FOOD SALE

The Senior Group of Trinity Church Auxiliary will hold a food sale on Saturday, September 18. Time and place to be announced. Five pounds in weight.

To the Voters of Prince William:

As you know I carried the County of Prince William by a most gratifying majority in the Democratic race on August 3 for nomination for State Senate.

I deeply appreciate the loyalty and sincere friendship evidenced by this outstanding endorsement from the one County of the Senatorial District which I had already represented in the General Assembly.

Campaigns may soon be forgotten, but such friendships as these are of more enduring character, and you may be assured that I shall be ready at all times to do anything that I can for the good county which has been so loyal to me.

Gratefully yours,
GEORGE W. HERRING

(Direct from the Office of War Information to this Newspaper)

Ration Reminder

GASOLINE—In 17 states of Eastern shortage area A-6 coupons are now valid. In states outside the eastern shortage area A-7 coupons are valid through September 21. B and C coupons expire according to dates on individual books. All gasoline coupons in the possession of car owners must be endorsed with the owner's license number and state of registration.

FUEL OIL—Period 5 coupons

in old rations remain valid through September 30. Period 1 coupons in new rations are valid now. Occupants of oil heated homes are urged to return their applications for next year's fuel oil to their ration boards promptly and when issued new rations to place orders with their dealers for summer fill-ups.

SUGAR—Stamp No. 14 good for five pounds through October. Stamps Nos. 15 and 16 are good for 5 lbs. each for home canning purposes through October 31. Housewives may apply to their local ration boards for more if necessary.

SHOES—Stamp No. 18 (1 pair) is valid through October 31.

STOVES—Consumer purchases of rationed stoves must be made with a certificate obtained at local War Price and Rationing Boards.

MEAT, ETC.—Red Stamps T, U, V, and W valid through August 31; X valid through October 2. Y becomes valid August 29, Z becomes valid September 5, and both remain valid through October 2.

PROCESSED FOODS

Blue stamps R, S, and T remain valid through September 20. U, V, and W become valid September 1 and remain valid through October 20.

Urges Cut in Labor Day Travel

Stay off trains and inter-city buses over Labor Day week-end—this is the plea of Joseph B. Eastman, director of the Office of Defense Transportation. Mr. Eastman, in asking the public to spend Labor Day week-end at home, said that failure to follow this advice might result in travel congestion worse than that experienced over the Fourth of July week-end. Mr. Eastman pointed out that transportation equipment formerly available for holiday travel is now in troop service or used to handle the greatly expanded military and essential civilian traffic.

Jobs to Guide Father Draft

After October 1 when drafting of fathers begins, those in non-deferable activities or occupations, regardless of their order numbers, will be the first fathers called for military service. Those who transfer to essential occupations and thus release single men for military service help to decrease the need for drafting fathers. Generally speaking, after October 1, the occupation of an eligible registrant will determine whether he will be inducted or deferred if his number is called. However, the question of hardship to dependents must be given consideration in each case.

Mail Christmas Gifts Early

Christmas gifts to Naval and Marine personnel overseas should be sent between September 15 and November 1. This period has been designated by the Navy Department in cooperation with the Post Office Department. Parcels must not exceed five pounds in weight.

DEMOCRATIC RESOLUTIONS

On page 6 of this issue of the Journal we are printing in full the resolutions passed by the Democratic Committee of Prince William County expressing regret at the death of the late Lehman Ledman; endorsing the candidacy of Mr. O. D. Waters as candidate for Clerk; and urging all voters to cast their ballot for all of the Democratic nominees for office whether their names appeared on the ballot last August or not. All Democratic voters of the County are urged to read these resolutions.

MANEUVERS AT BATTLE PARK

Maneuvers were held on the Manassas Battlefield last Saturday and Sunday. The 11th Battalion of the Virginia Protective Force and the Virginia Reserve Militia went through strenuous drills on both of these days under command of Lt. Col. Everett Hellmuth, of Alexandria.

The counties of Prince William, Fairfax, Loudoun, Fauquier, Arlington, Frederick, Rappahannock, Alexandria City and the County of Warren were represented in the maneuvers which included participation by fourteen companies, four of which were of the Virginia Protective Force and ten of the Reserve Militia. More than a thousand men were on the field.

From Prince William were two companies, the 77th VRM of Manassas and the 177th VRM of Triangle.

O'NEIL-VARNER

The marriage of Mrs. Edna Varner, daughter of Mrs. C. H. Earhart of Manassas, to Pfc. Glenn G. O'Neill, also of Manassas, took place Saturday at noon at Rockville, Md., Rev. Pasman officiating.

