PLASTIC BAGS

Plastic moisture-resistant bags are handy aids for the busy housewife. Use them as a crisper for vegetables or a handy ice bag for the extra ice cubes left over from a meal.

Sandwiches, cookies, cakes or vegetables will retain freshness much better if placed in these bags; or on a rainy morning, the school boy or girl may wish to slip school books, tablet or pencil case into one for protection from the raindrops. The weekend traveler will find them useful as a protective covering for bedroom slippers, lingerie, or toilet articles. The bags can be cleaned and used over and over again.

State Frozen Locker Ass'n Has Convention

How to serve more Virginia families better was the main theme discussed at the 1951 Convention of the Virginia Frozen Food Locker Plant Association, held at The Cavalier Hotel, Virginia Beach, Virginia, October 17-18. At a "Management Conference" held on October 17th, Virginia Extension Service leaders outlined methods for cooperation with local educational agencies and organizations as a means towards achieving this objective. Dr. J. L. Maxton, E. T. Swink, Roy E. Moser, George E. Herring, and Miss Eva Minix, all of the Extension Service with V. P. I., Blacksburg, Virginia, were on this program.

Mrs. Martha Patterson, home economist, of Richmond, spoke on the methods which could be adopted by locker operators to better serving of the increasing legion of home food freezers.

High point of interest at the convention centered on the third annual Virginia Ham Show. Country style cure hams were featured, with Mr. Herring, Extension Animal Husbandman, as chief judge. A beautiful plaque was awarded by retiring President Frank J. Parrish to the first place winner, W. D. Morris, of Appomattox Frozen Food Lockers, Appomattox, Virginia. Kerr S. Evans, of the Citizens Food Bank, Chatham, Virginia, was selected as the locker association's new president. Other officers elected included Joseph B. Banner, of Wytheville, Virginia, as vice-president; Dorman H. Duville, of Grewe, Virginia, treasurer; and S. Frank Straus, of Richmond, Virginia, executive-secretary.

Other directors of the association, in addition to the officers, elected as follows: past president Parrish, of Manassas; S. T. Kite, of Staunton; R. E. Loving, of Madison; and N. C. Taylor, of Tappahannock, all representing locker operators.

F. L. Edens, of South Hill, Virginia, was elected to the board of

County Asked To Aid Korean Children Relief

Dr. Theodore D. Martin, regional representative of the Save the Children Federation, reports that plans are well under way in Prince William County for a direct mail-financial campaign, for the relief of Korean children. More than 9,000,000 men, women and children are homeless refugees in their own country, since practically every important Korean city is either badly damaged or wholly smashed. The children in this country, as in every country that suffers total war, are the most grievous casualties. Many are orphaned, maimed, homeless—many do not know if their parents are alive or dead.

Even the schools are casualties of this communistically inspired war. Forty per cent of all school buildings in Korea have been bombed and shelled beyond repair. Others have been left in shambles by retreating troops. These are the schools and the children in whose behalf the Save the Children Federation appeals for consideration and help.

The Save the Children Federation was organized in 1932, to help underprivileged children in this country and abroad. Its Korean Relief Program features three aid projects:

1. It ships reconditioned used clothing to the needy Korean children. Already over 100,000 pounds of warm clothing, shoes, blankets, and layettes have been sent by the Federation for free distribution to Korea's children and their families.

2. It has prepared a "School Rehabilitation Unit," which con-

ducts to represent supplier members. Natural Bridge Hotel, Natural Bridge, Virginia, was chosen as the preferred location for the association's 1952 convention. A date in April will be picked when convention arrangements are made. This location was selected so that West Virginia members can more easily attend the annual gathering.

tains clothing, shoes, school supplies, and other classroom materials, which are almost altogether lacking in Korea. The cost of these "Units" is \$50.

3. It ships large tents to serve as temporary school buildings, so that the children can hold classes even in the rain. A tent, large enough to shelter 35 to 50 children, costs \$250.

The first shipment of school supplies from the Federation left New York for Korea the middle of August, on the S. S. Rock Springs Victory. This included a 625 pound tent, 100 "School Rehabilitation Units," and 20,000 pounds of used clothing. Additional shipments will be made as rapidly as the Federation's resources will permit. Cash contributions may be sent to: William A. Birbeck, Asst. Chief of the National Bank, Manassas, who is serving as treasurer for the local campaign. Contributions of used clothing may be sent by pre-paid parcel post, express or freight to the Federation's Workroom, 8 Washington Place, New York 3, N. Y.

CARAMEL POPCORN

1 c. white sugar
1/2 cup dark syrup
1 tsp. vinegar
1/4 tsp. salt
1 tsp. butter
1 tsp. vanilla
1 tsp. soda
3 qt. popped corn
Mix sugar, syrup, vinegar, salt and butter in 2-quart saucepan. Cook over medium heat, stirring constantly until mixture boils. Boil gently until a small amount of syrup will crack when tested in cold water (about 290 degrees F. on a candy thermometer). Add vanilla and soda and stir well. Pour foamy mixture over corn and stir to mix well. Store in tightly covered jar or can.

Pecan Variation: Add 1 cup chopped pecans to popcorn before mixing with caramel syrup.

The Journal is like a "letter from home" to those away from home.

Gains Wiped Out

"Industrial expansion is essential for a progressive economy and expanding production calls for ever increasing capital investment," writes Godfrey N. Nelson in the New York Times. "Under normal conditions of the past it has not been unusual for this country to invest up to 18 per cent of the national income in business enterprise. Only about six per cent of our huge national income is now finding its way into such investment." This situation, Mr. Godfrey says, is largely the result of our tax system, which drains away industry's resources.

Every individual knows that taxation has sharply reduced his take-home pay. What is not so well known is that business, big and little, is in the same boat. The National City Bank recently made an analysis of the experience of 325 representative manufacturing corporations during the first half of 1951. Their total receipts were 28 per cent larger than in the same period of 1950. But these gains were practically wiped out by Federal income and excess profits taxes. As the Bank's report said, "Despite the fact that these 325 leading corporations . . . sold \$6,200,000,000 more in goods and services than a year ago, and operated with substantially larger invested capital, they were unable—because of Federal taxes—to retain any greater net income after taxes for their own use."

Maximum industrial expansion is impossible under a tax system which is making it more and more difficult for individuals and businesses alike to save, to invest, and to grow. It is a system which undermines initiative and destroys ambition. The case for rigorous government economy, in every department and every branch, is overwhelming.

How's Business?

By Roger W. Babson

POLITICAL OPPORTUNITY

The Republican party lost a chance of a lifetime when it elected Herbert Hoover in 1928! Business had been booming for six years and was reaching a stage of financial hysteria. The campaign slogan was "Four More Years of Prosperity with Hoover." Gold(?) medals were struck with that insignia for pocket pieces. Some politicians are slow to learn that if you take credit for good business then you are subject to discredit and blame for bad business. It was quite evident in 1927 that there was a pay-off coming both in business and the Stock Market. If the Republicans had let Al Smith win the election and inherit the depression and financial crash of 1929-1935, the chances are that it would have been hard to elect another Democratic president for many years.

The political and business situation is somewhat analogous today. Some Republicans are beginning to sense the situation and are wondering whether or not this is the time to elect a Republican president. We have had a business boom for the past twelve years, part of which was due to World War II and part of it due to war preparation on account of the Korean and Russian situation. We have poured out billions upon billions of dollars to get some foreign nations back on their feet; and we are spending billions more on the Korean War and preparation for defense to prevent World War III. The National Debt within the next few years will be incomprehensible and the value of the dollar could decline proportionately.

I am not saying that the Republicans should let the Democrats win the National election next year, but I am saying that if the Democrats should win it might be a Republican blessing in disguise. The ideal program would be for the Republicans and Democrats to get together and select the best man in the whole field, be he Republican, Democrat or Independent, and draft him to be our next President. NOW IS THE TIME FOR ALL GOOD MEN TO COME TO THE AID OF THE GOVERNMENT RATHER THAN THE PARTY!

From where I sit . . . by Joe Marsh

Guess They Feel
Pretty "Sheepish"

My wife and I went to Central City Saturday for the football game and it was a top-notch. But I began to wonder if it was worth the trouble when we got in a traffic jam coming home.

Traffic makes me mighty impatient. When I came to a side road that seemed to point towards the main highway, I turned onto it. This road bumps along for maybe a mile, then fetches up short by the railroad—a dead end.

So, I turned around and darned if there weren't twenty cars behind me! One driver had followed

—figuring I knew a short-cut—then a whole string of them swerving after him, like sheep.

From where I sit, there's no sense in just "following along." Whether it's choosing a road, a movie star, or what beverage to drink at meal time, it's always better to make your own decisions. Personally, I often like a glass of beer with my dinner, but most of all, I like the freedom of making up my own mind about it!

Joe Marsh

Episcopal Church History In County Dates Back Over Two Hundred Years; Trinity Parish Started In 1872

By Gladys D. Bushong

(With grateful appreciation to Edmonia Taylor Sinclair)
"Therefore, to him that knoweth to do good, and doeth it not, to him it is sin."

