Sergeant Flory Writes From Italy

—V—

Manassas Journal

In my many months of overseas service I have always looked forward to getting the Journal from week to week. Last week I received two copies which were greatly appreciated. There are times when I get my paper late but that is due to my constant moving and changing of my address as you can see by the present A. P. O. I have.

Every word in the paper is read. It makes no difference how many letters I get from home, the Journal still carries news that wasn't mentioned in the letter.

Papers are a good means by which we overseas troops can keep up with the progress of the home front, which at the present time is doing a swell job.

I want to praise the good people of Prince William County who are donating their blood, and helping with the Red Cross, which is appreciated by our troops over here. It is work and cooperation of this kind that will help us to win the war sooner so we can all return to a fine peace loving country.

I know there are a few people who don't realize there is a war going on. If they could see one of these places that used to be a town, and now is just a mass of stone and twisted steel, they would wise up to the fact that we have a war to win.

Since overseas I have visited the major parts of Africa, and parts of Italy, which I am limited to tell about. I have even been to Rome, Pompeii, and Naples. Rome is a picturesque town with its Coliseum, Cathedrals, and ancient works. The best being St. Peter's, which is a masterpiece of architecture. These are things I never want to forget and I have seen some things I would like to forget.

After seeing all this my conclusion is there is no place like the good old states which I hope we can all return to in the near future and live a life of love, joy and contentment.

Thanks again for the paper and may you have as much success in the publication of the Journal in the future as I have had enjoyment reading it in the past.

ST. SGT. Eugene Flory

—V—

Our Boys in Service

Pfc. Jasper A. Monroe, son of Mr. and Mrs. W. M. Monroe of Burke, Va., was wounded in France August 9th, and is in a hospital in England. He was a student at Manassas High School during the time his parents owned a farm on the old Centreville Road in Prince William County.

Lt. Jack Mitchell of Leesburg, has graduated as Bombardier. He received his wings on Aug. 12th at San Angelo, Texas. He is the son-in-law of Mr. and Mrs. C. B. Miller, having married Miss Frances Miller. Lt. and Mrs. Jack Mitchell left here on August 23rd for Tampa, Fla., where he is stationed.

Ensign and Mrs. Ragland will be the guest of her parents, Mr. and Mrs. C. B. Miller this coming week. They have been in Melbourne, Fla., where Ensign Ragland has been stationed. He lived in Richmond before serving in Naval Aviation.

Mr. and Mrs. C. B. Miller received

Typhoid Warning

Dr. Nelson Podolonic, Health Officer of Prince William County, wishes to remind all residents of the county of the advisability of receiving immunization from typhoid fever. Many wells in the county are unsafe for drinking purposes and the danger of Typhoid Fever is ever present.

These immunizations may be given by the family physician or at the regular immunization clinics conducted free-of-charge by the Health Department in Manassas every Thursday afternoon 3 to 4 p.m.

At The Health Department immunization Clinic protection against Smallpox, Diphtheria, Whooping Cough, Lock Jaw (tetanus), and Rocky Mountain Spotted Fever (tick fever) are also free of charge.

Kiwanis Aids Boy Scouts

The Manassas Kiwanis Club, acting on one of the objectives for which it stands, appropriated to its Boys and Girls one hundred dollars. This sum is to be used to bring to completion the cabin which the Boy Scouts use for their meetings. The boys themselves will do most of the work, but the chimney will require a skilled workman. Col. Jacobson of the committee expressed his gratitude for this appropriation.

Guest Speaker

R. C. Haydon for C. C. Lynn introduced Mrs. Marion Lewis who spent some minutes in telling what is being done by her county organization with the help of the Kiwanis Club for those in need of eye examinations, supplemented by glasses when necessary, of tonsilectomy, of dental work for those children in the county who cannot afford to pay for these benefits. She also discussed the possible epidemic of infantile paralysis in the county and told where the cases of the disease are located. Her speech was supplemented by R. C. Haydon and Worth Peters, who made definite statements about what is being done for under privileged children, and by Carl Kinsheol, who suggested how "polio" is probably being spread.

A letter from their son, Cpl. Charles W. Miller. He has been sent to Hawaii from Saipan where he has been stationed.

Tech. Sgt. Harry W. White, son of Mrs. H. S. White of Beverly Hills, is spending his furlough at the home of his mother and with Mrs. Worth Storke. Sgt. White is stationed at the Army Air Field, Lincoln, Nebraska.

Pvt. Oden Breen, Jr. who has just finished basic training at Fort Knox, Kentucky is home on furlough. He will be transferred to Camp Chaffee, Arkansas.

Joseph (Buddy) Corum, electrician mate in the Navy, met his cousin, Stewart Wallace, S2c in New Caledonia. Buddy writes cheerful news home to his mother, Mrs. Joe Corum.

Pfc. Herman R. Bryant was home on a furlough, visiting his parents, Mr. and Mrs. G. W. Bryant. He has returned to Fort Knox, KY.

Pvt. Charles Farquhar is now stationed in England.

Cocke Heads County Safety Council Temporary District Chairmen Also Named

At a mass meeting held in Osborn High School Auditorium at 8:00 p.m. on Thursday, August 24th, which meeting was sponsored by the Committee appointed by the Chamber of Commerce, the question of advisability of organizing a Safety Council for Prince William County was the subject for consideration. Prior to the convening of the mass meeting the Chamber of Commerce Committee met in executive session with Phillip Herndon, Chairman of the Committee presiding, to prepare agenda for the meeting. At the meeting of executive session Dr. George B. Cocke was appointed temporary Chairman and Hunton Tiffany temporary Secretary.

Attendance at the mass meeting was disappointing as each organization within the County had been contacted with the request that at least two representatives attend. However, what was lacking in attendance was made up for in interest shown by those in attendance.

