 There can no longer be a question that Loudoun county is up-to-date, since revenue officers have captured an illicit still and some "moonshine" in our midst.—Enterprise.  
 Farmeritis.  
 The thing of Living in the Country is Great.  
 First, all you Need is a Place to live in; and then a horse and a cow and some pigs and chickens.  
 Then, all you Need is some feed for the horse and cow and pigs and chickens, and a strong man—  
 But that's next: A strong man to feed them.  
 Then you need to Read all the farmer books and Government Bulletins and learn Just How things should be Done.  
 Then you Need the nerve to go and tell your man how to Do Everything, and the Courage to watch him do it another Way and Ignore your Instructions.  
 After that, all you Need is the Gall to pretend that you did it, when a Bean comes up the way it was intended.  
 But with all that, it's the life; and a Fellow could stand it if it wasn't for the mortgage and paying the man and buying the feed.—Henry Edward Warner in Times-Dispatch.

All in the Good Book.  
 Bishop Hoss said at a Nashville picnic:  
 "The religious knowledge of too many adults resembles, I am afraid, the religious knowledge of little Eve."  
 "So you attend Sunday School regularly?" the minister said to little Eve.  
 "Oh, yes, sir."  
 "And you know your Bible?"  
 "O, yes, sir."  
 "Could you perhaps tell me something that is in it?"  
 "I could tell you everything that's in it."  
 "Indeed." And the minister smiled. "Do tell me, then."  
 "Sister's beau's photo is in it," said little Eve, promptly, "and Ma's recipe for vanishin' cream is in it, and a lock of my hair cut off when I was a baby is in it, and the ticket for pa's watch is in it."

**LAYS ONLY FOUR-OUNCE EGGS**

A four-ounce hen egg, with a photograph of "Biddy Chamberlin," the originator of the egg, is on display in the show window of the Free Lance-Star Publishing Company. The hen is a native of Aquia Creek Farm, near Brooke, in Stafford county, owned by Dr. and Mrs. F. T. Chamberlin, and is a thoroughbred Barred Rock (Chamberlin strain). To date "Biddy" has laid 45 four-ounce eggs this season, and is yet on the job producing these fine specimens of the poultry yard. The egg on display is evenly formed and is a beauty.—Fredericksburg Free Lance.

Sprinkel, Tuesday and Wednesday, on the eve of his transfer to North Carolina for the benefit of his health. Mr. Sprinkel had been in the Emergency Hospital at Baltimore for two weeks and when he failed to reach home for the weekend, according to plans, Mrs. Sprinkel became alarmed and set out for Baltimore early Tuesday morning. She was met in Washington with a telegram announcing his arrival in Manassas on a morning train. Mr. Sprinkel's health has not been good since his return from service overseas and it is hoped the change will be of great benefit.

**GREAT PLANS FOR MASONIC CLUBS**

**Elaborate Program Prepared for Convention in Washington —President Will Attend.**

President Harding, Vice President Coolidge and members of the cabinet in such numbers as official business will permit, will attend functions of the sixteenth annual convention of the National League of Masonic Clubs, which opens in Washington for five days, beginning May 9. The President has signified his intention to make the pilgrimage to Mount Vernon, Wednesday, May 11, and he and the Vice President are both to be at the farewell banquet at the New Willard Hotel on the evening of May 12. Seated at the banquet board with them on this occasion will be the Speaker of the House, Frederick H. Gillett, F. Moore, sovereign grand commander of the southern jurisdiction, A. A. S. R., and Barton Smith, sovereign grand commander of the northern jurisdiction, A. A. S. R.; William G. McAdoo, Gen. Ballington Booth, Gen. Lejeune, Admiral Koonz and other prominent master Masons of national fame.

Many of these men, who, besides being active Masons, are also patriotic leaders of the country, will be present at the visit to Mount Vernon.

Clarence W. Hall, chairman of the transportation committee, reports that the states adjoining the District have been the heaviest applicants for information concerning railroad accommodations. He expects the largest delegations therefore, from Maryland, Virginia, Delaware, West Virginia and Pennsylvania.

**Elaborate Program.**  
Convention experts of this city are of the belief that no convocation of a nation-wide character ever has enjoyed such an elaborate program as has been outlined for the Masons who will visit Washington this month.

"Remember, you are ours from the minute you set foot in Washington until you leave for home," is the welcoming salutation which has been sent by the local committee to every masonic club in America.

The program will be opened on the evening of May 9 with a reception at the Scottish Rite House of the Temple, 16th and S streets. This event will be of exceeding interest to out-of-town guests, as this edifice is one of the show places of Washington.

On the same day there will be a special ceremonial in Poli's Theatre of Almas Temple, Ancient Accepted Order "Nobles Mystic Shrine, at which Potentate Henry Lansburgh will leave no stone unturned to reveal to the visiting nobles the spirit of hospitality which characterizes Almas as one of the foremost temples in the nation.

