TEACHERS AT MANASSAS

Supt. McDonald Presides Over Busy Institute—Many Members in Attendance.

The seventh annual institute of the Prince William County Teachers' Association was in session Thursday and Friday at Bennett Building. Supt. Charles R. McDonald, who presided, made a brief opening address, inviting the teachers to feel at home and to take part as members of a big family in the private family affairs of the teachers' association. "Teachers must feel they belong to a system," said Supt. McDonald, "the educational system of Prince William county, which is going to be far better, or far worse, for our being in it."

Supt. McDonald introduced Lieut. George C. Round who gave an interesting historical sketch of the county school system, which will be given in a later issue.

Rev. J. F. Burks, rector of Trinity Episcopal Church, made an address, introducing tributes to the teachers, the former superintendent, Mr. George G. Tyler; Supt. McDonald, and to Woodrow Wilson to American ideals.

Following Rev. Mr. Burks' address, Supt. McDonald offered a few words in tribute to Miss Eugenia H. Osbourn, principal of Manassas High School, who "has devoted her whole time, talent, ability and strength to the building up of the school system in Manassas," and who has been in a hospital for several months. At the instance of Supt. McDonald a telegram was despatched to Miss Osbourn, conveying the love and esteem of the teachers of Prince William county.

The program proper began with a statistical presentation by the superintendent of facts concerning the enrollment and attendance of each school in the county during the session of 1915-16.

Mr. John T. Dawson, jr., principal of Bethel High School, Agnewville, opened a discussion of how to increase the average daily attendance of the schools, advocating the organization of parents' leagues to secure the interest of the parents, and the formation of literary societies and the introduction of athletics on a scholarship standard to secure and hold the interest of the students.

Mr. Dawson laid full stress on the co-operation of teachers and ended by suggesting a compulsory education law. Several teachers joined in the discussion.

Mr. H. E. Flemming, principal of the Haymarket school, discussed a county unit plan for daily work and examinations in the grammar grades, as applied to the Prince William county schools. Mr. Flemming suggested frequent teachers' institutes, a district supervisor and other plans for securing a uniform course of study and promotion.

The county unit plan for high school work was introduced by Mr. D. D. Ball, principal of the Greenwich School, who entered into a practical estimate of the requirements of the high schools and the chances of making the standard, handicapped by a lack of teachers and equipment.

The question of standardizing one and two-room schools was discussed at length by Mr. E. S. Napier, principal of the Nokesville school.

Miss Elsie A. Fairbanks, principal of the Smithfield two-room school, opened a discussion of standard tests. Supt. McDonald gave a summary of the work of the school held community which have been the school to its present standing.

OLD HOME DESTROYED

Beautiful Residence of Mr. J. P. Smith, of Waterfall, Is Burned.

The beautiful old home of Mr. J. P. Smith, located near Waterfall, in the foot hills of the Bull Run mountains, burned on Thursday, November 9, about 6 p. m. Sparks from the chimney caught to the leaves in the gutter, causing the fire.

Mr. Smith saved only a small portion of his household goods. Mr. W. N. Lipscomb, local agent, and Mr. A. M. Travers, state agent for the Liverpool and London and Globe Insurance Company, went to Mr. Smith's Tuesday to settle the loss and found Mr. Smith's dwelling loss \$2,100 and his household goods \$700. He was insured for \$1,300 which was promptly paid by Mr. Lipscomb.

BONFIRE AND PROCESSION

Prince William Crowd Celebrates Wilson Victory—Mr. Meetze Leads March

Democrats from all parts of the country participated in a Wilson celebration at Manassas Friday evening. The crowd gathered on the former site of the Prince William Hotel, near the railroad, where a great bonfire made a blaze of light. The illumination revealed portraits of Wilson and Marshall. Huge standards were upheld by loyal citizens and the stars and stripes waved on every hand.

Hon. C. J. Meetze presided and addresses were made by Col. Robert A. Hutchison and Messrs. C. A. Sinclair and H. Thornton Davies.

Later the crowd, led by Mr. Meetze as chief marshal, organized a torchlight procession and paraded the streets of the town. Banners waved, horns tooted and enthusiastic cheers rose everywhere.