The mass meeting was called to order by Chairman Cocke who outlined the purpose of the meeting. He then presented Lieut. Wayne Carr of the Virginia State Police who made an interesting talk on "Safety in Traffic." He gave statistics showing the number of traffic accidents and fatalities in Prince William County in the year 1943 and outlined the duties of the State Trooper in enforcing the law and stressed his duties in educational work in accident prevention, and stated that public support of police was of great assistance in this work. His talk was well received.

The Chairman next presented Capt. Growth of the Virginia State Police Department who spoke on "Public Safety." His talk was on general safety but called attention to the fact that more accidents happen in the home than anywhere and Pullman travel is the least hazardous. He called attention to the importance of

proper instruction in driving. His talk was given in an interesting manner and proved entertaining and instructive.

At the conclusion of Capt. Growth's talk the chairman asked that anyone who cared could give their opinion on the advisability of organizing a Safety Council for the County.

R. C. Haydon, J. P. Kerlin, B. L. Smelker, Hunton Tiffany, Wheatley Johnson, Worth Peters, and Roy Helms expressed themselves as in favor of the objectives of the organization and recommended that this meeting proceed with organizing.

On a motion duly made and seconded, the following officers were unanimously elected: George B. Cocke, Pres. B. L. Smelker, Vice-Pres., Frank D. Cox, Sec., John Musselman, Treas.

The following motion was adopted by the group: "The Chair will appoint a temporary chairman for each District within the County for the purpose of effecting a permanent organization within each district and upon the completion of the permanent organization of the District the Permanent Chairman chosen shall become a member of the governing board."

The chair then appointed the following District Chairmen: Gainesville: Fowell Melton Coles; Murray Taylor; Brentsville: Harold Smith; Manassas: Walter Sadd; Dumfries: Mrs. Nellie Purvis; Occoquan: J. E. Musselman

For the purpose of the promulgation of the by-laws of this council, the chair appointed the elected officers of the council to which was added the names of R. Worth Peters and Hunton Tiffany. The meeting was adjourned subject to the call of the chairman, who expressed his appreciation of interest shown by those in attendance and especially for help given by the representatives of the State Police.

Robert Hamilton Saffer

Robert Hamilton Saffer successful farmer and well known citizen died suddenly August 7th.

A son of Laura A. Saffer and the late Franklin Elliott Saffer, he was born at Gainesville, Va., Dec. 10, 1897, coming to Manassas in early childhood. Mr. Saffer is survived by his wife and small son, his mother and seven sisters. Funeral services were conducted at the M. E. Church, Rev. M. F. Draper officiating. Burial was in Manassas Cemetery.

Services to the Methodist Church for your Fall bargains. Miscellaneous articles will be on sale. The date is Friday, September 8th, beginning at noon and all day Saturday, Sept. 9.

U. D. C. Meets Sept. 6th

The U.D.C. will hold its meeting at the home of Mrs. R. L. Byrd Wednesday, September 6, at 2:30 p. m.

Mr. and Mrs. Frank Cox have with them their nephew, Mr. Walter Flood of Frankfort, Ky. who is spending a week here.

Nell Grim

Mailing dates for Christmas packages for Service men and women overseas are from Sept. 15 to Oct. 15 this year. This is a reminder from the War, Navy and Post Office Departments.

During this three day Christmas mailing period, gift packages may be mailed overseas without the presentation of a request from the service man or woman.

Mailing Requirements
Total weight of package must not be over 5 pounds. The package can be no longer than 15 inches nor larger than 36 inches in length and girth combined. Only one such package can be sent from the same person to the same address during any one week.

Perishable articles like fresh fruit will not be accepted. No fragile articles, including glass jars should be included in the package. Any canned food should be canned in tin. Tight tin containers are also advised for jams, marmalades, cookies, cake, or candy.

Ordinary cardboard boxes such as shoe boxes, are not strong enough unless they are reinforced on all sides with corrugated cardboard. The Post Office advises that boxes should be of double corrugated cardboard, fiber wood or wood. Small articles should be closely packed in the box with packing materials such as shredded paper or excelsior. Cartons sold in stores for overseas shipping are generally suitable containers for Christmas boxes.

Food specialists of the U. S. Department of Agriculture suggest that firm, rather soft, thick cookies travel with less breakage than thin, brittle

snaps or crumbly butter cookies. Square cookies pack in boxes more compactly than round cookies. Chocolate brownies and dried fruit bars are especially good for shipping.

Frost brownies on all sides to keep them moist, then wrap each one separately in waxed paper and pack in a tight tin or heavy waxed cardboard box.

New Electric Irons

Most of the electric irons being manufactured this year will come on retail markets at no higher prices than they were selling in March, 1942, according to OPA. The WPB has authorized 35 manufacturers to make slightly more than two million irons this year. Some 20 of the manufacturers, who will make 1,768,968 of these irons have agreed to sell them at 1942 prices, and to attach a price tag on each stating the retail ceiling price. Most of the new irons will have automatic heat control and will be in the medium price range from \$5.70 up to \$8.75. There are no restrictions on the sale or transfer of these irons. It will not be necessary to turn in an old iron to buy a new one. However, the irons will come on the market gradually and will only go part way in satisfying the present demand.

The normal peacetime production of irons was about five million a year, so the two million to be manufactured this year will provide only enough for part of those who want irons. The WPB hopes, therefore, that these irons will be purchased only by those in urgent need, and that the housewives who already have irons will give them the care that will make them last until production is normal.

Rev. Glover will preach the Annual Homecoming sermon in the United Brethren Chapel in Manassas on Sunday, Sept. 3rd, at 11:00 a. m. This service is the first of ten evangelistic services in the Chapel. These services will continue thru Sunday, September 10th.

