TO SPEAK ON PEACE PROBLEMS

WORLD ORGANIZATION IS TOPIC AT BRETHREN CHURCH

Mr. George Fulk, representative of the Commission to Study the Organization of Peace and author of "Winning The War On The Spiritual Front," is scheduled to speak at the Manassas Church of the Brethren on Sunday, January 23 at 11:15 a. m. and 7:30 p. m. Everyone interested in a lasting Peace to follow Victory is urged to attend.

Mr. Fulk is proprietor of the Morningside and L'Allegre Farms at his home in Bethany, Illinois, and after successfully practicing law for ten years, has since devoted his time to the peace movement.

"The only practical insurance of a lasting peace following the war," writes Mr. Fulk in his booklet, "is a world organization for peace and justice, which would have a world court, a world congress, and a substantial police force."

"The nations attempted to unite after the first World War. In their united efforts they were then merely in their infancy, and fell down several times in their attempts to walk. They are older now. They are better able to walk today. They are not going to fall down after this war. Their united efforts are proving effective in winning the war, and they are beginning to be effective in winning the peace."

Referring to The Atlantic Charter as a "Bill of Rights" for the whole world, Mr. Fulk writes that it sets forth the desires of not only the leaders of two great nations, but that it expresses the sentiment of all peace-loving peoples.

These sentiments, he further states, have been backed by action as shown by the Economic Conference on refugee problems, and the United Nations Conference on food and agriculture held at Hot Springs, Virginia, in which forty-two nations took part. He described such conferences as great steps toward the solution of the world's problems.

B. B. DERRICK TO ADDRESS PRODUCTION CREDIT ASS'N

B. B. Derrick, Secretary-Treasurer of the Maryland and Virginia Milk Producers' Association, will be the principal speaker at the tenth anniversary meeting of the Warrenton Production Credit Association January 25, Thos. D. Jones, Secretary-Treasurer of the association, announced this week.

The meeting will be held in the Warrenton High School.

Mr. Derrick is known as an outstanding leader of Farm Cooperatives, having successfully managed the Maryland-Virginia Association for the last ten years. His topic, Mr. Jones said, will be, "Cooperation—the Job Ahead."

Other speakers who will be featured on the anniversary program are W. C. Smith, of the Production Credit Corporation of Baltimore, and H. J. Wilson, of Fauquier County, who will make the director's report.

Financial reports will be made by Secretary Treasurer Thos. D. Jones covering both 1943 activities and the entire 10 years' service of the association. Two directors are to be elected. Special anniversary features are scheduled. A complimentary luncheon will be served all members and guests at 1:00 o'clock immediately following the business session.

The session is slated to open at 10:30 a. m.

LOOSE TALK COSTS LIVES!

MRS. MARY C. COPEN

At 6:30 o'clock on Friday, January 7 at her home at Independent Hill the spirit of Mrs. Mary V. Copen took its flight to dwell with the loved ones gone before and to await the coming of loved ones left behind.

A great sufferer, she bore her affliction with that patience and endurance born of true submission to the will of Divine Providence. For the past seven years her existence was a life of extreme discomfort and only her devotion to her faithful husband and children made her life worth living.

Mrs. Copen has for a number of years been a faithful and consistent member of the Belle Haven Baptist Church. The many relatives and admiring friends who followed the deceased to the silent city of the dead and the many floral tributes that transformed the mound of clay to a mound of beautiful flowers, was a mute testimonial of the high esteem in which the deceased was held.

She was born on May 11, 1860 at Dumfries, Virginia, the daughter of Edward Shepherd and Frances M. (Brawner) Shepherd. On October 24, 1882 she married Lawrence Melville Storke, to which union were born five sons, Edward Seymour, Clarence Melvin, Gordon Wilbur, Arthur Cummings, and Worth Hobson Storke.

Her husband preceded her to the grave on January 5, 1910. On December 20, 1916 she married George M. Copen, who survives her.

In addition to her husband and four sons, she leaves to mourn her loss one brother, William Edward Shepherd, of Washington; two half-brothers, Lloyd C. Brawner, of Alexandria, and James Elmer Brawner, of Rahway, New Jersey; three grandchildren, Mrs. Helen Storke Shaul, of Washington, and Melvin Gordon and Edward Worth Storke of the Armed Forces.

