BAPTIST WOMEN IN CONVENTION

Held Annual Session at Antioch Church Near Haymarket—Officers Elected.

The following account of the recent Baptist meeting at Antioch is taken from a press report furnished by the W. M. U.:

The Woman's Missionary Union of the Potomac Association of the Baptist Church, held its annual session at the Antioch Baptist Church Wednesday, July 23.

Mrs. Westwood Hutchison, of Manassas, presided over the meeting and Mrs. Blanche Wilkerson, of Del Ray, was acting secretary in the absence of Miss Mamie Williamson.

After routine business and reports from different societies, the principal address of the day, on "The Great Forward Movement," and the \$75,000,000 campaign for Baptist Church extension, was given by Mrs. McCutcheon, wife of Rev. E. L. McCutcheon, who has recently come from Richmond to take the pastorate of the Baptist Church at Leesburg. Mrs. Geo. W. Hawhurst, of Falls Church, spoke on "Stewardship," Mrs. C. H. Lane, of Glenvarly, on "Religious Education," and Miss Virginia Lane, on the work in the colleges. Mrs. W. P. Frawley, of Falls Church, sang the associational hymn, "Thy Trim My Lamp."

Mrs. Westwood Hutchison, who has been superintendent of the W. M. U. for over fifteen years, insisted that some younger woman should take up the duties of the office and her resignation was accepted.

The following officers were elected for the ensuing year: Superintendent, Mrs. E. L. McCutcheon, of Leesburg; secretary, Miss Mamie Williamson, of Alexandria; treasurer, Mrs. Geo. W. Hawhurst, of Falls Church. The 1920 meeting will be held at the Del Ray Baptist Church, beginning on the first Wednesday following the Virginia Beach Encampment. It was decided to have a five-day session.

PROTRACTED MEETING OF BRETHREN CLOSES

Rev. Mr. Barick Leaves for Selma to Conduct Series of Meetings There.

(Received too late for last issue) "Remember Jesus Christ"—This farewell message was delivered to an audience both seen and unseen on Sunday night. The church was filled to the limit of its seating capacity, and seats and carriages placed near the windows held the unseen part of the audience. The stirring message reached the depths of the soul and six were proclaimed Christ their Savior, thus making twenty-nine volunteers for King Emmanuel's army.

A few snatches from the sermon: "Some folks are so crooked they can hide behind a cork screw, but Christ can straighten them out. We want to look upon the face of Christ like Ernest did upon the Great Stone Face until men can see in us the image of Christ. Thinking of Christ will get the business out of our religion for too many of us are like the letter P, first in pity and last in help. We can follow in Jesus' steps though we cannot fill them."

On Monday evening a large crowd was gathered to witness the baptismal scene near Millford Mills. The sun shone in all its glory and power and the presence of the Son of Righteousness could be felt as Rev. Mr. Barick and Rev. Mr. Kilne performed the sacred rite.

The good attendance and liberal offerings prevailed throughout the meeting. It is certainly the largest in the history of the Christian Church here. Rev. Mr. Barick left July 30 for Selma to continue his evangelistic work.

BOY SCOUTS TO RECEIVE LIBERTY LOAN AWARDS

Honor Flags Presented Through Scoutmaster Bibb to Troop and Two Scouts.

Scoutmaster Bibb has received from the Treasury Department three industrial honor flags of the Victory Loan, one of which will be preserved by the Manassas Boy Scout troop, while the other two will be awarded to individual scouts. Allison A. Hoot, Jr., son of Mr. A. A. Hoot, of Manassas, and Leon E. Waters, son of Mr. and Mrs. Robert A. Waters, of Dumfries, are the scouts who will receive the individual honors. Mr. Bibb's letter of instructions, which accompanied the flags, follows:

"This bureau is sending you here-with three of the Industrial Honor Flags of the Victory Liberty Loan. One of these is for permanent preservation by your troop, in recognition of the great service performed by the Boy Scouts of America in co-operation with the War Loan Organization of the Treasury Department in the Liberty Loan Campaign. The other two should be awarded by you to those individual scouts, who, in your judgment, have achieved the highest record of Liberty Loan service."

County Clerk Tyler and Sheriff Barbee Re-Elected—C. A. Sinclair Goes to House of Delegates—Robertson Succeeds Corner as Supervisor.

