SUPERVISORS CALL SPECIAL MEETING TO CONSIDER TAX INCREASE FOR BONDS

Hunton Tiffany Charter Night Is Appointed Celebrated By Defense Head

J. Murray Taylor, chairman of the Board of Supervisors, this week will appoint Hunton Tiffany director of the Manassas County defense.

The appointment comes at the time Virginia is setting up a State-wide civilian defense organization, to be headed by Governor Battle as director and J. H. Wyse of Richmond as co-ordinator.

It will be Tiffany's job to coordinate Prince William's unit with the State organization. Also, since Manassas Town Council voted to cooperate with the County defense unit rather than organize a unit for the Town, Tiffany must arrange cooperation between Manassas and the rest of the County in the event of a civilian defense emergency.

Tiffany, who has not yet been officially notified of the appointment, has made no specific plans yet. Planners for Virginia civilian defense have almost completed their organization. A chain of aircraft observation posts through northern and eastern Virginia has been largely established and a system of aircraft warning, with a central telephone switchboard in Richmond, has been activated. Evacuation plans are under study and will be developed in cooperation with local authorities.

It is reported that Governor Battle has given civilian defense top priority and has stated that Virginia will proceed with its plans as rapidly as possible and not wait for Congressional consideration of civil defense problems on the national level.

Meetings will be held in Roanoke on October 11 and Washington on October 17 to arrange regional civilian defense programs.

An automobile, driven by Charles Mathias, of Manassas, was damaged to the extent of about \$250 last Thursday night, when it collided with a cow on Route 28 near Manassas. The cow, owned by J. J. Breeden, was seriously injured and put to death.

OBITUARIES

JAMES EDWARD BRADFORD, III
Funeral services were held Monday in Trinity Episcopal Church for James Edward Bradford, III, twelve-year-old son of Mr. and Mrs. James E. Bradford, Jr. of Manassas, who died Sunday following an attack of poliomyelitis. He was stricken with the disease last week.

This was the first known Prince William County fatality this year from the bulbar type of acute poliomyelitis.

The young boy was a seventh-grade student at Bennett School, a member of the school band, and a member of the Trinity Episcopal Church school and the Junior Choir. Besides his parents, he is survived by a brother, Thomas Whitington Bradford, 7, and his grandparents, Mr. and Mrs. James E. Bradford of Manassas, and Mr. and Mrs. Milton S. Lankford of Baltimore, Md.

The Rev. E. Guthrie Brown, rector of Trinity, conducted the services. The Rev. Thomas B. Faulkner, Jr., rector of St. George Church, Fredericksburg, Va., assisted the Rev. Mr. Brown. Interment was in Manassas Cemetery.

Funeral services were held for Mrs. Catherine Whetzel last Saturday at the home of her daughter, Mrs. Florence Kaiser in Nokesville. Mrs. Whetzel leaves one of the largest families in this County. She is survived by 10 children, 23 grandchildren, 13 great-grandchildren, and 1 great-great-grandchild.

Mrs. Whetzel was born at Bergham, Va. on April 10, 1885 and was married to the late James C. Whetzel on April 18, 1886. Mrs. Whetzel had been a member of the Church of the Brethren for 78 years.

Funeral services were conducted Monday by the Rev. Dewey D. Fleishman at the Valley Church of the Brethren, with burial following in the Church cemetery.

The Manassas Lions Club celebrated charter night Wednesday with a dinner meeting in the basement of the Methodist Church. Members, wives, and guests present totaled 101.

Representatives from nine Lions clubs came to Manassas for the festivities: 16 came from Falls Church and two came from as far as Winchester.

Jack Merchant, 1st vice-president of the Manassas club, presided in the absence of Ned Bradford, Jr., president, who was unable to attend due to the recent death of his small son. The Lions sent a message of sympathy to President Bradford.

After-dinner speakers included Floyd Riddick, district Lion governor from Charlottesville; Ernie Cook, deputy district governor from Charlottesville; Ernie Cook, deputy district governor from Arlington; "Chip" Holbrook; Jack Hill, director of Lions International; Rod Coward, Orange; John Donovan, Lions International councilor; Dick Kaufman, Gilbert King, Jack Haggard, Frank Wagner, and George Kirkwood.