—V—
George W. Wolfe

George W. Wolfe, age 95, passed away Tuesday morning, August 22, 1944, at the home of his daughter, Mrs. O. L. Carter, following a brief illness.

He was born in Fayette County, Pennsylvania January 18, 1849, the son of the late George and Sarah Ramage Wolfe. He was united in marriage in 1870 to Martha Marie Winnett (daughter of the late Elder Adah and Lucinda Winnett), who preceded him in death in 1915. To this union were born nine children, four of whom survive him. They are Mrs. Pauline Davis, Mrs. O. L. Carter, Messrs. George A. and Clyde W. Wolfe.

He moved to Occoquan, Va., in 1886 and had farmed until the beginning of World War I when he accepted a position with the Naval Ship Yard in Alexandria, Va. He resigned from this position in 1922 to make his home with his daughter, Mrs. Carter.

Until his recent illness, Mr. Wolfe had enjoyed the best of health. He was an ardent reader and took a deep interest in current events of the world.

His body was laid to rest in Oak Grove Baptist Cemetery, Headly, Va., Friday afternoon, August 25, 1944.

Funeral services were held at the home of Mrs. Carter, Sunday, August 27, 1944. Burial was in Oak Grove Baptist Cemetery.

Mr. Wolfe was a kind and amiable person and will be greatly missed by his many relatives and friends.

Legion to Show Moving Pictures

Moving pictures taken on the battle fields of France, Africa, Italy, and Sicily have been secured by the American Legion for showing to the people of Prince William County. These pictures show the landings and the actions afterward and also include inserts of captured film taken by the German and Italian Armies. Pictures will also be shown of the soldiers and sailors life and activities and methods of training in the camps in this country and abroad. Special films secured from the British Signal Service are also being secured.

These interesting pictures will be shown every Tuesday night at the Parish Hall beginning September 12 at 8:00 p. m. and extend a special invitation to the parents and friends of service men and women. Different films will be shown each Tuesday night and if sufficient interest is shown the shows will continue for several months as a large number of pictures have been made available by the War Department.

There will be no charge for admittance tho there will be a collection at the door at the close of each show so that those who wish may assist with the actual cost of operation.

Chamber of Commerce Studies Road Report

Hon. Harry Davis called the meeting to order.

The report on the proposed 20-year post war plan was introduced by Mr. Tiffany. Two roads are to be built according to the plan, Route 234, and Route 28 will be undertaken later. The decision of where to build Route 28 thru Manassas on Centre Street or to follow a by-pass outside of town will be left to town officials. If the road goes thru the town it will have to bear the expense of the road repair and there could not be any parking on Centre Street, which would mean parking space would have to be provided. The by-pass seems to find favor with the members of the Chamber.

Mr. Tiffany was called on for a report of the mass meeting of the Safety Council. Two members of each organization and club in the county were invited to attend the council. Mr. Tiffany said that what the meeting lacked in attendance it made up in enthusiasm. The organization was appointed and will definitely aid the safety problem.

Mr. C. H. Wine stated the Committee on the Projects had not come to a decision on the winners of the Projects.

The following guests were present: Miss Mildred Roseberry, Game Warden, Will Brower of Catharpin and Pvt. Oden Breen.

Manassas State Vocational School Announces Opening of 1944 Session September 18th

The Prince William County School Board announces the opening of the regular session of the State Vocational School and offers the facilities of any school division in Virginia to whatever extent they can make use of it.

The plan of operation will enable divisions to assign students for instruction in Manassas in both vocational and academic classes without cost to the student or school board, except as may be necessitated for living expenses if on a residence basis, or for academic costs if the enrollment makes additional teaching force necessary in which event divisions will be expected to share in the additional expenses on a per capita basis. The divisions will receive credit for the attendance of students and the unit credits of each student will be transferred to the high school in which he is enrolled.

The school will open September 18th for a full session of nine months. Classes will meet from 9:00 a. m. to 4:15 p. m. with six hours of instruction per day. A minimum of three hours per day is required in shop training.

Offering

Vocational: Auto Mechanics Electricity Sheet Metal Carpentry & Woodw'k Drafting Welding Radio Machine Academic: Any, to the extent which they can

The Senior Woman's Auxiliary of Trinity Church will meet in the Parish Hall Tuesday, Sept. 5, at 2:30 p.m.

—V—

Miss Margaret Hopkins of the Temple School has been spending her two weeks vacation in Birmingham, Ala., visiting her cousin, Mrs. M. T. Phillips.

Enrollments
be absorbed in the regular high school. Any person 16 years or over. If students are attending high school they must be assigned to this school for specific subjects.

Any Junior or Senior may enroll even if he is not 16, provided he will have reached the age of 16 before the completion of the course, that is, in one or two years.

Cost
There is no cost for instruction or transportation. Living costs must be paid by students in residence and this is tentatively estimated at \$30 per month. Cost of books for academic classes is to be paid by students.

It is expected that facilities for residence for 300 will be provided by October 15th.

Credit in the amount of two units will be offered for each three hour class. Academic credit as usual.

Health & Recreation
Great stress has been laid on safety both in the shops and during transit. A registered nurse will be on duty in a well equipped hospital. Ample facilities for recreational activities have been provided.

The School Board hopes that the opportunity for vocational training will be utilized to the fullest extent. Questions regarding the school should be addressed R. Worth Peters, Prin., or R. C. Haydon, Supt.

Mrs. Walser Conner Rohr who has been visiting her husband, Lt. E. E. Rohr in Miami, Fla. has returned to her home here.

The Aid Society of the Baptist Church will meet with Mrs. Callie Good at 8:00 p. m., September 5th.