Walter Tansill Oliver, of Fairfax, in Tuesday's primary election was nominated for the state senate over Christopher J. Meetsie, of Prince William, by an estimated majority of 400 votes. Each candidate carried his home county and the winning candidate carried Alexandria county and city, the county and city vote being 479 to 458 and 908 to 819, respectively. Mr. Oliver, who is a Fairfax attorney, at the general election in November will be a candidate to succeed Hon. Ewell Thornton, who has represented the Northwest senatorial district for a number of years and who declined to be a candidate to succeed himself. Mr. Oliver's opponent by the democratic party, however, is equivalent to election.

George G. Tyler, the present clerk, defeated James Birkin by a majority of 480, the result being 748 to 268 and the victor carrying every precinct except Wellington, where the vote was 20 to 27.

Sheriff Charles A. Barbee was nominated to succeed himself by a majority of 181, with 598 votes to 417 received by his opponent, Robert M. Weir, who carried Manassas, Brentsville, Aden, Wallington and Horton's Store.

Supervisor J. J. Conner, of Manassas district, lost to Andrew S. Robertson, of Wallington, by a vote of 125 to 206. Supervisor McDuff Green, of Brentsville district, received 186 votes to 63 cast for his opponent, H. W. Magrini. The result in Cales district was in favor of Supervisor T. M. Russell, who won over E. E. Corwell by a vote of 96 to 35. Supervisors O. C. Hutchison, of Ocoquan, and J. L. Dawson, of Ocoquan, unopposed in their respective districts, already had been declared the nominees. William Crow, the only candidate from Dumfries, also had been declared the democratic nominee for supervisor to succeed supervisor J. T. Syncox, who was not a candidate for re-election.

HEEFER DISAPPEARS FROM FAIRFAX HOME

Black and White Holstein Belonging to Mr. W. A. Marshall Lost for Weeks.

A black and white Holstein heifer disappeared a month ago from the farm of Mr. W. A. Marshall, of Compton Store, Fairfax county, near Manassas, and although search has been made on neighboring farms no trace of the cow has been found.

More than six weeks ago, when Mr. Marshall's barn was being painted, the cow drank about two gallons of green and yellow paint and oil and became violently ill. The cause responded to treatment, however, and the cow had so far improved as to be turned out to pasture when she disappeared. It is said that wandering is characteristic of animals similarly poisoned and Mr. Marshall is hoping to have some of the heifer some distance away from home. The place has been so thoroughly searched for traces of her that it is certain she could not have met with an accident at home.

—Rev. Moy Gwong, of the Church of the Brethren, will speak at Compton Branch Church tomorrow evening at 8 o'clock. He is a native Chinese who left his wife in China a number of years ago and came to America to gain wealth. In Chicago he came in contact with Christians and later himself became a loyal supporter of the church. He has attended Bethany Bible School in Chicago and is now taking the college course, after the completion of which he will return with his message to his people in southern China.

Hutchison, of Ocoquan, and J. L. Dawson, of Ocoquan, unopposed in their respective districts, already had been declared the nominees. William Crow, the only candidate from Dumfries, also had been declared the democratic nominee for supervisor to succeed supervisor J. T. Syncox, who was not a candidate for re-election.

The county democratic committee was elected as follows: Manassas district—H. Thornton Davies, J. P. Leachman, D. J. Arrington, A. A. Hoot and Theo. H. Lion.

Coles district—G. A. Barbee, Granville Keys, M. C. Helmes, B. R. Lowe and B. W. Barba.

Ocoquan district—E. T. Corwell, G. M. Davis, Tyson James, F. W. Hornbaker and G. F. Pettit.

Dumfries district—G. M. Ratcliffe, L. E. Merchant, William Crow, W. H. Keys and Ennis Williams.

C. A. Sinclair, democratic candidate for the House of Delegates, was an easy winner in the special election held at the same time to elect a representative from Prince William to the special session of the House which convenes next week. Mr. Sinclair, already declared the democratic nominee for the November election, will fill the unexpired term of C. J. Meetsie, resigned. Mr. Sinclair received 794 votes, to 174 cast for J. H. Dodge, republican, and 22 for C. Fitzwater, "wet" candidate.

CHARGED WITH SHIPPING WATERED MILK TO CITY

Producers of Maryland and Virginia Summoned to Appear in Washington.

Charged with shipping adulterated milk into the District, eight producers in Maryland and Virginia were summoned Thursday of last week by Health Officer Fowler to appear before him for a hearing prior to August 9. The health department will give each producer an individual hearing.

The charges were made by Health Inspector Ashworth, after a rigid investigation. The producers, it is believed by the health department inspectors, watered their milk so as to equalize their profits with the Washington dairymen. Local dairymen increased the price of milk July 1, while the producers' milk, which was not as a standard for the summer, remained stationary. Inspector Dawson.

