L. STEVENSON

Because we are usually gadding about the big town these nights we seldom have a chance to listen to radio programs. But the other evening, the first free time in a long while, we heard "Cheers From the Camps." The program is entirely different from the usual run of soldier shows. It struck us that it was planned definitely to build up the morale of those at home. Ordinarily when the word "morale" comes into mind, we apply it to our men in uniform and rightly, so since the zeal, the spirit, the entire mental state of our men of the fighting forces is of the utmost importance. But so is the morale of those left at home, the folks for whom our men are fighting, though that fact may be lost sight of on occasions.

A little investigating showed me that that is exactly the idea behind "Cheers From the Camps," which is under the direct supervision of the war department, though there is a commercial sponsor. The programs which have been on the air for some time now, are most carefully planned and timed, not only in the script writing and material, but as to those who take part. Surveys are made of camps all over the country and available talent is listed and classified so that there will be proper balance. If a boy can play a musical instrument or sing a song, he is given a place. If he is a comedian, he is sure of one. The camp band takes part. Camp incidents are dramatized with real action. Names are always given of course and as there is advance notice as to the camp from which the program originates, families and friends know when to listen.

The entertainment, however, is merely the skeleton. The meat is news from the boys. Ordinarily when a soldier sits down to write a letter he merely says that he is well, working hard and getting plenty to eat. Those making the survey, pick a soldier with a good voice. Everything possible about his relatives, his friends, his home interests is learned. These intimate touches are included in the letter which he reads over the air. So his folks get real news and so do the folks of other boys because, through being told what is going on, they know what is happening to their sons. That's the idea of the program—a 60-minute letter home. And news, especially when it is personal and cheering, is a mighty builder of morale.

From soldier camps to a cocktail party at the Waldorf-Astoria may seem somewhat of a leap, but there is a direct connection. The honor guest was Irene Dunne. Miss Dunne left Hollywood for New York city to take part in that great movie war bond sale drive, and war bonds are a mighty help to our fighting men. The last time I saw Miss Dunne was at the Kentucky Derby when the picture, "My Favorite Wife," in which she starred with Cary Grant, had its world premiere, Louisville having been selected for the event since that city is her home town. Many well-knowns were at the party and the lovely Miss Dunne, her diamond earrings flashing, fitted here and there greeting friends.

Managed to corral her long enough to find out that she is now working for three studios and that her next picture will be "Angel Street." Of course "Missy" entered into the conversation. "Missy" being a very important person since she is Miss Dunne's little daughter. Being a mother, Miss Dunne naturally had a late picture of "Missy," one she made herself, though she did have to call on Margaret Ettinge to find it for her. It was astonishing to note how much "Missy" had grown in the past two years.

Having been one myself, I have a working knowledge what a small boy may carry in his pockets. But my best efforts were far exceeded by a well-dressed, colored boy, possibly 10 years old, in the subway the other afternoon. First he produced a flashlight which he proved to be in working order by testing it on the dirty wall as the train rushed up town. Next came two fishlines equipped with hooks and sinkers followed by possibly a dozen marbles and a glass shooter. After that, he found a package of chewing gum which he laid aside, then opened a soiled handkerchief thus revealing a promising beginning of a foreign stamp collection. After a brief pause in which he consumed some candy, he took out a comb, three pieces of chalk, more candy and finally what he apparently had been searching for — a harmonica on which he played merrily with the pounding of a flat wheel as an obligato.

**SAVORY STUFFED TOMATOES**  
Wash tomatoes, slice off stem end and scoop out the center leaving a tomato cup. Chop pulp and mix with any of a number of foods such as chopped left-over meat, shredded cheese, mashed hard-cooked eggs, precooked vegetables, and/or bread crumbs. Season to taste and refill tomatoes. Place in a greased baking dish and bake in a moderate oven (375°F.) for about 20 minutes or until tomato cups are tender.

**SPINACH SCRAMBLE**  
Cook fresh spinach until just tender, cut finely, and add to scrambled egg mixture. Scramble eggs as usual. Serve hot as hot with tomato wedges for garnish. Tasty, attractive and certainly satisfying.