From this verse of scripture, in the book of James 4: 17, Bishop Whittle gave words of encouragement and hope to his congregation when Trinity Episcopal Church was consecrated July 16, 1888.

Dettingen Parish

An effort for an Episcopal church was begun by a few families in 1872, most of whom were from Dettingen Parish, which at one time extended from Dumfries to the Bull Run mountains. This parish was a large part of what was formerly known as "Overwharton," a very large district, later divided into what was known as "Hamilton," and again a division made to be known as "Dettingen."

Formed in 1944

The name "Dettingen" is interesting from several viewpoints. This parish was formed in 1744, and it was named for the second battle of Dettingen. It was in this battle William Augustus, Duke of Cumberland, the third son of George II, fought so valiantly and was severely wounded. From Prince William Augustus our county derived its name, "Prince William"—1731, and it then included the present counties of Fairfax, Fauquier, Loudoun and Arlington. A few years ago (1944) Trinity Church in Manassas celebrated the 200th anniversary of Dettingen parish.

First Church at Dumfries

It was in Dumfries that the first Episcopal Church, or chapel, was located, and was described by the Bishop as being "small and indifferent." Consequently a new brick building was erected in 1752, and cost "one hundred thousand weight of tobacco." Later, it fell into ruins, when the town of Dumfries no longer was the large trading and shipping port that at first it had started to be.

Church of Brentsville

Later on, St. James in Brentsville was the parish church, and the rector continued his services there until the War Between the States. He served a very large parish; maintained his own home, and ministered generally to the needs of a community which was scattered miles and miles apart, driving over roads in which the mud often times was hub-deep. After the war, there was nothing left of the church, except the walls and roof, and with the windows and doors gone, it only served as a ghastly reminder of the horrible days gone by. Some thoughtful person took care of the

TRINITY EPISCOPAL CHURCH

sacred communion silver, and for safe keeping lowered it into an old well.

Reconstruction

The few Episcopalians, who were left in the community, led by their former rector, partially restored the structure, and services were held. Such courage and heroism as these people possessed gave hope and inspiration to those living in and around Manassas Junction to work with enthusiasm to rebuild their homes and establish their churches. Toward this end, one fourth of an acre of land was given by Mr. and Mrs. Robert Weir for the erection of an Episcopal church in Manassas. This land was deeded to Charles H. Whittington, Edgar V. Weir, Benjamin D. Merchant, John C. Weems, John W. Miller, Winfield I. Chase and Robert C. Weir, trustees, June 6, 1873. Thus, the effort and the labor began for Trinity church, and the Reverend Kinlock

Nelson together with a few scattered families were responsible for its beginning.

Used Presbyterian Church

During the years of its construction, the small but zealous and ardent congregation worshipped on the second and fourth Sundays in the old Presbyterian church, which then stood near the corner of Church and East streets. The Reverend John McGill and the Reverend Arthur P. Grey were probably uppermost in promoting and building the church, and even though the membership was small, they were earnest and not easily discouraged. It is interesting to note what Mr. Grey said of the church, and quoting from the history of Trinity church, written by Edmonia Taylor Sinclair: "I found twenty-three communicants, a debt of sixty dollars on the organ, a mere shell of a building, no tower, no chancel, no pews, no furniture,

even the facings around the windows, doors and washboards were all wanting. An old box, turned upside down, and covered with green curtain cambric, was used for a desk and pulpit, and a few loose rickety pews from the old Presbyterian church were used to seat the congregation. There was a debt of one hundred dollars due, and the people were despondent. The Weirs, Smiths and Reeds being the main helpers for the first year, we paid for the organ, put in pews, chancel, trimmings, etc." Until a silver communion service was secured, a china plate was used as a paten, a glass goblet for a chalice, and a cruet for water.

Mr. Grey resigned from Dettingen parish in June 30, 1888, and for some time after his resignation, the church was in charge of various students from the Theological Seminary, some of whom made their home here while serving the church.

Prominent ministers have served this church faithfully and loyally, and noticeable improvements have been made under their leadership and guidance. Probably the largest improvement undertaken was during the rectorship of the late Rev. A. Stuart Gibson. The congregation, as well as the Church School, had grown to such an extent to justify a larger place of worship. Therefore, the first church edifice was moved to the end of the lot, and the new building erected and attached to it. This provided a parish house, vestry room, kitchen, robing rooms, etc., besides in the new spacious building there was a large sanctuary, with deep chancel and choir pews. Quite a few valuable furnishings have been kept from the first church, and today these are priceless. Numerous gifts for the new church edifice, as well as memorials, have come from a number of friends as well as parishioners. The alms basins are a part of the old silver set from the parish church in Brentsville, and from information from some of the elder residents of that community, am informed that this silver was purchased by practically all of the people of that small village, irrespective of creed or race. No one could ever estimate the depth of love in the hearts of those people at that time for a place of worship; a place where God could be worshipped according to their own rights and wishes; a place where that grim monster of war would not invade and destroy their sacred places. No doubt it was from the

example and precept of the people, who lived in the Brentsville community that inspired the few communicants living in and around Manassas Junction to erect a House for the worship of God.

Close to thirty years have gone by since the first remodeling of Trinity church, and again the Church School and membership have grown which necessitates more

space. The addition being started at the present time forms beautifully to the building, and when it is completed will have eight rooms for the of the Church school, together a business office.

The Reverend E. Guthrie who was called to the pastorate in 1946 is rector of Trinity, and in the Rectory on Lee avenue

School Pupils Give \$50 To Fire Department

A special ceremony was held during the regular chapel period at the Centreville School on Monday morning when Thomas Clore, Chief of Centreville Fire Dept., was presented with a check for \$50.00 to swell the department's funds. This gift was the result of a movie which was given at the school and the children expressed their desire to donate the proceeds to the Fire Company.

ATTEND CONFERENCE

Mr. and Mrs. Gilbert King, Mr. and Mrs. Minor Myers and Mr. and Mrs. William Booles attended the Fall Conference of Lions at Fredericksburg on Friday night. Roy Keating, director general of Lions International, was the principal speaker at the banquet. A dance was held following the banquet at the Princess Anne Hotel.

Mrs. Chas. LaFollette has returned to her home after visiting her daughter in New York.

Mrs. Douglas Walser is recuperating at her home after undergoing an appendectomy at Sibley Hospital.

DELIGHTFUL PARTY

A delightful at home party was given Saturday from 5 o'clock until seven by Mr. and Mrs. Aubrey Graves at their farm, Grigby Hill, near Centreville. The occasion was also in honor of the birthdays of the hosts, Aubrey and Alzene LaBelle. Many of the Fairfax friends of both honored guests were present. Guests from Centreville included Mr. and Mrs. V. C. Jones, Mr. and Mrs. E. D. Gohawite, Mrs. P. L. McNeil, Mr. and Mrs. F. MacRae Banks, Mr. and Mrs. Thomas Clore. Also Mr. and Mrs. Dan Dyer of Manassas.

HALLOWEEN PARTY

It's almost witches and goblins time and the Centreville P.-T. A. is planning a Halloween Party on that night, Wednesday, Oct. 31. Master of ceremonies will be Archie Daniels and a grand program is planned.

The fun begins at 7:30 with games that will last until 8:45. From 8:45 to 9:15 there will be a costume parade and judging for prizes. From 9:15 to 10:00 p. m. there will be stage entertainment in the auditorium and from 10 to 10:20, a Halloween movie. Refreshments sold throughout the evening.

BORN

Mr. and Mrs. Robert McCormick are the proud parents of a baby daughter, born Oct. 21st in Georgetown Hospital.

Recent guests at Royal Oaks were Mrs. Rose Hottle, of Haymarket, Rev. W. C. Carpenter and Col. and Mrs. J. G. Cooper of Centreville.

Mrs. Irene Lake left by plane Thursday for San Mateo, Calif., due to the severe illness of her father, who resides in San Mateo.

Mr. and Mrs. Clarence Buckley, and Mr. and Mrs. George Menefee and children went on a fishing trip to Solomon's Island last Thursday.

George Breen, son of Mrs. Gertrude Breen, has enlisted in the Navy and left Monday for Great Lakes to begin training.

Having completed his training at Great Lakes, "Skipper" Harris is at home on a ten day leave after which he reports to Florida for

HITCHING-POSTS

Here and there in some of our cities and towns one finds narrow streets, still lined with hitching-posts—beloved relics of an almost forgotten era!

But man hasn't really abandoned the hitching post. He has converted it. Today he calls it a parking lot, or a terminal, or an airport. But it's really the old hitching-post, just the same.

In fact, we never will out-grow our need for the hitching-post. No matter how far or fast we travel, there will always be places we like to stop and stay awhile.

Odd how our spiritual needs resemble the physical ... The soul needs a hitching post, too. As we try to keep up with the ever-quicken pace of modern life, we need the sound, solid, unwavering truth of our Christian religion.

And come Sunday morning, there's no place like the Church to stop and stay awhile!