—The bi-county short course for girls of the Fauquier and Prince William Agricultural and Home Economics clubs will be held at Hebron Seminary Monday, Tuesday, Wednesday, Thursday and Friday of the week beginning August 18. Miss Lillian V. Gilbert and Miss Mary O. Ambler, county home demonstration agents in charge, will be assisted by agents from other counties. One member of each club, the president or secretary, will attend and all club members are invited to attend the course as day visitors. Try our Business Local—they will bring results.

GREENWICH FIELD DAY REPORTED BIG SUCCESS

Large Crowd Attends Yesterday's Event—Refreshment Stand Nets \$175.

The field day at Greenwich yesterday has been voted a huge success. A large crowd graced the occasion and two ball games and several flat races were the order of the day.

The morning game was played by Greenwich versus Catharpin, the score being 10 to 4 in favor of Greenwich. Frank Cockerille, of Greenwich, made two triples and the fielding feature was a great catch made by Dan House while on a dead run.

In the afternoon, as the Warrenton team failed to appear, Greenwich played against a picked team from Catharpin, Gainesville and Warrenton, winning again by a score of 16 to 1.

The flat race, open to all, was won by Raymond Pearson. The refreshment stand was managed by a number of young men, members of the Greenwich Presbyterian Church, who had decided to give the proceeds to the church for interior decoration, and about \$175 was realized for that object.

FARMERS' PICNIC SET FOR FRIDAY

Large Attendance Expected by Committee of Arrangements—Letters of Regret.

A large crowd is expected to attend the farmers' picnic and rally to be held on the courthouse green next Friday under the auspices of the Woman's Auxiliary to the Farmers' Institute. A bountiful basket lunch will be served, every family supplying a basket. Prominent speakers are expected.

President Wilson and Secretary Glass have expressed their regret that they are unable to attend. Mr. Jos. P. Tumulty, secretary to the President, in a letter to Miss Lillian V. Gilbert, county home demonstration agent, says the President "asks me to thank you warmly for the courteous invitation which you extend to him. He is most appreciative, but unhappy he is hardly able to get away from Washington at that time."

The Secretary of the Treasury writes that he would be delighted to accept if public business permitted. "However, I am so constantly occupied with pressing public questions," says Mr. Glass, "that I cannot detach myself from duties here, and therefore must forego the pleasure of joining with the people of Prince William county in this affair."

SERVICE AT DUMFRIES

Rev. W. T. Wine, Rev. Henry Nicol and Dr. Crawford Officiate.

The Dumfries Baptist Church held its dedicatory service at three o'clock on the afternoon of July 31, with a large congregation in attendance. Rev. Henry Nicol delivered the sermon and also led the singing. Mrs. Nicol presiding at the organ.

The dedicatory prayers were offered by Rev. Mr. Nicol and Rev. W. T. Wine. Dr. Crawford, an eminent christian worker of the south, who at present is located at Dumfries, read the Scripture lesson, by request of Rev. Mr. Wine.

At the close of the services a collection was taken, the amount received covering the debt on the church. Rev. Mr. Wine held a meeting at this church some weeks ago, at which time five new members were received into the church, one on christian experience and the others by baptism. It is expected that a permanent pastor will be called in the near future.

KNIGHTS OF OLD AT COUNTY FAIR

Old-fashioned Tournament Will Be Closing Event of Fair Week at Manassas.

Miss Lillian V. Gilbert, County Home Demonstration Agent An old-fashioned tournament will be the closing feature of the Prince William county fair.

Where is the boy who has not read of the knights of old, and whose heart has not been stirred until he was ready to undergo almost any hardship when he heard that wonderful story, "How Cedric Became a Knight?"

Girls and boys have heard father and mother and grandparents tell how the knights of old rode and how the fair ladies wore crowned queens of love and beauty. Is it not fair that again that old English custom be revived in our county? Fairfax has her tournaments annually.

Besides the fun to be gotten out of it, there is fine training for young men and boys. General Lee, during the Mexican war, wrote home to Mrs. Lee, "I hope Annie is well. Tell Robert and Fitzhugh to learn to ride well and to shoot well."

To be successful knights, training is necessary. It is suggested that in each magisterial district the young men select a good location and begin training, so that when the final day comes and the charge is given to the knights, they will each go forth determined to win.

All men and boys who wish to take part in the tournament are requested to send name and address to the county agent or to Mr. H. W. Sanders, secretary of the fair association.

