

## APPEAL MADE FOR SEAL PURCHASE

A MESSAGE TO THE RESIDENTS OF PRINCE WILLIAM COUNTY FROM THE LOCAL TUBERCULOSIS ASSOCIATION

With the opening of the 37th Annual Christmas Seal Sale on November 22 we prepare to give tuberculosis another wallop through the year ahead of us. Without doubt, you have heard much about this most important of man's disease enemies. There isn't much new about the fight that has been going on over the year, but it is worth noting that we are fighting a battle that can be won. Not an easy victory, but one that we can be proud of when won.

Only 40 years ago, when this fight started in earnest, about 200 people out of every 100,000 of population in the United States were dying from consumption, and we hardly knew what weapons were most effective. Today less than 43 out of every 100,000 are dying, and we know now that effective weapons are in our hands so that eventually tuberculosis will be wiped out. The tuberculin test, the X-ray help us find cases early enough to effect a cure in most cases, coupled with the fine sanatorium facilities throughout the nation that permit bed rest for a large proportion of patients who need hospitalization.

That's the picture that we have before us today. Not a bad picture of front-line action, but war costs money, as we all have reason to know.

### MR. ALPAUGH RECEIVES COPIES OF INTERESTING REPORT

Charles W. Alpaugh, representing this section on the Board of Directors of the Virginia State Chamber of Commerce, has received a limited number of copies of the report of the committee on Education of the Chamber, just off the press. The report calls for improved courses of study, personnel, policies and economic opportunity for teachers in the high schools of Virginia.

Copies received by the directors are the "review" edition, summarizing the hundreds of pages of tables, graphs, charts and similar material that went to make up the eighteen months intensive study of the committee and its research staff. The study included visiting 10 per cent of all the high schools in Virginia, and "sampling" of all of the students and last year's graduates, who filled out questionnaires to furnish the committee information. More than a thousand employers of labor also were "sampled," to find out what they wanted from employees obtained fresh from graduating classes of high schools, and in what they might be deficient.

Copies of the complete report will be made available to libraries, educators, foundations, and others who order them in advance through the local directors of the State Chamber. It will be some time before the complete edition will be available.

### MARY V. BEAVERS

On Friday, November 2, 1913, Mrs. Mary V. Beavers, widow of Harrison Beavers, who departed from us many years ago, died suddenly at her home near Manassas. She was 88 years of age and was a lifelong resident of this county.

She leaves behind five sons and one daughter: William Thomas and Andrew J. of Manassas; Woody L. of Indianhead, Md.; Archie of Alexandria, and Arthur C. of Richmond, Calif., and Mrs. Ada E. Cornwell of London.

She also leaves 41 grandchildren, 39 great-grandchildren, and one great-great-grandchild.

Funeral services were conducted at the home on Sunday, November 28, by Rev. Pittman, with burial in the family lot on the old home-place beside her husband.

### BUY CHRISTMAS SEALS

Americans are dying at the rate of one every 9 minutes. To help save these lives, you have only to buy Christmas Seals. The money from Christmas Seals, fights the cause of these deaths—tuberculosis. Buy your Christmas Seals today.

## NO OUTSIDE LIGHTED CHRISTMAS TREES, PLEASE

The Office of War Information in a special communication to this newspaper, asks us to publish the Board's request to the American people that they confine their Christmas lighting decorations to Christmas trees inside private homes.

The War Production Board asks that street decorations and interiors and exteriors of commercial establishments dispense with decorations this year so far as lighting is concerned.

Mr. J. A. Krug, Director of the Office of War Utilities, said that no mandatory order was contemplated because, "the American people realize the necessity of this conservation and will do it."

### MacDILL—MAUCK

A wedding ceremony in a setting of close friends and relatives took place Wednesday evening, November 10, 1913, at 8 o'clock at the Presbyterian Church when Miss Janie Rebecca Mauck, daughter of Mr. and Mrs. E. M. Mauck of Manassas, became the bride of Mr. Paul MacDill, son of Mr. and Mrs. Samuel T. MacDill of Lisborn, New York. The Reverend DeChant officiated at the ceremony, following a prelude of music with Mr. Cleveland Fisher at the organ.

