RED CROSS WILL ENROLL MEMBERS

County Organization Invites Citizenship to Support Health Program Projected.

Rev. DeForest Wade, pastor of the Presbyterian Church, was appointed chairman of the approaching Red Cross Roll Call at a meeting of the executive committee of the Prince William Red Cross Chapter, held Friday afternoon at Red Cross headquarters. Rev. Mr. Wade attended a meeting in the interest of the Roll Call and the peace program of the Red Cross, yesterday and today at Potomac division headquarters in Washington.

The purpose of the Roll Call, which is to take place in November throughout America and the rest of the world where the American Red Cross is organized, is to enroll the whole American citizenship for the continuation of Red Cross activities. The peace program includes welfare work on the other side of the water, which is expected to last another year, and health, home service and junior work at home.

In Prince William it will be the particular effort to obtain unanimous support of the health program for which the county Red Cross is supplying a nurse who will work in every section of the county. Chapter executives feel that the local Red Cross has exercised its best efforts in wartime to share its part of the war burden to which the Red Cross committed itself and now that the opportunity for great work at home has come it is expected that the membership will rejoice in being able to focus its efforts on Prince William welfare.

LADIES RAISE FUNDS FOR EPISCOPAL CHURCH

Large Attendance at Chicken Supper Given Tuesday Evening at the Rectory.

The chicken supper given by the Guild of Trinity Episcopal Church of Manassas, which was held at the rectory, Tuesday evening, Sept. 16, was a success. The gross receipts of the evening amounted to \$11.20, which was a net expense. Everything for the supper was contributed and everything supplied was sold.

A fish pond conducted by Mrs. W. Fred Dowell, assisted by Mrs. E. H. Ribbs, brought in the sum of \$20 and a good report also was made by Miss Ethel Lyon and Miss Pauline Beachley, who had charge of a candy booth. Supper was served at tables on the wide porch of the rectory and indoors, one of the rooms being especially reserved for the little folks in attendance. Among the ladies in charge of the supper were Mrs. J. B. T. Thornton, Miss Julia Lewis, Mrs. G. Raymond Esteliff, Mrs. Ashby Lewis, Mrs. Stuart E. Bevans, Miss Margaret Temple Hopkins, Mrs. E. B. Larkin, Misses Lillian and Marie Lechman, Mrs. M. D. Brown and Mrs. O. D. Waters.

A musical program rendered included songs by Miss Mary Lee Chapman, Miss Louise Maloney, Miss Lillian Lechman, Mrs. E. Lynn Robertson and others.

PLAN TO ORGANIZE MILITARY COMPANY

Governor Davis Urges Mayor Brown's Co-operation in the State-wide Movement.

Mayor Brown has received through Adjutant General Jo Lane Stern a telegraphic message from Governor Davis, urging him to support locally a statewide movement for the re-organization of the National Guard in Virginia. Mayor Brown is making an effort to obtain further information and it is probable that steps will be taken to form a company here. The Adjutant General's telegram follows:

Governor Davis urgently requests you to co-operate in efforts being made to organize National Guard company in your city as a precaution against injury to your people and destruction of their property. The great number of outbreaks and violations of the law throughout the country impress the Governor very seriously with the importance of taking every step possible to prevent such occurrences in this state, instigated, the Governor believes, not by Virginians, but by irresponsible outsiders who have come into the state within the last few years.

MR. LYON RAISES FUND TO PAINT HIGH SCHOOL

Citizens Have Subscribed Nearly \$300, as School Money is Not Available.

Nearly \$300 toward painting Ruffner Building, now known as Manassas High School, has been raised by subscription during the last few days through the public-spirited efforts of Mr. J. P. Lyon, who has been in self-appointed possession of a subscription list, which probably will be made public next week. It is estimated that about \$500 will be required for the necessary improvement of the building, which the school board at this time is unable to finance.

Mr. Lyon's campaign is the result of a conversation between a group of citizens at a chicken supper given at the Episcopal rectory Tuesday evening when it was unanimously decided that the school improvement was necessary, although no plans for raising the money were made.

Although Mr. Lyon is in charge of the subscription paper, contributions may be left with Dr. C. R. C. Johnson or the Peoples Bank.

GIRLS AND BOYS AGAIN IN SCHOOL

Manassas Has Large Enrollment in All Departments—New High School Students.

The Manassas High and Graded Schools reopened Monday with a large enrollment. More than three hundred students attended the graded school on the opening day and the high school enrollment was 84, including forty-one new students and many outside of Manassas district.