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

**Regional Hi Eleven
Defeats Parker Gray**

The Manassas Regional High Eleven upset a strong Parker Gray team at Alexandria, Friday, by the score of 9-6.

The Bull Dogs drew first blood by scoring in the second period when halfback Johnson intercepted a pass on the Manassas 40-yard line. Two plays later on a quarterback sneak, the Bulldogs scored to put them in front, 6-0. They missed the try for the extra point.

A field goal from the 30-yard line by Naylor in the third quarter gave Manassas a 9-0 edge. The try for the field goal was set up by Newman had intercepted a Parker Gray pass on the 50-yard line and raced to the 30-yard stripe. With less than 2 minutes to go in the final period, Parker Gray scored on a pass play.

MANASSAS 023-F-2**Proved Sire
Breeder Sales
Draw Crowds**

Charles E. Waldrop, local technician of Manassas, reported today that the 2nd and 3rd Proved Sire Breeders Sales held at Glenwood City, Wisconsin on Saturday, October 6th, and at Janesville, Wisconsin, on Monday, October 8th, were highly successful. Both sales drew large crowds and were efficiently handled under the management of the American Breeders Service of Chicago. The animals were all grade, female offspring of artificial breeding to the service of the high-indexed, proved sires used by American Breeders Service studs at Madison and Duluth. Cows all had DHIA or Owner-Sampler records of at least 400 pounds/butterfat on a twice daily milking, 305 day, mature basis. Heifers were all out of dams that either had 400 pound production records (on the same basis), or were themselves sired by American Breeders Service bulls.

At the Glenwood City Sale, 8 cows averaged \$410, with a top of \$460; the 17 bred heifers averaged \$337, with a top of \$500; the 18 unbred yearlings averaged \$197 with a top of \$275; and the 42 calves, 6

MRS. DAISY NALLS
Mrs. Daisy Kinchee Nalls, wife of Craven C. Nalls, of Thoroughfare, died at her residence Sunday, October 21st.

Besides her husband, the following children survive: Harry W. Nalls, Arlington; Mrs. Levie Wilver, Washington, D. C.; Raymond C. Nalls, Broad Run, Va.; Two grandchildren, Miss Barbara Nalls and Mrs. Dorothy Hawkins, also survive.

Funeral services were conducted Tuesday, Oct. 23, from the Baptist Church, Haymarket. Interment in Gainesville Cemetery.

months to a year, averaged \$170, with a top of \$255. One baby calf sold for \$65.

At the Janesville Sale, 19 cows averaged \$406, with a top of \$530; the 32 bred heifers averaged \$331, with a top of \$550; the 14 unbred yearlings averaged \$216, with a top of \$280; and the 15 calves, 6 months to a year, averaged \$169, with a top of \$260. Two baby calves were sold for \$70 and \$100.

In the opinion of farmers who consigned these unregistered animals, these sales gave a striking demonstration of the cash value of proved sire breeding and DHIA testing.

Correspondents are requested to send copy in early.

Haymarket

Mrs. A. H. Meyer

ACHIEVEMENT DAY

The Home Demonstration Clubs will have "Achievement Day" on October 30th at 1:30 p. m. in the Sudley Recreation Hall. The Catharlin Club will be hostess and serve the refreshments. Guest speaker of the afternoon will be J. M. Garber, County Superintendent of Schools. Theme, "Youth Today our Leaders Tomorrow."

AUCTION SALE NOVEMBER 3

On Saturday, November 3rd, beginning at 10:00 a. m. at the Parish Hall, the Vestry and Auxiliary Guild of St. Pauls Episcopal Church will hold an auction sale. Articles of every description will be sold, including livestock, farm implements, household goods, food and clothing. The public is urged to attend. This sale is for the benefit of St. Pauls Church. Luncheon will be served at 12 noon.

SQUARE DANCE

The P.T.A. of the Gainesville District School is sponsoring a Square Dance on Saturday, October 27th, from 8:30 p. m. to midnight, to be held in the school auditorium. A professional will do the calling. The public is invited, young and old alike. Come and bring the family and your friends. Enjoy a night of square dancing.

BIG SUCCESS

The annual Turkey and oyster dinner which was held on October 19th at the Parish Hall and sponsored by the Auxiliary Guild of St. Pauls Episcopal Church was a big success socially and financially.

Mr. and Mrs. Douglas Adams, of Daytona Beach, Florida, are spending two weeks visiting relatives and friends here and in Washington, Purcellville, Waterford, and Middleburg. Mrs. Adams is the sister of Mrs. M. Fewell Melton and Mrs. L. E. Thomas.

Miss Bell Price has returned to her home after spending the weekend in Norfolk at the home of Mr. and Mrs. Wade C. Payne.

Dinner guests at the home of Mr. and Mrs. A. H. Meyer on Sunday were: Mr. and Mrs. A. DelPorto, Mrs. C. Clemens and Mrs. K. Streeter, of Erie, Pa., Mrs. Margaret Pittman and Miss S. Catherine Heberle of Washington, Mr. and Mrs. Wm. Heberle of Arlington, Mr. and Mrs. DelPorto, Mrs. Clemens and Mrs. Streeter were overnight guests and left on Monday morning for Philadelphia and Atlantic City before returning to their home in Erie. Mrs. Streeter is the mother of Mrs. Meyer.

Mr. and Mrs. Legg and son of Dayton, Va., were guests on Sunday at the home of Mrs. A. R. G. Bass.

Mrs. Carrie Dulaney, after spending the summer at "The Shelter," has returned to her daughter's home at Baileys Cross Roads for the winter.

Mrs. L. E. Thomas, who has been quite ill at her home for the past two weeks, is improving nicely.

Mrs. J. Gosson and daughters, and Mrs. G. Gosson and daughter spent Sunday in Herndon visiting relatives.

Mrs. A. H. Utterback and children attended a dinner party on Sunday at the home of her daughter and son-in-law, Mr. and Mrs. Boyd Parker, in High Point.

Mr. and Mrs. W. J. Elgin, of Richland, Va., visited at the home of Mr. and Mrs. J. W. Garrett, Monday.

Woman's Club Hears Reports On Schools, Civilian Defense

The Woman's Club of Manassas had a busy and unusually active Monday evening, when they met in the Parish Hall here.

Mrs. Elaine Hartley Levine, presiding over the meeting, heard reports from Mrs. R. E. Daffan, delegate to the district meeting of the Virginia Federation of Women's Clubs. Mrs. Daffan stated all clubs were urged to participate in the General Clay Fund, (sending packages to Europe) increased membership and other state projects.

Mrs. Nicholas Webster, chairman of Education and representative of the club on the Citizens Committee on Schools, gave a brief report on the outline of what the committee hopes to accomplish. Those present were divided into groups for discussion. The findings and suggestions of these groups will be compiled and submitted to the next meeting of the Citizens Committee for clarification and study.

Principal Daniel Kelso was present and gave some interesting facts and figures on past, present and future student enrollment in the schools of the county.

Plans for local performance of the Barter players, on November 20th were further perfected. The play to be presented is "Light Up the Sky," by Moss Hart.

The Fine Arts Section is planning to observe Art Week by holding an Art Show and Exhibit of Handicraft, November 8th and 9th, at the Methodist church. The show will be open to the public during the afternoon and evening of each day, Mrs. Lewis Carper, chairman, announced.

Bakers Mark 50 Anniversary

Time allows few people to live together over a span of fifty years, but there are some folks in our community who have had this privilege.

On October 23, 1901, fifty years ago, our good friends and town-folk, George Baker and Daisy Hornbaker were married at 12:15 p. m. in the Presbyterian church by their pastor, the Reverend J. Garland Hamner.

On Tuesday night, Mr. and Mrs. Baker celebrated their golden wedding by inviting their friends and neighbors to enjoy with them the occasion. The home was beautifully decorated with golden chrysanthemums, and other flowers. The dining table was appropriately adorned with flowers and the big anniversary cake as well as delicious delicacies of various kinds.

Mrs. John H. Stauff and Miss Catherine Dennis Baker presided at the table and served the many guests who came during the evening to extend their best wishes to the "bride and bridegroom."

Operations for Civilian Defense. He spoke on "How Prepared Are We for Civilian Defense." He made it quite clear that today we are not prepared to meet the many problems which would face our homes, our states, our nation, when the atomic war is thrust upon us. Civilian defense he said is everybody's business. Women he said have the fundamental job of preparedness. Mr. Kullenburg urged each family to arrange its affairs, as to be able to take care of itself first; then help neighbors, community, and state. He said that every adult should make an effort to learn rudimentary first aid, as it would probably be the only means available for saving their own lives as well as those about them.

Social hour and refreshments, brought to a close a most thought-provoking meeting, which offered to the Woman's Club of Manassas a real challenge for community service.

Mr. and Mrs. J. Carl Kincheloe of "Birmingham" are expected to return today from Detroit, where they went by plane to attend the American Dairy Association.

Mrs. Richard Haydon, Jr. and daughter Vicki, of Richmond, are visiting Mrs. Haydon's parents, Mr. and Mrs. Edgar F. Parish, on Center street.

