

KNOW YOUR TOWN'S LAWS

[Editor's Note—To refresh the minds of the citizens of Manassas with the laws of the town, the NEWS will each week publish a portion of the Code of the Town of Manassas, as was brought out in booklet form in 1918. Mention will be made of amendments to the code, where amendments have been made and where the NEWS can obtain definite information covering such amendments.]

CODE OF THE TOWN OF MANASSAS.

(Continued from last week.)

FIRE COMPANY. (Continued.)

3. No member of the Council of the said town shall be eligible to appointment as Principal Engineer of said town.

4. Upon a vacancy occurring in the office of Principal Engineer the Fire Warden shall succeed to the office; perform the duties thereof and receive the salary thereof, and the second warden shall succeed to the position of first warden, the third warden to the position of second warden and the Council shall appoint a third warden to fill the vacancy in his position.

SEWER ORDINANCES.

Sec. 105. Sewer ordinance. Applications for permits to connect private sewers and drains with the sewerage system of the town must be made in writing by the owner of the property to be served or his authorized agent. Such application shall give the precise location of the property, the name of the owner, the name of the regularly licensed plumber employed to do the work and size of the private sewer and the character of the wastes to be emptied into the public sewers. Applications are to be addressed to the Public Utilities Committee and must be approved and filed before any work is started upon the street or alley where said connection is to be made.

2. No person or corporation, except the Superintendent of Public Works, or a regular licensed plumber, shall make any connection with or opening into any public sewer.

3. Every person or corporation desiring to do plumbing work in the town of Manassas must apply for and secure a regular license to do such work from the Public Utilities Committee and at the time of receiving such license furnish a bond approved by the committee, in the penalty of \$500.00, and conditioned to indemnify and save harmless the town of Manassas from all damages that might arise from making connections with the public sewers.

4. The licensed plumber who connects a private drain with public sewers shall be held responsible for any damage to the sewers or street surface or sidewalk caused by his work. He shall repair the public sewer and restore the surface of the street, pavement and sidewalk to the satisfaction of the Superintendent of Public Works, otherwise his license will at once be revoked.

5. After a permit to connect has been granted and filed the Superintendent of Public Works shall locate the "Y" branch from the records on file and excavate, or cause to be excavated, a trench from said "Y" branch to the property line of the owner to whom the permit is granted, and shall lay, or cause to be laid, by a regularly licensed plumber, a "house connection" of terra cotta sewer pipe in a straight line and upon a uniform grade, all expense to be borne by the property owner.

6. No house connection shall be greater than 6 inches in diameter, and 4 inches is advised as the proper size to be used. The pipe shall be laid on a grade not less than one-fourth of an inch fall to each foot of length, having all joints well sealed with cement mortar, mopped and cleaned on the inside.

7. After the pipe has been laid, inspected and approved by the Superintendent of Public Works, then the trench shall be properly refilled by the person or corporation doing the work and the surface of the street or sidewalk is to be restored to its former substantial and serviceable condition to the complete satisfaction of the Superintendent of Public Works, and at the expense of the property owner.

8. The owner of any property served by the public sewers will be required to pay the sum of \$1.00 per year for the privilege of making and maintaining each connection with the public sewers.

9. The owner of any property connecting with public sewers will be required to install and maintain all house plumbing in accordance with the "Standard Plumbing Rules and Regulations" adopted by the Town Council.

And the Superintendent of Public Works, or his authorized assistants, shall have the right to enter the premises at any reasonable hour, to inspect or test the house plumbing, either during its construction or during its continued use, and to examine all conditions under which the house plumbing connected with the public sewers is being used. If in consequence of said inspection, test and examination it is found that the house plumbing has not been installed or maintained in accordance with these ordinances, or any plumbing rules and regulations adopted by the Town Council, or that the plumber is improperly using the public sewers to their detriment or to the detriment of public health and comfort, he, the owner, shall be required to repair and rectify any faulty plumbing, either in its construction or use, and failing to comply with the requirements of the Public Utilities Committee, shall be subject to a fine of not more than fifty dollars.

