

# BIBLE INSTITUTE HELD AT HEBRON

### Visiting Ministers Lecture at Inspiring Sessions at Nokesville Seminary.

(Franklin J. Byer, President of Hebron Seminary.)

The Bible Institute of Hebron Seminary had been postponed twice this year. First it had been planned for the week beginning December 11. But as it was necessary to make a change in one of the instructors, a later date was decided upon, which was the week of February 8-15. Then on account of much sickness—principally "flu"—and the inclement weather which was climaxed by a driving snow storm, it was necessary to postpone the institute a second time. The third date was set for March 7-14. The services of the first Sunday were conducted by the home ministers, as it was impossible for the instructors engaged to be present before the following day.

On Monday morning Dr. Paul H. Bowman, president of Bridgewater College, began the work of the institute proper. His lectures were based on St. Paul's Epistle to the Galatians. He introduced his work by giving a most splendid historical background of the Epistle. In these lectures it was shown very forcefully that the great issue before the Apostles was to keep Judaistic formalism out of Christianity—that the religion of Jesus Christ was destined to become a world religion and must not be allowed the baneful effects that would result from making it a Jewish Christianity. Dr. Bowman's work was helpful and much appreciated, and it was regretted that he could not remain longer than two days. But his many duties in connection with the college at this time did not permit his making a longer stay with us.

Dr. T. T. Myers, of Juniata College, who also arrived on Monday, lectured in a most masterly way on Paul's letter to the Colossians, and on the Epistle to the Hebrews. In these lectures it was shown very forcefully that Paul had a deceitful philosophy to counteract, which he met with the great truth that there is no message without the divine incarnation of Jesus—that sin in its last analysis equals abnormality and so many Christians are not what they should be because they are not in Him. In the Epistle to the Hebrews Dr. Myers showed in a powerful way the great superiority of Jesus as against even angels and that He is the prominent one in whom rests the great finality of all. In connection with these lectures Dr. Myers preached each night during his stay with us to large and appreciative audiences, the number of which increased from night to night. His work was of high quality and has accomplished much for us in the way of preparing us for more aggressive work in the future.

Thursday and Friday, Dr. T. S. Mohrman, president of Dubouffe College, was with us. He gave in all five lectures principally on Leadership, as the Apostles were trained in it by Jesus. Dr. Mohrman gave us the plain gospel truth in his own unique way and made deep and lasting impressions for good. The students in particular attended his lectures throughout and heard his messages with marked interest.

Besides three lectures given by the writer, there were two others by Rev. W. H. Sanger, of Oakton, Va. These lectures were on Stewardship Acknowledged and Recognized, and were of special immediate interest because of the relation they have to our Forward Movement program. In these discourses Rev. Mr. Sanger showed in a striking way that possessions are of divine ownership and are merely held in trust by those who have them, and that it is their duty to recognize this fact and to administer this stewardship to which they have been entrusted.

On Sunday, Rev. A. B. Miller, pastor of the Bridgewater College Church, preached in a powerful way both morning and evening on themes relating to and in the interest of the Forward Movement. His work was conducive to great good in that high ideals in regard to the Lord's work were set forth. During the afternoon the Volunteer Minister Board of the Seminary gave a program which was both instructive and inspiring. For in it the ideals of future leaders of the church were shown to be of such a character that efficiency and aggressiveness in her future work were strongly indicative.

Throughout the entire week the institute was most interesting and helpful. Some who had been here since the founding of the school spoke of it as being the best in her history. The institute was characterized as an institute in which Jesus was the dominating note.

