Local Reserve Officers Get Call To Duty

Reserve officers in Manassas and surrounding area are being called to active duty in increasing numbers, it was learned here this week.

Capt. Joseph Leggett, has received his call to report for active duty with the U. S. Air Force on May 24th, and will be assigned to the Air Rescue Service in Washington.

Leggett, who resides in Arlington, has been manager of the Firestone Store in Manassas for the past two years, and has resigned his position because of being called to active duty.

2nd Lt. E. C. Spitzer, pharmacist at Cooke's Pharmacy, received orders to report to Langley Field, May 13th, for physical exam. The orders stated that this tentative assignment would be Randolph A. F. Base, Texas. Lt. Spitzer completed his studies at the University of Virginia last June and has been connected with the local firm ever since. He stated that if he passed his physical, he would still have 60 days before reporting for active duty.

Judge Arthur W. Sinclair, who holds the rank of first lieutenant in the Reserve, stated a few days ago that he had received his physical call.

In recent months several local men in the Reserve have received orders to report for physicals. By some it was termed a routine check-up to weed out those reserve officers who were not physically fit for active service.

Manassas To Get Hospital

An emergency hospital, to be known as Manassas Hospital and Clinic, will be built in northeast Manassas this year. The Journal was informed today.

The land has been purchased by Dr. John D. Ringler, Manassas, and Dr. Jesse Harrell, formerly of this community. The hospital will be completed by October.

The hospital building will contain a diagnostic clinic, a small hospital and an operating and delivery room, according to preliminary plans.

Dr. Ringler stated it is being built primarily to care for emergency cases.

"We got tired of seeing emergency cases, with rags tied around their limbs, bleed away as they were being transported to the nearest hospital," Dr. Ringler stated. The closest hospital in Warrenton is 23 miles away, he added.

Dr. Ringler, Dr. Harrell and Mrs. Harrell, who is also a physician will have offices in the hospital. Dr. and Mrs. Harrell currently have a practice in Alaska.

Dr. Ringler said the hospital will be a low, one-floor structure. It will be located across Centerville Road from Manassas Lumber Corporation on two lots purchased from I. Breeden. Contracts for its construction are expected to be let soon.

Nokesville FFA Team Wins Honors in Livestock Judging

The six schools teaching vocational agriculture in Prince William and Fauquier counties held their annual livestock judging contest, Monday, May 7th, with Frank D. Cox, county agent, Prince William, and Raymond Davis, assistant county agent, Fauquier, as official judges.

The contest was begun at Catlett on the farm of Bud Bean, where Angus steers were judged. J. P. Hale & Son of Nokesville provided a class of registered Guernsey cows and a class of registered Guernsey heifers. L. R. Cowne of Nokesville furnished a class of registered Hereford heifers, and Clement Rollins of Bristow furnished a class of registered Hereford cows.

Lloyd R. Cowne, Jr., son of Mr. and Mrs. L. R. "Bucky" Cowne, was the high individual, with 670 points out of a possible 700. This was reported by R. R. Fishpaw, Manassas instructor, to be the highest individual score ever attained in individual FFA Federation Contest. Jimmie Flickinger, son of Mr. and Mrs. Alton Flickinger, was second

Body of First County Casualty In Korean War Arrives In U. S.

The remains of Private First Class David F. Walters, believed to be the first Prince William County boy to give up his life in the Korean War, is included in the 119 American dead who have been returned to the United States aboard the Lynn Victory, it was announced by the Department of Defense. The ship was due to arrive at the San Francisco Port of Embarkation on or about May 4th.

Member of the deceased, Mrs. Charles E. Walters, who lives at Canova, Manassas, R. 2, advised The Journal that she had a telegram notifying her that her son's

body would reach San Francisco on or about that date, and was asked to give place of burial. She has sent word that body be shipped on to Arden, Va., for burial there. Although no word has as yet been received as to when the remains will reach Arden, it is understood that full military honors will be given the young soldier's burial.

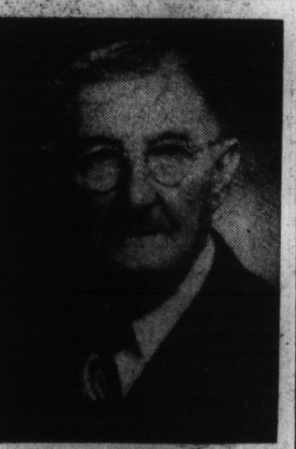

Private Walters, who enlisted in March, 1950, at the age of 17, was killed in action on October 10th. He became 16 years of age about two months after he enlisted. The young man attended Osborn High School, prior to entering the

service.

In a letter from Major Donald F. Carter, chaplain of the 8th Cavalry regiment, expressing sympathy to Mrs. Walters in her son's death, he stated "your son lost his life engaging the enemy at Toson, Korea. He was an excellent soldier who performed his tasks in a cheerful, efficient manner."

Besides his mother, Pvt. Walters is survived by two brothers, Sgt. Ralph Walters, now stationed with the Air Force in England, and Thomas, 16, at home; a sister, Mary Ellen, 17, also at home. His father died in February, 1950.

Gossom To Seek Re-election; Coffey Enters Dumfries Race

Richard B. Gossom, supervisor from Gainesville district, who announced this week that he will be a candidate for re-election

Some interesting contests are in the making for seats on the Prince William County Board of Supervisors as incumbents and new candidates announce their candidacy in the various districts.

Gossom To Run Again—Richard B. Gossom, incumbent from Gainesville district, announced to The Journal this week that he would be a candidate for re-election. Indications are that there might be a two-way race for this seat with the report that C. B. Roland, former supervisor, would make the run against Gossom. Roland has stated he would become a candidate unless a younger man entered the race.

Mr. Gossom has served as supervisor for one year. Prior to that he served as deputy commissioner for 40 years. He is widely known in his district, and in making his announcement of candidacy, subject to the Democratic primary, August 7, said "I'm just a plain dirt farmer."

