BRIEF LOCAL ITEMS

The chestnut crop is said to be small this year. Remember the Mosby reunion on October 14th. Mrs. Randall... Miss Mamie Gulick left last Monday for Quantico to take charge of the public school at that place. Mr. J. D. Bosley and family will move to Baltimore on Monday where they will make their future home. Mr. D. P. Bell, of near town, has purchased a new Brush runabout from the Manassas Motor Car Company. Work has been begun on the new cement walk on the North side of Lee avenue, leading to the court house. Miss Elizabeth Warren Merchant has accepted a position as stenographer and bookkeeper for a Baltimore firm. Begin to think about your taxes. If paid within the next two months a penalty of 5 per cent. will be saved. Mr. R. C. L. Moneure has announced himself a candidate for Commonwealth's Attorney of Alexandria county. Mr. J. S. Huff has sold his farm containing 124 acres near Bristow, to Mr. Dillheimer, of Harrisonburg, for \$10,000. Walter F. Collins, a native of this county, but who had resided in Washington since a child, died at his home in that city on Saturday last, aged 55 years. Work has been begun on the new blacksmith shop of Randall & McCoy and the building will soon be under cover. This shop will be one of the best equipped in this section of Virginia. Hon. Henry Fairfax, president of the State Fair Association, has appointed a vice president in each county in the state. Mr. H. F. Lynn was named to represent Prince William. Manassas offers educational advantages not enjoyed by any other town in Northern Virginia. In seeking a new home the cultivation of the minds of your children should be your first thought. It is very necessary that all members of the O. F. A. at Manassas be present at the next meeting on Tuesday evening, October 10th. Business of importance to each member will be considered. Dr. J. W. Bernhard has purchased the H. T. Griffith property on Grant avenue. It is the intention of Dr. Bernhard to build a handsome, modern front addition to the present residence and to make it his future home. The Journal had a very pleasant edit on Tuesday from Mr. W. S. Opp, of Woodbridge. It has just been one year since Mr. Opp was in town and he was much surprised to note the progress that has been made here since his last visit. Mr. S. W. Cooksey brought in a stalk of Kaffir-corn yesterday that measured ten feet in length. Mr. Cooksey states that he has a pear tree on his farm that contains a crop of ripening fruit and yet has been in blossom for the past week. The National Bank of Manassas has placed an order with the American Furniture and Fixture Company of Richmond, for the fixtures for their handsome new bank building, which is nearing completion. An order has also been given to the Mosler Safe Company, of New York, for a door to the vault, which will be one of the strongest and safest in this section of the state.

MY WIFE'S GOING TO THE COOKING CONTEST HURRAH HURRAH!!!

The condition of Mrs. J. G. Runaldie, who has been quite sick, is very much improved. We are pleased to learn of the continued improvement of Dr. H. M. Clarkson, who illness was briefly noted last week. A marriage license was issued from the clerk's office this week to Willie Holmes and Reasie Davis, both of Prince William. The Myers property on East Centre street, was sold at trustee's sale on Saturday last to Mr. G. Raymond Ratcliffe for \$3,500. Troop A. U. S. Cavalry, from Fort Myer, which gave exhibitions at the recent Fredericksburg Fair, went into camp on Grant avenue extended on Saturday last on their return trip and remained over night. Messrs. W. N. McRehant, P. P. Chapman and James Nelson liberated several thousand homing pigeons belonging to Philadelphia racers here on Saturday and Sunday last. The birds soon got their bearings and flew away towards the North. The Prince William county Sunday School Association will hold its annual meeting Thursday, October 19th in the Canova Branch Dunkard Church. All Sunday school workers are invited and urged to attend. Prominent speakers will appear on the program. We notice that Misses Leonia Davis and May Leachman, both of Bristow, are the only two contestants from this county in the Washington Herald's contest for a trip around the world. We wish these two young ladies the success which all Prince William girls desire. Mr. Wm. J. Young, who resides about one mile east of town, sent us a stalk cut from his field of millet on Tuesday that measures 11 feet and 7 inches. It is unlike any specimen we have ever seen and if pronounced by Prof. Button to belong to the sorghum family. The remains of Mrs. Jennie Reno, whose death, at her home in Alexandria, was mentioned last week, were brought here for burial on Saturday. Funeral services were conducted at her late home at 3 o'clock on Friday evening. Rev. W. F. Watson, pastor of the First Baptist Church, officiating. A special to THE JOURNAL from Gainesville this morning states that a party of twelve will visit that town on October 11th and address the people interested in the subject of building the Bristow to Washington highway. A general invitation is extended to the citizens of Prince William to attend. The marriage of Miss Augusta Pearl Lynn, daughter of Mr. and Mrs. Clarence Lyeurgus Lynn, and Mr. Ernest Mitchell Webb, son of Mr. and Mrs. William Smith Webb, took place Monday evening at 212 South Columbus street, Alexandria, Va., Rev. William Poissal performing the ceremony. Mr. Isaac Pearson, of Hoadley, who had the misfortune to cut himself with a broad axe while hewing railroad ties some weeks ago, was among the callers at THE JOURNAL office on Monday. While still slightly lame, the wound is healing nicely and he will soon be able to go about his regular duties. At a meeting held by the Manassas Chapter Daughters of the Confederacy this week, it was decided to extend a cordial invitation to Ewell Camp, C. V., and to all visiting veterans to attend the banquet to be given Mosby's men on the occasion of the reunion here on Saturday afternoon the 14th instant. The condition of Mr. James Otho Hutchison, son of Mr. Westwood Hutchison, of this place, who is employed as a fireman on the Blisemont Division of the Southern Railway and who was painfully injured near Leesburg on Monday, is reported much improved. Mr. Hutchison leaped too far out of the car window just as the train was crossing Tuckerman bridge and was struck by the timbers of the bridge and knocked to the ground. He was taken to Alexandria where his wounds, which consisted merely of a few lacerations and bruises, were treated. The Journal was honored on Tuesday by a call from Justice W. F. Wharton, of Gainesville, who has served his district as Justice of the Peace for half a century. Mr. Wharton informed us that he was now in his 51st year, (though he has all the brightness and sparkle of the eye of a man of 70) and was in town to resign his official position, but as soon as his purpose became known to his friends there was an earnest protest, the result of which Mr. Wharton will continue to deal out justice, no matter how weary the judicial scales may become. Cotspicuous on his coat was a cross of honor, presented to him by the dutiful Daughters of the Confederacy in token of their appreciation of his bravery during the vicissitudes of war. MUIRHEAD-WOODYARD. Mr. William Muirhead, of Scotland, this county, and Mrs. Emma Woodyard, of Canova, were quietly married at the residence of the bride on Sunday afternoon last, Rev. T. W. T. Noland officiating. They will reside in Prince William. Have your KODAK films Developed and Printed by D. P. BELL. Orders received and delivered from Bell Bros. Bakery. Satisfaction guaranteed.