## BUCKHALL

Mr. W. B. Winslow, of Independent Hill, visited at the home of his son-in-law, Mr. F. J. Chandler, on Wednesday, on route to Washington, D. C., where he is attending the conference of the M. E. Church, South. Some miscreants forced open the back door of the school house some time between Friday night and Monday morning and after ransacking the teacher's and children's desks made away with several armfuls of dry

kindling wood and the axe belonging to the school district. Mrs. George Hensley went to Alexandria one day last week to consult a specialist. Mr. and Mrs. Payne, of Washington, D. C., are visiting Mr. Payne's mother, Mrs. Lala Payne. Mr. and Mrs. H. M. Robinson have rented rooms with Mrs. John E. Tillett in Manassas and expect to move some time this week. Mr. Marsh purchased a horse from the Messrs. Harris last week. He also

purchased a cow and several pieces of farm machinery. Joe Hensley, jr., has returned from Alexandria. Miss Elizabeth Sonfrank, of Nokesville, spent Sunday with her parents here. The Larson children, of Washington, are visiting their grandparents, Mr. and Mrs. Thomas Larson. There will be no services at the Methodist Church next Sunday while

William S. ... at ... the conference at Washington. Stella Sonfrank, Lyla Sonfrank, Blanche Carter and William Russell Bowen were neither absent nor tardy during the month of March, according to the announcement of Mrs. F. J. Chandler, teacher of Buckhall School. Mr. Elery Payne, of Baltimore, visited his mother, Mrs. H. M. Robinson, last Sunday.

## OBITUARY NOTICES, ETC.

Memorial resolutions, cards of thanks, obituary notices of every kind (except a news account of a death when it occurs) are inserted at the rate of 25 cents an inch, payable in advance. If you do not know how much money to send, remit at the rate of 25 cents for every 35 words.

## A Death Blow to the High Cost OF GASOLINE

### 25 to 50 PER CENT MORE MILEAGE

Install the U. & J. CARBURETOR on your Ford car or truck and forget the HIGH COST of gasoline.

The U. & J. CARBURETOR gives your car a faster pickup, and it has the "Punch," and what you want in addition to economy and mileage is "Punch, Pop, Power and Flexibility."

We absolutely guarantee to reduce your gasoline bill, regardless of NAME, MAKE or PRICE OF THE CARBURETOR you are at present using on your Ford.

Over 1,000 installed in Washington during the past six months. The Washington Times says it reduced their gasoline consumption from 60 gallons per week to 20. The Old Dutch Market says it reduced their gasoline consumption from 7 gallons per day to 4 1/2 per day. Golden & Co. says it has cut their gasoline bill nearly in half. The Evening Star says it shows a mileage increase of 25 per cent.