New Entrant from Dumfries—Francis M. Coffey, 54, is in the race for supervisor from Dumfries. Other candidates in this district are Col. James E. Kerr, who like Coffey seeks the Democratic nomination, and incumbent Jack Prick, who is running as an Independent. Coffey, who resides at Woodbridge, operates a woodworking mill in Arlington county, and is a builder and contractor, or having built two apartment houses on Route 234 in Dumfries district.

He is a veteran of First World War, attaining the rank of first lieutenant. He served under General Matthews B. Ridgeway, who has succeeded MacArthur as supreme commander in Tokyo. He has been a resident of the county since 1942. He is married and has three children. In announcing his candidacy, he said "I favor good roads and good schools."

Coles District—Two Democrats, incumbent J. Murray Taylor and Andrew Samsky, are candidates in Coles District. Francis S. Van Doren is running as an Independent.

Unopposed—As yet no opposition has developed in other districts, with Supervisor John Ellis from Brentsville, J. Carl Kincheloe from Manassas

Shaws Take Over Coffee Shop Here

Mr. and Mrs. Willard W. Shaw have purchased the Manassas Coffee Shop, located at 113 N. Main St., from Alton D. Cooper.

Both Mr. and Mrs. Shaw are wellknown here. Mr. Shaw was formerly in business with Shaw & Myers, local grocery firm, having recently sold out his interest to Mr. Myers.

Mr. Shaw was also connected at one time with Metz's Inn, which was formerly operated in Manassas. During World War II, he was supply and mess sergeant in the U. S. Army for three years.

A host of friends wish the new owners the best of luck in their new enterprise.

New hours for the coffee shop have been announced as follows: Sunday, from 8 a. m. to 7 p. m. (DST); week days, from 6:30 a. m. to 9:30 p. m.

Firemen Take Parade Prize At Winchester

The Manassas Volunteer Fire Company captured one of the prizes awarded in the Firemen's Parade at the Apple Blossom Festival in Winchester last week. The prize was awarded to the local firemen for exhibiting the oldest piece of equipment in the parade.

The equipment was a Howard pumper used by the company from 1909 to 1914. It is a horse-drawn apparatus and has been kept in an excellent state of preservation, although it has long since given way to motorized equipment.

Mrs. John Brown as "honorary fire chief" represented the local company in the parade. Members of the Manassas company who made the trip were John Brown, Raymond Davis, E. E. Rohr, Fred Dowell, Harry Parrish, Frank Wood, Edwin Beachley, Alvin Compton, Warren Coleman, Jud Holmes and James Rice.

and R. S. Hall from Occoquan unchallenged for re-election.

Three For Sheriff—A hot contest is in the offing for sheriff, with veteran incumbent Sheriff John Kerlin opposed by the Democratic nomination by Turner D. Wheeling and H. Layton Laws.

To Dedicate New Clifton Fire House

The Clifton Volunteer Fire Department, Clifton, Va., will dedicate its new firehouse on May 19, at 7:00 p. m. (daylight time). The new 30x60 foot building, which houses the fire fighting equipment, also provides an office for the Town of Clifton. Its second floor contains a room the entire size of the building and is expected to serve as a community hall. The building was constructed by the fire department, using mostly volunteer labor.

The dedication ceremonies will include remarks by Mr. Marcel Pfalzgraf of the State Forestry Service and Senator Andrew Clarke. Special music will be furnished by the Fairfax high school band and by Patrick Clifford and Heinrich Wasserman. The Clifton School will furnish a chorus and will also present a special dance number. The ceremonies will be concluded with a motion picture entitled "Historic Virginia" which will be followed by a square dance.

Brunger Home Lake Jackson Gutted By Fire

A house owned by George Brunger at Lake Jackson was badly damaged by fire which broke out Wednesday noon.

Manassas Volunteer Fire Department responded to the call and succeeded in extinguishing the blaze after a stubborn fight.

The house was occupied by Sgt. Wood, a Marine stationed at Quantico. His wife and two small children were at home when the fire broke out, and escaped from the burning structure unharmed. Considerable damage was done to the furniture and the interior was seriously gutted. Firemen had to cut through the weatherboard to get at the fire.

Fire was caused, it is reported, by explosion from an oil stove in the kitchen.

Hicks Chosen President Of Lions Club

Reuben Hicks was elected president of the Manassas Lions Club at its regular meeting Wednesday night.

Mr. Hicks succeeds Ned Bradford, who has efficiently served the club for the past year. The new president assumes office in July.

Other officers elected were: Ian Ross, first vice president; Paul Arrington, 3rd vice president; Guy Whitmer, secretary-treasurer; Howard Churchill, tall twister; directors for two years, Maury Wells, Keith Lyons, Roy Durst and Norman Bolton were also elected to the Board to fill out the unexpired terms of Hicks and Arrington.

It was announced that Miss Mary Ann Sinclair and William Wright, students at Osborn High, has been selected for the Bland Scholarship awards. They will compete in try-outs at Fredericksburg, Va. today.

Triangle Man Latest Korean War Casualty

First Lieutenant Earl F. Patrick of Triangle, Va., was killed in action on the Korean front, according to the 298th casualty list released this week by the Department of Defense.

Lt. Patrick served with the Marines. His nearest kin, the report states, is his wife, Mrs. Earl F. Patrick, who resides at Triangle.

The Journal was unable to contact Mrs. Patrick for details concerning her husband's death, or facts concerning his service with the Marines.

Walter R. Potter, representing the State Farm Mutual Insurance Companies, has recently opened an office at 332 W. Center St. and will handle fire, auto and life insurance.

Mr. Potter, who served three years as a paratrooper with the U. S. Marines in the last war, came to Manassas in March as a full-time career agent. He previously attended pre-law school at George Washington University.

Prices Announced For Sewer Connections To Triangle Homes

A list of prices for sewer house-connections in the Triangle Sanitary District have been furnished by Ahl Bros. Construction Co., Inc., which is prepared to do the work for property owners desiring this service.