The bride wore an aqua blue wool suit with gold and brown accessories and a shoulder corsage of pink carnations.

Miss Vivian Whetzel attended the bride as maid of honor and wore a gold wool suit with brown accessories and a shoulder corsage of white carnations. Robert Mauck, A. M. M. 3-c, brother of the bride, was the best man.

The bride attended Osborne High School and is well known in Manassas. The bridegroom is employed as a surveyor for the United States Department of Commerce and just recently returned from Alaska.

A reception was held after the ceremony at the home of the bride. Thereafter the bride and groom left for a short wedding trip and are temporarily living at Lisborn, New York, pending orders of transfer for Mr. MacDill from government headquarters.

The many friends of Mr. and Mrs. MacDill extend their best wishes for complete happiness throughout their wedded life.

### MANASSAS GARDEN CLUB

The Manassas Garden Club met at the home of Mrs. T. E. Dillake last Tuesday afternoon.

During the business session, presided over by the President, Mrs. V. V. Gillum, it was decided not to sponsor any Christmas decorations that used electric current, as we have been asked to conserve electric power.

The Club advocates the using of savings stamps in decorations in corsages, table decorations, and even window decorating.

There will not be any meeting in December.

Mrs. C. R. C. Johnson gave an interesting and instructive talk on "Berry Bearing Shrubs and Other Methods of Attracting our Friends, the Birds."

As the winter winds have already begun to blow the paper and trash around the streets, the Civic Section of the Womans Club has been busy answering queries about what can be done. One remedy is suggested, that we put loose paper trash in boxes or bags before placing them for collection. The Town Manager has promised to caution the truck drivers to be more careful when loading. Let's try it. Another case of cooperation bringing results.

### NOTICE

The Prince William County School Trustee Electoral Board will meet in special session at the School Board office Tuesday, December 14th at 4:30 P. M. for the purpose of filling the vacancy on the County School Board caused by the resignation of Mr. D. J. Arrington of Manassas District.

The election will be to fill the unexpired term of Mr. Arrington whose term of office expires June 30, 1914. By order of Audrey F. Kerr, Chairman.

R. C. HAYDON, Secretary

## TELEGRAM TO MR. CONNER FROM GOVERNOR DARDEN

E. R. Conner, Chairman, Prince William County War Fund, Manassas, Va.

A whole ideal as well as a state and national goal will be reached only if every man, woman and child in Prince William County understands the objectives; is given the opportunity to contribute; and responds generously to the national war fund.

Prince William County boys serving their country all over the world need the services of U. S. O. and some the service of War Prisoners Aid. The patriotic people of Prince William are also vitally concerned about the destitute people of the war-torn countries of the world, and will open their hearts to their desperate needs at this time.

Express to all your workers and to the people of Prince William County my firm belief in their ability to reach and exceed their local war fund goal.

All the war fund officials join me in awaiting eagerly your message that you are over the top.

COLGATE W. DARDEN,  
Honary President, Virginia War Fund.

### MORRISON—WALTERS

Mr. and Mrs. Joseph Richardson Walters of Macon, Georgia, announce the marriage of their daughter, Lois Sue, to John Bruce Morrison, Lieutenant, Infantry, United States Army, on Saturday, November 20, 1913, at 3:00 P. M. at the Post Chapel, Camp Phillips, Kansas. Chaplain Edwards of North Carolina officiating.

Ushers were Lieutenants Nichols and Mahoney. Matron of honor was Mrs. Thomas Cook, aunt of the bride, of Macon, Georgia, wife of Colonel Cook of Fort Benning, Georgia, who wore a blue wool dressmaker suit with black accessories and a corsage of golden dawn roses. Mr. John R. Morrison, of Herndon, Virginia, father of the groom, was best man, and in the absence of the bride's father, the bride entered on the arm of Colonel Herte, by whom she was given in marriage. She wore an imported English blue wool dressmaker suit fashioned by Kires, with black accessories, and a corsage of white roses and gardenias, and carried a handkerchief of Irish linen lace which was carried by her mother in her wedding. Her only ornament, a gift of the groom, was a lovely antique Chinese jade bracelet of happiness.