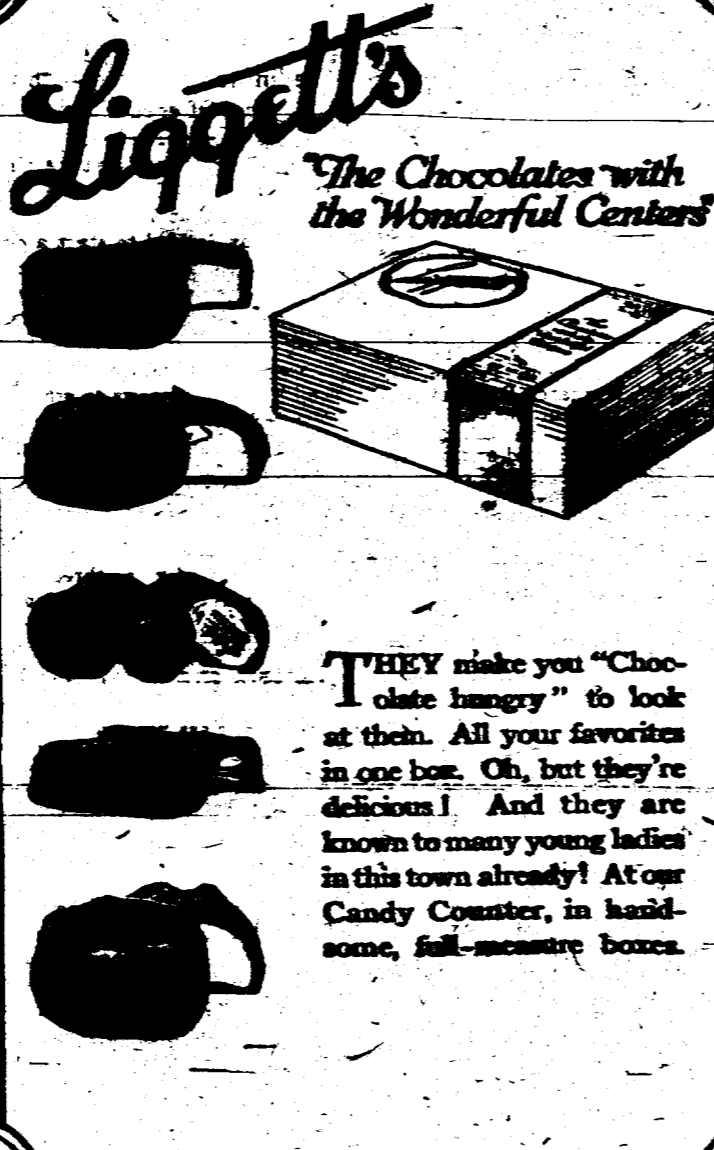

**GUARANTEE:**—If the U. & J. CARBURETOR fails to increase your mileage as above set forth, I will refund your money promptly, within 15 days.

There are no strings tied to this above guarantee or to this proposition.

If the above is true, you can't afford to be without the U. & J. CARBURETOR. If it isn't true, I can't afford to sell it to you.

Let me have your order "quick" and you will soon pay for it and own it. Otherwise, you will soon "pay" for it and "never" own it.