Mary Ann Sinclair, winner of the Lions Bland Memorial Music Scholarship, entertained the guests with several selections on the piano, and the Lions and their wives closed the meeting with a group-singing of "Carry Me Back to Old Virginia."

Dinner for the group was prepared by the Ladies Aid Society of the Methodist Church.

Lora A. Dennis Is Wed
Mr. and Mrs. C. A. Dennis of Nokesville have announced the marriage of their daughter, Lora Amelia, to Pvt. William H. Ross on September 16 at the Baptist Church in Frederick, Md.

The bride recently graduated from Strayer Business College and is an alumna of Brensville district high school, Nokesville. Pvt. Ross also attended Brensville high school and is now stationed at Ft. Belvoir.

The couple are residing at their apartment in southeast Washington.

• The week of October 15 to 21 will be observed as National Letter Writing Week, according to the Post Office.

• State Senator Andrew Clarke was in Manassas Monday conferring with friends.

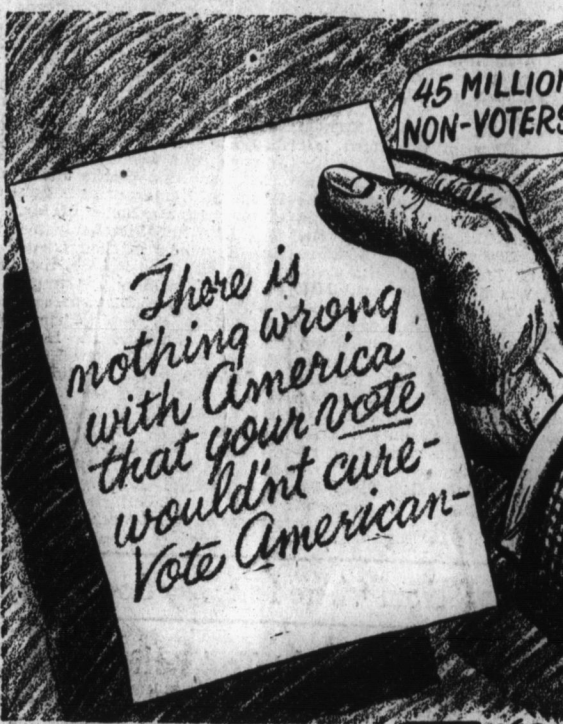

News from Prince William Communities

Nokesville
By Mrs. Fred Shepherd

Halloween parties for everyone in the Nokesville community are really in the making. At the Aden U.B. Church are planning what sounds like a grand evening of fun which will be held in the church basement on Wednesday evening, October 25 beginning at 7:30. During the evening there will be an informal program which will feature the Nokesville School band. During the evening prizes will be given to several classes of Costumed persons: a prize for the youngest, for the oldest, for the best dressed Halloween couple, nearest adult, nearest child and funniest of all. There will be no admission charge.

At the Nokesville Church of the Brethren a party for everyone in the church basement on Monday night, October 30. The young folks are planning to decorate extensively for the occasion. There will be eats of

Supervisors Appoint Highway Viewers

The Board of Supervisors last Thursday appointed a board of highway viewers to study the proposed route of the Monticello Highway between Fairfax and Manassas.

Appointed to the board were Harry Parrish, W. M. Johnson, J. L. Bushong, T. M. Russell, and William H. Wheeler.

Former Manassas Student Cited For Social Work

Mrs. Rachel Ratcliffe Wilson, an alumna of Manassas Regional High School, is cited in the October issue of the magazine Coronet for her humanitarian services to Negro boys and girls. The magazine article, written by Carol Hughes, is entitled "Mother to Wayward Boys and Girls." Mrs. Wilson, who is a social worker in Houston, Texas, earned a scholarship at Regional High School and later attended Hampton Institute.

SRO For '90's Sextette

Manassas Gay Nineties Sextette were a "small hit" last week at the Kiwanis Convention in the Mayflower Hotel, Washington. Dressed in authentic Gay Nineties costumes, the ladies gave an outstanding performance. Kiwanis officials were so delighted, they have invited the Sextette to conventions in Portsmouth and Salem and are considering bringing them to St. Louis next June for the Kiwanis National Convention.