Supt. Charles R. McDonald presided over the assembly program given at the high school, offered the invocation and also made an address, setting forth plans of the year and the objects of the school. Rev. Alexander Stuart Gibson, rector of Trinity Church, also made an address.

Dr. Edgar C. Harper, county health officer, outlined plans for the health campaign.

Addresses of welcome to the students were made by Miss Lulu D. Metz on behalf of the faculty, and by Miss Lander Moran, on behalf of the school. Miss E. H. Osborn, principal, added a few words of welcome.

The musical program included a solo by Miss Sarah Lechman and patriotic songs and other chorus numbers by the school under the direction of Mrs. Hodge.

MISS MADELINE McCOY GIVES BIRTHDAY PARTY

Miss Elizabeth Coleman Wins Box of Bonbons in Peanut Race—25 Present.

Miss Madeline McCoy, daughter of Mr. and Mrs. W. E. McCoy, entertained about twenty-five of her young friends on Saturday evening at her home on Main street, the occasion being her twelfth birthday. Mrs. McCoy, Mrs. J. I. Randall and Miss Pursey, of Grand Rapids, Mich., assisted in entertaining.

Miss Elizabeth Coleman was the winner of a box of bonbons, the prize offered in the peanut race. In the bean-guessing contest, Miss Flora Bullock won the prize, a jar of candy. A prize of twenty-five pennies was won by Miss Dorothea Randall for the best specimen of writing, the writing being done under adverse conditions.

After the games the little folks enjoyed delightful refreshments from a table decorated with gold-colored and autumn leaves. Many pretty gifts were left with the hostess.

The guests included Misses Elizabeth Coleman, Mary Lee Arrington, Lucy C. Arrington, Ardath Evans, Dorothea Randall, Virginia Spisden, Elvare Cozner, Anna Sinclair, Elizabeth Sinclair, Christine Beavers, Virginia Cozner, Frances Bushong, Christine Austin, Flora Bullock, Anna L. Marchant and Louise Marchant and Messrs. Smith, Canada Smith, Paul Arrington, Edgar Wilson, Hayes Davies, Jenkyns Davies and Bowling Beauf.

PLANS COMPLETE FOR COUNTY FAIR

First Annual Event to Be Held Four Days of Next Week—Gratifying Entry List.

(H. W. Sanders, Secretary)
Preparations for the first annual exhibition of the Prince William Fair Association are rapidly nearing completion and everything will be ready by Tuesday for one of the best agricultural fairs ever held in Northern Virginia. Provisions for housing the exhibits will be completed during the remaining days of this week when six tents secured for the purpose will be erected.

Although Monday, September 16, was set as the date on which all entries should close, a large number of entries have been accepted since that date. All departments will be filled sufficiently with entries to make a very creditable showing. In the agricultural and home economics departments the entries exceed many of the larger fairs in number and variety. Poultry exhibits so far exceeded expectations that additional provision had to be made for their care. In spite of the fact that this is a very busy time for farmers there are many interesting exhibits by local farmers in the horse department. Mitchell Harrison's Vint Hill Farm, Mrs. Johnston's Ladies' Riding School and Mrs. D. N. Lee, of Middleburg, are also among those represented in this department. A program of the order in which the classes in the horse show are to be shown will be distributed as soon as it can be arranged.

Lovers of cattle, particularly the dairy type to which this county seems best suited, will not be disappointed in the exhibits in this department. The largest entries were made by W. M. Johnson, of Manassas. Holstein breeders will have to get "on the job" if they want to win the sweetstake prizes over his Jerseys. Mr. Johnson's herd of Berkshires will also be well represented, as well as that of the Lawn Farm, Nokesville. Again, the attention of the Duroc breeders should be called to the strong competition they will meet from the numerous Berkshires breeders. The fair will furnish an excellent opportunity for a comparison of the relative merits of the two leading breeds of sows of our county.

One of the features of the fair will be the exhibits in the department of boys' and girls' clubs. The entries in this department alone would make a very creditable showing. Much credit is due the home demonstration agent and the boys and girls of the county who are going to make these exhibits second to none in the state. Especial mention should also be made of the interest that is being taken in the Better Baby contest. Approximately one hundred babies of the county will be entered in this contest which will be intensely interesting and instructive to all mothers. These are some of the things that will make the Prince William Fair well worth attending. Your attention is called to the advertisement of the association appearing elsewhere in this issue for a brief description of some of the amusement features and the entrance fees. The association is fortunate in being able to admit visitors without the usual war tax. A charge of twenty-five cents will be made for automobiles entering the grounds and police protection will be provided for them by the association.