The bride, who was attended by Mrs. Everett O'Neill, sister-in-law of the bridegroom, wore a French blue costume with matching accessories and a corsage of white gardenias. Mrs. Everett O'Neill was attired in navy blue with matching accessories. Her corsage was also of white gardenias.

After a ceremony a luncheon was served for the wedding party at the home of Mr. and Mrs. Everett O'Neill in Alexandria, Va.

Mr. and Mrs. O'Neill left Wednesday evening for Lincoln, Neb., where Mr. O'Neill is drill instructor at the Lincoln Air Base.

VISITING AT FORT KNOX

Mr. Irvin Cornwell, Mr. and Mrs. Ralph Cornwell, Miss Christine Cornwell and Mrs. Emory Cornwell spent the week end with Pvt. Emory Cornwell, who is stationed at Fort Knox, Kentucky.

STATE SALVAGE COMMITTEE HONORS MR. R. D. WHARTON

The late Roger Daniel Wharton, until his death last May, Editor of the Manassas Journal has been awarded a "Certificate of Recognition" for the time and effort put forth in the salvage drive.

In making the award for the War Production Board, which is dated July 22, 1943, Mr. C. H. Luebbert, Executive Secretary for Virginia, said, "The certificate is presented to you by the Virginia Salvage Committee and the War Production Board, and we wish at this time to thank you for the cooperation and help you have given to the salvaging of waste material for war production."

CHRISTMAS MAIL REGULATIONS

GIFTS FOR ARMY TO BEGIN ON SEPTEMBER 15

The Christmas shopping season is here—even though the weather is still warm.

Mailing of gifts for Army and Navy personnel overseas must begin by September 15, if many of the men and women in our armed services are not to be disappointed; and September 15 is less than a month away.

Christmas gifts may be mailed by parcel post to Army men and women overseas only between September 15 and October 15. After the latter date, such parcels may not be mailed unless a written request from the soldier for the article is presented with each parcel. No soldier should have to ask for a Christmas gift; so gifts must be mailed on time. The Navy also urges that gifts be mailed between September 15 and October 15.

Reasons for the early mailing dates are: The vast distances that the parcels must travel to reach our men at war fronts and stations the world over; frequent transfers of thousands of men from one location to another, which means forwarding of the mail and consumes additional time; the necessity for giving preference to reinforcements, arms, munitions, medicine and food in allotment of shipping space, which often means that the shipments of gifts must wait. And it is most urgent that gifts be delivered to the men in time for Christmas, to keep their spirit high.

The only way to insure against disappointment for the fighting men is to buy at once and mail early—

U. D. C. MEETING

The Manassas Chapter U. D. C. will meet on Wednesday, September 1, at 2:30 p. m. with Mrs. R. A. Hutchison. Mrs. E. H. Nash will be assisting hostess. Officers for the ensuing year will be elected, as well as delegates to the State and General U. D. C. Conventions. Please

TEMPLE SCHOOL OPENS

MONDAY, SEPTEMBER 6
Temple School will begin its 1943-44 session on Monday, September 6. The Nursery, Kindergarten and Piano Departments will be open as usual for day pupils, both boys and girls.

The boarding department this session will be for girls from 6 to 9 years. The change in this department was made on account of a shortage of help, and in no wise affects the day pupils, who are welcome to come.

An interesting group of youngsters is expected.

CHRISTIAN SERVICE MEETING

The Womens Society of Christian Service will meet at the Methodist Church at 3 o'clock on Thursday, September 2.

Chairman Newspaper Committee.
(Editorial Note: Requested by their government, through the national committee to serve on the Prince William County Pulpwood Committee are the gentlemen whose names appear in the nationally sponsored advertisement appearing on page 6.

THIRD WAR LOAN DRIVE BEGINS SEPTEMBER 9

County Chairman Ratcliffe Announces Local Committees

Huge State Goal Requires Prince William to Raise \$500,000.00

Prince William County's quota for the Third War Loan Drive has been fixed at half a million dollars—a huge sum. Can we make it? Frankly County Chairman Raymond G. Ratcliffe has told State Vice-Chairman C. Francis Cooke that there is a possibility that Prince William cannot raise so large a sum. We have over subscribed our quotas right along, but this is a staggering figure. "It is a big aim," Mr. Ratcliffe wrote the State Headquarters, "and a great cause; therefore we will do our best, but should we fail, it will be because the County is not financially able to make the grade."