• The Junior Choir of Trinity Episcopal Church will sing in place of the Senior Choir this Sunday at 11 a.m.

John Van Doren, 2, Suffering From Polio

John Van Doren, two-year-old son of Mr. and Mrs. Francis E. Van Doren, Jr. of Manassas, is suffering from polio. Physicians diagnosed the disease yesterday.

The boy's condition is described as "good" and he is resting at home.

Doctor Registration To Be Light Here

Not more than two or three Prince William doctors are expected to be affected by the doctor-draft registration ordered this week by Presidential proclamation.

Ordered to register are all physicians, dentists, and veterinarians under 50 years of age who were completing their education, or who obtained part of their professional training at government expense. Those who have served 21 months or more of active duty, or who are now a member of some armed forces reserve are not affected.

• The Manassas Recreation Association tour of the Dumfries-Ocoquan historical area will be repeated Sunday. R. Jackson Ratcliffe will again serve as leader. Following the tour held several months ago, there were requests for expense of the same. The group will depart from Ratcliffe's office on Battle St. at 12 noon Sunday.

• The Junior Choir of Trinity Episcopal Church will sing in place of the Senior Choir this Sunday at 11 a.m.

Future Farmers Of Nokesville Win Again

Five members of the Nokesville chapter of Future Farmers of America who already had won numerous cash prizes and awards at three cattle shows, added another last week—the Atlantic Rural Exposition.

William Davis won third place and \$25 in the Guernsey Junior Calf class; William White placed fourth for \$20 in the Guernsey Senior Calf class; Harry Miller, Jr. placed fifth and won \$15 in the Junior Holstein Calf class; L. R. Cowne, Jr. placed second in the Holstein Junior Heifer class; Jimmie Flickinger placed third for \$25 in the Holstein Senior Heifer class; and L. R. Cowne, Jr. placed fifth for \$15 in the Holstein Senior Heifer class.

L. R. Cowne, Sr. received fourth place with his Holstein bull in the open class for Holstein bulls, 2 to 3 years.

The Nokesville FFA's now have won a total of \$629 in cattle shows. In addition, Charles Caton, Leonard Yankey, Junior Cowne, and Harry Miller, Jr. have each won a calf.

Chamber Asks Zoning Action

The Manassas Chamber of Commerce last Tuesday asked for action from the County planning and zoning commission. The commission apparently has done nothing since the time of its inception. Chamber members thought.

R. Jackson Ratcliffe, president of the Chamber, cited the need for some sort of zoning ordinances in congested areas of the County. At present there are no zoning regulations outside Manassas and the Triangle-Quantico area. Ratcliffe and Mrs. Jane Service last Thursday were appointed to the County zoning commission.

Zoning ordinances in small congested areas of the County would allow for future growth of the community, expansion of highways, and would protect property owners from suffering a loss because cheaper constructions were allowed to spring up around the more valuable property.

-We Hear That-

Jack Pick, Jr. of Dumfries recently suffered a bruised ankle, the result of an automobile accident.

Mrs. Van Darn of Centerville suffered a badly bruised leg even she slipped and fell in her home.

Yellowjackets Take Third Straight Win

Osborn High School Yellowjackets defeated Falmouth 13-12 last Thursday for their third straight win and the beginning of what may be their best season in several years.

Coach Jim Leo says he is well-pleased with his boys and that their improved teamwork will undoubtedly carry them to good season. The Yellowjackets teamwork, Leo says, is the best he has ever seen at Osborn.

Halfback Bobby Wayland led the way to victory in Thursday's game at Fredericksburg as he scooted 35 yards around end for one score and passed to "Bo" Black for another. The Yellowjackets now lead in their four-year series with Falmouth, having won two, lost one, and tied two.

After Wayland scored in the first period and "Bo" Black kicked the extra point which later was to prove decisive, the 7-0 lead gave Osborn security for only a short time. A costly fumble in the second quarter gave Falmouth the ball on the 7 and they punched over a score a few plays later. Falmouth failed to kick the extra point and trailed 7-6 at the half.

Opening the third quarter, Osborn again bobbled the ball and Falmouth recovered, this time on the Osborn 2. The very next play went over into pay dirt and Osborn trailed 12-7. Falmouth failed their second attempt at an extra point.