Another impromptu meeting was held on the hotel corner, with Mr. Meetze in the lead. The crowd was entertained by Mr. Martin D. Lynch. Speeches, cheers and yells lasted until a late hour. The attendance was larger than at the first demonstration two nights before when the crowd gathered without announcement and carried out an enthusiastic celebration.

QUIET WEDDING HERE

Miss Long, of Nokesville, Becomes Bride of Mr. Myers, of Fairfax.

Miss Una M. Long, of Nokesville, and Mr. G. B. Myers, of Fairfax, were quietly married Thursday evening, November 9, at the home of Elder A. Conner, of Manassas, who performed the ceremony.

The couple will make an extended visit to relatives in the Valley, later visiting Washington, Philadelphia, Niagara, Detroit and other cities. After January 1 they will return to this section, where the bridegroom plans to run one of his father's farms in Fairfax County.

Both are popular young people and their many friends wish them a prosperous journey through life.

The first fire in Manassas for many months occurred Saturday morning when the old Lion property, southwest of town, was totally destroyed. The house, said to have been one of the oldest in this section, was owned by Miss Nettie I'Ardeita, of Washington, whose loss was covered by \$500 insurance. The house was occupied by Mr. Mills and family, who saved a part of their household furniture.

The musical program included songs by a male trio led by Rev. T. D. D. Clark, violin solos by Mr. Orville W. Mosher, jr., and songs by four little girls—Miss Anna Weir Waters, daughter of Mr. and Mrs. O. D. Manassas Girls Lose Basketball Game—Supt. McDonald Visits Classes.

Saturday afternoon the girls' basketball team of Manassas High School played the Marshall girls on the home court. The game was a complete walk-over for the Marshall team, the score being 20 to 6. The Manassas girls were not in their usual playing trim and Marshall's team work was superior. Miss Hilda Hottel starred for Manassas, the Misses Ball for Marshall.

The line-up was as follows:
MARSHALL: Grace Ball, r. f.; Eleanor Ball, l. f.; Atglen Downs, c.; Frootie Russell, s. c.; Mattie Wyne, r. g.; Nellie Wyne, l. g.

MANASSAS LOSES AGAIN

Town Team Helpless in Second Game with Eastern College Squad Yesterday.

Yesterday from their second and last game of the season with Eastern College, the Manassas eleven emerged blanked by a score almost double that of the last struggle. Although the Red and White standard bearers lacked several of their regular men, substitutes plugged the absentees' places very effectively. Honaker's men are now in tip-top condition, as the bulging score bag indicates.

The first half closed with the Easterners lacking but one point of the 49 piled up throughout the last Manassas-Eastern game. During the third and last quarters the college fighters came within an ace of equalling their total tally of the past periods by digging up 36 units. Thus are the 84 credits accounted for.

The Manassas trio so prominent in the first game—Cather, Meetze and Trimmer—again stepped into the limelight through their sterling work. Meetze, however, stood out as the most brilliant star of the fray. His plunges and tackles have gained him a place in the players' memories. In the last quarter Meetze uncovered startling reserve and made two advances, for 20 and 30 yards respectively.

Unfortunately for Manassas, Trimmer, whose tackling was deadly, and Cather, whose playing was stubborn, were forced to retire because of injuries. Cather, as the result of a blow on his neck, was taken home at the end of the third period, while Trimmer was not removed until within eight minutes of the final whistle, when, it is believed, his shoulder was dislocated.

That the game might be completed, two of Eastern's representatives, Dolan and Ratcliffe, were sacrificed to the town boys, leaving the college but nine men. It is unfortunate that Eastern's games with Massanutten Academy and Augusta Military Academy have been cancelled, as the men across the tracks are now playing a brand of ball that is balked by none—a brand that last Saturday surprised George Washington University's powerful combination, holding them down to 21 points.

The Manassas-Eastern line-up follows:
Manassas Position Eastern
W. Gregory L. E. M. Rouse
Hixon L. T. Martin
Lewin E. G. Purje
Shank C. E. Rouse
Corum E. G. Meete
Merrill E. T. Ratcliffe
Cather R. E. Dolan
Griggs Q. B. Honaker
Trimmer L. H. G. Pohl
Meetze R. H. Hason
Volmer F. B. L. Pohl

Score by periods: Manassas—0, 0, 0, 0; Eastern—24, 24, 18, 18. Time of periods: 12 min. (2), 10 min. (2). Touchdowns: Hason (7), L. Pohl (2), Honaker (2), G. Pohl (2), M. Rouse. Substitutions: Dolan for Trimmer, Ratcliffe for Cather.