The "War Savings Staff" did a fine job on the last loan. Now it is replaced in name by a more permanent organization known as "The War Finance Committee," which will have the job of raising the war loans of the future. In some localities the framework of the previous organization is retained, in others new personnel has been drafted for the work. Now the State is divided into six regions corresponding to the groups of the Virginia Bankers' Association. At the head is Dr. Francis P. Gaines, President of Washington and Lee University. Ours is Region III, with Mr. Giles H. Miller, Cashier of the Culpeper National Bank as Chairman.

Mr. Miller has called a meeting of the chairmen of Region 3 to be held at 8 p. m. on Wednesday evening, September 1, in the directors' room of the Loudoun National Bank, Leesburg.

In announcing his local committees County Chairman Ratcliffe calls attention to the fact that Virginia's quota for this drive is more than twice as large as the \$75,000,000.00 the Treasury sought from the Old Dominion in the April Drive, and is 27 per cent greater than the \$120,000,000.00 raised in that campaign.

State Vice-Chairman C. Francis Cooke, in a special communication to this newspaper, further, calls attention to the fact that banks will not be allowed to purchase securities offered during the Third War Loan Campaign. This quota, says Mr. Cooke, "must be raised through investments by individuals, partnerships, and corporations. This is a gigantic undertaking and we can hope to be successful only if our volunteer salesmen contact every patriotic Virginian who has at least \$18.75 in which to invest in the future of his country."

Mr. Ratcliffe announces the following War Finance Committee for Prince William County:

County Chairman: G. Raymond Ratcliffe, Cashier of The Peoples National Bank of Manassas.

District Committees:

Manassas: Harry P. Davis, Cashier, National Bank of Manassas, Brentsville: V. W. Zirkle, Cashier of the National Bank of Nokesville. Coles: Rev. J. Murray Taylor, Manassas Route 4.

THE BOSS

He's pretty young to be running things... but that's what he's doing these days!

Everybody's working for him. You are. We are.

For him, the officers and employees of the Southern Railway clear the tracks for troop trains speeding to secret destinations.

For him, we push fast freights through on record-breaking schedules.

For him, we keep locomotives and cars and track in tip-top shape.

Yes... our No. 1 job today is to help feed and clothe and arm and transport America's fighting forces.

And the forty-two thousand men and women of the Southern Railway System are proudly doing

this job. Doing it right, too... for we know what "The Boss" is doing for us.

In appreciation, we're giving him first call on all the equipment and services of the Southern.

In appreciation, we're putting everything we have—all our skill and determination and energy—into the job of keeping the wheels rolling under the heaviest, most important transportation load in all the long history of the Southern.

And that's the way it's going to be until "The Boss" comes marching home!

C & O TO REDEEM BONDS

The Board of Directors of the Chesapeake & Ohio Railway Company today authorized redemption, on September 20, next, of all the road's Refunding and Improvement Mortgage 0.85 per cent Bonds, Series G-3, due February 1, 1944, outstanding in the principal amount of \$1,380,000.

The bonds will be redeemed and paid off on September 20, at the office of J. P. Morgan & Co., Inc., 23 Wall Street, New York, N. Y., at their full principal amount, together with a premium of 0.20 per cent and accrued interest on that date. Bonds are to be presented for redemption with coupons payable February 1, 1944 attached.

The calling of the Series G-3 bonds for redemption is in line with the agreement made with the Interstate Commerce Commission to retire this year an amount of funded debt, maturing after December 31, 1943, equal to the \$5,200,000 of equipment trust certificates authorized by the Commission several months ago.

INDEPENDENT HILL

Mrs. Clifton Storke of Shiloh, Va., spent a week with her parents, Mr. and Mrs. T. W. Wine. She is now visiting her niece, Miss Ruby Kays of Alexandria.

Mr. E. L. Herring, who has been very ill for four weeks, has returned home from Fredericksburg hospital, where he has spent two weeks. He is somewhat better and we hope he will soon be able to be out and around again.

Mr. George Copen was injured badly last week, when his cow struck him in the side with her horns. We are glad to say he is better.

Mr. and Mrs. Sam Tuttle of Washington spent the week end at their summer home here.

Uncle Sam is taking another one of our boys. Mr. Gordon Keys will leave for Camp Lee, Va., on Thursday, August 26.

Mr. and Mrs. Earl Garnett and two children of Stafford, Va., spent Sunday with Mrs. Garnett's brother-in-law and sister, Mr. and Mrs. Carlin Posey.

Mr. Newton Berryman of Aden, Va., called on Mr. and Mrs. W. T. Wine Sunday.

