

VOTES \$20 FOR CLEAN UP

Manassas Civic League Also Elects Officers for Ensuing Year—Committees.

Outside of settling upon a constitution and by-laws and the election of officers for the ensuing year, the most important business transacted by the Manassas Civic League at its meeting of Monday evening was the passing of a resolution calling upon the Mayor of Manassas for a proclamation setting aside the first week in May as "Clean Up and Paint Up Week." Other matters, such as grading and seeding around the commemorative group in the courthouse yard, protesting against the indiscriminate posting of signs, etc., and the proposition of installing public fountains for the horse racks, were referred to the Committee on Municipal Improvement for report.

The meeting, upon which twenty-one citizens were in attendance, was called to order by the former president and the matter of simplifying the previously drawn-up constitution was presented. The articles were read one by one and such changes as were thought best were made. The most radical changes were the cutting down of the number of officers to four and the elimination of the idea of dividing the town into districts, each of which was to have been presided over by a chairman. It was argued that the theory of this district idea was good but it was hard to put it into operation.

The election of officers took up a great deal of time. It was impossible for a long while to find any one who would consent to act as president. Finally G. Raymond Ratcliffe offered his services as president, provided he would have no work to do. He said the committees would have to do the work if he was to serve. Mr. Ratcliffe was duly elected and after a long time the league succeeded in getting Mrs. J. L. Harrell to serve as vice-president, Rev. Aford Kelley as secretary, and Mrs. Geo. C. Round as treasurer. Committee appointments were as follows:

Municipal Improvement—Mrs. J. L. Harrell, Mrs. H. U. Roop and Mrs. G. R. Ratcliffe.
Ways and Means—Mrs. R. S. Hynson, Mrs. H. L. Willis and Miss Isabel Kelley.
Sanitation—Mrs. A. E. Spies, Mrs. H. D. Wenrich and Clarence W. Wagener.

Finance—All officers of the league.
Upon motion, it was ordered that the league appropriate \$20 or so much thereof as may be needed for the purpose of hauling out trash during the latter part of the "Clean Up and Paint Up Week" and that the Mayor be called upon for a proclamation setting aside the week of May 1-6, inclusive, as the time for the clean up and paint up campaign. The matter was turned over to the Committee on Municipal Improvement and Sanitation, which will hold a meeting at the home of Mrs. A. E. Spies Monday evening at 8 o'clock.

Dr. H. U. Roop moved that a committee be appointed to petition the town council in regard to the indiscriminate posting of signs, notices, etc., over town. President Ratcliffe appointed Mrs. Round, Dr. H. U. Roop and Miss Rixey as members of this committee.

Mrs. Geo. C. Round read a communication from Geo. C. Round in which the league was asked to appropriate sufficient money to grade and seed the soil around the commemorative group in the courthouse yard. This matter was referred to the Committee on Municipal Improvement, as was the matter of installing public fountains at the horse racks.

The next meeting of the league will be on Monday evening, May 1, at 8 o'clock, at the town hall. Every member present at the meeting of Monday evening was urged by the president to bring at least one member to the next meeting. Since the league is working with the interests of the town at heart it should be supported more enthusiastically by the townspeople in general.

J. W. BELL PASSES AWAY

Confederate Veteran of Haymarket Neighborhood Dies Tuesday Night.

Mr. James W. Bell, a prominent citizen of the Haymarket neighborhood and a member of Ewell Camp, Confederate Veterans, died at his home Tuesday night in his 73rd year. Mr. Bell had been in poor health for the past few years. His death was due to a stroke of paralysis. Funeral services were held yesterday afternoon, the Rev. C. R. Milligan, of the Methodist Sudley Church, officiating. Ewell Camp attended in a body.

The deceased served with Mosby during the Civil War. In November, 1866, he was married to Miss Susannah Smith and to this union 11 children were born, nine of whom survive. Besides his widow Mr. Bell leaves two sons, W. M. Bell, of Oklahoma, and Howard S. Bell, of this county, and seven daughters, Mrs. W. M. Jordan, Mrs. Katie Printz, Mrs. W. J. Weber, Mrs. F. H. Pickett, and Miss Virginia Bell, all of this county; Mrs. J. W. Garrett and Mrs. Stuart G. Thornton.

BETHLEHEM CLUB MEETS

Mrs. Westwood Hutchison Hostess to Good Housekeepers Last Saturday.

(Chloe E. Lay Hodge, Secretary Bethlehem Good Housekeepers' Club)

On Saturday afternoon of last week, the Bethlehem Good Housekeepers' Club held its regular meeting. The club was entertained by Mrs. Westwood Hutchison and it proved one of the most delightful gatherings we have ever enjoyed. There was much important business following the regular order of the opening exercises.

The success of the committee in securing a suitable place for the rest room elicited much interest and the club is rightly pleased that the scheme, which has been much talked of, has at last materialized. Other matters were discussed satisfactorily.

It would be a pleasure to describe in detail the beautiful picture that met one's eyes as we entered the dining room. The table was spread very artistically with many suggestions of spring. Butterflies were poised here and there and the beautiful basket in the center was bright with flowers in the club colors, gold and white.

The hour around the hospitable board was more than usually merry, especially in the exchange of receipts tamping to the appetite in the spring. These were written on the leaves of the pretty souvenirs on which was perched a tiny chicken.

After singing a verse of our song, "Auld Lang Syne," and a hearty vote of thanks to Mrs. Hutchison and her daughters, we reluctantly bade our adieus, returning to our various homes refreshed, physically and mentally, and, may one say, spiritually.

I urge all citizens of Manassas to do what they can to make the town more sanitary and beautiful by entering heartily into the clean up and paint up campaign set for the first week of May.

COUNTY DAY NEXT FRIDAY GREENWICH WINS DEBATE

Exhibits at Eastern Auditorium—Prizes for Biggest Loads—Track Meet.