10. The Public Utilities Committee shall have the power to stop and prevent the discharge from any private sewer of substances which are liable to injure the public sewers or obstruct the flow of sewerage, and to prevent and stop the discharge of any peculiar manufacturing wastes, liquors, or substances that may interfere with, retard or prevent the proper and efficient operation of the Disposal Plant.

11. Any person or corporation offending against any of these ordinances shall be subject to a fine of not more than twenty-five dollars.

(To be continued next week.)

BRISTOW

Little Miss Neville Carroll, who has been visiting her grandparents, Mr. and Mrs. R. H. Davis, has returned to her home in Washington.

Mrs. J. B. Peery and her niece, Miss Kathryn Peery, were Manassas visitors Monday.

Mr. and Mrs. J. P. Hyde, of Markham, motored to Bristol and spent the week end at Mr. Hyde's old home.

A civic and improvement league was organized here Tuesday evening by

THE DIXIE

TONIGHT ALICE BRADY

GREENWICH
The civic and school improvement league will hold an oyster supper next Wednesday evening, Nov. 23, at the school house. All are cordially invited to come and enjoy themselves.

Mrs. R. L. Surphill, Little Miss Hazel and Master Keith Surphill spent the past week with Mrs. Surphill's parents, Mr. and Mrs. H. T. Pearson, of Delaplane.

Mr. G. H. Washington spent several days last week with Mr. and Mrs. H. T. Pearson, at Delaplane.

Mr. R. L. Ellis and sons, Berkeley and Martin, of Warrenton, spent week end last at "The Mill."

Mrs. A. B. Carrington, Miss Sallie Cooke and Rev. J. R. Cooke spent Tuesday at "Clover Hill."

Messrs. Hillary and Carrington, Carico, of Auburn, have returned to the old store house and are doing business under the name of Carico Bros.

Miss Edith Laws spent one day last week with Miss Katie Cocke.

Miss Myrtle Johnson spent the week end at her home on "the outskirts of Manassas."

Miss Helen Cook spent the week end with her parents, Mr. and Mrs. T. M. Cook.

Messrs. H. T. Pearson, G. H. Washington and Little Miss Hazel Surphill visited "Tip Top," the home of Mr. and Mrs. John Gordon, Sunday.

Miss Sallie and Rev. J. R. Cooke spent week before last at their old home, "Mount Ephraim," near Gold vein.

Mr. W. M. House, of Washington, spent several days last week with his mother, Mrs. Fannie House.

Mr. E. B. Taylor, of Washington, spent several days recently with his parents, Mr. and Mrs. E. A. Taylor.

CLIFTON

Mrs. George Harrison, of Herndon, was visiting relatives in this neighborhood the past week.

Mr. and Mrs. John Turletto have returned from spending several weeks with the latter's sister, Mrs. J. H. Barrett.

Mr. Fred Sauber is visiting friends in Clifton.

Miss Delcia Hitt and Miss Louise Burke spent the week end in Washington visiting friends.

Mr. J. L. Sanford was in Manassas shopping Wednesday.

Mrs. Annie Foster continues on the sick list. Her mother, Mrs. Kidwell, is well.

Mrs. John Derwiler was in Manassas Wednesday on business.

Mr. Charles W. Adams spent Sunday in Washington visiting friends.

Messrs. Adams and Ruth Richards attended the Armistice Day program at Arlington on Friday.

They expressed themselves as well pleased with what they saw and heard. The speaking, music and floral tributes were all exceptionally good.

Miss Hattie DeCoss is home on the sick list.

Mrs. Thos. A. Ayre continues unwell but her condition shows some improvement.

Mr. Ralph Ford was the week end guest of his parents, Mr. and Mrs. W. L. Ford.