Funeral services were conducted at 4 o'clock on Sunday afternoon January 9 at Woodbine Baptist Church by the Rev. J. Murray Taylor, assisted by the Rev. Len Westor.

Interment was in the Woodbine Cemetery.

T. A. METZ

Mr. T. A. Metz, son of the late Thomas M. and Susie D. Metz died at his home on January 4, 1944.

Mr. Metz was sixty-nine years of age and had been a citizen of Prince William County since early youth, when his parents moved here from the District of Columbia.

He was a member of Manassas Lodge, Ancient, Free and Accepted Masons.

Funeral services were held at the Episcopal Church Thursday, January 6.

Mr. Metz is survived by his widow, Mrs. Nannie Metz; one son, Mason Metz and two daughters, Mrs. James Houser and Miss Louise Beverly Metz. Three brothers, Murray G. Metz, Chesapeake, Md.; Powell M. Metz, of Arlington, Va., and Howard Elmer Metz, of Washington, D. C.

Four surviving sisters are Mrs. N. T. McManaway, and Miss Grace E. Metz of Manassas, Mrs. Luther Lynn of Catharpin, and Mrs. J. T. Stephens of Front Royal, Va.

Mr. Metz was of a kindly and quiet disposition and leaves a wide circle of friends who appreciated his real worth and were deeply grieved at his passing.

REPRESENTATIVE OF WMC TO VISIT MANASSAS

It has just been disclosed by the U. S. Employment Service, Culpeper, Virginia that a representative from that office will visit Manassas at least once every month. It was also stated that these visits would be made on the second Wednesday in each month and that the representative will be located in the Town Hall.

The date of the next visit will be February 9, 1944, and he plans to arrive in Manassas about 2 p. m., and will remain for several hours.

Mr. V. A. Blakemore, Manager of the Culpeper Office states that the purpose of these visits will be to handle all problems in connection with the War Manpower Commission's Labor Stabilization Plan and to discuss labor matters with both employers and employees in this area.

PRINCE WILLIAM BOY DIES OF BATTLE WOUNDS

Ward has been received from the War Department by Mr. and Mrs. Willie Patterson that their son Roy Mitchell Patterson, Private First Class of the United States Army died January 4, 1944 from wounds received in battle at Bougainville, on the 3rd day of January.

Mitchell, was born March 30, 1918 at Bethel near Woodbridge, Virginia where he has made his home with his family his entire life. He has been overseas more than two years.

He leaves to mourn his loss besides his mother and father, four sisters, namely the Misses Ada, Marjorie and Elsie Patterson of Woodbridge and Mrs. Clarence Davis of Dumfries.

NEW PRESIDENT WIELDS GAVEL

PRESIDENT PARRISH'S FIRST MEETING

Paul W. Keve, Probation and Patrol officer of the tenth district of Virginia under the sponsorship of Vice-President Kincheloe, of the Manassas Kiwanis Club spoke informatively of that vital problem, Juvenile Delinquency. He tried to find the cause of it. In searching the IQ of delinquents it is found that there is a range in his experience from 57 to 140. He used two boys Jimmy, a hillbilly with an IQ of 60 and Johnny with one of 100 to illustrate his point. The former will likely come from training school a fair carpenter, marry and raise a large family; the latter from a normal family with a normal education, is likely to be unhappy, discontented. He will be alert in certain directions, such as, an ability to pick a lock.

Parents often fail to control their children; this in particular is noticeable of children born in America of foreign parents.

Educational achievements in delinquents have been noted. Among white boys the average years in school is 7 1/2 years; among colored 4 1/2 years; the whole average 6 1/2 years. "The best place to work to overcome delinquency," says Mr. Keve, is the public school. Strange to relate, the first marks of delinquency are truancy and petty thieving. The best hope is through trained workers, who seeing the early marks of delinquency are in best position to overcome it.

Superintendent R. C. Haydon was elected to fill a vacancy in the board of directors. A bill of \$93.35 for use of the Christmas committee was ordered paid.

CONFEDERATE EXERCISES AT BURKE

On Wednesday, the 19th in commemoration of the birthday of General Robert E. Lee, memorial exercises were held at the Burke School under auspices of the Confederate States Chapter, United Daughters of the Confederacy.