School children and members of the school exhibit committee are busily employed in preparing for the annual county fair which is to be held in Eastern College auditorium on Friday, the 28th, one week from today. Please notice the change of exhibit hall. It was intended that Conner's Opera Hall would be the place but a conflict in dates necessitates the using of Eastern.

The judges will view the display and make awards on Thursday, and on Friday the exhibits will be open to the public. All children will be admitted free. Adult visitors are to be asked ten cent admission, the proceeds to be used in defraying the expenses of the fair.

PRIZES FOR BIG LOADS

Repeating an interesting feature of last year's fair, the committee, through private contributions of the business men of Manassas, has announced that prizes of \$5 and \$7 will be offered to the schools sending the largest loads of visitors to the fair. The schools eligible for the \$5 competition are Groveton, Cannon Branch, Buckhall, Bradley, Bethlehem, Pinay Branch, Woodlawn, Bristow, Nokesville, Brentsville, A den, Gold Ridge, Purcell, and Woodbine. All other schools in the county are eligible for the larger award.

COUNTY SCHOOL PARADE

The grand parade of school children will be a striking spectacle of the day. The line of march is to form at the high school, proceeding through the town to its termination on Eastern campus. Brief public exercises are scheduled here. No announcement has been made of the program, but it is expected that it is to include several brief addresses and the award of the Carlin penmanship prize. The committee is in communication with Representative Carlin, trying to arrange for his presence here at the time of the award. Veiled remarks also have been heard, suggesting that the county school children are planning to inject a surprise number into the program.

TRACK MEET IN AFTERNOON

After luncheon at the Manassas High School, which will be served for a nominal charge by members of the domestic science class, the big event of the afternoon will be staged. For weeks the boys in the various schools of the county have been looking forward to the county track meet, which starts on Round athletic field at 1:15 o'clock. Contestants from nearly every public school in the county, with the exception of Manassas High School, are expected to be entered. All entries close tomorrow (Saturday), by which time they must be in the

Catharpin League Defeated at Catharpin Last Friday—Meetze Speaks.

On Friday evening of last week eighteen members of the Greenwich Civic and Improvement League took a most enjoyable straw ride to Catharpin, where Messrs. E. D. Merrill and G. H. Washington, of the Greenwich League, met Mrs. Jed Pattie and Mr. F. H. Sanders, of the Catharpin League, in a debate, the subject being "Resolved, That the farmers should buy and sell cooperatively rather than through the middle man." The night being very blustery, only a small crowd was in attendance.

Mr. Washington opened the debate, but from some cause he failed to put his usual amount of ginger into his argument. He kept hammering away, however, until the president touched the bell and told him his time was up. Mrs. Pattie was next on the floor and her argument showed that she had given the subject some little careful study and at the conclusion of her argument it looked as though Greenwich would be the losers.

Mr. Merrill, who was next on the floor, opened with a machine gun fire of arguments which did their murderous work and gained the victory for Greenwich. Mr. Sanders then came to the front, but the audience failed to grasp his points although he is a middle man and was on the negative side.

The judges were Miss Cora E. Mooney, of Greenwich, Mr. Robinson, of Catharpin, and Mr. Conner, of Manassas. In the rebuttal, Mr. Washington put the ginger in and did his murderous work to the arguments of Mrs. Pattie. The decision made by the judges was in favor of Greenwich.

We also had the pleasure of seeing our old friend, Hon. C. J. Meetze, who made a very interesting talk on league work, what the different leagues have done and what they can do. After the meeting was adjourned refreshments were sold, which were very much enjoyed by all.

Those who participated in the straw ride were Misses Virginia Lee, Cora Mooney, Mae House, Grace Holtzclow, Mamie and Fannie Nalls, Anna and Evelyn Mayhugh and Annie Taylor, and Messrs. E. D. Merrill, G. H. Washington, B. O. Wood, B. M. Leach, J. N. House, E. W. Reid, J. F. Conner, Bur Ross and C. E. Bailey. Supper was prepared by the girls and taken on the wagon and was enjoyed by all when they arrived at Catharpin. Hurray for Greenwich.

ONE WHO WAS PRESENT.

Hands of Wheatley M. Johnson, Manassas, Va. The meet this year, from present indications, promises to be very interesting and the number of entries handed in to date is encouraging.

W. W. GARRISON TRIED

Found Guilty of Felony in Connection With Clerk's Office Irregularities.

The jury in the case of Commonwealth vs. W. W. Garrison, who was tried on an indictment for a felony in connection with the recent irregularities of the county clerk's office, found the defendant guilty and brought in a verdict of one year in the penitentiary.

Garrison, through his attorneys, Judge C. E. Nicol and Bryan Gordon, was granted 60 days in which to file a bill of exceptions after the court refused to grant another trial. The motion for a new trial was objected to by C. A. Sinclair, acting commonwealth's attorney, and Capt. T. E. Grimsley, of Culpeper, who assisted in the prosecution. Judge Holt, of Staunton, who presided, sustained the objection of the prosecution.

Garrison was admitted to bail in the sum of \$1,000 for his appearance in court on the first day of the June term to answer thirteen other indictments for a felony.

MISS E. M. B. EWELL DEAD

Daughter of Late Dr. Jesse Ewell Died Last Friday—Well Known in County.

Miss Eleanor Mildred Beale Ewell, daughter of the late Dr. Jesse Ewell, of "Dumbline," near Hickory Grove, this county, passed away at her home in the early morning of Friday, April 14th. She was buried on Saturday afternoon at "Edge Hill," the residence of her brother, Mr. John S. Ewell.

Miss Ewell was a person of unusual elevation of character, being indeed to all who knew her the embodiment of those Christian graces, faith, hope and charity. Her disposition was singularly unassuming and free from undue pride. She had grown up under the ante-bellum regime and after more than fifty years of trying change still continued to exemplify it.

