It's Clean-Up Time . . .

IT'S PICKUP TIME—The year around for these Town of Manassas employees, who make the weekly rounds for trash collection. Right now the collection is heavier than usual as local residents clean garrets and basements of accumulated trash.

EVERYBODY'S DOING IT . . . Mowing, trimming their lawns in an effort to keep one jump ahead of the heavy seasonal growth of grass. Rev. Clark Wood is caught by the camera as he pushes the mower on the lawn in front of his home here.

Town Tax Rate Set At \$1.25; Error Noted In Budget Figures

The town tax levy on real estate and tangible personal property was set at \$1.25 per \$100 assessed valuation, by the Town Council, Monday night. The budget adopted at the previous meeting shows estimated receipts totaling \$144,975, to accrue, in the main, as follows: light and power rates, \$71,000; tax levy, \$23,125; license tax, \$9,000; water rates \$20,500; ABC allotment, \$4,700. The balance of income will be derived from utility connection fees, sewer rates, vehicle tags, bank tax, fines and costs, burial and building permits, and gas tax refund.

The sliding scale of rates shows the great saving to the property owner if he makes connection this year, rather than waiting until later.