Mr. Noble Morgan left Tuesday for overseas duty. Mrs. Morgan and their son Barry will remain here, having taken an apartment in the Smith-Cole building.

Mr. and Mrs. George Batts of Fairfax attended the wedding anniversary of their aunt and uncle, Mr. and Mrs. George D. Baker, Tuesday night.

Friends of Clay Ball will be glad to learn he is home from the hospital, where he has had to take special treatments for about a month.

Rev. and Mrs. Clark Wood spent the weekend in Lynchburg, where Mr. Wood preached in one of his former churches.

Mr. and Mrs. T. G. Milstead of Lynchburg have returned to their home in Lynchburg, after a visit to Mrs. Milstead's sister, Mrs. Frank Wood on Battle street.

BORN
Born to Mr. and Mrs. Lon Warner, on October 8, a son, Jeffrey Lynn.

Bride Of Manassas Editor

Mrs. James A. O'Keeffe, Jr., who was married Saturday in a pretty church ceremony at Washington, D. C., is the former Miss Mary Catherine Flynn, of that city. Mr. O'Keeffe is assistant editor of the Manassas Journal. They will make their home in Manassas, following a wedding trip to Bermuda. (Photo by Hessler Studio, Washington)

Flynn - O'Keeffe Vows Spoken In Pretty Church Ceremony

Miss Mary Catherine Flynn, daughter of Mr. and Mrs. Thomas A. Flynn, Washington, became the bride of Mr. James A. O'Keeffe, Jr., Manassas, Saturday morning at 10 a. m. at the Church of the Nativity, Washington, D. C.

The Rev. Fr. Norris performed the marriage while the Rev. Fr. Weissel said the Nuptial Mass. Mr. Flynn, father of the bride, gave Miss Flynn in marriage.

The bride was dressed in a gown of white satin with train and headpiece and carried a bouquet of flowers. Mrs. Albert F. Fleury of Washington, sister of the bride, was her matron of honor. Miss Anne Irene O'Keeffe, sister of the groom, was the bride's maid of honor.

Miss Joyce Taylor, Miss Nan Loh, both of Washington, and Miss Joanne Connor of Connecticut were bridesmaids.

Mrs. Levine Entertains Garden Club

Tuesday afternoon the Garden Club journeyed over the winding road, through the woods vivid with the glory of the autumnal season to the home of Mrs. Myron Levine, "Sinclair's Old Mill."

The weather was an ideal fall day, and the club enjoyed the outdoor for their regular meeting. Mrs. E. D. Wiesler and Mrs. Fred Hynson were elected to attend the Women's Forum in Richmond in November. Mrs. Paul Kopp was elected alternate.

Mrs. Fred Hynson reported on the library project, and the club voted to buy the book, "Pioneer American Gardens."

Mention was made of the Garden Festival to be held in Washington, November 5-10.

One of the outstanding events of the meeting was the address given by Mrs. John Watson Cox on "The French Gardens." Mrs. Cox recently has returned from her home in France, and was well prepared in giving to the club members many interesting facts of French gardens as well as displaying a number of photographs of scenic gardens.

Twenty-four members and four guests were present. They were served with delicious refreshments by the hostess, Mrs. Levine.

The next meeting will be held in the Parish Hall, and the program topic is, "Winter Dried Arrangements."

In And Around Manassas

Mr. and Mrs. Reuben C. Hicks spent Sunday at the home of Mr. and Mrs. Jack Rives in Front Royal.

Mrs. Wallace Rion and son, Jimmy, of Catharpin neighborhood, are visiting relatives in Ohio.

Mr. and Mrs. Edwin Barbee had as their guests last week, Mr. Barbee's brother and his wife, the Reverend and Mrs. Walter Hendricks, of Scranton, Pa.

Young Danny Swinney returned to his home in Arlington on Sunday after a visit to his grandparents, the Rev. and Mrs. Daniel D. Swinney at the Manse.

Mr. and Mrs. Clarke Johnson of Richmond were weekend guests of the Jack Ratcliffes.

Mrs. William D. Sharrett of Bristol, Va., visiting relatives.

Miss E. J. Whisenant, of Bessemer, Ala., was the guest of Mr. and Mrs. L. L. Loras last week.

Mr. and Mrs. Roy H. Blakemore had Mrs. Blakemore's sister and her husband, Mr. and Mrs. George Eaves, of Silver Spring, as their guests over the past weekend.

Robert Leachman and Harvey Lynch of Alexandria were in town Tuesday greeting their old friends.

Sunday guests of Mr. and Mrs. Lewis J. Carper included Miss Minnie Ogilby and Miss Everette Marks of Richmond.

Frank Hoss was called to Johnson City, Tenn., recently on account of the death of his father.

Mrs. R. A. Hutchison, Mrs. Elizabeth Wine, Mr. and Mrs. Mason Holcroft and their daughter, Mary Lynn, were guests of Mr. and Mrs. Douglas Thorp last Sunday.

H. B. Bolton, of Ashmeade, Md., and Mrs. Winifred M. Lorton of Newark, Okla., were guests of the Swinneys at the Manse this week.

Charles Moser of Washington has returned to his home in Washington, after a visit to his brother and sister-in-law, Mr. and Mrs. J. L. Moser, on Math's street.

Miss Emma B. Hammer, of Baltimore, Md., is the guest of Mrs. D. R. Lewis. Miss Hammer is enjoying the renewing of old acquaintances here, having lived in Manassas when her father, the Rev. J. Garland Hammer, was pastor of the Presbyterian Church for many years.

Mr. and Mrs. Robert Wine were dinner guests last Sunday of Mrs. Wine's parents, Mr. and Mrs. Henry Gough in Nokesville.

Mrs. E. D. Williamson and Miss Kathryn Boorman, of Nashville, Tenn., have returned to Washington, where they will visit their brother, Fred Boorman, before returning to their home.

Miss Kathryn Jenkins visited in Maryland over the past weekend.

Mr. and Mrs. C. B. Compton, and Mr. and Mrs. C. Lacy Compton will entertain relatives at a dinner party next Sunday. They are expecting Mr. and Mrs. Frank Boyer, Mr. and Mrs. Claude Ritenour and family of Seven Pountains, and Mr. and Mrs. Ray Boyer of Alexandria.

Mr. and Mrs. Martin Phillips, of Detroit, Mich., are guests of Mr. and Mrs. Ray Gibson. Mrs. Dennis Baker, Harry Sutton and Mr. and Mrs. Garry A. Wilf family of Seven Pountains, and Mr. and Mrs. Flynn-O'Keeffe wedding in Washington, Saturday.

Osborn Gridders Tackle Caroline This Week

Bristow Pair Stars On Grid

These Bristow brothers, Charles and Warren Wright, are two good reasons why Bridgewater College gridders are mowing down the opposition this year, according to Coach Danny Geiser. Both play at end. Charles stands five feet, nine inches tall and weighs 160 pounds. Warren, who is a year older is an inch taller and five pounds heavier.

These two speedy youngsters, who never played football before going to Bridgewater two years ago important cogs in the Eagles' serial circus. Both saw plenty of action in the homecoming tilt against Gallaudet, Saturday, which the Eagles won by a score of 18-13.

Jayvees Win Thriller At Culpeper

The Osborn Jayvees, representing the 8th and 9th graders, showed up well under pressure against Culpeper's junior varsity last Thursday when they battled their opponents to a 13-13 tie.

Coached by Whitey Pignia, the Baby Yellow Jackets trailing by six points with four minutes to go in the final period tallied on a pass from Lee Kruse to Botkins in the end zone to knot the score.

Culpeper took the lead in the first period by recovering its own fumble in the end zone. They missed the conversion to lead 6-0. In the second period, the Osborn gridders went out in front 7-6 as a result of a pass interception by Jackie Breeden who tallied on a 35-yard run. Earhart kicked the extra point.

Both teams were unable to strike pay dirt in the third quarter.

In the fourth quarter Culpeper completed a pass in the end zone for a touchdown and scored the extra point to forge ahead, 13-7. With the time clock reading 4 minutes to go, Kruse uncorked his pass to Botkins, who scored to tie it up, 13-13. They missed the try for an extra point on a pass play.

PROMOTED

WITH THE 1ST CAV. DIV. IN KOREA — Archie D. Arnold, of Woodbridge, Va., has been promoted to sergeant in Korea, with the 1st Cavalry Division.

Arnold is a member of the division's 5th Cavalry Regiment.

His division is currently engaged with the enemy on the western front northwest of Yonchon above the 38th parallel.

With two successive victories under their belts, Coach Jim Leo's gridders of Osborn Hi journey to Bowling Green, Friday, to take on the Caroline County High School in what may be a "breather" before meeting the heavy Washington and Lee Juniors here the following week.

Last year the Yellow Jackets swamped Caroline, 26-12, but Coach Leo doesn't want his charges to be over confident and is keeping the boys on their toes in hopes of chalking up their third win in a row.

WIN HOMECOMING

A turnout of over 1,000 fans for the homecoming game Friday night cheered the Yellow Jackets to a 12-0 win over Stuyvesant Prep of Warrenton as Ralph Trusdale, right halfback, accounted for both touchdowns.

