Series' glad Halloween is over, and the front gate is still standing. Youngsters had a good time in spite of the rain which had a dampening effect on the Community Party sponsored by the Kiwanis Club. A bouquet to Bill Sayre, chairman of the event, who is still worked hard and long on preparations, and to Mrs. Ray Gibson, who headed the all important prize committee. The same goes for others who assisted in the arrangements.

State Trooper, Phil Herndon asks us to remind auto owners to have their cars inspected before the last minute rush. November 5th is the deadline, and Phil says there will be no extension of time.

Friends of Town Treasurer R. Byrd are glad to see him back in the job again. Mr. Byrd has served the town as treasurer and clerk over a long span of years and during his recent illness he was sorely missed. He tells us it was his first vacation. Although entitled to a vacation each year, Mr. Byrd had preferred to remain at his desk.

A couple of film-film artists went to work on a local man last Saturday, and fleeced him of over \$400. The get-rich deal was the loan of the money as down payment of a piece of property which would later be sold at a big profit. After taking the money, the two men took over in a car and told their victim they would be back in an hour. They failed to come back and the victim and police are still looking for them.

Good hunting! Allan Fletcher drove over into West Virginia the past weekend and came home with a bag of three pheasants and two squirrels.

The ladies of Sudley Church are to be complimented on the success of their annual dinner and bazaar last Friday. Some 1,100 were served and many had to be turned away. Each year the event gets bigger and bigger as the fame of these dinners spreads around the countryside. Understand that added fame is coming to the church in that it will be the subject of an article in an early issue of the Chrysler magazine.

Little damage was reported during Halloween celebrations last night, according to local police. As usual, shop windows were well soaked and local merchants are using plenty of snow water to get them clean again. Shop windows needed a good washing, anyway.

What a big difference a little paint makes. We refer to the front of the Manassas Hardware Store which is certainly a great improvement. The interior of the store has also been repainted. Owner Conway Seely now has the nerve to tell us that it's time The Journal painted a little paint.

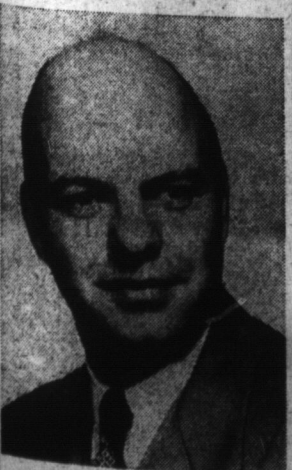

Charlie Caviness' yen for bright sport shirts should have been satisfied last week. A half dozen or more were presented to him by his employees on his birthday. They really put your eyes out.

It's your duty to vote next Tuesday. Vote as you please but VOTE.

## VOTING SUGGESTIONS

1. Check the voting list to be sure your name is on it; if it isn't and you have paid your poll tax see the county treasurer.
2. Sample ballots are NOT allowed in polling places.
3. Ballots shall be folded once and handed to the judge who will place same in the ballot box without any inspection other than to be sure that only a single ballot has been tendered him.
4. Voting time is limited to (2) two minutes.
5. Give name and district when approaching judge for ballot.

## "Lion Of The Year"

Howard Churchill, West street, Manassas, was named "Lion of the Year" by the Manassas Lion's Club at their meeting last week. Churchill has been a resident of Manassas since 1946. He is a native of Brooklyn, N. Y.

MARK GIRL SCOUT WEEK—The members of Girl Scout Troop No. 1, Nokesville, celebrated Girl Scout Week by observing Monday as "home-making day" and selling cookies and lemonade during the lunch hour at the Brentsville District High School. That business was thriving is indicated by the picture as the Girl Scouts sell their products to the pupils. Miss Kitty Kirchmier is troop leader and Miss Joyce Moyers, assistant troop leader.

## Weather Plays Tricks Kids Get Few Treats

Light rains dampened the Halloween atmosphere and the Kiwanis Community Party in Manassas last night. The rain began around six p. m.

Despite the inclement weather, the parade scheduled for 7 p. m. up Carter street came off only a few minutes late as approximately 200 spectators watched from the sidewalks between West and Main streets.

Included in the parade were units from the Manassas Volunteer Fire Company, three floats and the Osborn High School band, plus a number of cars and free-riders. The parade moved out to Swavely Field for the judging contests for best costumes, but the rain finally called a halt to the planned three-ring contest.

Mrs. Ray Gibson reported that most of the prizes were given out,

but that only one contest was actually judged. The remainder of the prizes given out went to any costumed youngster who happened along. Mrs. Gibson reported. The Halloween organizers tried unsuccessfully to secure the Osborn High School auditorium because of the rain.

Here in town, damage was very slight, local police officers reported. Someone, apparently children, managed to enter Gibson Farm Supply and soap up the inside office windows and blotters, much to the amazement of employees, since they can't figure how the person or persons entered the premises. Nothing was taken or disturbed excepting the thorough job of soaping. As usual, pranksters repeatedly rang the church bell at Trinity Episcopal Church although not as long as usual. Rev. E. Guthrie Brown reported.

## Town Council Adopts New Water Scale

Over the protests of Councilman Roy Doggett, the Manassas Town Council voted Monday night approving a new water rate boost for users outside the corporate limits. Councilman Doggett desired a greater boost than that approved.

In general, the rate starts at 70¢ per thousand gallons up to 10,000 gallons and drops down to 25¢ per thousand gallons over 100,000 gallons.

In new business before the council, Doggett presented three petitions signed by over 150 persons living outside the town of Manassas protesting any annexation proceedings. The council has not acted on any annexation plan, but is merely studying such a move.

Included in the petition were Liberty Motor Co., C. L. Wheat and Manassas Furniture Co. The petitions stated that the "town has nothing to offer to improve our property."

In other business, the Council: • Voted to allow Birmingham Dairy to hook into town sewer main at their (Birmingham) expense when a suitable rate is determined by town manager.

• Announced that the Town dump is open every Friday from 8 a. m. to 4 p. m. and Saturday from 8 a. m. to 11 a. m. for public dumping.

• Accepted Appeal Board's ruling allowing M. Yuhg and Wets to put up a neon sign in front of their store on N. Main street.

• Elected Edgar Rohr to serve as vice-mayor by 2-1 margin with Councilmen Parish and Saunders for and Rohr against the proposal with Councilman Doggett not voting.

The Journal is like a "letter from home" to those away from home.

Correspondents are requested to send copy in early.

## Cloe Warns Students About Draft Rules

C. C. Cloe, chairman of local board 99, Prince William County, reminded college students today that the deadline for filing application blanks for the new series of selective service college qualification tests is fast approaching and he stressed the importance of all eligible students taking the test if they intend to apply for deferment as students.

The test dates in the second series are December 13, 1951 and April 24, 1952. The tests are conducted by the educational testing service of Princeton, New Jersey. Blanks may be obtained by the registrant at the local board office in Manassas.

Cloe said that students whose academic year will end in January of 1952 are urged to apply for the December 13 test, so they will have scores in their files when the local boards consider their cases in January.

Cloe indicated that those who do not have test score results in their cover sheets may have "a very difficult time indeed" in convincing their local boards that they should be deferred as students.

Application blanks for the December 13, 1951 test must be postmarked not later than midnight, Monday, November 5, 1951. Applications for the April 24, 1952 test must be postmarked not later than midnight, March 10, 1952.

Need cash! Sell unused clothes and furniture with a Journal classified.

tary service for assignment to the Army Security Agency, Signal Corps, United States Army. Upon completion of eight weeks basic training, applicants will be assigned to Vint Hill Farms Station, Warrenton, Virginia. Further information may be obtained at the local recruiting station, Post Office Building, Manassas, Virginia.

## Eugene Nolley Honored At Bridgewater College

Eugene Nolley, Bridgewater College student from Nokesville, has been listed in the 1951-52 edition of Who's Who Among American Colleges and Universities, Mr. Donald Clague, Bridgewater dean of students revealed yesterday.

Nolley was listed in Who's Who because of his academic standing and his leadership in student affairs. Last year he was co-president of S. O. M.; this year he is president of Clericus, an organization of pre-ministerial students. He was a member of the college glee club and of the varsity male quartet in 1949-50.

A biology and chemistry major, Nolley, who is a senior, plans to enter medical school next fall.

## 'Light Vote' Predicted Here Tuesday

### Assets of Banks in County Show Big Increase in Past 15 Months

A good barometer of the tremendous upswing in business in Prince William County is reflected in the assets of the county's five banks, which have shown an increase of more than 29 percent in the past 15 months.

Combined assets of the local financial institutions as of October 10, 1951 totaled \$11,913,012.91 as compared with combined assets during the past 15-month period of \$2,610,634.31.

Biggest gain is at the First National

Bank of Quantico which shows an increase of assets for the period \$1,093,800.45.

Manassas two banks revealed combined assets gains of \$1,265,869.40. For the first time in its long financial history, the National Bank of Manassas topped the three million mark.

The Bank of Occoquan showed a gain of over \$190,000 in assets, while the Bank of Nokesville had a gain in excess of \$59,000.

A comparison of asset figures is given below:

	June 30, 1950	October 10, 1951	Gain
First National			
Bank of Quantico	\$3,114,485.39	\$4,208,285.84	\$1,093,800.45
National Bank of Manassas	2,234,053.06	3,028,822.76	794,569.70
Peoples National			
Bank of Manassas	2,431,386.63	2,902,686.33	471,299.70
Bank of Occoquan	1,152,482.19	1,343,965.19	191,483.00
Bank of Nokesville	369,981.33	429,452.79	59,471.46
	\$9,302,388.60	\$11,913,012.91	\$2,610,634.31

### 6 County Men Inducted In Army Tuesday

Six Prince William County men were inducted into the Army Tuesday morning, October 30, Mrs. R. Worth Peters, draft board secretary, said yesterday.

The six men are: Peter Sloveny and George Adrian Roy, both of Manassas; Randolph Shirley Clark, Gainesville; James L. Butler, Stafford; William David Thurston, Jr., Dumfries; and George William Lewis, Spotsylvania.

Both Butler and Lewis registered at the local board before moving out of the county. The six fill Prince William's quota for October.

Mrs. Peters reported that four more will be sent for induction November 20th for that month's quota. The names of those being inducted in November will not be released until they have departed, Mrs. Peters said.

### Council Of Churches Plans For New Year

The Manassas District Council of Churches met last week to get organized for the new year. The Council is made up of the pastor and two members from each cooperating church in the area.

The treasurer's report showed that all obligations for the past year were met in full with no balance left in the treasury. Plans were made to contact those who are loyal supporters of the program of Week-Day-Religious Education for their continued support. It was noted that 96% of the available children are in the classes.

Officers elected for the year are: F. L. Baker, president; Fred Edge, vice president; Mrs. Marie Barrett, secretary; E. E. Rohr, treasurer.

### Four County Men Attend Southern States Annual Meeting At Richmond

E. L. Irvin and O. V. Powell will attend the 28th Southern States Annual Meeting in Richmond, Va., November 8 and 9, as the official delegates from Nokesville and Manassas.