Her "War-Time Memories," printed last summer in THE MANASSAS JOURNAL, are doubtless remembered by its readers. They were a source of much interest to her. She seemed to recall with a clearness, remarkable at her age, the people and scenes described, and it was fortunate that the writing was not delayed.

She was a charter member of the Eighth Virginia Regiment Chapter, United Daughters of the Confederacy, and of the American Clan Gregor Society, founded largely through her efforts and influence. She was also a devoted member of the Episcopal church.

Death came to Miss Ewell gently after a short illness. Her passing was very peaceful and such as became the close of a remarkably blameless life. "May she rest in peace!"

GOOD SINGER COMING

Harry T. Burleigh Will Assist "The Hiawatha Chorus" Here Next Week.

A musical festival will be given under the auspices of the Manassas Industrial School in Conner's Opera House next Wednesday and Thursday evenings—Wednesday for the white people and Thursday for the colored. Reserved seats for Wednesday evening are now on sale at the Prince William Pharmacy while reserved seats for Thursday can be had at the hall at 6 p. m., Thursday.

"The Hiawatha Chorus," which was ably rendered by the school last spring, will be given again. Assisting the chorus each evening will be Harry T. Burleigh, famous baritone singer of New York city, who was heard here last year with pleasure.

APPROVE OF BOND ISSUE

Voters at Mass. Meeting Do Not Want Taxes Raised—Statement of Debt.

The small but representative group of qualified voters of Manassas in attendance upon the mass meeting held in the town hall last Friday evening were unanimously in favor of voting a bond issue covering the present outstanding indebtedness of the town not included in the original \$75,000 bond issue. While the question of raising the taxes to pay off this extra indebtedness was brought up, the arguments made on every hand were strongly in favor of a bond issue.

Councilman Albert Speiden, chairman of the Finance Committee, had the meeting in charge. He opened with a statement of the town's indebtedness and gave the opinion of the Finance Committee as to how this extra indebtedness should be paid off. He made it very clear that it was not a question of discussion but that the outstanding debts must be met by the latter part of May or else the matter will be thrown into court. Therefore, it was a matter of either a bond issue or a raise in the corporation taxes.

A number of the voters then made suggestions, asked questions and otherwise showed a keen interest in the proposition. A request was made that a statement be given the people of Manassas, particularly the qualified voters, of the items for which the town owes money and that the voters be asked to support the bond issue which is coming. The following statement has been handed out by the Finance Committee:

"Five thousand dollars of the \$8,000 of the taxes due March 1, 1916, (speaking in round figures) has been collected and used in paying for electrical equipment, such as wire, power transformers, etc., extensions to the electrical line, an \$800 payment to Sterrett & Fleming, a \$450 payment on the spur track at the power house, the Grant avenue sidewalk and other sundry bills, leaving about \$3,000 in taxes and \$1,200 in licenses not yet collected, which will be needed for the payment of the semi-annual interest of \$2,250 due Nov. 1, 1916, on the bond issue, the retirement of a bond of \$1,000 due Nov. 1, 1916, and the running expenses of the town for the ensuing year.

"The following statement shows the actual indebtedness of the town:

Dobbs & Myers	\$2,000.00
Applegate & Co.	500.00
Debt of Manassas	1,200.00
Debt of Manassas	1,200.00
Five Year Note	100.00
Spur Track	100.00
Interest on Bonds Due Sept. 1, 1914	2,250.00
Water and Electric Meters and Installations (carried through People's National Bank)	4,000.00
Accrued Interest	4,000.00
Total Amount of Unbonded Indebtedness	\$12,150.00

"The Finance Committee deems it the part of wisdom and better business to issue bonds for the above amount, made payable \$1,000 annually until all are paid. The interest on the proposed bonds will be no more than that on the amount as they now stand. It will be easily possible to pay interest on the total bond issue and take up one bond of each issue (\$2,000) each year without an increase in taxes.

"The Finance Committee also feels that it is better business to pay all the outstanding warrants and notes in this way, thereby reestablishing and insuring the credit of Manassas, which by this method will cost the taxpayers no more than they are paying at the present time."

The treasurer's bi-monthly report from February 1st to April 1, 1916, was filed according to law.

It was ordered that the appropriation of \$250 for the girls' demonstration work, made at the January meeting and omitted from the minutes of the same, be entered.

The petition of Mrs. Emma L. Fisher and others to open a road from Manley schoolhouse to Groveton, in Manassas district, was ordered laid on the table for further consideration.

Fred Morton and others petitioned to open a road in Manassas district, the same to pass over the lands of W. W. Kincheloe's heirs and others. The board appointed Lee Johnson, assistant superintendent of roads, to investigate and make report on same at the next meeting of the board.

On motion of J. J. Conner, it was resolved that W. J. Ashby's request for increase in pay as salar and janitor be deferred for consideration at the next meeting and that Commonwealth's Attorney Lion report in writing at the next meeting whether such increase can lawfully be made.

The request of Geo. C. Round for grading, etc., completed the Peace Jubilee Monument in the courthouse yard, was granted.

Miss Spies, Mrs. Covington and Mrs. Meetez presented a request that \$50 be appropriated to assist in the maintenance of the recently established rest room in Manassas.

On motion, the request was laid on the table for consideration at the next October meeting.

Fifty dollars was offered as a reward for the arrest and delivery to the proper party of Aubrey Keys, who escaped from county jail Thursday, April 1916.

Henry Mertz was allowed \$5.00 for the arresting and delivering of an officer at Manassas of Aubrey Keys.

A reward of \$100 was offered for the apprehension and delivery into the hands of the sheriff of Prince William of R. E. Herrell. The Governor was asked to supplement this amount by a like sum.

The chairman of the board was directed to confer with counsel with the view of recovering the amount of money the county lost by reason of the improper acts of

R. E. Herrell, late deputy clerk, and others, and to make report at the next meeting of the board.

It was ordered that all bills against the board must be presented for payment before 12 o'clock on meeting days.