**CARROT LOAF**  
Steam 2 cups coarsely shredded carrots in just enough water to cover bottom of pan. While still hot, combine with 1 1/2 cups soft bread crumbs, 1/2 cup peanut butter or finely ground nut meats, grated onion or onion juice, and salt and pepper to taste. Stir in 2 well-beaten eggs to bind ingredients together. Pack into greased loaf pan and bake in moderate oven (350°F.) for about 30 to 40 minutes or until firm. Unmold, slice and serve as you would meat loaf. May be topped with a peanut butter white sauce.

STATEMENT BY SENATOR BYRD

"Based on an investigation for a six months period, it is possible that the traveling, telephone and telegraph expenses of the non-military agencies of the government, excluding the War and Navy Departments, will reach \$100,000,000 per annum. The Joint Committee on Reduction of Nonessential Federal Expenditures has made to Congress the enclosed itemized report of such expenditures. In my opinion, some of these expenditures for traveling, telephoning and telegraphing of certain agencies of the government are so excessive as to warrant immediate action by Congress. The indifference on the part of non-military bureaus to any reasonable economy in traveling expenses and cost of telephoning and telegraphing is little short of scandalous."

People's Responsibility

Eight billion dollars of the 13 billion dollars in this Second War Loan Drive must come from non-banking sources, so the responsibility for the bulk of this 13-billion-dollar drive rests with the American public.

Indications are that Americans generally need only to be reminded of this responsibility and how much they should lend their government in order to reach this goal. Americans are backing up their fighting men on the battle fronts. They are supporting the Second War Loan. "They give their lives... You lend your money."

Briton's Mail From Front Gets Home One War Late

LONDON.—Twenty-seven years ago a field stretcher-bearer, Frank Gumm, of the royal army medical corps, lying wounded at a base hospital in France, sent a post card to his mother saying, "Getting better. Don't worry."

It was delivered to his 84-year-old mother recently through the regular channels of the post office.

Frank's post card forecast the state of things to come quite correctly—he did recover and at present he is assistant manager of a navy, army and air force canteen somewhere in Britain.

What You Buy With WAR BONDS

Prevents the "Bends"

Before our fighting pilots take to the air for stratosphere flying they must be "suped-up." To do this the pilot just before he takes off pedals a stationary motor driven bicycle to reduce the amount of nitrogen in his blood. Otherwise gas bubbles would collect in his blood stream.

The stationary bicycle is an inexpensive piece of equipment, but the vast quantities of this and other materials of war make it imperative for all of us to keep our fighting men well supplied by greater and greater purchases of War Bonds.

'Mosquito Bombers' Hit Germany Hard

Britain's New Secret Weapon Proves Big Success.

LONDON.—Britain's new secret mosquito bombers, with speeds approaching those of fighter planes, fill one of the worst gaps in the list of weapons needed to attack Germany night and day, air experts here declare.

Designers long have sought a plane capable of penetrating deep into enemy territory by daylight and then fighting its way out after dropping bombs. Up to now none of the bigger German or British planes have been able to do that.

Even the Boeing Flying Fortresses have not proved capable of such action. On 10 raids and one encounter over the North sea thus far the fortresses have been accompanied by fighter planes. They have not made any unescorted flights far over Europe.

Although the fortress squadrons put up a terrific concentration of fire on those attacks, their lack of speed and maneuverability, air experts said, made them extremely vulnerable if they make long unescorted flights.

Plane designers always have envisaged a light bomber with speeds approaching those of fighters even when loaded with bombs and equaling the fighters once the bombs were dropped. Such a plane would be extremely maneuverable and heavily armed. It would carry a small load of bombs, leaving the heavy work to the four-motored bombers.

The Mosquitoes, four of which had their first action over Oslo recently in which only one was lost, are still on the "secret list." Nevertheless, it can be said they satisfy those requirements better than any plane yet developed.

Guests in London Hotels May Have to Make Beds

LONDON.—Guests even in London's largest hotels may soon be required to make their own beds, keep their rooms clean and shine their own shoes.

"The labor shortage has become so acute," said an official of the Hotels and Restaurants association, "that some West End hotels are reducing to skeleton staffs barely able to cope with the most essential daily work."

"Outside London the position generally is even worse.