The bride and groom departed from the chapel under an arch of crossed rifles. After the ceremony, a small reception was held in the bridal suite of the Warren Hotel in Salina, Kansas. The groom's mother, Mrs. John R. Morrison, wore a black dress with sequins and a corsage of gardenias. The bride's mother, Mrs. Joseph R. Walters, of Macon, Georgia, was attired in a teal blue ensemble with a corsage of gardenias.

The bride's mother, the former Lois Pekor, of Columbia, Georgia, is a daughter of Mrs. Vac Lay Jule Pekor, and the late Mr. Pekor. On her paternal side, the bride is a granddaughter of the late John Wesley Walters and Ellen Littlejohn Walters of Cordele, Georgia, and sister of John Walters, Jr.

Mrs. Morrison was graduated from Miller High School, Macon, and Wesleyan College, Georgia, and later studied at Wesleyan Conservatory School of Fine Arts.

Lt. Morrison is the only son of Mr. and Mrs. John Morrison of Herndon, Virginia. His mother is the former Theresa Hood, daughter of the late Robert Hood and Louise Baker Hood of Hymulga, Alabama, and his paternal grandparents were Mrs. Sue R. Morrison of Gadsden, Alabama, and the late Robert Bruce Morrison. He is a graduate of Hargrave Military Academy, Chatham, Virginia, and the school of foreign service of Georgetown University, Washington, D. C. Lt. Morrison was an R.O.T.C. cadet at the academy and the university and is a member of the Delta Sigma Pi Fraternity. He graduated from Georgetown University last February, was sent to Fort Benning, Georgia, for basic training on May 21st, and commissioned a lieutenant in the Infantry. He is now stationed at Camp Phillips, Kansas.

## WAR FUND DRIVE NEEDS FINAL PUSH

CHAIRMAN CONNER REPORTS QUOTA ABOUT TWO-THIRDS COMPLETE

The sum of \$390.50 was realized at the second auction sale conducted at the Manassas Livestock Market on Tuesday in connection with the Prince William County War Fund Campaign. This amount in addition to the sum of \$285.65 raised at the auction held the preceding week in cooperation with the local Livestock Market, boosted the County drive by approximately \$676.15, according to Mr. Conner, General Chairman.

Donations of livestock solicited from residents of the County were auctioned to the highest bidders and the entire proceeds were turned over to the War Fund Committee.

Top prices were reported as follows: A Guernsey cow, purebred, contributed by Wilmer Kline sold for \$130. Mr. Kline also gave the equivalent of a thirty-day milk production from one cow which amounted to \$60. The sale of milk donated by several other sources made a total of \$133.

A purebred Poland China pig given by Mr. Paul Nelson added \$29., while a calf consigned by Mr. John Kline brought another \$7.50 and one contributed by Mr. O. R. Hersch went for \$11. A turkey donated by Mr. Wm. Wheeler sold for \$25, and two dozen eggs given by Mr. Everett Kline brought \$5. Two puppies contributed by Frank Cox sold for a total of \$10.

Returns from the various districts bring the total fund to date to nearly \$6000.

Ocoquan District, under the chairmanship of Mrs. Janet Murphy, is leading with \$1555., while Manassas under Rev. John DeChant has raised \$1400.; Quantico, Mrs. Nellie Purvis, chairman, has contributed \$1000; Nokesville, C. O. Bittle, chairman, reports \$850.; and Haymarket, Mrs. C. B. Roland, chairman, \$130.

Complete reports have not been estimated, but it is hoped that late gifts will put the \$9500 quota assigned to the County over the top. All citizens of the County are urged to lend a helping hand toward meeting the goal and upholding the County's record of never failing to do her part toward the War effort.

Eighteen agencies at home and abroad are benefitted by the National War Fund, of which our community War Fund is a part. Contributions, no matter how small, will count toward winning the war sooner, and with a minimum loss of life.