MONUMENT TO MOSBY IN HANDS OF SCULPTOR

Shaft of Virginia Granite With Bust of Hero to Be Erected at Warrenton.

The monument to Col. John S. Mosby, to be erected at Warrenton, is now under construction, having been placed in the hands of the sculptor, Mr. Herbert Barber, of Luray. The memorial is to be a shaft of Virginia granite eight and a half feet high, with a white marble bust of the hero in bas-relief near the base of the column and suitable inscriptions. The monument will stand on the courthouse grounds in Warrenton.

The funds necessary for the completion of the monument still are short the sum of \$800, according to the announcement of Mrs. Edward Carter, of Warrenton, of the committee in charge. "It is hoped all who have promised to contribute and have not done so will communicate with me," says Mrs. Carter, "and many others now realizing the success of the monument will come forward and complete it."

HELP WANTED

Prince William would like to claim first honors in the matter of bumper crops, and particularly in the matter of fine corn. We believe, however, that we shall have to step aside this year in favor of our Loudoun neighbors.

According to a story in the Hamilton Enterprise, entitled "Some Corn," Mr. "Pete" Ballenger, foreman of High Point Farm, has a cornfield which resembles a great forest with heavy undergrowth. The other day Mr. Ballenger ventured into the forest to tie the shocks and, again according to the Enterprise, he found it so dark inside that he thought the sun had gone into an eclipse and the place was full of owls. He managed to follow his footsteps out and then with the aid of a lantern and a coil of rope fastened to him, so he could not lose himself, he completed the work. The Enterprise also reports that Mr. Ballenger reported in Hamilton looking for a gang of woodchoppers to harvest the crop.

Can anybody in Prince William help us out?

2000 FROM V. M. I. IN WAR

Virginia Military Institute alumni and Virginians everywhere may well be proud of the V. M. I. record of the late war. Approximately 2,000 alumni have served in the army of the United States here and in France, "many of whom," says General Nichols, "have laid down their lives on foreign soil in the great cause of democracy versus autocracy, of freedom versus feudalism." Approximately 1,800 young men were trained for military service during the war.

CONFEDERATES DYING RAPIDLY

The report of the state pension clerk shows a swift decrease in the ranks of Confederate veterans. It is assumed, of course, that they are dying out, but the statement that about ten per cent of the old 100 of pensioners have died during the past few months will be received with something of a shock. There are about 10,000 pensioners in the state, but 500 veterans are living in the Confederate Soldiers' Home at Richmond.

AND NOW THE GYPSY

Times are only tolerable when Gypsy life begins to lose romance. A cavalcade of nomads recently passed through the city of Richmond, not in the multi-wheeled pony wagons built to hold a gypsy family, old-fashioned in number—and perhaps even to hide away some fair-haired child held for ransom—not in the time-honored caravan of adventure, but in the lowly "sivver" of today.

WILL HE WIN?

The most novel bid for votes that has come to our attention in a long time originates in Stafford. Mr. Harry M. Shacklette, who has entered the Stafford county race for sheriff, offers to give to the county, if elected, one-third of his salary for any use on which the county may decide.

THE EVER-YOUNG

It is so brief a time From cradle to the grave, And life so sweet is all so fleet For bishop and for knave! Hard by the nursery door Old age, impatient, waits To pick his prey on that first day Of our uncertain Fate!

A step it is from youth To age with gray bedecked; A moment's flight to life's still night Alone with retrospect! Hardy the babe has crawled And hardly learned to walk, Till lo! he stands with pained hands Where faltering shadows stalk.

But fleet the race may run Swifter than darting dove And what care I, if one is by Whom my fond soul may love! Let wrinkles come, and gray Streak warnings in my hair— For love is youth in very truth, And love is always fair.

And I shall sit content By life's last fire, and see Our sweetest days where backlogs blaze, If you sit there with me! And as the embers die, Ashes the coals among, Our souls shall know life's fullest glow, For love is ever young! Henry Edward Warner in the Times.

THE UNIVERSAL CAR

The Ford car can well be called the "peoples car," because there are more than 3,000,000 of them in daily operation. That is about four to one to the nearest follower in the motor car industry. This would not be so if the Ford car had not for sixteen years proven its superiority in service, in durability, and in the low cost for operation and maintenance; this would not be so if the Ford car was not so easy to understand, so simple in construction that anybody and everybody can safely drive it. It is everybody's necessity because it doubles the value of time, and is the quick, convenient, comfortable, and economical method of transportation. We solicit your order. We have the full line, Touring Car, Runabout, Coupe, Sedan, Truck. We assure you the best possible in repair work with the genuine Ford Parts.