Coach Leo's new "L" formation worked like a charm as the Yellow Jackets showed their best offensive punch of the season, rolling up 290 yards on rushing plays. Of this total, Payne gained 154 yards for an average of six yards per try. Trusdale had the longest run, 16 yards, and accounted for a total of 98 yards gained.

Able to make little headway on the ground, the visitors took to the air and completed seven out of 14 passes.

Neither team showed much in the first quarter, although Osborn did drive to the Stuyvesant 10-yard line, only to lose the ball on an intercepted pass.

The Yellow Jackets, had tough luck in the second quarter when Trusdale made a spectacular catch of a 33-yard pass from Brice Corder and carried it over, only to have it called back because of a penalty.

In the same quarter, Stuyvesant intercepted a pass and threatened to score when they moved to the Osborn 10-yard stripe. On the next play, Payne intercepted to break up the scoring threat.

Second Half

Switching to Leo's surprise L formation in the second half, the Yellow Jackets dazzled the visitors

with a brilliant running game that carried the local boys to the 20-yard line in eight consecutive plays. At this point, Trusdale on a hand-off from Payne went over for a touchdown. Warren Harrover's try for the extra point failed when the kick was blocked.

The second quarter, which came in the final quarter, again found Trusdale as the scorer, taking a pass from Corder on the 14-yard line, and racing into the end zone. The play was set up after Corder and Payne had advanced the ball on five runs of 14 and 20-yards respectively.

Again Harrover's try for the conversion was blocked.

Score by Periods

Osborn 0 0 6 6-12

Stuyvesant 0 0 0 0-0

Occoquan Rolls To 27-0 Win Over Heavier Mathews Eleven

Occoquan High found its scoring eye against a heavier Mathews eleven, Friday, to swamp their opponents 27-0. Led by Quarterback Billy Bauckerman, the Indians scored in every quarter. Bauckerman played a big part in the victory by scoring a touchdown, passing for another and kicked for extra points three times.

Showing a reversal of their form against Aldie the previous week, Coach Suren's boys played heads-up ball throughout the game.

First counter was chalked up by Jackie Keys who went 12 yards for a touchdown in the closing seconds of the first quarter after the Indians had advanced downfield for 65 yards.

In the second quarter, Bauckerman scored the second touchdown on a quarterback sneak. Third tally came at the opening of the second half when Jackie Keys went over.

Packing a punt formation in the last quarter, Occoquan passed from Mathews' 35-yard line. It was Bauckerman to Robert Lloyd, who shook off would-be tacklers to score.

Mathews had a chance to score when it recovered a punt on Occoquan's 12-yard line but lost the ball on downs.

Occoquan 6 7 7 7-27

Mathews 0 0 0 0-0

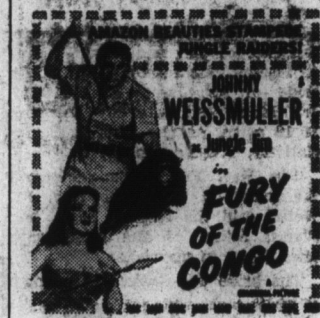

BEFORE THE GAME—Osborn Yellow Jackets are caught in a huddle talking over new plays in preparation for the opening kickoff in their all important homecoming game with Stuyvesant of Warrenton. —Photo by Churchill

4-H NEWS AND VIEWS

By Mrs. Bettie A. Dotterer

Two weeks ago we reminded you of your record books. We have not had very many calls in regard to this. You must realize that without a completed record book your entire project is incomplete. The record book is more important than doing the cooking, sewing or subject for which your project calls. The demonstrations you give cannot possibly be seen by everyone concerned with the 4-H, but your record books can. We cannot show your record by the demonstrations you have given over a period of 5 years, but if you complete your record book and send it to Mrs. Barlow, we will have a tabulation of what you have accomplished and learned from the 4-H program. Can you remember just what you did 2 years ago, what project you chose and what you did in connection with the project. If it is recorded properly you can refer to it at any time. The contests are judged by the records you complete and return to this office, and only thru those records can it be done fairly.

No 4-H Club meetings are scheduled for the week starting October 26th.

HOME DEMONSTRATION CLUBS
Friday, October 26 the Buckhall Home Demonstration Club will meet at the home of Mrs. Lillian Fife. Project—Etching of aluminum trays.

Thursday, November 1, the Wellington Home Demonstration Club will meet at 1:30 in the home of Mrs. Cecil Smith. Their subject this month is knitting and making "stick horses".

Friday, November 2, the Manassas Home Demonstration Club will meet at 7:30 at Mrs. J. L. Wood's home. They will continue this month with Metallic Stenciling.

On Tuesday, October 30 at 1:30 the Home Demonstration Clubs will have their ACHIEVEMENT DAY PROGRAM. This year it will be held at the Sudley Church near Catharpin, about 4 miles beyond Stone House on route 234.

The theme of the program is YOUTH TODAY, OUR LEADERS TOMORROW.

Following the report "An Achievement Parade" you are invited to the social hall where refreshments will be served by the Catharpin Home Demonstration Club.

Each of you is invited and urged to attend this meeting.

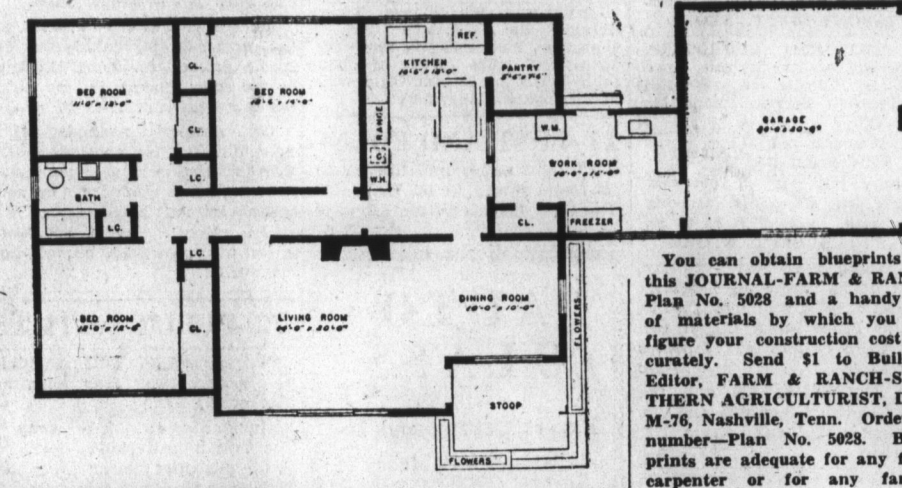

STAIRWAY STORAGE
Stairway storage has caused many a serious fall. Hazardous is the too common habit of keeping mops, brooms, boxes or other items on stairways. Very often the housewife puts an article on the stairs as a reminder to carry it up or down when she goes. This may save a trip but cause a fall.

For safety, every step of a stairway needs to be free and clear. It's dangerous for children to play on stairs, not only because they may tumble, but also because they are likely to leave toys there for others to fall over.

Basement steps, where light is insufficient, often are the most dangerous in the home. Stairways leading to the basement should have handrails, be kept in good repair at all times. Safety measures, until good lighting can be installed, are flashlights kept at the top of the stairs and a white stripe painted on top and bottom step.

House Plan No. 28

Designed With Eye to The Sun

A period of studying, planning, testing, tearing up—and starting all over again—has brought forth FARM AND RANCH House plan No. 28. It is especially adapted to the middle South.

The house gives you maximum space for a low cost with room sizes that surveys have shown to be most popular. By combining the living-dining area, we have obtained a spacious effect at a cost much lower than if these were separate rooms. To set off the front entrance, the stoop and flower boxes were added.

If you do not need three bedrooms at present, the one next to the kitchen could be paneled and made into an ideal den or office. Then, if needed later, it could be converted back into a bedroom.

The kitchen, pantry, and workroom unit offers an abundance of space for meal preparation, eating, food storage, and laundry. If you use a wood or coal stove, there is a suggested location for the chimney. In the workroom is a lavatory, and a closet for storing raincoats,

boots, and such. In addition to the large pantry, there is an abundance of storage space in the 12 lineal feet of base cabinet and 15 lineal feet of wall cabinet. There is an additional 12 lineal feet of both base and wall cabinet space provided in the workroom.

The plan does not show a basement, but one could be added easily, with an entrance from either the workroom or garage. If you prefer a central heating system, you could install it in the basement. A hot air system could be placed in the workroom or attic.

Phosphate Aids Crop Growth In Experiment

Pronounced response to phosphate in an experimental corn-small grain-clover rotation is reported by J. A. Lutz, Jr., assistant agronomist at Virginia Agricultural Experiment Station.

Lutz says, for instance, 200 pounds of phosphate boosted the corn yield from 38.6 bushels per acre to 100.6 bushels. The succeeding wheat crop also benefited. The wheat following the non-phosphate corn crop yielded only 5.7 bushels per acre; while that following the corn crop which was fertilized with phosphate yielded 15.7.