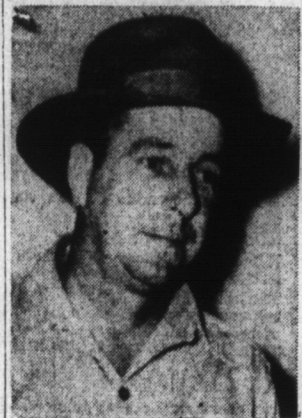

Also attending will be Paul Shade and R. L. Byrd, Jr., managers of the local Southern States Agencies.

Well over 1500 persons will be on hand for the meeting. Highlights of the two-day affair include the report by O. E. Zacharias, Jr., general manager of Southern States, the finals in the Ko-op Kwik Contest, the confirmation of three newly-elected members of the Co-operative's Board of Directors.

### In 4-Way Race

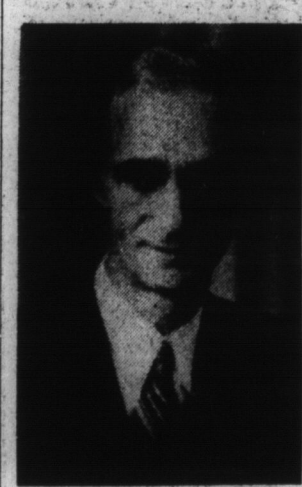

BRADFORD LOWE

CHRISTOPHER CLEAR

FRANCIS VAN DOREN

GEORGE BRUNGER

Local political experts predict a light vote for this year's General Election to be held Tuesday, November 6, with opposition in only four races, two for supervisor seats, one for State Senate, and one for Sheriff.

The hottest campaign is being waged in Coles District where four men are seeking the Supervisor seat from that district. Bradford Lowe, Democratic primary winner in August, will face opposition in Francis S. Van Doren, Christopher Clear and George Brunger. In addition, there are rumors circulating in the Independent Hill area that a number of write-ins could possibly add more candidates.

Two men figure prominently in the "write-in" talk. They are the Rev. Murray Taylor, who was beaten in the primary by Lowe after serving on the Board for many years, and Andrew Samsky, Independent Hill businessman, who also ran in the past August primary. With only little more than 150 votes in the district, a write-in campaign could possibly be successful.

### Two in Sheriff Race

Elsewhere in the county, Turner D. Wheeling, democratic primary nominee from Manassas, faces independent Nicholas "Nig" Reid, Coles District building contractor. Wheeling previously ousted incumbent Sheriff John Kerlin in the primary.

John A. K. Donovan, Fairfax County lawyer, will face Nat Paulson, Republican candidate, in the State Senate race for the seat from Fairfax and Prince William Counties. Donovan, anti-machine Democrat, ousted incumbent Andrew W. Clarke in the primary.

In the only other county race, Independent Jack Pick will oppose the Democratic primary winner Francis Coffey in the race for the Supervisor seat from Dumfries District. Pick is the incumbent. Interest has not been running high in this election and a very light vote is predicted.

### Unopposed Candidates

A number of other county offices are being unopposed in the general election. On the Board of Supervisors, J. Carl Kincheole, Manassas; R. S. H. H. Occoquan; John W. Ellis, Brentsville; and R. B. Gosson, Gainesville.

Incumbents Worth H. Stork, County Clerk, Stanley A. Owens, Commonwealth's Attorney; C. A. Sinclair, Treasurer; and Charlton E. Gnadl, Commissioner of Revenue, also are unopposed.

## James Myers Is Elected Kiwanis Head

James Myers was elected president of the Manassas Kiwanis Club at its regular meeting last Friday night.

Other officers elected were Les Bourne, vice president, and Frank Sigmam, treasurer.

Directors chosen were George Coker, Edgar Parrish, Kenneth Aldrich, Harry Parks, J. Carl Kincheole, Stanley Owens and E. Deb Gotthwaite.

The officers-elect will be installed in office at the last meeting in December and assume their new duties as the first of the year.

The secretary of the club is appointed by the Board of Directors and the new president.

## Three Prince William Women Buried Here

### Mrs. Madie Davies Hibbs Buried In Family Plot

Funeral services for Mrs. Madie Davies Hibbs, 77, were held Sunday from the Trinity Episcopal Church, Manassas, with the Rev. E. Guthrie Brown officiating. Interment was in the family lot in Manassas Cemetery.

Mrs. Hibbs, a life-long resident of Prince William, died Thursday at her home on N. Grant Avenue, Manassas, from a heart attack.

Born in Brentsville in 1874, Mrs. Hibbs moved with her family to Manassas in 1890. She was the wife of E. H. Hibbs, a partner in Hibbs & Giddings Men's Furnishing store here.

Mrs. Hibbs, who was a member of the Episcopal Church since childhood, was also an active member of the local U. D. C. chapter. She was president of that organization at one time. She also served as president of the Manassas P. T. A. She is survived by a brother, H.

Thornton Davies of Manassas, and three nieces and five nephews; H. Thornton Davies, Jr., J. Jenkin Davies, Mrs. C. C. Lynd T. Davies, William T. Davies and Mrs. Wallace Johnson, all of Arlington; Mrs. Clarence Campbell, Jr., Caroline, and J. A. B. Davies, Culpeper.

### Mrs. Annie Langford Dies At Home Monday

Mrs. Annie Florence Langford of S. Main street, Manassas, was buried Wednesday in the Hixson family burial ground near Stonewall Acres following funeral services at Baker Funeral Home. The Rev. Frank L. Baker officiated at the services.

Mrs. Langford, a lifelong Prince William resident, died at her home Monday of "natural causes." Dr. Charles Martin, Coroner, reported.

Mrs. Langford was the youngest of the six children of James and Virginia Hixson Florence. The other five children are deceased as well

as her parents. Mrs. Langford's uncle, Mark Florence, was a Confederate soldier and served in General Robert E. Lee's bodyguard. Mrs. Langford was a very active member of the Methodist Church here.

### Mrs. Bertha Fox Buried At Valley View

Funeral services for Mrs. Bertha Erva Fox, 59, were held Thursday from the Manassas Baptist Church with interment in the Valley View cemetery near Bristow. The Rev. Edens officiated at the services.

Mrs. Fox died near Falls Church Monday at the home of a relative. A native of Warrenton, she lived most of her life here in Prince William. She was the daughter of Daniel and Pauline Libby Butler. Her husband, Ervin Fox, is deceased.

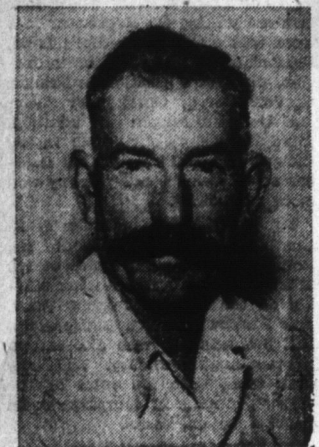

She is survived by a number of children.

## In Sheriff Race

TURNER D. WHEELING

WILLIAM "NICK" REID

Naturalized citizens of the United States are entitled to all privileges except that of becoming president.

## Local Youth Held

An 18-year-old Manassas youth was being held under \$2,000 bond in Arlington Monday, charged with criminally assaulting a 20-year-old Washington woman.

He is Lewis Carlton Gilbert, arrested by Arlington police an hour after an attack was reported late Saturday.

Police said the small blond vic-

What is the name of this cut of meat?

Salt pork.

Where does it come from and how is it identified?

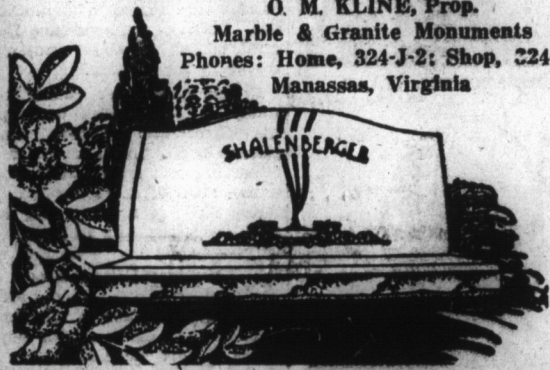

The side of pork. Spareribs are removed leaving a boneless piece, the bacon strip. Cured in salt, it is salt pork. Smoked, it is bacon.

How is it prepared?

By roasting or pan-frying. In either event the salt pork is cut into slices about 1/4 inch thick, covered with hot water and allowed to stand for 5 minutes. Slices may then be removed, dipped in milk and rolled in corn meal. To roast, slices are placed on a rack in a roasting pan and cooked for 30 minutes in a 350° F. oven. In pan-frying, the coated slices are slowly cooked in lard or drippings until well browned. Salt pork is frequently used for seasoning vegetables and other dishes also.

Left to right the Barter Players are Patricia O'Connell, John Holland, and Regina Gleason.

## Passing Of Yorktown Ferry To Make Way For World's Largest Swing Span Bridge

Motorists will be spared delays next spring at Yorktown, Va., when the present ferry is replaced by the world's largest swing span bridge now under construction. The new \$9 million span, providing 450-foot clearance to enable mightiest U. S. fighting ships to navigate York River, will link U. S. Route 17 between the Norfolk-Newport News area and important traffic lanes north. Fabricated and erected by U. S. Steel's Virginia Bridge Company, large photo of bridge shows huge swing spans which will pivot on sturdy piers to permit larger craft to pass. Inset shows the ferry which will become history once the bridge is completed. The undertaking is the largest single project by the Virginia Department of Highways.

## Three Sentenced For Stealing Gas Here

Three men were taken into custody last Thursday night on charges of stealing gas from a truck parked in the town lot near the Southern Railway track.

Officer James Twyman made the arrest on receiving a report that the trio were siphoning gas from the truck.

The three men were Oscar Compton, his brother, John Compton, and Herman Perkey. They pleaded not guilty when brought before Trial Justice G. Lacy Compton but the judge didn't believe Perkey's story that he found a five gallon can of gas by the railroad track after a car he was riding in ran dry nearby, and sentenced Perkey and the elder Compton to six months on the state road force.

The younger Compton, age 17, was referred to the State Department of Welfare.

The width of United States ships is determined by the Panama Canal, and the height by the Brooklyn Bridge.

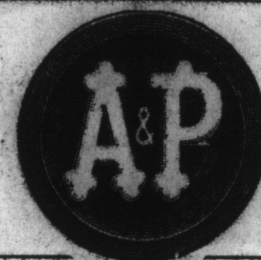

To protect the life of the President and to suppress counterfeits are the two statutory duties of the U. S. Secret Service.

## HOME - MAKING IDEAS

### NOW IS THE TIME FOR POPCORN

Popping corn is fun for grown-ups as well as youngsters, and it makes good eating too. It is especially nice when your friends gather for an evening of television or just friendly conversation. The new electric poppers can be used right in your living room and furnish entertainment for all. It is really exciting to see the grains of corn suddenly transformed into the snowy white balls.

Follow the manufacturer's instructions for preheating, add unsalted oil or shortening, then the fresh, good quality popcorn. After the corn is popped flavor with salt and melted butter. Popcorn also lends itself to a large variety of treats and can make a beautiful decoration for the Christmas tree, when strung and festooned from top to bottom of the branches.