Mr. Hobson Spraker motored from Washington and spent the week end as the guests of his parents here. He also visited at the home of Mr. Elmer T. Ayre.

INTERESTING NEWS

POULTRY CLUB WINNERS AT STATE AND PETERSBURG FAIRS—Virginia Garber Third in Individual Bread Judging Contest.

(Miss Lillian V. Gilbert, C. H. D. A.) A report has just been received from A. F. Treagle, state poultry specialist, giving the names of the poultry club members who have won prizes at the state fair and at the fair held at Petersburg. It is needless to say that all the prize money from the two fairs has been received, also, Roy Ledman and Lottie Souter have been reimbursed for express paid on their birds to Richmond. The awards and prizes won were as follows:

Roy Ledman, Nokesville, Route 2—Two red ribbons and one white at state fair, \$2.50; one blue and one red ribbon at Petersburg fair, \$3.50.

Eather Rollins, Manassas, Route 3—One red and one white ribbon at state fair, \$1.50; one red and one white ribbon at Petersburg fair, \$1.50.

Sex Rollins, Manassas, Route 3—One white and two pink ribbons, \$5.00. Lottie Souter, Bristow—Two yellow ribbons at state fair.

Stelen Arthur, Chesapeake—One red ribbon at state fair, \$1.00; one blue ribbon at Petersburg fair, \$2.00.

Sena Ritener, Wellington—One pink ribbon at state fair.

Over 700 birds were shown at the state fair by poultry club members. Prince William did well, but should have done much better. About fifteen birds were expected at the state fair from us that failed to get there. Father and mother, it says to take time to encourage your boys and girls.

Two of our club members, Hazel Douglas and Arthur, are showing birds at the Washington poultry show this week. We wish more birds were there. We are also glad to learn that Messrs. Humphrey Hibbs and Harvey Hibbs are showing their fine birds in the season's first contest Saturday.

Miss Hibbs' Bull Orpingtons and Mr. Steele's Rhode Island Reds will capture some blue ribbons.

The Roanoke poultry show will be held in the Roanoke auditorium on Dec. 6-9. Those wishing a catalogue should write to Walter A. Clark, secretary, at Roanoke.

Several weeks ago it was announced through the local papers that special work would be given those who were in the second county when nine points anxious to develop high grade poultry. The following women have asked for the work—Mrs. Harry Hundley, Mrs. Egbert Harrell, Mrs. R. O. Bibb and Miss Bettie Shirley. All of these women have standard bred flocks. A letter has just been received from Louis rench Dean, assistant to Mr. Treagle, stating that he will come to Manassas the evening of December first, and make his first visit the following day at the homes of these women, who are anxious to take up this work. It is hoped that all interested will make full use of this opportunity to learn. Don't be afraid to ask questions.

Miss Hattie L. Hughes, state girls club agent, has just written saying that Virginia Garber won third place at the state fair in the individual bread judging contest. It will be remembered that Virginia Garber won fourth place at the county fair. It is well to take note of the improvement between the two fairs. As reported several weeks ago, she also won second place for the best loaf of bread. Virginia's success shows that it pays to follow the motto Mrs. Treagle gives to poultry club members—"Start up, Follow up, Finish up."

A letter has just been received from Mrs. Mary Moore Davis, our state agent, saying that the Manassas club girls who entered the Prince William County Home-At-Large contest will receive special prizes from the company. Mrs. Davis enclosed checks for the following girls, in the amounts indicated—George Brockett, Agnesburg, \$25.00; Madeline Pettit, Hoody, \$4.00; Helen Arthur, Gainesville, \$3.00; Mae Hill, Manassas, Route 2, \$2.00. There is no club project undertaken by our club girls which means as much to the individual girl as does the carrying out of the project. The carrying out of the project is always the most interesting part of the club work. A 17-quart aluminum steam pressure cooker and canner will be in the office of the home demonstration agent to be given as a

SOME NEW COURSES NEEDED IN THE SCHOOLS.