"The labor crisis has coincided with the period of greatest pressure on hotel accommodation since war began. The ministry of works and planning is now agreed that where cost is reasonable, bomb-damaged rooms may be repaired and put into commission again."

Hoeme Desires a Home, But Money Can't Buy It

HUTCHINSON, KAN. — F. W. Hoeme wanted a home—but complications set in. First the war blocked his plans to build on his farm.

Then he gave up trying to move a house he'd bought in town, because he'd have had to chop down a whole streetful of trees.

Then he bought another house—but neighbors said "Oh, no, you don't move that out to the country and leave an unsightly hole in our nice neighborhood!"

The city commission, squirming under their protests, still hasn't okayed the move.

Morals of U. S. Soldiers In Britain 'Very High'

LONDON.—The morals of United States soldiers in this theater of operations is "very high" and their church attendance is much higher than when they were in the United States, the 12 senior chaplains in the area said recently after a two-day conference at army headquarters.

The chaplains said the soldiers were taking extensive advantage of their service as counselors on "everything from a stubbed toe to facing the future..." These problems, they said, include sickness, finance, home and girls here and in the United States.

Man Is Drafted Again

On Same Day and Month

TROY, N. Y.—A veteran of the first World War, Charles D. Guerin, walked into the office of his draft board waving a piece of paper.

"Look what I brought along with me, my induction notice for the first World War."

Sure enough, the paper showed that Guerin was called up for induction in the first World War on September 9—the same day and month the board called him for induction in the second war.

YOUNGSTOWN, OHIO.—Note to the Axis: Don't underestimate the speed of the U. S. air corps' new P-47 Thunderbolt.

It traveled so fast recently that a pilot landed it at New Castle, Pa., thinking that he was coming in at New Castle, Ind.

Declared the pilot: "It flew so fast I could not follow maps to keep track of my position."

War Takes 96¢ Of Each Dollar

Out of every \$18.75 that is invested in a War Bond, \$18 goes into guns, planes, tanks, ships and other military equipment. The 75 cents goes for ordinary governmental expenditures. Out of every dollar 96 cents goes toward the war effort and 4 cents goes for Government "business as usual."

The same ratio applies to all other securities the Government has offered investors in the Second War Loan campaign for 13 billion dollars.

**Aid to Enemy**

"Any American who wilfully neglects to pay his taxes on time or to invest every cent he can in War Bonds is surely giving aid and comfort to the enemy. . . . We have a job to do and we are all called for service to our country. Our dollars are called to service too. Let us all ask ourselves, 'Shall we be more tender with our dollars than with the lives of our sons?' " — Secretary Morgenthau.

**HIP, HIP!  
HEPZIBAH!**

By CHET GRANT  
McClure Syndicate—WNU Features.

"THE fact that Hepzibah is not an actual cousin," Mrs. Blake said to her son Georgie, "has nothing to do with the matter. You hop in that Iron Horse of yours and get down to the station to meet her. I don't want to hear another word about it. Now hurry!"

Georgie Blake moped out to the garage. Imagine being harnessed with a girl named Hepzibah! Georgie squirmed in his seat. He could just picture her!

Hugo Green was mowing his lawn when Georgie drove up before the house. Hugo was a good fellow, but he played the cornet. However, any port in a storm.

"Lo, Hugo, what's new?" he called affably.

"Nothin'." Hugo eyed Georgie narrowly.

"Say," Georgie said brightly, "how about comin' up t' the house t'night? Bring your horn."

Hugo grinned. "Not for me, Georgie. I've heard about Cousin Hepzibah from Maine."

The Iron Horse sledged around the cinder parking space and came to a stop beside the station platform. Georgie dismounted and was taken aback to discover Tootles and the rest of his crowd innocently sitting on the baggage truck by the ticket window.

"Hey," Tootles yelled, "you goin' to kiss Cousin Hepzibah, Georgie?"

"You got hayseed on your collar!" "Makin' her feel right to home!"

There was lots more, but the train thundered into the station. There were but a few passengers and only one of them was a girl. At the sight of her Georgie's heart flip-flopped. She was a small person, exquisite from head to toe. There was not so much as a snicker from the baggage truck audience.