We were sorry to hear of the death of Mr. Ed Keys on August 7. Ed was born and raised here. His funeral was held at Woodbine Church on Monday, August 9, Rev. Murray Taylor conducting the service.

Mr. and Mrs. George Copen had as their week end guests Mr. Charlie Copen of Arlington, Va., Mr. and Mrs. Ed Storke of Arlington, Va., Mr. Gordon Storke of Mt. Rainier, Md., Mr. Arthur Storke, Mr. Will Shepard of Washington, D. C., Mr. Worth Storke of Manassas. Mrs. Copen, who has been confined to her room for several months, was so happy to have all of her sons home at one time.

Sunday guests of Mr. and Mrs. John Oleyar were Mr. John Oleyar, Jr., Mrs. Mildred Stras, Mr. John Shakan, Mr. and Mrs. Austin Greenwood of Washington, D. C., Misses Irene and Mary Saures of Buffalo, N. Y., Mr. George Reynolds of Alexandria, Va.

Mrs. George Beavers of Savage, Md., spent one day last week with Mrs. John Oleyar.

Call For Catsup and Chili Sauce
Ten pounds of tomatoes will make 3 quarts of chili sauce or as much as 2 quarts of catsup—enough to satisfy even the chronic catsup-addict and save him 40 to 120 blue ration points. Although these tomato relishes count little in vitamin C compared to canned tomatoes and juice, they are valuable in giving a lift to meals by their color and flavor. American boys in uniform like catsup so well that the Government is buying 4,293,000 cases of commercial catsup from this year's pack for use of the armed forces. Catsup and chili sauce made at home this summer while fresh tomatoes are still in season save ration points for other food.

To make rich red, fine flavored catsup at home, the kettle, the cooking method, the tomatoes and spices all count. The secret of cooking catsup is to boil down rapidly until it begins to thicken, then finish by slow cooking and frequent stirring. This prevents scorching which spoils the looks and taste of catsup. A wide shallow kettle with no cover allows catsup to boil down rapidly. Use aluminum or enamelware, never iron which turns catsup dark and gives a metal taste. Use sound, fully ripe, deep red tomatoes. Because powdered spices turn catsup dark and strong on standing, use whole spice tied in cheese cloth and remove them before bottling. Paprika or red pepper is used powdered because it adds to the red color.

The U. S. Department of Agriculture offers the following point-saving recipe for 1 to 2 quarts of catsup (40 to 80 points): 10 pounds red ripe tomatoes; 3 onions; 2 sweet red peppers; 1 cup vinegar; ¼ cup sugar; 2 teaspoons paprika; 1 teaspoon ground mustard; 1 teaspoon celery seed; 1 tablespoon salt; 1 teaspoon whole allspice; 1 teaspoon whole cloves; 3 sticks cinnamon.

Wash vegetables, slice. Remove the seeds from the peppers. Cook vegetables about 30 minutes, then press through a fine sieve. Boil pulp rapidly about 30 minutes, or until somewhat thick. Add the vinegar, sugar, paprika, mustard, celery seed, and salt, and the other spices tied in a small piece of cheese cloth. Boil mixture until thick, stirring frequently. Fill hot sterilized bottles with the catsup. Use new cork stoppers. Dip corked bottle tops into melted paraffine to make an airtight seal. Store in a dark cool place.

For 3 quarts chili sauce (120 points): 10 pounds skinned, quartered ripe tomatoes (about 6 quarts); 6 large sweet red peppers; 6 large green peppers; 2 cups chopped onion; 3 tablespoons salt; 1 cup sugar; 3 cups vinegar; 1 teaspoon ground cloves; 1 teaspoon ground allspice; 1 teaspoon ground cinnamon.

Cut peppers in half. Discard seeds and white sections. Chop. Combine vegetables, salt and sugar. Simmer until mixture begins to thicken, then add vinegar and spices. Cook to a thick sauce. Pour boiling hot into hot sterilized jars. Seal immediately. Store in a cool, dark place.

Vitamin Savers
The early greens get the food value, according to the Mississippi State Experiment Station. Recent tests there showed that turnip greens harvested early in the season are richer in iron and usually also in vitamins A and C than those harvested late. After frost greens lose considerable vitamin C.

If you must peel potatoes ahead of time and keep them soaking before cooking put them in salt water rather than fresh water and save vitamin C, advises the Montana State Experiment Station. Though potatoes lose some crispness in salt water, they hold more vitamin C and are excellent both in flavor and texture after cooking.

Eat your cantaloupes when they are just ripe for flavor and food value, says the Arizona State Experiment Station. Research there showed that cantaloupes in the prime of ripeness were considerably richer in vitamin C than underripe or overripe melons.