The schedule of prices varies with the length of pipe from the main sewer line to the building and is based on depth of cut required, follows:

0 ft. to 5 ft.	\$ 62.50
5 ft. to 10 ft.	78.50
10 ft. to 12 ft.	98.50
12 ft. to 14 ft.	118.50
14 ft. to 16 ft.	140.00

The above prices, it is stated, will include the excavation for furnishing and laying of 6-inch C. S. P., placing of 8x6 "Y" branch, 6-in 1-8 bend, and closing the line

Fifty-five young men and women are listed as candidates for graduation from Osborn High School with the Class of 1951, when the graduation exercises are held the night of June 8th, it was announced today by Principal Dan Kelso.

In releasing the names, Principal Kelso emphasized the fact that the graduates are referred to as candidates as the outcome of their final exams may still have a bearing on whether or not they will be eligible for their diplomas. He also stated that this year's class was slightly smaller than in 1950.

The baccalaureate service, which had been scheduled for Sunday night, June 3, has been changed to Wednesday, June 6, in order that six members of the class, who have been called to active army service with the local National Guard, may participate.

Six Grads In Service—The six young men are James Bradley Baker, Thomas Richard Baker, Claybrook Gilley, Irwin Beverly Heinemann, Charles Richard Johnson, Robert Morgan Johnson and Roy Clifford Reid. They will leave for Camp Stewart, Ga., on May 23, and will be granted a 5-day leave to return for their commencement.

The baccalaureate will be held at the Grace Methodist Church, with the pastor, Rev. P. L. Baker delivering the sermon.

More Justices For Occoquan Are Slated

Plans for increasing the number of Justices of Peace in the Occoquan Magisterial District are revealed in a notice issued from the Circuit Court this week.

The notice in part reads: "The Circuit Court of Prince William County, being of the opinion that the public service requires it, does hereby increase the number of Justices of the Peace for Occoquan to six."

White Oak Beats Macs To Take Over First Place In League

White Oak took undisputed possession of top place in the A division of the Northern Virginia League by eking out a 3-1 win over the Manassas Macs, Sunday.

It was the second win for the White Oakers, who have yet to taste defeat. Russ Polen, on the mound for the Manassas team, was in rare form and held his opponents to a mere two hits but bad

support behind him proved disastrous.

Thomas for White Oak gave up six hits but kept them well scattered. The Macs only run was scored by Junior Roseberry, who got on base as result of an error, and was sent home on a timely hit by Buddy Merchants. Other teammates accounting for hits were

Monk Crabill, Glen Shusher, Price, Dee Vetter and Keys.

NOKESVILLE WINS

Nokesville took the measure of Occoquan by a score of 12-3. The losers were held to six hits by Pitcher Floyd Jones, while the winners accounted for eight safeties.

For Nokesville, Bill Brown hit a triple, and Fitzwater and Carrio got a double and a single apiece. Singles were also hit by Reid, Swan and Owens.

R. Gilliam led with the stick for Occoquan, with two singles, while Wiley, L. Gilliam, M. Shepard and Hanley got one each. Losing pitcher was G. Shepherd.

TRIANGLE BEATEN 12-2

Triangle, led by Dallas Posey, former manager of the Manassas Red Sox, took a drubbing at the hands of Bristerburg, 12-2. The winners knocked Elvan Posey out of the box in the second frame and continued to hit often the slants of Tops Amidon, who succeeded him on the mound.

GAINESVILLE WINS IN 11TH

In a tight affair, Gainesville trimmed Remington, 4-3, but only after going 11 innings. In this inning, the winners scored two runs to one for the losers. Ten hits were made by Gainesville off the Remington flinger, J. Cornwell. McCuin led the attack with three singles, Tyler and Tyson two each. Posten hit for a double and Reeves and Piercy hit a single apiece. Remington made 9 hits off Pitcher Polen.

Other opening games in the "B" division of the Northern Virginia League, saw Marshall winning over Upperville, 11-8, while Warrenton won an easy 7-1 victory over Hume.

Sports Shorts

BATTER UP! ... looks like both divisions of the Northern Virginia baseball circuit are off to a good start. While rain spoiled openers for most of the clubs a week ago Sunday, the weatherman was more accommodating this last weekend and all games went off on schedule.

WHETHER this column continues to be a regular feature of The Journal depends a lot on the co-operation of the various clubs and players, from whom we like a frequent assist as to what goes on around the circuit. The Journal is all for sports-news but a guy has to get acquainted and like most weekly papers the staff isn't large enough to cover every game, so we must count on contributions from all sports-minded readers. Who knows we might find a sports writer in the crowd. Sure could use one!

MAJOR GRIPE this week is the delay in publishing the schedule. Warrenton Democrat carried it last week. So it must have been ready. League officials, please note ... put us on your mailing list or at least give us a ring.

IT'S A LITTLE TOO EARLY to make any comment on the relative strength of the various teams in the league. Did overhear one fan extolling the Bristerburg club ... and another bemoaning Triangle's sad debut. Just remember one team may look good or sorry in May, but it's the finish that counts. No sir, the season's too young to stick our neck out.

IF YOU TIRE of baseball and want to get an earful on golf, just listen to Ralph Hesse, Allen Fletcher or Charlie Caviness. They're just a few local divot-diggers who have got the "bug," and bad. They've found the course at Fairfax so easy, they're hoping to get a chance to try the layout at Quantico.

Hoadley Nine, 11-0

The Manassas Eagles, newly formed local nine, opened the season here Sunday with a 11-0 victory over Hoadley.

The game, played at the Osborn high school field, was featured by the hitting of Hubert Rowe, who accounted for two homers and two doubles.

Boo Walsh pitched airtight ball with Lloyd Swank doing the duties behind the plate.

Russell Moore is manager of the Eagles and Rowe is captain. The team seeks games with other clubs in this section.

Young Named President of Columbia Gas

S. Young was elected president of the Columbia Gas System by the utility's board of directors at the annual organizational meeting Thursday, May 3.

At the same time, Stuart M. Young was named to the newly created post of chairman of the board. He will continue as chief executive officer.

Young began his service with the company in 1930 as a junior engineer. He worked on the property of the United Fuel Gas Company, having been active in the operation of the Boldman Compressor Station in 1935-36.