Air Thunderbolt Tells

Invader of Baby Born

A U. S. NINTH AIR FORCE FIGHTER BASE IN ENGLAND.—A U. S. Ninth air force Thunderbolt flew a private courier service to Sgt. Robert R. Hayes of Rome, N. Y., a ground crewman on an advanced airstrip in France.

Sergeant Hayes wanted to know when he became a father.

Pilot Col. Gilbert L. Meyers of Milford, Iowa, gave him the news. He flew over the field, and in broad chalk letters on the undercarriage of his Thunderbolt was the message: "It's a girl."

His Caisson a Go-Cart,

But It's Rolling Along

WITH THE FIFTH ARMY, ITALY.—"A vehicle is a vehicle," said Pfc. Felix Purzyck of Camden, N. J., as he pushed his baby buggy loaded with a mortar and ammunition into Fondi, Italy.

The Germans had been in rapid retreat for several days, and Private Purzyck was getting tired lugging heavy stuff. So when he found in a little hillside town a four-wheeled carriage built for hambipos, he loaded it up and advanced with his company, keeping in route formation.

Fat Rides To Battle

Chemical Warfare Lt. James E. MacDonald, of Passaic, N. Y. (right) recently returned from Italy where he won the Purple Heart, demonstrates to his friend, Col. William H. Greighton, of Charleston, W. Va., how this new weapon of chemical warfare, the smoke generator, works and keeps German "eyes" from hitting their mark. The generator blows out a smoke screen that blots out cities, harbors, important industrial and military installations or landing operations. Lubricating oils, and paints for this generator require the products of used cooking fat.

Nazis Moving Poison Gas

Into Hungary, Say French

NEW YORK.—Radio France, at Algiers said in a broadcast to French areas that the Germans had transported "large quantities" of poison gas from Germany into Hungary "with a view to using it against the Soviet army, from whom they dread a new and powerful offensive." The broadcast said the information had been received from the Balkans at the Turkish capital of Ankara.

With the 5th Army in Italy (Delayed)
First Sgt. Joseph B. Simpson, husband of Mrs. Dorothy M. Simpson, of Thoroughfare, and son of Mr. and Mrs. Charles A. Simpson, of Danville, Va., is serving with a company of combat engineers who in addition to sapping mine fields on the fighting line, have been commended by Army and civil authorities for their excellent work in restoring water and electricity to the people of Rome.

Leatherneck Is Decorated

U. S. Marine Corps Photo

Hit by machine-gun bullets on Saipan in his sixth campaign against the Japs, Lt. Col. Evans F. Carlson, 48, former leader of the famed Second Raiders, U. S. Marine Corps, is shown in a hospital somewhere in the Pacific receiving the Purple Heart decoration from Maj. Gen. Julian C. Smith. Lt. Col. Carlson was struck in the right arm and left thigh as he sought to aid an enlisted man, similarly felled.

So They Can Eat

PART of Southern States' operating territory has suffered drouth damage as bad as last year's. To help farmers when they need help most, Southern States has done these three things:

1. Reorganized its Hay Purchasing Program to provide emergency hay at lowest possible prices. The Government is subsidizing hay this year.
2. Lowered price of Southern States dairy feeds and poultry mash. Manufacturing costs have been squeezed and Cooperative Service Agencies have voluntarily lowered handling margins. In some cases the protein content has been increased, which actually lowers ingredient costs. The result: Dairy feed has been reduced as much as \$2 to \$3 a ton, and the price of poultry mash lowered somewhat less.
3. Opened its doors to new patrons... for the first time in two years, Southern States is in a position to accept feed business from new patrons with the assurance of protecting them on their future needs.

New Navy Weapons Shown First Time

Planes and Guns Used in the
Invasion Unveiled.

WASHINGTON. — The navy has permitted brief mention of a whole batch of secret, new, or improved weapons, some of which even now are being tested on the European invasion front.

These weapons—along with many others which may not even be hinted at—were unveiled for newsmen in a recent tour of naval establishments authorized by Secretary of the Navy James V. Forrestal.

A brand-new twin-engine fighter plane of unprecedented fire power which climbs practically straight up. The navy version of the jet-propulsion plane, known to the men who fly as "swish," because that is the way it goes.

Improved rockets and rocket guns that won't do the enemy any good. Battleships with 100 times the fire power of battleships built three years ago, and a new 27,000-ton battle cruiser which will be the first vessel of its kind in the United States fleet.

Aircraft carriers from whose decks twin-engine medium bombers will be able to take off—and much else.

Even the most experienced navy fliers, the visiting reporters learned, were amazed when they first observed the jet plane's speed, maneuverability and climbing ability.

Navy fliers seemed even more pleased with a newly perfected twin-engine fighter which appears about equal in performance to the "swish," despite the fact that it is equipped with heavy armament and armor.

OFFICIAL U. S. NAVY PHOTOGRAPH

A passenger on a Great Lakes cruise ship took this picture after noting the striking resemblance between Joanne Leoney of Iowa City, Iowa, a waitress on the ship, and the girl model used in one of the WAVES posters on board the vessel. Joanne, a University of Iowa junior, echoed the sentiments of the little girl about joining the Women's Reserve, but she's not yet 20, the minimum age. Observing their second anniversary this summer, the WAVES still need thousands of women under 36 for patriotic war service. Counting food and quarters, the starting pay of WAVES is \$141.50 a month—\$32.65 per week—plus such extras as \$200 clothing allowance, free medical and dental care, special income tax exemption, low-cost government life insurance, etc.

BIBLE THOUGHT AND PRAYER

If parents will have their children memorize the daily Bible selections, it will prove a priceless heritage to them in after years.

And they were not able to resist the wisdom and the spirit by which he spoke. Acts 5:10

Nazi Prisoners Despair

Of Victory for Germany
LONDON.—German prisoners were reported by army guards to be pessimistic about German chances of winning the war.