"Are you Cousin Hepzibah?"

Wide gray eyes twinkled. Red lips parted in a wonderful friendly smile.

"Yes. And you're Cousin Georgie, aren't you?"

"Um!" Georgie answered, reaching for her bag. "I guess we'd better be moving."

Without so much as a turn of his head in their direction he led Hepzibah away from Tootles and the rest. They stood quite still, shocked into inertia by the sudden revelation of Cousin Hepzibah in the flesh. Before their brains could function normally Georgie had started the Iron Horse away from the platform.

For the first time since Easter Georgie changed his suit before supper. He looked forward to a long enjoyable evening. He and Hepzibah would pop corn, discuss a number of things and listen to the radio. They discussed a number of things first and right in the middle of it the doorbell rang.

Georgie couldn't shut the door in Tootles' face because Tootles' foot was showing the door for dear life. "You invited me, didn't you?" he demanded, shucking off his coat. Skinny Tate came next, Bud Thornton wasn't far behind, and within ten minutes the living room held every breathing male member of Elston's Young People's Society.

When Georgie returned from work in Mack's Garage the next evening he discovered that Hepzibah was dated with Tootles. Hepzibah hinted, too, that she would be dated the following night. She was; and the next night, and the next. Georgie's own particular girl was out of town, so he moped.

The feminine portion of Elston's Young People's Society did not view Hepzibah's popularity favorably, but there was nothing they could do. Only the approach of the Annual Picnic saved the day for them. It had been decided at the last meeting that all would go by bus, except Georgie, who had to work for half an hour after the starting time. It was expected that he would follow in his car with Hepzibah.

Saturday morning Georgie tinkered with the bus engine at the garage. Later it went by the door ablaze with banners and streamers. Georgie grinned. When closing time came he went home and bathed and then started toward the picnic came upon the bus some five miles from Elston.

"Hey, Georgie," Tootles called, rubbing grease across his hot face. "Come and give this blamed engine your expert attention."

Georgie sat behind the wheel of the Iron Horse and grinned. "Not me, boys, this is my afternoon off." He stood up and yelled. "Hey, you girls want a ride? Come on!" They came running.

"Well, boys," Georgie said, "I'm sorry there isn't any more room, but it isn't more than a two-mile hike to the grounds. The girls and I'll be waiting for you!"

The Iron Horse began to pull away, snorting and chugging. "Hey," Tootles yelled suddenly, "Where's Hepzibah, didn't she come?"

"Naw," Georgie shouted back. "She went back home. Said she never saw such a big bunch of hicks in her life!" The Iron Horse churned away down the road and over it hung the musical laughter of Elston's Young People's Society—feminine portion.

**EVERY DRIVER CAN HELP**

**KEEP 'EM ROLLING**

WAR, 1943 style, is war on wheels. Men, weapons and materials vital to victory must be moved swiftly, safely and without delay.

But each day accidents at grade crossings in America injure or kill 19 motorists and delay 38 trains a total of 22 hours—a drain on manpower and time that a nation at war simply cannot afford.

Will you, as a patriotic driver, enlist in the nationwide campaign now under way to stop these accidents? Here's how you can help:

1. Be extra careful—warranty careful—in all your driving.
2. Be especially alert when approaching a grade crossing.
3. Be sure the way is clear before you cross the tracks.
4. LOOK, LISTEN and LIVE!

Help keep 'em rolling for victory!

## MEETING OF HERNDON PARENT TEACHERS

The Herndon Parent-Teachers Association held the regular meeting on Tuesday, May 18, at 8 p. m., Mrs. Tulloss Fleming, president, presiding.

The minutes of the March meeting were read and the treasurer's report given. The treasurer, Mrs. Russell Gillette, reported the chairs for the cafeteria, which cost \$395, had been paid for, and that the P. T. A. voted to give \$100 for planting a victory garden on the school grounds.

Mr. Harvey Loury, agricultural teacher, reported the garden had been planted and was growing nicely.

Principal, J. H. Rice reported the Junior-Senior Prom would be held on Friday, May 21, and the parents were invited to attend. He also announced a prospective class of 41 boys and girls would graduate in June.