### EXAMINE OUR GRADES WHEN CONSIDERING PRICES:

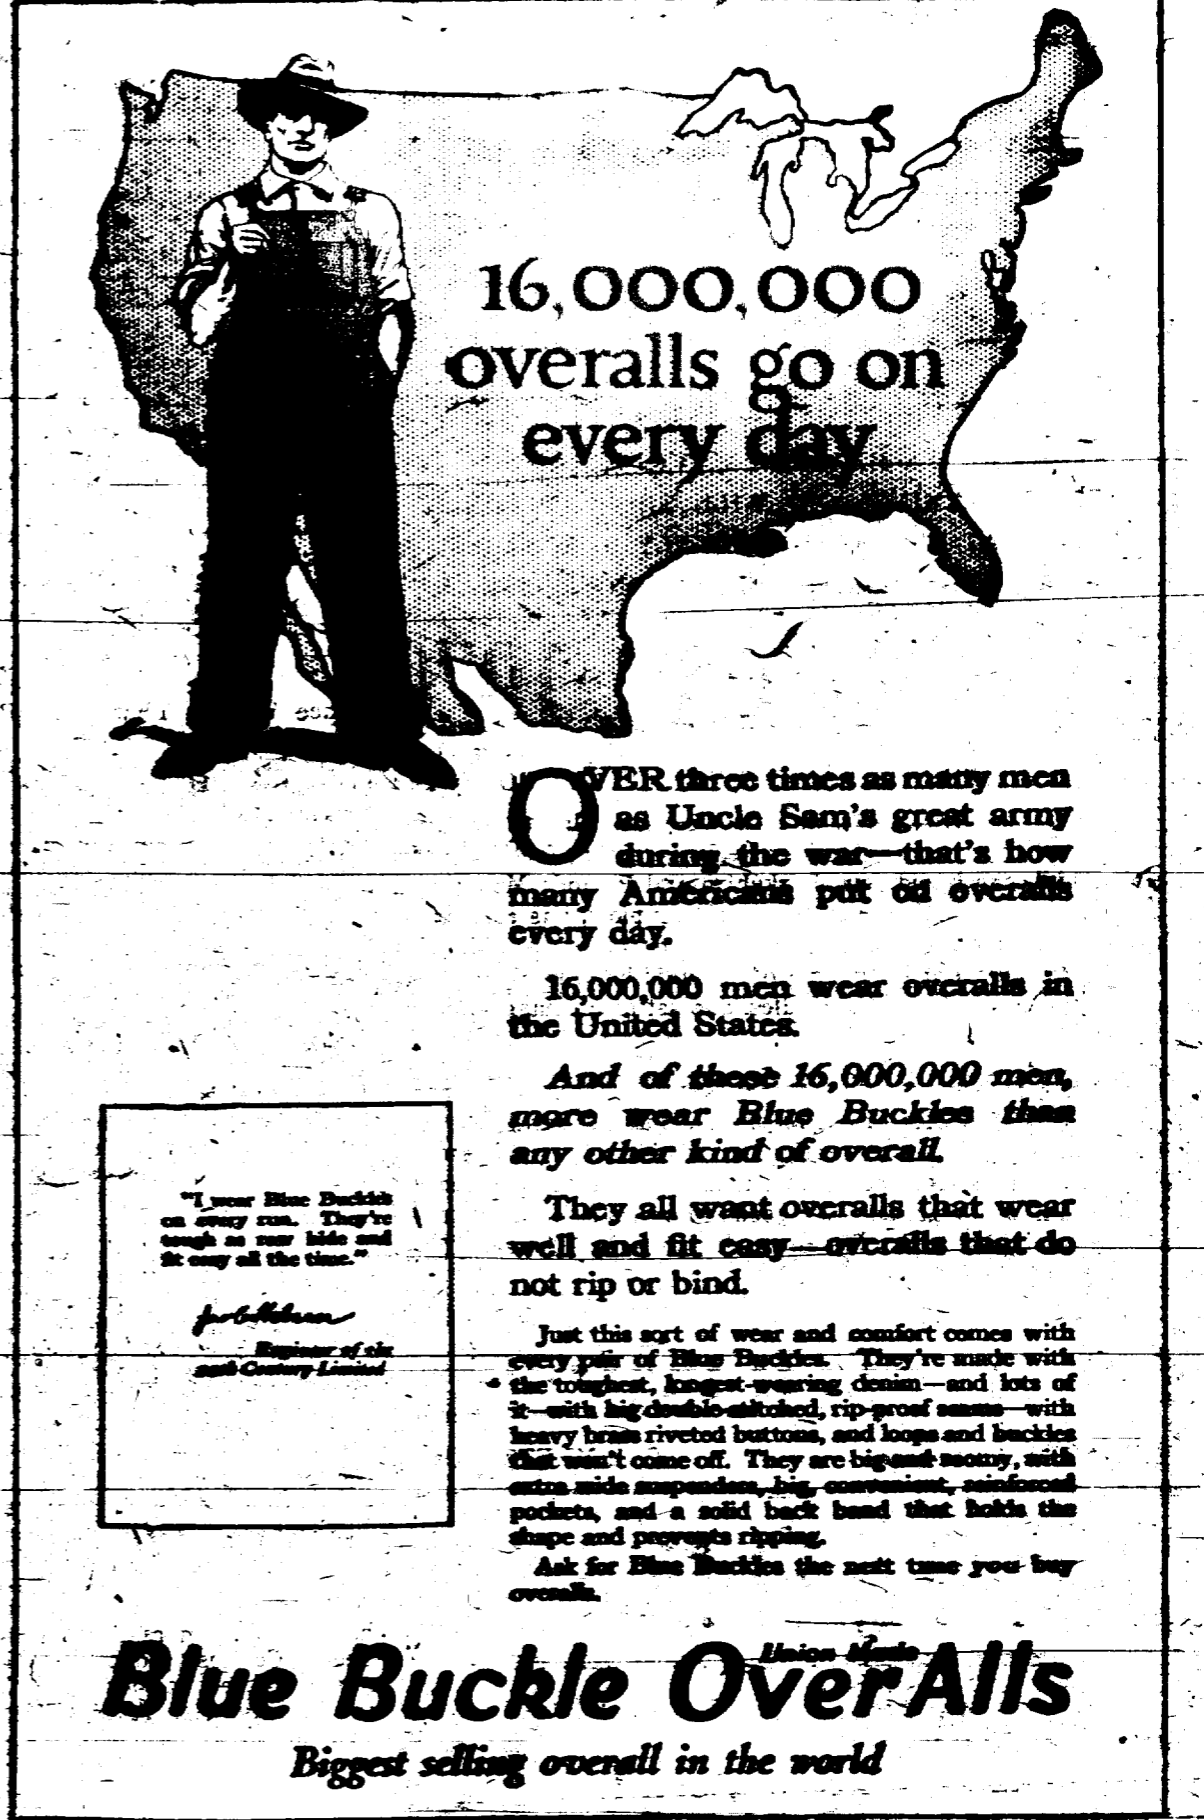

With prices on Lumber and other Building Materials at their present levels, there are many items in the lower grades which can often be substituted satisfactorily and at a considerable saving.

