Cooks cling to SENATOR Flour
for the very good reason that it
produces best results when bread,
cake, pie or other pastry is in
question. No question, however,
about SENATOR Flour. It's
"all there" every time it's used
by the man or woman who knows
how to bake. The only question
is: Do you know SENATOR
Flour?

**THE SHEPHERD
AND HIS FLOCK**

The Mountain Experiment Station has
published a bulletin giving valuable in-
formation in regard to feeding sheep at
high altitudes. This should prove of
great value to the stock raiser of the
Rocky Mountain region.

For feeding weathers and when given
with clover hay, wheat and barley give
the most abundant and most gain in the
order named.

Considering the amount of food re-
quired for each pound of gain in feeding
weathers, wheat and clover were
the most efficient ration, followed by
barley, oats, and mixed
grain in the order named.

In feeding lambs screenings and
clover gave the fastest gains, followed
by mixed grain, barley and wheat
in the order given.

The amount of food required for
each pound of gain on lambs was least

SPRINKEL'S
PRICES must be RIGHT

of those that have investigated and purchased would not have sent their
money any other way. If you are thinking of getting a good road car,
I want you to try Sprinkel's. I can offer you a 1906-1907, 1908, 1909,
the highest and lowest priced car that is furnished in my price range. For
about a dollar more. If you want something handsome, I have it.

My prices will be given these just because I have a large stock of cars
to sell up front to you. For such a small amount, they need not be
used starting at once. For your kitchen I can furnish you your cook
stove and range and all its furnishings. When I say ALL it means EX-
ACTLY nothing. Pots, kettles and pans of every description. Altho
I have never seen a fork for 50c, and that are hard to beat. I
want to be sure that are lasting and durable. Tablespoons in same
way at 25c a set and everything for the kitchen and in fact all through
the house. Your dining room I can furnish up to Queen's Palace—can
burn covering for the floor—carpet matting or draper—and as for rugs,
my prices are very well known. If you fail to take a peep at my
advertising before you purchase elsewhere. And I have also lace and
other fine goods in every variety, and table covers, and everything for
THE HOME. Come to see me in all I can.

Yours respectfully,
R. B. Sprinkel,