The baccalaureate services would be held on Sunday, June 6, at 8:15 p. m., the Rev. Marvin W. Mann preaching the sermon. Commencement exercises would be held on Thursday, June 10, at 8:15 p. m., and school would close on Friday, June 11.

Mrs. Gillette announced the P. T. A. had planned to put on a banquet for the Herndon Rotary Club on May 28, when they would entertain the graduates, their parents, and the school faculty, approximately 175 guests.

Mrs. A. E. Steele, chairman of the nominating committee, read the following slate of officers for the 1943-44 session:

President, Mrs. Jane P. Davis; vice-president, Mrs. F. W. Robinson; second vice-president, J. H. Rice;

secretary, Mrs. Willie Burton; treasurer, Mrs. E. Russell Gillette; historian, Mrs. Allen Kirk.

This slate was unanimously elected.

Only three meetings were held during the year due to the gas situation, but the P. T. A. issued a "P. T. A. News" (four issues) with Mrs. Charlie Rinker, Miss Emma Ellmore, Mrs. E. Russell Gillette, Mrs. Willie Burton and Mrs. Frank Humme composing the editorial staff. This paper was well written and much enjoyed by all who had the privilege of receiving a copy.

Mrs. Davis will call a meeting of the executive committee to appoint committees and to arrange the year's work.

At the close of the business meeting Mr. E. P. Orr, instructor of the Herndon High School work shop, invited the members to Room 10 to see the model airplanes and the pieces of furniture made by his class of boys, which were wonderful work and a credit to Mr. Orr and the boys.

Since writing of the banquet to be given the seniors by the Herndon Rotary Club, the banquet has been cancelled owing to the gas shortage.

The following girls and boys will graduate from Herndon High School on June 10:

Eloise Alcock, Margaret Anderson, June Baker, Pauline Compher, Margaret Cockerille, Doris Cockerille, Barbara Curtice, Lois Duncan, Harriet Davis, Asenath Gates, Doris Haines, Margaret Hundley, Mildred Jackson, Mary E. Johnston, Ruth Lambert, Sara Jane Laurence, Lou Ella McFarland, Anna McMullen, Rosemary Mossburg, Doris Niswander, Ruth Shuler, Nancy Shull, Agnes Thompson.

Also Willie Thomas, Katherine White, Aubrey Beach, Calvin Cos-

tello, James Cross, Richard Davis, George Hammon, Fred Hutchison, Edward Isner, David McDonald, Darlot Martin, Warren Mason, Edson Orr, Curtice Olson, Randolph Smith, Daniel Saunders, John T. Sterman.

## FLORIS

Mrs. Paul S. Keyes and her two sons, Landis and Allen of Thomasville, North Carolina, are guests of Mrs. Keyes' parents, Mr. and Mrs. Harry D. Presgraves. Mr. Keyes was also a guest for several days but has returned to his work as agricultural instructor in the Thomasville High School.

Among those from the Floris Methodist Church who attended the Alexandria District Conference in Manassas last week were Mrs. Harry Presgraves, Mrs. Stafford Keyes, Mrs. Frank E. Peck and Mrs. Laura Cockerille.

Miss Virginia Peck is attending a convention at Hot Springs, Virginia.

The Fairfax Pomona Grange met at the Floris School on Tuesday night for a potluck supper and business meeting. The Community and Welfare Committee, Mrs. Marvin Sanders, Mrs. H. H. Ankers and Mrs. Joe Beard, had charge of the supper arrangements.

Miss Gail Gibson Smith, daughter of Mr. and Mrs. Mason F. Smith, is visiting her grandparents, Mr. and Mrs. M. L. Herndon, in Hamilton.

Miss Edith Rogers, Mrs. Holcomb Rogers, Mrs. Jane Davis and Mrs. George Chamberlain attended a bridge party at the home of Mrs. William Meyer in Herndon on Monday.

Miss Doris Harrison, daughter of Mr. and Mrs. Irvin Harrison, won third place in the annual Virginia State Commercial Contest, sponsored by Martha Washington College, Fredericksburg.

Miss Harrison, who is taking first year typing at Herndon High School,

received a bronze medal. Forty schools participated in the contest with 418 entrants.