Instructions for plan for practice can be obtained from the office of the demonstration agent. Marshal for the tournament will be appointed in due time. May we not hear from some of the "Knights of Old" through the columns of our county papers?

CELEBRATIONS HONOR

HOME-COMING SOLDIER

Loudoun and Warren Counties Welcome Their Returning Heroes—Crowds Attend.

Loudoun county's celebration for her returning soldiers last Friday at Leesburg was a big event. The day's events included the presentation of the keys of the town and medals to all Loudoun soldiers, sailors and marines; an address by Governor Davis, a band concert, dancing, singing and other entertainment by New York professionals; supper served by the Red Cross, square dancing on the courthouse lawn and round dancing at the town hall, and the presentation of medals to Mrs. E. B. White and Mrs. W. W. Chamblin in recognition of service rendered through the Red Cross.

A tremendous crowd attended the recent three-day homecoming celebration at Front Royal in honor of her returning soldiers. The Quantico marine band gave concerts and trucks gave thrilling exhibitions. Airplane flights, however, did not materialize as scheduled. One of the planes in landing hooked its wing on a fence post and savagely veered into a house, pushed the porch off to a side, and so injured its wing that further flying was out of the question. The other in going up later in the evening struck its nose into a group of telephone wires and slipped helplessly to the ground, its flying ability gone. This accident broke telephone communication between Washington and that section of the Valley.

Miss Inno McGill returned this week to Loingill after an enjoyable visit to South Dakota, where she attended the great congress of the Catholic Sioux, held July 11-14 at Oak Creek on the Rosebud Reservation.

By motor, in rides covering 600 miles, Miss McGill visited the missions and the government agencies on the Rosebud, the Pine Ridge, the Lower Brule and the Yankton reservations, after which, in company with friends from New York, she made a tour of the Black Hills that included a stay at Hot Springs and Rapid City.

Camping Party Ends

Haymarket will be enlivened on Saturday by the return of the boys from "Camp Haymarket," on Goose Creek, where they have been for nearly two weeks under the care of Rev. T. M. Browne. The camp has not only been a source of much enjoyment to the boys, but has proved an attractive resort for motor parties from this vicinity. On Saturday afternoon Mrs. C. D. S. Clarkson carried over a party of twelve little girls and treated the whole camp to an abundant supper of fried chicken, ice cream and lots of other good "ests."

TAKE CARE OF YOUR UNIFORM

An interview with Adjt.-Gen. Henry M. Warfield, of Maryland, recently printed by a Baltimore newspaper, may well be quoted for the benefit of Prince William soldiers. As much may be said in tribute to Prince William boys and the suggestion made is worthy of attention. The interview follows:

"The Maryland men of the Army, Navy and Marine Corps have upheld the high standard established by our forefathers in the earlier wars of our country and are returning. The welcome given them was but a slight token of the affection and admiration in which they are held by their fellow-citizens. They will soon receive their discharge from the service, and again take their place in the ranks as private citizens. Our Government has permitted them to retain their uniform, and I want to suggest to them that they take care of these uniforms. I have been distressed to see upon several occasions men who were apparently discharged soldiers working in their uniforms as they would everalls. In passing a garage I saw a man with his uniform covered with grease. I am confident that his use of the uniform is due to thoughtlessness. The discharged soldier should preserve his uniform and in the years to come he will look at it with pride, and when he dies leave it as a rich legacy to his heirs, who will regard it as a most precious inheritance; one which the coming generations of his family will treasure as having been worn by an ancestor in the great war of 1917-18. We all know of families today who are treasuring the uniform of some ancestor worn in the Revolutionary War, War of 1812 or the War of 1861 to 1865.

"I feel sure that if this is brought to the attention of our gallant soldiers it will receive their consideration."

CONGRATULATING SENATOR MARTIN

Senator Thomas Staples Martin, who is recuperating at his Charlottesville home from a breakdown due to overwork, recently received the congratulations of all Virginia on the occasion of his seventy-second birthday.

Senator Martin's public career in the senate, which began March 4, 1886, is a source of pride to Virginians and to his many friends the country over. He is now the ranking democrat in point of service, and next to Senator Lodge, republican, outranks all other senators in years of service.

He was majority leader during the war Congress and at the same time chairman of the committee on appropriations. The appropriations committee, always one of the most important assignments in congress, voted war expenditures totaling nearly \$50,000,000,000.