Mrs. Nita White, President of the Chapter, exhibited a number of interesting relics of the War Between the States, and spoke to the children on the ideals of the Confederacy. In addition to memorializing General Lee, she also eulogized Stonewall Jackson and Matthew Fontaine Maury.

Mrs. White also paid a tribute to the late Roger Daniel Wharton, in whose honor her chapter has presented the School with a number of song books. Mr. Wharton was an honorary member of the Confederate States Chapter, U. D. C., and succeeded the late Col. Robert E. Lee, Jr., as superintendent of the Sunday School of the Good Shepherd Episcopal Church near Burke.

In concluding her remarks Mrs. White made an appeal in behalf of the Fourth War Loan Drive which is now under way.

GARDEN CLUB MEETING

The Manassas Garden Club will meet on Tuesday, January 25 at 2:30 P. M. at the home of Mrs. V. V. Gillum. All members are requested to bring an arrangement of berries.

BOOK CLUB MEETING

The Book Club will meet Thurs. Jan. 27 at 2:30 at the home of Mrs. Roswell Round. Mrs. Paul Cooksey will review the popular new book, "A Tree Grows in Brooklyn". Pvt. Alfred J. Breeden, asks us to tell his friends that his address is 32,806,006, Co. A, 129th TDDB 2nd TDR, TDRTC, North Camp Hood, home of Mrs. B. J. Bradford on January 26, at 2:30 P. M.

FARMERS MAKE PLANS FOR 1944

Means of obtaining maximum production of food and feed in Prince William County in 1944 with the labor, equipment and facilities now available were discussed at an all-day County Farmers' Meeting at the Court House here Wednesday. The discussions participated in by farmers from throughout the county were led by R. G. Connelly, V. P. I. Specialist, C. E. Richards of the V. P. I. Department of Vocational Education, and L. B. Whitacre of the State AAA office.

Farmers were advised to use fertilizers in sufficient quantities and to place their orders with dealers for fertilizers now to be sure of delivery on or before the time it will be needed. The topdressing of small grain with nitrates, except on very fertile land, as a means of building up yields from 5 to 10 bushels an acre, was recommended. Other practices recommended were the use of adapted Hybrid seed corn, reseeded thin stands of hay and pasture with 10 to 15 pounds of Korean Lespedeza in late January or February, fertilizing pastures with complete and nitrogenous fertilizers, seeding spring oats early, using ample fertilizer on oat and soybean seedings, and topdressing established alfalfa stands with the equivalent of 400 to 500 pounds of 0-12-12 fertilizer and 10 to 20 pounds of borax per acre.

The keeping of livestock to make use of feed produced on the farms was emphasized. Egg rather than broiler increases were recommended.

Cattle, hogs and other livestock of good quality and breeding can make more efficient use of the feed that is available and that will be grown in 1944.

Orders for 1944 AAA program ground limestone and superphosphate can now be accepted by the County AAA Office. With present transportation facilities, it will be necessary for farmers to accept ground limestone throughout the year if full use is made of the large tonnage of this material that will be available in 1944. Only a limited quantity can be delivered during the short period time is in the greatest demand every spring and fall while if farmers are willing to cooperate and accept it throughout the year, many additional thousands of tons of the material can be obtained through the program in 1944.

LT. AND MRS ROHR RETURN

Lt. and Mrs. Edgar E. Rohr have returned to Manassas after a stay of two weeks at Princeton, N. J., following their marriage here on New Years Day.

Lt. Rohr received his diploma from the Exchange School, Graduate College, Princeton University on January 19, and is now on a five day leave.

COUNTY SEAL SALE EXCEEDS QUOTA

Incomplete returns from the annual Tuberculosis Christmas Seal Sale in Prince William County show that a total of \$1500 has been realized to date toward the County Tuberculosis Association's campaign for funds to continue the fight to eradicate tuberculosis. Contributions are still coming in and it is estimated that final reports will boost the sum to around \$200 over the \$1375 goal, the largest ever assigned the county, according to Mrs. Frank Cox, county chairman.