Sergt. Orie Yonkers of Midland Park, N. J., who talked with many, quoted one soldier as saying: "For us the war is over. For the German army it will be over in two months."

A German Catholic priest, conscripted into the medical corps, said:

"I didn't start this war and I have no interest in it."

Eight German officers were stern and arrogant.

When lunch of tea and crackers came, they turned their backs.

Landlord Rewards Stork

In War Bonds for Births

CLEVELAND.—Henry Solomon, the Cleveland landlord who rewards all tenants visited by the stork, raised the ante after the start of the Fifth War Loan drive and made the baby bonus a \$25 war bond.

Originally he gave each family \$5 in gold and when the United States went off the gold standard payments were made in silver. Since the war rewards were in war savings stamps.

Under Mr. Solomon's plan a second child in the same family would receive a \$50 war bond, a third child a \$100 bond, a fourth child a \$200 bond and so on.

Princess Tries Her Hand

As Chief Cook at Palace

NEW YORK.—Princess Margaret Rose, 14, is working for her Girl Guides cooking badge. Consequently, the British royal family often dines these days on "practice meals" she serves from the family's rationed food. Mrs. John Corbett of Kingston, Ontario, said here. Mrs. Corbett, a leader of the Girl Guides, sister organization of the Girl Scouts, said Queen Elizabeth had told her the story.

Salute to the man behind the man behind the gun

American production turned the tide, changed defeat and despair into victory. Every American worker, man or woman, can take pride in this record of an aroused free people. An appreciative nation says "Thanks" on this celebration of Labor's own Day.

BRIEF LOCAL NEWS

Mr. and Mrs. Wm. Lloyd have as their guests their son and daughter-in-law, Mr. and Mrs. Robert Lloyd of Greensboro, N. C.

Miss Eugenia Osborne is spending her vacation with relatives in Maryland for two weeks.

Rev. and Mrs. Thomas Faulkner, Jr. are spending a month's vacation with his parents, Rev. and Mrs. Faulkner at Blackstone, Va.

Dr. and Mrs. E. B. Moncure entertained the following guests the past few days: Mrs. James Murray and daughter Patsy from Arcadia, Calif.; Mrs. Archie Ham and her sister, Miss Florence Richardson of Newport News, Va. Mrs. Moncure went to Newport News with her guests, Mrs. Ham and Miss Richardson for a visit.

Mrs. Virginia M. Farpurhar has moved into her new home in Arlington, Virginia.

Mr. and Mrs. L. S. Rohr and their daughter, Carolyn, have returned from a visit to Watertown, N. Y.

Mr. and Mrs. Wilson Kite and son Barry, of Washington, are spending this week with Mrs. L. M. Kite.

Mr. Roger Anderson of Arlington, spent the past weekend with Mr. and Mrs. H. S. Wetherall.

Mrs. H. L. Wetherall and son Jack, were in Washington last Thursday, and visited the former's daughter in law, Mrs. Martin C. Wetherall, who is in Doctor's Hospital.

Mrs. Helen R. McClellan of Virginia Beach is the guest of Mr. and Mrs. Joseph Hansen of Grant Ave. They had as weekend guests Mrs. Hansen's nephew, Sic Norman G. Wellington, and Sic William Webster who are stationed at the Naval Mine Warfare School, Yorktown, Va.

NOKESVILLE

Mrs. Clifford Bear, Sr., received a letter from her son Lt. John Bear in France stating he was wounded in one of his fingers. We trust it is not serious. So far she has not received word from the War Department. Another son, Lt. Harry Bear is somewhere in England.

PFC Max Shepherd who has been in England the past year writes he is now in France. We hope he is still driving the same jeep he has had since he first went to England.

Lt. and Mrs. William Hale of Ft. George G. Meade, Md. and Miss Frances Hale of Washington, spent the weekend with their parents here.

PFC Gordon Ellis writes that the section of France where he is located is simply beautiful. About every other field is an apple orchard and the trees are loaded with fruit, and as they travel thru the streets their cars are filled with flowers that the children throw at them.

Mrs. Mary Johnson has a letter she received a few days ago from her brother William Deihl in France. He described a fox hole and how he was sleeping in one. The postcard and two francs he sent he sent for his little niece, Deloris, were also quite interesting.

Dorothy BERRYMAN wrote from Italy that she was in a restaurant one day and heard someone say he was from Nokesville, Va. She hardly recognized at first Lt. Francis Wells as he had grown quite a large moustache.

Cpl. and Mrs. Warren Kerlin are spending a short furlough with their parents Mr. and Mrs. W. B. Kerlin.

Mrs. Amos Smith returned on Tuesday after spending several days with Claud, a patient at Ashford General Hospital, White Sulphur Springs, W. Va. He will have another operation this week on his hand and thinks he can spend several days with his friends. Mrs. Smith brought back his Purple Heart and a number of German and Japanese souvenirs.

Mrs. Sam Whetzel and Mary Lee spent the weekend with relatives at Fulk Run.

Dr. Harry W. Snyder of Denver, Col. Mr. J. C. Snyder and Virginia Perry Knapp of Washington, D.C. Mrs. Bill Holland, Mr. and Mrs.

were guests on Saturday and Sunday of Mr. and Mrs. L. J. Bowman

Mr. and Mrs. Robert Poland have purchased the home formally owned by C. Bettis and expect to move. Mr. William Mayer returned to his home at Bergton after spending sometime visiting friends and relatives here.

Mr. and Mrs. Joe Reading are located in their new home recently purchased from Mr. V. I. Zirkle.

A party was held at the cannery on

Monday P. M. for the Supervisor, Mrs. Alice Miller. Mrs. Miller has endeared herself to all those who have worked with her; we are sorry to have her leave but wish her much success in her new home in Roanoke.