Buying fresh lima beans and peas, ready-shelled at the market may be a saving of time but a serious loss of vitamin C, the New York State Experiment Station reports. Lima beans lose their vitamin very rapidly after shelling, especially in the warm air of the market. Even in moisture-proof packages shelled beans lose twice as much as those in the pod.

Yellow corn preserved by home drying or salting proved richer in vitamin A than the same corn preserved by home canning in tests at the Montana State Experiment Station. The canned corn lost about half its original vitamin A.

Dessert diary—
summer 1943

When hot-weather appetites make light dinners appropriate, reinforce the menu with a hearty dessert—one that will tempt the family into getting its full share of nourishing food. Good desserts can carry plenty of food values, you know, including vitamins, minerals, and energy-producing essentials. Our Diary of Desserts offers foods that are grand finales to lightweight menus.

OLD-FASHIONED PEACH COBBLER—Prepare biscuit dough as usual. Roll it out to a thickness of ¼ inch. Cut strip to fit around the sides of a pan about 2 inches deep. Arrange fresh, sliced peaches, sugared to taste, in pan. Dot with butter. Add ¼ cup water to create steam. Cover peaches with remaining dough; press edges together and seal; cut large slits in top to allow steam to escape. Bake in hot oven (450° F.) for 15 minutes, then turn down heat and bake in moderate oven (350° F.) for 15 minutes longer.

FRUITED FLOATING ISLAND—Place fresh berries or sliced fruits in tall sherbet dishes, cover with icy cold, soft, boiled custard. Top with meringue made by beating egg whites until stiff, then adding powdered sugar and blending. Put a fleck of jelly or jam on top of the meringue and chill.

FRUIT BUTTY—Combine 1½ cups moist bread crumbs with ¼ cup sugar and 1½ tsp. cinnamon. Place alternate layers of fresh fruit and bread crumbs in casserole, beginning with fruit and ending with bread crumbs. Dot with butter or other shortening, add ¼ cup of fruit juice or water, cover casserole and bake in moderate oven (375° F.) for 45 minutes. Serve with light cream or thin custard sauce.

HAYMARKET

This community was saddened by the death of Miss Nora Carter White on Wednesday, August 17. She was buried in St. Paul's cemetery. Miss White was well known, having lived all her life near Haymarket. She leaves one sister, Fannie, and three brothers, Emmet of Geary, Ind., Winston of New York and Marion of Haymarket.

Rev. William E. Corder and son William Lee attended the Potomac Baptist Association at Westover in Arlington August 12 and 13. Haymarket was so well represented that

the members returned with the attendance B. T. U. banner.

Rev. J. Murray Taylor was elected Moderator of the association for the coming year.

We are glad to report that Mrs. M. S. Melton, who has been ill in Emergency Hospital, has recovered and has returned home.

Mrs. Douglas Low is still very ill in Physicians' Hospital, Warrenton.

"God put a bit of beauty in this and a bit of pleasure in that, a bit of love in one thing and a bit of joy in another, but the full measure of each, which makes the greatest contentment man knows, He put only into home."

Mrs. D. W. Baker had a few

friends in for tea Friday afternoon. Many were the expressions of admiration over the sandwiches, which were works of art, so cleverly were they shaped and formed. Even more so the remarks on the beauty of the lace table cloth made by the mother-in-law of the hostess, who is 93 years young.

PROMOTED TO SENIOR
VICE-PRESIDENT OF C & O

Ross S. Marshall, Vice President of the Chesapeake & Ohio, Nickel Plate and Pere Marquette railroads, was today promoted to the office of Senior Vice President of the Chesapeake & Ohio Railway Company, with offices at Cleveland. He was also advanced to the office of Senior Vice President of the Nickel Plate and Pere Marquette Railway.

With a career of forty-five years in railroading, embracing service on seven American railroads and with the United States Railway Administration during the first World War, Mr. Marshall is one of the most widely known executives in the railroad field.

Born at Rock Island, Ill., March 15, 1880, Mr. Marshall attended grade and high schools at Anaconda, Mont. and entered railroading as a clerk in the office of Superintendent on the Great Northern, at Great Falls, Mont., in 1898.

During the period 1902 to 1922, he served in various statistical and executive capacities with the Chicago, Rock Island & Pacific Railroad, the Panama Railroad, the New York, New Haven & Hartford Railroad, the Minneapolis & St. Louis Railroad and The Seaboard Air Line. He joined the Chesapeake & Ohio in 1922 as Assistant to the

President, filling that position until his election as Vice President of the road in 1928.

