Concerning Infants
We have secured the sole agency for the town for the famous Stork underclothing for infants, and it is a line that should appeal to every mother. We have infants' pants, diaper bags and the celebrated Stork sheeting. Send for a circular and particulars.
Special to Housekeepers
Realizing that so many housekeepers now use matting all the year, we have just gotten in a new lot of neat, bright Jap Mattings, which are marked very reasonable. A lot of remnants will be sold at cost. 2nd Floor.
We are very strong in the way of housefurnishings and are now showing some very desirable patterns in Portiers, Lace Curtains and Table Covers. We would certainly like to show you our line of Lace Curtains.
Are making order for fall goods and articles advertised last week can still be had as advertised as long as they last. Write for samples.