The electric popper is versatile too and can be put to other uses as well as corncobbing. It can double as chafin dish for soups, Welsh rarebit and various casserole dishes. Add a little water and you can steam frankfurters, or even warm the baby's bottle. Each time you use the popper, clean it according to instructions found in the booklet that comes with the popper, being careful never to immerse the base in water.

### POPCORN MACAROONS

1 c. freshly popped corn  
1 c. chopped nuts  
1 tsp. Lemon flavoring  
1/2 tsp. salt  
1 tsp. vanilla  
3 egg whites  
1/2 tsp. baking powder  
1/2 cup sugar  
Grind the popped corn coarsely and mix with chopped nuts. Add the flavorings and mix thoroughly. Whip the egg whites until frothy and stiff. Add baking powder and salt. Sift in sugar and whip 1 minute longer. Fold into the popcorn mixture. Drop by teaspoonfuls on well-oiled baking sheets. Bake in a moderate oven (325 degrees F.) 20 minutes. Makes about 5 dozen cookies.

### CHOCOLATE ROLL

5 large eggs  
1 cup sugar  
1 1/2 cups whipping cream  
6 oz. dark sweet chocolate  
5 tsp. coffee  
1 tsp. vanilla  
Separate eggs. Mix sugar in yolks and beat well. Break chocolate in pieces and dissolve in coffee on low heat. Mix into yolks and sugar. Beat whites very stiff and mix well into yolk mixture. Oil a jelly roll pan, cover with wax paper and oil again. Spread mixture on pan evenly and bake 15 minutes in 350 degree oven. Remove and cover with a damp cloth till cake cools. Remove cloth, loosen roll from pan and sprinkle top heavily with cocoa. Turn out on another piece of wax paper. Peel off first paper and spread with whipped cream. Roll up like jelly roll and serve.

### CHOCOLATE PIE

1/2 lb. chocolate bits  
2 tsp. sugar  
2 1/2 tsp. water  
1/4 tsp. salt  
4 eggs  
1 tsp. vanilla  
1 pastry shell (baked)  
Heat first 3 ingredients over low heat. Cool and add egg yolks one at a time, beating well between each addition. Add vanilla, salt, and chill. Whip egg whites until stiff and fold into chocolate mixture. Fill baked shell and top with whipped cream.

### BROWNIES

2 sq. chocolate  
1/2 cup milk  
2 eggs  
1/2 cup cake flour  
1/2 tsp. salt  
1 tsp. vanilla  
1 cup nutmeats  
one-third cup butter (melted)  
1/4 tsp. cinnamon

Cut chocolate into pieces, add milk and cook over low heat until thick and a smooth paste is formed. Beat eggs, add sugar and stir. Add to this the cooled chocolate mixture. Sift salt, cinnamon and flour into mixture. Add nuts and stir well. Add melted butter, to which the vanilla has been added. Bake in well greased 9 x 9 pan at 350 degrees for 40 minutes. Cool and cut in squares.

### CHOCOLATE CAKE

12 eggs  
1/2 lb. ground almonds  
1/2 lb. sweet butter  
1/2 lb. granulated sugar  
3 tbsp. bread crumbs  
1/2 lb. sweet chocolate  
Cream butter, add sugar, then add egg yolks one at a time, beating each time. Stir in melted chocolate, ground almonds, crumbs and slightly beaten egg whites. Beat 15 minutes (moderate speed) by electric mixer. Pour in 3 layers and bake 30 minutes at 350 degrees. Toasting almonds before grinding improves flavor. Use whipped cream or chocolate icing between layers.

## Into A Cocked Hat

Recent news reports from Washington said that some officials are tending toward the opinion that the only way to bring order out of the chaotic meat situation is to do away with controls on meat altogether.

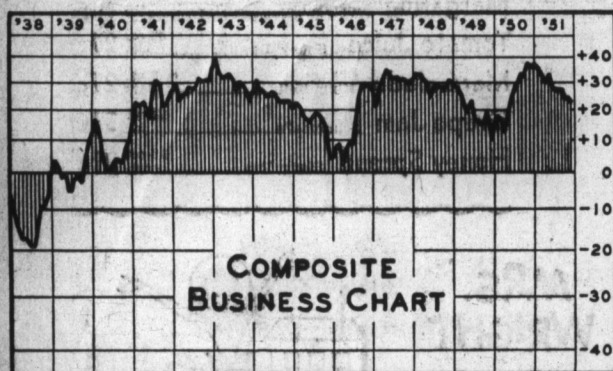

Whether or not that happens, it is an indication of how badly the controls have disrupted the normal, efficient mechanism of meat production and distribution. Fewer and fewer cattle have been passing through the yards of the established, law-abiding packers. More and more cattle, it is obvious, have gone into other channels. And there have been shortages of certain cuts and kinds of meat in many parts of the country.

From the economic point of view, the situation is insane. At best, the packing industry makes an extremely small profit on meat—an average of a fraction of a cent a pound on all the meat sold at retail. Under normal competitive conditions, the packers actually sell beef to retailers for less than they paid for it as livestock, and the difference, and the modest profit, is made up through the sale of by-products. Under OPS policy, the industry has been knocked into a cocked hat. A late survey showed that legally operating meat packing companies were losing the fantastic sum of up to more than \$25 per head each time they handled a choice grade steer! And the legally operating companies cannot compete with operators who sell dressed beef for consumers at prices well above the ceiling and who, consequently, bid up the price of cattle and divert them from the regular channels.

It's a case where the legal business and the consumer take the beating. That always happens when government controls the economy by fiat.

## How's Business?

By Roger W. Babson

This shows current business compared with the same time for the previous thirteen years.

## BUSINESS HOLDING ON EVEN KEEL

In spite of all the uncertainties, war mobilization, cutbacks and shortages of certain basic commodities, business is holding on an even keel. The volume of business today, as measured by my Composite Business Chart, is 23 per cent above normal; just one point below what it was in September and October. This year opened with the volume of business at 36 per cent above normal. It then walked down the economic ladder in an orderly fashion as war production began taking the place of certain peacetime activities. So far the substitution has not taken up the entire slack of peacetime production, but should do so as war preparation gets under full steam ahead.

As might be expected, conversion to war production militates against certain peacetime companies and for some others it improves the outlook materially. In some cases this has caused labor displacements temporarily; and there is some accumulation of inventories. The situation is being handled as well as might be expected in view of the many uncertainties here and abroad. The situation in Korea, Egypt, Iran, Pakistan and several other countries is bad and may lead to an all-out war or to an all-out peace. As far as business is concerned, we shall go ahead producing war material and peacetime consumer goods simultaneously, war or no war.

Higher taxes will cut into corporation profits as well as the earnings of individuals. This situation will be aggravated by some higher prices, which in turn will stimulate demands for higher wages, thereby setting in motion the vicious circle of higher wages and higher prices. So far this year the cost of living, as measured by the Bureau of Labor Statistics, has been rather stable. Consumer resistance to high prices is playing an important part in holding down the cost of living. Taking everything into consideration we ought to be thankful that conditions are as good as they are. Congress will soon put up an economy fight on government expenditures, which is the need of the hour.

## Quantico Polio Victim Strikes Back

The recent ruling allowing Quantico school children to attend the Post school marks another big hurdle completed for 17-year-old Kathy Watson.

Kathy attended the Post High School last year as a junior and was prepared to enter her senior year in September when the Post ruled that she was not eligible to go there along with a number of other students.

Through the efforts of Kathy's guardians, and Superintendent of County Schools J. M. Garber, Kathy is again in school. The strange twist to the whole story is that Kathy would not have been able to attend classes except for the ruling, since she is seeing life from a wheel chair—the victim of polio of the worst kind—Bulbar.

She was stricken August 1, 1950, with triple polio, the rarest and most severe of the group. She was taken to Gallinger Hospital, Washington, and placed in an iron lung.

Through her own courage and moral help from her guardians, Mr. and Mrs. G. W. Martin, her aunt and uncle, Kathy began to recover. After a short period of depression, Kathy struck back at the disease and has since been on the road to recovery.

She has just recently returned from Warm Springs, Ga. where she spent seven months receiving treatment. She has long since dispatched the iron lung and now makes her way around in a wheel chair. She can now sit up for as long as 9½ hours per day and is able to keep up with her class work at school. However, she still attends school but a half-day.

The Martins take her to the school which is but a few blocks from their Quantico home. At school, a classmate pushes the wheel chair around from class to class.

Kathy is in good spirits since

SMILING KATHY WATSON AND HER AUNT, MRS. MARTIN

the Marine Corps allows her to attend school. Without the ruling, it would be impossible for her to make the trip from Quantico to school at Ocoquan.

After she graduates from the Post school in June, Kathy plans to attend school at Fishersville, Va., where there is a rehabilitation course set up for persons handicapped such as Kathy. All this would have been impossible with-

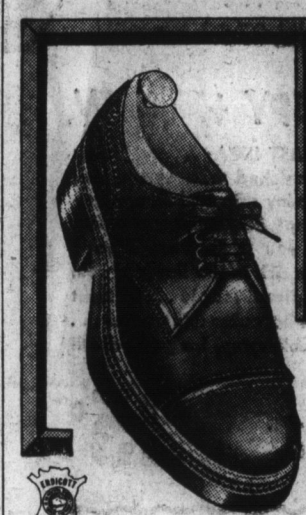

out the relaxation of the school ruling.

While her interests have been seriously curtailed, Kathy still has the normal pursuits of a teen-age girl. Her hobby is playing the piano which she took up long before the polio struck. Her current interest, however, is basketball, and she is an avid fan at all contests in the Quantico area that she is able to attend.

school bus drivers or other qualified operators when extra help is needed.

Priorities for road cleaning come in the order of importance, with heavily traveled roads, school bus routes, milk routes and mail routes tops.

With all these preparations, however, the road agency cautioned that heavy snows with high winds, or thick ice on pavements, will spell trouble, and at such times any necessary driving should be done with chains. Highway forces work around the clock during winter storms, but it is impossible to remove instantly all snow or ice on the sprawling road network, they pointed out.

## Candidate DeBell Issues Statement

Stuart DeBell, Democratic candidate for Supervisor for Centreville District, Fairfax County, today issued the following statement as the campaign draws to a close:

I have told the voters how I will work for better schools; roads and better representation in the county. There is one factor that is necessary for the success of these and any other program for the county, however, and that is that the people who are appointed to administrative positions in the county be well qualified without regard to politics or special interests.

"Under the new form of county government, the supervisors will have more direct control over the affairs of the county, and in selecting well qualified personnel to carry out their policies it will be possible to improve greatly the efficiency of the county government."

"I can promise the voters that I will do my best to see that the

## Vegetable Seed May Be Scarce In 1952

Large-scale vegetable gardeners are advised to plan now for needed supplies in 1952.

Stocks of many vegetable seeds were depleted because of lack of rainfall, and marketing specialists at V.P.I. say vegetable growers who are planning full operations for 1952 should start to stock certain supplies, including spray and dust materials, high grade mixed fertilizers and nitrates.

Stocks of such seeds as dwarf wax beans, dwarf limas, broccoli,

Supervisors' appointments are made on the basis of experience, training and ability.