Besides his vice presidencies on the Chesapeake & Ohio, Nickel Plate and Pere Marquette, Mr. Marshall is an officer or director of nineteen railroad or affiliated companies.

Mr. Marshall is a resident of Shaker Heights, Ohio. His wife is the former Grace Mona Gentle, of Creston, Iowa. They have two sons and a daughter, John Smiley, William Bierd, and Ada Gentle Marshall.

U. S. BLOOD GOES TO WAR

Volunteers Needed Sept. 16

The expansion of the Red Cross Blood Donor Service since the attack on Pearl Harbor has been one of the most dramatic and significant events of the war. Thousands of lives have been saved by plasma processed from blood of volunteer donors. Millions of pints of American blood have been contributed to the American Red Cross, but they are not enough. The Army and Navy want four million pints this year. With the expansion of military and naval operations in Europe and the Far East, their requests may be even higher. They must have this blood on more than forty fronts, so that it can be used to save the lives of our fighting men at any time.

On September 16 the mobile unit of the American Red Cross Blood Donor Service will visit Prince William County. It will be at the Parish Hall, Manassas, (next door to the Post Office) from 9:30 a. m. to 2 p. m. The local chapter is endeavoring to enroll 150 volunteers for this date.

Painless and resulting in no harmful after-effect, contributing blood to the Red Cross is one way you and I can fight side by side with our boys overseas. We can save the lives of our sons and brothers and sweethearts by sending our blood to war.

Do not wait to be asked. VOLUNTEER by phoning one of the following persons for an appointment: Mrs. J. A. Delaney, chairman of Blood Donor Service; Mrs. E. H. Marsteller, Mrs. W. L. Lloyd; Nokesville, Mrs. N. N. Free; Greenwich, Mr. J. W. Ellis, Mrs. M. B. Leach; Dumfries, Rev. A. H. Shumate; Haymarket, Miss Loretto McGill, Mrs. Anita Piercy; Occoquan, Mrs. John Powell.

STAR SPANGLED SERVICE

THE work of banks has acquired more and more of a patriotic hue. Starting a couple of years back with the first "defense" loans there came a rapid procession of big war jobs for banks to do. The war work of banks already represents, in the words of President Roosevelt, "a record of accomplishment of which you all may be justly proud." But our bank, like so many others, considers our job only started. We know there will be new and heavier demands on us from our country, and we are ready to serve.

TOWN AND FARM IN WAR TIME

(Continued from page 1)

Car owners who still hold the old type "B" and "C" gasoline ration coupon books should exchange them for the new mileage ration sheets of coupons between August 23 and September 1, OPA announced recently. Old type "B" and "C" coupons become invalid September 1, and gasoline dealers cannot accept them on and after that date. The old type coupons are identified with the words "Permits delivery of one unit of gasoline." The new type says "Mileage Ration," plus a large "B" or "C."

Wheat Goals For 1944

State wheat acreage goals for 1944, representing an apportionment of the national goal of 68 million acres—26 per cent above this year's seedings—were announced recently by the War Food Administration. County goals will be established on the basis of these State figures and will constitute the wheat goals farmers will be urged to meet in 1944. In broad terms, the WFA advises farmers to plant as much wheat as possible without departing from sound farming practices and after reserving sufficient land for expanding other urgently needed crops.

They will be used the same way as stamps, but will be good at any time. Ration coupons may be issued by local boards and OPA offices.

More Nurses Needed

Many American hospitals cannot maintain normal standards of service today because of the lack of nurses, according to reports made to the U. S. Public Health Service of the Federal Security Agency. A year from now America will need 359,000 nurses—or 100,000 more than are now available. Of this number 66,000 will be needed for military service and 293,000 for civilians. Because of limited facilities, the maximum that can be trained within the period is 65,000.

Seed For Potatoes

To help potato growers get reliable seed for 1944 plantings, a new seed classification—War Approved Seed—has been created, the War Food Administration said recently. War Approved Seed will identify that part of the 1943 late crop that is valuable for seed but that has a higher tolerance of defects than Certified Seed. Price ceilings, to be announced later by OPA, will be placed on both types.

Magician Runs Toy Shop To Train Army Bombardiers

A magician is running a toy shop of death here, turning out weird-looking contraptions to hasten defeat of the Axis.

His most important and impressive product is an apparatus about 15 feet long and four feet high, of plastic, metal and bright-colored wood, which looks like a cartoonist's idea of a perpetual motion machine.