Senator Martin found this great war service open to him fifty years after his active participation as a soldier of the Confederacy in the war between the states. Senator Martin and Senator Bankhead, of Alabama, are the only Confederate survivors now in the senate.

WOMEN'S WAR WORK

The women of America may justly own to a keen sense of pride in the recent Red Cross report which shows that during the eighteen months ending January 1 American women mobilized for war work under the Red Cross devoted nearly 300,000,000 hours to the service of the nation and produced more than 254,000,000 articles valued at approximately \$81,000,000.

It is estimated the 3,000,000 women volunteered their services within thirteen Red Cross districts, Prince William contributing her share.

FIGHTING THE FLU

An appropriation of \$1,500,000 to prevent the recurrence of the influenza epidemic, to be expended by the Public Health Service, is provided by a bill introduced in the House by Representative Fess. A million and a half is a large sum, but if medical authorities believe the expenditure will help even in some measure to prevent another siege of influenza, the bill should have very hearty support.

Even buttermilk, in other days a health drink par excellence, since July 1 has confessed to an unwholesome "kick" when exposed to certain processes of fermentation.

Prohibition of the smuggling of arms to Mexico may help, suggests an exchange, but the sending of a few arms in capable hands would be more to the point.

Miss Fannie M. Smith and Mr. Lodge Paxton, of Purcellville, narrowly escaped serious injury and perhaps death in an automobile accident which occurred last week near Lincolnton, when Miss Smith was receiving instruction from Mr. Paxton in the management of her new Chevrolet. The car went over a steep embankment, with a straight drop of fifteen or twenty feet. Miss Smith, who was steering, says the Hamilton Enterprise, ran too close to the edge of the road and the car lost its balance and went over, whirling like a ball with such velocity that neither occupant was thrown out, and with lucky precision, landed right side up. Miss Smith was feared to have suffered only a slight contusion of one of her lips, while Mr. Paxton was entirely unharmed. The only damage to the car was a broken top and a broken windshield. Miss Smith drove the car home.

About dusk Tuesday evening a fine cow belonging to Arthur Shattman, of Edinburg, and pastured in the meadow near the mill dam by the old electric light plant of that place, was seen to wade into the stream above the dam, which was swollen by the recent high rains up in the country in the Orkney neighborhood, says the Woodstock Times, and since then the cow had been "out of sight" hopefully, although minute search had been made. Whether she was drowned and washed down stream or whether she stuck in the mud in the bottom of the dam no one knew. About 3:30 o'clock Wednesday afternoon the tinkle of her bell was heard. She had waded over the dam and had gotten back under the boarding of the dam. While the water made a complete curtain, the cow was discovered standing up in a cornered position and as live as ever. The water was drawn off the dam and her attention led out to solid ground.

The Road Called "Straight" Leads to the Road of "Progress"

We have been telling you week by week about our sanitary methods and trying to impress upon your minds that the sanitary way is the better way and the progressive way. Now, in installing a new

SANITARY REFRIGERATING COUNTER

we are merely evolving our belief in these methods. This Counter means that your meat—the meat you eat—is always in a clean, cool place, where no hands can touch it or the pesky fly swarm over it; and you can see what you are buying, or make a selection before buying.

Listen! IT'S ALL BEFORE YOU!

Seriously, don't you feel that you owe it to yourself to buy clean, wholesome meats? Come in and look at this beautiful display of meats, anyway.

CLIFTON

Walter Quigg, while looking for eggs on Monday, found a large black snake coiled up about 10 feet for his brother, Paul, and between them they promptly dispatched his snakeship.

When first discovered the snake had swallowed several eggs. Only one, however, was visible after the visit of his captors, and that proved to be a large plaster nest egg. His snakeship was between four and four and a half feet long and quite large and sleek, apparently having thrived on an egg diet for some time.

Sea of President Monroe Still Living

We do not think that it is generally known that one of the late President Monroe's sons is still living. Major Edward James Monroe, youngest son of President Monroe, celebrated his 103rd birthday in Jacksonville, Fla., last Friday, July 4. He was born in Richmond, Va., in 1815, but for many years has lived in Florida. He is hale and hearty and enjoys life to the full. He fought in the Mexican and Civil wars, and when war was declared against Germany he offered his services again to his country. His mother was a Miss Lander, of Richmond. His sister, Henrietta, married Judge Jack Hays, of Richmond. She died at the age of 105. Major Monroe is greatly loved by his neighbors, and the children find his little flower bedecked cottage a most attractive resort whether they have suppers or pleasures to confide to his sympathetic ear.—Correspondent of Fredericksburg Free Lance.