Cherry Hill Resident Expresses Community Sentiment Toward Improvement.

(H. O. Russell)

For the past four years we have promised that eventually something would be done to improve that piece of road, known as the Cherry Hill road, which connects with the new Washington to Richmond state highway near Dumfries.

This road is about 4 1/2 miles long, and was so surveyed that it reaches nearly all the high summits in its twisted course, and then falls abruptly to the level lands, where it continues its winding and climbing until it finally reaches its destination by merging with the state highway.

There is a way to eliminate these hills by going around them, thus saving energy and time as well as money.

For years the people living along this road and at Cherry Hill have pleaded for better conditions, but each time there has been a deaf ear.

What has become of the taxes collected from the people and manufacturing concerns, railroads, etc.? Are we not entitled to some consideration? Are we going to be housed in here with no way to escape, when we are paying for an exit? Are we to be sacrificed for the benefit of some other section of the county? Patiently we have waited—what has been the result? We have received nothing in return for our patience.

Two years ago a citizen of Cherry Hill wrote a polite letter to the supervisor of roads, requesting permission to put this highway in passable condition at his own expense. The gentleman received no reply to his request and no acknowledgment of his letter.

Have some of our officials reached such a state of neglect that they will do nothing themselves nor allow any one else to accomplish what they have failed to do? If such be the case, it is time for them to resign office, to make room for some one more progressive. What we most desire is supervision over our road work by some one who is familiar with such work.

No money should be paid to any person for work until the work has been inspected by some one competent to decide if we are getting a dollar's worth of work for a dollar spent.

Every dollar spent on this road in the last four years has been a waste of time and money.

Two years ago, after a storm, a vast number of logs and brush were dumped into the rut lengthwise and a little dirt thrown over them. A few weeks later there came a storm which washed the dirt off these logs and brush, exposing them so that they became a trap to destroy vehicles. The county paid for hauling and placing them and the people who used the road removed them as they were a public nuisance. If one half the energy and time, money, etc., wasted in destroying this road with logs and brush, had been put in doing the work properly, our road would be in much better condition and we would be content.

The people living along this road, and at Cherry Hill, stand ready to assist in every way possible to accomplish the desired end, but they feel that the county should expend some of the money that rightly belongs here.

The only way to build up a prosperous community is to have good roads; therefore, it is not economical to save money from road tax when it is so badly needed.

There are stumps in the middle of this road at two places to my knowledge and no attempt has been made to remove them. The people in this community would gladly undertake to remove them without expense to the county, but would be apprehensive, owing to past incidents.

Speedy and Easy Riding

There's little comfort in most low priced cars. You can't use their speeds. They jostle you—they ride roughly—they don't hold the road.

The \$635 Overland is different. It is not only the speediest of low priced cars—

But you can use the full speed of its powerful motor when you need it.

It has long 42-inch, easy riding, shock absorbing cantilever rear springs. In addition the 75 B Overland is a longer car—104-inch wheelbase. And it has 4-inch tires.

Its smoothness and ease of riding at any speed would do justice to a much larger and heavier car.

Come in and let us demonstrate. That's the best kind of proof.

SUPERINTENDENT IS PROUD OF TEACHERS

"I am proud of the work of the Prince William county teachers," said Supt. McDonald, in discussing the teachers' conference which was in session here last week.

HONOR TO TRINKLE

As we rejoice in the splendid triumph of the democratic forces in the presidential campaign, let us remember the valiant contest in which E. Lee Trinkle was defeated by Representative Stemp, republican, who was re-elected to Congress from the ninth Virginia district.

Mr. Trinkle's brave fight in this republican section discloses a striking democratic gain. All honor to the young democrat whose efforts have revealed a man of ability and a new strength in the democratic party.

A RECOGNIZED FACTOR IN SCHOOL LIFE

The Virginia High School Literary and Athletic League, organized by the Washington and Jefferson Literary Societies of the University of Virginia, has entered upon its fourth year of service, with a large increase in the scope of its activity.