Question and Answer Column to Be Conducted by The Journal.

Questions concerning insurance and other matters of interest to discharged soldiers will be answered through the Journal by the Home Service section of the Prince William Red Cross Chapter. This week's questions and answers follow:

Q How long after my discharge may my insurance be renewed?

A You may be reinstated at any time within the first eighteen months by paying the premium for the month in which your insurance lapsed and for the month you are reinstated. No premium is required for the intervening months.

Q Is a physical examination necessary to have insurance converted?

A No physical examination is necessary to convert your insurance unless it has been over two months since you dropped it. In that case you must secure a physician's certificate that you are in the same physical condition you were in when discharged.

HALL'S CHAUFFEUR ARRESTED

Dry Agents' Driver Accused of Murdering His Wife on Monday.

Joseph S. Williams, twenty-five, chauffeur, is under arrest in Richmond as a suspect in the killing of his twenty-one-year-old wife, Daisy Louise, Monday morning at their Richmond home. Williams is the chauffeur who drove the party of prohibition agents to Fishers Hill last spring when Raymond Shackelford and Lawrence Hudson were shot to death as bootleggers by dry agents, four of whom now face trial on murder charges. He was a witness here at the recent trial of Prohibition Inspector W. G. Hall.

The arrest of Williams followed a grueling examination by police officers, says a Richmond dispatch, after it had been learned that Mrs. Williams had died from a blood clot on the brain, which the police believe resulted from a blow struck by the husband last Friday night. Mrs. Williams leaves a four-year-old son.

WHEN TO QUIT

When the grasshopper ceases to hop And the cows quit bawling. When the fishes no longer flop, And the baby stops squalling. When the dummer no longer dums And the hoot owl quits hooting, When the rivers ever cease to run, And the burglar stops his looting, When the vine no longer twines And the skylark stops his larking, When the sun no longer shines And the young man quit sparring, When the heavens begin to drop And the old maids stop advising, Then—it is time to shut up shop And quit your advertising. —Atlanta Constitution.

REPUBLICAN PLATFORM

The Republicans of the Fourteenth Senatorial District of Virginia submit to the voters thereof the following declaration of principals:

1. The election laws of our state are a travesty on justice and a crime against true democracy. To preserve the republican form of government in the state as guaranteed by the Bill of Rights of Virginia, we favor materially amending our election laws so as to make it easier for all honorable citizens to freely exercise the right of suffrage.
2. We favor the widest possible extension of our public school system and insist that large appropriations shall not be made to the higher institutions of learning of the state at the expense of the common schools.
3. We declare in favor of the abolition of the useless multiplication of offices in the state with the taxes to sustain the same.
4. We favor co-operating with the national government in road construction in our state and the widest possible extension of our good roads system to the end that the farmer may be connected with the station and the market so that country produce may be gotten to the consumer as cheaply as possible and thus bring down the high cost of living.
5. We favor the election of all officers by the people served.
6. We declare our sympathy with the farmer and the working people and shall favor legislation to prevent profiteering by middlemen and speculators, and to encourage production, thus reducing the cost of food, fuel, clothing and other necessities of life.
7. We favor a businesslike arrangement of the tax laws of the state so they will be readily understood and not be, as at present, a source of irritation and conflict.
8. We favor business economy and efficiency in public office and demand the proper auditing of the books of public officials.

On August 18th, Professor J. H. Dodge accepted our nomination on the above platform and all Republicans are hereby requested to give his candidacy their heartiest support and vote for J. H. Dodge for state senator on November 4, 1919.

They Win You On Quality!

Your enjoyment of Camels will be very great because their refreshing flavor and fragrance and mellowness is so enticingly different. You never tasted such a cigarette! Bite is eliminated and there is a cheerful absence of any unpleasant cigarette after-taste or any unpleasant cigarette odor!

Camels are made of an expert blend of choice Turkish and choice Domestic tobaccos and are smooth and mild, but have that desirable full-body and certainly hand out satisfaction in generous measure. You will prefer this Camel brand to either kind of tobacco smoked straight!

Give Camels the stiffest tryout, then compare them with any cigarette in the world at any price for quality, flavor, satisfaction. No matter how liberally you smoke Camels they will not tire your taste!