Ordered that J. J. Conner and the clerk of the board ascertain the approximate cost of putting all necessary electric lights and toilet and bath arrangements into the courthouse and jail and report the same to the next meeting of the board.

MANASSAS, VA., April 4, 1916. To the Honorable Board of Supervisors of Prince William County:

Your committee, appointed at your last regular meeting to examine into the validity of certain warrants, viz: warrants Nos. 691 to 821, inclusive, payment upon which had been refused by the county treasurer, for the reason, as alleged by said county treasurer, that said warrants were illegally issued, beg leave to report as follows:

We recommend that warrants Nos. 718, 795, 803 and 812 should not be paid except upon evidence showing that the payees have not already received the amounts represented by said warrants.

We find stubs on the warrant book, representing warrants Nos. 722, 723, 778, 782, 783, 784, 785, 787, 788, 805 and 816 have been cancelled, from which fact we judge that these warrants have been destroyed, but, if outstanding, should not be paid without further investigation.

All the warrants in this series, viz: from 691 to 821, inclusive, seem to have been supported by proper bills and in our opinion the money they represent is due the payees.

Though not directed to do so, we take the liberty of suggesting to your board that there are certain other warrants now in the possession of the clerk of the court which are not included in the above series, which seem to us to be properly signed and yet in our judgment should not be paid, or rather should not be delivered to the payees, but should be destroyed or reissued if necessary.

Respectfully submitted,
J. L. DAWSON,
J. P. LEACHMAN,
Committee.

WHEREAS, Certain county warrants have heretofore been issued by the former chairman of the board of supervisors and late clerk of said board, which said warrants are included within the numbers of 691 to 821, both included, and bear dates of various dates, but as a matter of fact were issued on the 2nd day of January, 1916, and some question has arisen as to the legality of the issuance of said warrants, and

WHEREAS, The treasurer has heretofore paid certain of said warrants, issued as aforesaid, before any question was raised as to the legality of said warrants, and

Resolved, That all of the outstanding and unpaid warrants above referred to, between 691 and 821, both included, be and the same are hereby declared null and void and the clerk of the board is directed authorized and empowered to take up any and all of said outstanding warrants and present the same to this board for destruction, and the treasurer of Prince William county is directed to pay none of said warrants outstanding and unpaid between said numbers 691 and 821, both included.

WHEREAS, The remaining outstanding and unpaid warrants drawn on aforesaid, save and except warrants numbered 718, 795, 803, 812, 782, 783, 785, 787, 788, 805 and 816, represent just and legal claims against the county or the respective district fund on which the same are drawn, and have heretofore been duly audited and ordered to be paid by said board in session assembled, therefore, be it further

Resolved, That the clerk of this board and its chairman be and they are hereby directed, authorized and empowered to draw new warrants, to be dated on or after this date, to-wit: April 13, 1916, payable to the respective parties to whom said remaining outstanding and unpaid warrants were originally drawn, which said warrants shall be drawn on the fund or funds which they were first chargeable against.

Warrants numbered 762, 771 and 804, the latter in blank, not being presented to the board, the chairman of this board is directed to destroy same, which is accordingly done.

WHEREAS, Warrants numbered, dated and drawn upon certain funds, to-wit:

COME TO MANASSAS NEXT FRIDAY

County Day, April 28th, is now just one week
off. Taken all in all, this day should be recog-
nized as the biggest of the entire year for the
county of Prince William as a whole. While the
day is given over to school interests the program
is so varied and well gotten up that every citizen
of the county can find enjoyment and profit in
spending next Friday in Manassas. The inspir-
ing spectacle of the county school children in
parade, followed by the inspection of exhibits in
the school fair from practically every schoolroom
in the county and the witnessing of an interest-
ing track meet of the county schoolboys in the
afternoon should draw every broad-minded citi-
zen of Prince William here on County Day. The
excellent program promised has been made poss-
ible only by the great amount of work done on
every feature. Show your appreciation while
insuring a full day's enjoyment by bringing your-
self and family to Manassas next Friday, County
Day.

EVERY CITIZEN MUST COOPERATE

The people of Manassas are again asked to add
to the town's healthfulness and appearance by
cleaning up and painting up. While Manassas is
cleaner and more attractive than many other
towns of its size in the state, there always re-
mains a lot to be done in the way of cleaning up
and making the premises more sanitary and at-
tractive at this time of the year. During the
late fall and winter months trash accumulated
and buildings, fences, etc., lost their look of fresh-
ness. At what time of the year is a general
clean up more fitting and beneficial than early
spring?

The Manassas Civic League at its meeting of
Monday evening asked the Mayor to set aside
the first week in May as the time for a clean up
and paint up campaign. Mayor Wagener has,
therefore, proclaimed that May 1-6, inclusive, be
known as "Clean Up and Paint Up Week" and
asks that the citizens of the town cooperate with
the league in its endeavors to make the town
more sanitary and attractive. The notable suc-
cess of last year's clean up can be in a large
measure duplicated this year if the citizens of
every section of the town will have all their un-
burnable trash ready for hauling out when the
team calls during the last three days of the week.
A clean up to be of much real value must be
thorough, so it is suggested that every citizen
work hard in improving the cleanliness and ap-
pearance of his premises.

While the Manassas Civic League is working
for a cleaner and more attractive Manassas it is
hoped that the broom will be applied to our
streets in the business section. It has been some
time since they were swept and a "brushing up"
is badly needed. We venture to recommend that
the sweeping proceed just as the trash can be
hauled out and no faster. Large piles of trash
left standing for several hours are driven over by
teams and automobiles with the result that a con-
siderable portion becomes scattered before the
team arrives to haul it out. Under these condi-
tions the cleaning of our streets is never more
than partial at the best. Anyway, we hope that
the streets will be swept during the week of May
1-6, if not before.