Preliminary reports have been made by the district chairman as follows: Dumfries, Mrs. J. F. McInter, chairman, \$543.95; Manassas, Mrs. Maurice Smith, chairman, \$410; Gainesville, Mrs. Holmes Robertson, Mrs. J. W. Alvey, chairman, \$120; Brentsville, Mrs. Benjamin Brown, Mrs. Fred Shepherd, chairman, \$93; Ocoquan, Mrs. Eva K. Garner, chairman, \$83; Coles, Miss Irene Haupt, chairman, \$24.56; Negro Auxiliary, Mrs. Dorothy Hall, chairman, \$125.57; school bangle sale, Miss Sue Ayers, chairman, \$100.

HENRY SMITH GODFREY

Henry Smith Godfrey, son of the late Henry and Jane Godfrey, died at the home of his sister, Mrs. Lee Mayhugh, on January 9, 1944, after a short illness.

He was born in Fauquier County on May 18, 1859, and was a lifelong member of the Methodist Church. He is survived by his sister with whom he made his home.

Funeral rites were conducted by Rev. M. F. Draper at Gainesville Methodist Church, and interment was in the church cemetery.

The W. C. T. U. will meet at the home of Mrs. B. J. Bradford on January 26, at 2:30 P. M.

LOOK AHEAD
It is not only to look ahead but to look back. The Southern Railway System is the backbone of the South. It is the link between the past and the future. It is the link between the North and the South. It is the link between the East and the West. It is the link between the South and the world.

LOOK SOUTH!
Look South! ... and you will find the South is making to help speed Victory. Proudly, they point to the amazing industrial, commercial and agricultural growth of the South in recent years. Proudly they say, "Look Ahead... Look South!"...for new opportunities after the war is over. Thus, in still another way, the Southern Serves the South.

SOUTHERN RAILWAY SYSTEM

U. S. ARMY MARKSMANSHIP MEDALS—The United States Infantryman is the most expert soldier in the world in the handling of the basic weapons of his branch of the service. And he gets that way, according to information furnished by the War Department, not because he is a "natural born" handler of lethal weapons, but because he is put through extremely rigid training exercises.

Lieutenant General Lesley J. McNair, Commanding General of the Army Ground Forces, under whose supervision the Infantry is trained, has found that it is much easier to develop into an excellent shot a man who has never fired a rifle than it is to correct the errors of a man who has done a great deal of shooting under improper supervision. To stimulate the interest of all soldiers in their weapons, competitive shooting for the record is held by every unit after the soldiers have been individually schooled in the use of their weapons. The basic weapons of the Infantryman are the rifle, the bayonet, the automatic rifle, the machine gun, the hand grenade and the mortar.

The Army awards three grades of medals to soldiers who qualify in the use of their weapons. These medals are designated as "expert rifleman," "sharpshooter" and "marksman." The rifle is the primary weapon of the Infantryman and under the competitive shooting rules a man must score 180 out of a possible 210 to be qualified as an expert; a sharpshooter must score 165 or better out of the same possible; and a marksman must make 140 or better. Each classification of marksmanship has a distinctive medal that is presented each qualifying soldier. The three medals signify the soldier's ability with his weapon, and a star suspended under each name the weapon with which the qualification is attained.

Soldiers shooting for record with the rifle fire a given number of rounds from each of four positions—prone, sitting, kneeling and standing—in the slow-fire phase of the competition; and in the rapid-fire phase they are required to change from the standing position to each of the other three positions and fire a specified number of rounds in a limited time.

In qualifying for the machine gun record the soldier shoots at three different targets from a sitting position. In bayonet marksmanship the soldier competes against time in running a prescribed course and attacking various dummies with his bayonet and the butt of his rifle. Grenade marksmanship is judged by the distance and accuracy of the soldier's throwing ability.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. Julia gives
3 good, hearty
soup recipes

It's amazing, how many different varieties of hearty, stick-to-the-ribs soups there are—and how easy they are to prepare. Suppose I stir your imagination with some specific recipes?

MEATLESS BEAN SOUP

1½ cups dried beans 5 cups water
1 cup coarsely 1½ tsp. salt
chopped onion ¼ tsp. dry
mustard
¾ cup thinly sliced ¼ tsp. thyme
celery ¼ tsp. pepper
2 tbsps. shortening 2 tbsps. vinegar

Pick over and wash the beans. Sauté onion and celery in hot melted shortening in heavy 4-qt. kettle until limp but not brown. Add beans and water; cover. Cook slowly until beans are mushy (about 3 hours). Mash beans. Add seasonings and vinegar. Serve garnished with egg or lemon slices. (Can serve 6.)