Fighting hard to regain the lead, Osborn took over on Falmouth's 4 midway in the fourth. They promptly opened a drive that carried them down to the 3, where Wayland rifled a short pass to Pittman for the winning score.

Moments later Osborn almost made the margin wider by another touchdown. Falmouth was thrown for a total 12-yard loss on four running plays and Osborn took the ball on Falmouth's 30. Fullback Bo yards and Osborn took the lead. Being dragged down on the sixth. But the final gun ended that threat.

Tomorrow night, Friday, Osborn takes on the George Washington High School Jayvets at 8:00 on Swasey Field.

Osborn Homecoming Planned For Oct. 27

"Who will be the Queen?" That's a question of more current interest than any other to students at Osborn High School. Next week they will choose a Homecoming Queen and her court to reign at the annual Homecoming on October 27. Activities include a football game with Caroline High School followed by a dance in gym. A large parade will precede the game.

While no one has denied the need for new schools, the big question in Prince William this week seemed to be: How will we pay for the proposed \$24 million bond issue for schools construction?

This was the chief concern of the County Board of Supervisors—as they called a special meeting for next Thursday to consider how much taxes will have to be raised in order to retire the 30-year bond issue if it passes the November 7 referendum. County treasurer C. A. Sinclair and Charleton Gnad, commissioner of the revenue, have been requested to attend the meeting and tell the Board what can be expected in the way of additional tax revenue during coming years.

Unless Treasurer Sinclair overnight turns into a Midas, it would appear that the only way to retire the bond issue, if passed, would be through an increase in real estate, personal property, and merchant's capital taxes, the principal source of County tax revenue. Perhaps an off-increase of 20 per cent would be needed.

The present tax rate in Prince William is \$2.30 per \$100, with assessments at about 25 per cent of actual value. Assessments last year for tax purposes totaled about \$16.5 million and are expected to total \$18.5 million this year. This about \$18.5 million this year. This will mean an additional revenue of almost \$50,000. However, this may be of no use in amortizing the bond issue, since it will probably be consumed by increased operating expenses of County government.

A 30-year bond issue of \$24 million would have to be retired by an average yearly payment of \$800,000 plus interest, which—at 1.5 per cent—would amount to a maximum of \$86,000. The present County budget of \$52,734.96 would have to be increased from 16 to 20 per cent.

A possible revenue, other than taxes, which might be used in amortizing the bonds will be the taxes soon to accrue from the natural gas pipe line now being built through Prince William. These may amount to as much as \$75,000 a year, but these too may be needed for increased operating expenses and cannot be earmarked yet.

The Supervisors must do some long range planning since the bond debt will not reach a maximum for five years. Although the bond issue would make \$24 million immediately available, it would be impossible to undertake simultaneous construction on all nine projects included in the building program. Superintendent of Schools Peters says they will be started on a priority basis and not until five years after the bond issue may be passed will the entire amount be spent.

Harvey Young Has Highest Dairy Herd

High herds for September have been announced by the Prince William Dairy Herd Improvement Association, No. 2, as follows:

Harvey Young, 788 pounds milk, 4.0 per cent test, 31.5 pounds of butterfat; G. K. Cowne, 759 pounds, 3.8 test, 27.4 butterfat; Harvey Smith, 631 milk, 4.13 test, 27.1 butterfat; Co. B. E. Allen, 746 milk, 3.6 test, and 25.6 butterfat.

Dr. E. H. Marsteller's "No. 46" was the high cow yielding 1,245 pounds of milk, testing at 7.2, with 89.6 pounds of butterfat.

**Ought To "Polish Up"
Her Traffic Manners!**

Spent most of yesterday over at the Court House. "Tiny" Fields, the biggest and fastest talking of our three policemen, was holding forth about his traffic troubles.

"Women drive just as good as men do," Tiny said, "and just as bad. For instance—a girl in a convertible today. She started a three-block tie-up all by herself."

"She's creeping down Main Street—left hand stuck out and sort of waving around. Never turns right or left, never stops. But, of course, everyone behind her thinks she's signaling about something. Nobody dares to pass. When I stop her and ask what's up, she smiles sweetly and explains that she's driving her nail polish."