He resided in West Virginia. He became president and general manager of the Michigan Gas System Corporation, a one subsidiary, in 1936.

He came to New York in 1942 as president of Columbia Gas System Corporation, the system's parent company. In 1946 he was a director of the company.

He has been in the company six succeeding years as director of the parent corporation, the Columbia Gas System, and vice president in charge of operations in May, 1949, and vice president in November of the same year.

Young was born in Butler, Pa., and was graduated from the United States Naval Academy at Annapolis, Md.

Mrs. James D. Wheeler Is Claimed By Death

Residents of Sudley were deeply grieved by the death of Mrs. James D. Wheeler, which occurred April 14, in Manassas.

Long a respected member of the Sudley community, Miss Cather as a young girl located with her parents on the Hazel Plain Farm. She was born May 30, 1863, in Wilmington, Del., the daughter of the Rev. and Mrs. Andrew Cather.

She was the last surviving charter member of the Women's Missionary Society, which was organized here in August, 1886.

She was married to James D. Wheeler on May 20, 1896, and had resided in Prince William County until her death.

Funeral services were held at Sudley Church, with the pastor, Rev. James L. Duley, officiating. Interment in the church cemetery.

Besides her husband, she is survived by three sisters, Mrs. Sue C. Swart, Triangle; Mrs. Cordelia L. Swart, Sudley; Miss Anna Cather, Atlantic City, N. J., and one brother, Will H. Cather, Los Angeles, Calif.

Four left-over cereal into a glass that has been rinsed out with cold water. Chill thoroughly and tip it out of the glass. It can then be sliced and fried until it is crisp. A bit of syrup poured over the top will make it more appetizing.

If you have left over fruit, use the syrup in place of part of the milk for a pudding. When the pudding is thick add the fruit as a garnish. You can, of course, do the same thing with any gelatin.

Let There Be Light

The Manassas Journal in its issue of April 5, 1951, unfortunately reported an erroneous fact which it wishes to correct. The total amount of the budget for the Town of Manassas was reported to be \$158,112. We were able to obtain a copy of the budget as adopted by Council only a short time before going to press, and we accepted at face value the figure of \$158,112, which, though not shown on the budget itself, was given us by Town authorities as the total amount of the budget.

We believe that public business is just that, and that the citizens of Manassas should be kept informed as to the fiscal affairs of their Town government. We wanted to give the information on the budget, upon which the tax levy is based, to the people, in a form which the citizens can understand. Upon looking over the budget as adopted by Council we found that its transfers and charges by one department to another meant little, if anything, to us, and only beclouded the picture to the extent that we could not "make heads or tails" of it.

As a public service we have prepared a statement of the estimated town receipts and disbursements, using the figures, of course, which were adopted by Council, but eliminating much of the confusing data, which we assume was put in for bookkeeping purposes. This statement is printed in this issue of The Journal.

After analyzing the budget and eliminating these bookkeeping transfers, charges and credits, we find that the true budget for the Town for next year is not \$158,112, but a much lower figure of \$144,975.

We believe taxpayers of Manassas are interested in the financial operation of their Town, and although the Town fathers have not seen fit to publish the budget for the past several years, this newspaper is glad to donate the space so that Mr. and Mrs. John Q. Public can see what their Town government proposes to do with our tax money next year. We understand that it has been customary in the past for the budget to be posted on the bulletin board at the Town Hall for one month prior to final adoption. Not even this was done this time.

We think the average citizen would be very much interested in having a statement, showing actual receipts and disbursements for the past year, on which the budget figures are presumably based.

We think the people of Manassas would like to know the condition of their Town finances, including special funds and accounts, which are not ordinarily shown in a current budget. Are there such special funds? If so, what is their amount?

The budget for next fiscal year provides for laying aside the amount of \$15,850 for "replacements." We understand that this has been the practice for several years. Is there such a fund that has been set up over a period of years, and if so, how much does it amount to?

We understand that no independent audit of Town funds or accounts has been made in recent years. Council has transferred funds so many times from one budget account to another, that even a "Philadelphia lawyer," as mentioned by Mayor Davis on a number of occasions, could not straighten them out. Only an audit could do that.

Approximately \$445,000 of public funds is being spent each year in Manassas, and we think that sound business practice demands that an annual independent audit of town accounts be made. All federal, state and county funds are audited. Our banks and other financial institutions are regularly audited. That is essential to maintaining public confidence in those institutions. Why are our town funds not audited? It seems to us that is the only business-like thing to do. How about it, Town Council?

Miss Nancy Lee Lynn To Wed June 16th
Mr. and Mrs. Thomas Noel Lynn, of Falls Church, formerly of Manassas, announce the engagement of their daughter, Nancy Lee, to Charles William Puffenberger, son of Mr. and Mrs. George Puffenberger, of Cumberland, Md. The bride-elect attended George Washington University and is a February 1951 graduate of the University of Maryland. Her fiancé is a graduate of the same class. The wedding will take place June 16.

Kiwanians Enjoy Talk By General Foster
Major General E. M. Foster, chief of finance of the Army, delivered an interesting talk at the regular meeting of the Manassas Kiwanis Club last Friday night. His subject was "Our Heritage," and stressed the fact that our real heritage lay in our constitutional democracy. He remarked that it is fitting that each American take stock of himself now and then to see that this real heritage is evaluated properly, and that the spirit of our forefathers is kept alive in both concept and action. Merrill Neely was accepted as a new member of the club, with Jack Ratcliff performing the initiation ceremony.

U. D. C. SCHOLARSHIPS
The U. D. C. offers scholarships to high school graduates of Confederate lineage. Full details will gladly be furnished by representatives of the Manassas chapter, Mrs. E. D. Wissler, chairman of scholarship committee or Miss Isabelle Hutchison, president. Applications must be in the first week in June.

LEGION MEETING
The Prince William Post, 158, American Legion, will meet on Monday night, May 14th, at 8:30 p. m. (D.S.T.) in the Legion Hall.

Friends of Sheriff John Kerlin will regret to learn he is confined to the Doctor's Hospital, Washington, where he will undergo an operation for stomach ulcers.