Chinese cabbage, cauliflower, hybrid sweet corn, kale, squash, spinach, tomato, and several others are below those of this year.

Virginia vegetable growers are especially interested in the supplies of hybrid sweet corn, kale, cucumber, squash, spinach and tomato seed supplies. In general, stocks of hybrid sweet corn are only 51 per cent as large as they were this season; kale, 91 percent; cucumbers, 66 percent; squash for summer, 65 percent; squash for winter, 76 percent; spinach, 71 percent; and tomatoes, 84 percent.

Stocks of a few vegetable seeds are in adequate supply. These include green beans, collards, smooth and wrinkled peas, peppers, turnips, and rutabagas.

## Lake Jackson VFD Auxiliary Is Organized

The Ladies Auxiliary of the Lake Jackson Volunteer Fireman's Association was organized October 23 at a meeting held in the home of Mrs. Coloda at Lake Jackson.

Temporary officers were chosen to serve until January. A rules committee, under the chairmanship of Mrs. Heckman, is whipping the constitution into shape and the ways and means committee with Mrs. Cooper of Brentsville as its chairman, is already planning a box social, followed by bingo, to be held at the Brentsville Court House, November 17th, at 7 p. m. Bingo will start at nine.

This will be an old-fashioned family affair with the ladies bringing a box supper for the men to bid on and all to enjoy the hidden delectables. The auctioneer is a mystery man for the present, but will prove to be well-known to the public.

Everyone is invited to attend and it is hoped that many will turn out for a good time and also to lend a helping hand to the youngest Volunteer Fire Organization in the neighborhood.

## Miss Doris Beahm Weds Mr. True

Miss Doris Beahm, daughter of Mr. and Mrs. Ralph Beahm, Nokerville, were joined in matrimony to William True at the Oakton Church of the Brethren. The ceremony was at 7 p. m., Saturday.

Miss Rosa Lee Beahm was maid of honor, Mrs. Alene Beahm was organist and Robert Beahm was soloist.

A gandy dancer is a man who inspects railroad ties for loose rails and bolts.

Belva Lockwood was the only

## Miss Lois Yates Engaged

Mr. and Mrs. E. Jesse Yates of Manassas announce the engagement of their daughter Lois Gertrude to Sgt. William Jack Hancock, son of Mr. and Mrs. Sammie Griffin Hancock of Lenox, Georgia.

Sgt. Hancock is serving with the United States Air Force and is a brother of Rev. R. Jay Hancock, pastor of the Full Gospel Church of Manassas. No date has been set for the wedding.

## Patricia Spencer Weds Mr. Cosner

Mr. and Mrs. Floyd G. Spencer of Quantico announce the marriage of their daughter, Patricia Sue, to Medford Cosner. The wedding took place at 3 p. m., Sunday, October 28, 1951, at the Triangle Baptist Church.

The Panama Canal is 300 feet wide and 45 feet deep.

women ever to run for president. Pogonology is a study of beards.

## Helen Schroeder Named To Honorary Fraternity

Miss Helen Bagley Schroeder, daughter of Mr. and Mrs. Richard L. Schroeder of 334 S. Main St., Manassas, a senior majoring in sociology, has been tapped for membership in Pi Gamma Mu, a national honorary social science fraternity at Mary Washington College of the University of Virginia. Seven girls were selected for this honor on the basis of high scholastic standing.

## Gay Nineties Cast Visits Arlington

The local cast of the Gay Nineties went to Arlington last Saturday night and gave their performance to the Columbia Lodge A. F. & A. M. in the Washington and Lee auditorium. This was family night, and a large crowd was present to give them a rousing welcome. In the absence of their regular pianist, Mrs. Dot Byrd, who was ill, Mrs. Jack Royer, a former accompanist, took Mrs. Byrd's place.

This cast has been in existence for quite a while, and have put on their skit in many places. Their accessories, costumes and songs are all related to the '90s, many of them being passed down to them from their ancestors. After the show they received invitations to present their skit in other places.

## PICNIC SUCCESS

The annual Yorkshire picnic was rained out on Sunday, October 7, 1951, and had to be postponed another week. With renewed appetites, the participants dispatched the first battalion of hot dogs and the committee rushed in reinforcements while Roy Helms kept his huge bonfire perk in. By the dying firelight community singing terminated a most successful 1951 Yorkshire Civic Group picnic.

The next business meeting will be held at the home of Mr. and Mrs. Louis E. Orebough, on Leland Road, Yorkshire Acres, 8 p. m., Tuesday, November 6, 1951. Mr. J. M. Garber, superintendent of schools, will be guest speaker.

## HALLOWEEN SOCIAL

Many young people of the B. T. U. gathered at the Baptist Church last Thursday night for a party and social time. The costumes and plans were carried out in a unique halloween fashion, and the younger set enjoyed a delightful evening of entertainment.

## BIRTHS

Born to Mr. and Mrs. Warren Runion at Physicians Hospital, Warrenton, October 27, a girl.

Born to Mr. and Mrs. Gary O. Woods at Physicians Hospital, Warrenton, October 27, a boy.

Mr. and Mrs. Guy Anderson of Manassas are the proud parents of a daughter, Diane Marie, weighing 5 lbs. 12 oz., born October 23, 1951, in Alexandria Hospital.

## LADIES MEET

The Ladies Aid Society of Manassas Baptist Church will meet with Mrs. J. L. Wood, Tuesday, November 6th at 8:00 p. m.

Mrs. C. B. Compton entertained at a large dinner party on Wednesday, and among her guests were, Elder and Mrs. Alva Huffer, their son David of Maurertown, Mrs. Allice O'Neal, Miss Ella Boyer, Miss Bauserman and Miss Helsey of Washington; Mr. and Mrs. L. E. Marston and Miss O'Flaherty of Alexandria, and Mrs. Fay Carroll and son of Falls Church.

Mrs. Robert Wayland spent Sunday in Woodbridge at the home of Mr. and Mrs. L. C. Rector.

Mrs. V. V. Gillum is visiting her sister, Mrs. C. W. Dowdy, in Roanoke.

## In And Around Manassas

Mr. and Mrs. L. L. Barlow of St. Louis, Mo., are here on an extended visit to their children, Mrs. Paul Espenshade, Mrs. Randall Champion and Mrs. Ray Barlow.

Mrs. William F. Cooke of Culpeper is visiting her daughter, Mrs. John H. Merchant, on Grant Ave.

Mrs. Cyril Mable has returned from Leesburg, where she visited her sister, Mrs. Herbert Howard.

Miss Peggy Rice of Stuart Circle Hospital, Richmond, and her guest, Miss Martha Stiller of Knapolis, N. C., have returned to Richmond after a visit to Miss Rice's home here.

Colonel and Mrs. Paul Espenshade were guests of O. P. and Mrs. Cecil Cardwell of Fort Meade, over the past weekend.

Mr. and Mrs. Raymond Lee of Arlington spent Sunday with Mr. and Mrs. R. L. Byrd.

Mr. Thomas Athey visited his class mate and fraternity brother, Charles Bryant, who resides in Richmond, this past weekend.

Mr. and Mrs. Martin Wetherall and Mr. and Mrs. Claude Albrite were Sunday guests of Mrs. Wetherall's and Mrs. Albrite's parents, Mr. and Mrs. A. H. Kirk in Herndon, where they helped celebrate Mr. Kirk's birthday.

Mr. and Mrs. Dudley Martin, Mrs. W. S. Athey, Mrs. D. L. Mitchell and Mrs. Charles Humpries motored to Annapolis Sunday where they were guests of Mr. Martin's uncle, Mr. Joseph Hitt.

Miss Lou G. Heher was the weekend guest of Miss Mimi Thornton in Richmond.

Miss Carolyn Cooksey and Miss Sari Phillips of Richmond Professional Institute spent the weekend with Miss Cooksey's parents, Mr. and Mrs. Paul J. Cooksey, on Grant avenue.

Recent visitors of the Herrell family on Battle street included, Mrs. Marie Herrell Larkin of Fairfax, and her daughter, Mrs. J. Marshall Washington of Kilgore, Texas, and Mrs. Washington's friend Miss Aylene Guynes. Miss Guynes has accepted a position in Washington, D. C. and Mrs. Washington will return to her home in Texas by plane.

Mrs. John Galleher has returned from Charlottesville where she attended the Woman's Auxiliary of the Diocese of Virginia last week.

Mr. and Mrs. Paul Cooksey left for Richmond Wednesday to attend the Shrine Ceremonial this week. Mr. Cooksey is on the membership committee of Acca Temple.

Mr. and Mrs. Stanley Owens left Wednesday for Roanoke, where Mr. Owens will attend a Telephone Convention held at the Roanoke Hotel.

Mr. and Mrs. E. R. White of Springfield, were dinner guests last Sunday of Mr. and Mrs. Lewis J. Carper.

Miss Nollie Nelson will return Friday from Kansas City, Mo., and Fort Scott, Kansas, where she has been visiting relatives and friends.

The "Diamond Club", whose membership comprises quite a young set of our community, entertained their parents at their "Club House" last Monday afternoon.

Miss Nancy Leigh Diddlake, who is attending Richmond Professional Institute, returned to her school Monday after spending the weekend with her mother, Mrs. Thomas Elvin Diddlake.

Mr. Reuben Hicks returned Wednesday from a business trip to Atlantic City.

Mrs. Henry Taylor of Richmond, president of the Womens Auxiliary of the Diocese of Virginia, spoke to the Womens Auxiliary of Trinity Church Monday night. While here, Mrs. Taylor was the guest of Mrs. Janie Smoot.

Mrs. Douglas Thorp and her son, William, of New Baltimore, spent a while here last week with her mother, Mrs. Robert A. Hutchinson.

Friends of Mrs. John Calvin Good will be happy to learn that she is recovering from recent illness.

Mrs. Lyle Ditzler, Mrs. Paul Arrington and Mrs. Higgs Lewis were Washington visitors Monday.

Mrs. L. A. Jackson, Mrs. Robert Hutchinson, Mrs. Frank Peters, and Mrs. Ray Dodd were in Warrenton this week to call upon Mrs. Gary O. Woods who is in Physicians Hospital with her new son.

Mr. and Mrs. R. S. Woodall of Staunton, were guests of Rev. and Mrs. F. L. Baker at the Methodist Parsonage over the weekend.

Mr. and Mrs. Robert Wine attended the birthday celebration on last Sunday given by Mr. and Mrs. Glenn Payne of Brentsville, in honor of their daughter Margaret.

Mary Lael Swinney of Arlington returned to her home last week after a visit to her grandparents, the Reverend and Mrs. Daniel D. Swinney at the Mine.

Quite a number of the teachers and officers of the Baptist Church are attending a Sunday School training class held at the First Baptist Church in Alexandria. The class is being held all week, and Dr. Ernest Campbell is pastor of the church.

Mr. and Mrs. Thomas J. Broadus, and their daughter, Mrs. Howard T. James of Washington, have returned from a visit to Mr. and Mrs. Broadus' daughter, Mrs. Felix Williams of Jackson, N. C.