From where I sit, that girl's typical of certain folks who are so wrapped up in themselves, they never notice they're not being fair to others. Our neighbor has a right to drive in safety—just as he has a right to enjoy a glass of beer. Let's all respect the other fellow's rights.

U. D. C.
The Manassas Chapter of the United Daughters of the Confederacy held its regular meeting on October 4 at the home of Mrs. V. V. Hum. Mrs. E. L. Byrd was co-hostess for the occasion. Miss Isaacson, president, in introducing Mrs. William Flory of Bel Air, a new member of the local chapter, presented to her the U. D. C. certificate of membership. Papers for the Cross of Military Service for Arthur W. Sircar were endorsed. A guest of the evening was Mrs. W. L. Rose of Rocky Mount, N. C.
A copy of the history of the 1st Virginia Regiment was presented to the chapter library by James E. Beale, and Miss Johnson added a copy of 100-year-old issue of the Washington Evening Star to its collection. Mrs. Byrd distributed copies of a booklet, "The Red Shirt," dealing with the South Carolina one and the restoration of Oakley Park as the Red Shirt Shrine. Under the auspices of the U. D. C., letters from the Mayor of Norfolk and the president of the Chamber of Commerce of that city, welcoming U. D. C. members attending the annual convention, were read and acknowledged.

Fine Arts Section
The Fine Arts Section of the Manassas Woman's Club will meet at the home of Mrs. Paul Cooksey on October 16, at 7:30 p.m. The program will be "World Understanding Through Art" and will be conducted by Mrs. Elaine Levine. Hostesses will be Mrs. Paul Cooksey, Mrs. R. Worth Peters, and Mrs. J. R. Young.

D. A. R.
The October meeting of the Elizabeth McIntosh Hamill Chapter, D. A. R., was held at the home of Mrs. William D. Taylor in Hunting Terrace, Alexandria, on Tuesday afternoon. The hostess was assisted by her mother, Mrs. Mary Pope.

Mr. Will Dodd returned from Casualty Hospital last week, and has been staying at the home of Miss Rena Dodd since his return.

Mr. and Mrs. Elwood Payne entertained Mr. and Mrs. Virgil Hopkins and Kathleen, Mr. and Mrs. Ed. Payne and daughter and Mr. and Mrs. Harold Hopkins and children on Saturday evening in honor of their daughter, "Toodles" fourth birthday.

Mrs. Mary Crummett, Mrs. Thelma Crummett and two children visited Mrs. Maggie Crawford on Tuesday of last week.

Nokesville

all kinds for sale, cake walks aplenty a haunted room for those who enjoy the real spirit of Halloween, and a prize will be given for the

heaviest pumpkin brought in by anyone present. So be sure to visit your cornfield or wherever you have pumpkins this year and pick out your largest one. The young folks are trying hard to raise money for their various projects and will appreciate your supporting them. You will be asked to give a penny admission for each inch around your waist.

The Nokesville Brethren folks are going ahead quite rapidly now with their plans for their annual Harvest Festival which will be held this year, November 10-12. On Friday evening, the 10th there will be a public supper which we hope will be as well attended as last year, but which we hope can be served a little more rapidly than last year. Last year the crowd was far beyond our wildest hopes so this year we should be prepared. The week-end will feature other extra activities to which we hope many will plan to attend.

The Nokesville Ruritan Club had its regular meeting on October 3, in the basement of the Nokesville Church of the Brethren. A delicious supper was served by the women of the church. Members of the school faculty were club guests, and were introduced by Mr. D. C. Link, the principal. Three new Club members, Mr. Link, Herbert Wood and Robert Beahm (the latter to whom we are indebted for this account of the meeting) were initiated into the organization.

After the business session, Club

President S. A. McMichael called upon Mr. Link to point out some school needs. In response, Mr. Link enumerated items such as buildings and supplies, but concluded by stating that the greatest need is "your strength, your help, and your cooperation."

Speaker of the evening was Mr. Dan Kelsa, Principal of Manassas Vocational School. His remarks and observations regarding the teaching profession helped those present to better understand the trials, heartaches, and satisfactions experienced by our public school teachers.

Led by Miss Dawn Arrey the group sang "Blest Be the Tie that Binds" after which the meeting was adjourned.

