CLIFTON

The remains of Mrs. Elizabeth Buckley, who died April 15 in Beale City, were brought to Clifton for interment on Sunday, arriving on the C. & O. train about 4 p. m. Services were conducted at the grave by Rev. T. Hugh MacLeod, pastor of the Presbyterian Church, of which Mrs. Buckley had been a regular and consistent member and attendant during her residence in this section.

Mrs. Buckley was the widow of James F. Buckley, who died twenty-eight years ago. Before her marriage she was Miss Elizabeth Palmer, of Pleasant Valley vicinity. She was married to Mr. Buckley something over fifty years ago and made her home at Centerville during the first years of her married life, Mr. Buckley being in the mercantile business there. Later, when Mr. Buckley retired from business, they came to reside here at the old Buckley homestead which is now included in Ivakota Farms, owned by the Florence Crittenton Mission. After selling the farm, Mrs. Buckley continued to reside in this section until giving up her home to live with her daughter, Mrs. John Rhodes, of Basic City.

Mrs. Buckley retired for the night last Thursday, seemingly in her usual health and bright spirits, and next morning was found dead in her bed.

She is survived by five children: Mrs. Webb French, of Fairfax county; Mrs. Jennie Allbright, of Sacramento, Cal.; Mrs. John Rhodes and Mr. Martin Buckley, of Basic City, and Mr. Herbert Buckley, of Washington. She is also survived by several grandchildren and a sister. All the children were present at the funeral except Mrs. Allbright.

Mrs. Buckley had many friends. Quite a number came to the funeral from Washington, Maryland and other neighboring points. There were many beautiful floral offerings, among which were one from Mrs. Allbright, the absent daughter, and one from the Governor of California, Mrs. Allbright being the Governor's secretary.

Mrs. E. R. Buckley was called on Saturday to the bedside of her daughter, Miss Esther Buckley, at Frostburg, Md. Miss Buckley is quite ill, having symptoms of typhoid. Her friends have expressed the hope that the symptoms may remain symptoms and not develop into anything more serious.

There were the usual services at the Presbyterian Church Sunday morning. Announcement was made of a congregational meeting after the morning service next Sunday to select trustees and transact other business.

Mr. R. R. Buckley has been elected a delegate from the Washington Presbytery to the General Assembly of the Church, which meets in May at Winona Lake, Wis.

It was reported that the meetings planned for the first of May would be deferred. Rev. Edward Wright, of Ballston, who is to conduct the meetings, is also a delegate to the General Assembly and as the dates conflict it is necessary to postpone the Clifton meeting.

Miss Antonia Ford, of Washington, was a Sunday visitor here.

Mrs. George Kidwell has been ill during the week, but is reported much improved.

The Baptist congregation had their usual evening service. Rev. J. W. Frye took the train that night for his charge in Vermont. He expects to return in September to take charge of the field permanently.

Miss Gladys Calhoun entertained her friends and schoolmates Monday evening in honor of her birthday. All the attendants testified to having a delightful evening.

The Manassas high school baseball nine crossed bats with the Clifton team last Thursday on the Clifton diamond, the score being 11 to 8 in favor of Clifton.

At a recent meeting of the Civic and School League the committee on the community sale recently held reported a net profit of \$108. A vote of thanks was tendered to those who conducted the sale.

Mr. Major, principal of the school, read a letter from a high school inspector, giving points to be brought up before the school can be fully accredited and stating that unless these improvements are made before next term the school will revert to a two-year high school. It is certain that the citizens of the community do not want this to happen and a full attendance is expected at the meeting to be held the first Friday in May, to assist with plans for raising money to make the changes necessary.

The church of the Seventh Day Adventists has been torn down and the lumber is being hauled to Takoma Park, D. C., to be used in building a church there.

The moving picture house gave its first performance Saturday evening.

"White Rose"
THE ALL-PURPOSE FLOUR

Not every Flour is suitable for all types of baking. Some are good for biscuit and other coarser baking. Others are well adapted for cake making but serve none too well for the breakfast wheatcakes.

Isn't it a fact that you would rather have an all-purpose Flour—a Flour that from the careful selection of the grain, on through the cleaning and grinding and sifting stands out as being especially well adapted for all kinds of baking?

White Rose—the Flower of Flours—is that all purpose Flour you have been waiting. It is ground in a big, modern mill of ninety barrels a day capacity. It is sold at a moderate price and can be had at all times in every section of Northern Virginia.

There is but one way to convince yourself, Mrs. Housewife, of the uniformity high quality of White Rose Flour—and that is by giving it a trial in your home. If your grocer does not carry White Rose send us his name and we will see that you are supplied.

We make but one grade of Flour—the very best—and it is known by the name it will pay you to remember—WHITE ROSE.

T. Allen, who died at his home near Nokesville, April 15, 1921. Gone, but not forgotten, dear father, Gone from your home here on earth; But I know you are safe in heaven, And free from all pain here on earth. Our home is sad and lonely now, The one we loved dearly is gone; But we hope to meet you in heaven When our days here on earth are done. When I think how you suffered, dear father, How your whole body was racked with pain, Though we miss you so much, father, We cannot wish you back again. As we stayed by you, day and night, Trying so hard to relieve, The angels were waiting near, Waiting your dear soul to receive. Now you are safe in the arms of Jesus, Safe on his gentle breast, Safe from all pain and suffering, Safe in heaven, and at rest. By his loving daughter, BESSIE. LEESBURG CONSIDERS PLAN. Directors of the Chamber of Commerce at their meeting Monday night acted on several matters of interest and importance to Leesburg and took the first step toward bringing definitely before the people of the town the subject of adopting the business manager system of government. This was partly the result of action taken recently at Manassas, where the citizens in mass meeting, after hearing an address from City Manager Holsinger, of Staunton, one of the first cities in the country to adopt the plan, voted unanimously in favor of it. The directors decided to bring the matter before the council and try to arrange to have Mr. Holsinger come here at an early date and speak.—Loudoun Mirror. —Rev. William Stevens will begin a series of sermons on "The Life of Jesus" at Grace M. E. Church, South, on Sunday at 11 a. m. He will also preach at 8 p. m. and at Buckhall at 8 p. m. —Mrs. Fannie Fox, wife of Montgomery G. Fox, died April 11 at her home at Vale, Fairfax county. Besides her husband she leaves a son and daughter, Miss Jane Fox and Walter Fox.

Doesn't Your House Need Painting?

In Manassas and throughout Prince William, many a dwelling, barn and outbuilding is fast decaying through lack of a good protective coat. Failure to paint now means the hastening of the day when rebuilding will be necessary, and is adding to the up-keep cost a few years hence.

Spring is a fine time to paint. If you can not get a painter to do the work, we may be able to find one for you. But do not let it go undone. If necessary, find some way of doing it yourself, as too much is at stake. Remember, one paints not for beautifying primarily, but for surface protection.

\$23.30 Will Buy the Paint If House is of Average Size

Using Longman & Martinez Semi-Paste Paint, which is guaranteed pure and the equal of any made, a house of average size, say 25 feet wide, 30 feet long and 20 feet high, for two coats will require but 5 gallons of L. & M. Semi-Paste Paint @ \$4.00 and 3 gallons of Pure Linseed Oil @ \$1.10, making the total cost of material only \$23.30.

When you save the surface you save all. Is not now the time to protect your buildings with L. & M. Paint?
