Haymarket, Virginia

We, the undersigned, who are members of the Antioch Preservation Committee, do hereby petition Haymarket Baptist Church to assume the duties of Trustee as outlined in the Order of the Circuit Court of Virginia on October 21, 1964. To Wit:

1. To assume title in trusteeship for the church and its properties until such time as the Antioch Church is reactivated.
2. To maintain the treasury of Antioch in a separate escrow account, to be known as the Antioch Reserve Fund; and to use these monies specifically and only to pay all necessary taxes, bills and other debts which may be incurred for the care and preservation of the Antioch Church and cemetery.
3. To assume the responsibility for the rental property adjacent to the church, this includes the collection of rent, necessary repairs and other duties, to be funded by proceeds from the Antioch REserve Fund.
4. To prepare an annual report and statement of condition of the Fund and the Antioch properties, to be made available to all interested parties.
5. To seek opportunities for Antioch to be reopened as an active church, and at that time to transfer all properties and funds to that congregation.