No, this doesn't mean Uncle Sam has taken to Voodooism. It's a sane, sensible, scientific solution to technical problems encountered in the training of the most dangerous men in the world, army air forces bombardiers.

The "perpetual motion machine" is a giant model of the Norden bombsight. With this model, aviation cadets at this world's largest bombardier school can learn the intricacies of the sight far more rapidly and thoroughly than with a real sight, with its thousands of tiny parts.

Lieut. Joseph J. Chopp, a former professional magician, built the model and supervises a workshop in which this and similar devices are being produced for army air forces schools throughout the country.

Botulism Is Rated No. 1

No. 1 hazard in home canning is botulism, fatal food poisoning caused by bacterial action, according to Dr. W. V. Cruess, professor of fruit technology.

At a recent state-wide conference on home food preservation he cautioned the people of the western states, especially newcomers, that extreme care must be exercised in canning meats and nonacid vegetables at home.

The bacillus, Clostridium botulinum, occurs in the soil and dust in all parts of the United States. The bacillus, when present on meat or nonacid vegetables, can withstand ordinary boiling but is killed in a short time by the higher temperature of the pressure canner, he stated. It is destroyed more readily in an acid environment, therefore fruits and tomatoes may be safely processed in the boiling water bath.

People may eat the bacteria on fresh vegetables without harm but its toxin is the most potent bacterial poison known. This toxin is produced when the bacillus grows without air in the environment of a can of inadequately processed meat or nonacid vegetables.

Thirteen billion dollars—the sum the Treasury must raise in the Second War Loan drive, is only one sixth of the estimated cost of the war for the fiscal year of 1943.

AT A REGULAR MEETING OF THE BOARD OF SUPERVISORS OF PRINCE WILLIAM COUNTY, HELD AT THE COURTHOUSE THEREOF IN MANASSAS, VIRGINIA, ON THURSDAY, THE FIFTH DAY OF AUGUST, NINETEEN HUNDRED AND FORTY-THREE, THERE WERE PRESENT: MESSRS. J. MURRAY TAYLOR, CHAIRMAN, V. S. ABEL, C. B. FITZWATER, W. M. JOHNSON, C. B. ROLAND AND G. C. RUSSELL.

Re: Revision of Beer Ordinance

Whereas by ordinance of the Board of Supervisors, passed Nov. 5, 1942, and effective Dec. 1, 1942, it became unlawful to sell beer and wine or beer or wine anywhere in Prince William County, Virginia, exclusive of incorporated municipalities located in Prince William County, Virginia, between the hours of 12:00 o'clock midnight of each Saturday and 6 A. M. of the following Monday; and whereas a petition has been presented to this Board to revise this ordinance to allow the lawful sale of beer and wine between the hours of 12 o'clock noon and 10 P. M. of Sunday: Be it resolved that this Board will hold a public hearing on the revision of this ordinance at the Court House at Manassas, Virginia on Thursday, Sept. 9 at 2 P. M. And be it resolved that this resolution shall be published for two successive weeks in the Manassas Journal.

Unanimous Vote.

RESOLUTIONS BY THE

DEMOCRATIC COMMITTEE

The Democratic County Committee of Prince William County met at the Court House on the 19th of this month and re-organized by the election of the same officers, with the exception of Treasurer, to which office B. W. Brunt, of Occoquan, was elected.

A resolution was duly adopted expressing the regret of the Committee at the loss to the county in the death of the late Leamon Ledman and directing that a copy thereof be sent his family and also given to the Manassas Journal.

Likewise a resolution was duly introduced and passed emphasizing the duty of all persons voting in the August primary to go to the polls and vote for all of the Democratic nominees, whether the names of the nominees appeared on the August ballot or not; whether the nominees were such under the law because there was no opposition, or whether said nominees were elected in the Primary. The duty, under the law, being the same as each and every nominee. The Committee is especially anxious for every person, so voting in the August Primary, to vote in the November election, and for all of the nominees, as upon the vote in the general election is based Prince William's quota in the next state convention.

The Committee unanimously endorsed the appointment of O. D. Waters as County Clerk and Mrs. Leda S. Thomas as Deputy Clerk, to the unexpired term of the late Leamon Ledman, and likewise unanimously endorsed O. D. Waters as candidate for this office to be elected in the November election. Mrs. Leda S. Thomas to continue as such Deputy Clerk upon his election.

Whereas our late County Clerk, Leamon Ledman, departed this life on the 9th day of August, 1943; and

Whereas the said Ledman was a true and faithful Democrat, practicing and advocating all of his life the principles of Democracy; and

Whereas the Democratic party, and the County of Prince William, by his sad death, has lost a faithful, efficient and loyal member and citizen.

