No Corn Storage, No Price Support Says PMA Head, Chairman R. B. Bridgforth

With Virginia corn production likely to reach a new high, with the coming harvest, R. B. Bridgforth, State PMA Chairman, this week urged growers to plan their own farm storage if they are to expect a reasonable return for this year's crop.

He pointed to BAE estimates of August 1, placing Virginia's 1949 corn production at 50,668,000 bushels which would exceed even the 1948 production of 50,525,000 bushels up to then a record.

In a release to PMA farmer-committees throughout the state, Mr. Bridgforth said that farmers will "likely have to feed, sell, or store more corn than ever before." He restrained farmers from sacrificing their corn on low markets soon after harvest and urged them to take advantage of government price supports wherever possible. However, he noted that "price supports are not effective without storage. There will be little, if any, commercial storage available, which means that corn must be stored on the farm to obtain price support."

Rohr's 5 to 10 store, and Coker's Pharmacy will also have questionnaires and a place to put them when they have been filled out.

All home games will be under the lights at Manassas Athletic Field, and all of the away games will also be at night with the possible exception of the game with Charles Town, W. Va. Game time for all the night games will be 8 p. m. EST. Admission to all games will be 30 and 60 cents. There will be no sale of season ticket books this fall.

Sure You Haven't A "Blind Spot"?

As I was driving down Main Street last Saturday, another car swung out right in front of me. It wasn't going fast. It was just that he had something else on his mind at that particular moment.

Buck's really one of the nicest fellows I've ever known. But, sometimes he gets to day-dreaming on the road. He sort of gets a "blind spot" to what's going on about him!

Now, lots of normally considerate folks have their "blind spots."

Red Sox Topple Louisa 3-2, Sunday

The Manassas Red Sox scored two runs and overcame a 2 to 1 disadvantage in the ninth inning to defeat Louisa, 3 to 2, in the most thrilling game played at Swavely field this year.

By winning the Red Sox ended the season in second place in the Rappahannock League with 15 wins and 7 losses.

The 9th inning was one that will live in the hearts of the fans that turned out to see the Red Sox battle it out with Louisa. Ralph Graves had held the Sox to 7 hits and one run when the last ditch rally began.

Dallas Posey grounded out to open the 9th and then Howard Atkinson drew a walk and Carlin Posey tweek off for a line drive single to left field and when the throw in went wild Atkinson scored

with the tying run. Posey reached third.

Russell Loveless then dropped a perfect bunt down and Posey raced home with the winning run. The Red Sox scored first as their first batter, Otis Taylor, tripled and scored on error, but they missed a big inning as Buddy Merchant, Howard Atkinson, and Carlin Posey singled, but failed to score any more runs.

Louisa come back with the tying run in the 2nd inning as Williams walked, Powell singled and Hester singled. Louisa took the lead in the 8th as Williams tripled and Hester singled, but "Bobo" Studler buckled down to stop Louisa cold. Then came the 8th inning and the Red Sox victory—second place in the league.

Score by innings:
Red Sox 1 0 0 0 0 0 2—3 9 1
Louisa 0 1 0 0 0 0 1—2 12 2
Stutler and Wilt and Loveless Graves and Williams.

Triangle Tops Marshall Nine By 6-5 Score

By Billy Johnson

Although constantly in trouble by their own errors, seven in number, Triangle managed to squeeze out a 6-5 verdict over Marshall Sunday in the initial championship game. The win by the supposed underdog Triangle puts all the pressure on Marshall this Sunday at their home diamond. It is a case of win or go home for Paul Frame's boys.

Marshall garnered single runs in the second, third and fourth innings to hold a 3-1 edge. It ap-

peared as if Richard Russell might be on his way to a first game win. In the fourth, however, the roof fell in as Triangle put together six hits with some erratic fielding for five runs and the game.

Singles by Spencer, Reynolds, Wilson, Saylor and Cline, plus a double by Alexander, were the big blows of the inning and prompted Russell's departure in favor of Kenneth Deavers.

Alexander Sets Pace

Marshall added two runs in the seventh and brought Melvin Shepherd to "Top" Amidon's rescue. Although they got men in scoring position in both the eighth and ninth innings, Marshall could score no more.

The two teams go at it again Sunday at Marshall. The game begins at 2:30, EST., with Triangle hoping to end the series and win

their second consecutive championship of the Northern Virginia Baseball League.

Alexander paced the ten-hit Triangle attack with a double and two singles, followed by Reynolds with a double and a single, Cline with two singles and Spencer, Wilson and Saylor with a single each.