War Bond Dollars Are
DOUBLE DUTY DOLLARS

UNDER the Mutual Aid Plan, Canada has expended close to one billion dollars in goods and services for the United Nations. The extent of this help is portrayed above. While to date, the assistance to the Fighting French has not been extensive—mainly naval ordnance—a larger program has been initiated so most

'Going to the Dogs' Is Easily Done in London

LONDON.—It's easy to go to the dogs in London.

And it's a very popular pastime. All you need is a few pence trainfare to the nearest whippet track and two shillings to get in at the gate.

Then it's up to you—and the dogs you bet on—whether you walk home loser or ride back in style in a four-buck taxi.

Even the war hasn't wiped out the Briton's love of gambling. Anyone who thinks these people phlegmatic should spend an evening watching them in the grip of betting fever at one of the weekly dog races which draw the attendance of many thousands, including many American soldiers and officers on leave.

The first of eight races starts at 6:30 p. m. and the last is over by 8:35 so the crowd can get home before the blackout.

It costs two shillings or 40 cents to sit in the "bleachers," 80 cents for a grandstand view and \$3 for a reserved seat in the finish line section where it is considered "bad form" to drop less than 10 pounds or \$40 at a clip.

HAYMARKET

Mr. and Mrs. Nathaniel McCuin of Haymarket have just returned from Mt. Sidney where they went to attend the funeral of Mrs. McCuin's nephew, Henry Foley, who passed away recently.

Mr. and Mrs. Timothy Baker had as their Sunday guests Mr. and Mrs. Nathaniel McCuin and son Eugene, and Mr. and Mrs. Howard McCuin and son Donnie of Haymarket, Mr. and Mrs. Clinton Sutphin and children, Nancy, Dorothy, Catherine and Bobby of Warrenton. The occasion was the birthday of their daughter, Elaine and their sister-in-law, Mrs. Howard McCuin.

Sgt. Paul Baker was wounded in action in France on July 26th.

Miss Alice Baker of Thoroughfare spent last week with her Uncle and Aunt, Mr. and Mrs. Timothy Baker.

Mr. and Mrs. Howard McCuin have moved in Haymarket.

Mr. and Mrs. Nathaniel McCuin spent the past weekend with their niece and nephew, Mr. and Mrs. Chas. McCuin of Washington.

REAL ESTATE

Wednesday, September 13, 1944

At 11:00 O'clock A. M.

In Front of

THE PEOPLES NATIONAL BANK
OF MANASSAS
Manassas, Virginia

Pursuant to the provisions of that certain deed of trust executed by William E. Tyler and Mary Tyler, his wife, on the 21st day of May, 1928, to Cecil Connor, Trustee, of record in the Clerk's Office of the Circuit Court for Prince William County, Virginia, in Deed Book 85, Folio 227-8 and to that certain order substituting Stilson H. Hall as trustee in the deed of trust aforesaid in the place and stead of said Cecil Connor, deceased, of record in the Clerk's Office aforesaid in Common Law Order Book No. 13, Page 188, and in Deed Book 111, Page 434, default having been made in the payment of that certain debt secured therein as by said deed of trust provided, and said Stilson H. Hall, substituted trustee as aforesaid, having been requested in writing by the holder of said debt, the undersigned substituted trustee will sell at public auction in front of the Peoples National Bank of Manassas, Manassas, Virginia, on Wednesday, September 13, 1944, at 11:00 o'clock A. M., the following described real estate:

All that certain tract of land containing in the aggregate 300 acres, more or less, situated on the east side of Bull Run Mountain in Prince William County, Virginia, adjoining the lands of Turner, Reuter, Cromer, Hutchison, the lands formerly owned by Byrne, and others, which tract of land was conveyed to the said W. E. Tyler in two separate parcels, one tract by deed bearing date May 18, 1910, of record in Liber 59, folio 421, in the Clerk's Office of the Circuit Court of Prince William County, Virginia, and the other tract by W. I. di Zerega and wife by deed bearing date June 5, 1907, of record in the Clerk's Office aforesaid in Liber No. 57, folio 50.

Sale to be in gross and not by the acre.

This land is well watered, and has on it valuable young timber, including locusts, as well as a large quantity of building stone and flagstone.

TAXES for the year 1944 to be paid by the purchaser.

POSSESSION to be given when terms of sale are complied with.

TERMS OF SALE: Cash.

Stilson H. Hall,

Substituted Trustee.

In Re: Proposed Ordinance Regulating the Sanitation of Restaurants, Lunchrooms, and Establishments Serving Food in Prince William County, Virginia

Be it resolved by the Board of Supervisors of Prince William County, Virginia, that the following ordinance be and the same is hereby proposed for adoption by this Board.

The Clerk of this Board is hereby directed to cause a copy of this resolution and a copy of said proposed ordinance to be forthwith published for two successive weeks in the Manassas Journal, a newspaper printed and circulated in Prince William County, and the hour of 2 o'clock P. M., on September 7, 1944, the next regular meeting of this Board is hereby set for a formal hearing on the adoption or rejection of said ordinance.

A True Copy,

WORTH H. STORKE, Clerk

An Ordinance Regulating the Sanitation of Restaurants, Lunchrooms, and Establishments Serving Food in Prince William County, Virginia

Be it ordained and enacted by the Board of Supervisors of Prince William County, Virginia, under and pursuant to the powers vested in it by Section 2743, of the Code of Virginia of 1942, that the following ordinance be enacted and ordained by the said Board to-wit:

Section 1. It shall be unlawful for any person, firm or corporation to maintain or operate in Prince William County, Virginia, any restaurant, lunchroom, dining room or eating place for the entertainment or accommodation of the public generally without having first obtained a permit to maintain and operate such establishment from the Prince William County Health Department.