The league has met with remarkable success in its efforts throughout the state. Co-operative leagues have been formed in every section of the commonwealth, advancing the athletic and literary work of Virginia schools and bringing about fuller co-operation through the medium of the state university.

High school contests in reading, debating, basketball and on the track are planned for this year's program. Manassas High School has made a good showing in the annual debates.

A DESERVED REELECTION

The reelection of Representative Charles C. Carlin, of the Eighth district of Virginia, by a handsome majority is gratifying evidence that earnest and successful labors for the people are not unappreciated. Mr. Carlin is a native son of Alexandria, and his first thought is for the welfare of his district, which comprises the counties of Alexandria, Culpeper, Fairfax, Fauquier, Loudoun, King George, Louisa, Orange, Prince William, and Stafford—a wealthy, rapidly growing section of the Old Dominion.

Mr. Carlin has done much to knit together the sympathies of of Washington with northern Virginia, thereby indirectly as well as directly advancing the interests of his own constituency. The splendid highway to Mount Vernon is the result of Mr. Carlin's labors, and if he had accomplished nothing more than the obliteration of the former disgraceful road leading from Washington to the shrine at Mount Vernon he would have been permanently remembered. In due time, however, the Potomac will be spanned by the great memorial bridge uniting the North and South, and this will serve as a lasting memorial to the patriotic services of the member from the Eighth district.—Washington Post.

THE WOMAN QUESTION

Now that complete returns certify the election of Representative Miss Jeannette Rankin to Congress from the woman suffrage state of Montana, speculation is in order as to how well a woman may perform the legislative duties which apparently have been man's heritage, how the first female member of Congress will be addressed by the speaker of the House, and how long before a woman will be elected to fill the highest office in the gift of the nation.

There are many good voters who rise and declare "Impossible!" in tones calculated to convince even the most militant of suffragettes. A gallant democrat has been heard to state that he would vote the republican ticket for the first time in his life, voting for a republican Man, if the democratic ticket should be headed by a woman.

For the sake of his family and friends, in the event that his statement should be read by a too ardent woman suffragist, THE JOURNAL is unwilling to give his name; his words are offered to show that at all events the possibility is being considered by the people.

Your Wife Should

have a bank account and pay her bills by check. It's the modern, business-like, economical way. It tends toward careful management, gives a better idea of the relation of income to outgo, provides a receipt for each payment, as well as a record of date, amount, etc. And it often leads to the creation of a substantial reserve fund with which to realize a fond ambition or meet an emergency. The lady of the house is invited to call and learn how easily she may open an account in this strong bank, and the conveniences which we place at her command absolutely without charge.

Our slogan is, "It is a pleasure to serve."

Fence With Concrete Posts

Use Security Portland Cement

Why build fences of wood—fences that soon rot—that easily burn—and that are constantly getting out of alignment? Concrete fence posts are permanent and indestructible and over a period of years cost less than wooden ones. They are very easily made. You can make enough during spare time in the winter to fence as much of your farm as you want.

Do this work now—don't waste valuable time next spring and summer constantly repairing wooden fences. Our free bulletin tells how to do the work yourself.

TEACHERS AT MANASSAS

Supt. McDonald Presides Over Bury Institute—Many Members in Attendance.

Continued From Page One Rev. Alford Kelley, pastor of the Presbyterian Church, made an address at the opening of the Friday morning session. Rev. Mr. Kelley impressed the idea of fitness for a position and declared that every teacher should be interested in his community just as the preacher is interested in his congregation.

So much has been said of medical inspection of school children," said Dr. W. F. Merchant, town health officer, "that everyone here realizes the necessity of it."

Miss Ella G. Agnew, state home demonstration agent, made an address on home demonstration work in Virginia.

Supt. McDonald then expressed the institute's appreciation of Miss Emily Johnson, Prince William county home demonstration agent, who has recently resigned.

Supt. McDonald called upon Rev. J. Halpenny, pastor of Asbury Methodist Episcopal Church, who made a few remarks.

Supt. McDonald also called upon Dr. Hervin U. Roop, president of Eastern College, who made a brief address.

"We use a good deal, in the college, the word 'pep,'" said Dr. Roop, in the course of his address. "It might stand for just three words. P stands for Purpose; you have a purpose. Only people who have a purpose get anywhere. The absence of purpose means a man moving over the same pivot. Next, Enthusiasm; no one achieves success without enthusiasm. Your superintendent has enthusiasm, and it is necessary in all lines of endeavor. Then, Progress; that's in the air! Let me congratulate you on progress!"