The financial aid we give will help lighten the burden of those who are bearing the cross in this war and it is little to ask of those who are living in safety and comfort here at home, while others are fighting our war abroad and sacrificing everything in order that we may win.

When the boys come marching home again, let every man, woman, and child in our County be able to say "I did my part to support our country and Allies in the fight for victory."

## SAFETY POSTERS ARE ISSUED BY AUTOMOBILE ASSOCIATION

Thousands of persons are injured and killed unnecessarily because they step out from between parked cars into the path of a fast moving vehicle. Mr. Washington I. Cleveland, Manager, D. C. Division, said today in announcing issuance to schools of Prince William County of the December AAA School Safety Poster.

A large number of these posters with accompanying traffic safety lesson units for teachers will be furnished elementary and junior high school teachers to aid them in emphasizing the dangers of stepping out from between parked cars.

"A car traveling twenty-seven miles per hour goes eight yards while a pedestrian takes one step," Mr. Cleveland said, in urging adults here to also observe the common sense rule of never crossing the street from between parked cars.

"Three out of five pedestrian deaths occur between intersections. Many of them because the driver cannot see the victim because of the bulk of a parked car."

"However, people will be careless and the wise motorist as he drives along where there is a row of parked cars should be constantly on the watch for children or adults between the cars. Many motorists look for a pair of feet under a parked car."

## AMERICAN HEROES

BY LEFF

On the far side of a knoll exposed to enemy bullets in the Submontains, one of Lieut. Rondell Lyons' comrades was wounded. Marine Private Lyons brought him in. Another man was hit. Lyons brought him, too, to safety. The injured men were thirsty. But all canteens were empty, and the Japs had the only water hole covered. Lyons went out in the face of continuous Jap fire and brought back water for his comrades. For this he wears the Silver Star. He risked his life for his fellows. The least we can do is buy more War Bonds for them.

CHRIST FOR ALL—ALL FOR CHRIST

**The Word of God**  
BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in after years.

Ye are the salt of the earth; but if the salt have lost his savor, wherewith shall it be salted?  
— Matthew 5:13

### STANDARD OIL INVESTS IN PRINCE WILLIAM GOOD WILL

We have just been advised by the advertising manager of the Standard Oil Company that they will continue to advertise in the Manassas Journal, despite the curtailments occasioned by the war, and incidentally, have the thanks of this great company for the manner in which we have handled their schedules.

We feel inclined to comment especially upon the fact that a great concern like Standard Oil is willing to advertise in a little weekly newspaper, when all of the products which it can possibly produce have an immediate market in the war effort and in essential industry.

The answer is found in the value of good will as a business investment. Big folks look further ahead than men of small caliber, and they see values that will mature in the post war period.

And we, too, should appreciate what folks like Standard Oil, the Southern Railway and the C. & O. Railway, are doing for local institutions when they favor the locality with generous newspaper advertising. The Churches, the Schools, the Fraternal Organizations and all local enterprises benefit because of the increased ability which this valued patronage gives the newspapers to serve their needs.

Almost daily we receive some expression of gratitude for what we have done to publicize some worthy local undertaking. Too often we accept that thanks as a personal tribute, when we ourselves should realize that the credit belongs to our advertisers. Don't thank us. Thank our advertisers and trade with them. They are the folks which make a newspaper really serviceable to its community.

### BRIEF LOCAL NEWS

James Hugh Payne, Jr., son of Lt. and Mrs. James H. Payne, was christened Sunday, October 21, in the Church of Our Lady of Nazareth by Msgr. James Gilseman in Roanoke, Va. Sponsors were John Barton Payne and Helen Louise Redfield of McLean, Va.

Pvt. Herman R. Bryant of Fort Knox, Ky., is spending his furlough with his parents, Mr. and Mrs. G. W. Bryant.

Tech. Sgt. Raymond H. Bryant of Camp Edwards, Mass., son of Mr. and Mrs. Goodridge Bryant of Manassas, was married on Saturday, October 30, at 4 o'clock to Miss Evelyn Moore, daughter of Mr. and Mrs. Hubert F. Moore, of Front Royal at the Presbyterian Church by Rev. Charles C. Cowser. The couple is now in Massachusetts, where Sgt. Bryant is stationed.