Although heavier applications of phosphate resulted in still higher yields, the difference was not enough to make the heavy application economical.

Response to potash was slight in both corn and wheat, because of the high potash content of the soil. Highest corn yield in the test was 111.2 bushels . . . with 400 pounds of phosphate and 192 pounds of potash, but Lutz points out that this is only slightly more than the yield attained with the lower level of phosphate and no potash.

Nitrogen applications were constant . . . 150 pounds per acre on all plots.

The test was conducted on low-phosphate soils on "Brush Mountain."

Haymarket Breeder Buys Top Angus Heifer

Milton R. Westcott, of Elysian Farms, Haymarket, is reported by the Virginia Aberdeen Angus Association to have purchased a Blackcap Beanie heifer at the recent Bandler Review Sale at Rochester, Michigan, for \$5,500. Mr. Westcott has built up an outstanding breeding herd of Angus cattle through purchases at the leading Angus sales of the country during the past two years.

tain a few miles from Blacksburg. The fertilizer in all cases was applied on the corn.

People's Barber Shop, Manassas, 8 a.m.-6:30 p.m. Sat. 8:30 p.m.—Adv.

Machine Shed Good Investment

STUDIES have shown that farmers pay double for machinery left exposed to the weather through the winter months. In many cases life of exposed equipment is cut in half, and it was found that upkeep costs were much higher.

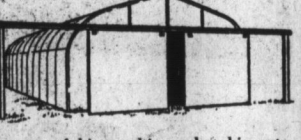

Good dividends will be paid on a farmer's investment in a machine shed. In it he can provide room not only for

storage of his machinery but his automobile. Besides, it is an excellent place for the farm repair shop.

Many farmers are finding it practical and economical to put up a sectionally-built machine shed. The sections are four feet wide, and the building may be made as long as desired. They are easily and quickly bolted together.

As illustrated, a typical machine shed has a continuous side and arched roof made of Masonite Tempered Presdwood one-quarter inch thick. This structure not only is durable and storm-proof but provides more room because there are no supporting posts to interfere with movement of machinery.

While the sliding doors shown are best for easy entrance and exit of large machinery, the farmer readily may install overhead doors at the other end where he stores his car and tractor.

Here's Good News!
...WE NOW SELL
KOPPERS
30 Year Fence Posts

• Yes—we are now Authorized Dealers for these popular fence posts—the posts that have an average life of 30 years. And we are handling these posts, because we are convinced that they give you the most for your money—in every way.

They are made from straight, sound wood—wood that has been properly seasoned, then pressure-treated (not merely dipped) with creosote. This pressure-treatment protects posts against termites and decay . . . makes them last and last. And these posts keep original size and strength at ground line; so you can replace larger untreated posts with smaller treated posts. As for appearance, these posts really dress up your property.

Stop in and talk it over. We'll explain how much money you can save, and how much work you can avoid by setting Koppers Long-Life Fence Posts.

OUR BEST SELLER FAIRBANKS-MORSE
... is your best buy!

reap more profits from grain-fed livestock!

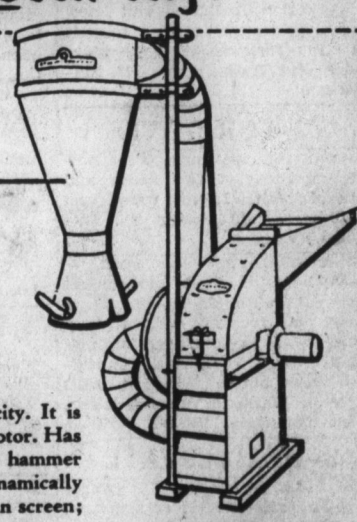

grind your own feed economically with the new auger type

FAIRBANKS-MORSE HAMMER MILL!

Here's a hammer mill for feeders who want more capacity. It is made to work with a large tractor or with a 20 to 25 hp. motor. Has all the fine construction features of all Fairbanks-Morse hammer mills—48 serrated V-tipped hammers that save power; dynamically balanced rotor on Timken self-aligning bearings. 525 sq. in. screen; 13" throat opening. Grinds oats, barley, shelled corn, ear corn, cornstalks, alfalfa, clover and timothy hays, soy and pea vines.

New Auger Speeds Delivery of Ground Material to Blower
Model A-562 features an auger at the base of grinding chamber. It increases the ability of the hammer mill to lift ground material directly into the blower. Thus, you take advantage of the full power of the blower. As a result, you can elevate ground material as high as 30 feet.

See the Fairbanks-Morse Hammer Mill
We're sure you'll want a Fairbanks-Morse hammer mill once you use it. Call at our store any time and study its many good features. Or, phone or write us for free booklet describing these fine hammer mills.

Fertilizer For Winter Grazing

Fertilizing your cover crops will give a boost to winter grazing. Frank Cox, county agent, advises farmers to use 400 to 600 pounds per acre of a 4-16-8, 7-7-7 or 5-10-10 fertilizer for non-legume cover crops, such as rye grass or small grains.

He suggests using 400 to 600 pounds of either 2-12-12, 0-14-14, or 0-14-7 for legumes such as crimson clover. If the cover follows a heavily fertilized crop, however, it may not need additional fertilizer.

For details on profitable management of winter cover crops, ask your county agent, for Circular 505 "Winter Cover Crops."

REMOVING STAINS

Almost every common spot or stain can be removed at home by following a few simple rules.

Home economists at V. P. I. say the first rule for taking out any spot is prompt treatment. The longer the stain remains on the fabric, the more difficult it is to remove.

Try simplest methods first. Sponge a sticky or non-greasy stain with cold water; a greasy stain with carbon tetrachloride or some other cleaning fluid which is a grease solvent. Avoid hot water on an unknown stain because heat may set it.

12-PUBLIC NOTICES

In memory of Emmitt Adkins who passed away four years ago October 21, 1947.

Nothing can ever take away The love a heart holds dear. Fond memories linger every day, Remembrance keeps him dear.

His loving wife,
Sophia Adkins.

Bradley Forest

By Mrs. Kenneth Jenkins

Mrs. H. H. Phelps is home after spending nearly two weeks in George Washington Hospital. She is improving satisfactorily.

Sgt. Hank Smith from Maine, spent the weekend with Mr. and Mrs. E. D. Hill.

Jack Mason of Alexandria spent Saturday with his sister, Mrs. M. L. Carney and family.

Mrs. Emma Tinsman and Mrs. John Shulock were Sunday visitors at the home of Mr. and Mrs. C. H. Bond and family.

Mrs. C. H. Bond is confined to her bed and we wish her a speedy recovery.

Miss Myrtle Crawford, of Columbus, Ohio, was a weekend visitor at the home of the F. E. Franks.

Fifteen little friends of Carol Ritenour helped celebrate her fifth birthday on Saturday. Games were played and refreshments served. Taffy apples were a treat for the children.

The community extends a welcome to the DeReese family, who have just moved in.

Mr. and Mrs. Eula Carter and family of Alexandria and Mr. and Mrs. John Buckley of Yorkshire were afternoon callers on Mrs. H. H. Phelps, Sunday.

ENTERTAIN TEACHERS

Fifty parents gathered at the Brentsville District High School Wednesday evening and entertained the faculty at a buffet dinner. String music was furnished by Mrs. Neff and Oscar Carter. Following dinner, community singing was enjoyed and the teachers were introduced.

A Halloween motif was used in the decorations. Miss Sue Ayres was a special guest.

The committee in charge of arrangement was composed of Mrs. W. R. Stephens, chairman; Mrs. Wilbur Wright, Mrs. David Dove, Mrs. Ben Breeden, Mrs. Neff and Mrs. Faye Powell.

Mr. and Mrs. W. D. Lowe were Sunday dinner guests at the Ben Breeden home.

Mrs. Arrington of Alexandria was Sunday guest of her sister, Mrs. Faye Hedrick.

Weekend house guests at the Ray Hedrick home included Mr. and Mrs. Sheffield and son and daughter of Patuxent, Md.

Mrs. Ray Hedrick has the pleasure of being a great-grandmother for the third time when a daughter was born to Mrs. Bladen of Arlington at Doctor's Hospital in Washington, D. C. on Saturday, October 20.

George Powell is confined to his home with a case of the chicken-pox.

Mr. and Mrs. Gordon Payne and daughters, Joan and Margaret, spent Sunday with her sister, Mrs. Chas. Southard, in Bealeton.

Li R. F. Powell, who is stationed at Naval Base in Norfolk, spent the weekend with his family here.

Mike Spear, who has been ill with virus pneumonia, is showing improvement.

Curtis Harper, student pastor of the Union Church, was entertained at dinner Sunday by Mr. and Mrs. V. Eanes and daughter of Bradley Forest.

Mr. and Mrs. Frank Egan, of Millville, N. J., visited relatives and friends in the Brentsville area Saturday.

Mrs. Sarah Ross and son Paul spent Tuesday at the home of Mrs. Spencer Keys.

Mr. and Mrs. W. R. Stephens attended the funeral of his aunt, Mrs. Mamie Davis, of Richmond, held Tuesday at Rock Hall Church in Stafford.