Kept in mind December 9 as the date set for the Methodist W.S.C.S. which will hold their annual bazaar at the Firehall featuring a public supper in the evening under the direction of Mrs. N. M. Free, Mrs. F.B. Flickenger and Mrs. Grover Brown are the co-chairmen of the whole affair, which will include all kinds of table good things to eat for sale—also all kinds of home made articles.

We are glad to say that "Daddy L. J. Bowman is able to be back on the school bus again after being off for so many weeks.

Mr. and Mrs. Frank Whitmer of Bealton are the new folks who moved last week to the Garman house on the corner. Mr. Whitmer has been transferred here on this Section

gang of the railroad. They have one fifteen-year old daughter.

From Mrs. L. L. Payne at Christiansburg we hear that Mr. Payne seems a little better. She says they have two nurses who take care of him. We do hope the Paynes will soon enjoy better health.

When a bus load of the school young folks attended the Fair in Richmond on Friday, Sarah Wood stayed down to visit her aunt and uncle. The Wallace Wood family down on Sunday and brought her home.

Your correspondent, I'm sure, expresses the wishes of all who know them, when she says, "Best of luck to the newly married Pvi. and Mrs. William Ross. 'Lora, you know, has a fine position at the Pentagon and Billy is now stationed at Ft. Belvoir."

Rev. D. D. Fleishman is leaving Sunday afternoon to begin a week's Revival Services at the Church of the Brethren at Junior, West Virginia.

Revival Services will begin at the Nokesville Church of the Brethren on Sunday evening, October 22 at 7:30 with Dr. Paul Bowman, former resident of the Bridgewater College as guest speaker. Services will continue each evening through the week closing with the Bi-annual Love Feast on Sunday night, October 29.

Nokesville folks will be happy to know that, if plans go through, we will again be privileged to hear the Motett from the Washington

City Church of the Brethren under the direction of Mr. David Weimer. These young folks as they did last year are planning to come to the evening with the offering of the evening, to the third Sunday in November, to be given toward our building fund, which we are sure you will agree is an unusually gracious gesture. Keep November 19 in mind and plan right now to come to the Nokesville Church of the Brethren that evening.

Who Runs America?

RUNNING AMERICA is the joint job of 150,000,000 people. It's the biggest job in the world today—keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!

IN MUCH OF THE WORLD today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.

FREEDOM COMES UNDER ATTACK. The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

THE PEOPLE WEIGH THE FACTS. In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

THE "GRASS ROOTS" SIGNALS CONGRESS. In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organizations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

- | | |
|---|--|
| General Federation of Women's Clubs | American Legion |
| American Farm Bureau Federation | National Association of Small Business Men |
| National Grange | United States Chamber of Commerce |
| Veterans of Foreign Wars | National Association of Retail Grocers |
| National Conference of Catholic Charities | National Retail Dry Goods Association |
| American Protestant Hospital Association | American Bar Association |

• Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. • Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. • And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the prideful security of a free and self-reliant people!

THE VOLUNTARY WAY IS THE AMERICAN WAY!

• Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. • Today

in America—70 million people are protected by Voluntary Health Insurance! • Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. • For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that

slices parallel to the length of the
ham firmly with the fork and
cut a small wedge from the shank

end. By removing this wedge the
succeeding slices are easier to cut

cut with the grain, long meat fibers
give a stringy texture to the meat.
The one exception to this rule is

MEAT CARVING

Good carvers are infinitely scarcer
than good cooks, yet upon the
skill of the carver depends in a
marked degree the enjoyment of
the eater. Moreover, a good carver,
by securing a greater number of
servings than one who is unskilled
in the art, can make a piece of meat
go almost as far again.

Even the most expert carver must
have good tools in order to do his
best. The style of the carving set
will depend on personal preference,
but the blade should be of fine
quality steel, carefully forged and
tempered so that it will take and
hold an edge.

To carve a baked whole ham:
Place the ham on the platter with
the fat side up and the shank end
on the carver's right.

County Agent's Nokebook

By C. R. Hall, Jr.
 Asst. Co. Agt.

How about that winter garden? Here are some vegetables that can be planted during October and will increase variety to our diets and make our home gardens more worthwhile.