The term 'restaurant' shall mean

restaurant, coffee shop, cafeteria, short-order cafe, luncheonette, hotel dining room, tavern, sandwich stand, soda fountain, or any other establishment where food, diet or refreshment is prepared and sold for consumption therein.

Section 2. The permit issued under the provisions of this ordinance shall be displayed in a permanent and conspicuous place, or at any place on the premises designated by the Prince William County Health Department.

Such permits shall be issued for a period of not longer than one year from the date of their issuance, such permit may be suspended by the Prince William County Health Department for good and sufficient cause, for a period not exceeding seven days and may be revoked by the Prince William County Health Department in case of a conviction in the Trial Justice Court of Prince William County for a violation of this ordinance.

Section 3. All such restaurants, lunchrooms, dining rooms or eating places shall be open at all reasonable hours to inspection by any representative or official of the Prince William County Health Department, and it shall be unlawful for any person, firm or corporation maintaining or operating any such establishment in Prince William County, Virginia, to refuse or prevent the inspection of such establishment by any representative or official of the Prince William County Health Department at any reasonable hour.

Section 4. Floors. The floors of kitchens shall be made of tile, concrete, or other impervious material approved by the Health Department, or of wood; and shall be kept clean and in good repair. The entire floor of kitchen must be free of unnecessary articles.

Section 5. Walls and Ceiling. The walls and ceilings must be constructed of material that can be cleaned easily; painted with a light colored paint, or finished in a manner approved by the Health Department.

Section 6. Lighting and Ventilation. The window space in kitchens must not be less than ten percent of the floor area unless adequate artificial light is provided and windows must be arranged as to give the maximum amount of natural light. In all instances adequate artificial light must be used also during periods when there is not sufficient natural light. Metal hoods over ranges, equipped with ventilators, and exhaust fans must be provided where the Health Department deems it necessary.

Section 7. Drainage. Drain and waste pipes from floors, wash sinks, soda fountains, ice boxes, etc., must be of sufficient size, well trapped, and in a good state of repair, and approved by the Health Department.

Section 8. Screening. Screening shall be considered satisfactory if all openings are effectively screened. Outer doors must open outward and be self-closing, unless other effective means are provided to prevent the entrance of flies. Other methods approved by the Health Department may be used in addition to prevent flies in food establishments.

Section 9. Toilets. Adequate, approved toilet facilities must be provided for employees. Toilets must be constructed and maintained in accordance with the current rules and regulations of the State Health Department.

Toilets must be entirely separate and apart from any room used for the manufacture, storage, or handling of food products. Flush toilets used in any food establishment must be provided with tight, self-closing doors, and all new construction must be ventilated, and toilet room must be ventilated by means of a window or flue leading to the outside. All flush toilets must be connected to an approved sewer system or provided with properly constructed septic tank.

Walls, floors, seats and commodes must be clean, and a supply of toilet paper must be provided.

Section 10. Hand-Washing Facilities. All food handlers must observe a high standard of personal cleanliness, and they must be constantly supervised in this respect by the employer. The hands of all employees must be washed thoroughly in hot, soapy water after visiting the toilet. The waiters, cooks, etc., must keep their hands away from the mouth and nose and wash their hands immediately

in hot soapy water should they become contaminated with oral or nasal secretions. Employees must keep fingernails short and clean.

Adequate hand-washing facilities include running hot and cold water, or a suitable vessel and an adequate supply of clean water, soap, and a clean individual towel for each employee.

Section 11. Kitchen Utensils. All kitchen utensils must be of an approved type, constructed of heavy gauge material, with a not readily errodible surface and of a shape that will make cleaning easy. All containers, utensils, and other equipment, must be in good repair, free of breaks, open seams, and corroded places. All utensils not in use must be stored above the floor, inverted when practicable, and protected from flies, dust and insects.

Section 12. Dishes, Cups, glasses, etc. Dishes, cups, glasses, etc., must be of an approved type, free of cracks, and chipped places, clean, properly sterilized after each usage, and stored so as not to become contaminated.

Section 13. Silverware. Silverware must be in good state of repair, clean, properly sterilized after each usage, and stored so as not to become contaminated.

No article, polish, or other substance containing any cyanide preparation or other poisonous material shall be used for the cleaning or polishing of eating or cooking utensils.

Section 14. Mechanical Equipment. Mechanical equipment must be maintained in a good state of repair, clean at all times, and sterilized as often as the Health Department deems necessary.

Section 15. Dishwashing Equipment. Adequate facilities must be maintained for the washing, rinsing and sterilization of all utensils used in the preparation, handling, and serving of food and beverages. The following is considered the minimum equipment for washing, rinsing and sterilizing such utensils: Adequate facilities for heating water, for cleaning; stationary wash and rinse vats of not less than three compartments, or if chemicals are used to sterilize utensils, a four compartment vat must be provided. An approved washing powder must be used.

Nothing contained in this section shall be construed as disbaring any other equipment which has been demonstrated as of at least equal efficiency and is approved by the Health Department.

Section 16. Methods of Sterilization Recommended. One of the following methods must be used: Steam, hot water, and chlorine chemicals. If steam is used as a method of sterilization, utensils must be exposed for at least fifteen minutes to at least 170 degrees F., or for at least five minutes at 200 degrees F. in a steam cabinet; or exposed to a jet of steam for at least one minute; or submerged in hot water at 170 degrees F., or more, for at least two minutes; or exposed to a chlorine solution containing not less than fifty parts per million of chlorine for at least two minutes. (A solution containing the hundred parts per million, or more, is recommended).

The practice of drying eating utensils with a towel shall not be permitted.

Provided that nothing contained in this section shall be construed as disbaring any other process which has been demonstrated as of at least equal efficiency and is approved by the Health Department.