Present at this ceremonial will be Imperial Potentate Ellis Lewis Garrison.

An automobile parade and a motor boat procession are scheduled for the afternoon of May 10. Automobiles on land and motor launches on the Potomac will pass "the point" along the speedway at a given hour, and three hydroplanes from the marine headquarters at Quantico will hum overhead while the processions are unheeded beneath. On that evening a mass meeting is to be held in Continental Memorial Hall.

**Carnival in Stadium.**  
The Mount Vernon trip comes on Wednesday, and that night will take place a carnival, at which performers and spectators will be attired in comic costumes in order to lead the mardi gras spirit to the affair. Organizations which will participate in the carnival, which is to be staged at the Central High School stadium, will include bands, orchestra, drill corps and glee clubs of the Shrines and Grotto. The stadium has been secured for this event through the courtesy of the community center department of the public schools of the District.

The closing event of the convention will take place at the New Willard Hotel on the night of May 12, when the farewell banquet, to which only master Masons are invited, will be staged. Reservations for this feast must be made in advance with Secretary Chas. A. Stevens, Room 105, the New Ebbitt Hotel. Seating arrangements for only 700 can be made, and those expecting to attend must act quickly.—Washington Star.

**Don't Just Say--  
"A Sack of Flour, Please"**

When you order your groceries, in the case of a great many items, you specify the brand. You may ask for Heinz pickles and Beechnut peanut butter. You have satisfied yourself as to the merit of certain brands and now you prefer these. What about flour?

Are you well acquainted with the flour we grind, a flour that is excellently adapted for all types of baking and that is uniformly high grade? First, only the highest grade of wheat is used, then the cleaning, grinding, sifting and packing are done in the most modern and sanitary way—in our big ninety-barrel-a-day capacity mill.

**Ask Your Grocer for White Rose Flour**

The next time you need flour, specify White Rose. If your grocer cannot supply you, send us his name. Until you can get it from him we will gladly supply you direct.

Remember, when you get White Rose you are getting as high grade flour as you can wish for. We grind but this one grade of flour. It is equal to any on the market and it is lower priced than many.

White Rose flour is now widely for sale throughout all of Northern Virginia. The demand is growing and new dealers are being taken on each week. It is now recognized throughout nearly all this section as being, as we claim for it, "the flower of flours."

# Doesn't Your House Need Painting?

In Manassas and throughout Prince William, many a dwelling, barn and outbuilding is fast decaying through lack of a good protective coat. Failure to paint now means the hastening of the day when rebuilding will be necessary, and is adding to the up-keep cost a few years hence.

Spring is a fine time to paint. If you can not get a painter to do the work, we may be able to find one for you. But do not let it go undone. If necessary, find some way of doing it yourself, as too much is at stake. Remember, one paints not for beautifying primarily, but for surface protection.

**\$23.30 Will Buy the Paint If House is of Average Size**

Using Longman & Martinez Semi-Paste Paint, which is guaranteed pure and the equal of any made, a house of average size, say 25 feet wide, 30 feet long and 20 feet high, for two coats will require but 5 gallons of L. & M. Semi-Paste Paint @ \$4.00 and 3 gallons of Pure Linseed Oil @ \$1.10, making the total cost of material only \$23.30.

When you save the surface you save all. Is not now the time to protect your buildings with L. & M. Paint?

# MR. DOLLAR WILL SOON BE WORTH 100¢ AGAIN

Thirty-two Cent Imitation of Last Few Years Will Soon Be the Real Thing.

That sturdy old friend, the American dollar, is coming back and displacing the miserable 32-cent imitation that has been posing as a dollar for the last three or four years. Here are some evidences that Mr. Dollar is functioning again:

The dollar today will buy ten pounds of sugar. The dollar of 1920 bought only three and three-fourths pounds.

The dollar now buys twenty pounds of rice as against six pounds in 1920.

The dollar now buys sixty pounds of potatoes as against eleven and one-half in 1920; sixteen and two-thirds pounds of navy beans as against eleven and three-quarters, a year ago; four dozen eggs, as against one dozen a year ago; three pounds of butter, as against one pound a year ago and two and one-half pounds of coffee as against one and one-quarter pounds of the same brand a year ago.

The old dollar will also buy three times as much clothing, and better clothing, twice as many shoes, a third more coal and nearly twice as much flour, lard, fruit and some varieties of meats. It will, in some instances, buy five or six times as many vegetables.

That dependable old, friend, the nickel, is also staging a comeback. During the war the nickel was rarely heard of. It would buy nothing, not even a Sunday paper or the cheapest sort of cigar, but now many articles that formerly sold for a nickel are back at the old stand and doing a thriving business.

## LARGE HERDS COMBINE

Northern Virginia Now Possesses Largest Shorthorn Herd in East.

