

ERC
Bailey Place.
1-14-80.

c 1 mile +-
stones prob. around benchmark.

stones prob. around benchmark.

we went to bottom of next hill, after benchmark.

C. D. Hylton

message? very large tract.

to Powell's creek.

NORTH Boundary of Bailey tract
was south boundary of Pennsylvania

Terrapin Forest - was much larger

between Powell's & Quantico
on both sides of 234.

Bailey Place would have been the estate house.

House we saw prob. a later house.

Hessian camp may have been loc. on
 this prop. Incarcerated.
 was on south side of Powell's Crk.
 Sent down after Battle of Trenton. [Saratoga]

In Montclair is a cemetery
 where Henderson + wife are buried
 in a stone enclosure
 to west of that encl. may have been
 Hessian graves. Shallow graves, some marked
 with stones
 Hessians worked on bldg. in Dumfries
 some may have died of disease
 typhoid, yellow fever etc.

Naomi Wm.
 Callenders + Easthams.
 Not Baileys

Morton's fuller notes describe another cem.
 across road at edge of pine woods -
 says it may have a Hessian cemetery.
 ERC says may have been slave cem.
 from a much older period. — People who had
 seen the stones thought they may have been Hessian.

add to place?
 Bailey Lg. cem. between Bailey Place called Sincox Cem.
 which was west of Sincox house.

Sincox contd.

an early member of the County Bd. of Supervisors.
James Sincox