We have become so much impressed with the possibilities of doing this to advantage that we are exercising the greatest care in buying only from those mills who pay the closest attention to the manufacture and grading of their lower priced stocks.

We ask our customers to examine these grades when buying as we believe they will find some excellent values, and a knowledge of what a carefully selected lower grade really is will often prevent the buying of a so-called higher grade at a little under the market price for the high grade, when it is actually a lower grade and can be bought as such.

16,000,000 overalls go on every day.

OVER three times as many men as Uncle Sam's great army during the war—that's how many Americans put on overalls every day.

16,000,000 men wear overalls in the United States.

And of these 16,000,000 men, more wear Blue Buckles than any other kind of overall.

They all want overalls that wear well and fit easy—overalls that do not rip or bind.

Just this sort of wear and comfort comes with every pair of Blue Buckles. They're made with the toughest, longest-wearing denim—and lots of it—with big double-stitched, rip-proof seams—with heavy brass riveted buttons, and loops and buckles that won't come off. They are big and roomy, with extra wide suspenders, big, convenient, reinforced pockets, and a solid back band that holds the shape and prevents ripping.

Ask for Blue Buckles the next time you buy overalls.

#### THE FIRST FAVORITE POEM

The first favorite poem in the series to be published by The Journal is "The Light of Stars," by Henry Wadsworth Longfellow. This is the favorite poem of Miss Alice Marie Ewell, of Hickory Grove, brought a post and story letter.

Or rather it is one of a thousand favorites which share a special place in Miss Ewell's regard. Longfellow's "Haunted Houses," "April Day" and "The Light of Stars" are all favorites of mine, especially the last," Miss Ewell says. "Tonyson's 'Bugle Song' and 'Home They Brought the Warrior Dead,' I love—also Keats' 'Ode to a Grecian Urn' and Gray's 'Elegy.' Villon's 'Ballad of Dead Ladies' is one of the greatest poems ever written. They are just a few of a thousand favorites. I think on the whole I would choose Longfellow's 'Light of Stars.'"

Won't you send us your favorite poem? The Journal desires to dedicate some space to favorite poems—serious, elegant poems or poems in lighter vein. We want to print the poem that seems most worth while to YOU.

#### THE LIGHT OF STARS

The night is come, but not the sun;  
And sinking slowly  
All silently, the moon  
Drops down behind the sky.

There is no light in earth or heaven,  
But the cold light of stars;  
And the first watch of night is given  
To the red planet Mars.

Is it the tender star of love?  
The star of love and dreams?  
O no, from that blue tent above,  
A hero's armor gleams.

And earnest thoughts within me rise,  
When I behold afar,  
Suspended in the evening skies,  
The silent of that red star.

O star of strength! I see thee stand  
And smile upon my pain;  
Thou beckonest with thy mailed hand,  
And I am strong again.

Within my breast there is no light  
But the cold light of stars;  
I give the first watch of the night  
To the red planet Mars.

The star of the unconquered will,  
He rises in my breast,  
Serene, and resolute, and still,  
And calm, and self-possessed.

And thou, too, whoso'er thou art,  
That slender firm brief beam,  
As one by one thy lamps depart,  
Be resolute and calm.

#### WATERFALL

Miss Flora Smith, who has been visiting relatives in Washington, has returned to her home at Waterfall.

Mr. and Mrs. W. M. Foley and children were guests of Mrs. Foley's parents, Mr. and Mrs. Wolf, of Fauquier county, for the week-end.

Mr. Clarence Yeatman, of Clarendon, visited here on Wednesday.