And in regard to the throwing of paper, refuse
matter, slops, etc., into the streets of Manassas,
it is important that this practice of making the
streets a dumping ground be stopped. There is
an ordinance against this and its enforcement is
well worth while. But the citizens of Manassas
ought not to have to be forced to refrain from
using the streets as a common dumping ground.
Their pride in a clean and well-kept town should
insure the streets being treated as though they
were driveways through a beautiful park. No
town can be clean and attractive when its citizens
have no regard for the looks of the street in front
of their residences or place of business.

When it comes to the final analysis the real
work in a clean up and paint up campaign must
be done by the individual citizen. If every citi-
zen of Manassas will see that his or her resi-
dential and business property receives needed at-
tention during the first week of May and that the
street in front of the property is regarded as only
an extension of the front yard, the town will have
a clean up and paint up week that will justify all
the efforts expended by members of the Manas-
sas Civic League, who are working for a cleaner
and more beautiful Manassas.

WHY NOT ENFORCE THIS ORDINANCE?

The ordinance requiring all privies in the busi-
ness district of Manassas, the bounds of which
were recalled in last week's issue, to be connected
to the town's sewer system before April 15th has
become effective but up to yesterday had not been
enforced. Now the carrying out of this privy or-
dinance is not necessarily a matter of life and
death but it is of sufficient importance to the
sanitation of the town and the health of its citi-
zens to warrant its rigid enforcement. The fact
that the ordinance was passed at a regular meet-
ing of the town council with a view of being help-
ful to the town's interests makes it obligatory
that the Mayor see that the provisions are
promptly carried out. The ordinance in question
carries a penalty of \$1 to \$5 for each day's viola-
tion. At this rate Manassas is already due sev-
eral dollars. The ordinance was passed that Ma-
nassas might be more sanitary; we believe that
its strict enforcement will do a great deal in this
direction.

WAR SEEMS LIKELY NOW

"Unless the Imperial Government
should now immediately declare and ef-
fect an abandonment of its present
methods of submarine warfare against
passenger and freight carrying vessels,
the Government of the United States
can have no choice but to sever diplo-
matic relations with the German Empire
altogether. This action the Govern-
ment of the United States contemplates
with the greatest reluctance, but feels
constrained to take in behalf of human-
ity and the rights of neutral nations."

Thus ends the latest and final note of the
United States to Germany on the question of
submarine warfare. The climax has been reached.
Congress has been informed by the President of
the decisive step and all the country awaits the
reply from Berlin. Unless Germany knuckles
(and this she is not in the habit of doing) there
is no peaceful way out. A severance of diplo-
matic relations with Germany will almost certain-
ly mean war and towards this goal we seem to
be fast drifting. What would our entrance into
the war arena mean?

In the event that war is declared it will not
mean that we are going to be overrun by the
enemy within a few weeks' time. Germany has
tried to make it appear that she regards the
United States as a trivial nation, but Germany
knows better. Her dearly-bought lessons in
France have taught her that a nation the size of
the United States, well equipped and rich in sup-
plies of all sorts, is not to be passed by with a jeer.
No, Germany realizes that a war with the United
States, especially at this time, would not help her
European predicament, and the likelihood is that
such a war would be largely defensive on the part
of Germany. A war with Germany we do not
want but if it comes we need not become so great-
ly frightened. As Farmer Jones would say,
"While we are not exactly ready for war we are
not so blamed weak as some fellers try to make
us out."

BETTER PROTECTION OF STATE'S GAME

As the game law passed by the last session of
the Virginia Legislature becomes better and bet-
ter known considerable complaint can be expected
as to certain rather strict provisions which it
carries. The summary of this new law, which
will be found elsewhere in this issue, is worth
the careful perusal of every person who hunts—
so different in several respects are the old and
the new law. When informing yourself in regard
to the new law take the changes in the spirit of
the betterment of game, not as inflicting a hard-
ship upon worthy hunters, notwithstanding the
fact that it does this.

Perhaps the most interesting features of the
new law are the provisions made in regard to
hunting licenses and the gaining of written per-
mission to hunt on another's premises. Every
resident of Virginia must now pay an annual
license fee of \$1.00 to hunt in any county or \$3.00
to hunt anywhere over the state, except on his
own or directly adjoining farms. Written per-
mission is also necessary to hunt on any one's
land except in the case of coon, fox or deer hunt-
ers. These two provisions, if properly enforced,
should do more to preserve the wild animal life
of our state than all the laws of the past.

Pot hunters in the future can not sally forth
day after day with the same ease as during years
past. What little game is annually killed off by
industrious farmers and business men, who go
out perhaps two or three times during a season,
is negligible as compared to the amount bagged
by the good-for-nothing who manages to get
hold of a gun and shells.

With the selection of a competent game warden
in each county and the cooperation of all other
officers of the law, who are ex-officio game ward-
ens, the new game law should work well. The
fact that it is now in successful operation in forty-
five out of forty-eight states of the Union leads
us to believe that Virginia has made no mistake
in adopting this important measure.

Your Wife Should

have a bank account and pay her bills by check. It's the modern, business-like, economical way. It tends toward careful management, gives a better idea of the relation of income to outgo, provides a receipt for each payment, as well as a record of date, amount, etc. And it often leads to the creation of a substantial reserve fund with which to realize a fond ambition or meet an emergency. The lady of the house is invited to call and learn how easily she may open an account in this strong bank, and the conveniences which we place at her command absolutely without charge.

BRAD WAS NOTED ARTIST

Apoplexy Victim A Canadian—Derelict After Losing Wife and Children.

In reply to an inquiry to the Star Theatre, Sanford, Fla., for information in regard to C. W. Brad, the stranger who was stricken with apoplexy in Manassas on April 6th and who died at the University of Virginia Hospital, Charlottesville, April 9th, Mayor Wagener recently received a communication in which the following facts were brought out:

C. W. Brad was a Canadian by birth. In early life he lived in Canada and for several years served as a surveyor, having assisted in the operation of some of the first railroads of that country. There he lost his wife and two children the same night and after that became a derelict.