Seek Members In MRA Drive
If a pretty teen-ager comes knocking at your door next week, or the next, don't be surprised. A committee of pulchritudinous and winsome local lasses will conduct a house-to-house canvass during May, to obtain memberships in the MRA, which, if you are not already "hep," is the Manassas Recreation Association. The program committee, under Sedrick Saunders, is planning a program of community recreation for all youngsters, from 6 to 60, for the summer months. Participation in program events will be free to all, but funds are needed to purchase equipment and to employ two recreation directors, who will be in charge of events, and who will offer instruction, guidance and supervision in all sorts of recreational skills. Members of the teen-age committee, assisting in the membership drive under the direction of Miss Catherine Dennis Baker, are Patsy Barron, Barbara Clark, Lou Galleher, Shirley Heineman, Ann Walser Ratcliffe, Mary Ann Sinclair and Helen White. Mrs. Paul Wilkins, association membership chairman, assisted by Mrs. Edgar Rohr, will canvass business establishments for sustaining memberships. Membership fees are: Individual, \$1.00; family, \$3.00; sustaining, \$5.00 and up.

Gnadt Gives Report On State Chamber Meeting
Commissioner of Revenue Charl-ton Gnadt gave an interesting report on the annual session of the State Chamber of Commerce held last month at Roanoke at the regular meeting of the Prince William Chamber of Commerce, Tuesday noon. Mr. Gnadt attended the state meeting with C. C. Cloe, Triangle, and Deb Gochwaite, Manassas, as representatives from this county. Mr. Cloe was elected a director of the State body. Layouts of folders, which the local Chamber is planning to have printed to advertise the historical points of interest in Prince William county, were submitted by Jack Ratcliffe. Harry Parrish gave a report on plans for the farewell party to be given for the local National Guard unit.

SUFFERS BURNS

On Friday Stanley May was the victim of a tractor accident which just barely missed being very serious. The tractor exploded and threw Stanley knocking him unconscious. When he regained consciousness he had to walk nearly a mile to his home. His burns are rather severe but are confined to his hands, arms and face. All his many friends are grieved to hear of this misfortune in the May family for Stanley is the "main worker" on the farm. We do hope so much the burns will heal quickly.

Mrs. Betty Brown is spending this week in Richmond attending the annual grand chapter of the Order of the Eastern Star. Betty is worthy matron of the local chapter.

Mr. and Mrs. A. D. Sines and Mrs. Dencie Swartz left Tuesday to spend this week with Dencie's parents in Clarksburg, W. Va.

ATTEND FUNERAL

Mr. and Mrs. Walter Yankey attended the funeral services of their sister, Miss Mennie Dodd, of Richmond, at the Yankey family home at Criders, Sunday. Mrs. Dodd had been ill for several months. She leaves, besides her husband, three children, one about one year old.

It's good to see Mr. S. G. Whetzel out again. Now that the doctors have determined the cause of his illness, we hope his condition will improve rapidly.

Well enough to enjoy a drive in the sunshine on Monday for the first time in several weeks was Roy Fitzwater.

Walter Tolson was taken to Emergency Hospital. The cause of his illness is not known.

The Horace Herndons who have been living in Georgia, where Mrs. Herndon is from, are now building a home near the home of his father and mother, the Van Herndons, where Horace will help his father run the farm.

BIRTHDAY DINNER

The J. H. Hales entertained on Sunday at dinner, honoring several birthdays in the family. Dinner guests were Mr. and Mrs. Billy Cunningham of New York City, who were the weekend guests of the W. F. Hales; Mr. and Mrs. Pumphrey and their son and daughter-in-law, with whom the W. F. Hales lived while at Fort Meade, Md., during the last war; the LeWine Kerkins, of Washington, the E. C. Owens, Jr., of Falls Church, the W. F. Hales and Mr. and Mrs. Kenny Croushorn. Billy, Frances, Joey, Frankie and LeWine were the guests of honor.

Lee Flory called home on Saturday to tell his folks of his transfer soon from Camp Gordon, Georgia, where he has been in training.

Mr. and Mrs. Raymond Brown, and Mr. and Mrs. Lynwood Cropp of Manassas and Sgt. Eddy Maynard and Mrs. Melva Goodrich of Alexandria spent Sunday with Mr. and Mrs. O. D. Landes. The occasion was the celebration of Raymond and Eddy's birthdays.

Little Joe Hale and his mother, Mrs. W. F. Hale, spent several days last week in Washington while Joe was being treated for a very bad throat condition.

Miss Marion Poole is spending a three-week vacation with her folks, away from her nursing duties at Alexandria Hospital.

Mr. and Mrs. Ray Roth, the former Mary Elizabeth Hooker, have been visiting her sister and brother-in-law, the Stuart McMichaels. They are one their way to the Roth summer home near Cleveland, Ohio. The Roth family have a farm near Chosen, Florida, where they spend the winter months.

Mr. and Mrs. David Yankey were Sunday dinner guests of Mr. and Mrs. Owen Huffman of Greenwich.

Cpl. and Mrs. William L. Jorgensen are our newest married couple. Cpl. Jorgensen, whose home is Audubon, Iowa, and his wife, the former Louise Theimer, will live in one of the Tren's apartments here in Nokesville.

Miss Pauline Cleaver of Arlington was the weekend guest of Miss Rosa Lee Beahm at the Beahm home.

PARTY FOR GUARDSMEN

The Young People of the Nokesville Church of the Brethren made plans to honor all of the Nokesville young men who will soon be leaving with the National Guard, at a party at the Wallace Wood home this week. The group met last Tuesday night at the home of Mr. and Mrs. Dewey Godfrey who entertained the young folk royally.

CONCERT ENJOYED

The Band, with several numbers by the Glee Clubs of the local school, gave a very fine program on Monday night, under the direction of their teacher, Miss Dawn Arrey. All seemed pleased with the young folks performance. The band will be playing at the May Day activities this week and will march in the Firemen's Parade in Warrenton the first of June.