Mrs. Eppa Pickett and children, of Washington, are visiting at the home of Mrs. J. P. Smith.

Miss Florence Gosson, of Mount Atlas, spent the Easter recess with relatives in Baltimore.

Services will be conducted at Antioch on Sunday by the pastor, Rev. Edward Tabor. Sunday School will meet at 10 o'clock. The election of officers will be held and a full attendance is urged.

Miss Lillian Gilbert, county home demonstration agent, visited the school on Thursday of last week.

The Community League feels much indebted to Dr. Harper and Messrs. Browning and Sandert, of Manassas, who were present at the March singing and added much to the entertainment of the evening.

#### MINNIEVILLE

Dr. and Mrs. Edgar C. Harper, of Manassas, attended the league meeting Friday evening. Dr. Harper gave a stereoscopic lecture on tuberculosis.

Miss Elsie Windsor is spending some time in Washington.

Messrs. J. T. and P. E. Clarke made a business trip to Washington Friday.

A number of young people attended a party given Saturday evening at the home of Mr. and Mrs. J. W. Dunbar, near Dumfries.

Miss Ocie Bailey, who is employed at Quantico, spent several days at her home here recently.

Mr. James Alexander, of Washington, spent the week-end with his mother, Mrs. E. J. Alexander.

Mr. Will Bailey is on the sick list. Miss Pauline Florence, of Washington, spent Easter at her home here.

The Minnieville school will hold its closing exercises on Saturday, April 17, beginning at 8 p. m. A program is being arranged under the direction of Miss Tracie Spitzer, teacher.

Mrs. J. T. Clarke is spending the week with her sister, Mrs. P. E. Clarke.

#### KOPP

Messrs. T. J. and Walter Woolfenden have purchased a truck and tractor from Mr. W. E. McCoy, of Manassas.

Messrs. Linwood Merchant and Guy Cline, of Dumfries, were Kopp visitors one day last week.

Mr. Kenneth Woolfenden, who is attending Manassas High School, spent the week-end at the home of his parents here.

Home's School will close next Thursday evening with a short program of songs, recitations and dialogues. Refreshments will be served.

# A Reminder!

Washington, March 7.—Plans for reducing the American family's meat bill were announced today by the Department of Justice, which will urge housewives to turn from the high-priced cuts to less costly portions of the woods.

Fair price commissioners in every state will be asked to direct educational campaigns with the co-operation of retailers and wholesalers, and the department will undertake to see to it that the consumer receives good meat at low prices and that no abnormal profits are taken on the low-priced portions.

"The housewife holds in her own hand the remedy for very high meat prices," said the department's announcement. "By turning from the expensive to the inexpensive cuts she not only will lower her own meat bills, but will drive down the price of the choice cuts and make it possible for meat to be merchandise more economically."

May we not be pardoned if we say, "I told you so!" Let us show you some of our meats that you can save big money on. We know you'll not be disappointed for

PLAYS ON STAR TEAM

Sergeant Clark Johnson, of Camp Humphreys, who spent the Easter holidays here with his parents, Dr. and Mrs. C. E. C. Johnson, came to Manassas from New York, where he took part in the army athletic meet at the 10th regiment armory. Mr. Johnson played guard on the Camp Humphreys star basketball team which finished the season without losing a game and was declared winner of the army championship for the Eastern Department. The Camp Humphreys team played two games at the meet, Mr. Johnson being injured in the first game while opposing the Camp Upton squad. Although not serious the injury prevented his participation in the second event.

MAIL DESTROYED

A sack of valuable mail thrown off at Manassas early yesterday morning by Southern train No. 25, southbound, was practically ground to pieces by a passing freight. While part of the mail was pieced together and identified it is understood that the accident will mean a considerable loss to some of the senders or addressees, including the banks whose checks were destroyed. Among the defaced letters delivered to The Journal was correspondence for publication from Bethel, Warrenton and Minnerville, some items of which it was impossible to read.