Mr. Brad was an artist of considerable note. He painted several masterpieces; one, "The Death of Abel," took first prize at the Toronto Show. Many years ago he was commonly called "Colonel," and served in the Queen's army. He claimed to have had property at Fort Meade, Florida. He was a union decorator.

NEW STATE GAME LAW

Game Warden for Each County—Hunting Licenses of Residents.

In the following summary of the new state game law, approved March 11, 1916, we wish to call particular attention to the clause dealing with hunting licenses. Every resident of the state is now required to pay a license to hunt anywhere except on his own or directly adjoining farms.

Game Commissioner Created.—The law created the Commissioner of Fisheries (now John S. Parsons, Accomac, Va.) Commissioner of Game and Inland Fisheries.

His Duties.—He must maintain an office at the State Capitol and appoint at least one game warden in each county and as many more as he deems necessary to enforce the game laws and see that all game and fish laws are enforced.

Game Wardens.—Game wardens are paid a maximum of \$50.00 per month in counties containing less than 20,000 inhabitants, larger counties or cities \$60.00 per month. Special wardens \$3.00 per day and expenses. Wardens have power of arrest without warrant and right of search except in private dwellings. All other officers of law such as sheriffs, constables, etc., are made ex-officio game wardens. Game wardens must be chosen from ten men to be selected in each county by the County Supervisors. Game wardens are ex-officio forest fire wardens.

Hunting Licenses.—From this time on every resident of the State must pay an annual license of \$1.00 to hunt in any county or \$3.00 to hunt anywhere over the State, except on his own or directly adjoining farms. If a non-resident \$10.00, and if not a citizen of the United States, \$20.00.

These licenses can be obtained from the County Clerks or Clerks of the Corporation Courts in the cities. Fine of \$5.00 to \$25.00 for hunting without a license.

Written Permission.—Written permission is necessary to hunt on any one's land except in the case of coon, fox or deer hunters—penalty \$5.00 to \$25.00.

Commissioner's Powers.—The Game Commissioner has charge of the protection of all wild animals, birds and inland fish, the enforcement of the dog laws, can propagate wild game for restocking and can put a close season on any species of wild game for from two to five years if he deems it necessary.

How Department is Supported.—The returns from licenses and fines must support this department without any expense to this state.

A similar law is now in successful operation in 45 out of the 52 counties of Virginia.

FOUR TEMPERANCE TALKS

Miss Emma Howland to Begin Speaking in County Sunday, April 30, at Sudley

Miss Emma H. Howland, of Massachusetts, one of the national temperance orators who spoke throughout Virginia during the campaign of 1914, is now on a tour of the state and will speak in Prince William county as follows: Sunday, April 30, Sudley Methodist church at 11 a. m., and Haymarket Baptist church at 8 p. m.; Monday, May 1, Hebron Seminary, Nokesville, at 8 p. m., and Tuesday, May 2, Manassas Presbyterian church at 8 p. m.

Next week Miss Howland will speak at Fredericksburg on the 25th, Remington on the 26th, Warrenton on the 27th and Midland on the 28th. These are among her engagements in this part of the state.

The talks of Miss Howland just previous to the election of September, 1914, were very helpful and the Woman's Christian Temperance Union of Virginia is glad that Miss Howland has accepted the invitation to speak throughout the state this spring. The Union sees the necessity of keeping the public sentiment of the people up to a point favorable to the strict enforcement of the new state-wide law, which goes into effect Nov. 1, 1916.

CIRCUIT COURT

COMMON LAW—THURSDAY

The county clerk's office having been recently examined and the conditions found reported to the court, the court did not deem it necessary to appoint a committee of examination as required by code.

S. T. Cornwell was allowed \$1.40 and W. S. Runalique, 50 cents, as witnesses in cases concerning erroneous assessments of taxes.

R. A. Waters and W. A. Speake were appointed trustees of R. E. Lee Lodge, No. 221, I. O. O. F., to take and hold the legal title to the real and personal property of said lodge.

Oath, as required by law, administered to the board of supervisors and jail physician.

FRIDAY

Judge Henry W. Holt, of Staunton, presides for rest of this term of court, as designated by Governor H. C. Stuart.

Commonwealth vs. W. W. Garrison—Demurrer to the indictment and motion to quash each count of the indictment overruled, whereupon the prisoner pleaded "not guilty." Jury consisting of George M. Davis, I. C. Jacobs, W. W. Keys, J. N. Kerr, Charles B. Evans, J. W. Arnold, E. C. Gibson, W. H. Reid, J. N. Carter, Earl Williams, F. A. Lewis and Chas. H. Keyser, heard the opening statement of the counsel and part of the evidence. The jury then adjourned in a body until the next day, Saturday.

G. C. Russell was appointed deputy treasurer of this county. He thereupon appeared in court and qualified.

SATURDAY

I. N. Wittig vs. D. A. Shaeffer and W. F. Bailey—Cause continued.

Commonwealth vs. W. W. Garrison—All the evidence and arguments of counsel having been heard the jury retired. After a time they returned into the court and rendered the following verdict, to wit: "We, the jury, find the prisoner guilty on the 3rd count of the indictment and fix the penalty at one year in the penitentiary. J. N. Kerr, foreman." The defendant moved in arrest of judgment to set aside the verdict and grant him a new trial, because the verdict was contrary to the law and the evidence. The court not being fully advised of its decision took time to consider thereof.

Court was then adjourned until Monday, April 17, 1916, at 2:30 o'clock.