## Tickets For Barter Theatre Play Go On Sale Here

Plans for Barter Theatre presentation on November 20th of "Light Up the Sky," the high-riding, satirical comedy concerning the stage and stage folks, are going forward apace this week under the sponsorship of the Woman's Club of Manassas.

The general committee, with Mrs. J. Vincent Davis and Mrs. E. D. Gotschake as co-chairmen, is preparing a list of county residents who will act as patrons in bringing to Manassas this unique and distinguished American theatre group, officially Virginia's very own. Holders of patrons tickets will be entitled to seats in a special reserved section.

Advance sale of tickets is now in progress. Both patrons and general admission tickets may be obtained from Mrs. R. E. Daffan, ticket chairman, Mrs. Davis, the Martha Shop, Manassas, and from Mrs. Nellie Purvis, Quantico. Other members of the committee are Mesdames Walter Alpaugh, I. J. Breedon, H. T. Davies, Jr., John Galleher, W. L. Lloyd, Ian H. Ross, W. J. Saylor and Garry A. Willard.

The performance of Moss Hart's latest smash hit is expected to draw a large crowd of discriminating theatre-goers and lovers of the drama for an evening of rare entertainment by a professional group, which the Washington Evening Star says "is something to throw your hat in the air about."

## Much Interest In Arts, Crafts Exhibit

Much enthusiasm is being shown in the community in the Arts and Crafts Exhibit of the Fine Arts Section of the Woman's Club of Manassas to be held in the Methodist Church basement, November 8-9. The exhibit will be open to the public each afternoon and night between the hours of 1:30 - 5:00 and 7:00 - 9:00 p. m.

Quite a number of artists have already signified their interest in the exhibit, and there is space available for a wide variety of arts and crafts. An excellent exhibit is now being arranged by the students of the school, besides a most interesting exhibit being prepared under the direction of the County Home Demonstration agent. Anyone having hand craft or other work to exhibit should get in touch with Mrs. Elaine Levine.

## U. D. C. MEETING

The U.D.C. will meet with Mrs. G. G. Allen and Mrs. C. B. Compton, hostesses, at Mrs. Allens home at 2:30 Wednesday, Nov. 7th.

## 4-H Club Winners Receive Coveted Awards

Chicago — (Special) — Thirty-two leading business concerns and endowed foundations, together with prominent men and women, are offering \$380,000 in awards through the National Committee on Boys and Girls Club Work to 4-H members as incentives for outstanding records in 1951 national 4-H programs. G. L. Noble, director, has announced.

"There are now nearly 2 million active 4-H Club members in the United States," Noble said. "Their motto is 'To Make the Best Better.' Their achievements in agricultural, homemaking, health, safety and morale-building programs are a chief contributing factor in bettering rural social and economic conditions. Some idea of their achievements may be gained from their estimated 1951 records, which show that 4-H'ers raised more than 120,000 acres of home gardens and 600,000 acres of field crops; 175,000 dairy animals and 750,000 beef cattle, sheep and swine; preserved 16 million quarts and froze 5 million pounds of food, and made and remodeled more than 2 million garments."

Because of their public-spirited interest in rural youth and agricultural developments, donors are providing awards in the following national 4-H programs in 1951: Canning, Kerr Glass; Clothing, Spool Cotton; Dairy Achievement, Lederle Laboratories; Dairy Foods, Carnation; Dress Revue, Simplicity Pattern; Farm and Home Electric, Westinghouse Foundation; Farm and Home Safety, General Motors; Field Crops and Frozen Foods, Inter.

All these national 4-H awards programs are conducted under the direction of the Cooperative Extension Service.

national Harvester; Food Preparation, Kelvinstory Forestry, American Forest Products Industries; Garden, Allis-Chalmers; Girls' Record, Montgomery Ward; Health, Kellogg Co. of Battle Creek; Home Grounds Beautification, Mrs. Charles R. Walgreen. Also, Home Improvement, The Sears-Roebuck Foundation; Leadership, Edward Foss Wilson; Livestock, Cudahy Packing; Meat Animal, Thos. E. Wilson; Poultry, Dearborn Motors; Public Speaking, Pure Oil; Recreation and Rural Arts, United States Rubber; Soil-and-Water Conservation, Firestone; Tractor Maintenance, American Oil, General Petroleum, Pan-Am Southern, Standard Oil (Indiana), (Kentucky), and (Ohio); Stanolind Oil and Gas, and Utah Oil Refining companies. In General Achievement, awards are presented in the name of the President of the United States and the National Committee on Boys and Girls Club Work.

Due to these awards, 1,200 4-H state, sectional and national winners, together with local club leaders, will be guests of the donors at the 30th National 4-H Club Congress in Chicago, Nov. 25-29, 128 of whom will receive \$300 college scholarships for winning national honors. More than 50,000 medals of honor will be presented to county winners in various programs. Funds for leadership training in 4-H Tractor Maintenance and Recreation-Rural Arts programs will total more than \$60,000, and at least \$20,000 will comprise cash awards in Recreation-Rural Arts and Health programs.

Renew your subscription promptly.

## Social Security Film Shown At H. S.

The new Social Security film, "Your Social Security" was shown last Wednesday to the four social studies classes of the 9th grade at Osborn High School. Mr. Bolding, social studies teacher at Osborn arranged for the showing of this film as a part of the class study of the Federal, State and Local governments. David Platky, field representative of the Alexandria Social Security Field Office, introduced the film and traced the rea-

sons for the present Social Security laws both in this country and abroad.

After showing the film, Mr. Platky answered any questions that the students had regarding the Social Security program.

Mr. Platky expressed the hope that all residents of this area would have the opportunity of seeing the new film.

## New Grades For Slaughter Hogs Proposed

The United States Department of Agriculture has announced proposed new grade standards for slaughter hogs and carcasses, similar to those used for beef.

The USDA said the new grades, which are confined to gilt and barrow carcasses, would enable buyers to identify hogs by degrees of fatness and quality for the first time. At present, there are only tentative official hog grades.

The five grades proposed would give highest rating to minimum finish hogs with a high ratio of lean to fat.

The USDA said this followed an important shift in consumer demand away from fat cuts and toward lean cuts. Increased use of vegetable oils for shortening, the USDA said, had cut the demand for fat cuts.

In several years of research, some of it conducted in Virginia slaughterhouses, the USDA said it had found that the market value of good lean carcasses was often as much as 10 or 15 per cent more than carcasses which would produce high quality pork, but were decidedly overfat.

The grades, as proposed by the USDA are:

Choice No. 1—Minimum finish hogs yielding about 50 per cent of their weight in the four lean cuts of hams, loins, picnic and Boston butts.

Choice No. 2—Slightly overfat, finished hogs, yielding 45 to 48 per cent in trimmed loins, hams, picnic and Boston butts.

Choice No. 3—Decidedly overfat finished hogs, producing high quality pork but yielding less than 45 per cent of their weight in the four lean cuts.

Medium—Slightly underfinished hogs, producing flabby and slightly soft cuts, and with a slightly low ratio of total lean and fat to bone.

Cull—Decidedly underfinished hogs with a high ratio of lean to fat, but producing cuts of inferior quality suitable only for processed meats.

## Nokesville Forestry Champs

The Nokesville Forestry team of Ransell Gough, Robert Wood, William Davis and William White walked off with first place in the Blue Ridge Federation forestry judging contest at Bealeton recently. Instructor Phil Reading is also pictured on the right. Warrenton finished second with Manassas third.

The Nokesville team will travel to Woodstock, November 30, to compete in the Northern Virginia District contest and the winner will go to the state finals at Charlottesville in December.

—Photo by Churchill.

BRUMBACK AND ELLIS, Refrigeration Sales and Service. Phone 399. Adv.

The new grades will not necessarily mean more money for all hogs, but should make for a more equitable distribution of money paid for hogs, the USDA said.

Comments on this proposal should be filed with the department before April 3, 1952.

Correspondents are requested to send copy in early.

## Chemicals May Be Stored For Future Use

Gardeners and farmers who use insecticides left from the past season's operations can save money by properly storing these materials during the winter.

S. B. Fenne, plant disease specialist at V.P.I., said in most cases fungicides and insecticides can be stored through the winter and just as effective next year. Chemicals, however, must be kept in a dry place.

Fenne also warned that chemicals should be stored out of reach of children and livestock.

To avoid rust and corrosion, containers and sprayers should be cleaned thoroughly before they are put away for the winter. No material should be left in equipment.

Equipment should be hung in a dry place, and with one exception all moving parts should be oiled. The exception is that no oil should be placed inside a duster.

## Novel Thanksgiving Feast

Here's a different choice for your Thanksgiving table—a cushion-style pork shoulder. This boneless cut is ready-made for stuffing with celery or fruit mixture. It's colorfully garnished with candied apple wedges.

## Haymarket

Mrs. A. H. Meyer

### NOTICE

The Haymarket Woman's Club will meet on November 6 at 2:30 p. m. in the auditorium of the Manassas District School. Representatives of the Cancer Society, Charlottesville, Va., will show a picture "Breast Self Detection."

Lt. Com. and Mrs. J. Lightner and daughter, Mary Benson, of Purcellville, Va., Mrs. Winter Powers and children, Mary Katharine and Clark of Woodbridge, Va., were visitors at St. Paul's Episcopal Church, Sunday.

Mrs. A. H. Uterback attended the funeral of her uncle, Leslie A. Lyles, Alexandria last Thursday.

Misses Mary and Bell Price attended the Women's Auxiliary meeting held in Charlottesville for several days last week.

Mr. and Mrs. Boyd Parker visited at the home of Mrs. Parker's parents, Mr. and Mrs. A. H. Uterback, Sunday.

Mr. and Mrs. Douglas Adams left Tuesday morning for their home in Daytona Beach, Florida, after visiting relatives and friends in this and surrounding communities for the past two weeks. Mrs. Adams is the sister of Mrs. M. F. Fowell Melton and Mrs. L. E. Thomas.

Mrs. Thomas Hutchinson of Warrenton spent a couple days last week at the home of her sister and brother-in-law, Mr. and Mrs. M. Fowell Melton.

Approximately one hundred ladies attended "Achievement Day" Tuesday which was held in Oathpin at the Sudley Church, sponsored by County Home Demonstration Agent Mrs. Leona K. Barlow, of which various Home Demonstration Clubs took part. After a most interesting meeting, delicious refreshments of coffee, tea, sandwiches and cake were served by the members of the Oathpin Home Demonstration Club.

## Clifton

Mr. and Mrs. Horace Woodyard of Brooklyn, N. Y. are guests of Mrs. Alice Woodyard.

Friday night, September 17, the friends and neighbors of the Jimmie Johnsons gave them a surprise "house warming" at their lovely new home on the Centreville Road. They were given a lovely living room table and lamp. There were 33 persons present including the parents of Mrs. Johnson, Mr. and Mrs. Joseph Shredel of Richmond.

Mrs. Edgar Davis was a Washington shopper Wednesday of last week.

The many friends of Mrs. John Gunther are glad to know she is home and slowly recuperating from a severe operation.

Dr. and Mrs. John W. Kinchele of Rocky Mt., N. C. visited relatives and friends here last weekend.