COUNTRY SOUP

2 medium-size potatoes 2 tbsps. enriched
peas 2 tbsps. cold
2 small turnips 2 tbsps. cold
3 small onions water
1 large carrot milk
¼ cup sliced 1 tbsp. butter
celery margarine
½ tsp. pepper 2 tbsps. salt

Wash, peel and dice potatoes, turnips, onions and carrot. Add celery; cook in boiling water to cover in 2-qt. saucepan until tender (about 20 mins.). Drain vegetables, saving liquid. Cool vegetables thoroughly. Force through fine sieve, making about 5 cups puree. Make paste of flour and cold water; add to vegetable puree. Cook until slightly thickened (about 10 mins.), stirring frequently. Add vegetable liquid combined with enough milk to make 1½ cups, butter or margarine, and seasonings. Heat thoroughly. (Can serve 6.)

FISH-CORN CHOWDER

2 tbsps. drippings 1½ cups cooked
3 tbsps. flour 1½ cups milk
4 cups milk 1½ cups thinly
½ to 1 tsp. salt sliced celery
¼ tsp. onion salt 2 cups whole
kernel corn

Make white sauce: Melt drippings, blend in flour, add milk gradually and cook until thickened. Add remaining ingredients and heat well. Serve at once. Serves 6, allowing 1 cup per serving. NOTE: One No. 2 can oysters can be used in place of fish.

Why not be a soup-chef?

FOURTH WAR LOAN

Forty thousand volunteer salesmen in every section of Virginia this week began the big home front job of selling \$143,000,000 worth of war bonds, which is this state's quota in the Fourth War Loan Campaign.

War finance committees in scores of cities, towns and counties of the Old Dominion arranged patriotic rallies on Tuesday, which was the opening day of the drive. Speakers reminded their listeners of the impending assault on the powerfully defended European fortress, and asserted it is the duty of every American to "Back the Attack" with their dollars.

A feature of the first week of the campaign was a state-wide radio broadcast, arranged by the Virginia War Finance Committee, and carried simultaneously by 16 stations. Speakers included Governor Colgate W. Darden, Jr.; Rear Admiral David MacDougal LeBreton, U.S.N.; Dr. Francis Pendleton Gaines, state chairman of the War Finance Committee; Mrs. George Sloane, state women's chairman; and James E. Easley, executive manager of the WFC. Jimmy Wallington, nationally famous radio announcer, was master of ceremonies. Listeners were taken on a word tour of the Norfolk Navy Yard, Norfolk Naval Operating Base, Camp Peary, Camp Lee and Quantico.

Early reports reaching state headquarters indicate that war finance committees throughout Virginia realize the importance of the difficult job of selling \$143,000,000 in war bonds in a little more than four weeks," Dr. Gaines said. Most of them are arranging house-to-house canvasses, so that every person in the community can be approached and asked to invest every dollar possible in the future of America.

"Inasmuch as the bond quota for individuals in the Fourth War Loan is higher than it has been in any campaign, the importance of personal solicitation cannot be over-emphasized. A survey of the September drive showed that 50 per cent of persons solicited bought

extra bonds, while only 17 per cent of persons not contacted by volunteer salesmen purchased bonds during that campaign."

MITCHELL-MILLER

Mr. and Mrs. Charles B. Miller announce the marriage of their daughter, Frances Virginia, to Pvt. Jacklin W. Mitchell, on January 6, 1944, at Miami Beach, Fla.

The ceremony was performed at 8 p. m. in the First Presbyterian Church by the pastor, Rev. William C. Cumming. The bride, who was unattended, was attired in a light blue crepe dress with white accessories. Pvt. Paul Vesperman of Washington, D. C., acted as best man.

Pvt. Mitchell, son of Mr. and Mrs. John W. Mitchell of Leesburg, is now stationed at Miami Beach, Fla., in the Army Air Corps.

Mrs. Mitchell for the present will make her home in Manassas with her parents, and continue her employment in Washington, where she holds a position with the Office of the Quartermaster General, War Department.

E. E. MOLAIR

The community was grieved and shocked to hear of the death on Friday, January 14, of Edward Everat Molair, better known to his many friends as "Doc."

He lived his entire life in the community in which he died, where his quiet and unassuming ways had won for him a host of friends. He was 71 years, nine months and 12 days old. Thirty-eight years ago he married Miss Annie Robinson.