CLEAN-UP DAY COMING

Plans are being made for the observance of a general clean-up day throughout the county on Wednesday, April 21, when every household will be asked to make his home a more attractive and healthful place to live in. Every home will be urged to pay particular attention to (1) Adequate screening against flies and mosquitoes, (2) Thorough cleaning and airing of house, (3) Removal of trash, tin cans and refuse from yards, (4) Protection of water and milk supply (5) Sanitary disposal of sewage.

### REPORT OF COWS ON HONOR ROLL

Prince William Cow Tester's Work During March Shows Gratifying Results.

(G. W. Merchant, Jr., Official Tester)

Results shown by the March report of the Prince William Cow Testing Association indicate rapid improvement. Some herds are doing extra well, while others are not doing quite so well for the reason that an illness has given out in some cases and butyric acid is being fed as a substitute.

The members of the association continue to take great interest in the testing and breeding of their herds.

Mr. H. C. Allen, of Nekeville, has the distinction of being the owner of the cows making the best single production and the best herd production recorded during the month. The best single production for milk and butterfat was scored by Mr. Allen's grade Holstein producing 1983 pounds of milk and 89.73 pounds of butterfat. His herd, composed mainly of grade Holsteins, produced an average of 1010.3 pounds of milk and 42.80 pounds of butterfat, the best record of the month.

The following table gives the names and records of the cows in the association which have produced 50 pounds of butterfat or more during the month ending March 31, 1920:

- Nora of C. H. Jersey owned by Mr. J. B. Johnson, 1088 lbs. milk; 5 per cent of fat, 54 lbs. butterfat.
- Nig, Holstein, Mr. J. B. Mammal, 1449, 4.8, 69.55.
- Speckle, Holstein, Mr. J. B. Mammal, 1320, 4.3, 56.76.

### INDEPENDENT HILL

A party was given at the home of Mr. and Mrs. E. C. Linton Saturday evening, with thirty-five or forty guests in attendance. The evening was enjoyably spent with games and music.

Mr. Austin Greenwood, of Alexandria, spent the week-end at his home.

Mr. Ed. Herring, who has been quite ill, is slowly improving.

Mr. Worth Stork, of Manassas, was a week-end guest at the home of his mother, Mrs. George Copps.

Miss Bertha Woolfenden, of Kopp, recently visited her sister, Mrs. James Lutz.

Miss Annabel Merrill, of Manassas, spent her vacation at her home here.

Miss Bertha Linton has returned to Washington after spending her vacation at the home of her parents, Mr. and Mrs. E. C. Linton.

Mr. Leslie Merrill, who has been spending some time in Washington, has returned to his home.

Mr. and Mrs. Charles Linton and their little daughter, Dorothy Isabel, spent Sunday at the home of Mr. Linton's parents.

—Rev. K. Q. Burr, who has been suffering from gas in the upper arch of his teeth, was treated by his physician, Dr. Claggett, to Dr. J. W. Marshall, of Leesburg, for an operation Wednesday, which was successful and brought relief, said the Hamilton Enterprise of last week. Rev. (Mr. Burr, a former pastor of Grace Church in Manassas, has charge of the Methodist Church at Hamilton.

### TRACTS LANDING

—While driving to Belmont Chapel to hold services on Sunday afternoon, Rev. T. D. Harari had a narrow escape from perhaps fatal injuries when the horse, becoming frightened at an approaching automobile, nearly backed off the approach to the bridge, said the Loudoun Mirror. When rescued by several fishermen, the buggy was hanging far over the wall, with the horse struggling to keep his footing. To have gone over would have caused a drop of fifteen or twenty feet, with the horse on top of him, and the accident a most serious one.

—Rev. Harwood P. Myers, pastor of the Methodist Episcopal Church, South, at Emporia, who has special supervision of the Centenary campaign for the southern section of the Petersburg district of the Virginia conference, has been engaged to conduct a special series of revival services at the Methodist Church at Calpeper beginning April 18. Rev. Mr. Myers is the son of Mr. and Mrs. W. R. Myers, of Manassas.