Miss Bertha Luck of Manassas was also a Clifton visitor last weekend.

Miss Elizabeth Surratt of Washington is visiting at the home of Mr. and Mrs. Charles Robert Buckley.

## Brentsville

Mrs. R. F. Fowell, Correspondent

Monday Jimmy Shoemaker, son of the Jim Shoemakers, was taken to Children's Hospital in Washington, D. C. where he will remain several days for observation.

Randy, small son of the Ben Shoemakers, fell at his home Saturday night, striking his head on the door facing. He was immediately taken to a doctor as a deep cut on the forehead severed a main artery and Randy suffered from loss of blood. He is recovering in fine fashion.

Erl Cordell and family and Mrs. Mary Phillips and daughter of Falls Church visited the Jim and Ben Shoemaker families on Sunday.

Mrs. Harold Neff and daughter Caroline accompanied by her mother, Mrs. Elizabeth Brown, returned home Saturday after spending the week in Indiana where they were called by the illness of an uncle of Mrs. Neff's.

Garvin Martin, student pastor of the Brentsville Baptist Church, was entertained at dinner on Sunday by the Gordon Payne family.

Cpl. Thomas Whetzel, who is stationed at Ft. Jackson, South Carolina, spent a weekend leave here with his parents, Mr. and Mrs. J. J. Whetzel.

Mr. and Mrs. J. J. Whetzel and sons, Thomas, Ira, and Caspar, attended a double birthday dinner celebration held at the home of their daughter and sister, Mrs. Everette Speakes, in Washington, D. C. Sunday. The two birthdays celebrated were those of Mrs. Speakes' father, J. J. Whetzel, and Mr. Speakes' mother, Mrs. Alice Speakes.

Two Brentsville residents who have gone to work at the new Hecht Company store which recently opened in Arlington are Mrs. Flora Bradshaw and Mrs. Vivian Payne.

George Braden drove out from Washington, D. C. Sunday to bring home Mrs. Braden who had spent the week at the home of her parents, Mr. and Mrs. Joe Keys.

Mr. and Mrs. Sam Crittenden of Warrenton spent Tuesday at the W. R. Stephens home.

Mr. and Mrs. Elmer Breeden and baby daughter of Damascus, Md., were Sunday guests at the home of Mr. and Mrs. Ben Breeden.

Charlotte Breeden is absent from school—another victim of the virus which is prevalent in the community at this time.

Mr. Sheffield and Ray Hedrick, Jr., spent Sunday at the Ray Hedrick home.

Mrs. W. R. Stephens who was home all last week with a severe cold was able to return to her work in Clarendon Monday.

Mrs. M. P. Walters who was confined to her home all last week with a bad cold is able to be out again this week.

Mr. and Mrs. Nicholas Webster entertained twenty-five out-of-town guests at a Halloween dancing party at their home on Saturday evening.

Mr. and Mrs. John B. Hooks of North Carolina were weekend house guests of her brother, Boggs Corbin and family.

Pvt. Guy DePrado and Mrs. DePrado who have been staying at the Ray Hedrick home for the past three months while he was attending school at Quantico departed for Camp Lejeune, N. C.

Mrs. Alfred McIntosh and family of Manassas spent Sunday at the home of her parents, Mr. and Mrs. Willard Pogle and children.

Mrs. Joe Keys and her daughter, Mrs. George Braden, spent Wednesday visiting Mrs. B. R. Payne in Longview.

Johnny Bigelow who is stationed at Bolling Field was a weekend guest at the Miff Keys home.

### Textbook Group Meets

The Committee for the Improvement of the Textbook Situation in the Brentsville District High School met at the home of its chairman, Mrs. Chas. P. Kempton on Wednesday evening to compile the report which was presented at the P-TA meeting in Nokesville Thursday evening by Nicholas Webster, a committee member. The committee plan favored free textbooks and the plan was favorably received by the P-TA members, by the school principal, Mr. Link, and by a member of the County School Board, Mrs. Hooker. Brentsville residents present to vote in favor of the free textbook plan included: Mr. and Mrs. Nicholas Webster, Mr. and Mrs. Wilbur Wright, Mr. and Mrs. Maurice Keys, Mr. and Mrs. James Yarger, and Mesdames Chas. P. Kempton, Spicer Keys, Willard Pogle, Oscar Carter, Raleigh Nelson, Thomas and R. F. Fowell.

Fourteen ladies attended the organization meeting for the Women's Auxiliary of the Lake Jackson Fire Department held at the home of Mrs. Coloda at Lake Jackson on Tuesday evening. A box social followed by an evening of playing bingo is planned for the evening of November 17 at the Court House in Brentsville. Everyone is invited to participate. Watch the paper for further news about this event.

### KNOW YOUR NEIGHBOR

CWO and Mrs. James Cooper arrived in the Brentsville community from California about ten months ago. Mrs. Cooper, a native of North-west Riding, Yorkshire, England, was in Masterton, New Zealand, as a Red Cross hostess when she met and married Staff Sgt. James Cooper, a native of New York state, who was one of two thousand Marines recuperating at the hospital in Masterton.

Shortly after their marriage, the Coopers came to America and after a brief sojourn here, Mrs. Cooper sailed to her native England for a visit after a six years absence. Upon her return to the United States, Mrs. Cooper flew to Guam to be with Mr. Cooper where they spent almost two years at a Marine Test

Camp located near the village of Yona, sixty miles from any other camp. Mr. Cooper now commutes daily to Quantico.

The Coopers have three daughters—Tena, Jonquil, and Robin—and they all like the friendly rural life of Brentsville so well that they plan to buy a small farm and settle here permanently.

## Vote for . . . Paulson for State Senate

General Election — Tuesday, Nov. 6, 1951

What happens to your tax money? Has Prince William received its fair share back from Richmond? Paulson says, NO!

He will fight to establish a fairer method of allocation of your funds.

He will also fight for a revision of the tax structure leading to the abolition of the personal property tax.

He will fight for the educational facilities that your children deserve.

**VOTE REPUBLICAN**

Virginia State Senate

See and Hear NAT PAULSON on Television—WTTG—Channel 5—Friday, November 2nd—7:30 P. M.

Candidates up to the present time have carried the story of issues too far. I have not been one to go out and promise the "world with a fence around it" in order to obtain a vote. Although sounding very pretty and extremely political, I must draw a line on its use.

I am well aware of the fact of the growth of our county and of the necessity of strong and efficient government. I am also aware of the fact that the people of my district understand and know the qualifications of each of the candidates.

Therefore, my only issue is the betterment of my district and my county.

J. F. FICK

## Stars Of The Week

The only surprise about this week's Star is that he hasn't made it sooner. Billy Bauckman, Occoquan "T" quarterback, is the main reason Occoquan has had such a successful season thus far.

The 145-lb. senior has sparked Occoquan's playing all this year, only to be overshadowed by his teammates. However, this week, he came into his own, scoring one touchdown, kicking three extra points and directing the Occoquan offensive machine.

Billy is what is commonly called a "60-minute man," playing both offense and defense. One of his pass interceptions against Lincoln Friday set up an Occoquan score via a safety.

Bauckman also displayed his aerial talents Friday when one of his passes hit End Willie Weston on the nose to set up a second period score. Bauckman's only other talent is punting—which he alternates with Weston. He's truly

QUARTERBACK BAUCKMAN

a triple-threat. Coach John Suren will have a real problem in replacing Bauckman next year.

# Herndon Invades Occoquan Saturday

## Herndon Unbeaten In 6 Games: Osborn Faces W&L JV's Here

The vacation is over for Prince William's two football teams as they challenge top teams this week. Osborn runs up against Washington and Lee Junior Varsity tonight at 8 p. m. at Swavely Field.

Occoquan is shooting for the group and district title Saturday when they play host to unbeaten Herndon. Occoquan is unbeaten in league competition, losing only to George Washington JV in the season's opener.

Herndon edged Leesburg 13-12 while Occoquan was more impressive in their game with the Loudouners, but the Hornets were crippled because of the absence of their star who is reported to be in fine shape for Saturday's tilt.

Coach John Suren also reports that his squad is back at full strength with the return to action of Neil Williams, 190-lb. fullback who broke his foot in the Leesburg game. With Williams' return, Suren can move Jim Justice back to his guard slot, bolstering the line.

Shifty halfback James Smith returned to action last week against Lincoln and promptly had himself a field day and should be in top condition for the Hornets. At this point, Herndon is a slight favorite because of their surprising victory over W & L JV last week.

Over at Osborn, Coach Jim Leo is going to stick to his strategy of mixing the straight single wing formation with this innovation, the "L" formation. The new system has worked consistently for Osborn in the last two games he has been used. On the strength of Herndon's win last week, Osborn is a one-touchdown favorite to beat W & L JV.

OSBOURN 20, CAROLINE 0  
Taking to the air, Coach Jim Leo's inspired gladiators took to

the air to lace Caroline 20-0 for their third straight win of the current campaign. The Yellow Jackets scored in every period but the second for the victory. With Jackie Cross and Brice Corder on the tussling end, the victors completed 8 out of 8 passes.

Osborn took the opening kickoff and drove straight down the field for their first touchdown. Brice Corder put the clincher on the march with a two-yard plunge for the score. Bobby Payne dashed off his own right tackle for the extra point.

Following this drive, Caroline's defense tightened until the second half when the Yellow Jackets again cut loose. Taking a bad Caroline punt, Osborn marched to the loser's three-yard line before Corder tossed an over-the-shoulder pass to end Frank Hoss for the second TD. Payne again drove over for the extra point.

Early in the fourth period, Osborn scored a quickie on a pass play called by Leo from the bench. Leo intended for his boys to pass from punt formation, but a mixup occurred and the pass came from

the single wing—but with the desired results. Jackie Cross faded back and tossed a long one to Hoss who picked up 45 yards on the play.

Payne took over on the one and scored on his pet play, slicing off tackle. Warren Harrower's attempted extra-point kick did not reach the goal posts.

OSBOURN 35, LINCOLN 6  
Occoquan's hustling Indians scored an expected easy 35-6 win over Lincoln's hapless gridders Friday night for their fifth straight win of the season. James Smith, shifty halfback returned to action following a broken toe injury and sparked the Indians along with the dependable Billy Bauckman, quarterback.

Scoring in every period but the third, Occoquan amassed a 29-6 lead at halftime. Smith skirted the end for Occoquan's first TD following the opening kickoff. Smith dashed over from the 23. Bauckman kicked the first of three extra points and Occoquan led 7-0.

Bauckman intercepted a Lincoln pass and set up a safety after Occoquan had fumbled on the four. Jackie Keys and Smith teamed up together for Occoquan's second first period touchdown, each making long gains. Bauckman's kick was good and Occoquan led 16-0 as the first period ended.

A Bauckman-to-Weston pass set up Occoquan's third touchdown early in the second period. Smith took the ball the rest of the way, scoring from the 39. Late in the second period after Lincoln had scored its lone touchdown, Bauckman took Lincoln's kick after the touchdown and raced 96 yards behind good downfield blocking for another Occoquan TD.