Mr. and Mrs. J. M. Keys were Friday afternoon callers at the Spicer Keys home.

Woodbridge Occoquan Lorton

The Woodbridge W. S. C. S. held their third session of the study course on "Missions to America" Monday night at the Woodbridge Church. The teachers of the evening were Mrs. Grace Baker and Mrs. Tom Cullen. Mrs. Vi Clark and Mrs. Dewey West served delicious refreshments.

Friends are sorry to hear that Miss Frances Sanford is in Alexandria Hospital having her appendix removed, and wish her a speedy recovery.

Mrs. Mable Pettel, Mrs. Mary Dawson, Mrs. Aubrey Nelson and Mrs. W. G. Bourne and others attended the 8th District Rebekah meeting which was held at the Occoquan High School in Manassas, Saturday.

Miss Karen Blafeld celebrated her 6th birthday Saturday. The following attended: Tom Phythian, Jody Sanford, Carol Jane Sullivan, Buddy Chippen and Gregory Stern, Judy Tyrell, Kenney and Sharon Swecher, Carol Coche, Tom and Jimmy Compton, Jean Ann and Tom Smith, and Tommy Brown. All had a wonderful time.

Mr. and Mrs. Roscoe Clark has heard from their son Billy, who is in the Navy and at the present time is in Italy. Friends are glad to know he is fine and getting along all right.

Congratulations to the newlyweds, Mr. and Mrs. Ellis Hawkins, of Woodbridge, who were married Saturday, October 20th.

Frederick in the service of their country, the former in the army and the latter in the navy. Their daughter is Mrs. Mattie Speakes, who resides in Washington, D. C.

Staff Sergeant Johnny Bigelow of Bolling Field was a weekend guest at the home of his mother, Mrs. J. M. Keys. Sunday they were dinner guests at the Raymond McIntosh home in Bradley Forest.

Nicholas Webster and children, Juliet and Suzanne, W. Boggs Corbin and daughter Suzanne, Mrs. John Cox and George and Rodney Powell attended the circus in Manassas last week.

JOINT MEETING
Saturday evening there was a joint meeting of the Isaac Walton League and the Lake Jackson Fire Department at the court house. Separate business meetings were held by each group and the ladies formed an auxiliary. At the close Nicholas Webster showed three animal movies. Refreshments of cider and doughnuts were served the 75 adults and 25 children present.

BIRTHDAY PARTY
Suzanne, daughter of Mr. and Mrs. W. Boggs Corbin, celebrated her fourth birthday Saturday afternoon by entertaining twelve little friends at a weiner roast. Games were played and the main feature was a little bear birthday cake.

KNOW YOUR NEIGHBOR
Mrs. J. J. Whetzel arrived in this community 50 years ago from Rockingham as baby Tracie in the arms of her parents, Mr. and Mrs. S. B. Spitzer. After completing her education, Tracie embarked on a seven-year teaching career in the schools of Prince William, two of which were spent at Brentsville.

While teaching, she met her husband, Jesse J. Whetzel, who was laboring as a farm hand. At the age of 18, he entered the service and saw action in France during World War I, where he suffered a severe leg wound. While still handicapped by his injury, Mr. Whetzel keeps busy maintaining a big garden annually and doing odd jobs about their neatly kept home.

Both Mr. and Mrs. Whetzel are active workers in the Brentsville Union Church. Mrs. Whetzel is president of the Home Demonstration Club.

They have five children, which include four sons, Casper and Ira, at home, and Thomas and

The Methodist parsonage is undergoing some repairs, with Tom Cullen as chairman of the project.

The W. S. C. S. had charge of the Sunday morning worship service during Rev. Hough's absence. A very impressive program was given that morning with Miss Hazel Saunders as the speaker of the morning. Everyone enjoyed and was inspired by Miss Saunders lovely talk.

Don't forget the dance at Lorton school November 2nd, sponsored by the Odd Fellows.

The Kiwanis Club is having its annual Halloween party for the children at the Occoquan Fire house October 31st, and they will also hold one in the school at Lorton.

Sorry to hear of Mrs. Bill Wood's mother being ill. Mrs. Wood was called to her home in Roanoke, Va. Friends hope her a very speedy recovery.

Mrs. Wilda Sampson was home visiting her parents, Mr. and Mrs. W. G. Bourne, over the weekend.

BRUMBACK AND ELLIS, Refrigeration Sales and Service. Phone 399. Adv.

Southern Orders 100 New Diesels
The Southern Railway System has ordered 100 additional diesel locomotive units to handle better the increased volume of traffic resulting from the national defense program. It was announced today by Ernest E. Norris, the railway's president.

Estimated cost of the new motive power is \$16,500,000 and delivery is expected during 1952.

Orders for the new units have been placed with American Locomotive Company, Electro-Motive Division of General Motors Corporation, and Baldwin-Lima-Hamilton Corporation.

The Southern Railway System now has 847 units of diesel power in service or on order.

Be Road wise!

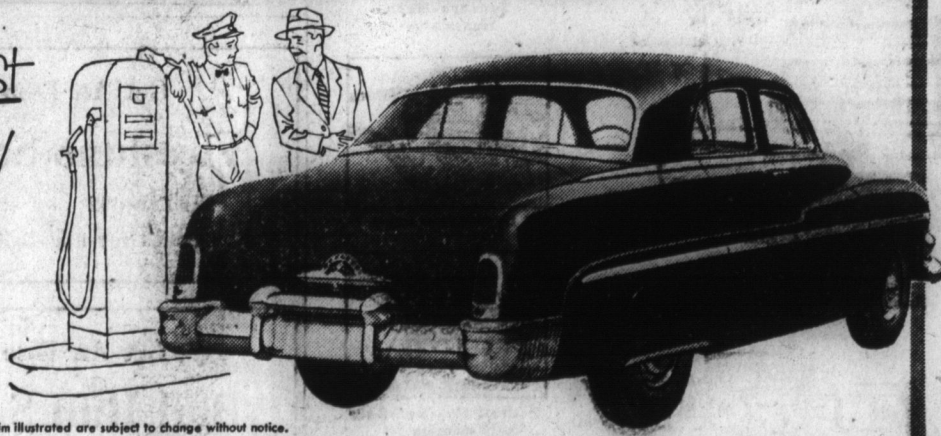

Road Test a Mercury for Proof of Performance!

Take the wheel of a new Mercury and find out what an educated car can do! Ask it all the questions: how it likes hills, what its attitude is about the open road, how it handles stop-and-go. You'll be thrilled with Mercury's answers, for here's the smartest, most alert performer on the road. Top of its class in other subjects, too—like styling, safety, and comfort. Best of all, the famous V-8 "Hi-Power Compression" engine gets "A-plus" in Basic Economy. Why don't you graduate to Mercury? Make that two-way test today!

Be Dollar wise!

Budget Test a Mercury for Proof of Value!

Standard equipment, accessories, and trim illustrated are subject to change without notice.

2-WAY TEST PROVES **MERCURY** BEST—

CLOE MOTORS

Dealer No. 1643

Authorized Lincoln and Mercury Dealer

Phone 200

Triangle, Virginia

Don't miss the big television hit, "TOAST OF THE TOWN," with Ed Sullivan. Sunday Evening, 8:00-9:00 p.m. Station WTOP, channel 9.

Does it have a down-to-earth first price? Mercury's price tag you can understand—a big dollar's worth for every dollar invested.

Will upkeep stay low? You save money year after year. Mercury's famous stamina keeps repair bills at a rock-bottom low.

Is it famous for long life? It is indeed! 92% of all Mercurys ever built for use in this country are still on the road, according to latest annual official registration figures.

Will trade-in value stay high? Mercurys continue to keep their value year after year; used car market reports consistently prove it.

Does it represent solid value? Mercury owners say YES! So will you when you get the story from your Mercury dealer. See him soon.

3-WAY CHOICE! For "the drive of your life" Mercury offers you a triple choice in dependable transmissions. Merc-O-Matic Drive, the new simpler, smoother, more efficient automatic transmission—of Heavy Duty-Overdrive are optional at extra cost. There's also silent-ease standard transmission.

News From Nokesville

MRS. FREL SHEPHERD, Correspondent

BIRTHDAY DINNER

On Sunday at the home of Mr. and Mrs. C. P. Jones, near Aden, a large birthday dinner was given in honor of all the Jones family, including son-in-laws and grandchildren, having birthdays in October. There are eleven.

A delicious picnic-style dinner was served with lots of birthday cakes the center of attraction. Members of the family present were: Mr. and Mrs. C. P. Jones, Mr. and Mrs. Gory Wray and children, Francis, Gloria Jean and Wayne, from Schuyler; Mrs. Clifford Earhart and children, Stanley, Bob, Jack, Patsy, Freddie and Brian, Manassas; Mr. and Mrs. Charles Landis and children, Nancy and Charles, Jr., Buckhall. The following were present from the Nokesville area: Mrs. Fred Jones and children, Shirley, Ruth, Freddie and Roger; Mr. and Mrs. George Jones, Mr. and Mrs. John Earhart and Richard; Mr. and Mrs. Kemp Clemens and children, Katherine Ann, Linda and Bernard; Mr. and Mrs. Eugene Schaeffer and daughter, Barbara; Charles Jones.