Mr. and Mrs. Homer Pullin and Miss Virginia Pullin of Maryland were guests Friday of Miss Audrey McCuin.

Mrs. Mayme Reid of Quantico was a pleasant caller at the Journal office on Monday.

Miss Vivian Whetzel of Manassas left Saturday, October 20, for Atlanta, Ga., where she was transferred by the American Red Cross Hospital Service, M.N.W.S., from Alexandria. She has taken up her duties there and likes it fine, but her Manassas friends hope to have her back with them in the near future. Good luck, Vivian, on your new job.

The Ladies Aid Society of the Manassas Baptist Church will meet December 7 at 7:30 p. m. at the home of Mrs. Len Weston.

Cpl. Robert L. Powers of Camp Adair, Ore., recently spent a furlough with Mrs. Powers here, and has now gone to Arizona, where he is to be stationed. Mrs. Powers is now at Clintwood, Va., visiting Mr. and Mrs. Gilbert Powers. Baby Carolyn accompanied her mother there.

Mrs. Gilbert Powers of Clintwood, Va., was the recent guest of Mr. and Mrs. Jasper L. Whetzel and her son and daughter-in-law, Cpl. and Mrs. Robert Powers.

NOTICE TO NAVIGATION  
INTERESTS

Navigation interests and others are advised that there will be test firing in the waters of OCCOQUAN BAY and POTOMAC RIVER from the vicinity of Sandy Point, Virginia, until further notice.

Firing will occur two or three times per week and will last for intermittent periods during all hours of the day and night. The direction of fire will be approximately 195 degrees (true) from Sandy Point, Virginia.

The danger zone covered by the firing activities will include a triangular area, the west side of which extends from Sandy Point, Virginia, to a point 100 yards east of Freestone Point, Virginia, and the east side from Sandy Point to a point 350 yards west of can buoy C-37A on Mattawoman Bar. During firing played by day and a red light by night from a flag pole on Sandy Point. The general area is shown on U. S. C. and G. S. Chart 560, and on the map on the reverse side of this sheet.

Generally no restrictions will be imposed on through traffic in the Potomac River or Occoquan Bay, but vessels are requested not to remain in the danger zone during the display of firing signals. Vessels traffic will be instructed on navigation procedure by patrol boats during special tests which might endanger navigation.

GALAXY OF STARS EXCEL IN  
TUNEFUL "CABIN IN THE SKY"

Boasting a galaxy of stars, M-G-M's film version of the famed Broadway musical, "Cabin in the Sky" comes to the screen of Pitts' Theatre, Manassas.

Once again scoring in the role she created on the New York stage, Ethel Waters, as the faithful and loving Petunia, struggles to save the soul of her well-meaning but weak-willed husband, Little Joe, played by Eddie (Rochester) Anderson. Kenneth Spencer, noted concert singer, portrays a "General" of the forces of good who battles for her against the forces of evil represented by Lucifer, Jr. Rex Ingram.

Lucifer tries to achieve Little Joe's downfall by throwing temptation in his path in the person of glamorous Lena Horne, newest Hollywood singing sensation. But Petunia's love and faith is stronger, and with the aid of the forces of good, Little Joe is saved.

You'll love Ethel Waters as she sings the hitting tunes, "Happiness Is Just a Thing Called Joe," "Cabin in the Sky" and "Taking a Chance on Love." Lena Horne thrills when she sings "Honey in the Honeycomb." Rochester and Miss Horne sing the mirthful "Consequences" in duet.

Others in the cast are Louis Armstrong of the hot trumpet, the comedy teams of Moke and Poke and Buck and Bubbles.

Vincente Minnelli's deft direction brings out its simple charm and Producer Arthur Freed has provided elaborate costumes and settings.

CRUELTY TO ANIMALS

Three Maltise and one black kitten were left near Mr. Miller's on Grant Avenue. They are pretty kittens and he would like homes for them. People who throw helpless animals about like this deserve the limit of the law.

The finest CHRISTMAS present you can give is one of Uncle Sam's WAR BONDS. Keep on BACKING THE ATTACK.