Melvin "Ferdinand" Rambo surprised players, coaches and spectators with his fleet-foot in the final stanza to score Occoquan's last touchdown. Rambo unexpectedly found a Lincoln pass in his hands and lumbered 30 yards to the goal line. Rambo is a 225-lb. tackle for the Indians.

Coach Whitey Plesigna's Baby Yellow Jackets of Osborn High School will put on a football demonstration between the halves at tonight's Osborn-W&L game.

The squad has been broken down into two teams which will battle for one 15-minute quarter without timeouts. Plesigna reports both squads are in tiptop shape for the impending playoff. The team will unite following tonight's clash for a return game with Culpeper to be played here Thursday afternoon, November 8.

The squads for tonight's game are:

## Sport Shorts

● Good records! . . . The two county high schools have compiled a good record on the gridiron thus far this season. Between Occoquan and Osborn, they've won eight against only four losses. On the point totals, the two county teams have scored 162 points against their opponent's total of 112. Osborn has shutout their last three foes, while Occoquan has also blanked three teams. Keep up the good work!

● Winter's here . . . Winter must be here despite the calendar with basketball coming into its own. While the high schools are still engaged with football, the Northern Virginia Basketball League is starting practice. The schedule for the league should be completed next week, and at least two teams have started practicing—the Hawks and the Legion. The Hawks got the

Legion publicity director Rev. Brown reports that the Legion Boys and Girls basketball teams will begin practice this Friday night at Osborn Gym at 8 p. m. Rev. Brown urged all interested in playing for the Legion to report for the practices. Two more will be held at the same time next Tuesday and Thursday.

jump on their arch rivals when they began Tuesday night following a Monday night meeting at the Odd-fellows Hall. The Hawks have another practice scheduled for tonight—Thursday. Meanwhile, the Legion begins workouts Friday night with two more dates arranged next week—Tuesday and Thursday nights. Persons interested in coming out for either teams are urged to attend the practices which begin at 8 p. m. The regular season is expected to start the first week in December, only a month away.

● More basketball . . . Consolidation seems to be a thing of the past—at least for this year. Both teams are moving ahead with claims of new talent. The Hawks have come up with a fine looking center who reported for practice Tuesday night. His identity is unknown except that he is stationed at Camp Upshur. Add Lloyd Swank and Stewart Vetter and you have a nice potent scoring punch. And don't forget the ailing Jim Leo who still sticks to his decision to play with the Hawks.

meeting held Wednesday evening, October 24th. At this time W. L. Brown was elected superintendent of the Sunday School to succeed Stanley A. Owens, who resigned recently.

**GRACE METHODIST CHURCH**  
Frank L. Baker, Pastor  
9:45 a.m., Sunday School.  
11:00 a.m., Morning Worship—"My Rendezvous."  
6:45 p.m., M. Y. F. with Betsy Ross, leader.  
7:30 p.m., A Study in the Book of Acts.  
Wednesday night at 8:00, Dr. John H. Pearson, district superintendent, will preside over the first

Quarterly Conference. At this time important plans will be made for the year ahead.  
**Reception Given**  
The membership of Grace Methodist Church met in the social hall of the church on Sunday night for a reception in honor of the pastor and his wife, Rev. and Mrs. F. L. Baker, upon their return to Manassas for another year. After remarks from R. C. Powell, representing the Board of Stewards, and Mrs. Dan Eutler, representing the Woman's Society, followed by remarks from Mr. and Mrs. Baker, delicious refreshments were served and a warm period of fellowship enjoyed by all.

## Portrait of a Soul

Did you think a soul was invisible? Did you even suspect that it was a theological concept that only ministers could understand?

Well, look into this boy's eyes! Do you see happiness... the certainty that life is full of beauty and truth? Do you see hope... the assurance that every tomorrow will be better than every today? Do you see courage... the fortitude that will look through defeat to victory? Do you see faith... the confidence that God hears, and knows, and cares, and helps?

You're looking into a soul! You're seeing the spark of Himself which God has put into every one of us. And you're seeing it still unblemished by the cares and disappointments of life.

You can see a soul through your own child's eyes. But unless you give that soul a chance to grow up with the body and mind that possess it... soon you'll no longer see it in your child's eyes... and perhaps, someday, you'll no longer see it in his life.

The Church, through careful religious education, develops that spiritual inner-being which we call the soul. Your child deserves the advantage of the Church's instruction. And, in church worship, you will rediscover the beauty and strength of your own soul.

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Vote for Paulson for Virginia State Senate General Election—Tuesday, Nov. 6, 1951

### OPEN LETTER TO THE VOTERS OF PRINCE WILLIAM COUNTY

THOMAS JEFFERSON ONCE SAID:

"I place economy among the first and most important virtues, and public debt as the greatest of dangers to be feared. To preserve our independence, we must not let our rulers load us with perpetual debt. We must make our election between economy and liberty, or profusion and servitude. If we run into such debts, we must be taxed in our meat and drinks, in our necessities and our comforts, in our labors, and our amusements. If we can prevent the government from wasting the labors of the people, under the pretense of caring for them, they must become happy."

As a former resident of Prince William County for over 20 years, and a real Virginia Democrat, I would like to leave this message with you:

I feel very strongly that the Truman Administration has left the Democrat Party. I am sick of chasing the "jackass." It has run away from me and all good Democrats who believed in Jefferson and Jackson.

It is my opinion that Truman has started his campaign for renomination and re-election. If he is successful, it would be a tragedy for the nation. By the same token, those who would support him should not be elected to office in this state.

Nat Paulson, whom I have come to know quite well since I have resided in Alexandria, is very able, competent and conservative. He believes that our state government should be run on a sound basis.

He has been very active in community affairs, and at the present time is President of the Council of PTAs in Alexandria. He has been very much responsible for the fine condition that our schools have been prepared for. He ran a good part of the Salvation Army Drive in 1949. He can help Prince William in its basic problems.

I feel that we should send a conservative to Richmond. Let us forget our blind adherence to a party label and get the finest representation in Richmond for the county and state.

I might add that he does not favor the inclusion of Prince William County in the proposed new Congressional District.

Sincerely yours,

**Claude R. Yates**

## 4-H NEWS AND VIEWS

By Mrs. Bettie A. Dotterer

Do all you 4-H'ers have your ribbons from the Prince William Fair? You want to keep these along with your personal records and accomplishments. Many of the girls have made scrap books and I am sure they will want to add their ribbons to it. There are always a few that seem to get away from the garment or article to which they belong. If any of you have lost your ribbons or didn't get them please let us know. Send us your name, address, article entered, and prize won, we will try to replace them for you.

**4-H Scheduled Meetings**  
November 3rd — Catharpin 4-H Club will meet at 10:00 in the home of Roberta Cosello. Project — Room Improvement. Manassas Jr. 4-H Club meeting has been postponed until next week.

November 9th — Catharpin Home Demonstration Club will meet at 10:00 in the home of Mrs. Bertha Stamm. This will be an all day meeting. Project — Fabric Painting.

**Outdoor Cookery**  
At this time of the year there are many of us who indulge in outdoor meals, cooked over open fires. Any properly built outdoor fireplace has the open side facing the direction of the prevailing winds. Lacking a fireplace, scrape away litter from a circle about 10 feet in diameter. Dig a hole a few inches deep and a foot or so wide for the fire. See which way the wind is blowing and shovel earth from the side exposed to the wind. This gives the right draft to keep the fire burning and smoke out of the cook's eyes.

Have the fire small. It is the coals and not the flames that give good cooking heat. Most grates are set too high over fires so that good heat is wasted. For broiling or

The long front porch is a pleasant place to spend summer afternoons and evenings.

You can obtain blueprints for this JOURNAL FARM & RANCH SOUTHERN AGRICULTURIST Plan No. 4897 and a handy list of materials by which you can figure your construction cost accurately. Send \$1 to Building Editor, FARM & RANCH.

## Every Room Is A Corner Room

Here is a low-cost house of simple construction designed for comfortable living. It is an attractive house, compactly arranged, with pleasing horizontal lines.

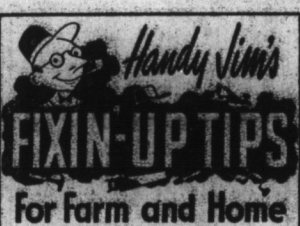

A large amount of usable wall space in the bedrooms permit desirable furniture arrangement. The two large closets in each bedroom provide storage for clothes, blankets, etc. A linen closet is in the hall, the lower section of which can be used as a dirty clothes hamper.

The kitchen is arranged so that it will be unusually cool. The window by the table makes a cheerful spot for eating, and the windows by the sink and stove provide an abundance of light where it is always needed. The large pantry, a small ventilated pantry, a linen closet and a water heater provide an abundance of storage space.

If more work space is needed or a screened porch wanted at some later date, the back door is placed so that this can be easily arranged by using shed roof construction. This will provide a large amount of space very economically and in no way detract from the appearance of the house or necessitate any alteration in the kitchen.

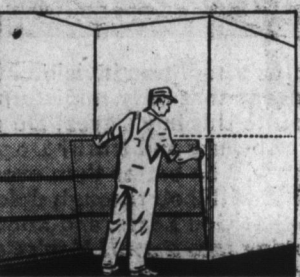

A centrally located chimney will serve a living room heater and also the stove in the kitchen if a wood or coal kitchen range is used. If you want a fireplace for living room heat, it would be convenient to use the space now shown as a ventilated pantry and that shown as a chimney for storage.

**Pre-Finished Wall Panels**  
HOME building and remodeling have been greatly simplified by the application of pre-finished wall panels. Made primarily of Masonite tempered hardboard, the panels have various finishes giving a wide range of surface treatments including many wood grain patterns and various scoring patterns. Beautiful pastel colors as well as striking deep tone colors are available. Combinations incorporated in the scored panels form a variety of color schemes to fit into any decor. Grained panels have

been used effectively in every room of the home. The pre-finished panels may be used as wainscots and from floor to ceiling.

The colored panels, both plain and scored, are most popular in kitchen, bathroom, laundry and utility rooms, where their durable, lustrous surface will withstand hard abuse and repeated washings.

Pre-finished panels are one-eighth of an inch thick and are generally available in lengths of 4, 5, 6, 8 and 12 feet, and in a standard width of 4 feet. They are widely used not only in homes but in stores and institutions because of their beautiful appearance, their resistance to abrasions and dents, their reasonable cost and simple installation.

Directions for installing pre-finished wall panels come with the bundles of material supplied by the score of manufacturers that use Masonite tempered hardboard as a base. Panels may be applied over a solid backing of smooth plaster, hardboard, wallboard, plasterboard, insulation board, wood sheathing or plywood.

## News From Nokesville

MRS. FRED SHEPHERD, Correspondent

### 165 AT SCHOOL MEETING

One hundred sixty-five members have been secured by the membership committee and the school children, it was announced by the chairman of the membership committee, Mrs. Howard Marshall at the regular meeting of the P.-T. A. last Thursday night. Following the invocation by Rev. D. D. Fleishman, the president, Mr. R. T. Gay brought to the association attention the main purposes of the organization: (1) It's for mothers as well as fathers of the school children. (2) It is not a board of education but a sounding board for problems with recommendations to be made to the proper places. (3) Not a money raising organization. (4) It is a non-partisan organization.

