Hallow'en coming up some planning parties for children. Surely you will want to have something on for "trick-or-treat." Cute remonies to suit the occasion can easily be made and will add much to the occasion.

A quick Orange Party Cake children love to see and eat, can be made in half lengthwise. Top upper half with orange icing, leaving two lbs. butter or margarine, 3 cups confectioner's sugar, 1/2 cup orange peel, and 1/2 cup orange juice to make icing. While icing is soft, set anti-flickers around edges of cake, ready to serve, slice one pint sherbet in two and spread over half of cake. Top with orange and decorate platter with more animal crackers. Serve lighted candles in center, if desired.

A cute Hallow'en favor, take bright colored orange and yellow for each favor. Draw face on orange, using a crayon or pencil. Make hats of striped paper. Fasten orange with skewers to lemon bases, steady by cutting ends off. Set on rounds of cardboard attach place cards. A stick of striped stick candy with each will be a welcome treat.

Hot Fruit Punch  
1 cup boiling water  
1 cup tea  
1 cup sugar  
1 cup orange juice  
1 cup lemon juice  
1 cup grape juice  
1 quart boiling water  
1/2 cup orange slices  
1/2 cup tea in boiling water for 5 min. Strain. Add sugar to hot and let cool. Prepare fruit juices in glass quart jar covered tightly, until ready to use. Add boiling water, mix all in bowl and garnish with citrus. Serve while hot. Makes 16-22 small glasses.