All beef cattle breeders will be interested in watching the development of what is now the largest herd of Scotch Shorthorn cattle in the East. Buckland Hall Farm, Inc., near Warrenton, the property of Mr. Mitchell Harrisoh, and ex-business men of Philadelphia, already the owner of a very choice herd of about thirty cattle, has combined with the Tennessee herd of L. L. Little.

Mr. Little brings into the business about 90 choice animals, including the International Grand Champion bull of 1920, Lepezada Collynie. One of the outstanding features of this herd is uniformity of type and breed character. It is interesting, also, to note that the Buckland Hall herd has since its beginning, three years ago, been a constant winner at Virginia fairs, in 1920 winning Junior Grand Champion female and reserve Champion Senior Bull calf on animals produced on the farm.—Loudoun Mirror.

## TWO STILLS CAPTURED

Prohibition Officers Discover Small Moonshine Outfits Near Leesburg.

On Saturday of last week Special Officer R. H. Brown, of the state prohibition department arrested Flavius Keyes, who lives near Mt. Gilead, and Washington Barnes, a colored man, who lives near Mountain Gap, on the Leesburg and Aldie turnpike, on the charge of operating a still in violation of the law. It is said that the stills were found and that they were placed in the jail for safe keeping and that a small quantity of moonshine was found at the homes of both men. Both men were brought before Justice of the Peace C. H. Shipman, who admitted them to bail in the sum of \$300 for their appearance at the next term of the court to await the action of the grand jury. Both men waived a preliminary hearing before the justice. It is understood that the stills were not in operation when found by the officer and that they are of very small capacities.—Loudoun Times.

## IS YOURS A DUSTY BIBLE?

In a recent motion picture occurs a trivial incident, the significance of which is quickly grasped by everyone in the audience. The villain of the play reaches into his bookcase for a Bible. Before opening it he blows the dust from the edges. A mere gesture, but it is one of the best touches in the play. The audience understands and smiles appreciation. The incident holds a mirror up to the familiar thing in many homes—the dusty Bible.

Lying unused on many shelves it offers in vain its wisdom, its consolation and its romance, while the un-rested hearts of the owners seek in vain for new thrills in the best sellers.

Who knows a sweeter story than the book of Ruth? And tragedy more sublime than the story of the Crucifixion? And philosophy more wholesome than that of Ecclesiastes, or of the Proverbs? Or poetry finer than the song of Solomon?

The Bible has the wonderful quality of being always new, presenting unexplored depths of light at every reading. It is like one of those wonderful old attics of our childhood days where at every visit we would discover, hidden away, something we had missed on our last visit.

"An active mind," said President John Quincy Adams, "cannot peruse a single chapter and lay the book aside to think, and take it up again tomorrow, without finding in it advice for our own conduct, which we may turn to useful account in the progress of our daily pilgrimage on earth."—Lynchburg Advance.

# Ford

## THE UNIVERSAL CAR SOME FACTS

Here are authentic figures from the Ford factory at Detroit. They show you just how many Ford cars and trucks have been built each month since January 1, 1921, and how many have been sold to retail customers, in the United States.

	Produced	Delivered to Retail Customers
JANUARY	29,883	57,208
FEBRUARY	35,305	63,603
MARCH	61,896	87,221

Total Production 127,074 Total Retail Sales 208,032

showing that actual sales for the first three months of 1921 exceeded production by 80,958 Ford cars and trucks!

April requisitions already specify 107,719 additional cars and trucks and the estimated April output of the factory and assembly plants combined calls for only 90,000!

These facts clearly show that the demand for Ford products is growing much faster than manufacturing facilities to produce and were it not for the dealers' limited stocks, which are now being rapidly depleted, many more customers would have been compelled to wait for their cars. It will be only a matter of weeks, therefore, until a big surplus of orders will prevent anything like present deliveries.

If you would be sure of having your Ford car or truck when you want it, you should place your order now. Don't delay. Phone us or drop us a card.

### JUSTIN HUNTLY McCARTHY'S TRIBUTE

3, Iverness Mansions,  
Moscow Road, Baywater, W. 2, London.

MR. WILLIAM FOX:

Dear Sir—I witnessed the Fox Film Company's presentation of my story, "IF I WERE KING," with a keen interest, which soon became a warm approval that ended in cordial admiration. The tale has been retold vividly and brilliantly in the terms of the new art. The characterization is excellent, the setting remarkable for its beauty, and the handling of the great crowds toward the close a marvel of effect.

But the triumph of the film was William Farnum's interpretation of the part of Francois Villon. Humor, poetry, rascality, gallantry, valor, passion, tragedy, played in their turn upon William Farnum's face, so eloquent in its wordless action that I could almost believe I was hearing William Farnum's voice.

JUSTIN HUNTLY McCARTHY.