The treasurer reported \$415.76 in the treasury with \$292.55 of that amount in the piano fund. Margaret Link was awarded the prize for securing the most memberships, and a prize was also awarded to Marilyn Wilkinson for securing the second largest amount. Mrs. Morris' second grade has the highest percentage of parents belonging to the organization. Mrs. Morris' room also won the banner for having the most parents present for the meeting.

Much interest was shown in the reports given by Mrs. Kempton and Nicholas Webster. They contained the recently secured tabulation of letters received from each of the states showing that 41 of our states offer free text books (at least through the eighth grade) with the other seven states having a mixed system (including Virginia). The question was put to the parents present as to whether they were interested in seeing that all the findings of the committee be carried to other P.-T. A.'s of the county. The vote was unanimous in favor of sharing the committee's findings, since the whole county must be in sympathy with the project in order to secure the free textbooks.

Philip Reading, George Sonafank and D. C. Link were appointed to draw up a new Constitution. The meeting date for November meeting was changed to the fifth Thursday night. Mr. Gay gave some interesting notes on the Citizen Committee to which he was appointed. Dr. Grover Brown shared with those present some interesting films on Soil Conservation, which Nicholas Webster helped to film.

Have you bought your ticket for the Turkey supper to be held at the Nokesville Church of the Brethren on Friday evening, November 9? David Kerlin is in charge of the tickets but most of the families of the church now have them for sale.

The Men's Work of the Methodist church and their families had a covered dish supper at the Gym on Tuesday night.

Have you seen the very nice bulletin board which was installed at the Nokesville Church of the Brethren last Thursday. This has been needed ever since the church was built so the folks are very proud of it.

The Band Boosters Club netted about \$110.00 at the Halloween Carnival on Friday night. But, to us, the most important part of the evening was the first appearance this year of the Nokesville Band. The Band, under the direction of Ernest Bowman, is growing rapidly, and is showing marked improvement in its ability.

Mrs. J. F. Hale brought home the prize money received by the Sr. Women's H. D. club at the Fair last Fall when she attended the Achievement Day activities at the Sudley Methodist Church Tuesday afternoon.

### Halloween Costumes

The folks at the Aden E. U. B. church can be congratulated for the very nice Halloween party they planned on Monday night. The basement was "dressed up" in all of the traditional apparel and we believe everyone present had a very enjoyable time. Prizes were awarded as follows: best dressed couple, Fred and Grace Shepherd; most comical couple, Mrs. Everett Marshall and Louise Lenox; funniest individual, Virginia Wood; best Halloween costume, Anna Jones; biggest shoe, Nina Barhart; best dressed boy in Halloween costume, Tommy Randolph; best girl's costume, Marilyn Wilkerson; funniest girl, Roy Wood; funniest boy, Jimmy Croushorn. Those who planned the affair are so thankful for the fine cooperation of all who came to help out, especially for the nice music by the Nokesville Band and for all the "out-of-town" folks present.

George Croushorn spent the weekend with homefolks away from his studies at the University of Maryland. George signed up with the Air Corps R. O. T. C. at the beginning of this school year. He had the very interesting experience a week ago of appearing on Color Television as he marched in the parade before the Maryland-North Carolina football game.

Mrs. J. I. Payne had with her over the weekend, Mrs. Walter Ahlberg. Other callers on Sunday in the Harry Miller home were Mr. and Mrs. Robert Brown and Leon Ahlberg, Mrs. M. E. Wheeler and Connie, Mr. and Mrs. Archie Connor, and daughters, Sandra and Sharon, J. I. Payne, Mr. and Mrs. Warren Hale, Jeanne and Bobby and Howard Payne.

The Fred and Ted Shepherd families enjoyed just a "day of driving" Sunday as they traveled over nearly 400 miles of Virginia's roads enjoying the wonderful scenery and

history of the Southern part of the state, via Yorktown, and Richmond.

Mrs. Alice Metzger of Washington spent Saturday with the George Cowne family.

J. C. Snider of Arlington visited Nokesville folks on Tuesday.

We were so sad to hear of the illness of Mr. Carl Miller, who since last Wednesday has been very ill at his home.

Mrs. R. Thomas Gay, has been ill since last Thursday night. She has been in the hospital for several days but hopes to return home without having an anticipated appendectomy.

Mrs. Max Randolph and the little kiddies, Tommy, Jane, Linda, Dean and Dun, have had their Daddy with them for several days away from his duties in the Navy.

### Man Consumes Barrel OF BAKING SODA

One man told us he took baking soda for years. Claims he has used over a barrel of it for stomach gas, but got only temporary relief. Recently he quit the soda habit and took CERTA-VIN. This new medicine is bringing REAL, lasting relief to many Manassas gas victims because it is taken BEFORE (not after) meals and thus works with your food. It helps digest your meals faster, so your food doesn't lay there and ferment. Besides relieving gas, CERTA-VIN also contains Herbs with Vitamin B-1 and Iron to enrich your blood and make your nerves stronger. Weak, miserable people soon feel different all over. So don't go on suffering. Get CERTA-VIN—Cocke's Pharmacy.

at Cleveland, Ohio. He left on Tuesday but thinks he will be able to be home for Christmas.

Lt. Harry Bear left Norfolk last week with the 43rd Division for Germany where he will be stationed. Mrs. Elizabeth Bear will soon leave for a visit with her parents, the Dr. Lines of Birmingham, England, and later hopes to join her husband.

Mrs. L. J. Bowman entertained the W. C. T. U. at her home last Wednesday. Mrs. Saunders from Manassas had charge of the devotional period while the president, Mrs. Walter Sadd, conducted the business meeting, including a report from the State Convention which she attended recently. After

the meeting the ladies assembled in the dining room for lovely refreshments.

Mr. and Mrs. Orville Montgomery and Linda Williams visited the Harry Millers, Saturday.

### Bulge on Apple Pack Troubles Grocers

Too many bruises from too many pack bulges are still plaguing Virginia grocers in trying to market Virginia apples, a check of retailers has shown. Bulging tops on both baskets and boxes are causing excessive damage on fresh crops going to market, according to M. D. Newman, State Department of Agriculture market-

ing agent. A survey of grocers months ago showed that the over-packed baskets and boxes made for deterioration of last year's crop after it had been in storage while, Newman said. In the survey, grocers said in which apples were shown less damage. When eliminates the need for so much pack bulge because the paper in the apple from shifting, Newman said. Buyer preference is still toward boxed apples anyway, demand for Northwestern boxes still increasing, and Virginia grocers packing in boxes are having better season than they had expected.

Subject to

GENERAL ELECTION  
TUESDAY, NOVEMBER 6, 1951

Your Vote Will Be Appreciated

## 90% For! 10% Against

Railroad workers are represented by 23 standard unions. By mutual agreement, 20 of these unions—comprising about 1,200,000 men, or more than 90%—are working under wages and rules agreed to by them and the railroads. But leaders of three unions—with only about 130,000 men, or less than 10%—still refuse, after more than a year of negotiations, to accept similar wage and rules agreements. These are even more favorable than the terms recommended by the Emergency Board appointed by the President.

Yes, it certainly seems to be finally about time that the leaders of the three unions stop their delaying tactics—their quibbling. But the leaders of the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Order of Railway Conductors continue to refuse. They continue a course of dillying and dallying. It is definitely time to

# END THIS QUIBBLING!

On June 15, 1950, an Emergency Board appointed by the President under the terms of the Railway Labor Act—an Act largely fathered by the unions themselves—made its recommendations on certain wage and working conditions ("rules" in railroad language) which had been in dispute between employees and the railroads.

**More Than 90% of Employees Accept**  
Since then, terms equal to or better than the Board recommendations have been accepted by about 1,200,000 railroad employees—more than 90% of the total of all workers. They are represented by 20 of the 23 standard railroad unions.

**Less Than 10% Refuse**  
But three unions—with about 130,000 men, or less than 10% of the total—have refused to accept, even after months of negotiations. These three unions are the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Order of Railway Conductors. These are three of the so-called "operating" unions. Already the highest paid men in the industry, their leaders demand still further advantages over other workers.

In all, there are about 270,000 operating employees. But not all of them, by any means, are represented by BLE, BLF&E, or ORC. As a matter of fact, less than half—132,000 to be exact—are in these three unions. More than half—about 140,000—are in other unions, principally the Brotherhood of Railroad Trainmen. What makes the whole situation so hard to understand is that these 140,000 operating employees are working under wages and rules which the leaders of the other 130,000 say they cannot agree to.

**What Do the Railroads Offer?**  
They offer these three unions the same settlement which was contained in a Memorandum of Agreement signed at the White House on December 21, 1950, by four brotherhoods and the railroads. Later these brotherhoods sought to repudiate this agreement. But on May 25, 1951, the Brotherhood of Railroad Trainmen signed a complete agreement carrying out the

principles of the Memorandum Agreement of December 21. They have been working under this agreement since May 25.

**What About Wages?**  
Under the terms of the agreement, yard engineers, firemen and conductors would now be receiving a wage increase of \$3.4 an hour (\$2.72 a day) and road engineers, firemen and conductors would now be receiving an increase of 19½ cents an hour (\$1.56 per day). Large sums of retroactive pay have already accrued and if the agreement is carried out, will be paid promptly.

**What About "Cost of Living" Increases?**  
The White House Agreement includes an "escalator" clause under which wages will be geared to changes in the Government's cost-of-living index. Two such increases—April and July, 1951—have already been paid to the 90% of railroad employees covered by signed agreements.

**What About the 40-Hour Week?**  
The White House Agreement calls for the establishment of the 40-hour week in principle, for employees in yard service. The employees can have it any time after January 1, 1952, provided the manpower situation is such that the railroads can get enough men to perform the work with reasonable regularity at straight time rates. If the parties do not agree on the question of availability of manpower, the White House Agreement provides arbitration by a referee appointed by the President.

**What Else Do the Union Leaders Demand?**  
The continued quibbling of the leaders of the three unions has to do principally with

rules changes, which have already been agreed to by the Brotherhood of Railroad Trainmen. Of these, the principal one seems to be that having to do with so-called "interdivisional service"—runs which take in two or more seniority districts.

The union leaders would bar progress and efficiency in the industry, and better service to the public, by maintaining a situation where they can arbitrarily stop a railroad from establishing such interdivisional runs. The carriers propose that if a railroad wishes to set up an interdivisional run, the railroad and the unions should try to agree on such run and the conditions which should surround its establishment, and if the railroad and the unions can't agree, the matter will be submitted to arbitration.

But the three union leaders still refuse. **Rules Can Be Arbitrated**  
The railroads have not only offered these three unions the same rules agreed to by the BRT and covered by the White House Agreement, but have even agreed to submit such rules to arbitration.

**The Industry Pattern Is Fixed**  
With the pattern so firmly established in the railroad industry, it seems fair to suggest that the leaders of BLE, BLF&E, and ORC stop their quibbling and take action to make the railroad labor picture 100% complete. Certainly today's economic and international situation calls for a united front. And certainly no good reason has been advanced why these three unions should be preferred over all other railroad employees.

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.