Wags!

No quadruped of the K9 contingent used by the Marines, the Army or the Coast Guard is purchased. They're strictly volunteers for the duration, loaned by their masters and mistresses. These dogs are taught to hear and smell and see enemies where humans cannot. They are invaluable at night.

Several K9 training stations are maintained by various branches of our fighting services. You may not have a dog to send to war but you can send your money. Buy War Bonds.

### PENDER

Mrs. F. M. Alder heard from her son, F. Broadus Alder last Friday. It said he was somewhere in North Africa.

The Pender neighborhood was very sorry to hear of Mr. Dove being robbed and left for dead. It is reported the thieves got \$400 and that Mr. Dove suffered a fractured skull. He is some better at this writing.

We are having some of the coldest weather of the season so far with the temperature down to 27. People are killing their hogs around Pender this week.

Quite a few were out at 7:30 services Sunday night. Next preaching will be Dec. 5 at 9:30 A. M.

Ray Berch is home on a ten day visit from college in South Carolina.

James Gheen called on the neighbors at Pender, which he knew as a boy. James has been in an Oklahoma camp since last March. He is looking fine and returned to camp last week-end.

Mr. Smith, who has been sick the past week is out again and is much improved.

Mrs. W. B. Cross spent the week

#### LAW IN REFERENCE TO PASSING SCHOOL BUSES WHEN LOADING AND UNLOADING

At the 1942 General Assembly the law relating to meeting or passing a school bus while was amended, and may be found in section 61 (b) 5 of the Motor Vehicle's Code as follows:

Any person who fails to stop at a school bus while taking on or discharging school children whether going in the same direction or the opposite direction and to remain stopped until all school children are clear of the highway is guilty of reckless driving.

**WON'T YOU HELP US ENFORCE HIS LAW FOR THE SAFETY OF YOUR CHILDREN?**

#### DO WHAT YOU CAN FOR GREEK WAR RELIEF

While we are helping the various war relief projects, this newspaper especially invites attention to the needs of Greek sufferers.

All civilized people know of the tragic fate of Greece and of the desperate plight of the heroic people of that unfortunate country.

Their countrymen here are only modestly asking for donations of clothing, and we urge our friends to help.

The local Greek War Relief Committee is making the following appeal:

"The Greek War Relief Association is asking for donations of clothing of all kinds, particularly coats, shoes, and underwear, for suffering Greek population.

"The storeroom at No. 515 C. St., in the rear of the Quantico Railroad Station will be open from 11 A. M. to 5 P. M. Please leave donations there, as the local Committee has no means of calling for your gifts. Ask Pete Pandazides or Harry Canlidides.

Julia says—  
Plan Your  
War-time  
Marketing

THESE DAYS, when some of our favorite foods aren't so easy to get, each of us must become a "Kitchen General" in fact as well as in theory. In wartime, we at home have to consider our available supplies and plan to use them to best advantage.

What's the first thing a general does before mapping his plan of military action? He looks the situation over, of course, and sees what the problems are—and then figures what to do about them.

Just about the biggest problem we Kitchen Generals have to face, these wartime days, is how to keep our families strong and well-fed by using the foods that are available. And here are some plans—for buying, keeping, and using foods—that will go a long way toward solving that problem:

1. Plan your meals for a week ahead, with alternate choices so you can use second-choice if first-choice isn't available.
2. Try new foods when the usual foods are scarce.
3. Buy fresh produce before spending ration stamps on canned foods.
4. Buy only enough perishable foods to last out the week.
5. Cover fresh meat loosely before placing in refrigerator (ground meat must be kept very cool, and cooked soon).
6. Store every item of food where it will keep best until used.
7. Let your family eat some fruits and vegetables raw; cook others without removing their skins, jackets or natural covering.
8. In cooking vegetables, use the minimum amount of water and don't overcook.
9. Use vegetable cooking water right with the vegetable, or in a soup, salad, or gravy.
10. Don't waste scraps: use bread crumbs in stuffing, meat bones and remnants for soup stock, excess vegetables in pie or hash.
