New Designs---New Weaves---New Colorings
In Our Spring Assemblage of

The variety of weaves is so great, the variety of designs in each weave so large, and so many different colorings to choose from that you will find it not only profitable to come to Washington to select your summer frocks from our assortments, but a great pleasure to look over our big display. We can only mention a very few of the most popular kinds here, such as:

Wash Silks and Cotton Foulards 25c.

Very close imitations of the all silk foulards, and in the real foulard patterns. These are 24 inches wide, in black, pink, blue, brown, green, navy-blue, and wistaria grounds, with patterns of contrastiug colors or white, in polka-dot, ring, stripe and conventional designs. The polka-dot patterns are in both the close and farspaced styles.

IRISH LINETTES A YARD-

This is a fine, soft material with a linen finish, in light grounds principally, and one of the latest and most desirable fabrics of the season. We have a great variety of designs and many bordered effects, the patterns are in blue, pink, lavender, or white grounds, and many combinations of black and white. These limittes

DRESS LINENS A YARD