If the present law-violation and crime wave that is sweeping our country from coast to coast awakens us to certain critical underlying causes in present-day educational methods, it will not have been visited upon us in vain.

As a preface to what is to follow, let it be said that the sincere and unstinted services rendered by faithful school officials and teachers throughout the land are not undervalued in the least by us.

Now there are other things that a child should be taught than to spell, read, write and figure. To an extent, this is recognized by all, when such studies as geography, history, chemistry, foreign languages, etc., are found included in the curriculum.

Children in every school in the land should be taught morality and good manners, and this can be done without the introduction of religious beliefs. There is no religion or faith "worth a continental" that does not sanction the doing of right under all circumstances.

It will be but a few years when school boys and girls will be taught that all government is based on respect for law and authority, and that any man, no matter how "big," will be considered of the desirable sort who refrains from reporting law violation, no matter how unpleasant.

In community improvement, we have a most interesting subject, and no school, particularly the country and small town school, is doing what it should be doing when it fails to have a well-arranged course of study in community improvement.

Our school children simply must be taught social purity, if we are to keep the vitality of the race anywhere near what it should be. It seems almost hopeless to expect fathers to tell their sons and mothers their daughters, of the creative instinct planted in all of us, and how the base and lustful side of one's nature must be held in check, if a life of misery and unhappiness is not wanted.

Work is something that man and woman can not well get along without. The boy and girl in school, from the primary grades up, should be taught the dignity of any and all kinds of honest toil.

There are too many drones around us today. Too many men who

have enough income from money invested in government bonds or similar safe securities and who don't work and who, it seems strange to say, show no shame of the fact that they are not producers, though under or in the prime of life and able-bodied.

Before this some of our readers who no doubt advanced the objection that there is not time enough in the hours allotted to school work to do justice by the work already prescribed, let alone taking on all these new studies. Please bear in mind that we have named the above-mentioned new studies as being FUNDAMENTAL needs of the day, not just optional studies to use as "fillers."

In concluding, let it be emphasized that we are advancing no argument against the appropriateness of any of the subjects that are now being taught in our graded and high schools; it is merely a proposal to use the schools for the greatest good, and the great present-day need for better men and women, morally, mentally and physically.

THEY HAD FAITH IN THEMSELVES.

Did you read that report in last week's NEWS on the first five months' operation of the Gold Ridge Cooperative Cheese Plant? A twenty-two per cent return on an investment in such a short while is not bad, is it? Well, it all goes to show what can be done where a good leader takes hold, and where the people have faith in themselves and in each other.

"SWAP" A CHICKEN FOR "T. B." CHRISTMAS SEALS. To make it more convenient for country folks to help in the fight against tuberculosis in Virginia, the suggestion, and a good one, has been made that a chicken be traded for a number of the pretty little Christmas seals that have helped so wonderfully in the nation-wide and state fight against the dreaded "white plague" during the past few years.

The local committee is now organizing and it is expected that the opening of county chicken-trading headquarters will soon be announced.

CATHARPIN
The revival services conducted at Sunday the past two weeks by Rev. Homer Welch, assisted by Rev. H. C. Marsh, of Middleburg, ended Friday night with a wonderful sermon from the scene of Christ before Pilate. Our oldest members declare that they had never heard the truths of the Gospel delivered in so convincing a manner, and believe it will result in a great spiritual awakening at Sunday.

Local News Items
Mr. Beverly Walker, of Washington, visited relatives here the past week. Mrs. Elizabeth Larkin has recovered from her recent illness at the home of Mrs. C. M. Larkin.

FIRES AND BURGLARS
We protect you against fire and burglary—and yet we write no insurance policies.
Your home and your furniture, your barns and your hay, we can not insure. This is left for the great fire insurance companies. You, however, have in your possession certain valuables that could not be replaced by any amount of money. These can be protected in but one way—by placing them where fire and thieves can get no access.