THE UNIVERSAL CAR

There's the Ford Coupe, deservedly a very popular motor car because of its all-round serviceability. Equipped with electric starting and lighting system and demountable rims with 3 1/2-inch tires front and rear. Large plate glass windows. Generous sized doors—roomy seat, upholstery, and construction. Dust-proof and water-proof. Breezy and cheery in fine weather, cozy and dry in bad weather. All the established Ford merits of dependability, with small cost for operation and upkeep. For business and professional men who drive it is ideal and for touring and other pleasure driving it is the one car that defers all expectations. The demand is large so orders should be left with us without delay.

COUNTY AGENTS NOTES

Soil Wanted for Tests—Farmers to Meet at Bethel on April 21.

(W. L. Browning, County Agent) The County Agent would be glad to receive samples of soil from the farmers of the county to be tested, to determine the quantity of lime needed to correct the acidity of the soil.

There will be held at Bethel School Wednesday night, April 21, a farmers' meeting, looking toward the organization of a farmers' union local. This meeting should be of most vital interest to all the farmers of that section of the county, as every farmer should belong to such an organization. This meeting will be addressed by the County Agent and by O. A. Thomas, business agent for the state farmers' union. Mr. Thomas is an interesting and enthusiastic speaker, and a good attendance is urged.

BAPTIST WOMEN MEET

A meeting of the Baptist women of Group Five, Potomac Association, was held at Clifton yesterday, Miss Isabelle Hutchison, group leader, presiding. Five of the seven churches in the group were represented. "Victory" was the theme of the meeting, with emphasis on Enlightenment, Evangelism and Enlistment, all of which was ably discussed by Mrs. J. L. McCutcheon, of Leesburg, Potomac superintendent; Mrs. Washwood Hutchison, of Manassas, retired superintendent, and Mrs. Robert A. Rust and Miss Ruth Huffish, of Haymarket. Miss Susan Ish Harrison, president of the Manassas girls' auxiliary, made a report of the work of her organization. Devotional services were conducted by the Clifton pastor, Rev. Edward Tabor, who also made an address of welcome.

RESOLUTION OF RESPECT

Whereas, Agreeably to the command of Him who created us, Brother John R. Tillett, for many years an honored and respected member of this Lodge of Ancient, Free and Accepted Masons, met and received the Messenger of the Supreme Architect of the Universe, and was wafted over the tempestuous seas of life to the world beyond on the afternoon of March 28, 1928; and,

Whereas, Brother Tillett was a consistent mason by honoring its institution and ever guarding its tenets, in commending to his inferiors, obedience and submission; to his equals, courtesy and affability; to his superiors, kindness and condescension, and practicing universal benevolence, ever following the dictates of the better part of man in a quiet and unostentatious manner by being endowed with the greatest virtue given to mankind, that of charity, which extends beyond the grave throughout the boundless realms of eternity; it is therefore with regret we here record the severance of our social association with our departed brother. Therefore, be it

Resolved, That it is with sincere regret we have this 25th day of March, A. D. 1928, A. L. 5928, laid to rest the earthly remains of our departed brother, John R. Tillett, thereby covering our earthly ties, and we hereby express our deepest sympathy for his bereaved widow; and be it further

Resolved, That these preamble and resolutions be spread on the minutes of this meeting and a copy thereof over the signature of the Worshipful Master, and attested by the Secretary, under the seal of this Lodge, be delivered to our departed brother's widow, as a testimonial of our esteem and sympathy.

Concrete Watering Troughs are Sanitary and Last Forever!

GIVE your stock fresh, clean, pure water. And keep it clean and pure in a Concrete Trough. Concrete will outlast anything else you can use; never needs repairs and will always be clean, disease-proof, rust-proof and rot-proof.

Concrete is the modern construction material. It's the farmer's easiest, quickest, least troublesome and cheapest-in-the-long-run way to build any farm improvement under, on, or above ground. Properly placed and once "set," Concrete is as strong as solid stone, and as everlasting. Concrete Improvements cost the farmer less because he has on his land, or nearby, practically everything he needs, including the labor. All he needs to get is

SECURITY PORTLAND CEMENT for STRENGTH

Security Cement is Standard quality; made according to Government Specifications, and guaranteed uniform in quality and strength.