MONDAY

Commonwealth vs. H. C. Ryckman—Demurrer to the indictment and motion to quash the indictment overruled. Jury consisting of T. J. Caton, J. F. Adams, M. J. White, W. H. Dogan, J. M. Reid, R. B. Gossom, J. W. George, H. F. Keys, Thos. Woolfenden, E. P. Davis, B. J. Sayers and Hezekiah Reid, after hearing all the evidence and arguments of counsel retired to their room and on their return brought in the following verdict, to wit: "We, the jury, find the defendant not guilty. J. F. Adams, foreman." Whereupon the prisoner was discharged.

Commonwealth vs. H. C. Ryckman—Eight indictments—These cases are continued until the next term of this court.

TUESDAY

Commonwealth vs. W. W. Garrison—Motions of prisoner heretofore made to set aside the verdict were overruled and "it is considered by the court that the prisoner be confined in the penitentiary house of this commonwealth for the period of one year, the term by the jurors in their verdict ascertained." The prisoner is allowed 60 days from this time in which to present his bill of exceptions to this court or to the judge thereof in vacation for his signature." All other cases of Commonwealth vs. W. W. Garrison were continued until the first day of the June, 1916, term on motion of attorney for the commonwealth.

H. B. Hutchison, Nettie Garrison and W. W. Garrison appeared in court and acknowledged themselves indebted to the commonwealth in the sum of \$1,000 each for the appearance of W. W. Garrison before this court on the first day of the June, 1916, term to answer judgment of the court upon the indictment for a felony.

INVEST YOUR MONEY HERE

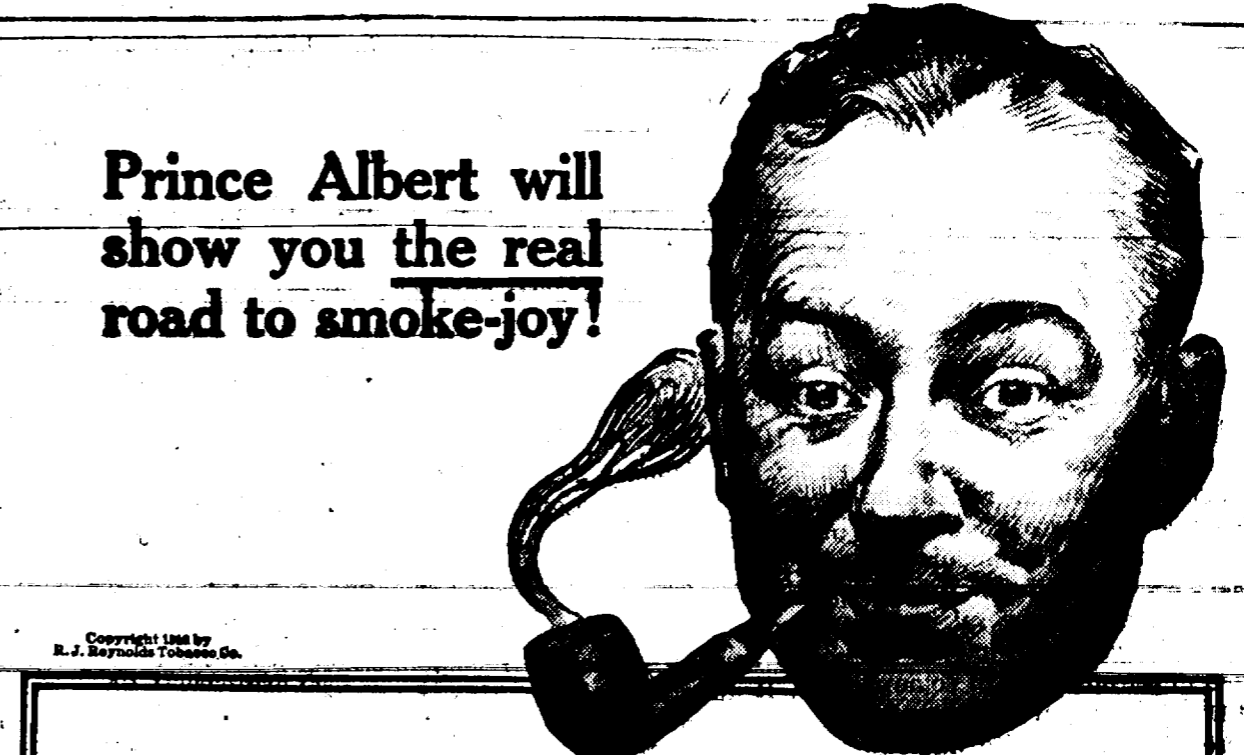

Example Set in Other Cities Of State Gets Big Results.

The example has been set in other cities of the state to invest a small sum of money and get bigger and more lasting results.

Mr. R. E. Fox, of Norfolk, invested one dollar and it has proven the best investment he ever made.

On an investment of one dollar Mr. Fox found health and happiness. A similar investment in Tanlac will bring the same results to you. Read what Mr. Fox said. "I was sick with indigestion, poor appetite, spent sleepless nights and my physical breakdown was general. A friend advised me to take Tanlac. Since taking it I have no indigestion, sleep well and have gained about ten pounds in weight. I never had a better appetite and attribute it to Tanlac. As a tonic and appetizer for those suffering as I did I recommend it to all. I can not say enough for it. I only used one bottle."

All along the line—in every walk of life—the master medicine is restoring health to the sick. If you are a sufferer from stomach, kidney, liver or bladder trouble, constipation, catarrhal affections or any like ailment go to Dowell's Pharmacy, Manassas, Va., and get a bottle of Tanlac. On sale at one dollar per bottle. Adv.

WASHINGTON, D. C.

What Shall the Easter Outfitting Be?

is the question uppermost now in the minds of the majority of women. The question can be most satisfactorily answered at Kann's. The points of greatest appeal to the always correctly attired women of Manassas are

Originality, Individuality and High Quality, and very naturally, the best value at the least price

In Millinery, exclusiveness is an acknowledged distinction which is clearly recognized by the Manassas public. Our creations are individual and not duplicated.