Others attending were Miss Doris Colbert and Miss Joyce Ann Beayers, of Manassas; Sherwood Vance and Harold Wright, Nokesville; Mrs. Jim Hilton, sister of Mrs. C. P. Jones, from Vienna; Mr. and Mrs. Bert Hilton and daughter, also of Vienna; Mr. and Mrs. Maurice Smith and children, Romona, Jim and Judy, and Mr. Charles Kincer, (brother of Mrs. Jones), from Elwood.

NEW ARRIVALS

Congratulations are in order to our newest parents, Mr. and Mrs. Mary Smith, who live on the old Smith homestead. A little son was born to them at Sibley Hospital on Monday night, October 22nd.

APPLE BUTTER TIME

Apple butter-making time at Nokesville—the real old-fashioned way! That's what occurred at the A. A. Bell and Wallace Wood home last Wednesday. Four kettles of applebutter with more than thirty folks present to do the work—that was the picture. It was one of the most pleasant experiences we have ever had. Early in the day about 120 gallons of sauce was put in the kettles. More than 200 lbs. of sugar (all donated) and plenty of spices and the proper amount of vinegar was added at the proper time. The lunch hour, of course, topped off a perfect day. Everyone shared in the preparation and several "tables" ate in turn with just about everything you could think of to eat with the hosts very, very delicious ham which proved a special treat for all. The applebutter is for sale by the ladies of the Nokesville Church of the Brethren and will be sold from now until the Harvest Festival supper at the church on November 9.

HALLOWEEN CARNIVAL

The Nokesville School Band will make its first public appearance this Friday night when they will be featured at the Halloween Carnival in the gym. The program for the evening seems very interesting, plenty of fun and good eats for all. General admission is just ten cents. The evening is being sponsored by the Band Boosters Club. Won't you come?

HALLOWEEN PARTY AT ADEN

On Monday night, the 29th, the Band will go to Aden to play at the Community Halloween party there. During the evening prizes will be awarded for the following classes of costumes: (Adults) Most comical couple, best dressed couple, best dressed Halloween costume, the funniest costume and the person with the biggest shoe. For the children, there will be prizes for the best Halloween costume, best dressed boy and girl, funniest costume for both boy and girl. Refreshments will be sold during the evening. No admission, so bring the whole family for an evening of good fun.

PERSONALS

Mr. and Mrs. Earl Somers spent the day recently with Earl's folks, Mr. and Mrs. S. D. Somers. Earl besides his regular job, has recently

become associated with Samuel E. Bobley, Inc., realtors in Wheaton Maryland.

Elwood Payne is enjoying a hunting trip in Maine, away from his Nokesville garage duties.

Cpl. Charles Miller, along with Cpl. Roy Strawderman and Cpl. Roger Daffen arrived on Thursday for a fifteen-day furlough, from Camp Stewart, Ga.

Mr. and Mrs. Danny Regtuel of New Jersey spent the weekend with Melva's parents, Rev. and Mrs. D. D. Fleishman.

The Fred T. Shepherds, Lt. and Mrs. Wren Wilkomm and Little Jay and Mr. and Mrs. Max Shepherd were Sunday dinner guests of the Ted J. Shepherds, honoring the former couple on their sixteenth wedding anniversary.

L. R. Cowne, Jr., spent the weekend with his homefolks away from studies at V.P.I.

Congratulations to Nokesville's newest married couples, Mr. and Mrs. Charles Fitzwater, Jr., and Mr. and Mrs. Billy Reid.

Miss Peggy Wilkins and her parents, Mr. and Mrs. Willard Wilkins were hosts on Friday night to the young people of the Nokesville Church of the Brethren. Featured during the evening was a treasure hunt for the twenty young folks present. Mrs. Dewey Godfrey assisted in serving of plenty of good things to eat in the basement of the Wilkins home.

ATTEND SERVICE

Quite a number of the young folks from Nokesville Church of the Brethren attended an all-day service at one of the Greene County churches on Sunday. Among those attending were Peggy Wilkins and her parents, Bertha and Sarah Wood, George Frew, Eloise and Nancy Sonafank, Myrna Dove and Ralph Croushorn.

IN HOSPITAL

We are so sorry to hear that Mr. Will Kerlin is not doing so well at Arlington Hospital after his operation on Wednesday morning. The Kerlins live at Manassas, have for a number of years, but they still seem like Nokesville folks. Mrs. Kerlin keeps her little grandson during the day and at night one of her Garman granddaughters stays with her. The Clifford Doves have been visiting Mr. Kerlin frequently and we do hope soon they can come home with better news of his condition.

Green Peppers Can Be Frozen

Here's good news for the home gardener whose pepper plants are often most heavily laden as frost approaches.

Mrs. Mary L. Thompson, Extension nutritionist at V. P. I., says green peppers... if they are firm,

crisp and thick-walled... are excellent for home freezing. For use in salads or other uncooked foods, green peppers may be frozen without preheating. Mrs. Thompson recommends using them in salads before they are completely thawed so they hold their crispness. To use in cooked dishes, preheating is recommended because it softens the pepper, makes it pack more compactly and helps hold its good eating qualities longer in frozen storage.

Here are her directions for freezing: Wash the peppers... cut out the stems... cut in half... then remove the seeds, and finally slice them or not, as you wish. Unheated halves or slices may be packed directly into containers and put into the freezer. No headspace is necessary. For preheating, boil the pepper halves three minutes, and the slices two minutes. Then chill them promptly in cold water, drain and pack them tight in containers, and be sure to leave a half inch of headspace.

STORK SHOWER

Mrs. Christine Gallahan and Mrs. Louise Hopkins entertained at a stork shower on Tuesday afternoon at the home of Mrs. Wiley Hooser in honor of Mrs. Hilda Mae Tiller Crouch. The guest of honor received lovely gifts which will be very useful in months to come. Her husband, Pvt. Preston Crouse, will be stationed in Germany for at least the next two years.

Mr. and Mrs. James Hively have a new little son, Bruce William, born on the 15th.

Mr. and Mrs. Love Walters and Mrs. Mae Wheeler and Connie visited Mrs. J. I. Payne and the Harry Millers on Saturday. Mrs. Payne recently spent several days with her daughter and son-in-law and family, the Warren Hales.

Sunday evening dinner guests of Mr. and Mrs. Bobby Caton were Mr. and Mrs. David Kerlin and Mr. and Mrs. Harry Miller.

Walter Hooker of Chosen, Florida, is visiting Virginia relatives. It is the first time he has seen beautiful Virginia in its fall dress in many years. On Tuesday, he and his father, J. A. Hooker, left for a visit with relatives in Roanoke and Patrick county.

Pvt. Virgil Tiller, who has been in the service only a few months, is now with our fighting Army in Korea.

IN PRISON CAMP

Word has been received from Cpl. James Wright, oldest son of Mrs. Hazeltine Leach of Catlett. James is in a prison camp in North Korea. His address is Cpl. Wright, R. H. 13291452 c-o Chinese People's Committee for World Peace, Peking, China. James writes for all his family and friends to pray for peace.

Our community extends sympathy to Mrs. Viola Spofford whose husband passed away last week. Funeral services were conducted on Thursday afternoon at the Catlett Methodist Church by Rev. D. D. Fleishman.

Mr. and Mrs. Harry Miller and Mr. and Mrs. David Kerlin recently spent several days "just driving" in Pennsylvania and New Jersey. They enjoyed a short visit with the Horace Smiths in New Jersey.

GOOD GROOMING IS EASY

It's fast and budget-wise too—to keep your clothes in clean, well-groomed order. Bring your soiled clothing in to us today.

Fall tonic for your car...

thorough, dependable

Esso Dealer Fall Check-up

More protection for tough winter driving

Getting your car in shape for the change of season starts with a change of oil. Esso Extra Motor Oil—now Heavy Duty—cleans as it lubricates, to help check sludge-forming deposits. Flows fast for instant protection when the weather's cold. Holds its lubricating body when the engine's hot, to keep oil consumption down.

Get ready for winter driving right away. Change to Esso Extra Motor Oil TODAY!

ESSO STANDARD OIL COMPANY

CHECK THESE WINTER DRIVING NEEDS

☐ Esso Dealer Lubrication. Up to 9 special lubricants used for full, winter-long chassis protection.

☐ Atlas Perma-Guard Anti-Freeze keeps your car's cooling system safely winter-proofed all season.

☐ Esso Motor Cleaner. Helps remove power-robbing sludge.

☐ Atlas Grip-Safe Tires. Outstanding protection on snowy, icy roads.

☐ Atlas "Microscopic" Oil Filter. Helps keep your engine free of damaging dirt.

☐ Atlas Batteries. For sure starting power, long battery life in the coldest weather.

☐ Anti-Stalling Esso Extra Gasoline. Combats cold-engine stalling, gives quick sure starts, great all-around performance.