ENTERTAIN SENIORS

The Nokesville Ruritan Club held their May meeting in the high school gymnasium at which time they entertained the Senior Class and the faculty of Brentsville District High School. A delicious ham dinner was served by the Nokesville Methodist, W. S. C. S. The guest speaker for the evening was Mr. G. Tyler Miller, president of Madison College, who spoke on "The Trends of Education in Virginia."

John Ellis was the lucky member to draw the club pig for May.

Regional High Makes Plans For Graduation

The fifty-sixth annual commencement program of the Manassas Regional High School has been announced.

On Wednesday, May 30, the annual Founder's Day program will be sponsored by the general association, with a general business meeting at 10:00 a. m. (D.S.T.) in the school auditorium. The alumni dinner will be held at 12:00 noon in Howard Hall and Dr. J. D. Williams of Manassas will preside during the main program, at 1:00 p. m. Introductory remarks will be made by Principal G. N. Bennett. Jacob Thomas, class of '27, will present the guest speaker, Dr. William H. Waddell of Tuskegee Institute. Dr. Waddell is an alumnus of the school.

The baccalaureate services will be held at the First Baptist Church, Sunday, June 3, at 4:00 p. m. (D. S.T.). Reverend Robert L. Taylor, A.B.D. of Richmond, Virginia, will deliver the commencement sermon. The class night exercises will be held Tuesday evening, June 5, at 8:00 p. m. (D.S.T.) in the school auditorium.

The four ranking students, Reginald Wendell Bennett, Fred Bell, Evangeline Duncan, and Joyce Carter, will present the drama, "Winter Sunset" by Bromes. The presentation of diplomas will be made by H. L. Baxley, Fauquier County member of the Manassas Regional High School Joint Committee for Control.

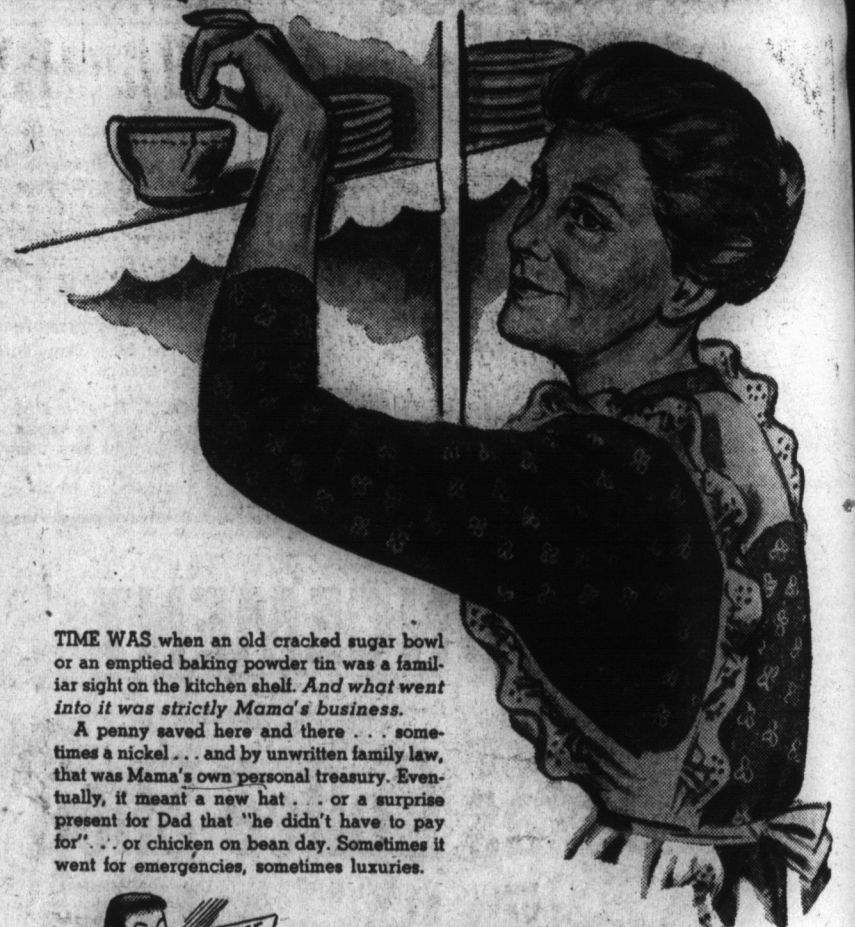

Music for the commencement programs will be rendered by the Choral Club of the Manassas Regional High School under the direction of James Major. There are seventy-three candidates for graduation. The public is cordially invited to attend all services.

Strictly Mamma's Business...

TIME WAS when an old cracked sugar bowl or an emptied baking powder tin was a familiar sight on the kitchen shelf. And what went into it was strictly Mama's business.

A penny saved here and there . . . sometimes a nickel . . . and by unwritten family law, that was Mama's own personal treasury. Eventually, it meant a new hat . . . or a surprise present for Dad that "he didn't have to pay for" . . . or chicken on bean day. Sometimes it went for emergencies, sometimes luxuries.

Today, Mama has to be a wizard just to break even. The one thing that hasn't dipped into her sugar-bowl savings or put a bulge in the family budget is electric service. It doesn't cost any more today than it did twenty years ago to leave a light in the hall, make toast at the table, vacuum the rugs or listen to the radio. In fact, it costs less.

And . . . because electricity has relieved her of so much drudgery, Mama isn't old at thirty any more. She's a happy, useful citizen . . . and it's a mighty good thing for all of us that what goes on in her community and in the world is . . .

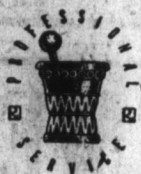

... Mama's Business!

TEEN-AGE DANCE

Thirty young folks of the Brentsville area attended the teen-age dance held at the Court House in Brentsville, Friday evening. The dance was arranged by Doris Muddiman. The Brentsville Ramblers furnished the music. Nicholas Webster was chaperone.

Ray Jr. of Alexandria and Elmer of Arlington, sons of the Ray Hedricks, spent the weekend with their parents.

Mr. and Mrs. Sheffield of Alexandria were Saturday visitors at the Ray Hedricks home. The entire Sheffield family was in an auto accident near Pautex Air Base last week. Mrs. Sheffield was the only one injured but friends will be glad to hear that the X-rays showed that there were no broken bones, just severe bruises.