Washington. The roots should be planted about 18 inches apart or 66 plants in a 100 foot row. Winter onions should be planted right away. The recommended variety is potatoe (yellow sets). It takes from 2-3 pounds to plant a 100 foot row if planted 4 to 6 inches apart. Rubarb should be planted now. Myatt's Victoria is the recommended variety and it takes 25 to 35 roots to plant a 100 foot row, if planted 36 to 48 inches apart. In that part of the garden which must be idle this winter, a suitable cover crop should be planted. Some suggestions are rye, rye grass or red clover. Such a cover crop will not only add organic matter to the soil, but will prevent erosion and the leaching of plant nutrients from the soil.

Liberal feeding of legume hay or legume silage for winter and spring pasture should be the basis for feeding the dry cow, just the same as it is for feeding producing cows.

Some Concentrate feeding is desirable in addition to roughage and pasture. A range of 3-6 pounds daily is used as a guide. The condition of the cow, her size, the length of the dry period, and whether or not the feeder is pushing for a forced record, all must be considered in determining the amount of feed.

The cost of feed and the price of milk will be final factors as to whether to feed any concentrates and if so, how much.

Proper feeding of the dry cow replenishes vital nutrients which have been depleted during the previous lactation and helps insure more production during the next lactation, a stronger cow, and a more healthy, vigorous calf. This is probably the most important feeding period, so let's don't cheat our milk by cheating our cows during this vital period.

Proper feeding of the dry cow replenishes vital nutrients which have been depleted during the previous lactation and helps insure more production during the next lactation, a stronger cow, and a more healthy, vigorous calf. This is probably the most important feeding period, so let's don't cheat our milk by cheating our cows during this vital period.

SOCIAL SECURITY NEWS

By Ruth G. Duffy, Manassas Alexandria Social Security Office

I will be at the Court House in Manassas at 9:30 a. m. on Thursday, October 19. The purpose of my visit is to assist you in finding out about your rights and responsibilities under the new social security law. As you know, there is only one visit to your town or county each month, so do not put off seeing me if you have any questions about the new law.

On this visit, as all others, I will take claims of retired workers, dependents and survivors of deceased insured workers; issue social security cards; and distribute leaflets explaining phases of the amended Social Security Act.

I especially want to see those who are 65 or over, whose claims for old-age insurance payments were previously rejected because of insufficient work in a social security job. A worker now 65 needs only six quarters of coverage acquired at any time since 1936 to be eligible for benefits. However, a new application must be filed. If you are now receiving monthly payments, it is not necessary for you to see me.

The new law also provides for the payment of monthly insurance benefits to the wife of a retired worker, who is getting monthly payments, regardless of her present age, if she has a child under 18 in her care. Those meeting this requirement should file claims for insurance payments.

I will take applications for social security cards from those who have never had one; also from those who have lost their original cards or have changed their names since making application for a social security number. Many workers will need social security numbers for the first time beginning January 1, 1951 because this is the starting date of the extended coverage under the amended social security law.

People who work regularly in private households, regular workers on farms, and many self-employed people will be eligible for old-age and survivors insurance under the amended law. In later articles, I shall fully explain coverage for the household worker, the regular farm worker, and the self-employed.

Don't Be Satisfied With Symptomatic Relief! HADACOL NOW MAKES IT POSSIBLE TO RELIEVE THE CAUSE OF YOUR SICKNESS

Neuritis Pains, Stomach Disturbances, Indigestion, Gas, Constipation, Certain Nervous Disorders and a General Run-down Condition When due to lack of Vitamins B₁, B₂, Iron and Niacin in your system!

Read How These Folks Benefited Who Had Such Deficiencies

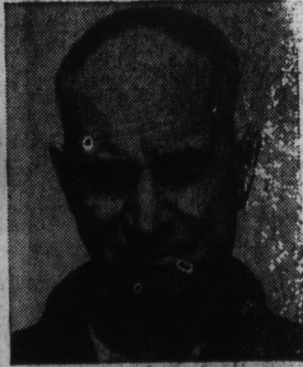

Mr. Anthamatten, 4731 South 32nd West Ave., Tulsa 7, Oklahoma, suffered from stomach distress for quite some time. He had spent much money trying everything possible for relief and was in bad health when he started taking HADACOL. He says, "After taking three bottles of the \$3.50 size, I've gained 27 pounds and now eat anything I desire and positively have no trouble." (HADACOL gives such wonderful results because it actually relieves the REAL CAUSE of stomach distress [gas pains, heartburn, indigestion after eating] due to such deficiencies. And continued use of this great HADACOL helps prevent such distress from returning.)