## LEGION THANKS PUBLIC

Herndon Post No. 91, American Legion, conducted a poppy sale on May 29, which was a decided success. Harry Breckenridge, Commander of the local Post, wishes to thank the public for its response and generous contributions, and the ladies who made this drive a success. Those assisting were Mrs. Frank Humme, Mrs. Harry Breckenridge, Mrs. William Meyer and Misses Joan Shull, Jean Robb, Audrey Hutchison, Mary Aud and Marion Radley of the Girls Friendly Society.

The proceeds from the sale of these poppies will be used for Legion rehabilitation work.

## REV. MARVIN W. MANN TO DELIVER THE GRADUATION SERMON AT HERNDON H. S.

The Rev. Marvin W. Mann, pastor of Herndon Methodist Church, will deliver the sermon to the Herndon High School graduates on Sunday, June 6, at 8 p. m. in the school auditorium.

Commencement exercises will be held on Thursday, June 10, at 8:15 p. m. Speakers are Agnes Thompson, whose subject is "Freedom of Speech"; Bartlet Martin, "Freedom of Religion"; June Baker, "Freedom from Want"; and Harriet Davis, "Freedom from Fear".

Diplomas will be awarded by the division superintendent of Fairfax County Schools, W. T. Woodson of Fairfax.

Faculty committees are: Program, Miss Frances Wisman, Mrs. Harry Middleton, Mrs. Granville White, Craighill Burks.

Ushers, E. J. Heglar, E. P. Orr, Harold Loury and Craighill Burks. Decorations, Miss Cleada Miller,

Miss Jean Becks, Miss Luray Lewis, Mrs. Seck, Harold Loury, Craighill Burks.

Advisory Committee on Dress, Miss Cleada Miller, Mrs. William Tippett and Mrs. Granville S. White.

## DRANESVILLE

Children's Day services will be held in the Dranesville Methodist Church on Sunday, June 6, at 8 p. m. There will be recitations, plays and music. Mrs. Mark Money and Mrs. Fannie Connor are in charge of the program.

The Woman's Society of Christian Service of the Dranesville Methodist Church will meet on Tuesday, June 8, at 2 p. m. with Mrs. Clarence Wortman.

The Dranesville Home Demonstration Club will not have a meeting in June, but will hold an all-day meeting in July at the home of Mrs. William Roberts, when Miss Lucy Blake will give demonstrations in canning, etc.

Mrs. Fannie Connor, Mrs. E. F. Kammermier, Mrs. A. C. Speight, Mrs. Ella Hicks, and Mrs. Arnold represented the Dranesville and Armon Methodist Churches at the Alexandria District Conference in Manassas recently.

## OUR CHILDREN'S MORALE

As our war effort moves forward we are faced with an ever-increasing problem of educating and safeguarding our children.

In addition to our over-crowded school conditions, we are now faced with an acute teacher shortage, and with difficulty of obtaining supplies and equipment.

We find more homes where both parents are working and children have much time without adequate supervision.

In some instances there have been necessary curtailment of wholesome social activities, both in community and family units.

Many times our children hear conversations by older people expressing personal dissatisfaction, unkind, and often unjust criticism of government or officials, fear, hatred or other elements which can go far toward breaking down a child's confidence and stability.

On the other hand, we have new activities, such as Victory Corps,

salvage drives and farm aid, in which children may participate and which under proper guidance and leadership may be of great value to them socially, in affording opportunity to develop resourcefulness and in helping them to realize their importance and usefulness to their community and nation.

Let us then study the needs of our community and be ever mindful of the children, that they through our united efforts may be given every opportunity to develop into a brave and honorable generation, ready to play their part in building a new and better world in which there may be a lasting peace.

(Written by Mrs. Tulloss Fleming, president of the Herndon Parent-Teachers Association in "P. T. A. News".)

*"I never thought the time would come..."*

I never thought the time would come when it would be appropriate for me to say:

"Please don't ride on a Southern Railway train this summer—unless you conscientiously believe that your trip is necessary."

But that time has come... an inescapable by-product of our Nation's fight for Victory!

You see, the Southern serves the South—and the South is serving the Nation as the location of many important war industries going at top speed and more than half of all the larger training camps and military establishments in the country.

