GORNERSTONE LAYING

MANASSAS LODGE, No. 152, A. F. & A. M. Imposing Public Ceremonies and Eloquent Masonic Addresses.

On Thursday, June 7, at 12 o'clock M.

The exercises are among the most impressive and imposing of any public function, and while much of it is not fully appreciated by the uninitiated, none can fail to observe the fact that many of the foremost men of the state wear its emblems and know its meaning.

ORDER OF PROCESSION

1. Band of Masons, they follow the... 2. The Lodge in the following order: Tiler, with drawn sword; Two Stewards, with White Rods; Master Masons; Past Masters; A Past Master with Vessel containing Corn; Three Master Masons, with Square, Level and Plumb; Two Past Masters with Vessels containing Oil and Wine; Treasurer and Secretary; Five Master Masons, carrying the Holy Orders of Architecture; One Large Light borne by a Past Master; Senior and Junior Wardens; The Holy Bible, Square and Compasses, borne by a Past Master (or some venerable Brother) supported by two Stewards with White Rods; Two Large Lights borne by two Past Masters; Chaplain; A Past Master carrying the Book of Constitutions; The Warrant of the Lodge supported by the Senior and Junior Deacons.

COMMITTEE

Manassas: D. J. Arrington, chief; B. N. M. and O. G. Hutchison, assistants.

THE IMMIGRATION QUESTION

Of all the shameful outrages ever perpetrated on the American people the furnishing of diseased and doctored meats by the packers and canners is about the worst. The revelations are enough to justify, if there is any justification for such a thing, an old-fashioned lynching.

At least one thing should be said to the credit of President Roosevelt. He has promoted an investigation of great trusts. It is through him that the last disgraceful affair has come to light...

For about 200 years Spain fought the Filipinos, and while we have only been at it since the Spanish American war, who can tell how long it may last...

The Court of Appeals has granted an appeal to the Honorable Richmond Anderson case heard by Judge Nicol. This by no means indicates a reversal but simply that there are grounds for an appeal.

On Thursday, June 7, at 12 o'clock M. the cornerstone of the new masonic temple at this place will be laid by the officers of the state grand lodge of Virginia...

SAYS R. R. RUINED HIS BUSINESS

Coal Operator Makes Sensational Charge of Discrimination.

HE STATES PRESIDENT CASSATT

Philadelphia, May 26.—Several interesting developments marked the closing session of the interstate commerce commission's investigation into the alleged discrimination of railroads in the distribution of cars in the bituminous coal field. The commission adjourned to meet at a time and place to be decided upon later. Next week it is expected that the commission will meet in Washington to examine the evidence presented during the hearings in this city, and it is likely the investigation will be resumed in that city either the latter part of next week or early the following week.

Testimony of a sensational character was given by F. Albert Von Boyneburg, general manager of the Reaktor Bros. company, coal operators, in Washington in this city. He stated that within the last two and a half years his company's car supply had been inadequate that the business had been practically ruined. He declared that other companies had been favored in the distribution of cars, and said he had no doubt that discrimination had been practiced against his company because it had failed to make gifts of stock to the railroad officials. He gave it as his opinion that President A. J. Cassatt was responsible for the discrimination. He charged that in the coal field in this city, the business, his supply of cars was cut from 3262 cars in 1901, to 358 cars in 1904. At the present time he considers himself lucky to get one car each week.

Through railroad companies was developed that for a number of years and until recently the Reaktor Bros. company's coal was shipped to the water without being weighed. Instead of the estimated weight of each car by adding 7 per cent to the capacity figures stenciled on the car. It was also shown that the Susquehanna Coal company, which is owned by the Pennsylvania Railroad company, has the exclusive use of Greenville pier, New York harbor, and has a virtual monopoly of the sale of bunker coal to tug and small steamships. It was brought out that certain coal companies are given allowances for operating branch lines or spurs from their main lines to the main line, and that the railroad made this allowance to the Latrobe-Conowingie company when the spur was operated by the railroad.

RAILROAD MILEAGE UNDRITICE

Pennsylvania Railroad Answer's Suit Over \$30,000. Harrisburg, Pa., May 25.—The Pennsylvania Railroad company filed a separate answer to the suit filed by Attorney General Cannon to abolish the practice of collecting a \$10 rebate on every freight shipment. The company admits that it formerly issued a mileage book at \$20 straight, but there was such scalping of these, and the present form was necessary to protect the company. The company admits that if the ticket is lost it will not be replaced by value refunded. The company says the owner will accept a ticket as such unless he can prove that it is not his own. The company says the owner should be made to pay for the loss of the ticket as any other personal property. The answer says the manner of obtaining the refund money is easy, quick and economical. It says that in this state, it could be deducted from the interstate commerce commission could not be restricted because of lack of jurisdiction.

DOUBLE MURDER AND SUICIDE

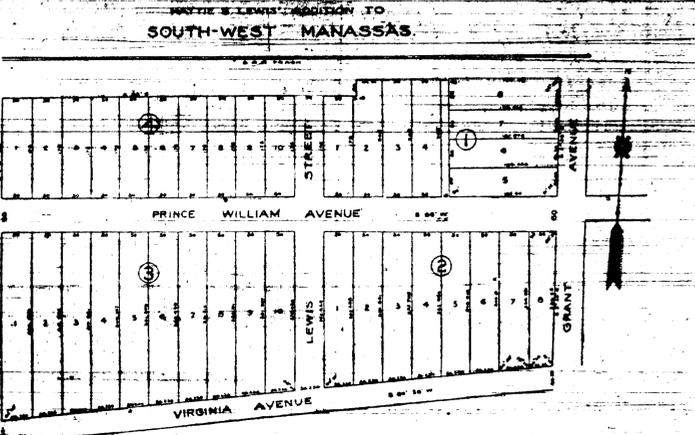

Shot and Killed Wife and Daughter and Then Took His Own Life. Hiltzsbetter, N. Y., May 26.—Fred Erick Benedict, of Reber, Essex county, shot and killed his wife and married daughter and then committed suicide by shooting himself. He was 42 years old. Benedict had disagreed with his wife and some of his five children over the sale of his farm.

Break in Miners' Strike

Hennepin Co., May 25.—The first break in the miners' strike in the Hennepin district occurred when several of the miners of the Hennepin coal company at Beswood members of the United Mine Workers entered the mine and resumed digging coal. The failure of the United Mine Workers to continue the payment of strike benefits is the cause of the defection, which it is thought, will spread, especially among the foreign workmen.

Lovers Killed by Train

Cumhams, N.C., May 25.—Richard Robertson, 25 years old, and his sweet heart, Marie, 19 years old, were struck and instantly killed by a Baltimore and Ohio passenger train at Cumhams, Va. They had just stepped on the tracks to avoid a threat from the passenger train which had just passed.