Mrs. Mabel Kitchen, 1650 Amsterdam, Cincinnati, Ohio. "Before I started taking HADACOL I had aches and pains of neuritis in my shoulders, my back and arms. I could hardly move without having those terrible pains. Then I heard about HADACOL. After the second bottle the pains and aches were about gone. I'm now starting my fourth bottle and am on top of the world. I eat well and, best of all, the aches and pains are completely gone." (Mrs. Kitchen is a very smart woman because she relieves the REAL CAUSE of her neuritis pains due to such deficiencies. HADACOL often brings a wonderful improvement within a few days' time.)

Mrs. J. Scieszinski, 514 Kruger, Ottumwa, Iowa, writes: "My daughter, Marilyn Sue, is 5 years old and for some time lacked pep, had a poor appetite, was generally run-down. Since giving her HADACOL, we have noticed wonderful results... she has a much better appetite, eats everything on the table and doesn't seem tired like she used to. Incidentally, she likes to take HADACOL, too." (HADACOL is a great 'builder-upper' for sick, nervous, puny kids whose systems lack precious Vitamins B₁, B₂, Iron and Niacin. A big improvement in their well-being is often noticed within a few days' time after taking the great new HADACOL.)

Mr. Henry Angel, RD No. 1, Springfield, Ohio. "I used to suffer great pain from neuritis aches in all parts of my body, especially in my legs, arms and shoulders. I never got any real relief until I tried HADACOL. After taking several bottles, my pain is all gone. And I'm working every day." (Now there's a smart man! Mr. Angel took HADACOL and relieved the REAL CAUSE of his neuritis pains because they were due to such deficiencies. HADACOL is helping thousands upon thousands of grateful men and women troubled this way. Why don't you give HADACOL a chance to help you? Start taking it today!)

IMPORTANT! Why don't you get that wonderful HADACOL feeling everyone is talking about? In this modern age, wise folks are no longer satisfied with symptomatic relief — because now it's possible to relieve the cause of such deficiency sickness with that wonderful new HADACOL. HADACOL not only supplies deficient systems with extra quantities of

Friends of Mr. Jack Pick, Jr. are sorry to hear of his accident on Thursday in which he injured his ankle. We hope he is up and around

under the direction of one of the various clubs.

The regular meeting of the Gainesville Volunteer Fire Department Auxiliary met in the fire hall on Oct. 3rd, at which time election of officers took place. New officers are Mrs. N. Lightner President, Miss J. Adams, Vice President, Mrs. D. Douglas, Secretary, and Mrs. M. Fewell Melton, Treasurer.

Mr. and Mrs. Elmer Suddith of Front Royal, Mr. and Mrs. Lester Pullen, Tacoma Park, Md., Mr. and Mrs. Granville Pullen of Alexandria, and Mr. and Mrs. Robinson and family of Haymarket were dinner guests at the home of their parents, Mr. and Mrs. Pullen on Sunday.

Mrs. Viola Gray spent Sunday at the home of her mother, Mrs. G. Smallwood, in Cherrydale, Va.

Mr. and Mrs. M. S. Melton spent the week-end in Bethesda, Md. visiting relatives.

Miss Mary Jane Utterback spent the week-end in Washington visiting relatives and friends.

Best truck service in town at
WAYLAND MOTOR CO.

LET IT SNOW! LET IT BLOW!

A "WINTER-IZED" truck can take it and keep on rolling!

Trucks have to keep going—as long as the roads are open! The best way to protect your truck against the hazards of winter driving is to bring it in for our complete, bumper-to-bumper "Winter-izing" service.

We'll change the oil to a winter grade, of course. And we'll add antifreeze after cleaning out the cooling system. But we'll do much more. We'll go over the entire engine to

make sure it's running right. We'll lubricate the entire running gear with correct grade of lubricants and check the brakes and springs. And we'll be on the lookout for things that might cause trouble later on.

For the best "Winter-izing" job in town, bring your truck here!

P.S. We have a complete line of International-approved winter accessories, too.