Section 17. Tables, Shelves, Etc. All tables must be properly constructed of materials that can be thoroughly and easily cleaned. All table tops must be of non-absorbent material when deemed necessary by the Health Department. Table tops must be free of unnecessary articles. Table covers, napkins, etc., must be clean and all shelves shall be clean, free of unnecessary articles and neatly arranged. All napkins shall be discarded or laundered after each usage.

Section 18. Garbage cans. Garbage cans shall be of non-absorbent material, leak-proof, adequate size, with tight fitting top, and must be kept reasonably clean.

Section 19. Water Supply. Any water supply used at a food establishment shall be properly located, constructed, operated, and should be easily accessible, adequate and of a safe sanitary quality.

Section 20. Refrigeration. Refrigerators, ice boxes, etc., shall be of

adequate size to store all perishable food, constructed of materials that will permit thorough cleaning, shall be properly drained and ventilated, shall be equipped with thermometer and kept at a temperature below 30 degrees F., at all times, except during periods of defrosting. Floors, walls, ceilings, racks, hooks, pipes, etc., shall be kept clean.

Section 21. Milk and Cream. Only graded milk shall be used or served in a food establishment. Official placards, stating the grade of milk served, whether pasteurized or raw, must be displayed in a place designated by the Health Department. All milk must be served in the original one-half pint container in which it was bottled at the plant. Milk drinks shall also be made from the entire contents of the original one-half pint bottle.

Section 22. Food Covered. All prepared foods and foods consumed in the raw state must be protected from flies, dust, dirt, etc., by properly covering, wrapping with cellophane, or displaying in fly and dust proof cases.

Section 23. Employee's Clothing: Employees must wear clean, washable outer garments at all times while engaged in the preparation, handling and serving of food.

Section 24. Examination of Food Handlers. Every person connected with any food establishment in the County of Prince William, whose work bring such person in contact with the handling, preparing or serving of food or food products, shall furnish such information, permit such physical examination, and submit such laboratory specimens as the Health Department may require for the purpose of determining freedom from infection.

Section 25. Vermin and Rodent Control Methods. Owners and operators of food establishments must employ methods for controlling vermin and rodents.

Section 26. Penalties. Any violation of any provision of this ordinance shall constitute a misdemeanor, and shall be punishable by a fine of not less than \$5.00, nor more than \$50.00 or by imprisonment in the County Jail not exceeding thirty days, or by both such fine and confinement in jail in the discretion of the justice court or jury trying the case, and each day's violation of any of the provisions hereof shall constitute a separate offense.

Section 27. If any part or parts section, subsection, sentence, clause or phrase of this ordinance is for any reason declared unconstitutional, such decision shall not affect the validity of the remaining portions of this ordinance, which shall remain in full force and effect as if this ordinance had been passed with the unconstitutional part or parts, section, subsection, sentence, clause or phrase hereof, eliminated, and this Board now declares that it would have passed this ordinance if such unconstitutional parts, sections, subsections, sentence, clause or phrase had not been included therein.

Be it further ordained that this ordinance be, and the same is hereby made effective on and after October 1, 1944.

Be it further ordained that the Trial Justice of this County be furnished with a certified copy of this ordinance, and that complaints for the offenses hereinabove set forth be prosecuted under the terms of this ordinance, and that all fines imposed under this ordinance shall be collected and paid to the credit of the County Levy Fund of this County.

Be it further ordained that the Clerk of this Board be, and he is now directed to cause a copy of this ordinance to be published in two consecutive weekly issues of The Manassas Journal.

WORLD WAR MEMORIAL BLASTED—Enemy shells that wrecked this church at Saintenay, France, did not spare the town's monument to its heroes of 1914-18.

Civilian Women Caught

Sniping to Be Interned

LONDON.—The status of a group of civilian women caught sniping at Allied soldiers in France was settled by a government order directing that they be interned as enemy aliens.

A home office spokesman said enemy women captured in uniform would be treated as prisoners of war, but others taken would be interned.

The first woman captive, Myna, a 29-year-old Pole accused of sniping, probably will be sent to the Isle of Man where many other enemy aliens are being held, the spokesman said.

Rooster Pecks Hole in

Head of Helpless Child

INDIANAPOLIS.—A belligerent gamecock attacked John Lewis Ferguson, two, in the back yard of his parents' home, and the child was rescued by his mother only after the rooster had pecked a hole in his head and had made eight other lacerations in his face and head. The child was unconscious, and physicians at the city hospital said if the wound on the top of the head had been a fraction of an inch deeper it might have proved fatal.

Bathroom Problems

Stump OPA Officials

ATLANTA.—A Mississippi woman seeking OPA guidance in renting her apartments, asked these questions:

"How many baths a week should each person be allowed?"
 "How long is one person supposed to stay in the bathroom?"
 The OPA is looking for the answers.

"GIVE TO YOUR RED CROSS"

Let these guys start it !

There's a day coming when the enemy will be licked, beaten, whipped to a fare-thee-well—every last vestige of fight knocked out of him.

And there's a day coming when every mother's son of us will want to stand up and yell, to cheer ourselves hoarse over the greatest victory in history.

But let's not start the cheering yet.

In fact, let's not start it at all—over here. Let's leave it to the fellows who are *doing* the job—the only fellows who will *know* when it's done—to be in the celebrating.

Our leaders have told us over and over again that the smashing of the Axis will be a slow job, a

dangerous job, a bloody job.

And they've told us what our own common sense confirms: that if we at home start throwing our hats in the air and easing up before the job's completely done, it will be slower, more dangerous, bloodier.

Right now, it's still up to us to buy War Bonds—and to keep on buying War Bonds.

Let's do that. Let's keep bearing down till we get the news of final victory from the only place such news can come: the battle-line.

If we do that, we'll have the *right* to join the cheering when the time comes.