The funeral services were conducted by Rev. Murray Taylor, assisted by Rev. Draper.

Mr. Molair leaves to mourn his loss his devoted companion, two sisters, and one brother. His many friends extend their deepest sympathy to his loved ones in the loss of their husband and brother.

CARD OF THANKS

I wish to thank all those who sent flowers, sympathies and assisted in any way during my bereavement. Mrs. Annie A. Molair.

CATHARPIN

A wedding of much interest to many Journal readers was solemnized in the church at Collingdale, Pa., a suburb of Philadelphia, on December 11, 1943, when Mrs. Alberta Henderson Towers became the bride of John Steele.

The bride was gown in a light blue silk crepe costume with trimmings of silver passementerie. With her blue hat she wore a brown veil, and all accessories were brown. Her corsage was of gardenias. She was attended by her only sister, Mrs. Benjamin George Steele, as matron of honor. The groom was attended by his son as best man.

Immediately after the five o'clock ceremony, a reception was held at the home of Mr. and Mrs. Benjamin G. Steele in Collingdale, after which the wedding party and a number of guests were entertained at a sumptuous wedding dinner at a Philadelphia hotel. The menu included a huge three-tiered wedding cake.

The bride is well known in this community, having made her home for several years with her mother, the late Mrs. S. H. Henderson, at Dunrovin, near Sudley. Through their cordial hospitality and many acts of kindness, they won the love and esteem of a host of friends in Prince William County, who will wish the couple much happiness.

Mr. Steele has been for years a valued employee in the building of submarines in the Philadelphia Navy Yard. They will make their home in Collingdale.

Quite a number of friends from this community attended the funeral of Henry Lanham, whose death occurred at his home on Wednesday morning, January 12, 1944.

Mr. Lanham was born at Paris, Va., on January 16, 1869, and lacked but four days of his 75th birthday at the time of his death.

In his early manhood he moved to Lenah in Loudoun County, and at the age of 24 was married to Miss Reid. To this union were born two daughters, Mrs. John Ward and Mrs. Olaf Larsen, and three sons, Messrs. Ancel, Shirley and Curtis Lanham.

About two years ago, Mr. and Mrs. Lanham purchased the property familiarly known as the Buckner Farm in Loudoun, near Catharpin. He was very fond of music, and greatly enjoyed playing his violin for his family and friends. He had been ill but a short while from a complication of troubles, and his death came peacefully and without suffering.

Funeral services at Little River Church were conducted on Friday at 1 p. m. by Rev. Mr. Hughes of Ashburn, a personal friend of the deceased, assisted by Rev. Mr. McElroy of Middleburg, pastor of Little River. Interment was made in Middleburg cemetery.

The large gathering of friends who assembled to pay their last tribute to his memory, as well as the many beautiful flowers, bore testimony to the esteem with which Mr. Lanham was regarded, and also of the sympathy extended to his widow and family in their bereavement.

For the past year, Mr. and Mrs. Curtis Lanham have managed the farm purchased by Mr. Guilford of Alexandria from Mr. and Mrs. R. B. Downs. By their neighborly deeds they have made many friends in this vicinity.

Mrs. Artemus Smith and her little grandson, Billy Partlow, have been quite sick with gripe during the past week. Her daughter, Mrs. John Boone, came up from Washington to spend several days with them.

James M. Young of the Sea-Bees, stationed at Bainbridge, Md., spent the week end with his family at Oakwood.

Mrs. Almerene Compton had the misfortune to fall last week and hurt herself so badly that she is now in Physicians' Hospital, Warrenton, for treatment.

Dan Ritenour of Cherrydale visited at the home of Mrs. Edmonia Davis on Saturday.

Mrs. Luther L. Lynn was called to Manassas last week by the death of her brother, T. A. Metz, who died of pneumonia following an attack of influenza.

Mrs. L. J. Pattie, her daughter, Mrs. Alfred N. Stamm, and granddaughter, Enda, attended the funeral of Henry Lanham at Little River Church on Friday, and afterwards called at the home of their cousins, Misses Gertrude and Edna Ish.

Clarence Ellison visited his aunt, Miss Margaret Conrad, and Mrs. Florence Jenkins, in Arlington during the week end.