Therefore, be it resolved, that this Committee does appreciate the loss to its party and to this County, and hereby expresses its sincere sympathy to his family and relatives.

Be it further resolved that a copy of this resolution be sent to the widow of the said decedent by the Secretary of this Committee, and that a copy hereof be delivered by him to the Manassas Journal.

CHRISTMAS MAIL REGULATIONS

(Continued from page 1)

mail your gifts as soon as possible after the September 15 starting date.

Those who have relatives or friends in the service should remember that we have fighting men in Alaska, Greenland, Iceland, England, Sicily, far-separated regions of Africa, the Near Eastern countries, Australia, many of the South Pacific Islands, India, China, South America, and other areas.

Weeks are required for a ship to reach many of these stations. There can be no assurance, of course, that the first ship sailing for any of these locations will have space available to carry Christmas parcels. Gifts may have to wait until vitally needed supplies and equipment have been shipped, to assure victory and to save the lives of our men. If the parcels are not mailed early, that delay may prove to be just enough to prevent their arrival by Christmas day, with consequent disappointment to the men who are offering their lives for their country and ours.

Mail of all kinds is vital to the spirit of fighting men. Every officer who has inspected our Army and Navy postal facilities overseas has reported that thousands of fighting men disregard mess call when it conflicts with mail call, and get their letters first. Officers at our large military and naval stations report that the spirit and efficiency of their men receive a distinct lift when mail is distributed, and that a delay in mail service caused a decided decline in spirit with a consequent letdown in efficiency.

A disconsolate soldier or sailor who thinks he has been forgotten at Christmas obviously is not at his best. So the gifts MUST be mailed on time so that they can arrive on time.

Rules for Christmas mailings to the fighting forces overseas were made public in June for the guidance of early shoppers. They include:

The parcel must not exceed five pounds, and must not be more than 15 inches in length or 36 inches in length and girth combined. It should be marked "Christmas parcel" so that it may be given special

attention to assure its arrival before December 25.

Not more than one parcel may be mailed in any one week to the same member of the armed forces by or in behalf of the same mailer.

The parcel must be well and strongly packed, in a container of metal, wood, strong fiber board, or similar material, then wrapped in strong paper and tied with twine. The cover should be such that it can be opened readily for censorship. The contents should be packed tightly.

Perishable goods, such as fruits that may spoil, are prohibited.

Intoxicants, inflammable materials such as matches or lighter fluids, poisons, and anything that may damage other mail also are prohibited. Gifts enclosed in glass should be substantially packed to avoid breakage. Sharp instruments, such as razors and knives, must have their edges and points protected so that they cannot cut through the coverings and injure postal personnel or damage other packages.

Since the armed forces are being plentifully supplied with food and clothing, the Army and Navy recommend against these as gifts.

Addresses must be written clearly and completely. In addition to the return address of the sender, a parcel for an Army man should show the name, rank, Army serial number, branch of service, organization, Army post office number, and name of post office through which the parcel is routed. A typical address for an Army man:

Private John R. Doe (Army serial number)
Company F, 167th Infantry
APO 810, c/o Postmaster
New York, N. Y.

The address on a parcel for a Navy man should include the name and rank or rating of the addressee, the Naval unit to which he is assigned and the Navy number assigned thereto, or the name of his ship, and the fleet post office through which the parcel is routed. A typical Navy address:

John M. Jones, Seaman first class,
U. S. Navy
Navy Air Station
Navy 199 (one nine nine)
c/o Fleet Post Office
San Francisco, Calif.
Lieut. Roger W. Doe, U. S. Navy
U. S. S. Minnesota
c/o Fleet Post Office
San Francisco, Calif.

★ FROM YOUR PULPWOOD COMMITTEE

THIS Committee is starting a drive to cut more pulpwood trees. The shortage is serious... and pulpwood is urgently needed for everything from blood plasma containers to parachutes... from shell cases to airplane parts... from gas mask filters to explosives.

Our Government is asking every able-bodied woodcutter and farmer to pledge 3 extra work days this year (at regular pay) to cut pulpwood... 2,500,000 extra cords are needed quickly.

This is a challenge to everyone of us in this community. We must not let our boys down. 3 EXTRA days' work are little to ask when our boys are out there giving their lives for their country.

Enlist today in this drive. Wear the button that shows you are in this fight. This is one way this community can help win this war.

Come to Committee headquarters or get in touch with any of these men. And do it quickly.

This pulpwood shortage is a national war emergency.