Later, Mr. Barrows, of the United States Department of Agriculture, made a short address.

The school trustees held a convention. Addresses were made by Rev. J. R. Cooke, clerk of the Brentsville district school board; Mr. W. A. Kidwell, clerk of the Ocoquan district school board; Mr. James Luck, jr., member of the Coles district school board; Mr. W. L. Sanders, clerk of the Gainesville district school board; and Mr. Boston Steele, member of the Manassas district school board.

A report of the meeting of the school leagues will be found in another column. An account of the convention on the opening night was given in last week's issue. Another feature of the institute was a reel of poultry pictures shown at the Dixie theatre on Friday afternoon after the girls' and boys' poultry show.

Mrs. L. J. Larkin, principal of the Manassas Graded School, was selected president of the teachers' association. Miss Lulu D. Metz, domestic science instructor of Manassas High School, was selected to the offices of secretary and treasurer. The association named the following delegates to the conference at Richmond: Miss Mabel Long, Cannon Branch School; Miss Jennie Ewell, Hickory Grove, and Miss Ida Lee Glascock, Bethel.

"BEST TONIC I EVER SAW"

Norfolk Lady Finds Tanlac Just What She Needed to Bring Back Her Vigor.

Each day some new enthusiast praises Tanlac and thanks it for what it did for them. One of these is Mrs. H. P. Baker, of 221 Franklin Street, Norfolk, Va., who said: "I had a tired sleepy feeling and had no appetite. I did not feel like doing anything and was run-down in general. I heard of the good Tanlac was doing and I decided to try it. I am glad I did so because now I am relieved of that tired, mean drowsy feeling and since taking about two bottles I can hardly wait for dinner time to eat. I have a tremendous appetite and what I eat does not give me any trouble. I recommend Tanlac because I know it is a good tonic and I feel fine since taking it. In fact, it is the best tonic I ever saw and I just can't say too much for it."

This "National Tonic" for all troubles of the stomach, kidney and liver is now on sale at Dowell's Pharmacy, Manassas, Va. Get a bottle today and give it a try. Adv.

HAYMARKET

A forecast of what is coming struck Haymarket Thursday morning when the mercury went down to 20 degrees at 6 o'clock. The services at St. Paul's Episcopal Church, Rev. Robb White, rector, during the weeks preceding the holiday season promise to be of special interest. A cordial invitation is extended to the service Sunday morning. The school children enjoyed a two days' vacation last week while the teachers attended the county teachers' institute at Manassas.

Though the weather was very rough a good sized audience was present to hear an excellent sermon by the Rev. W. L. Naff Sunday evening at the Baptist Church.

We are glad to learn that a former citizen, Mr. J. B. Croson, who has been very sick, is said to be improving.

Mr. J. H. Utterback is improving and is able to be out again.

Mr. J. E. Beale is not improving from his operation as rapidly as might be wished. Haymarket Civic League will meet this evening. An interesting program will be rendered.

Mr. C. E. Jordan, who has conducted a general store at Woolsey, has sold the business to Mr. W. R. Grossom, of Waterfall; and has returned to his place with the firm of Jordan & Jordan, at Haymarket.

Little Harry Brady, who has been quite ill, is a little better though still under medical treatment.

Mr. G. M. Coleman, of Culpeper, accompanied by his wife and child, has arrived in Haymarket. The residence and drug store are being placed in shape for his occupancy.

Mr. Samuel McGuin and family, of Marshall, and Mr. L. Linscomb, of Harrisonburg, have moved to the Green Meadow farm, where they will be employed by Mr. Strother.

Mr. Harold H. Bell and his brother Gordon, of Hillsboro, were guests at Mr. G. W. Smith's last Friday. Mr. Bell and his brother gave a sleight of hand entertainment in the Masonic Hall.

Miss Ruth Hulfish made a trip to Manassas Friday. Mr. Robert A. Brown, of Washington, visited here Wednesday.

Mr. E. S. Carter spent several days in Washington during the week. Mr. C. E. Woodson, of Camden, N. J., was a business visitor in Haymarket Wednesday and Thursday.
