REYNOLDS SUN CURED
CHEWERS BECOMING TIRED OF HEAVILY SWEETENED TOBACCOS. CAUSED REYNOLDS' SUN CURED, IN SO SHORT A TIME, TO WIN FROM THE OLD BRANDS OF MUCH LONGER STANDING THE PLACE AS FAVORITE WITH CHEWERS OF SUN CURED TOBACCO.

REYNOLDS' SUN CURED TOBACCO
The association felt no apprehension of displeasure in the matter. When it was found that the statue intended to commemorate the falling heroes of the South, whose ashes lie buried within the shadow of the monument, and the cause they loved so well, occupied a position facing East, a strong opposition, born of true Southern zeal and patriotism, sprang up, and steps were taken to turn the statue to face South.

46th Anniversary Sale.
Looking backward 46 years, we liken this store--as it was then--to the little nook it was thoroughly sound and was fertile and ready to begin a lusty growth. The "habitation" was square, clean, honest, valuable, dependable merchandise and the public's confidence. And it thrived and grew--these are some of the bargains "extraordinary" that we offer as a celebration of the event--46 years business.

THE WEAKER SEX.
The weaker sex, they call it, but a mortal could not make. In speaking of the work of the more profound mystic. Those precious pearls and golden smiles, of riddles, tears and love. Have clearly proved themselves to be the "Samsons" of the race. Do you suppose that any mortal could keep me half the night. In some bedchambered mansion where the mosquitoes fiercely bite. And while it matters not how long I might prefer to stay, Could I press my hand so lightly I could never get away? And where the giant with the strength to make me walk and walk About the park and battle forth the softest kind of talk. And who has heard of the lemon and popcorn bars and such And then declare I had enjoyed the evening very much? I know a tender "plunging vine," who, by her wondrous smiles, Has made me, last as I am, walk several hundred miles. I've stood out on winter nights and waited for her when I had to have my hand for her to hold and keep her warm. The women are the ones who rule this planet first and last; They bid us in their mystic charms and hold us good and fast. But, though we men are shakelike, we mutually agree We'll never do a single thing that's not for their behoof.