Mrs. James Cooper was hostess at a Stanley party at her home Friday evening, May 4. Twelve ladies and eight children were present for the demonstration, after which the hostess served cup cakes and iced tea.

Mrs. Loraine Brown of Falls Church was a Friday evening dinner guest in the Chas. P. Kempton home.

Owen Kempton was able to return to school Tuesday after several days absence due to virus infection which seems to be prevalent now.

Mr. and Mrs. Arthur Lynn and family were Sunday guests of her mother, Mrs. Minnie Hays, in Washington, D. C.

Stanley Keys has been absent from school with a case of tonsillitis.

Lena Wright who teaches at Aldie, spent the weekend with her parents, the Wilbur Wrights.

Jackie Pope spent the weekend in Washington, D. C. with her father, Jack Pope.

Jimmy, Buzzy, Janlee and Randy Shoemaker, Brenda McIntosh and Hazel Breeden are recent victims of the measles.

Don Carter has recovered from the measles and was able to return to school Monday.

Mrs. Michael Cuvazos returned Saturday from a Washington, D. C. hospital, where she underwent an operation.

BIRTHDAY PARTY

On Saturday afternoon a group of friends helped Audrey Fogle celebrate her birthday at a party at the home of her parents, the Willard Fogle. After the entertainment homemade ice cream and a birthday cake was served.

Mr. and Mrs. George Braden of Washington spent the weekend with her parents, the Joe Keys. On Sunday they drove to Norfolk to see the "Mighty Mo," which was in lock there. During the war Mr. Braden was stationed on the Missouri.

Nick Breeden and family of Yorkshire spent Sunday with his sister, Mrs. Willard Fogle.

Jack Breeden of Manassas visited his sister, Mrs. Willard Fogle, Saturday.

Sunday evening dinner guest at the Ben Breeden home were her two brothers, Ralph and Clarence Burke, of Bradley Forest.

Mr. and Mrs. George Selver of Bergton, Va., Mr. and Mrs. Owen Shefflett of Bridgewater and Mr. and Mrs. Everett Spikes of Washington were Sunday dinner guests at the J. J. Whetzel home.

First Lt. and Mrs. John Butler and children of Washington were Sunday tea guests of the James Coopers. Later in the afternoon all motored to Quantico, where they visited Lt. Frye and family.

Mr. and Mrs. Ira Runion and daughter Rachel accompanied by Mr. and Mrs. P. J. Morris and three children of Manassas drove to Seven Stars, Pa., Sunday, to visit the Runion's daughter, Mrs. Lutjer Norman and family.

Mr. and Mrs. Charlie Johnson and family, of Gaithersburg, Md., were Sunday house guests of Mr. and Mrs. Morgan Breeden.

Mrs. Emma Wolfe departed Tuesday for Washington to spend several days with her sister, Mrs. Cornelia Ruffner, who is ill.

Laura Holmes of Newtonville, Mass., and David McKillop of Washington are house guests at the John Cox home.

Feed, Labor Costs Show Upward Trend

Poultrymen are having to cope with still-rising food and labor costs, say agricultural economists at V. P. I.

Laying mash hit \$5.10 at mid-March compared to \$4.40 a year ago. Scratch grain at \$4.80 is up 60c from last year.

Hourly wages, without board and room, increased from 54c on April 1, 1950, to 62c on April 1, 1951—an increase of about 15 percent. Likewise, rates per hour with a house furnished increased from 44c to 55c. Daily rates, without board or room, are up 15 percent to \$5.10 a day.

Farm wage rates in the United States rose 6 percent in the past three months, and on April 1 were 13 percent higher than a year ago.

Record Milk Production For March Reported

Virginia's dairy cows have hit an all-time record high for the month of March, say dairy specialists at V. P. I.

Number of cows on farms also was at a record high level.

Production during March was about 4 percent larger than in

March, 1950, and 32 percent larger than the 10-year average for the month. Total production for the first quarter of this year was nearly 3 percent larger than in 1950, and 29 percent greater than the average for this period.

The national picture was different. In the United States, production was down 3 percent from March 1950, and was only 2 percent above the 10-year average for March. Most states producing milk primarily for fluid outlets are showing production increases, while states producing milk for manufacturing purposes are tending to show large decreases in production.

Cold Storage Holdings Of Dairy Products Drop

Cold storage holdings of most dairy products decreased during March, says Ben F. Morgan, Jr., dairy marketing specialist at V. P. I.

The amount of butter in cold storage was around 80 percent below March last year. The amount of cheese was about 10 percent lower, while holdings of evaporated and condensed milk showed a small increase. Butter moved out of storage in March at the fastest rate for the month since 1934.

As compared with a year ago, but-ter production is down 17 percent

and cheese production is down 7 percent. This is largely the result of more milk going to the fluid market, Morgan says.

He says that unless they are held down by ceiling prices, manu-factured milk prices are likely to

advance faster in the next 12 months than fluid milk prices. Right now, the price of all milk is around 86 percent of parity, and may go to 100 percent of parity before being subjected to a ceiling price.

We gave a HOOT about the "TOOT!"

As fast as we can, we're changing the "voice" of our Diesel locomotives. Why? Because our neighbors along the Southern told us that, as much as they liked our modern Diesels, they missed the friendly sound of the familiar steam engine whistles echoing across the countryside.

So we got busy. To replace the deep-throated blat-t of the original air horns on our Diesels we developed a melodious "airchime" signal

that recaptures all the nostalgic sound of the old steam whistle.

A little thing? To you, perhaps... but not to us! For being a "good neighbor" to the people we serve is one of the biggest, most important things the Southern Railway System can do.