J. D. Wheeler recently had the misfortune to fall and break his arm. All his friends are hoping that he may soon be fully recovered. Mrs. Cordella Swart is spending some time with him and Mrs. Wheeler.

Rev. Clark H. Wood, pastor of Sudley Charge, is still confined to his home by illness.

Sergeant Floyd O'More of Creede, Colo., commander of a Marine Corps tank, sights his 50-caliber machine gun, mounted for anti-aircraft firing from his tank's turret. Photo was made during maneuvers at a Marine Corps base in the South Pacific.

Sgt. Francis J. Dogan, instructor in mechanics at Fort Eustis, Va., recently spent a furlough with his parents, Mr. and Mrs. W. H. Dogan, at Groveton.

E. N. Pattie made a business trip to Charlottesville last week.

Mrs. William S. Brower, who is employed in Washington, has been at her home this week because of illness.

Miss Harriett Polen of the Veterans' Bureau, Washington, spent the week end with her parents, Mr. and Mrs. Clifton O. Polen.

CENTREVILLE

Mrs. Etta Mae Humes, who had resided with her daughter, Mrs. Dorothy Radford, for a number of years, died Monday, January 17 in George Washington University Hospital, after an illness of considerable duration. Funeral services were conducted from the Pearson Funeral Home in Falls Church at 10 o'clock yesterday, and interment was in the Fairfax Cemetery.

Mr. Ed Schaffer died last Thursday and was buried Sunday. He had been ill for some time and had been taken to the home of relatives, where he died. For a number of years he had operated a lunch room at Centreville.

"AIR FORCE," TALE OF B-17 BOMBER, OPENS JANUARY 26

The life story of a Flying Fortress is the theme of the new Warner Bros. film, "Air Force," which opens at Pitts' Theatre on January 26.

Produced with the cooperation of the United States Government, the story is concerned with the trials and tribulations of one "Mary Ann," a B-17, caught unprepared above the embattled waters of the South Pacific during the treacherous attack on that fateful December 7th.

Starting when the "Mary Ann" and its crew of nine leave on a peace-time mission to Honolulu, the story tells of the emergency landing when the crew learns of the attack on Pearl Harbor. With their destination Wake Island, they arrive

there only to learn that they must take off at once for Manila. Encountering difficulties on the way, they make a hazardous landing at Clark Field, where they are attacked while loading ammunition. It is the battle of the Coral Sea that is responsible for the end of the "Mary Ann," but not until she is safely landed on Australian territory.

Except for a couple of incidental roles, the cast of "Air Force" is composed of the bomber's crew, featuring John Garfield, Gig Young, Harry Carey, George Tobias, Arthur Kennedy, James Brown, John Ridgely, Ray Montgomery and Ward Wood.

"Air Force" was directed by Howard Hawks from a screen play by Dudley Nichols. It is a Hal B. Wallis production.

Soldiers Help in Pulpwood Battle

Every soldier knows well the contribution each pulpwood tree makes to victory in providing medical supplies, smokeless powder, containers and wrappers, to name just a few items. That's why these two fighting men are pitching in with a will in the battle to take the pulpwood shortage.

REPORT OF A MIRACLE—Aviation's book of the year has appeared when the year has hardly begun. It's the report of the Army Air Forces by Gen. Henry H. Arnold. It's the record of a miracle—an Air Corps of approximately 20,000 men and 1,600 airplanes that has grown in a few years to an army of close to 2,500,000 men and thousands upon thousands of planes.

One significant part of the reports reads: "At one time in the earliest day (of the Air Corps), the Commanding General constituted exactly one-third of all Army flying personnel." That was back before World War I, when the then Lieutenant Arnold held Expert Aviator's Certificate Number 4, and Pilot License Number 29. In other words, the entire growth of U. S. Army aviation has been spanned by

PLANE FACTS

the career of smiling, white-haired Gen. Henry H. Arnold. His report could well have been a monument to personal achievement.

NO "CHOSEN INSTRUMENT"—Again the monopoly proposal for post-war international aviation has been attacked, this time by Ralph S. Damon, vice president of American Airlines, speaking in Washington on behalf of 17 of the 19 U. S. airlines which favor competition.

