BEWARE OF WOLVES IN SHEEP'S CLOTHING. With the sudden disappearance of Prof. H. C. Hobart, instructor in the school of commerce of Eastern College, and the suspicious circumstances attending his going, the community in which he has passed for some length of time as a teacher of morals as well as of commerce, is brought face to face with the indiscretion of putting undue confidence in strangers who come here with nothing but a suitcase and the clothes upon their backs as their total assets.

So far as we have been able to ascertain, Prof. Hobart has not, by proper credentials, placed himself in a position in which he could hope or expect to receive the confidence of this community. Notwithstanding this, he has, by his suavity, insinuated himself into the good graces of most all with whom he has come in social and business contact. If any have suffered by the machinations of Prof. Hobart, the course lies upon their own shoulders and should teach them a lesson that might prove of vast importance in the future.

TESTED AND PROVEN

There is a solution of Scleritis Being Able to Depend Upon a Well-Earned Reputation. For months Manassas readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the great work they have done in this locality. Not another remedy ever produced such convincing proof of merit. Mrs. Newton B. Ash, 5 Fourth St., Manassas, Va., says: "The public testimony I gave six years ago in favor of Doan's Kidney Pills still holds good. I suffered intensely from a dull pain across the small of my back, caused by disordered kidneys. It was difficult for me to do the least work about the house. Finally I had the good fortune to hear of Doan's Kidney Pills. The contents of a few boxes improved my health and removed every symptom of kidney complaint." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, Sole agents for the United States. Remember the name - Doan's - and take no other. 6-24-11
