

## NUMBER OF MEN NOW IN SERVICE

### VIRGINIA'S CONTRIBUTION TO THE ARMED FORCES

On August 1, 1943, Virginia had furnished 154,300 of her sons to the armed forces and this figure does not include the women of the State now serving in various branches of the armed services.

Special permission to release the figures was given Col. Mills F. Neal, State Director of Selective Service, in order to emphasize the part that the State has played in building up these forces and the responsibility each locality and citizen of the State has to "Back the Attack" by the purchase of war bonds, so that Virginia's part in the Third War Loan Campaign may go over with flying colors.

The Capitol City of Richmond has sent 16,001 men into the armed forces, 11,823 being white and 4,178 colored. Norfolk sent the next largest number of men, 10,610 while the next two largest cities, Roanoke and Lynchburg, sent 4,961 and 3,028 respectively. Among the counties Arlington has furnished the largest number, 4,996; Pittsylvania, 3,152; Augusta, 2,498; Roanoke County, 2,917; Tazewell, 2,750; Wise, 2,991; Fairfax, 2,344, with even the smallest counties splendidly represented.

A list of the number of men in the armed forces from nearby counties is as follows:

County	White	Negro
Arlington	4597	399
Culpeper	508	179
Fairfax	2055	289
Fauquier	766	185
Loudoun	751	193
Louisa	401	208
Madison	328	81
Orange	568	117
Prince William	635	176
Stafford	523	84

The Virginia War Fund will ask the people of the Eighth Congressional District to give \$190,767.60 for aid to the war effort through USO and other War Front causes, for humanitarian work among the destitute civilians of our Allies and the peoples of occupied countries. This announcement has just been authorized by Governor Colgate W. Darden, Jr., (right) Honorary President of the Virginia War Fund, who is shown above discussing the matter with Thomas L. Farrar, of Charlottesville, Vice-President of the Fund for the Eighth Congressional District, and John Stewart Bryan, of Richmond, the Virginia representative on the National War Fund directorate.

### SOUTHERN STATES COOPERATIVE MAILED CHECKS

Members of Southern States Manassas Cooperative and Southern States Nokesville Cooperative are receiving checks representing their part of the \$1,141,000 which Southern States Cooperative is paying to its farmer members in Virginia, West Virginia, Maryland, and Delaware. Of the total being distributed, \$905,000 represents a 2.6 per cent patronage refund, and \$136,000, a 6 per cent dividend on outstanding capital stock.

Besides the payments being made by Southern States Cooperative, a dividend of 6 per cent on capital stock has been declared by the board of directors of each of the two local organizations. The total of Manassas' patronage refunds to its more than 500 members is nearly \$5,000, and Nokesville's refunds to its approximately 200 members is about \$1,900. J. C. Woodford manages Manassas Cooperative, and Ernest Goff manages the cooperative at Nokesville.

The board of directors for Southern States Manassas Cooperative is composed of W. M. Kline, president, and J. E. Barrett, W. M. Johnson, Elmer Hurst, A. H. Roseberry, and P. A. Lewis, Manassas, and L. B. Thomas, Wellington.

### RECEIVES INTERESTING RELIC

### C. OF C. ENCOURAGES SALE OF WAR BONDS

The Prince William County Chamber of Commerce at the weekly meeting at the hotel on Tuesday, in a further effort to encourage the sale of War Bonds during the final week of the Third War Loan Drive, presented several local speakers on the program. Mayor Harry Davis, R. Worth Peters, and Mrs. J. Vincent Davis, members of the County War Finance Committee gave short talks on the progress of the current campaign and the need for additional loans of money to aid the war effort. The reports on Tuesday placed the bond sales estimated at that time at \$200,000, or two-fifths of the total quota assigned the county. Complete returns from the various committees to date have not been made, but it is anticipated that the unreported sales will greatly exceed this amount, and it is hoped that purchasers during the last few days of the drive will push the \$500,000 goal over the top.

Forty members and guests of the Chamber were present at Tuesday's meeting.

#### "Mind Your Kitchen Arithmetic"

Using arithmetic to help with kitchen homework will help cheat the garbage pail, according to the home economists of the U. S. Department of Agriculture who have worked out pin-up tables showing the number of servings in a pound of food, be it pork, peas, or prunes. A timely glance at the following tables of vegetables, fruits, and meats will solve many kitchen sums and avoid the wastefulness of unplanned leftovers.