This country should not adopt single operation, even though called by the high-sounding name of "chosen instrument", he declared, merely because some other country has it. "Better service to passengers and better transportation between countries will be achieved only by true competition," he said, "and not by having a 'chosen instrument' of the U. S. and a 'chosen instrument' of some foreign power operating in conjunction on the same route and doffing their silk hats to each other in the morning to distribute business or income by cartel methods."

QUESTIONS FROM READERS—Q. When was the first helicopter flight? A. First successful flight probably was that of Heinrich Focke, in Berlin, in 1937. Sikorsky's first was in May, 1941. Previously, many models had been flown, one by a Frenchman as long ago as 1907.

What is your aviation question? Address it to "Wings of the World", care of this newspaper.

Battle of Tarawa Told In Pictures

Many valuable pictures were taken by daring Marine Corps combat photographers during the bitter Battle of Tarawa, including the three reproduced above. Upper photo shows a group of Marines assembling on the beach after surviving terrific gunfire. American dive-bombers are overhead. The lower group, center, advances toward Jap machine-gun nests which they succeeded in wiping out shortly after the picture was taken. A squad leader points out direction of Jap nest. In lower photo, two Marines man a machine-gun amid wreckage as a third Leatherneck lays aside his rifle to assist them.

GOOD EYESIGHT REDUCES ACCIDENTS AND IMPROVES EFFICIENCY

(1) Packing and weighing Sliced Bacon—an operation in which manual dexterity and good vision are necessary.

(2) Harry S. Eldred.

(3) Worker engaged in trimming Bacon. A sharp knife plus the requirement of trimming to just the right spot call for good vision.

HUNDREDS of production plants throughout the United States are carrying on educational activities among their workers to urge the sharpening of sight and maintaining eyes at highest efficiency. One of such companies is the big meat packing company, Armour and Company.

"Good vision has always been one of this company's requirements of new employees because we have realized that defective sight would make workers dangerous, not only to themselves, but to their fellows," says Harry S. Eldred, vice president of Armour and Company in charge of plant operations. He states that the company recently

has extended and broadened its visual program, with the result that "our records indicate that we are benefitting through minimizing the number of accidents caused by defective eyesight."

Many other companies, like Armour, are finding that proper eye maintenance of workers is a sound policy. Good eyes assist in maintaining steady nerves and physical

fitness. A worker becomes a more efficient producer, and makes more money. Morale, as well as productive efficiency, is maintained. Good vision aids a person in adjusting himself to his job, and his friends. By sharpening and protecting his eyes so that they will give satisfactory service, a person not only aids himself, but he aids his country by becoming a better producer.

O.P.A. Administrator CHESTER A. BOWLES says:

"Tell your rationing board you are cutting pulpwood"

PULPWOOD cutting has been listed as an essential occupation and those engaged in it should now include such activities in connection with any application for supplementary gasoline, tire, or automotive rations.

"If you are using gasoline-powered equipment in sawing, drawing or trucking pulpwood and it is absolutely necessary for you to have an additional allowance, you

should report the fact to your local rationing board, giving full information as to the number of cords to be cut and the distance it must be trucked.

"Ceiling prices for pulpwood have been set by this office and are available upon application to your nearest OPA District Office. Pulpwood prices are now at a peak. There is no present intention of revising these prices."

Now is the time to cut or thin your timber while prices are high and pulpwood is badly needed.

Cut wisely and the remaining trees will grow faster and bigger. Your forester or county agent will help you select trees for cutting.

Estimate how many cords you can cut. Then get in touch with our local dealer, or telephone, or write us for prices and specifications.

DO WHAT YOU CAN FOR GREEK WAR RELIEF

While we are helping the various war relief projects, this newspaper especially invites attention to the needs of Greek sufferers.

All civilized people know of the tragic fate of Greece and of the desperate plight of the heroic people of that unfortunate country.

Their countrymen here are only modestly asking for donations of clothing, and we urge our friends to help.

The local Greek War Relief Committee is making the following appeal:

CLOTHING ESPECIALLY IS WANTED FOR LITTLE CHILDREN WHO ARE FREEZING TO DEATH

"The Greek War Relief Association is asking for donations of clothing of all kinds, particularly coats, shoes, and underwear, for suffering Greek population."

"The storeroom at No. 515 C. St., in the rear of the Quantico Railroad Station will be open from 11 A. M. to 5 P. M. Please leave donations there, as the local Committee has no means of calling for your gifts."