SPARE THE WHITE LINES—"Tracking" on wet pavement lines is just like trackin' in the house—"Don't," say the workers. Often the white lines must be repainted, and in the case of skidding cars the smeared paint must be blacked out. This not only ups the cost of painting but can be dangerous. Warning signs are placed at the end of each section when lines are being painted, with "Keep Off Wet Paint" signs and small "protectors" at frequent intervals. Despite these precautions, highway engineers say many sections of paint are ruined each year by motorists who fail to slow down and obey the highway signs—a misdemeanor in itself. Highway painting crews throughout the State are now busy on the marking of some 8,000 miles of highways, estimated to cost around \$400,000. So watch for the signs and slow down.

WAC-WAF Recruiter To Interview Local Women

The WAC-WAF Recruiter from Alexandria, Va., is now making regularly scheduled trips to Manassas for the purpose of talking to all those qualified young women, who may be interested in obtaining in-

formation regarding service in the Women's Army Corps and Women in the Air Force.

The WAC-WAF Recruiter will be at the Post Office Building, Room 200, May 21st, June 4 and June 19, 9:00 a. m. to 4:00 p. m.

Dates Set For College Tests

Major General Lewis B. Hershey, director of selective service, today announced May 15 as the deadline for the submission of applications for the selective service college qualification test. All postcard applications for the test must be postmarked not later than midnight May 15.

The three testing dates are May 26, June 16 and June 30. All of these dates are Saturdays. A fourth examination will be held Thursday, July 12 for those students whose religious beliefs are such that they could not in conscience take the examination on a Saturday.

The deadline has been established to allow the administrators of the test, the Educational Testing Service, Princeton, New Jersey, time to process the applications and assign each applicant a testing center from the approximately 1,200 centers and a date on which he is to report to take the test, General Hershey pointed out.

Young men who are contemplating taking the selective service college qualification test, scores of which will be used by local boards in considering student deferments, may obtain application blanks from the nearest local board. They do not have to return home to the local board which has jurisdiction over them.

To be eligible to take the selective service college qualification test, an applicant:

- (1) Must be a registrant who intends to request occupational deferment as a student;
- (2) Must be under 26 years old at the time of taking the test;
- (3) Must have already begun and plans to continue his college or university studies (the applicant need not be in a four year college but his entire course must be satisfactory for transfer of credits to a degree granting institution).

The test must be given by the Educational Testing Service at no cost to the registrant. The registrant will be required to pay only for his own transportation costs to and from the testing center.

15 Days Added To Bird Hunting Season

The State Game and Inland Fisheries Commission last week extended the bird hunting season for Prince William and several nearby counties for fifteen days. Open season on quail, turkeys, grouse, pheasants and rabbits will continue to start on November 20, but will last until January 20. The season previously was closed on January 5.

The other counties where the extension is effective are Fauquier, Culpeper, Fairfax, Loudoun, Madison, and Rappahannock. The commission also:

Decided to make no change in deer-hunting regulations on the Fauquier side of the Blue Ridge.

Decided to permit use of dogs in dove-hunting for the first time in twenty years.

Included Fauquier among a few counties in which the season limit on turkeys is one bird. In most of the rest of the states it will be one bird a day, two a season.

The regulations will become effective after being advertised in the newspapers.

Social Security

YOUR NEW SOCIAL SECURITY

By Ruth G. Duffy, Manager
Alexandria Social Security Office

If you had 90 days or more of active service in World War II, you have social security wage credits for the months you were on such duty.

While for social security purposes these credits count the same as wages in civilian employment, they are not actually listed on your wage record. Determination of your wage credits will be made when you file an application for retirement benefits, or when an application is filed by your survivors in the event of your death. It will be necessary at that time to furnish proof of military service, and if you were discharged, proof that the conditions were other than dishonorable. These military wage credits will then be added to the wage credits you have accumulated in work covered by social security before and since your period of military service.

These wage credits will immediately benefit many survivors of men who died while in military service, regardless of the length of such service. Also, World War II wage credits may benefit survivors of servicemen who died after discharge. The World War II wage credits do not count toward social security benefits if monthly benefits based in whole or part on the same period of active service are payable by the Army, Navy, Civil Service, or other Federal retirement systems. Social Security benefits are not affected by any compensation or pension that is paid by the Veterans' Administration.

The widow or survivors of every man who died after serving in World War II should inquire about benefits.

Correspondents are requested to send copy in early.

Cultivation Advised In Berry Plantings

Thorough cultivation in strawberry, raspberry, blackberry, and boysenberry plants is advised by Bruce Aroian, associate horticulturist at V. P. I.

He says strawberries cannot compete with weeds, and the new runner plants will have difficulty in rooting if the soil is crusted.

Frequent cultivation conserves moisture and at the same time destroys weeds.

Cultivation next to plants should be shallow to avoid exposure and injury to roots. Cultivate from one to two inches for strawberries, and three to four inches for other berry

plants. Deep cultivation of raspberries, blackberries, and boysenberries weakens the root system and increases the number of suckers.

Where canes of trailing blackberries and boysenberries are allowed to trail on the ground the first year, discontinue cultivation when the canes begin to interfere.

Meet the Economy Champion

**WINNER SECOND STRAIGHT YEAR IN MOBILGAS ECONOMY RUN**

Again in 1951, Mercury out-classed all its competitors in the nationally famous Mobilgas Economy Run. Over the tough, grueling 840-mile course, Mercury, with optional overdrive, delivered greater pound-for-pound economy than any other car in its price-class—for the second consecutive year.

Don't miss the big television hit, "TOAST OF THE TOWN," with Ed Sullivan, Sunday evening 8:00-9:00 p.m. Station WTOP, channel 9.

With the Proved Long Life

3-WAY CHOICE! For "the drive of your life!" Mercury now offers a triple choice in transmissions: Merc-O-Matic Drive, the great new "simpler, smoother, more efficient automatic transmission" thrifty Touch-O-Matic Overdrive (both optional, at extra cost); plus silent-ease standard transmission.

92% OF ALL MERCURYS EVER BUILT ARE STILL ON THE ROAD!

Latest annual registration figures, officially showing total cars in service, prove that 92% of all Mercurys ever built are still in service. This is solid proof that Mercury quality-construction gives you extra-long life; extra freedom from excessive repair bills. For mile-after-mile economy in a car that really stands up, the smart choice for you again is the 1951 Mercury.