Knowing the "swell" of rice or dry beans keeps them from boiling over on the stove and saves food as well as time and energy needed to clean up. For an inexperienced cook, here is the arithmetic! Figure that one cup of dry rice will give 3 1/2 cups of cooked rice. Two cups of dry beans will yield 5 to 6 cups cooked.

In peacetime, a pound of butter could be cut into 36 or 40 pats, but smaller wartime pat size will give more. A pound loaf of bread is usually sliced into 18 pieces. Home economists figure two slices to a serving on the average.

At the last meeting of the American Legion plans were completed for the building and erection of an Honor Roll to Memorialize the men and women who have gone into the service of their country from Prince William County. Another committee was appointed at the same meeting consisting of W. M. Johnson, H. P. Tiller and J. M. Hanson whose responsibility will be to plan the services of dedication which will be held in connection with the Legion's annual Armistice Day ceremonies. Approximately 115 hogs have been consigned to the Victory Hog Sale to be held at the Manassas Livestock Market on Tuesday, October 5, Farmers, Future Farmers and 4-H Club members enrolling hogs or pigs in the sale will accept payment for the animals in War Bonds and Stamps.

The owners of the Livestock Market are generously waiving all commissions and have arranged for outside buyers to be present in order that a good market may be assured.

Prizes will be awarded by the Warrenton Production Credit Association to the best hogs entered by Future Farmers of America and 4-H Club members.

The following have responded to the appeal made last week and their names have been added to the Honor Roll made up of those enrolling animals for the Victory Sale.

D. Saylor Diehl, Nokesville  
C. C. Polen, Haymarket  
Sidney Flickenger, Nokesville  
T. B. Flickenger, Nokesville  
Paul M. Shull, Hoadly  
Mrs. Lelia C. Akers, Gainesville  
P. C. Wigglesworth, Woodbridge

Mr. W. G. White, local dairyman, responded to the appeal as follows: "I am sorry I haven't any hogs ready to go but will buy a War Bond on the day of the sale."

Cattle sheep and other livestock, as well as hogs may be entered in the Victory Sale by having the sales entry slips designated with a "V" when unloading the animals at the stockyards.

Because of the fact that the Victory entries will be sold immediately after the farm produce in the sales ring is disposed of, the livestock should be brought to the market not later than 2 P. M.

Arrangements are being made by a special committee headed by J. Carl Kincheloe, Manassas, to auction off several pigs and hogs to War Bond buyers the hogs to be donated to buyers of the greatest amount of bonds. Attention is called by Mr. Kincheloe to the fact that bonds issued at the sale will apply to the County and community quotas in the "Back the Attack" War Bond drive now in progress.

Farmers cooperating by entering hogs and other livestock are offered an opportunity to obtain full value of all livestock in the form of Bonds without the necessity of paying the usual commissions, the expense being borne by the stockyard management.

The Virginia War Fund, Inc., sponsored by Governor Colgate W. Darden, Jr., and headed by Homer L. Ferguson, of Newport News, today announced the signing of a contract with the National War Fund to raise \$1,835,000 in Virginia this fall. The sum to be raised by Virginia will represent Virginia's share in the budgets of the seventeen agencies united in the National War Fund. These include USO and other war front agencies, relief groups serving the civilian populations of our Allies and others designed to relieve distress of refugees from or populations in occupied countries. Through one appeal to be conducted largely this autumn, the Fund hopes to raise \$125,000,000.

In Virginia, Governor Darden, who serves as Honorary President of the Virginia War Fund, is actively assisting Mr. Ferguson, Fund President, in setting up a state-wide organization to raise Virginia's quota during October and November, but with a few communities not planning campaigns until early in 1944.

In the counties and cities and towns which have no Community Chests, the District Chairmen have named County Chairmen to serve.

First of the communities in Virginia to begin a campaign will be the Alexandria War and Community Fund, which starts September 27th. Scores of counties and a number of cities have set up their principal efforts for the week beginning October 17th and continuing throughout the month of October.

James W. Phillips, Assistant State Commissioner of Public Welfare, has been loaned to the Virginia War Fund to handle the State Headquarters this year. R. F.
