RE: Preliminary Information Form for Boxwood, Prince William  
County

Dear Mr. Freedman:

Thank you for sending the supplementary materials for the PIF for Boxwood. In order for us to gain a full understanding of the property, it is important for us to have enough photographs of the interior and exterior to illustrate the overall defining characteristics.

Your application included one interior photograph. Is it possible for you to send additional interior photographs of features such as mantels, doors, stairwell(s), and principle rooms? If so, please send them to my attention as soon as possible. Let me know if this is a problem or if you have any questions regarding our request.

Sincerely,

Elizabeth Hoge Lipford