In Suits and Dresses the comments upon the High Quality of Materials and Fashioning, upon the decidedly advanced styles always to be found in these two departments, and remarkable variety presented for selection as well as the unusual values offered, have been unusually satisfying to us.

Concerning Blouses, it has been extremely gratifying to us to realize that Kann's is considered not only the foremost blouse store of Washington, but that it is also looked upon as the one store where novelties exploited by the great metropolitan stores are found practically as soon as displayed by the originators.

There is no question as to the superiority of our Neckwear stocks. Many of the popular fads of the day have originated in this department. So advanced are our novelties you will find them here often before they are advertised by New York stores. Variety and completeness of stock is our hobby. A hobby that has proved very gratifying to our patrons.

Petticoats, at the present rate of expansion of the new costumes, have assumed vast importance in the new season's styles. The best qualities of silks and taffetas, and the new models cut upon the full lines now in demand are here awaiting your inspection.

In every department there is felt the subtle, thrilling influence of spring in the fresh, new and alluring merchandise. It calls you by the power of beauty and low price.

Play of High School Students Last Saturday—Griggs and Prescott Did Best Acting.

"Miss Topsy Turvy," the three-act comedy given in Connor's Opera House last Saturday evening before a good-sized audience by members of the third and fourth year classes of Manassas High School, was a pleasing little play rendered in a pleasing manner. It was given under the able direction of Miss Myrtle Grenels and the proceeds went for the benefit of the athletic association. Good music was furnished before the play and during intermissions by Miss Mary Larkin, pianist, and Prof. O. W. Mosher, violinist.

Very little time had been given to the working up of the play, but the presentation was good, nevertheless. Nearly every student taking part handled his or her part in a commendable manner but first honors were nearly equally divided between Claude Griggs as Ned, the colored servant, and Alfred Prescott as Lord Clarence, a rich Englishman. Mr. Griggs, while failing at times to carry out the dialect and type of voice of the old darky, did excellently throughout in his motions and antics. Mr. Prescott overacted his part, a very difficult one, in a few instances, but he had the monocled English lord well imitated in nearly every appearance.

THE PLAY IN SYNOPSIS

Topsy Turvy, a girl who never fails to turn things topsy-turvy, interrupts the courtship of Deacon Jones and Miss Spriggs. Frank Golden, Topsy's suitor, returns from school. Next the Deacon is shown in a ghost scene in his parlor during a thunderstorm, when he is again interrupted by Ned, the colored servant, and Topsy.

Lord Clarence arrives at the beginning of the second act. May Golden lays her net for him. The second scene shows a wooded park with the Deacon proposing to Miss Spriggs and Frank and Topsy playing pranks, while in the third scene Topsy and Lord Clarence become friends, and Deacon and Mrs. Jones return from their honeymoon.

The third act opens with Lord Clarence making an offer to Ned to overlisten the conversation between May Golden and Topsy. Ned is caught right after hearing

the conversation and is made to suffer at the hands of Topsy and Frank, who catches him listening. The next scene shows Topsy adjusting the domestic affairs of Deacon and Mrs. Jones. At the opening of the closing scene Ned reports to Lord Clarence. Lord Clarence returns with Topsy, his promised bride, and as May Golden faints, Ned exclaims, with the fall of the curtain, "Where ebber dat skat-a-wag of a gal is, ebby t'ing just don' get topsy turvy, sho's you born."

ALUMNI IN CONGRESS

Universities of Virginia and Michigan Each Credited With Twenty-Seven.

How large a part the University of Virginia plays in the National Government, with Woodrow Wilson, President, '91, is shown by the following statement just issued by the secretary of the General Alumni Association of the University of Virginia:

"It will be of interest to know that the University of Virginia, with 9 alumni in the Senate and 18 in the House, ties with Michigan, which also has 9 alumni in the Senate and 18 in the House. Virginia leads Harvard, which has 3 alumni in the Senate and 18 in the House, and also Yale, which has 5 in the Senate and 11 in the House. Virginia's strength is even more noteworthy when it is remembered in round numbers Michigan has 40,000 alumni and 7,000 students; Harvard, 35,000 alumni and 6,000 students; Yale, 25,000 alumni and 3,500 students, while Virginia has only 9,000 alumni and slightly over 1,000 students."—Exchange.

RAISE FLAG AT BETHEL
Enjoyable Program Given Last Friday—Bethel Won Basketball Game.

The flag raising at Bethel High School on Friday, April 14, was a decided success, despite the unfavorable weather. At 1:30 p. m., after the assembling of a large number of guests, the pupils marched to the auditorium and the program was begun by singing "America." This was followed by prayer by Rev. E. L. Randall.

The flag, which had been donated by the Geococan Jr. O. U. A. M., was presented by Rev. Elgin, assistant superintendent of the District Workhouse, who made an excellent talk on "The Stainless Flag." The flag was accepted by the principal, S. F. Honaker, who made a short talk on "The Origin and Meaning of Our Flag."

After this the program was continued around the flagpole. The smallest girl and boy from the primary department, Virginia Brockett and Lee Glascock, raised the flag while Professor Honaker sang "The Star Spangled Banner." The flag was dedicated by Rev. E. L. Randall. The remainder of the program follows:

We'll Fly the Starry Banner—Lucy Davis. Toast to the Flag—Mahton Glascock, jr.

The American Flag—Winfield Dewey. Flag Drill—Primary Department.

Our Flag—Georgia Brockett. Flag of Our Hearts—Four boys. Wrap the Flag Around Me, Boys—Carrie Leary. Columbia School.

After the program was over, the Bethel basketball team defeated the Dumfries team in an exciting game. Although the game was more interesting than the score would indicate, everyone realized after the first few minutes of play that the visitors were completely outclassed, and although they played an excellent game they were unable to break up the fine passing and shooting of the Bethel team. They found it equally difficult to get by Bethel's guard and were unable to register a field goal in the first half. The final score was 36 to 9.