This means simply that our passenger facilities this summer will undoubtedly be strained to the limit.

Many of our passenger cars and locomotives will be assigned to troop movements.

Our regular trains and our stations are bound

to be literally jammed with men and women in uniform, traveling under orders and on furlough, and civilians traveling in connection with war work.

We're going to do our level best to handle this heavy load, including those civilians who conscientiously believe that they must travel.

But, until our trains and stations are no longer over-crowded by essential travel, we hope that you will patriotically forego all unnecessary travel over our lines.

I never thought the time would come... but it's here... and I know that we can rely on your cooperation and understanding.

## PLANNING ISN'T NEW

THE way a lot of people are talking these days, you'd think planning is something new.

But anybody who's ever run a farm or a factory knows that if you don't plan, you can't get the most out of what you have to work with.

To plan properly, the farmer has to know about crops, soils, seasons, tools, and stock; and the man operating a factory has to know about machines, markets, science, and engineering.

Yet for all this specialized knowledge which each of these activities requires, the managers of both farm and factory have much in common in their planning. They have the same problems—to mention a few—of employment and taxes, of costs and a fair profit, of setting aside reserves for a "rainy day."

And they have the same objective in their planning—to do everything they can for their country today, and, tomorrow, to make a fair living through greater service to their fellow Americans, General Electric Company, Schenectady, N. Y.

# CANCER WORK IS ORGANIZED

Col Fred B. Ryan is Master of Ceremonies

At a recent meeting held in the Public Health Office in Manassas, Mrs. Fred Alexander, Educational Director for the Virginia Cancer Foundation, talked very interestingly and forcefully of the work of the Foundation and the need of a publicity and educational campaign in order to find cancer cases in the early stages when treatment is always more effective and when a cure can generally be effected.

It was decided to organize a chapter of the Foundation in Prince William County and Mrs. J. F. McInjeer, Quantico, was selected as County Captain. Each Magisterial District will have a Lieutenant to head the work in that District. Mrs. Lillian Norman, Haymarket, for Gainesville District; Mrs. John S. Powell, Occoquan, for Occoquan District; Mrs. Emma H. Bishop, Dumfries, for Dumfries District. The other Lieutenants have not yet accepted their appointments.

It is interesting to note that Virginia's claim to first place in the nation in cancer control work rests on two achievements. In the 1942 cancer control campaign the people of Virginia contributed more money than any other state in the union. This spring Virginia became the first State in the Union to become completely organized for cancer control work. Every County in the Commonwealth has its own chapter of the Virginia Cancer Foundation which is the organization in this state that cooperates with the American Society for the Control of Cancer.

Cancer caused the death of 2,352 Virginians last year, and a first effort of the cancer control campaign is to educate men and women, boys and girls, in regard to facts about cancer, how it can be detected in its early stages, and of the necessity for early diagnosis and treatment if a cure is to be effected.

A second part of the Foundation's effort is to raise funds to provide treatment for indigent cancer patients in the approved Tumor Clinics at the University of Virginia in Charlottesville, and the Medical College of Virginia in Richmond, and in Norfolk, Newport News, Petersburg, Roanoke and Clifton Forge.

## "How did I know you'd need bombs?"

**M**ORE than half the bombs this country makes exist by what you might call an 'accident.' "Some accident, too! I saw it happen."

"It was 1935. We research workers at Esso were trying many things with petroleum to see what else we could learn about it. And up came a process for synthetic toluol.

"Well, you need toluol to make TNT. But coal-tar was providing all the toluol the country needed—then.

"However...all the toluol you could get from coal-tar would make far less than half the TNT we're using now! The other half is made by that Esso process perfected back in 1935.

"Now...I didn't know then that you'd

need bombs, and neither did you. And I can hear a lot of people say 'Boy was that discovery a lucky thing!'...

"But I don't call it luck. I call it the American idea at work. We hit on that process because free American people expect so much that American companies have to learn everything they can about new and better methods just to stay out front in business.

"If this war didn't prove anything else, it would prove that nothing like America ever existed anywhere before.

What other idea ever did so many people do so much good in peacetime? What other idea ever turned out so much might so fast in time of war?"
