Slave Quarters To Be Relocated

Gainesville Supervisor Donald L. White, left, and Weaver Bros. Inc. Vice President Kenneth O. Thompson, right, discuss plans for moving the old Ben Lomond Slave Quarters in background. Weaver Bros. will donate the site which is located adjacent to the old manor house (1837) on Sudley Manor Drive. The men are standing on the site in this picture. White has contacted the Prince William Historical Commission to make final arrangements to have the building moved. The building must be relocated to make room for the driveway to the Westover Baptist Church. The county board has earmarked funds for the relocation.
